Weed Market to Open in Murray Early in January

Third Day of Month is Set By Tobaccoists; Many Have Crop Bulked

Tobacco market auction sales will open in the Western Dark Fired area, comprised of Mayfield, Paducah, Murray in Kentucky, and Paris, Tenn., on January 3, with sales at Mayfield on that day. The markets at Paducah and Murray will open on the following day, January 4, and the first sale will be held at Paris, Tenn., on January 7.

The officials of the Associated Markets in this district at a meeting Tuesday at the Mayfield Loaf Floors, decided on those opening dates provided the eastern dark fired markets at Hopkinsville, Clarksville and Springfield did not open before Christmas. They indicated there might be a change in the opening dates in the Western District if the eastern floors opened before Christmas.

Opening date for the air cured or one-stemmer market in Mayfield was fixed for December 31. W. B. Kennedy, Jr., Paducah, was made president of the Associated Tobacco Markets of the Western Dark Fired district; C. C. Farmer, Murray, was made vice-president and H. P. Pruitt, Paducah, was elected secretary-treasurer at the meeting Tuesday. Directors will be members of the tobacco boards of trade of the four cities in the western area.

Paducah was represented at the meeting by Kennedy and Pruitt; Murray was represented by Farmer, and Paris was represented by C. V. Ezell and J. A. Crossway. The meeting was attended by about 40 tobaccoists from the four towns.

Robert Webb, chairman of the Kentucky railroad commission, discussed the matter of freight rates on tobacco shipments with the tobaccoists.

Tobaccoists and growers alike were enthusiastic over weather conditions this week which aided them in preparing their produce for market.

Western Kentucky tobacco growers, especially, handicapped in preparing their product for market by a fall of dry weather, welcomed the moist and relatively warm days which came Thursday and Friday of last week.

Dampness in the atmosphere brought the weed, which had hung crisp in the barns, in order so it can be stripped for market. The first of the 1939 crop was bulked down last week, and stripping has been in progress since that time.

According to C. C. Farmer, the majority of growers in this county have bulked their tobacco and have it ready for the stripping process.

Today's cold weather will not appreciably hinder farmers who have their tobacco down, because the heavy bulk will retain the weed's moisture and it will be in condition to strip practically at any time. Many farmers have stored in their barns, or carry the tobacco to a workroom, where there is a fire, and strip it out in relative comfort.

Mrs. Nellie Wade Dies on Thursday

Was Resident of Hico Community; Many Relatives Survive; Burial in Walker Cemetery

Death Thursday of last week claimed Mrs. Nellie Wade, 48, highly-respected woman of the Hico community.

A member of the Baptist church, she was united in marriage in 1922 to Ben Wade and was the mother of four children, Maude, Imogene, Wallace, and Jimmie, who all survive her, in addition to four stepsons, Melton, Robert, Doris, and Reuben.

Surviving also are Mrs. Wade's father, J. F. Nance, four brothers, Roy, Hubert, Bill, and Ernest Nance, three sisters, Mrs. Curtis Barrett, Mrs. Wallace Adams, and Miss Arlie Nance.

Funeral services were conducted Friday at the Hico Baptist church with the Rev. J. H. Miller in charge, and burial followed in the Walker cemetery.

ATTENTION EX-SERVICE MEN

Our regular monthly meeting will be in the courtroom at the Courthouse Thursday night, December 1, at 7 o'clock. All please come to be present, as we have some business to transact that we want all you there. Please make your arrangements to be there.

Phil Cutchin Blazes Trail to Football Glory in Nashville

Son of Coach Carlisle Cutchin is Sensation as He Makes All-City Team

Phil Cutchin, son of Coach and Mrs. Carlisle Cutchin, a prep school student at Montgomery Bell Academy in Nashville, received just about every plaudit to be given when the all-Nashville football team was being selected. He was coached by Howard Allen, all SIAA quarter at Murray State in 1933.

He was the only Nashville player to receive the vote of every sports authority for the all-city team, and all were equally unanimous in praising his stellar performance.

In picking its all-Nashville team, the Nashville Banner selects Cutchin at quarterback, declaring: "The class of the league backs, Phil can be described as the complete back-field artist. Has rare football instinct. Punts and passes well. Great on line smashes and end runs. Best defensive back. Accurate play diagnostician, keen field general. Kickicker of surpassing ability, too. A target of opponents every game, he was never completely choked."

Four players from Montgomery Bell Academy made the all-city team, but it was only because of the outstanding play of the team as a whole that so many from one team had to be selected. MBA lost only one game—that a startling upset from Central 7-0. Concerning that game, Nashville sports writers said: "The fame of Phil Cutchin proved his own undoing as the golden-shirted Central high Tornadoes rocked the intercollegiate league with an amazing 7-0 victory over MBA. It was a fumble by Cutchin late in the third period . . . Cutchin nearly broke loose on the following kickoff for

All-Nashville Quarterback

PHIL CUTCHIN

a touchdown, and MBA marched straight down to Central's 6-yard line before the attack was halted. A marked man was cutchin, but even so, he gained brilliantly. The final standing in games won and lost insofar as the Dickinson system is concerned placed MBA fourth in a list of 18 city teams. The first four teams play in a tournament for the championship, and MBA won its first game, from Donelson Saturday by 20-13, with Cutchin the outstanding star on the field. Donelson had previously polished off Bellevue, and MBA will play the winner of the other bracket for the championship next Saturday.

Young Cutchin, the son of a great coach, received his high school football training under Coach Preston Holland when he played for the Murray high school Tigers. Phil captained the squad in 1937, and proved himself to be as gutsy as he has been in opposition here as he has been in Nashville.

Red Cross Annual Roll Call Drive Ends Today; 182 Memberships Listed

Both John S. Neal and Zelma Carter, Chairmen, Are Pleased

A report today revealed 182 persons or organizations have joined the roll call of the American Red Cross through the local chapter organization.

Both Zelma Carter and John S. Neal, chapter and roll call chairmen respectively, expressed themselves as well pleased with the response given the Red Cross drive.

The Mason Hospital, the Murray Training School, and the Lucas Shop are thus far the only business firms which have hundred per cent memberships with the chapter. To obtain the perfect rating, every employee of the organization must contribute his membership fee.

Although many of the names in outlying communities have not been turned in and even though the closing date for the drive is today, the funds and memberships from the various communities not heard from will be collected, according to Neal.

The Murray Hosiery Mill contributed \$12.00.

Names of members who have been reported are as follows:

Rockefeller Funds Are \$26,410,937, Estate Check Shows

NEW YORK, Nov. 24—A net estate of \$26,410,937—some \$17,000,000 of it in Government bonds—was left by John D. Rockefeller, Sr., founder of one of the mightiest of all fortunes.

This was disclosed in a transfer tax appraisal—a step-legally incident to the collection of taxes—which was filed recently, and at the same time attorneys estimated that after the payment of Federal and State levies the estate would amount to some \$10,000,000.

In all the securities left by the capitalist there was but a single \$43.94 share of stock of the vast Standard Oil enterprise which he had fashioned many years ago,

Kiddies Will See Bobby Breen Film Here Christmas

PTA, Capitol Theatre, and Ledger & Times Sponsors Free Christmas Show

The Murray and Calloway county Parent-Teachers Association, the public schools in cooperation with the Capitol Theatre and the Ledger & Times will sponsor a free motion picture show for the kiddies who are unable to pay their way to a regular show Saturday morning, December 24, at 10 a. m. The show will feature Bobby Breen in "Rainbow on the River" and a Walt Disney cartoon, "Donald's Ostrich." The theatre employees are donating their time and efforts to make the show a huge success. Tickets of admission will be printed and donated by the Ledger & Times, which in turn will be distributed by the Parent-Teachers organization to those children who are the most deserving. Admittance will be by ticket only, but they will see that all worthy children are supplied with them.

The picture company is furnishing the picture free of charge. Frank Lancaster, local manager of the Capitol Theatre, and Harry A. Moore, general manager of the Columbia Amusement Company of Paducah are also donating their time and effort to make this program a success.

Donations will also be accepted at the Ledger & Times office to buy fruit, candy and nuts for the needy children who attend the show. The old slogan, "it is better to give than receive" should be carried out in this program. It is not the intention to solicit large amounts from any one person or organization but it is desired that all who can contribute some little amount to buy candy, fruits and nuts for the worthy children to be given to them at the free show on Saturday morning, December 24, who otherwise Santa might forget.

Thanksgiving Day Sees Businesses and Schools in Recess

Most schools of Calloway county closed yesterday afternoon for the Thanksgiving recess, and will resume classes Monday morning. T. C. Arnett, superintendent, said this morning.

Murray State College dismissed classes yesterday at 3 o'clock, and will not resume studies until Monday. All postoffices in the county will be closed to general public today and banks and most stores will also be closed.

Hunting, fishing, visiting, were all in for big interest today, although cold and unattractive weather threatened.

Kelly Cromwell Attends Meeting

Many Changes In Methodist Ministerial Ranks; To Meet In Paducah In 1939; Jenkins Remains; Jolley Has District

MARTIN, Tenn., Nov. 24—Sweeping changes in all classes of appointments came Sunday as Bishop V. V. Darlington read ministerial assignments at the concluding session of the Memphis Methodist Conference. Five thousand persons jammed into the University of Tennessee Junior College Auditorium to hear the appointments.

A major change sent the Rev. C. N. Jolley of Calvary Church in Memphis to Paris as presiding elder of the Paris District, succeeding the Rev. H. R. Taylor, who goes to Calloway Memorial, Memphis. The Rev. Mr. Taylor replaces the Rev. W. F. Maxedon, who goes to Hayes Avenue, Jackson.

The only other change affecting the Murray circuit was that of the Rev. H. L. Lax, who came from Kevil to replace the Rev. E. R. Roach, who went to LaCenter. Mr. Lax formerly lived in Calloway county, going to Hazel to school in 1914 and from there to McKenzie continuing his studies in 1915. In 1919, he entered the ministry regularly, in charge of the Murray circuit, he will have the following pastorate: Sulphur Springs, New Hope, Martin's Chapel, Goshen, and Lynn Grove.

Bishop Darlington preached at the First Methodist Church Sunday morning following a love feast conducted by the Rev. J. W. Waters of Ripley and the Rev. W. C. Waters of Martin. Immediately after reading the appointments Sunday afternoon, the conference adjourned. Next year's session will be held at Broadway Church, Paducah.

The following presiding elders were named: E. H. Mathis, Dyersburg district; R. P. Duckworth, Brownsville district; C. C. Daniel, Jackson district; John M. Jenkins, Lexington district; E. G. Hamlett, Memphis district; F. B. Jones, Paducah district; C. N. Jolley, Paris district; W. C. Barham, Union City district.

New Corn Grader To Aid Farmers

Machine is Capable of Judging Six Bushels of Seed Corn Per Hour

A corn grader capable of accurately judging six bushels of seed corn per hour and operated by one man will be available for use of individual farmers in Calloway county within less than a month.

Sherwood Potts, president of Utopian club members in the county announced today through County Agent J. T. Cochran that the grader, operated by Utopia members, may be obtained for service either through the county agent's office or either of the Utopia club members individually, of which are Potts, president; Jim Wilson, vice-president; Gaylon White, secretary-treasurer; and J. M. Houston, chairman of the board of directors, of which J. T. Cochran is an ex-officio member.

Other Utopians are Reuben Chrisman, Frank Montgomery, O. K. Stubblefield, Lester Wilson, Brooks Underwood, R. C. White, John Lassiter, and James Potts.

Tigers to Tackle Grove High Today

Coach Preston Holland's Murray high school Tigers, winner of only one game during the entire football season, hope to play the role of giant-killer today when they take on unbeaten and untied Grove High of Paris in the two team's annual Thanksgiving Day encounter.

On the books, the Tigers would not have a chance against the hard charging Parisians, but Coach Holland, who has coached his sophomores through eight grueling games in which he has won only one, said he felt his boys might do the impossible and trim the rangy Tennesseans.

Two weeks ago, Grove toppled Utopia City's great team 12-0, and since that time has been pointing for the Murray game—not because it has expected any trouble much from the Tiger squad but because it wants to win the game and the one touchdown defeat Murray handed it here last season.

Welfare Group Honors Tucker

Dr. A. Y. Lloyd of Health Department Makes Principal Address of Evening

The personnel of the Department of Welfare of the first district of Kentucky were hosts last Friday evening at the National Hotel with a dinner meeting honoring Mr. and Mrs. Hiram Tucker. Mr. Tucker was recently appointed district supervisor. Mrs. Jean J. Todd, state field representative, was in charge of arrangements.

Dr. A. Y. Lloyd, director of the department of Public Assistance was toastmaster. He remained over and attended the Western-Murray game Saturday.

No set program was arranged but extemporaneous speech were delivered by several in praising the work of the department in general and paying tribute to Mr. Tucker, who graciously thanked them for their kind words in his behalf. Dr. Lloyd spoke in behalf of the state program as a whole.

Those attending were: Mrs. Lillian Salyer, Charles Doran, Mrs. Jean J. Todd, Mr. and Mrs. Hiram Tucker, Dr. Lloyd, Mrs. Rose Mary Codell, Senator T. O. Turner, Rep. C. A. Hale, Judge Brady Stewart, Neill Waggoner, Clay Copeland, Mrs. O. J. Jennings, Hall Hood, Miss Ola Mae Farmer, Mrs. Verbie Elms, Elmus Houston, Edwin Abell, Eulice Copeland, Mrs. Amelia E. Boswell, Mrs. Nora Alexander, Harry Weeks, W. W. Wheatly, Mrs. McDade, W. B. Taylor, George Slaughter, Mrs. Agnes Powell, Mrs. Florence Hawkins, Mrs. Marjorie Wallis, Mrs. Mollie G. Dr. G.P. Hicks Dies at Florida Home

Formerly Practiced Medicine in Hazard; Had Wide Professional Skill

News has just reached here of the death of Dr. G. P. Hicks which occurred in Florida early Wednesday morning. Dr. Hicks formerly practiced his profession in Hazard, coming here from Hollow Rock, Tenn. He had many friends here. He married Miss Gracie Paschall, daughter of J. F. Paschall, a prominent farmer near Hazard, and was a brother-in-law of the late Leslie Ellis.

He is survived by his aged mother, his widow, two daughters, Mrs. Dorris Orr and Mrs. Joe A. Herndon, of Bructon, Tenn., where the family has lived for the past several years.

The remains will be brought to the home in Bructon and interment will be near that place. Quite a number of people from this county will attend the funeral services, plans for which are not definitely known here.

N. A. RATE IMPROVING

Mr. N. A. Pate, of the Harris Grove community, who has been seriously ill of pneumonia for the past several days, is reported this morning as being somewhat improved.

Circuit Court Will Reconvene Friday; Civil Cases Set

Jones, et al. Get \$3,482 From Wholesale Company in Damage Suit

Circuit court adjourned here yesterday afternoon until Friday after a hectic week which saw only civil cases come before the attention of the jury.

Of prime significance among the list of civil judgments was perhaps the suit brought by E. C. Jones against the Murray Wholesale Grocery Company on damages to his car resulting from an automobile collision and a suit by Billy Jones, suing through his next friend, E. C. Jones, for personal physical damages resulting from the same collision. The jury awarded Jones \$482 for injuries to car and awarded Billy Jones the sum of \$3,000 for personal injuries.

In another civil suit, Seth Cooper was given judgment of \$484 to be collected from the Mutual Benefit Health and Accident Association. James Elliott was awarded \$65 from Bob Marine, who was found guilty of "negligent driving" which resulted in the accident in which Elliott was involved.

Divorce grants were given Mrs. Ethel Cud Smith from Charles E. Smith; Bernese Ernstberger Dumas from Joe Dudley Dumas, who was requisitioned by the court to pay \$4 monthly for the upkeep of the infant child; Rudell Bryant Phillips from John B. Phillips; J. B. Phipkins from Maurine Phipkins; and Deatheal Scott Mills from Ollie James Mills. All divorces were given their maiden names and all the privileges pertaining to unmarried life.

In another domestic suit, Mrs. Olga Freeman was given the custody of her two children with the provision that their father, George Elbert Freeman, might see them at any time.

Court reconvenes tomorrow at nine with a civil docket at hand.

Throng Attends Bank Opening

Distinguished Bankers From Kentucky, Tennessee, Join Local Guests at Formal Reception

Approximately one thousand local citizens augmented by several from other cities attended the formal opening of the Bank of Murray building last Friday evening during the hours of 5 to 9 p. m.

They all paid tribute to the beautiful new structure and what it means in the business development of Murray. All those having offices upstairs were hosts to their friends also. The rain and inclement weather kept several hundred away who had expressed their desire on attending the function.

Among those out of town who attended were Bob Robertson of the Citizens Union National Bank of Louisville; E. L. Trevelthan, Bank of Marshall County, Benton; Ambrose Thompson, Bank of Benton, Benton; W. H. Miller and J. M. Marshall of the Dees Bank of Hazard; B. B. Castor of Dallas, Texas; John G. Russell, M. L. Sutherland, and J. T. Theobald of the Peoples National Bank, Paducah; Judge Ira D. Smith, of Hopkinsville; G. W. Merick, of the Third National Bank of Nashville; and Charles Gockel, W. V. Schoen, James C. O'Loughlin, Jr., D. G. Maples, C. M. Hand, Mr. and Mrs. Ed Wade, and Mr. and Mrs. Noble Clark of the Citizens Savings Bank of Paducah, and T. H. Stokes and Grady Miller of the Peoples Savings Bank, Murray.

A feature of the occasion was the arrival of the new Jefferson Nickel which were exchanged for Buffalo nickels during the evening.

Refreshments of punch and cake were served by the ladies of the bank with Mrs. George Hart as hostess.

Sparks from Stove Ignites Roofing of Weatherly Home

Sparks from a laundry stove ignited the roof of Roy Weatherly's house on Elm street here Monday afternoon and set fire to a grass plot nearby which endangered other homes.

The local fire department arrived in time to save the Weatherly home and to quench the blaze in the grass. It was estimated damage to the house was close to \$100. The house is the property of Jeff Shroat.

A project in reconditioning old furniture is attracting many farm women in Boone county.

What of the Jew?

Wandering and oppressed, the Jewish minority again finds itself on the rocky road to tragedy, with the villain in the play the Swastika symbol of Adolf Hitler and Propaganda Minister Paul Joseph Goebbels, German leaders.

The Jews have no place to go; yet they must go somewhere. England allows a restricted few to repopulate the not-top-crowded sections of Palestine. A few come to America. But what of the mass of Jewish people who bear the brunt of German terrorism?

Nazi actions in regard to Jewish minorities during the last 10 days have gained the horrified concern of all the world. President Roosevelt's sharp reminder that such action has no place in a civilized world drew down on his head the disconcerting statements from the German press that the American President is an "arch-foe of the Reich."

True to the Biblical prophecy, the Jews have been unstable insofar as national unity is concerned. They have wandered into all nations. There is no land they can call their own.

An appeal from America to Britain has asked that Palestine be reopened for the Jews. Surely, somewhere in the world there is room for a people which has given the world so many geniuses, for a nationality which gave the world its greatest lover of peace—Jesus Christ.

JUST JOTS

By John

Jewry in Germany has been barred from all schools and universities. Hitler should remember that Teutonic barbarism became decadent and passed into oblivion several centuries ago. It is possible that Hitler's action today presages such another occurrence.

Coming events cast their shadows before. When Races and religion are driven from a country what is left? Protestant and Catholics alike are being depressed in Hitlerland.

Even though we are living according to the dispensation of the new Testament, we must still recognize the Almighty power of Jehovah, and his power to produce miracles. Methods may change, but we must all remember that our Saviour, Jesus, was of God's chosen people.

Jewry may be down at present in Germany but throughout history it has never been out.

Press reports indicate 250,000 people from Germany seek to enter the United States. Eighty-five per cent of these are Jews.

The new Jefferson Nickel arrived in Murray last Friday for the first time. Maybe the presence of these nickels, emblematic of the noble Jefferson, will help remind us of the old Jeffersonian Democracy and carry us back to an era of common sense and Government and Democracy as originally intended by the founders of the constitution.

The Federated Women's Clubs of Murray are to be congratulated on the new 150 page edition of their cook book which will be on sale about December 15. It is a masterpiece and has entailed lots of hardwork on the part of all the women. They are to be congratulated, as the finished product will be a credit to all of Murray and the hard work that has

been put into it. It is planned to sell these as Christmas gifts. Ladies, you sure would appreciate one of these. Tried and tested recipes, and all together and classified for convenience's sake.

Hunters should respect the posted farms in this community. We know the urge to hunt, and, to hunt, is great sport.

Suppose you owned a farm yourself and wanted to protect your livestock and game? It would be different then.

So the best thing to do is to get the landowners' permission. You are protecting yourself and recognizing the right of others.

Be careful of throwing down lighted matches and cigarettes this fall as you are hunting and avoid a costly fire. You cannot be too careful.

And speaking of fire, the Fire Department at Fulton started last week its annual duty of burning all dead and dried grass inside the city limits. The work is being done under the supervision of the fire chief and his men so that no disastrous fires may start.

That would be a good program for the Murray Fire Department. The citizens should be willing to cooperate to the fullest extent.

T. B. Eradication Is Goal Set By Seal Campaigners

Sale of Christmas Seals to Continue Until Christmas

WASHINGTON, Nov. 24.—Nothing less than the complete eradication of the scourge of tuberculosis is the aim of every citizen in giving support to the annual Christmas Seal Sale of the National Tuberculosis Association and its affiliated groups. President Roosevelt said Tuesday in endorsing the Association's thirty-second annual campaign which opens today. Such support, says the President, "becomes a patriotic duty."

President Roosevelt said that the work of the tuberculosis associations in teaching people that the disease is preventable and curable and that people can be returned to health and strength is of the highest value.

"With the approach of the holiday season we are again forcibly reminded that the nationwide attack on tuberculosis is a year around campaign, made possible through the proceeds of Christmas Seals," President Roosevelt said. Since 1907 these well known seals, which will go on sale throughout the United States on Thanksgiving Day, have played an important part in stamping out tuberculosis and saving the lives of countless numbers of people stricken with this dread disease.

"The work which the National Tuberculosis Association and its affiliated organizations are doing in teaching people that tuberculosis is preventable, that it is curable, and that great numbers of tuberculosis patients can be restored to health and strength, is of the highest value. It deserves the support of our citizens everywhere. Such support in a very real sense becomes a patriotic duty."

"The proceeds from the sale of the Christmas Seals will furnish the sinews of war with which to attack this menace on all fronts; through preventive measures, education, free clinics, hospitalization and nursing service. Our goal must be nothing less than the complete eradication of this scourge of tuberculosis from our nation."

Through the power of the Christmas Seal everybody can help in attaining that goal. In the true spirit of Christmas let us as a nation give generous support to this campaign to protect the health of every man, woman and child within our borders.

Faxon High School

We have finished taking the second six-weeks' examination. Through the power of the Christmas Seal everybody can help in attaining that goal. In the true spirit of Christmas let us as a nation give generous support to this campaign to protect the health of every man, woman and child within our borders.

Third and Fourth Grade News

The honor roll for the third month is as follows: Third grade: Ben Hopkins, Bettie Roberts, Jack Roberts, Ronald Thompson, Jean Williams, and Frank Adams. Fourth grade: Joe Buddie Adams, Emma Dene Smith, Rudy Holland, Evelyn Vella, Nancy Jean Wilkerson, Charlotte Holland, Ardath Abart, and Vera L. Grogan.

Fifth and Sixth Grade News

Three months of our school has gone and we are beginning the fourth with a better determination to make this the best month yet. With the Thanksgiving season here we should all be very thankful. We have Thanksgiving decorations on our windows and appropriate drawings on the wall.

The honor roll for last month was: Fifth grade—Martha Evelyn Morris and Jane Hopkins; sixth grade, Russel Burns Adams, T. G. Shelton, Sue Roberts, Ruby Miller, Mary Elkins, Linda Lee Dyer, Sarah Ruth McClure, Frankie Nell Falwell, and Pauline Cunningham.

Taylor Atkins is Injured in Wreck

Taylor Atkins, 31, Murray livestock dealer, was injured Saturday morning when a north bound N. C. & St. L. freight train struck a truck driven by him at a grade crossing in Puryear.

Atkins was driving east on the crossing when the freight train crashed into the truck, just behind the cab. The truck was thrown about 40 feet along the right-of-way.

Atkins was pulled from the wreckage and received first-aid treatment in Puryear, after which he was rushed to a hospital in Murray.

It was not considered to be critically injured.

Russellville is reorganizing their Chamber of Commerce.

In Cadiz last week 2 highjacks stole a new Ford car from one of these large drive-away trucks, while driver was eating lunch. Very bold indeed, but since then the culprit has been captured. The load of cars were enroute to Mayfield.

The Fiscal Court of Graves county has received a PWA grant of \$44,100 for an addition to the court house.

President Roosevelt approved Saturday a WPA grant of more than \$20,000 to be used in establishing and improving Murray streets.

Estill Howard, 29, Owensboro, was sentenced to five years in the penitentiary for altering a \$1 U. S. note. With several deft strokes of pen and pencil, Howard duplicated the white hair of Washington's picture so that it resembled the looks of Lincoln. He also gave Washington a beard, and when he had finished his work the Father of his Country bore a remarkable resemblance to the Great Emancipator. The U. S. in the corner of the note were changed to 55. "He's an artist," James Ryan, Government secret service man, said when he was asked how Howard was able to make the transformation.

Faxon Facets

Sickness and death have been loosed recently in Faxon community. Although they were miles apart, on the outside of the community, two funerals were held on Friday. Mr. Fletcher Bogard, who has been ailing for some time, but who had not appeared worse than usual, was found by a young grandson dead in his chair Thursday morning. Mr. Bogard had many relatives and friends in this community.

Mr. Pete Boggess also died Thursday. He has been very ill for some time. He lived on the south side of the community where he had a wide circle of relatives and acquaintances. A grandson attends Faxon High School.

Miss Crass, primary teacher at Faxon has been ill for ten days from a sinus infection and a deep cold.

Mr. Ople Drennon has been having serious trouble with a mouth infection.

Mrs. Jewell Phelps is under the physician's care. We wish these three fine young women speedy and complete recovery.

Mrs. Agnes Walker was honored by her friends Sunday with a birthday dinner.

Mrs. Mollie Wasson of Carrier Mills, Ill., visited a number of her friends here last week.

Mr. and Mrs. T. C. Geurin recently entertained at dinner in honor of Miss Ida Mae Emily of Henderson. Among those who shared in the warm hospitality of this lovely home were Mr. and Mrs. Oscar W. Folwell and Misses Faye Rogers and Audie Folwell.

Mrs. Oeta Geurin, who was formerly teacher at Faxon, has been substituting for Miss Crass.

James L. Emily and Mrs. Lorene Hust, Henderson, attended church services at Friendship Sunday. They came for their sister, Miss Ida Mae Emily, who has spent several weeks with friends in Faxon on community.

Congratulations to a former Faxon boy, Keys Wells. He has recently established himself in business in Murray and last Sunday he was married to Miss Gladys Clayton of Buchanan, Tenn. We wish the young couple a long and happy life.

Another Faxon boy, Garvin Holland, has recently married and established a home in Paducah.

Revenue Unit Says State Taxes Are Okay: Exceptions

Emphasizes Undesirability of Further Tax Repeals and is Optimistic

FRANKFORT, Ky., Nov. 24.—The State Revenue Department, in its annual report for fiscal 1937-38, released today, described the present revenue program as "reasonably adequate and equitable" and declared that with one exception, "no fundamental changes are at present desirable."

The lone exception related to the classification of property for purposes of taxation. The department recommended on this score: 1. "That the exemption of certain classes of tangible personal property from local taxation, and the limitation of local tax rates on certain other classes, be removed."

2. "That real estate and tangible personal property be taxed for state purposes at the same rate."

The report emphasized the "undesirability of further tax repeal," pointing out a decline of approximately \$2,200,000 in general fund tax receipts for 1937-38 compared with the previous fiscal year, and predicting a further decline for the current year.

"This decline in receipts, in view of concurrent increases in expenditures authorized by the 1938 General Assembly," the report added, "will in large part remove the basis for the excess of receipts over expenditures which has thus far prevailed."

Repeal of the excise tax on soft drinks, candy, chewing gum, nuts, cosmetics and ice cream was cited as the primary reason for the 1937-38 decline. The report assigned as other reasons for the decline:

"The current inactivity in business, the great decline in liquor production, the reduction in liquor and beer consumption, occasioned by increases in local option territory and changes in the provisions regarding licensing and closing hours, and other minor factors."

State tax receipts for 1937-38 were listed in round numbers, as \$43,500,000 compared with \$44,500,000 during 1936-37. Allocations to funds were shown as:

1936-37 1937-38
General fund \$29,000,000 \$26,700,000
Road fund 14,500,000 15,700,000
Other funds 1,000,000 1,100,000

For 1937-38, road taxes yielded \$16,400,000; alcoholic beverage taxes, \$7,200,000; excise taxes, \$6,200,000; property taxes \$6,100,000; income and death taxes \$5,700,000, and license taxes \$1,900,000.

Four recommendations, in addition to the suggested change in property tax classification, were made in the report:

1. "That the tax laws of the commonwealth be codified."

2. "That the office of county tax commissioner be made appointive instead of elective; that the commissioner be paid a salary instead of fees, and that he be provided with facilities for doing a good job."

3. "That the duties of county tax commissioner and the board of supervisors be clearly differentiated, to the end that duplication be eliminated."

4. "That more adequate resources for administering the tax laws of the commonwealth and for performing supervisory and regulatory functions be made available."

Semi-Pro Netters Wanted by Moss

Basketball players who have had from three to four years experience in college or in commercial leagues may gain a berth on a semi-pro team of all-stars by getting in touch with Ralph Moss, whose address is 624 Jefferson, Paducah.

Moss, who will manage the team, plans to schedule games in 10 or 12 states.

DEXTER SCHOOL

By Lucy Jane Thorn

Our school is progressing very nicely. We had a pie supper and took the money which we made and bought the boys a basketball, the girls a volleyball, and new books for our library. The books are: The Lives of the President, The Best of America Humor, Wisdom of the Ages, Best Short Stories, Fifty Famous Stories, Three Hundred Sixty Five Bed Time Stories, Hide and Seek, Fifty Famous Fairy Tales, Little Brown, Teddy Bear, Hide Away-Four, A Child's Garden Verses, Boys and Girls of Colonial Days, Children's Favorite Stories, Household Stories, Children of Many Lands, Boyhood of Washington, and twelve copies of the Little Classic Series.

We are very sorry that James D. Cope, one of our students, was injured very seriously this week when a gun was discharged. He is in the Mason hospital at the present time. Hoping that he will be back with us soon.

The honor roll for the fifth month is as follows:

First grade: Minnie Lou Garland, Bobbie Gene Morris, James Mack Puckett, Charles Hardin Skaggs, Betty Jean Maness, and Joan Mathis.

Second grade: Raymond Copeland and Leavette Thorn.

Third grade: Roy Linn Morris, Betty Jean Skaggs, Marion Jane Copeland.

Fifth grade: Pryntha Cleaver, A Child's Garden Verses, Boys and Girls of Colonial Days, Children's Favorite Stories, Household Stories, Children of Many Lands, Boyhood of Washington, and twelve copies of the Little Classic Series.

Sixth grade: William Lee Thorn, and Tommy Ernstberger.

Seventh grade: Mariana Skaggs.

Eighth grade: Charles McDaniel.

Candidates for the basketball team have been practicing during the past two weeks. We expect to play a few games in the future, however, this is our first year to have a net squad.

Fire Burns Home Of Mrs. Blalock

Fire Monday afternoon destroyed the home of Mrs. Essie Blalock, near New Concord, its owner being, barely able to save the downstairs property.

Most of the family clothing was upstairs and burned with the house. A piano downstairs was also lost. Although the cause of the fire was not certainly known, Mrs. Blalock presumed it caught from a defective flue. The house itself had only recently been improved.

Mrs. Blalock was formerly a member of the Calloway county board of education.

Training School Colts Swamp Dublin 51-10

The Murray Training School Colts kept their slate clean here Tuesday night by thundering over the hardwood in an enviable manner down the Dublin quarter 51-10 for the third straight win this season. Golden Pond and Aurora were previously taken in order by decisive scores.

With Gene Graham rating top scoring honors with 15 points for the Thurman five, Dublin's quint worked valiantly but could not stop the Colts.

Other stellar performers for the Murraymen were Dunn with 10 points, Hood with 6, and Miller 5. Shales led the scoring for Dublin with 5 points.

James Melton to Appear in Concert Here December 3

James Melton, concert artist extraordinaire, will entertain a Murray audience in the auditorium of Murray State College Saturday evening, December 3, with both classic and swing vocal selections. Sponsored by the Columbia Broadcasting System, the noted singer who appears on the Firestone program on a national hook-up each week, will come to Murray through a special arrangement with music-loving residents of Murray and Murray State College.

As top tenor in the Revelers and as soloist in the Seiberling Radio Hour, Melton became the leading popular tenor of the air. A concert tour with George Gershwin introduced him to a new public. Finally, a motion picture contract with Warner Brothers carried him to Hollywood. The result was "Stars Over Broadway" and a new triumph of the Melton voice.

Melton's great success lies in his ability to bridge the gap between serious and popular music, which can delight equally with an aria from "Manon" or "The Isle of Capri."

Proteus Palaver

With Thanksgiving so near we keep expecting bad weather but so far it has not materialized. A few in this community have killed hogs but are rather uneasy about their meat.

It seems that tragedy has been stalking through our territory for the past week. First Mrs. Rose Davis' clothing caught on fire and but for the timely arrival of a neighbor working nearby, she would have been burned to death. She received severe burns on the body but is reported better at this time.

Noah Cochran was unloading his team from a wagon last week when a mule kicked him. Doctor Jones was called immediately. Mr. Cochran is still confined to his bed and his condition is unimproved.

The whole community was shocked Friday at the awful tragedy in the home of Parker Suter, near Beech Grove. Mr. Suter and a neighbor were preparing to go hunting when Mr. Suter's gun was accidentally discharged and the full load entered his wife's body. She was rushed to a Mayfield hospital where she died a few hours later.

Besides her husband Mrs. Suter leaves two small children, her parents, Mr. and Mrs. Bowden Cole, and several sisters and brothers.

Funeral services were held at Story's Chapel with interment in the Lassiter cemetery.

A double wedding which came as a surprise to many friends was that of Miss Beaton Waldo, daughter of Mr. and Mrs. Gus Waldo, to "Duch" Burton, son of Mr. and Mrs. Will Burton, and Miss Flossie Swift, daughter of Mr. and Mrs. George R. Swift, to Joel Chambers of near Lynnville. Best wishes to both couples.

Mr. and Mrs. Walter Todd and Mr. and Mrs. Troy Trowsdale and daughter visited Mr. and Mrs. Arthur Todd Sunday.

Some of the farmers are very anxious for a good tobacco season as most of the other fall work has been finished.

See you later—Olive Oyl.

MSC Debaters To Entertain British

Each Murrayan Will Have English Colleague in International Encounter

A debate unique in that it pits a speaker from each opposing college on the same side of the question under discussion will be that which will take place in the college auditorium November 29 when Murray's varsity debate squad engages a joint team from Cambridge and Oxford Universities in England.

Murray Debate Coach T. J. Horton has not said which of his orators will engage the Englishers, but the following varsity men will be candidates for the honor: James Overby, Almo, senior; Robert Miller, Bethel, sophomore; John H. Brink, Murray, senior; Daniel Boone, Bethelville, Ark. freshman; and William Manning, Paducah, freshman.

Boone, a newcomer, was a state winner in public speaking in Arkansas, while Manning, as a member of Heath's team, won the state championship in debating. The question to be discussed is: Resolved that American culture is decadent.

After years of research plant breeders and food specialists are recommending soybean varieties that are desirable for table use as both green and dry beans. Old varieties have been improved and new ones developed to obtain soybeans that will cook tender in a reasonable time, and have good flavor, texture, and color.

Soybeans for the table, a leaflet just issued by the United States Department of Agriculture, is designed to help homemakers make the best use of this unusual vegetable. Beginning with a brief, scientific analysis of the unique food value of the bean, the leaflet continues with six clear, concise pages of practical pointers for its use, selection, preparation, and cooking. A copy of the leaflet—No. 166—may be obtained from the United States Department of Agriculture at Washington, D. C.

As indicated by their extensive use in the Orient, and proved by scientific analysis, soybeans are higher in food value than ordinary table beans. They have half again as much protein, on the average, and most of their protein can be used to good advantage by the body. Soybeans are rich in fat, containing about 12 times as much as ordinary beans.

Security Office Moves

Soybeans Make Excellent Dish States Bulletin

Are Rich in Food Value; Become Rare Delicacy When Cooked Right

Soybeans—first grown in this country as a forage crop—are now coming into use as a valuable for the table. The green-shelled beans of the garden varieties now being developed have a richer, more nutty flavor than many common beans. Variety first, then preparation, are factors that make for table quality in the soybean, say home economics specialists in the United States Department of Agriculture.

Western Crushes Murray 21-7 Here Before 6500 Fans

McRaven is Star For Breds; Bibich Leads Toppers

Western Makes Only Three Firstdowns While Mur- ray Gets Six

An elusive halfback by the name of George Bibich and a line that stood as staunch as Stone-wall Jackson in defense and charged like Bedouin tribesmen in attack was too good a combination for the Thoroughbreds of Murray State College here Saturday afternoon as they dropped the eighth renewal of their famous quarrel with Western's hilltoppers by a 21-7 score.

No slightest doubt marred the minds of 6500 spectators who witnessed the game in Murray's sunlit stadium that Western had the better team on the field Saturday. The hilltoppers bottled the Racers' famed lightning lateral attack, knocked down their forward passes, smeared their forward line behind the line of scrimmage, and held them for no gain when yardage was a quantity ardently to be desired.

But Western had neither the drive nor titanic power of Hardin-Simmons, nor did it have the finesse and all-around marvelous ability of Southwestern, and Bibich was not as good a back as Smith of Southwestern or Headstream, Goodnight, or Mullins of Hardin-Simmons.

It did not matter to Western that it could not make firstdowns either through the air or overland against Murray. It didn't have to. Three times the dynamite exploded—the first time from the 3-yard line with Bibich carrying the fuse, the second time from the 32 with Murphy shedding tacklers like flies to go over standing up; the third time with Bibich again racing through Murray's scattered defense 76 yards for the score. The quick sure-footed Joe Gill, quarterback extraordinaire for Western, was good enough for the extra marker each time.

It was a game but tired McRaven who led his team through the minutes of this last bitter quarter, but not even defeat or exhaustion that almost made him drop could detract from the game he played. Without the aid of the line that had paved a way for him all season, he averaged a gain of 4 yards per try, for the 22 times he carried the ball, and had it not been for the long runs of Bibich in open

territory his yardage would have exceeded any other player's on the field.

It was he who in the second half, in the early minutes, started a spectacular drive that resulted in Murray's touchdown. Taking the ball on the Western 7 after the Breds forced Bibich to punt shortly after the quarter opened, McRaven ran the ball to the 37. From that point, Murray uncoiled its famed razzle-dazzle, the only time in the game it really worked. Triple passes behind the line, two or three laterals on one play that culminated with the ball in McRaven's trusty arms, placed the ball on the Western five. McRaven, on a triple pass behind the line, dashed around his left end to the Tupper 1-yard line, where Jug Mitchell plunged over a play later. Gudauskas kicked the extra point.

Murray gained six firstdowns to Western's three.

There was no finer defensive back on the field Saturday afternoon than Charles T. Yarbrough, who played a bang-up game during the entire time he was in the contest.

Applegate played one of his greatest games, and Atwell and Love at ends played exceedingly well—with Yarbrough and McRaven the only seeming live cogs in a sluggish machine.

The game ended Murray's season with six wins, two losses, and one tie, and left them no claim in the SIAA championship. In the minds of many, the Thoroughbreds' defeat almost nullified the splendid record they had carried with them through the season to the final game.

Gunshot Wounds Fatal to Woman

Mrs. Gillie Cole Suiter, is Victim as Firearm Goes Off in Hands of Husband

Mrs. Gillie Cole Suiter, 26 years of age, wife of Parker Suiter, tenant farmer of the Bell City section, died at the Mayfield Hospital at 5:30 o'clock Thursday afternoon from an accidental gunshot wound sustained earlier in the afternoon. Coroner Brown McClain, who investigated the death, said Mrs. Suiter was shot by her husband while he was at work on his shotgun getting it ready for opening of the hunting season.

Suiter told Coroner McClain that he was trying out his gun after installing a home-made plunger and that the gun accidentally went off, the full discharge striking Mrs. Suiter in the side. Suiter said that he was not aware that his wife was in the room at the time. Suiter is a tenant on the George Miller farm.

Last rites were conducted at Story's Chapel, in Calloway county, at 2 o'clock Friday afternoon with the Rev. R. F. Gregory, of Murray, in charge. Interment was in the Lassiter cemetery.

Besides her husband, Mrs. Suiter is survived by two children, James, 5, and Carlisle Mae, 2. She also leaves four sisters and one brother, as follows: Mrs. Les Hollifield and Mrs. Kallie Willis, Graves county; Mrs. Jewel Phelps, St. Louis; Mrs. Hollis Dunem, Hazel; Homer Cole, Crossland, her parents, Mr. and Mrs. Bowden Cole, Graves county, also survive.

Pete Boggess, 71, Dies at Brandon

Man Was Member of Temple Hill Methodist Church; Widow Survives

Peter A. Boggess, 71, who died Thursday night of heart trouble and high blood pressure at his home near Brandon's Mill, was buried Friday afternoon at the Barnett cemetery with the Rev. Lloyd Wilson in charge of services.

Mr. Boggess, who was a member of the Temple Hill Methodist church, is survived by his widow, Mrs. Emma Boggess; four daughters, Mrs. Myrtle Lyons, Mrs. Lela Robertson, Mrs. Mary Britton, and Mrs. Edith Mae Garland; a son, Wavel Boggess; a sister, Mrs. Haley Taylor; and a brother, Charlie Boggess, of Mayfield.

Murray Citizens Greet Memphians

Good Will Delegation Hears George Hart Give Wel- come Address

Three hundred Murray citizens including the 92-piece Murray State College band, braved a driving rain at 10 o'clock here Friday morning to greet a special train bearing a good will group of Memphians business men.

Mayor George Hart, from the shelter of the train platform, welcomed the group to Murray, and made only one request of the Memphians—that they exert their influence toward scheduling a return game with Southwestern University for Murray State next year.

The college band, under the direction of Prof. William Fox, played from the shelter of an empty tobacco loading station near the train platform.

Baptist Society Holds Meeting at Memorial Church

The Amazon Valley Missionary Society, an organization of Baptist churches over a wide range of counties in Western Kentucky and West Tennessee, held its annual mission rally at the Memorial Baptist church here Tuesday of this week.

Following the annual sermon at 10:15 o'clock by C. A. Smith and a devotional by C. E. Robertson, the appointment of Committees and enrollment of officers took place at 11:00 and at 11:15 the Rev. A. M. Hawley led a discussion on missions. A meeting of the board followed immediately thereafter.

A satisfactory and enthusiastic audience attended the sessions, according to W. W. Dickerson, secretary of the convention.

Mason Hospital Adds Equipment

Short Wave Diathermy Set and Portable X-ray Apparatus Sup- plement Facilities

Short wave diathermy equipment, capable of producing nineteen million oscillations per minute has been installed at the Mason Hospital, institution officials said today, declaring the facility for transferring radiant heat to patients had been increased appreciably.

Long wave diathermy was already an established feature of the physiotherapy department of the hospital. A recent other addition to the physical equipment it was made known, it is a portable x-ray machine which may be taken to the patient rather than the patient being brought to it in case of emergency.

BERLIN, Nov. 24—The newspaper Boersen Zeitung Monday renewed attacks on President Roosevelt in the Nazi-controlled press, calling him the "prototype" of the anti-German wave arising from the Nazi campaign against Jews.

The publication asked why the President's "so-called conscience" did not trouble him over the burning of churches in Spain.

"That does not interest Herr Roosevelt," it declared. "That leaves him cold."

"So Herr Roosevelt stands as the prototype of the anti-German movement."

"This movement is not motivated, as it makes believe, by a policy concerned with justice and humanity but it is motivated by absolute selfishness."

"Mormon Case Cited"

The editorial declared such a movement destroys progress toward peace.

Reichsfuehrer Hitler's own newspaper, Voelkischer Beobachter, published what it called a history of the ejection of Mormons from the States of Missouri and Illinois, describing it as an "American parallel to the Jewish problem in Germany."

The article was entitled "State Within a State." It carried an introductory paragraph designed to recall the memory of "fair-minded Americans" a "staggering parallel from the history of 'God's own land'" in the interest of a "better understanding of the Jewish question in Germany."

Secret police were reported to have searched homes of foreigners suspected of having harbored Jews since the mass action against German Jewry began ten days ago.

Officers Arrest Man on Revenue Charge Thursday

Sheriff Ira Fox and Federal agents Thursday arrested Troy Vance, 25, Murray, route 9, on a charge of violating internal revenue laws after a still and a quantity of whiskey, and mash were seized in a raid at 11 a. m.

Authorities found a 300-gallon copper still, 300 gallons of mash, and 21 gallons of whiskey. Another man got away, but it was said a warrant will be issued for his arrest shortly. Vance faces examining trial in Paducah before U. S. Commissioner E. Palmer James. He was released on \$500 bond.

Butter Helps Prevent Colds

The cause of colds has long puzzled medical science. Both in the industrial world and in the school, the common cold is the underlying cause of the greatest number of absences. If, by including a generous supply of vitamin A in the diet, colds are resisted—savings in dollars and cents accrue.

To gain the benefits afforded by this protective vitamin a reserve supply must be stored in the body. During the first two months of infancy nature provides this storage but afterward the body must depend on an outside source of vitamin A. Butter is the food that furnishes a reserve of this important vitamin.

Bronchial Coughs Need Creomulsion

Just a common cough, a chest cold, or a bronchial irritation of today may lead to serious trouble tomorrow. They may be relieved now with Creomulsion, an emulsified Creosote—that is pleasant to take. Creomulsion is a medicinal combination designed to aid nature in soothing and healing infected mucous membranes by alleviating irritation and inflammation and by aiding in loosening and expelling germ-laden phlegm.

The Medical Profession has for generations recognized the beneficial effect of Beechwood Creosote in the treatment of coughs, chest colds, and bronchial irritations. A special process was worked out by a chemist, for blending Creosote with other

Ingredients so that now in Creomulsion you get a good dose of genuine Beechwood Creosote which is palatable and may be taken frequently by both adults and children. Creomulsion is one preparation that goes to the very seat of the trouble to help loosen and expel germ-laden phlegm. When coughs, chest colds and bronchial troubles due to common colds hang on, get a bottle of Creomulsion from your druggist, use it as directed and if you are not satisfied with the relief obtained, the druggist is authorized to refund your money. Creomulsion is one word to ask for it plainly see that the name on the bottle is Creomulsion, and you'll get the genuine product and the relief you want. (Adv.)

THANKSGIVING

OUR GREATEST LESSON in Thrift and Savings comes to us from the Pilgrim fathers. They were frugal and practiced economy in order to eke out a bare existence.

Methodist Church Notes

Sunday, November 27, 1938

The "Parsonage Family" has appreciated the unnumberable courtesies extended to us during the last two years and we are happy that we are to be with the good people of Murray another year.

We hope that this coming year shall be fraught with more of good than any year of the past.

The Methodists of Murray are a wonderful people. At the morning worship hour, 10:50 o'clock, the pastor will preach on "The Power of an Ideal," and hopes to receive a class into the church. At the evening hour, 7:15, the subject will be "Thou art not far from the Kingdom of God."

The pastor hopes for a large attendance of the membership on this first Sunday of the new conference year.

The Sunday-school holds out welcoming hands to all. The old need the comfort and strength of this service and should set before the youth a worthy example of devotion to the right. You will find in every Sunday-school in town a warm welcome and consecrated teachers who will both instruct you and help you.

Our children and young people meet in their services at 6:30. The time of the evening service is changed from 7:30 to 7:15.

It is hardly possible to have this service earlier on account of the large number of college students who are in their meeting at 6:30. Come into some church and find a church home. Some day you will need its comfort and strength.

J. Mack Jenkins, Pastor

Mrs. W. J. Anderson and son, Billie, of Paducah, spent the weekend with Mr. and Mrs. C. L. Sharborough.

Dick Hagan of Elizabethtown joined Mrs. Hagan, who was the guest of Mrs. W. H. Graves, for the week-end and they returned to their home Monday.

Stella Gossip

Western band members, of Bowling Green, in their red shirt uniforms pulled off big stunts around the court square Saturday afternoon, with the girls bringing up the rear. Also saw Admiral Bodine Hendon, of Newburg, where in about 1940 the backwaters from the Gilbertville dam will make him flee to the mountains in great dismay!

Leon Hale, our highway man, told me as Graves county had black-topped their end of the new 41-ft. highway No. 121, that Callaway should do likewise.

Concrete would crack and break. This highway could be black-topped much sooner than the proposed way. Got to be more than satisfied or double your money back!

I saw Dick Wilcox, of Lowes cross-road, and his whiskers. If he would save 'em off an' me black the mustache, what a transformation! Met my good friend Joe Lovett face to face in a great hurry. Joe could be elected Governor of Kentucky sick as a button and don't know it.

Mrs. Lou Chandler, of Moscow, was at Jim Cochran's Sunday to visit her sister, Allie Cochran. Last March she assisted them when they were under the doctor's care. The room reminded me of an apothecary shop. Also, Mr. and Mrs. Payton Richerson, Fernie and Jimmie, of Waverly, and Miss Robbie Bean, of below the old iron bridge on the river where trout are pulling the cork snack dab under, were at "Jim's" last Sunday eating fat beef roast.

Mrs. Larue (Swift) Rose of Detroit was in to see her sister, Floaie, Mr. and Mrs. Bee Cochran and Jane Sunday. Larue attended Goshen school not so long ago—a beautiful blonde.

Mr. and Mrs. Jim Parker and Uva Dell, of near Lynn Grove, moved to Stella. Jim has an interest in the famous Cathey Mills. "Blue" buzz me.

Herbert Woods fetched 48 tows of corn (in the ear) to the mill to be crushed. Never before have I seen such a sight. He weighed a couple of hundred. He and Mrs. Woods raised up six fine intelligent boys and girls to manhood and womanhood.

L. H. Pogue will preach at Friendship Church of Christ Sunday at 10:45 a. m. and at Cold-

water at 2:30 p. m. Be on time! George Trevathan's poetry about the Ledger & Times engaged old "Eagle's" attention, from faraway Detroit. Sweet, sweet home.

Tell me, Bro. J. W. Holsapple, of Temple, Tex., why Callaway was spelled "Callaway" in Missouri? No, you are not simply ignored in your old Kentucky home. Our old folks are no more. Col. Lushe Anderson of Mayfield never did shave. Now who shot and killed Joel Ferguson, chief of police 50

odd years ago? Now I bring my few remarks to a close, as the parson said that after he wasted an hour preaching a money gag on "Give the Lord a Tenth". Who broke the lock on the henhouse door? —"Eagle"

Behind the Scenes in American Business

NEW YORK, Nov. 24—BUSINESS—Wasting no time worrying about the coming session of Congress, business men are taking advantage of an accelerating recovery government. Shoe production has been stepped up to almost 20 per cent above 1937. Textiles are selling in good volume after a two-year lapse in demand, and leaders in the industry anticipate maintenance of the current production schedules for the remainder of the year. Although fall sales of department stores got off to a poor start because of the warm weather, they are now showing real improvement. Last week, according to preliminary indications, retail trade moved ahead of 1937 for the first time in several months.

WASHINGTON—America's farmers will be the chief beneficiaries of the trade treaties signed last week with Great Britain and Canada, government economists assert after studying the schedules of tariff rates involved. Great Britain, already the principal foreign market for our farm products, abolished duties on wheat, lamb, apples, pears and certain canned fruits, and reaffirmed the non-duties status of ham and certain other pork products. The yearly value of Britain's imports of these products on which concessions were granted amounts to over \$200,000,000. With agricultural income this year showing a decline from 1937, federal farm experts look for the treaty to brighten the farmer's financial picture in 1939.

THINGS TO WATCH FOR—Cigarette case for automobile drivers, which by the flip of a knob, presents cigarette already lighted within easy reach of driver... a new low-priced small tractor for the small farm, adapting the four-speed transmission from the automobile to provide a fairly high road speed... Desk model dictating machine taking up less space than a desk of letterhead paper and standing little higher than a telephone... Attachments for present radio models to permit sound reception from television stations.

PROFITS AND WAGES—Restoration of wage rates to pre-recession levels is contributing to America's increased consumer purchasing power and a rising national income. Last week a new twist was given to the story, when the Libbey-Owens-Ford glass company not only restored wages, but announced it would give refunds to workers to make up for the lower income received since the cuts were made. Commenting on the action, John D. Biggers, president of the company, declared that "our business has improved more rapidly than seemed possible." This improvement, he said, was due to an upturn in orders for automobile safety glass and increased demand for structural glass.

HEADLINES IN NEW YORK—Value of engineering construction awards soars 70 per cent above 1937 figure... Clarence M. Woolley resigns as head of American Radiator, after half a century of service to the company... Johns-Manville Corp. starts construction of four new plants to manufacture building materials... Chemical oil and drug sales in second half jump 15 per cent over the first six months... Looking over the earnings reports: higher—Sharp & Dohme, manufacturing chemists; George A. Hormel & Co., food packers; lower—White Rock—Mperial Springs; Bulova Watch... David Sarnoff, president of RCA, pleads for self-regulation of the radio industry... Prices lower than 1937 for Thanksgiving and Christmas turkeys.

Fire is Discovered In Supply Room of Local High School

Fire of unknown origin was discovered by janitors as they entered the supply room of the Murray high school building early Monday morning to clean up. Although the blaze was extinguished without undue trouble, officials were at a loss as to how the conflagration started. The doors to the building were locked. Hybrid corn on the farm of V. C. Razer in Fleming county yielded 93 bushels to the acre.

ECONOMIC HOPE No. 1

The Nashville, Chattanooga & St. Louis Railway has been privileged to serve the South for over ninety years—the South which, favored as it is by Nature, still counts as its greatest asset its own people.

Emerging from the ravages of the Civil War, with its manpower sacrificed on the altar of local self government, without credit, without the ordinary necessities of life, the South was then confronted with an emergency greater by far than that now or recently obtaining. The southern people were too proud to beg—too courageous to quit—so they went to work. With infinite personal sacrifice, with the same sublime courage which nerved their husbands and sons, under the immortal Pickett, to storm the heights of Cemetery Ridge, they started on the long, hard road to economic rehabilitation. History records their travail, but it also records their success. Prosperity followed hard and intelligent labor—as it always does—but above all the South maintained its self respect and its independence.

Through these dark years the NC&StL did its full part—today it is doing the same thing.

Again NC&StL whistles are blowing and more men by the hundreds are going back to work to make the NC&StL a better servant of its own people. By hard work, study, fidelity to real democratic principles, cooperation, and patience, the South can and will lead the Nation to greater prosperity and happiness.

The NC&StL salutes the South—
The Nation's No. 1 Economic Hope!

VANCELEAVE SCHOOL

Thanksgiving week finds all of the children at Vanceleave working hard, preparing for the fifth month tests. It seems that time is just flying because there will be only two more months of pleasant school work for us.

The attendance has been exceptionally good this year, and we are proud of it.

The first grade children have been learning some new poems and Mother Goose rhymes, while the second grade is having much fun learning to draw the Thanksgiving turkeys for our windows. The third grade boys have finished their writing box and are going to help the girls with their bird feeding station. They have enjoyed reading about the "Clark Bird Club," and have learned many new bird friends.

The boys and girls in the fourth grade are still enjoying reading our new library books, especially "Tom Sawyer," and "Alice's Adventures in Wonderland." The fifth and seventh grades are working on 20 of the most vital inventions of the world.

Those making the highest scores for the past month are: fifth grade: G. T. Brandon; sixth grade: Mildred Ramsey; seventh grade: James Burken; eighth grade: Lucile Washburn.

We are planning on having a ball game with Backsburg Wednesday of this week in which we hope to win.

We are glad to have Miss Gracie Lee Workman back with us. She has been absent for the past week on account of illness.

Almo School News

After three months of our school gone, and our second six weeks' examinations completed we are looking forward to Wednesday afternoon, when we get out of school for a short vacation. The boys want to hunt birds to see if they are as good shots as they were last year.

I know all the children are glad to have the Rev. H. P. Blankenship back as bus driver for the rest of the year as he has been so faithful in the past.

The Almo Warriors were scheduled to meet the Golden Pond five Tuesday night.

The play which is to be given Saturday night, November 26, is coming along fine. Members of the cast are working hard to give you a good performance that you will be proud of. Mrs. Farris, director of the presentation, thinks the cast of characters are doing a good job of practice work so far. Everyone is invited and expected to come at 7:30 o'clock. A small admission charge will be made.

ard Hutson and children, Genella and Neldamae, Mr. and Mrs. Clifton Hutson also visited a while Sunday with Mr. and Mrs. Buddy Hague.

Across the River

Here it is Thanksgiving again, and how grateful most of us should be for something! Of course when a dog crept into my smokehouse one night this week and took the last ham on the place, I couldn't think of a thing next morning to be thankful for, but then I began to reconcile myself thusly: I'm still as well off as the folks who never had a ham to lose, I had eaten it. (But I do wish it had choked the dog.)

And "Aunt Ida" Wimberly, a dear old Methodist lady, came and spent the night with us right after the ham vanished, so we had eggs.

Eagle, did you say we weren't suppose to pay tithes? Of course Malachi 3:6 is in the old Bible but it says, "For I am the Lord, I change not" then in the tenth verse, "Bring ye all the tithes into the storehouse, that there may be meat in mine house" etc. Well, I didn't bring in all the tithes—now there's no meat in my house, and I suspect that's the reason why, and if you don't occasionally pay tithes by losing a coil, a calf, a hog or something of the like—Well, the Lord just doesn't chastise you like He does some of us.

We're still "on the go" over here. The quilting is to be at Mrs. Delbert Hicks' next week. Mrs. Chatterbox and Mrs. Blanche Spiceland spent last Wednesday at Mrs. Lonnie Cathey's.

Saturday was Teachers' Meeting Day then Sunday morning we had to go to church of course.

Miss Opal Woffard, teacher at Gray school, spent the week-end with Miss Geneva Spiceland. Junior Spiceland came in from college too, for the week-end.

R. B. Kirks is back at his old job travelling for Chattanooga Medicine so Mrs. Kirks plans to spend Thanksgiving with him in Knoxville.

We attended the very sad funeral of one of the young men teachers Sunday. Billy Bryant's death was announced at the teachers' meeting. He had just a few weeks ago while attending the TEA at Nashville, had his finger lanced because of a pimple on it. Blood poisoning developed and he died Saturday, leaving a wife and baby. Funeral services were conducted at the Methodist Church in Dover and the singing was by the Dover quartet. The house could by no means accommodate the crowd which attended.

Prayer meeting was held Wednesday night at the home of Mrs. Tom Bailey who is recuperating from a broken leg.

Haven't got the Ledger & Times yet and guess next week it won't come before Wednesday if your editor celebrates Thanksgiving, but I hope each and every one finds lots of blessings to count, and remember me when you eat the turkey for the Indians surely killed 'em out in Stewart county.

Kirksey High School News

If you had been around Kirksey last Saturday you would have heard some fine music for it was the date of our fiddlers' contest. We had several good musicians with us and everyone seemed to have an enjoyable time.

The following persons won prizes: best fiddler playing sacred selection—first, C. G. Douglas; second, Chester Yarbrough; best fiddler playing own selection—first, Alvis Wall; second, Hubert Cunningham; best quartet—first, Kirksey quartet; second, Yarbrough quartet; best French harp selection—first, Robert Carlton; second, Harlen Bowden; best guitar—first, Fink Myers; second, T. R. Jones; best banjo—first, Ogle Greenfield; second, C. G. Douglas; best dancing—Chester Yarbrough first, Fink Myers, second; best duet—Myers Brothers, first; best piano solo—Ola Mae Cathey.

Don't forget our operetta to be given Wednesday night, November 23. We are still working hard on it and you may well expect an evening of good entertainment.

During the past week with the assistance of John Cunningham we have been engaged in preparing our campus for sowing. Most of our old buildings have been remodeled and we have made a system of driveways and parking spaces. We intend to do a great deal more toward the beautification of our campus before the close of the year.

The Kirksey Eagles, coached by Rex Watson, played a splendid game of ball against the Concord Red Birds Friday night, November 18, on the Kirksey floor, the latter finally winning by a score of 11-15.

Our second team, which is as yet undefeated, won over Concord's second team by a score of 7-27.

We are preparing for our game with Lynn Grove at Lynn Grove November 22.

Under the capable direction of their teacher, Miss Nellie Ruth Jones, the first and second grades have constructed a beautiful indoor rock garden for their room. Miss Jones' room is also working on their chapel program which will be given Friday, December 2. The public is invited to attend our chapel. The time is 10 a. m. each Friday.

The following students made the honor roll in the sixth grade for the third month: Wanda Jean Brooks, Rebecca Jo Waldrop, Geraldine Darnell.

The first and second grade honor roll is as follows: first grade: Norma Jean Crouch, Jeanette Walston, Tommy Lassiter; second grade: Geneva Sue Brooks, Betty Sue Workman, John B. Smith, Lillian Suiter, Norma Jean Jones, Charles Bob Ray, Marie McCallion, Fred Cain and Alvis Usrey.

Lee Roy Kuykendall fell one day last week but didn't break any bones, however, he received scratches and bruises. Hope Mr. Kuykendall continues to improve over his fall.

COLDWATER SCHOOL NEWS

We are having a fiddlers' contest Saturday night, November 25. Come and enjoy the evening with us.

The honor roll for the second six weeks: grade nine: Walter Gruett, Robbie Youngblood, and Anna Fae Adams; grade ten: Clemmie Youngblood, Ila Frances Stevens, Rachel Morgan, Suda Nell Adams, Joe Ed Sledd, Howard Ma-

rine, Fred Broach and Robert Lee Bazzell.

The seventh and eighth grades are now busy working on health posters. We had some new students to come from Dexter school, Hazel and Ruth Carter, and also a visitor, Pansy Fay Sanders.

We are selling Christmas cards and candy to buy library books. We are also bringing eggs to get a globe.

Ray Broach has been sick and

has just returned after missing a week of school.

The fifth and sixth grades are drawing a Kentucky map in history.

The fourth grade have just finished their sand table. The third grade is working on health posters.

Those having perfect spelling for this month were: grade three: June Carlin Adams, Jean Evelyn Darnell, and Charles Rob Adams; grade four: Robbie Lee Easley.

Honor roll for the third month of school: grade one: Linda Sue Stone, Juanita Hargrove, Earl Herman Adams, Hyland K. Darnell, Willis Ray Sanders, Irene Lamb, Nelda Turner, Anna Jean Byrd, and Hollis Easley.

Grade two: Doris Enoch; grade three: June Carlin Adams, Jean Evelyn Darnell, and Charles Rob Adams; grade four: Robbie Lee Easley.
