LEONARD JONES
Candidate For County Judge

Leonard Jones Makes Formal Announcement

**TO THE VOTERS OF
MARSHALL COUNTY:**

It being customary for candidates for political office to publish a formal announcement in the newspaper, I take this occasion to announce that I am a candidate for the Democratic nomination for County Judge of Marshall County; and to ask for your vote and support in my behalf.

On account of the fact that I served as County Judge of this County in the years of 1950 to 1954, I do not think it is necessary to take the time and space to tell you where I live, the names of the members of my family, the church and clubs to which I belong, or my age or the state of my health. All of these things are well known to the public. I wish to simply add that all my life, and in every election, I have been a Democrat and have supported the Democrat Party. I am old enough to have a settled judgment about matters; and I am young

enough and healthy enough to have ambition and energy to get things done.

During my term of office as County Judge approximately 34 miles of rural roads were constructed in this county. Among these roads were the Sharpe School Road, the Bethel Church Road, the Oak Level Road, the Olive Road, the Slick Back Road and the Penny Road. Practically all of the seven years since my term of office expired I have been engaged in road construction supervisory work. Since Marshall County does not have a regular road engineer, I believe that my experience will be of great value to the Fiscal Court and the County in its road program. I will co-operate with the Fiscal Court concerning the welfare of the County.

I would like to briefly state my platform — that is, what I pledge will be my intention and acts if I am elected County Judge. The office of County Judge will be a full time job, with no outside interests to take time away from the duties of the office. The office will be open every day except Sunday for the transaction of business. I will be available twenty-four hours per day, when necessary, to hear and discuss the problems of any and all the people of this county.

I will give my hearty support to a well rounded recreation program for the teenagers and children of this county. I will strongly support the 4-H Club program, the FFA program, and the Little League Baseball clubs over the entire county. It is my belief that these activities help to a remarkable degree in curbing juvenile delinquency. An ounce of prevention is worth a pound of cure.

I believe that really enforcing the laws we already have against all law violations, including juvenile delinquency, will be a strong deterrent to juvenile delinquency, and I pledge unremitting effort along this line to try to maintain the good name of our community.

I will support the Civil Defense Program — the maintenance of the Auxiliary Police, the Rescue Squad, and all other parts of the Civil Defense Program.

I am not tied to any person or clique; and if I am elected I will be the County Judge of all the people, and not the obedient servant of a few powerful ones.

QUALIFIED BY EXPERIENCE
Very respectfully yours,
LEONARD JONES.

Birmingham Folks Get to See the Old Home Town

Residents of old Birmingham got a thrill of a lifetime last weekend. They got to see their old home town again.

Birmingham went to a watery grave in 1945 when Kentucky Lake was formed. Each year the former residents of Birmingham have held a reunion as a sort of memorial to the departed town, thinking they never would see their beloved city again.

But last weekend, the water level of the lake was lowered and old Birmingham, its remains still in good condition, was resurrected.

Many former residents of Birmingham visited the spot dearest to their hearts. And

Several are Indicted by Grand Jury

Marshall Circuit Court grand jury returned several indictments this (Thursday) morning to Circuit Judge Osborne. A list of the indictments will be printed next week.

The grand jury considered several cases Monday and Tuesday and visited county properties Tuesday afternoon. They recessed Tuesday afternoon until this morning.

First trial in the March term of court will be held Monday, March 20. It is a civil case—William F. Beasley versus Robert L. Pay.

On March 21, the case of Willie Preston Ferrell versus Ronald Hopkins is scheduled.

On March 22, a criminal case—The State versus Paul Copeland, Wayne West and Bobby Darnall—has been scheduled. The youths are charged with assault and battery. The case was tried at a previous term of court and resulted in a deadlocked jury.

On March 23, the civil suit of Kenneth Crawley versus James Lynn Barnes will be heard. On March 27, the suit of A. B. Rhea, contractor, versus Dr. Pat Warren is scheduled. And on March 28, the suit of Estella Smith administratrix versus Byron Collier is scheduled.

Members of the grand jury were Floyd Sutherland, foreman; Dan Cornwell, Evelyn Barnes, Tom Green, Dawson Edwards, Orlyn Johnson, Earnest Piser, Hattie Prizell, Raymond Courney, Betty Treas, Mrs. Hal Perry and James York.

Tom Jones, 83, Lumber Mill Worker, Dies

Funeral services for Thomas R. Jones, 83, who died at his home in Benton at 8:15 a. m. Wednesday, will be held at the Collier Funeral Home Friday afternoon at 3 o'clock. Rev. Stanley Duncan, pastor of the First Christian Church, will officiate. Burial will be in the Benton Cemetery.

Mr. Jones was a member of the Benton First Christian Church.

He retired several years ago after working for about 55 years in the planing mill department of Treas Lumber Co. He had lived in Benton all of his adult life. His wife died several years ago.

He is survived by two sons, Paul Jones of Lexington, Ky., and Casey Jones of Albuquerque, N. M.; five daughters, Miss Mae Jones of Benton, Mrs. Lucy Jones of Paducah, Mrs. C. S. Lowery of Murray, Mrs. Don Dameron of Madison Heights, Mich., and Mrs. E. T. Combs of Benton; 10 grandchildren and nine great-grandchildren; and one sister, Mrs. Dana Greall of Illinois.

Riley To Observe Birthday Of Comet

Riley Motor Sales will officially celebrate the 1st birthday of the Comet on Friday, March 17.

The stylish compact, a success since its introduction a year ago, has reached a production total of 221,000 units and is now built in four assembly plants across the country.

For the last three months, December, January and February, Comet sales were more than 45 per cent ahead of the next best seller among those compacts which entered the market in the past year.

Leon Riley, owner of Riley Motor Sales, invites the public to see the Comet at his showrooms at 708 Main St., Benton.

BANK OF BENTON GETS HIGH NATIONAL RANK

Myrvyn Mohler, executive vice president of the Bank of Benton, received a telegram this week from the American Banker publication informing him that the Bank of Benton ranked 211 out of 5,000 of the largest banks in the United States.

The telegram stated in part "Congratulations, American Bankers forthcoming edition picturing copyrighted annual roll call of 5,000 largest banks in United States will show Bank of Benton made spectacular gain of 211 places in rank since a year ago."

Curt Phillips has sold his residence to Mrs. Ruby Love of Kuttawa. Mr. and Mrs. Phillips plan to build on the property at 1300 Maple Street in Benton.

ALBERT HILL
Candidate for Tax Commissioner

Albert Hill Makes His Formal Announcement

**TO THE VOTERS OF
MARSHALL COUNTY:**

Several weeks ago I announced to you that my formal announcement for Tax Commissioner would appear at a later date, and I now take this opportunity to acquaint you with my background and qualifications for that office.

I was born and reared at Birmingham in Marshall County, Ky., attended grade school at Birmingham and High School at Alto, Ky. I attended Arkansas State College at Jonesboro, Ark.

Calvert City Police, Park Heads Resign

The City Council of Calvert City, in session Monday night, accepted resignations of Police Chief James Robinson and Park Commissioner Kenneth Cardner. Chief Robinson's resignation will become effective April 1, provided a satisfactory replacement can be hired by that date.

The Council gave its approval for the appointment of a new park commissioner. The Council also approved an agreement with the State Highway Department covering the installation and maintenance of traffic signals, and okayed plans to place drainage tile at Aspen and Railroad Avenues.

Present for the meeting were Mayor Duckett, Councilmen B. N. Dossett, William J. Colburn, Oris Fortner and M. J. Nelson, City Clerk Gene Ray, City Attorney Pal Howard, City Judge Bob Arnold, Street Commissioner Jess Doyle, Operating Supt. C. S. Devine, Police Chief Robinson and Water & Sewer Board Secretary James Burgess.

The final choir practice for the Easter service will be held at the Bethel Baptist Church, Sunday, March 26, 2:30 p. m. Rev. George W. Sleeker is pastor of the Bethel Baptist Church and Rev. Lee Ward is pastor of the Grand Rivers Methodist Church.

The Easter service will be held on the lake front at Ky. Dam Village.

MAGISTRATE G. T. FISER WILL SEEK RE-ELECTION

G. T. Fiser has made known to The Marshall Courier that he will seek re-election as magistrate in District No. 2.

His formal announcement will be run in this paper at a later date.

**MARCH 25 DEADLINE TO
REGISTER FOR VOTING**

March 25 is the deadline for voters to register. If they are not already on the books to vote in the May 23 primary elections. Those who have not since they last registered, must come to the County Court Clerk's office in the courthouse to register.

of two daughters. My older daughter is a professor at the University of Illinois and my younger daughter is a sophomore at Lambuth College at Jackson, Tenn.

I have been a resident of Marshall County all my life except a few years spent in construction work outside of Kentucky.

I joined the Methodist Church at Birmingham, Ky., at an early age and have been a continuous member ever since, and am now a member of the Benton First Methodist Church.

I am a member of T. L. Jefferson-Benton Lodge No. 622 F. & A. M. and the Rispaat temple.

I have had the privilege of serving the City of Benton as City Councilman and also as chairman of the light plant board, during which time I used my very best efforts to serve in a constructive and progressive manner.

Since my early youth I have been engaged in business as a plumbing contractor and other construction work, and through my work I have become acquainted with the problems of businessmen and am in sympathy with the industrial progress of our County.

I was reared on a farm and sympathize with and understand the problems of the farmer and assure the farmers of our County that I will use my best efforts to serve them efficiently and well.

I am deeply interested in our school system and its service to our children and will co-operate with the school officials wherever possible in assisting them in improving the schools of our County.

May I appeal to you, the voters of our County to consider seriously any candidate for office of Tax Commissioner. In my opinion it is one of the most important offices in our County and all of our citizens should think carefully when selecting a person to serve them in that capacity.

I invite and urge each of you to investigate my business ability and the manner in which I have dealt with the public.

Again, may I appeal to each of you for your support of my candidacy as Tax Commissioner and assure you that if elected none of your problems will be too small for me to consider, and that all people, both rich and poor, will be treated honestly and with fairness.

If elected I assure you that you may feel free to offer any constructive criticism of my conduct of the office and any suggestions that you, as a citizen, may make will be seriously considered.

I see this office on my qualifications and not the name of another and would appreciate greatly your vote and influence.

Respectfully yours,
J. ALBERT HILL.

Burglars Strike Three Places Here In A Single Night

Burglars struck three times last Thursday night in the Benton area and got away with a good size loot.

The Charles Lents Oil Co. bulk plant, located near the East city limits of Benton, was entered and several tires were missing. The thieves broke into the cash register, although the keys were in the box, so their efforts were in vain.

The home of Alfred (Shorty) Franklin Jr. in the Pinecrest Addition, was ransacked. The burglars took an electric razor, a Masonic ring, some money and other items. The Franklins were not at home. The front door was broken by the thieves, although it was not locked.

The home of Clyde Gordon, located between Benton and Fairdeal, also was entered. The Gordons discovered the break-in when they returned from visiting at a local funeral home.

All three of the places entered were located between Benton and Fairdeal. Officers who investigated believed the burglars were nervous amateurs who apparently were doing their first job of burglary.

Clean-up Week Topic For Session March 23

The Marshall County Beautiful Organization will meet Thursday night, March 23, at 7:30 o'clock in the courthouse here in Benton.

Purpose of the meeting is to discuss a countywide clean-up week.

All interested citizens in all parts of the county are urged to be present to attend the meeting.

Leonard Jones, president of the group, and Elsie Cille, secretary, announce that this year's clean-up drive in Marshall County will be co-ordinated with the state and national clean-up drives.

Governor Combs, who already has launched a statewide "Keep Kentucky Beautiful" campaign, will issue a proclamation for the spring clean-up drive, which

Jets Depart For Tournament; Fans Will Leave Today

North Marshall High School's regional champion basketball team departed Wednesday morning in private automobiles for the state basketball tournament at Lexington.

Team members and coaches were given a rousing send-off

by the student body and faculty of the school.

The school band will leave today (Thursday) by bus for the tournament. Hundreds of Marshall County basketball fans also will leave today for the tournament. Most of them will make the trip in private automobiles.

More Vote Machines Purchased

Marshall County Fiscal Court, in regular monthly session Tuesday at the courthouse here, voted to buy five additional electric voting machines.

The five machines will be able to take care of all the voters properly. The big Benton precincts likely will get extra machines, also.

When the machines were first installed last year it was believed that one machine could take care of any single precinct in the county. This theory, however, proved to be wrong.

Calvert City and Benton, in particular, and Marshall County in general, are growing fast and the increase in population makes the additional voting machines necessary.

The new machines will be here in ample time for the county primary election next May 23, when a big vote is anticipated throughout the county.

The voting machines are kept in storage at the county warehouse off the Mayfield Highway in Benton between elections.

All county schools and the Benton school dismissed at the end of Wednesday's classes so that students and faculty members could attend the famed "Sweet 16" tourney.

North Marshall's Jets will play Shelby County tonight (Thursday) in the tournament. If the Jets beat Shelby County, additional hundreds of Marshall Countians plan to go to Lexington Friday to rally round the Jets for their second game of the tournament.

The Jets and their fans made a motorcycle tour of this area Sunday after winning the regional championship Saturday night at the tournament in Murray. Rain failed to mar the motorcycle or dampen the spirits of the hundreds of fans that took part in it.

The Jets won the regional championship last Saturday night at the Murray College gym by defeating Loves 62 to 57. Two foul shots by Sam Clark gave the victory to the Jets in the final seconds of the game.

The Jets were behind 29-27 at the half, but came back strong in the third period to grab a 12-point lead and finished the period with a six-point lead at 50-44. Loves fought hard all through the final quarter, but could never stop the Jets.

Scoring for the Jets were Goheen 18, Seay and King 13 each, Darnell 10, and Clark 8.

The Jets won their way to the finals by defeating Paducah Tilghman 42 to 34 in the semi-finals. The Jets previously had downed Carlisle County, a tournament favorite, 55 to 46 to get to the semi-finals.

Loves beat Mayfield 53 to 44 in the semi-finals to get to the final game with North Marshall.

Benny Colson of North Marshall won a place on the all-tournament team. Also on the all-tournament group were Tyler of Carlisle County, Sled of Loves, Tibbs of Mayfield, Wray of Heath, Stubblefield of Tilghman and Glisson of Loves.

Women Jailed On Charges Of Taking Purses

The mystery of the missing purses was cleared up this week with the arrest of two young married women by Benton Police Chief Charles Carrall.

The women were placed in county jail on charges of stealing purses.

According to Chief Carrall, the women would enter a residence on the pretense of selling merchandise or arranging Stanley parties and while there would pick up the purse belonging to the lady of the house.

At one home, the lady of the house missed her purse after a visit from the women and immediately telephoned the police. The women were arrested and admitted taking the purse.

Chief Carrall said a total of seven purses had been reported missing over a period of several weeks.

KY. LAKE HAIRDRESSERS HEAR INSURANCE TALK

Kentucky Lake NHCA Unit 266 met March 13 at the Benton City Hall and heard James Frazer, NHCA insurance agent, explain insurance available only for members of the hairdressers' organization.

Members present were Carmen Reeder, Mildred Nichols, Patricia Cox, Louise A. Stie, Hal Smothers, Wilma Tidwell and Herb Travis. Members are urged to attend all meetings.

Kentucky Cattle Reached All-Time High During 1960

LEXINGTON — Number of cattle (all types) on Kentucky farms reached a record high on Jan. 1 this year of 2,115,000 animals, the UK Cooperative Extension Service agricultural economics department said this week.

The figure is up 3 per cent from 1959's previous record cattle-number. The increase was in beefs, says Wilmer Browning, economist, since dairy cattle numbers in Kentucky still are declining.

Kentucky beef cattle numbers rose from 1,207,000 in 1950 to 1,276,000. Beef cows and heifers two years old or more are up 8 per cent; heifers one to two years old, 7 per cent; calves, 5 per cent; steers a year or more old, 1 per cent and bulls a year or more old, 3 per cent.

Hogs in Kentucky are down 5 per cent. This decline ends a three-year hog-number increase.

Milk cows and heifers in Kentucky declined 1 per cent. In Kentucky, sheep down 13 per cent and the lowest inventory since records were started in 1887.

Poultry in Kentucky was down 12 per cent from 1960.

Clint Clark and Fred Pitt of Route 5 were Friday shoppers in Benton.

Mary Elizabeth Story Wed in Church Rites

Miss Mary Elizabeth Story, daughter of Mr. and Mrs. D. W. Story of Calvert City, became the bride of Walter Edward Jenkins on Sunday, March 5. The double-ring ceremony was performed at the Vaughn's Chapel Cumberland Presbyterian Church at 3 o'clock in the afternoon with the Rev. Earl Williams of Kosciusko, Miss., and the Rev. Windell Orway of Calvert City officiating. Jenkins is the son of Mr. and Mrs. H. H. Jenkins of Kosciusko, Miss.

The altar was decorated with a wrought iron arch, palms, ferns and baskets of white gladioli and chrysanthemums. Candelabra holding tall white candles lighted the church. The wedding music was presented by Mrs. Loyd Jessup, organist, and Harvey Story, soloist.

Given in marriage by her father, the bride wore an original designed waist-length gown of satin backed crepe with scalloped hem. The fitted bodice was designed with a high scalloped neckline trimmed with seed pearls and tiny self covered buttons down the front. The long sleeves tapered to points at the wrists. Her veil of silk illusion fell from a half crown of seed pearls and sequins. She carried a white Bible topped with a white orchid and showered with bridal satin ribbons tied in lovers' knots.

Miss Nancy Story, cousin of the bride, was the maid of honor. She wore an ice-blue satin dress with matching headpiece and carried a bouquet of white chrysanthemums.

Doyle Jenkins, of Kansas City, Mo., served his brother as best man. The ushers were Jackie Story and Charles Lofton.

Mrs. Story, mother of the bride, was attired in a costume of willow green with beige accessories with which she wore a corsage of yellow carnations.

The groom's mother, Mrs. Jenkins, chose a dress of light blue with black accessories. She wore a corsage composed of white carnations.

The flower girl was Miss Deborah Story, sister of the

JUST TO KEEP THE RECORD STRAIGHT

Here is an actual photograph of Otation Listener RX77 for men and women. This is the exclusive patented instrument which lets the user hear the voices he wants to hear even at parties, where voices of many fill the room. You hear clearly what you want to hear, even with radio or television turned on behind you.

The RX77 frames are in perfect harmony with today's fashionable styling in eyeglass frames. The tiny, almost weightless and entirely invisible, powerful microphone built into the front of this model enables you to SEE WHAT YOU HEAR AND HEAR WHAT YOU SEE!

And what about bone conduction?

The statement has been made by members of the hearing aid industry that the company which first perfected a bone conduction eyeglass "hearing aid" which would fit 25 per cent of the hard-of-hearing people would really have something.

Now OTARION has done it!

The new Listener RX88, with exclusive Patented Tympano Technique (other patents pending) makes approximately 40 per cent of the people hear clearly with bone conduction. Furthermore, it does it without excess weight. It is truly "electronic engineering at its best" and it has DOUBLE POWER, which a good bone conduction aid must have.

You might ask, if these aids are so good, why haven't they been copied? The answer is simple. They are covered by U. S. Patents, and the Patents belong to Otation Listener.

To those with a hearing loss problem, we say very simply and sincerely... come into our new office and consultation rooms for an audiometric measurement. Then TRY FOR YOURSELF the Listener that best provides what you seek in any hearing aid—clear distinct, wanted voices and sounds, free from all feedback and disturbing whistles and noises.

See the "Listener" live on WPSD-TV Channel 6 weather report every Wednesday at 6:05 p. m. Free parking for our clients on Cobb Lot.

CHARLES E. LENTS

Chas Lents Is Candidate for Re-election

Charles E. Lents informed this paper this week that he has filed for re-election as Marshall County Tax Commissioner. Charles is the youngest tax commissioner on record in the State of Kentucky. Since Charles has been tax commissioner the office has become a model office and one of the most efficient in Kentucky. His office has had several officials visit him from other counties and states. He also has had many guests from foreign countries visit his office in order that they might improve their own country.

Charles, who is a member of an eight man team of Kentucky Tax Commissioners known as the Executive Committee of Kentucky Tax Commission, in this position has worked hard for simpler and less taxation. Charles is married to the former Martha Arnette and they have two small children, Susan and Chuckie.

Mr. Lents formal announcement will appear later and he thanks you for your past support.

Shrinks Hemorrhoids Without Surgery
Stops Itch — Relieves Pain
For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain — without surgery. In case after case, while gently relieving pain, actual reduction (shrinkage) took place. Most amazing of all — results were so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!" The secret is a new healing substance (Bio-Dyne) — discovery of a world-famous research institute. This substance is now available in suppository or ointment form called Preparation H®. At all drug counters.

The Burnis Dowells Are Honored At A Housewarming Party

Friends gathered at the new home of Mr. and Mrs. Burnis Dowell on March 9 and surprised them with a wonderful housewarming.

Mrs. Dowell had been taken for a short car drive by a friend, and when she returned home she was surprised by greetings from a crowd of neighbors and friends gathered in her living room.

Mr. and Mrs. Dowell received many useful and lovely gifts. The neighbors and friends served coffee and sweet rolls to the guests. Those present and sending gifts were:

Mrs. Charles Mathis, Frank Lane, Hurley Fleet, Harry Harrell, John O'Brien, Buford Coursey, James Goodaker, Bob Sewell, Jack Waddell, J. T. Lee, Ira Harris, Thurman Campbell, F. D. Stice, Blanche Hicks, Sol Williams, Coleman Hawkins, Isabella Sewell, W. F. Wallace, Nelson Cherry, L. L. Egner, Ed Smith, Leroy Sewell, W. B. Elam, E. W. Crowson, Pearl Smith, Willie Landers, Charles Champion, Grace Denfip, Shelby Johnson, Govie Smith, J. D. King, Bob Selgfried, Rev. and Mrs. J. F. Moore, and Dr. and Mrs. William Abernathy.

before church time tonight. Bro. Alexander delivered a fine sermon this morning to a large audience at Church Grove.

And Rev. Johnson Easley delivered a fine sermon Sunday night at Church Grove. Mrs. Easley came to Church Grove with him.

Mr. and Mrs. Coleman Riley were guests of Mr. and Mrs. John Riley and Bertie and Denise Sunday.

Mr. and Mrs. Curt Johnson and Mr. and Mrs. Luke Rose attended the singing at Symsonia last Sunday afternoon.

Mr. and Mrs. Brack Clapp of near Mayfield visited Mr. and Mrs. Leon Clapp Sunday and attended worship services at Church Grove Sunday morning.

Mr. and Mrs. Woodrow Futrell and Mrs. Charles Nimmo attended the singing at Mt. Olive in Graves County Saturday night.

Miss Sara Byers and Miss Zella Watkins attended services at Church Grove Sunday morning.

Mr. and Mrs. Garnet Johnston spent Sunday with Mr. and Mrs. J. B. Johnston.

Miss Linda Anderson spent Sunday with Miss Carol Johnston.

I enjoyed the singing over WCLB at 1:30 Sunday afternoon—especially the solo by John Ballance. It was one of my favorite songs. However, I like "Invisible Hands" better than any song they sing.

Mrs. Ralph Wood of Route 5 was a business visitor in Benton

Mrs. Harold Holland was ill at her home last week of ptomaine poisoning.

Mrs. Ollie Mathis real sick for several her home in Benton.

FINE-CAR RIDE

Comet is one of the least expensive compacts you can own! These are the facts. Comet costs less when you buy—up to \$331* below other compacts. Comet gives you high resale value—up to \$48* more than other compacts. That's why it pays to own a Comet. But that's not all. Comet has fine-car features, too. It's the first family-size compact. Longer wheelbase—up to 7.5" longer than other compacts—means more Comet room, not only in pleasurable comfort-for-six seating but in over 28 cu. ft. of trunk space—up to twice as much as other compacts.

Comet's big-car ride is the comfort difference. Extra length also contributes to Comet's road-leveling ride. The refined new suspension and easier-action springs give Comet a better ride than many standard cars. And you'll find Comet turns, parks and handles almost as easily as a tricycle!

Talk about economy and you're talking Comet. To save on gas, choose either of Comet's two thrifty engines. You change Comet oil only every 4,000 miles, get 10% better tire mileage, save on licenses and insurance. And Comet's super-maneuver finish won't cost you a cent for waxing—never needs it!

Both two- and four-door sedans and wagons. Take your pick from sedans or wagons. Comet wagons have up to 30% more cargo space behind the front seat than most other compacts, plus a convenient roll-down rear window.

Lasting quality, even where it doesn't show. Comet is quality, inside and out. Unit-built to keep quiet, stay sturdy and durable, Comet also has rustproofed vital underbody parts, complete soundproofing and an aluminized muffler.

THE BIBLE SPEAKS
BY DR. KENNETH J. FOREMAN
Bible Material: John 17.
Devotional Reading: John 17:1-11.
For His Own
Lesson for March 19, 1959

WHAT ONE of us needs, another does not. In a worship service in the church, the minister cannot offer the same particular prayers which any one person present might rightly pray; for the circumstances vary from person to person. Nevertheless a minister may offer prayers which every one there may take to heart. So it was with the great prayer of Christ written down in John 17. This was a prayer for all believers. "For his own," wherever a Christian lives, whatever his needs, these things at least are Christ's will for him. If we want these things too, we may be sure we are desiring the will of God, praying in the name of Christ.

Joy
This prayer is full of requests, yet it is far from a "gimme" prayer. The reader may profitably sit down and think what makes this different from so many of our request-prayers. Meanwhile we can high light for a moment four gifts Jesus asks from his Father for those who have been "given him." One is joy. This is commonplace enough, by the sound of it. Who does wish to be happy, who does not pray for happiness for his friends? Yet this is different from ordinary happiness. "That they may have my joy fulfilled in themselves," Jesus prays. This is not commonplace. The reader is invited to think it out. What is the difference between ordinary happiness and the kind of joy that we can think of as characteristic of Christ?

"Keep Them From The Evil One"
We wish we had the actual words Jesus prayed in; probably Aramaic. The Greek language of the New Testament has no way of distinguishing between "evil" and "the evil one"—that is, Satan. So we have to ask: Did our Lord pray that "his own" should be kept from evil or from the evil one? There is not space to give all the reasons for thinking that probably Jesus meant the evil one. Certainly we are in contact with evil of some kind all the days of our lives, evil in our own hearts if nowhere else.

"That They May All Be One"
It is a shame to argue about this great prayer of Christ, but it is a fact that this simple request, "that they may all be one," has had many meanings put on it. The least this can mean is twofold: (1) that all the members of a Christian congregation shall be one in heart; (2) that every individual Christian shall feel in his heart, and practice in his life, a Christian brotherliness and harmony with all other Christians. Now that is so simple that it sounds like a truism, that is, something so obvious that a fool might have thought of it. But whatever it may sound like, Jesus never said anything more difficult. The mere fact that he prayed for unity of this kind shows that it cannot be achieved without God's help. How easy it is to be in harmony with people just like us! How hard it is to feel any harmony with people who are different! But that is just what unity calls for.

"That They May Be With Me"
Evangelists talk of deciding for Christ. That is the right way to start. But times come when we are called on to decide with Christ. The great and perhaps most searching question to be asked of Christians is: Are you with Christ? He prayed for that: do you? But most students of the Gospels believe Jesus was thinking also—or perhaps chiefly, for he was facing death—of the life beyond this life. It is putting the emphasis somewhere besides the center when we talk of heaven and hell. The question for this life goes into the next too: Are you with him? To be with him is what heaven is; to be without him is what hell means.

Every morning and every waking hour, the Christian may well ask himself: Is the way I am spending this hour a way that brings me closer to my Master or is it going to make him strange to me?

Lower Auto Insurance Rates Held Possible

Lower car insurance rates are foreseen by the president of the nation's largest auto insurance company, which has already cut \$6,000,000 from its policyholders' premium bill.

Edward B. Rust, president of State Farm Mutual at Bloomington, Ill., said further cuts are likely in 1961 providing claim costs continue downward. Insurance rates and the traffic accident toll march hand-in-hand, he said, and stepped-up traffic safety efforts in many large cities are beginning to pay off in lower insurance costs for many motorists.

Better insurance company experience in the nation's courtrooms is also helping to lower costs. Rust credited a recent trend toward more reasonable jury awards to growing public awareness of the relationship between damage verdicts and insurance rates.

Intensified competition within the industry is bringing other benefits to the insurance buyer, Rust said.

Rust's comments were made in his year-end report on 1959 operations of State Farm Mutual. Local agent for State Farm is J. Homer Solomon, 1020 Main St., Benton, Ky.

Earned premiums and membership rose 8.5 per cent last year to a record \$469,117,521. At the year's close, there were 6,161,433 policies in force, an increase of four per cent over 1958.

BEATNIK LETTER HAS HER BAFLED

Dear Amy:
I received the following letter from an old boyfriend. After failing to decipher it, I showed it to my parents. They nearly split their sides laughing but couldn't help. Please, Amy, can you?

"Dear Kathy:
"Since I split, I broke with the cats at schoolville and I was wondering what's on the wire with the old gang?
"Like endville in March, I'm making it to my Aunt's pad for a glitzy two days and I thought we could get something going like on Saturday night.
"Che me in on the latest skis and I hope you're all freestyle for the 25th."

"Bob"
Dear Kathy:
With the assistance of a "beatnik" friend (equipped with goatee) the following is what we come up with:
"Dear Kathy:
"Since I moved, I've been out of touch with the crowd at school and I was wondering what's new in the old neighborhood?
"I plan to spend a weekend at my Aunt's house the last week in March and I was hoping you and I could get together on Saturday night.
"Write me all the news and I hope you are available for the 25th."

Dear Amy:
No one I have asked knows the answers to these questions and I was wondering if you do.
I have been going with a man for 6 years. I have been single for 18 years. He is 54 and I'm 51. We have just found out that we are related. My grandfather and his grandfather were brothers. How are we related or what are we to each other? Is it lawful for us to marry, Amy?
E. S.
Your relationship to each other is that of second cousins. And if you want to further the family ties by marriage, it is lawful!

Dear Amy:
After reading the letter in your column from the woman signed "Worried," I just couldn't resist telling her how I handled my husband when I found out what was going on behind my back.
Dear Amy:
I am a girl 17 years old and have been going with a boy 22 years old for about 6 months. Just recently I have learned that another girl he was going with before he went with me is 6 months pregnant by him. He says he doesn't love this girl and doesn't intend to marry her. I think a lot of this boy and was intending to marry him myself but since I have found out about this (and I'm sure he still sees her), I am undecided as to what to do. Please let me know what you think I should do.
Anxious to Know
Forget you ever knew him!

Walter Smothers In Race For Magistrate

I am now an active candidate for the office of Marshall County Magistrate, District No. 2. I was born near Scale in Marshall County, and still live in the community on a country road.

I promise that if you elect me your magistrate of District 2 that I will do everything in my power to make ALL country roads safe to drive on in any kind of weather.

There are many roads in District 2 that are so narrow and so bad that a driver cannot pass another driver without having to back up a block or more. So, I therefore, stand for wider and

better roads throughout all of District 2. I hope you will remember me in the primary election next May. I will greatly appreciate your vote and influence. And if you will elect me, I will see that we get better roads.

Sincerely yours,
WALTER SMOTHERS.

Minimum Pay Won't Aid Unemployment, Says Life Magazine

An editorial in Life Magazine had this to say about the proposal to increase the federal minimum wage and extend its coverage: "This is certainly not going to help the unemployed any. Some jobs aren't worth more than \$1 an hour and to make them illegal is to eliminate them."

The words are blunt, but justified. The extended coverage that is proposed, for example, would be primarily in the retail industry. This industry provides marginal employment for beginners, teenagers, part-time housewives and others whose productive work is strictly limited. An out-of-line wage would force the elimination of as many of these jobs as possible.

Also, it is hard to square the minimum wage proposal with the President's urge that labor accept wage stabilization in order to help prevent more inflation. An increase in the lowest wage means increases all along the line—the higher-paid, skilled workers naturally demand that their differential be maintained. Then the wage-price spiral is off to the races again.

DAVID SIRESS WILL PREACH SUNDAY NIGHT AT FIRST MISSIONARY BAPTIST

David Siress, son of Mr. and Mrs. Rex Siress of Benton, will be the guest speaker at 7:30 p.m. Sunday, March 19, at the First Missionary Baptist Church in Benton.

The public is invited to hear him. He is a student at Murray College.

CARD OF THANKS

We wish to express our heartfelt thanks and appreciation for the many acts of kindness and sympathy shown during our recent bereavement, in the great loss of our beloved husband and father, Raymond Edward Gordon. Especially do we thank Bro. Roy Gibson and Bro. J. E. Birdsong for their words of comfort, the donors of the lovely floral offerings, the singers, the pallbearers, Dr. King, those who brought food, the Linn Funeral Home for their efficient service, and all who assisted us in any way.

May the Lord's blessing rest upon each of you.
Mrs. Gordon and Children.

Uncle Ned . . . From Dogtown

DEAR MISTER EDITOR:

Taxes has got me skinned down to one pair of pants and my vote but as long as I can hold on to that vote I aim to make a few observations about the situation from time to time.

For instant, I see where the American taxpayers has advanced \$20 million to the United Nations to keep it from going broke. Russia advanced nothing, the piece said.

The same piece went on to show that we've paid 48 per cent of the U.N. Children's fund and Russia 2 per cent. We paid \$30 million into the fund for U.N. Technical Assistance and Russia paid \$2 million. We give \$23 million to help get clothes and food for the Arab refugees and Russia won't give a dime.

In the last 10 months, the

piece showed, the American taxpayers has put, not counting the Congo, \$116 million in the United Nations program and Russia has put \$17 million.

I ain't agin the United Nations, Mister Editor, in fact I'm strong for it, but it looks to me like considering we're footing most of the bills, we could make ole Khrushchev keep his shoe on and quit beating up the furniture with it at the next session. The chances are we paid for the furniture—and maybe the shoe.

Along them same lines, I'm glad President Kennedy has started giving away our farm surplus to starving people in other lands. It ain't doing nothing here but rotting away and costing us millions for storage rent.

But they is one great trouble with it. Just as soon as folks across the pond start eating our bread they start forgetting which side is buttered and who buttered it. I wish they was some angle to the deal making 'em put the butter on the right side.

Ed Doolittle says he was reading where some farmer in Maryland allows as how he ain't going on Daylight Saving Time this Summer, claims it's too hard to get his roosters set up in the Summer and back in the Fall.

With farm products running 81 per cent of parity and living costs up 27 points, farmers is now 46 points down. If you add the fact we're living in a semi-military age and using a 50-cent dollar, that farmer in Maryland is in for a long spell of difficulties and it ain't all going to be about his roosters.

I see by the papers where politicians in some countries don't have it so good. To get back in the good graces of the Sultan, the Pasha of Marek, whatever that is, had to kiss the Sultan's foot. Over here, the politician that says the wrong thing just announces he has been misquoted by the newspapers.

Yours truly,
Uncle Ned.

IN MARINE EXERCISES

Marine Cpl. Mitchell J. Sutherland, son of Mr. and Mrs. J. M. Sutherland of Calvert City, on Feb. 15, left for six weeks training at Vieques, Puerto Rico, with the Third Battalion, Eighth Marine Regiment, an infantry unit of the Second Marine Division at Camp Lejeune, N. C.

While at Vieques, the unit will participate in the largest exercise of the year involving troops of the Second Division. Periodic tours will be made of the island and to the historic city of Isabella Segunda.

The Boyd Owens of Route 5 were visitors in Benton Friday and while here subscribed for The Courier for another year.

Mrs. Homer Burken of Dexter Route 1 was a business visitor in Benton and while here renewed her subscription to The Courier.

What would you say are the most beautiful words in any language?

A group of scholars, men and women who were familiar with the many tongues spoken throughout the world, were posed the same question not long ago.

Most of them assumed at the outset that "the most beautiful words" would be found in one of the Romance languages, such as French, Italian or Spanish, with their abundance of vowels.

But fortunately these linguistic experts decided also to take into account not only the sounds of words but likewise what they meant, the emotions they evoked when they were spoken, and any lingering quality of tenderness that appeared to be inherent in the very phonetics of them.

And so each of them labored long and diligently in the compiling of their candidates for the "most beautiful" honor. They wrote down many a word from their own extensive vocabularies, and repeatedly spoke them aloud. They consulted dictionaries for words to augment their own supply.

At last they got together to compare their selections. To their surprise, two words appeared most frequently on all the lists, and both of them were English — "home," and "sweet."

That lonely American composer, John Howard Payne, desolate amid the splendors of Italy, needed but few more words indeed to add to those two when, more than a century ago, he wrote the "Home, Sweet Home" that has lived so long in our hearts!
