London, England, May 4—The news that has occupied the Three Embers America, has given to the world a new and different view of the great American people. It is a view that few have ever seen before. The British public has been in awe of the American people for centuries, but now they are amazed at the strength and courage of the American people.

It is always the case. I have no doubt that every word of this, or any other language has been translated and typed in the same way as the god above all gods, the angel who has the power of life and death. For a thousand years, people all over the world have been reading, almost as the Jews in the Bible, the Bible for all time. They have been reading the Bible, the Bible for all time.

NEW MODE OF BANK TAXATION ASSESSMENTS

COUNTY ATTORNEY DOES NOT THINK FISCAL COURT HAS RIGHT TO PAY ANYONE FOR ASSESSMENT, WITH EXCEPTION OF THE COUNTY ASSESSOR — COMMITTEE WILL RECOMMEND THAT NEW COUNTY JAIL BE PLACED IN EASTERN SECTION OF COUNTY

COUNTY Court. After Harley had been before the county court on several occasions for levying the tax, he was then given the opportunity to purchase a new lease on the county jail. The county attorney feels that a new lease on the county jail is not within the jurisdiction of the county court.

The county court has the responsibility of assessing property, including the county jail, for tax purposes. However, the county attorney does not believe that the county court has the authority to pay anyone for the assessment of the county jail.

The committee will recommend that a new county jail be placed in the eastern section of the county. This recommendation is based on the need for a new jail to accommodate the growing population of the county.

New County Jail. The present county jail is overcrowded and in need of repair. The county attorney feels that a new jail is necessary to ensure the proper functioning of the county court.

Purchasing new county jail lease. The county attorney feels that a new lease on the county jail is necessary to ensure the proper functioning of the county court.

Property. The property in question is located in the eastern section of the county. The county attorney feels that this location is the best choice for a new jail.

Purchasing property for new county jail. The county attorney feels that purchasing property for a new county jail is the best option for the county.
