10TH ANNIVERSARY 'TRICK OR TREAT' FOR

1960 A REALLY
SPECIAL HALLOWEEN FOR
THE WORLD'S CHILDREN

Children are Ready For Trick or Treat

Residents of Calvert City will be visited Friday, Oct. 28, between 6 and 7 p. m. by little spooks and goblins, space men, and witches, all chanting the familiar "Trick or Treat for UNICEF."

Sponsored locally by the women's organizations of the Methodist and First Presbyterian churches and nationally by the U. S. Committee for UNICEF, the United Nations Children's Fund Halloween program will be carried out at the same time in some 10,000 other communities. Last year American youngsters participating in the biggest project ever carried out by children to help children collected \$1,500,000. This aided over 55 million children in 106 countries.

Each penny received by the trick or treaters, who can be easily identified by the UNICEF black and orange tag they will be wearing, can mean five glasses of milk for a needy child overseas, or the BCG vaccine to protect them from tuberculosis, a nickel's worth of UNICEF penicillin will cure a child of yaws, a crippling tropical disease. Each dollar provides sulfone tablets to cure a child of leprosy.

If all the children who benefited from UNICEF provided anti-TB vaccine marched four

abreast, five feet apart, their procession would reach around the world at the equator. Over 10,000 medium-sized trucks would be required to transport all the DDT shipped by UNICEF in the fight to eradicate malaria. All the glasses of UNICEF-supplied milk that have helped nourish hungry children would fill about thirty bottles the size of the Eiffel Tower in Paris.

All children of Calvert City wishing to participate in trick or treat for UNICEF will meet at the Presbyterian Church at 6 p. m. They will canvass the town in small groups, escorted by adults who are also volunteering their time. After the collection, participants will receive a treat at the First Presbyterian Church.

Mr. and Mrs. Douglas Foster returned this week from a business trip to New York. While they were gone, Mr. and Mrs. Sam Taylor, of Nashville, Tenn., parents of Mrs. Foster, cared for the Foster children.

U. S. Mail Volume Hits An All-Time High In Fiscal Year

A new all-time high in the nation's mail volume was reached during fiscal year 1960 ending June 30, which continued the steady upward trend of the past seven years at a rate which even exceeds the population growth, according to the Post Office Department and Benton Postmaster Mattie L. Riley.

The year's total has been estimated as 63.6 billion pieces of mail, which includes about one billion pieces of parcel post. This is an increase of nearly 25 per cent over the corresponding figures for 1953, when the annual volume was 50.9 billion pieces.

During this same period, it was pointed out, the revenue of the Department also has shown an impressive gain with an increase from \$2,091,714,000 in fiscal year 1953 to \$3,276,800,000 for fiscal year 1960.

Here in Benton, receipts of the post office climbed from 28,000 in 1953 to 44,000 last year.

Mr. and Mrs. J. R. Hoover of Calvert City attended the convention for state bankers in Louisville from Sunday until Wednesday of the past week.

To All Out Of State Veterans OR NEXT OF KIN

As you probably know a special session of the Legislature was called and a bill to pay all out-of-state veterans was passed. Also, a medical bill for the aged, and I am happy for you to know that I voted "yes" on both bills.

I urge that all out-of-state veterans get their applications in at once; the sooner they are in the quicker you will receive your bonus.

In the event any of you do not have proper forms, I will be glad to forward one to you if you contact me.

Pontiac announces the Trophy V-8 Engine

NEW PRECISION AND ECONOMY IN THE ENGINE ROOM OF THE '61 PONTIAC

A completely new fuel induction system gives
this new free-breathing V-8 more air... to save
you gas. Closer calibration of this big 389-cu-
inch engine gives you maximum thrust at half-
throttle without over-carbureting.
We made the engine lighter; mounted it lower
for better balance. An oil refill now takes only
4 quarts. Tailor your Pontiac power plant to
your needs. There are 11 versions to choose
from. Horsepowers range from 215 to 348. (For
best economy, specify the Trophy Economy V-8.
Its lower compression lets you use regular gas.)
If this sounds a bit technical, just try a new
Trophy engine soon. It's in all four Pontiac series.
In one block, it will become clear why we've
called this '61... all Pontiac!

Miss Adell English Becomes Bride In Church Ceremony

Miss Adell English, daughter of Mr. and Mrs. Aldon English of Benton Rt. 4, became the bride of Jerry Lee Martin, son of Mr. and Mrs. Bailey M. Martin of Henderson, in a double ring ceremony at 2 p. m. Sunday, October 22 in Bethel Baptist Church. The pastor of the Murray State College Baptist Student Union, the Rev. Joe Williams, officiated.

The vows were exchanged before a background of palms and ferns with large baskets of white gladioli, carnations and chrysanthemums on each side of a white altar. Tall white candles burned in candelabra. A white satin prayer bench stood in the foreground and white satin bows marked the family pews.

Following the ceremony a program of nuptial music was presented by Miss Susan Smith, pianist, and Miss Becky Lamb, vocalist.

The bride, given in marriage by her father, wore a white gown of Chantilly lace over bridal satin. The fitted bodice featured a scalloped neckline and long sleeves, extended in points over the hands. Her bouquet was a white orchid centered on a Bible with white satin streamers. The bride's waist-length veil of white tulle was caught to a crown of seed pearls.

Miss Elaine Brown was the maid of honor. She wore a dress of pink chiffon over pink satin and carried a hand bouquet of pink rosebuds.

Serving as best man was Bill McConnell. Ushers were Bobbie English, brother of the bride; Dennis and Timmy Martin, brothers of the groom; and Glenn Armstrong.

Following the wedding a reception was held in the recreation room of the church. Organ music was presented by Curtis Grace throughout the reception. After the reception, the couple immediately left for Louisville, where the groom is enrolled in Southern Baptist Seminary.

Tuesday is election day and voters are expected to cast their vote in its history. Marshall County may do likewise.

Issues must be settled by voters—in our city, in our state, and in our nation. It behooves each and every eligible citizen to go to the polls and vote next Tuesday.

MARSHALL COUNTY will be the first time. If we have a little more in operating the machine for advice and help, it will be too bashful to ask for it—so you can vote as your conscience tells you to vote, and not as a partisan politician urges you to vote.

WOULD NOT presume to show anyone should vote, but believe you should carefully each problem and candidate.

County long has been a stronghold of the Democratic Party. It has never given a majority to a Republican seeking a state or national office. There is every indication that Marshall County will be in the Democratic Party after Nov. 8.

We would like to see our county make one exception next year and give Republican John Sherman Cooper the vote.

EDITOR COOPER, as most know, is one of the most successful of our state's producers. His honesty and fairness are throughout our state. Just as interested in the affairs of Marshall County and Kentucky as he is in other parts of the state. He is a native of Kentucky, and his people make this election an issue, and give a majority to our fine Republican senator John Sherman Cooper.

ONE WAS telling us the day that "no matter which way the election goes, we are elected to the presidency three days after the election. All of the banks will be closed for three days after the election. Soldiers will be on duty throughout the land. It is strange as that may seem, but it is a fact. It is a joke, of course. The fact remains that the election is on Nov. 11. And just happens to be Veterans' Day. Natural banks will be closed for three days after the election.
