VISIT KY. LAKE FOR YOUR VACATION

Stripes Biting Best at Big Kentucky Lake

Hot weather last weekend sent anglers to the lake. Water temperature at the lake last weekend was 76 degrees.

Fishermen have their best luck early in the mornings and after sundown, although a few anglers seem never to have any good luck.

Stripes are the best bet now for any angler wishing to take a mess of fish home. And almost any fisherman can catch a few stripes now. If you fish in the daytime, troll with a spoonplug alongside the piers at Egner's Ferry Bridge. If you fish at night, use live minnows and the postoffice at Benton, Ky., under the act of March 3, 1897 Kentucky; \$3 per year outside of rates upon request.

Largemouth bass are said to be moving from the brush to the gravel bars. Ray Cage Jr. of Paducah recently caught six largemouth bass, and one of them weighed 10 pounds. Washe happy?

And Hugg, the druggist of Paducah, caught 59 stripes while fishing Egner's Ferry piers at night.

So, it appears the fish are in the lake. The trick seems to be to get them on your particular hook. And no honest to goodness real fisherman ever will quit trying.

ASC News & Facts

By Robert L. Dudolph
The basic minimum price-support rate for 1960-crop wheat in Marshall county will be \$1.86 a bushel, Kenlee Rudolph, Chm. of the county Agricultural Stabilization and Conservation office, announced today.
This rate is based on the minimum national average wheat support of \$1.77 a bushel for the 1960 crop announced last summer. Loans will be available at the minimum rate early in the price-support period. The final national and county areas will be determined on the basis of supply and parity figures as of July 1, and loans made at the minimum rate will be adjusted as necessary at that time.
In addition to the county rate the ASC office now has information on minimum rates for support wheat stored in terminals. Farmers needing terminal rate information may obtain it at the county office. In general, the terminal rate exceeds the county rate by the amount of handling and freight charges necessary to get the wheat to the terminal.
As in previous years, the price of the 1960 wheat crop will be supported through loans on farm-or warehouse-stored wheat and through the purchase of wheat delivered by producers under purchase agreements. Loans and purchase agreements will be available from harvest through January 31, 1961. The loans will mature February 28, 1961.
To get wheat price support, Mr. Rudolph points out, a farmer must have complied with his 1959 acreage allotment on wheat.
In general, the basic support rate is for No. 1 wheat. Premiums and discounts are applied to determine the rate for wheat which is of other grades or has other quality factors. There is a discount of 20 cents a bushel for certain previously announced varieties which have inferior milling or baking qualities.
The county support rate, Mr. Rudolph said, will be adjusted for any future freight rate decreases that may occur during the 1960 period of price-support availability.
Nonrecourse price support on 1960 production of wheat will be subject to a \$50,000 limitation as required by a provision of the 1960 Agricultural Appropriation Act. A producer will be exempt from the limitation on nonrecourse price support if his 1959 acreage of wheat is reduced at least 20 percent below his 1959 acreage. Loans will continue to be made in excess of \$50,000 on a recourse basis under which the borrower agrees to repay any amount over \$50,000 by January 31, 1962.
Mr. and Mrs. James Elkins and children recently visited Mrs. Ross Elkins in Greenville, Ky. Mrs. Genoa Gregory who went with them remained for a longer visit in Greenville.
Jamie Morgan underwent minor surgery at Baptist Hospital in Paducah last week.

Mrs. McClain Hostess to Garden Club

Mrs. G. C. McClain was hostess for the June meeting of the Town and Country Garden Club Tuesday afternoon at her home in Benton.
During the business session the president, Mrs. E. M. Wolfe appointed a committee of three, Mrs. Pat Warren and Miss Mae Jones to make plans to sod banks of swimming pool at community park and make some other add attractiveness to the grounds around the pool. The Christmas flower show was discussed.
Mrs. McClain did a period arrangement.
The guests which assembled in the den were invited into the living room and served cup cakes and punch. The table was overlaid with a white open work design cloth, centered with an old fashioned bouquet of pink rambler roses and flanked by burning pink tapers in silver holders. The punch bowl and cups were milk glass. Punch was poured over roses in a frozen ice block.
Other attractive flower arrangements were placed throughout the rooms.
Those attending the meeting were Mesdames Will Leubker, C. E. Voyles, J. M. Fields, H. E. Morgan, Roy Boyd, R. O. Vick, Gania Wyatt, A. J. Perlman, Richard Rudolph, Bonnie Chambers, Joe Pete Ely, E. M. Wolfe, Mable Smith, James Turner, Pat Warren, Leon Riley, Charles Kissell, and Miss Mae Jones.

Mrs. Leroy Keeling Hostess To Garden Group At Calvert

The Four Seasons Garden Club met June 8 in the home of Mrs. Leroy Keeling in Calvert City.
A short business meeting was held. Each member present worked on floral arrangements with fresh flowers brought from home. Giving ideas and hints to the members was the guest, Mrs. Joe Guess.
Dessert and coffee were served by the hostess to Mesdames John O'Hearn, Ken Cardner, Robert Kink, Paul Schroeder, Carl McKim, Robert Klein, Art Komorowski, Robert Carroll, guests Mrs. Guess and Mrs. Charles Cordon.

KEELING PROMOTED
James E. Keeling, radarman second class, USN, son of Mr. and Mrs. W. A. Keeling of Calvert City was promoted to the present rate May 16, while serving aboard the destroyer escort radar picket ship USS Forester operating out of Pearl Harbor, Hawaii. The Forester is a unit of Escort Squadron Five.

Little Leftovers When a recipe calls for the yolk of one egg, what do you do with the white? This kind of odd "leftover" sometimes presents a problem, but it should not be wasted. Here are some suggested what-to-do-withs.

1 Egg White—
Make LEMON SHERBERT
1 cup water
1/4 cups sugar
1 egg white
1/2 cup lemon juice
Few grains salt
Combine 1/2 cup water and sugar; boil 5 minutes. Beat egg white stiff; slowly add sugar syrup, beating constantly. Combine lemon juice, remaining water and salt. Add slowly to egg white mixture. Cool. Pour into freezing tray of automatic refrigerator with cold control set at point recommended by manufacturer for freezing ice cream. Freeze to mush. Place in chilled bowl. Beat with rotary beater until smooth. Return to tray. Freeze firm, stirring several times.

Leftover Asparagus, peas, other vegetables—
Make GIANT BAKED POTATOES
4 large baked potatoes
1 cup Medium White Sauce (or undiluted cream soup)
1/2 cup diced cooked asparagus
1/2 cup cooked or canned peas
1 teaspoon Lea & Perrins Worcestershire Sauce
Cut slice off tops of potatoes. Scoop out centers; mash. Season with Lea & Perrins Worcestershire. Combine white sauce, peas and asparagus. Fill potato shells 2/3 full with creamed mixture; top with mashed potatoes. Bake in very hot oven (450°F.) until brown.

With one leftover egg yolk, you can make one cup of Homemade Mayonnaise. (Recipe on request.) Lydia Perrins will answer kitchen questions. Address her at 22 West 44th Street, Room 1010, New York 36, N.Y.

INVITATION TO BID

The Marshall County Board of Education, Benton, Kentucky will receive bids for the construction of additions and renovations to Hardin and Sharpe Elementary Schools in Marshall County, Kentucky at the office of the Marshall County Board of Education, Court House, Benton, Kentucky, until 10:00 a. m., Saturday, June 25, at which time all bids will be publicly opened and read aloud.

The project consists of a one classroom addition to Sharpe and a one classroom addition plus a boiler room addition and a fuel room to Hardin.

Proposed forms of contract documents, including plans and specifications will be on file at the office of the Marshall County Board of Education, Court House, Benton, Kentucky and at the office of Lee Potter Smith and Associates, Architects, 2221 Broadway, Paducah, Kentucky and may be obtained at the office of the Architects upon completion. Copies of the documents will also be on file at the following location for examination by interested parties: Associated General Contractors, Paducah, Kentucky.

Copies of the documents may be obtained by depositing \$15.00 with the Architect for each set of documents so obtained. \$15.00 will be refunded to each bidder who returns plans, specifications and documents in good condition to the Architect, within one (1) week after bid opening. Bidders returning unsatisfactory plans or specifications after the above mentioned one(1) week period will be refunded only \$7.50.

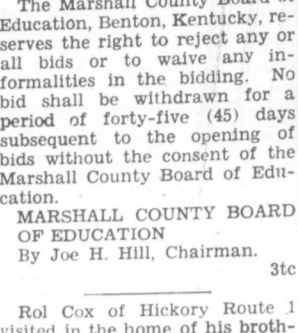

A satisfactory bid not executed by the bidder and acceptable sureties in an amount equal to five percent (5%) of the bid shall be submitted with each bid. A successful bidder will be required to furnish and pay for satisfactory performance and payment bond in the amount of 100% of the contract as provided for in the specifications. Attention is called to the fact that not less than the minimum salaries and wages as set forth in the specifications must be paid on this project.

The Marshall County Board of Education, Benton, Kentucky, reserves the right to reject any or all bids or to waive any informalities in the bidding. No bid shall be withdrawn for a period of forty-five (45) days subsequent to the opening of bids without the consent of the Marshall County Board of Education.

Hardin Girl Planning A Career In Nursing

Essay written by Linda Utley for her resource development project. Linda is now in Lottana Dam, North Carolina, attending the regional resource development conference.

I PLAN A HEALTH CAREER

After my high school training, I plan to enter the field of health as a registered nurse. Choosing a health career, I realize, is a big decision, because a health calling is more than just a job. It entails a point of view, a mode of living, and a way of regarding life, which is different from most other occupations. Before entering the special training which a career as a registered nurse requires, I expect to enter Freed Hardeman Junior College at Henderson, Tenn. In order to ground myself in subjects related to this field, such as chemistry, Biology, hygiene, etc. I expect to obtain my four years of professional training at Midstate Baptist Hospital in Nashville. At this point, whether in hospital, public health, or industrial, I expect to

enter after training. Possible, I may wish after some experience, to take additional courses study which qualify me in advanced field of nursing.

In the 6 years which I expect to devote to nursing education, I will spend approximately \$2,000, most of which will be for tuition and other expenses in junior college. The hospital school to which I hope to attend pays student nurses enough to cover their basic expenses.

Opportunities in this area for employment in industrial nursing are fair, and should become better, as there is a rapidly expanding industrial economy in the Paducah-Mayfield-Calvert City area. My information is that starting salaries in this field are about \$3,000 a year. I am also informed that hospital nurses are also in good demand, due to high personnel turnover. Private duty nurses here need never be without employment, and may receive salaries which range from \$18 to \$25 a day.

I realize that nursing requires a liking for people, integrity, a

Jr. Woman's Club Holds Its Annual Picnic At The Lake

The Benton Junior Woman's Club held its annual picnic on Thursday evening, June 2, at Kenlake Park pavilion. After the picnic supper, Mrs. James Thompson, club president for the forthcoming year, presided at a short business session.

A short social period was enjoyed after the business meeting. Members and their husbands present were: Messrs. and Mesdames James Thompson, Burl Platt, Jim Owens, James Holland, Dale Morgan, Joe Brooks Prince, Rolfe Henson, Jack Cole, James Wyatt and Richard Durrett.

Mr. and Mrs. Pat Ely have returned to Louisville after visiting his parents, Mr. and Mrs. Joe P. Ely.

Mrs. Lillie Cooper has rented an apartment in the home of Miss Georgia Brandon to occupy sense of responsibility, and self discipline. I know that it requires a healthy outlook on life and a sense of perspective, and I hope that these qualities will make their appearance as I gain maturity and experience.

STRENGTH FOR THESE DAYS

I have called upon Thee, for Thou wilt hear me, O God.—(Psalms 17:6)

Such is the complete and absolute trust in God, our Father in Heaven, of the true seeker after righteousness. He knows, and ever re-affirms, that God—all-good, all-wise and all-loving-kindness—will hear his every prayer for help, for strength, and for guidance. Of such is Faith.

Harold Hollands Honored At Party At Their New Home

Mr. and Mrs. Harold Hollands were honored Sunday at their new home on Highway 933 (Moore's Camp Road) with a miscellaneous shower by relatives and friends.

Hostesses for the occasion were Mrs. Mary Jones and Mrs. Cozette Tichenor. They served punch and cookies. The table was covered with a quaker lace cloth over rose.

Those participating in the shower were Messrs. and Mesdames Aldon English, Leland Edwards, Gentry Clark, Malcolm Heath, Dan Draffen, Wm. D. Grissom, Thomas Foster, William Washburn, Earl Osborne, W. G. Dappert, Sycamore Travis.

J. E. Shell, Kenton Holland, Marcus Gurley, H. B. Holland, Jess Collier, Albert Nelson, R. R. McWaters, Henry H. Lovett, Sr., Gerald Chambers, Clint McGregor, John Tichenor, Mesdames Martha N. Holland, Genoa Gregory, Jackie Jones, Zelma Creason, Laura Holland, Zora Stone, Betty Tichenor, Adell English, Messrs. Jerry Martin, Arthur Travis, Dennis Heath, Jimmy Creason, and Minnie Lou Holland.

R. R. Rose of Route 1 was a business visitor in Benton Friday.

Lesson for June 19, 1960

CHRISTIANITY is not an impossible religion. Some people think that they don't understand it, but very common mistakes are made at this point. One is to think that Christianity is essentially a set of dogmas, a creed, a list of rules to be followed. Now of course, it has these things, but they are not the heart of it. The heart of Christianity is a love for God, who is the Father, and a love for man, who is the brother.

Dr. Foreman says it has a heart, it is a love for God, who is the Father, and a love for man, who is the brother. It is a love that is not based on a list of rules, but on a love for God and man. It is a love that is not based on a list of rules, but on a love for God and man.

Dr. Foreman says it has a heart, it is a love for God, who is the Father, and a love for man, who is the brother. It is a love that is not based on a list of rules, but on a love for God and man. It is a love that is not based on a list of rules, but on a love for God and man.

cars love SHELL

Even the younger set senses that wonderful things happen to a car that's tasted a Shell gasoline with TCP. And many a motorist recognizes that his car needs TCP for a smooth-running engine. You see, TCP additive neutralizes the harmful deposits that make engines run rough. If your car has never enjoyed a Shell gasoline with TCP, why not try some before too many miles roll by? Discover how smooth your car can run—how far you can go on a gallon. Your Shell dealer is the man to see.

Lesson for June 19, 1960

Miss Lydia Adams is visiting her daughter, Mrs. J. M. Peterson, in Paducah, Ky.

Mr. and Mrs. J. M. Peterson, of Paducah, Ky., and children were in Benton, Miss., last week.

Miss Jan McDermott Is Married at Church

Miss Janice McDermott, daughter of Mr. and Mrs. Truitt McDermott, became the bride of Dwayne Jones, son of Mr. and Mrs. Jesse Jones of Benton, in a marriage solemnized May 27 at the First Baptist Church, Benton. Rev. Paul Dailey, officiant, performed the ceremony at 7 o'clock in the evening.

Mrs. J. R. Brandon, organist, rendered a program of nuptial music, and accompanied Ray Buchanan, soloist.

The bride was given in marriage by her father. For the ceremony she chose a waltz-length gown of Fontainebleau lace. The basque bodice was designed with a portrait neckline outlined with applied lace motifs embroidered with pearls. Her shoulder-length veil of silk tulle fell from a debutante pearl tiara. The bride carried a white orchid surrounded with lilies of the valley atop her white Bible.

Miss Carol Holland of Cadiz was the maid of honor. Junior bridesmaids were Miss Angela McDermott, the bride's sister, and Miss Lynn Jones. Vickie Suzette McDermott, also a sister of the bride, served as flower girl.

The maid of honor was attired in a gown of yellow silk chiffon and carried a nosegay of yellow cymbidiums. The junior attendants wore white self-embroidered silk organza over lilac and carried small nosegays of baby orchids. The flower girl wore a dress similar to the junior attendants and carried a basket of daisies and red rose petals. Each attendant wore a rhinestone tiara as headpiece.

Jerry Dublin of Benton was the groom's best man. Ushers were Eddy McDermott, the bride's brother, Gerald Jones, the groom's brother, Steve Miller, Harold Jones and Ross Allen Johnson.

Mrs. McDermott chose for her daughters wedding a dusty rose lace dress with beige accessories and a white orchid corsage. Mrs. Jones was attired in a frost green lace with beige accessories and she also wore a white orchid corsage.

A reception for Mr. and Mrs. Jones was given in the church dining room immediately following the ceremony.

THE CHARLES THOMPSONS ARE BACK FROM FLORIDA

Mr. and Mrs. Charles A. Thompson and children, Erica and Ronald, of Benton are back home from Florida. They enjoyed a visit to the huge Royal Palms bordering Sarasota Jungle Gardens during their recent vacation in Florida.

The visitors mingled with flamingos and other exotic wildfowl roaming freely amid Florida's finest scenery. Other points of interest in Jungle Gardens were the huge Royal Palms, bordering jungle trails, hundreds of colorful tropical plants, and brilliant macaws which pose with visitors for pictures.

Mr. and Mrs. Marvin Fields and son have returned to their home in Houston, Texas, after a visit with his parents, Mr. and Mrs. J. M. Fields and other relatives and friends.

CONSTIPATED?

Medical reports show how folks over 35 can establish regularity

After 35, irregularity often becomes a problem. What you need is something that aids nature and helps establish regularity. Such an aid to regularity is the daily use of SERUTAN. Here's medical evidence: A group of men and women took SERUTAN daily, helped establish regularity. So, for real relief from constipation after 35, try SERUTAN, powder or granular.
