COMPLEX LEGAL POINTS RAISED IN REHKOPF CASE

One of County's Noble Women

MRS. KATE SWITZER PASSED AWAY This Morning

Had Resided 6. McCrory County for Thirty Years and Was a Widow for Twenty-Five

The county loss in one of its oldest and most prominent citizens occurred last night when Mrs. Kate Switzer, widow of the late lions, died of apoplectic stroke in her home on Main street here. She had been in ill health for many months, and although her death was expected, it came as a shock, as few knew of her illness.

Mrs. Switzer was a most excellent housewife, and was known as the best cook in the county, where she had lived for many years.

The funeral arrangements have not yet been completed, but it is expected that a large crowd will attend the services.

The company

This company is among the most prominent in the country, being one of the oldest and most established in the business. It has been in operation for many years, and has built up a large and devoted following.

The company

THE POLICY has been framed to insure to each policyholder the fullest protection, and every appropriate benefit.

1. It is UNCONDITIONAL and UNRESTRICTED after the first year.

2. DIVIDENDS are paid ANNUALLY. Liberal loan and surrender options are granted. Policy payable at maturity, either in cash or installments. Or the money may be left with the Society at interest. Or the insurance may be converted into annuity.

3. The new company

The Board of Public Works

It should be no trouble for the board of public works to "make clean sweep and settle every matter belonging to them, leaving nothing behind them that is unfair or partial." The board's aim should be to do justice to all, but especially to those who have been wronged, and to do this they must be impartial and unbiased.

Amending the Charter.

The following resolution is directed towards a charter for second-class cities which has been referred to the engineering department in caring that the matter complained of had clean sweep and settle every matter belonging to those departments to Six Mondia, e-Sci
