First District Federation Women's Clubs to Meet

WOMAN'S CLUB HOUSE TO BE SCENE OF MEET

The First District of the Kentucky Federation of Women's Clubs will hold the annual convention on Thursday, October 23, at the Woman's Club house in Murray. Mrs. Joe Page, Barlow, governor of the first district, will preside at the meeting, and Mrs. A. F. Doran, president of the Murray Club, is general chairman of arrangements. Hostesses committee have been appointed by Mrs. Doran and plans completed for the meeting.

All Murray Woman's Club members are expected to attend as many of the sessions as possible, and to assist in entertaining the visitors. Those who wish to attend the luncheon at 12:15 o'clock may make reservations by telephoning Mrs. E. A. Tucker, Mrs. E. B. Ludwick or Mrs. C. C. Duke at 391-W not later than noon of Tuesday, October 22.

Twenty-eight clubs in the district are expected to send delegates to the meeting. Registration will begin at nine o'clock, and following various reports and routine business the principal address of the day will be given at 11 o'clock by the president of the Kentucky Federation of Women's Clubs, Mrs. R. G. Williams of Somerset. At 1:45 o'clock a short memorial service will be held in honor of Mrs. Wayland Rhoads, late president of the state federation.

During the afternoon session Mrs. A. M. Wolfson will address the group on "Women Facing the Future." Mrs. W. F. Fox, executive chairman and the program throughout the day will be interspersed with assembly singing, vocal and instrumental numbers by local artists.

Among the state and district officers who are expected to be present in addition to the state president and the district governor, are Mrs. J. N. Bailey of Paducah, second vice-president, Miss Lillian Money, Ewing, state junior representative; Mrs. T. C. Carroll, Shepherdsville, former president and now general federation director; Mrs. Paul W. Fox, Evansville, former president, now chairman of the Board of Trustees; Mrs. J. E. Warren, Mayfield, former president, Mrs. Hubert Meredith, Greenville, chairman of student loan committee; Mrs. B. G. Waller, Jr., Morganfield, art chairman KFWC; Mrs. Roy C. Evans, Mayfield, vice-governor of the district; Mrs. Thomas McConnell, Princeton, recording secretary; and Mrs. Paul Jones, Barlow, corresponding secretary.

John M. Helm Celebrates His 80th Birthday

October 8, 1941, was a happy day for J. M. Helm (Uncle John) of the College Addition. Miss Emma J. Helm, Mrs. Minnie English of Mayfield, Mrs. B. F. Berry, his nieces, planned a surprise for him by having an open house for him on that day. He was warmly welcomed to receive callers as this was his 80th birthday. At 11 o'clock a party of relatives arrived from Louisville bringing the birthday cake and dinner.

During the afternoon Mr. and Mrs. Roy Helm and mother, Mrs. Mary A. Helm, and Mrs. Anna Howell of Metropolis, Ill., came to express their best wishes. They were followed by another group from Mayfield. There were continuous callers until 10 p. m. of friends and neighbors which totaled 60. He received many cards and remembrances for which he was very grateful.

Mr. Helm was born and grew to manhood in Johnson City, Ill., near Vienna, where he became one of the leading teachers. Thinking there might be better opportunities in the West, he went to Texas and later to New Mexico, where he took an active part in the development of the educational system of that state. He graduated from the state school at Silver City, N. M. He was superintendent of the city schools of Santa Rosa and Carrazo for a number of years. He also taught in the state college at Silver City.

Ten years ago he retired from teaching and spent four years in California, then came to Murray to make his home.

Mr. Helm is quite interesting to talk with on pioneer times in the West, schools and politics. He was elected to the first constitutional convention. He is a great admirer of President Roosevelt and wishes that he were young enough to be more active in the defense work. He is a member of the Christian Church and attends Sunday School just every Sunday.

Tennesseans Top Thoroughbreds 12-0, October 10

Murray State made first downs 15 of them here Friday night, but Union University made touchdowns—two of them—so the Jacks, Tenn., Bulldogs won 12-0 over the Kentucky Racehorses for their fourth victory in 11 grid clashes between the two bitter rivals.

Presenting a lineup not recovered from the 6-0 gooseneck handed them last week by Eastern, Moore's Thoroughbreds fumbled away their scoring chances and bogged down in the stretch to give Union its highly desired win.

On the first play of the second quarter, Jones, Union left half, tore through tackle and cut back 15 yards behind perfect interference for the first touchdown. Smith's try for point was no good.

The Tennesseans scored again on the third play of the final frame when Jones pitched a 4-yard pass to H. Brazelton for six more points. Nield's try for extra point was low.

Blocked punts, costly fumbles, offside penalties, and a non-clicking offense prevented Murray from coming through, although the Breds led in first downs 15-3. Early in the game, Jones' beautiful kick kept the Racehorses back on their heels consistently.

Standouts for Union were Jones in the backfield and H. Brazelton in the line.

For Murray, Russell and Fordoski looked best in the backfield. Speth, White, and Hahn turned in good performances at tackle.

Murray attempted 12 passes of which 5 were completed for a total gain of 40 yards. Union attempted 14 passes and completed 5 for a gain of 52 yards.

Army Recruiting Officer to Be Here October 22

Sgt. Lewis O. Gordon of the United States Army Recruiting Service, will be in Murray Wednesday, October 22, for the purpose of interviewing young men who are interested in enlisting for the Regular Army of the United States including Aviation Cadets.

The Army offers many advantages and young men contemplating learning a trade as well as serving their country should interview Sgt. Gordon.

OUR WINNER

Through an error it was announced in last week's paper that O. Brown was the winner in the Best Pair of Sporting Dogs, a breed, when it should have been J. R. Oury. Mr. Oury also won in this class last year.

Neighborhood Delineation Work Started in County

The work of mapping the county into neighborhoods and communities and determining the boundaries of neighborhoods is a project now being carried on by Ray B. Brown, field-assistant county agent.

Farmers in all parts of the county are being visited and asked to assist in this work. This information will be used by the County Land Use Planning Committee in organizing and putting into effect the work that has already been done in county planning, and each neighborhood and community will be given representation in the Extension program, and a greater effort will be made to organize the work to serve the county by the Extension force through leaders and workers in the different social neighborhoods.

World War Veteran Buried Friday

Funeral services were held for Louis Ernsterberger, 42, world war veteran, Friday, October 10, at his home in Dexter following his death Thursday. The Rev. Cluet Clemmens was in charge. Interment was in the Stewart cemetery.

Survivors are his widow, Mrs. Lucy Ernsterberger, and four children, Luzerne, Thomas Edmond, Gene and Sonja.

Acting as pallbearers were Clint Skaggs, Mitchell Andrus, Wes Brown, Mack Tarry, Merle Andrus and Clint Daughtry. Flower girls were Mary Woodall, Martha Skaggs, Marianna Skaggs and Hilda Pritchett.

REVIVAL TO START SUNDAY AT FIRST CHRISTIAN CHURCH

On Sunday morning at the 10:30 o'clock service, the first revival service the First Christian Church of Murray has had in several years, begins under the leadership of Charles C. Thompson, pastor, assisted by Mr. and Mrs. Paul M. Page, singing evangelists and helpers. Mr. Page is a baritone.

Revival services will be held at 10:30 a. m. on Sunday, Tuesday, Wednesday, Thursday, Friday, and Saturday, having 16 years of successful work to his credit. He has worked with Gypsy Smith and other leaders in the revival of a number of the larger Kentucky churches. Mr. Page, a graduate of the music department of Georgia Tech, has had concert and radio experience in New York and will be accompanied and children's workers.

Rev. Thompson has had a rich experience as evangelist, having served for a number of years as state evangelist in Mississippi and Louisiana. While pastored in Tennessee he led revivals in Memphis, Paris, Union City, Dyersburg, Murfreesboro, Sparta, Tullahoma, Milligan College, Shelbyville, Shreveport, La., and other places.

Mr. and Mrs. Page will be present for the Sunday School, hour at 9:30 a. m. It is desired that all be on time to become acquainted with them. They will have charge of the Christian Endeavor program at 6:30 p. m. when a joint session of the three young people's groups will be held.

Of special interest during the first week will be the Wednesday night service sponsored by the women of the church. The sermon tonight will be "The Bottle of Perfume." Thursday night will be Men's night. The Fellowship Forum will meet at 7:30 p. m. for dinner. The Pages will furnish entertainment. The sermon topic for Men's Night will be "Old's Measure of a Man." Sunday morning will be Student recognition day. College students will be recognized and will sit in a body. Evening services will be held at 7:30 daily.

The public is cordially invited to all services.

Tennessee Tech Next On List For Murray State

After two straight consecutive SIAA defeats, the Murray State Thoroughbreds went to work with the intention to get back to their winning ways by beating Tennessee Tech at Owensboro, Ky., Saturday night.

The Mooremen lost to Eastern 6-0, October 4, and dropped a contest with Union's Bulldogs 12-0, here, October 10.

The injury jinx is still riding the hoofs of the Murray herd. In the Union game the Racers suffered the worst blow of the season when Joe Russell, sophomore back of Portsmouth, O., suffered broken ribs and a bruised knee.

Bill Lee, sophomore center, also went on the ailing list as a result of pulled hip muscles received in the Union game.

Coach Moore is hoping to have Teddy Sassen ready for the game at Owensboro. Sassen suffered a dislocated elbow in the Eastern-Murray game.

The game at Owensboro is a SIAA tilt and is sponsored by the Owensboro Junior Chamber of Commerce.

AID TO ARMED FORCES IS MAJOR RED CROSS WORK

Practical assistance to soldiers and sailors preparing to defend America's shores has become the major task of the American Red Cross in Calloway County and throughout the nation, according to A. H. Kopperud, chairman of the Calloway County Red Cross Chapter. All the many branches of the organization are contributing time and effort to this project.

The Red Cross is the chief link between the military forces and the folks back home. To accomplish this task, the Red Cross has had field directors in military and naval stations and hospitals since 1917 and is now assigning approximately 900 police to field stations. These men are trained to serve as advisors to soldiers and sailors with social and economic problems. If a service man's family is involved in the problem, Red Cross workers in the home town chapter form a liaison to bring about an effective solution.

More than 10,000 Red Cross nurses, members of a large reserve of the nation's finest registered nurses, are being assigned to Army and Navy duty. The Red Cross also is registering medical technicians and dentists for possible military service. In addition, the Army has requested the Red Cross to obtain 200,000 donations of blood to build a blood plasma reservoir for efficient and speedy field transfusions.

Another service is the distribution of \$1,000,000 worth of athletic and recreation equipment to Army and Navy posts, an important item in building morale among service men. Production volunteers in 3,500 centers throughout the country are making 40,000,000 surgical dressings to bolster military reserves of medical supplies.

Community Day to Be Held at Kirksey High School Friday

The Kirksey High School will sponsor a community day on Friday, October 17, beginning at 9 a. m.

The scholastic events will be held in the morning beginning with the spelling contest. Best spellers from each school will be given blue ribbons. The best dramatic reader, one representative from each school, will be given a blue ribbon.

In the afternoon, the following schools: Backusburg, Coldwater, Heath, Spring rock, London and Thompson, will each give a 15 minute program.

The school receiving most blue and red ribbons will receive a prize.

Following the program Kirksey High School's boys and girls teams will play a football game. On Friday night at 7:30 o'clock, Kirksey High School will present a variety program of one-act plays. Thursday night, Mrs. Outland, Mrs. Walton and Mrs. Patton.

The public is cordially invited to attend this community event, school officials said.

Buchanan's Brilliant Punting in Rain Paves Way for Tigers' 14-6 Victory

Paul Buchanan's sensational punting here Thursday night in a continuous downpour of rain paved the way for the Murray Tigers' 14-6 victory over the staid Bulldogs of Fulton High. However, Miller, Murray center, was no less brilliant as he centered the wet and mud covered ball with an ease that would put veteran centers to shame.

The game started in a downpour of rain and ended in one which made running and passing attacks a near-impossibility. The Fulton Bulldogs, with Williamson as the spearhead, found enough anchored soil early in the first quarter to end a 70-yard sustained drive over Murray's goal line, but failed to convert to make the score 6-0, Fulton.

With the second quarter hardly started, Fulton's veteran quarterback was forced out of the game with a tricky knee and for a few minutes the Tigers floundered hopelessly in the sticky sea of mud but suddenly got into the ball game when Buchanan pulled a daring and unexpected pass which was sucked in by Polly who dug his way to a scoring position. Following a series of the plunges, Hule, who had replaced Fulton at quarter, pulled as next a quarterback, found one could never hope to see and resulted in a touchdown. A mass play at center made the extra point good and Murray led 7-6 as the half ended.

The Tigers came back strong to start the third frame and easily outplayed their opponents behind the marvelous kicking of Buchanan who kept the Bulldogs backed down into their territory for three downs and then attempting to punt out, set up the Tigers' second touchdown when Fulton fumbled on the fourth down, making it Murray's ball on Fulton's 20-yard line. Polly, Buchanan and Gibbs pushed the ball down to the final strip, where Gibbs managed to get a firm hold on the job to drive over for the score. Once again a big push at center allowed the extra point and Murray led 14-6 to end the scoring for the evening.

Murray's entire line played superbly to ring up an advantage over Fulton's heavier line. In fact, the Bulldogs presented one of the heaviest lines ever to play on the Murray field. As reserve backs, Gibbs and Hule came in for a lion's share of the spotlight.

Williamham, Davis, Spence, Harrison and Whitson were outstanding for the Bulldogs.

The previously scheduled maneuvers of the combined bands of Murray and Fulton were hindered because of the rain. Yewell Harrison, son of Mr. and Mrs. Otis Harrison of Murray, is band director of the Fulton school.

Blood River Baptists To Meet at Locust Grove October 22, 23

Blood River Baptists will meet in the seventy-second annual session next Wednesday and Thursday with the Locust Grove Baptist Church. Assistant Moderator Rev. Lloyd D. Wilson will call the Association to order at 10 o'clock Wednesday morning in the absence of Rev. B. R. Winchester who resigned from his pastorate recently.

Reports will be made on the following: Missions, Women's Missionary Union, Budget, Treasurer's Report, Prayer-meetings, Literature, Sunday Schools, Education, Chautauques, Louisville, Orphanage, Kentucky Baptist Children's Home, Public Morals, District Board, Baptist Training Union, Baptist Student Union and Baptist Hundred Thousand Club.

All the church of the Association came out to the meeting, the entire group sang "America the Beautiful" under the direction of Mrs. L. E. Hurt, county song leader.

Then came roll call, the reading of the minutes, and the treasurer's report by Mrs. Laverne Bucy, secretary.

The county leaders gave interesting reports of the rapid strides Calloway County Homemaker are making in the improvement of living conditions around them. The County Program was as follows: Foods, Mrs. Maynard Ragdale; clothing, Mrs. Johnnie Walker; citizenship, Mrs. J. A. Outland; public health, Mrs. Laverne Bucy; 4-H Club work, Mrs. Harmon Ross; agent's work, Miss Rachel Rowland, home demonstration agent.

The Coldwater club gave an amusing and instructive skit, "Listening In," dealing with the troubles of a mother in seeing that her large brood of children eat the proper foods. The acting was ably done by Mrs. Herman Darnell, Mrs. Sherwood Potts and Mrs. Lorene Wilson.

LOCAL TALENT TO PERFORM IN NEW PLAY

"The Prisoner at the Bar," a highly dramatized court trial, telling the story of the tragedy of a man who is accused of a crime, will be presented at a number of places over the county, under the auspices of the Forces of the county, co-operating with the educational department of the Anti-Saloon League of Kentucky.

The drama, which will be presented by the following places: Sinking Spring Baptist Church, Monday night, October 20, at 7:30; Hazel High School, Tuesday night, October 21, at 7:30; Lynn Grove High School, Wednesday night, October 22, at 7:30; New Concord High School, Thursday night, October 23, at 7:30; Faxon High School, Friday night, October 24, at 7:30; Elm Grove Baptist Church, Saturday, October 25, at 7:30; Oak Grove Baptist Church, Sunday afternoon, October 26, at 2:30; and Fulton High School, Sunday night, October 26, at 8 o'clock.

Walter J. Hoshal, state superintendent of the Anti-Saloon League, is directing the drama, and takes the part of "The Prisoner." To date, Mr. Hoshal has played this part in 100 different communities. The drama is packed with all over the State. The trial is taken from actual court records. The sensational testimony of "Mrs. Frank Hall," the principal witness who was first on the scene of the gruesome tragedy, is highly interesting.

The dramatic highlights of the drama, is the unusual and powerful plea of the prisoner and the farewell between him and his little daughter, Dorothy, just before he is sentenced for killing his wife in a drunken debauch. Critics claim it is one of the most impressive Temperance Dramas since "Ten Nights in a Bar-room." It is highly recommended, and is enthusiastically endorsed by Church leaders. The drama includes the following local talent:

Judge Forsythe, Rev. J. Mack Jenkins, Clerk of the Court, Miss Alma Boyd, Commonwealth's Attorney, Woody Russell, Tom Hamilton, Sheriff, Sheriff Johnson, Judge C. A. Hale, Mrs. Frank Hall, the principal witness, Mrs. Walton to attorney, Dorothy, the prisoner's daughter, Juna Mae Cooper.

HOMEMAKERS HOLD ANNUAL ALL-DAY MEET OCTOBER 9

The annual all-day meeting of the Homemakers Club of Calloway County was held Thursday, October 9, at the Woman's Club House on Vine street.

Each community club was represented with Lynn Grove having the largest number of members present followed by Penny and Pottertown, second and third respectively.

At 10 o'clock, Mrs. Hansford Doran, president, called the meeting to order. After invocation by Mrs. Jesse Washburn, the entire group sang "America the Beautiful" under the direction of Mrs. L. E. Hurt, county song leader.

Then came roll call, the reading of the minutes, and the treasurer's report by Mrs. Laverne Bucy, secretary.

The county leaders gave interesting reports of the rapid strides Calloway County Homemaker are making in the improvement of living conditions around them. Henry Hall Tolley Dies in Houston, Tex.

A message was received in the city last Friday by relatives of the death of Rev. Henry Hall Tolley, age 76, in Houston, Tex., on Friday, October 10.

Funeral and burial services were held in Houston.

He is survived by one son, Henry Tolley Jr., and one daughter, Miss Marian Tolley of New York City; one brother, Will Towley of this city and one sister, Mrs. S. E. Waldrop of Detroit. He is an uncle of Bryan Tolley, Hall Hood and Mrs. Talmage Robinson of this city.

YOUTHS CRASH TREE

Ralph Gingles and Marshall Gant were taken to the Mason hospital for treatment Wednesday afternoon after having lost control of their car and crashing into a telephone pole on Main Street in front of Mrs. Laverne Orr's residence.

Gingles was released shortly after entering, but Gant was held over night for observation.

1,400 Teachers Attend 57th Annual Meeting

HOLLAND ROSE CHOSEN TO LEAD FDEA GROUP

Holland Rose, Benton, Ky., was elected president of the First District Education Association in the fifty-seventh annual session held Friday, October 10, at Murray State College. He succeeds J. C. Maddox, Lone Oak.

Other officers elected were A. C. Berry, Edinburg, succeeding Roy MacDonald, Cadiz, vice-president; A. O. Adams, Wickliffe, succeeding J. O. Lewis, Fulton, director; and Henry Chambers, Heath, KEA director. Approximately 1,400 teachers and school executives were present at the meeting.

Dr. Ricardo Alfaro, former president of Panama and cousin of Ricardo Adolfo de la Guardia, who was made president of that country Thursday, opened his address on "Hemispheric Solidarity" by referring to the coup d'etat in his home country.

"The move that has taken place signifies one more triumph of democracy over dictatorship."

Advocating a "Commonwealth of the Americas," Dr. Alfaro named three main purposes of such cooperation: 1. Peace in this hemisphere and the keeping of the war away from these shores; 2. Counteracting the disruptions in trade made by the present war; 3. Preparation of a common defense.

"We must not be satisfied with a common defense and a common market," he said.

Crane Speaker

Dr. Henry H. Crane, Detroit, Mich., addressed the FDEA members on "The Thermometric and the Thermodynamic Philosophies" at 10 a. m. in the college auditorium.

The thermometric philosophy, according to Dr. Crane, consists of adaptation to life in a desire to survive, while the thermodynamic idea includes the adapting of the environment to the individual in a more active existence.

The four major fields of interest in which these conflicting philosophies are present are those of social life, political philosophy, education, and religion, said Dr. Crane.

Dr. James H. Richmond, president of Murray State, urged the 1,400 teachers and visitors present to support the State Constitutional Amendment, which would tend to equalize educational opportunities in Kentucky.

FRED JAMES DIES FROM GUNSHOT WOUNDS MONDAY

Fred James, 49, a life long resident of Calloway County shot himself Monday evening, October 14, at 6:30 at his home on Olive street with a 16 gauge shot gun.

Roy Farmer, brother-in-law of the deceased, found the body shortly after the shooting. Mr. James had been in ill health since the death of his wife, last May.

Mr. James was born January 27, 1892, at Lynn Grove and was married in 1917 to Miss Mary Helen Farmer. He had been associated with his father-in-law, C. E. Farmer, in the tobacco business for over 20 years.

He is survived by one sister, Mrs. Nix Harris of Lynn Grove and one niece, Barbara Nell Harris.

Funeral services were held at the First Methodist church at 2:30 o'clock Tuesday afternoon, October 15, with Rev. J. Mack Jenkins, H. L. Lax and J. B. Brown in charge. Burial was in the City Cemetery.

Funeral services were held at the Cuba Baptist Church Friday afternoon at 2:30 o'clock with the Rev. Nelson officiating. Burial was in the Cuba cemetery.

William T. Edwards Dies in Mayfield Wednesday, Oct. 8

William Tansel Edwards, 47, died at the Fuller-Gill Hospital in Mayfield Wednesday evening, October 8, at 8:30 o'clock. Edwards was an employee of the highway department and resided in the Lynnville section.

Funeral services were held at the Cuba Baptist Church Friday afternoon at 2:30 o'clock with the Rev. Nelson officiating. Burial was in the Cuba cemetery.

He is survived by his widow, Mrs. Iris Edwards, and the following children: J. W. Edwards, Camp Hulen, Tex.; Mrs. Mildred Howard, Lynnville; Linda Ruth Edwards, William Thomas Edwards, Ted Edwards and Freeman Edwards, and his parents, Mr. and Mrs. John William Edwards, and the following brothers and sisters: Keith Edwards, Lawrin Edwards, Fulton Edwards, Mrs. Darius Emerson, Mayfield, Mrs. Jorb Wiggins, Akron, O., Mrs. Ollie Cochran, Mrs. Cooper Jones, Palmersville, Tenn., and Mrs. Carrie Henderson of this city.

Among those from Murray who attended the funeral were Mr. and Mrs. Hendon, Mrs. Joe Houston, Mrs. Otis Valentine, Mrs. Graves Hendon and Mr. and Mrs. Bon Canner.

● LET'S THINK A MINUTE—

It is not the policy of this paper to tell its readers what to do and how to think.

That never has been our policy and, by the grace of God, it never will be our policy.

To be sure, we sometimes tell you what we think. That's only natural. And we won't pretend we don't hope that you often feel the same way about things as we do. That's only natural, too. Only a hermit wants to be alone in his thoughts.

But sometimes just agreeing with one another is not enough.

This is one of those times.

There is a law upon the statute books of our country which may well force us to take orders from an angry, mustached maniac who now resides in Berlin. This law is called the Neutrality Act. Briefly, it tells us Americans that we cannot carry on trade with a nation that is at war. It tells us a lot of other things, too. For one thing, it tells us there is no such thing as the traditional right of freedom of the seas.

The mustached maniac in Berlin likes this law. He thinks it's the dandiest thing he ever heard of. Senators Nye and Wheeler—and Lindbergh—think this law is "swell", too.

We don't. We think this law brings the maniac perilously close to our shores—perilously close to the complete domination of our lives, our speech, our freedom. We think the Neutrality Act is a handcuff around the wrists of America.

Stephen Decatur, John Paul Jones, Admiral Dewey and Admiral Simms, heroes of our past, fought on the principle that the seas belonged to all—and proved their point at a cannon's mouth. We are a free and enterprising people who live in accord with our constitution: That all are created with the right to earn their way.

We believe that American commerce and American ships should ply the seven seas. We hope you believe with us. We hope that we all believe this enough to present a united front to any maniac who would attempt to destroy or throttle our free way of life. Let ambitious dictators see and know that America stands ready to preserve our rights at all times—and that no law will keep us from advancing our rights in the face of any oppression or acts that would limit them.

● WHAT ABOUT THE FARMER?—

It is urged that agriculture be given equal representation with industry and labor in all Federal defense agencies and bureaus. That is an absolutely just demand. Food is as important as munitions to the winning of wars.

The farm labor problem has disrupted normal farm operations—the farmer simply can't pay the wages that are offered by war industries. And the farmer's other operating costs are rising dangerously fast.

The farmer asks only that he be given the same consideration that is given to other groups. That in itself is vital to the success of the defense effort.

Next to monetary inflation, nothing adds more to values than the fact that an insurance company must pay for it.

History records many instances where lack of food defeated nations and armies.

Freedom may be made of simple stuff, but the war isn't making it any simpler.

The real priority is what an eighteen-year-old daughter exercises over the family car.

Our national practice seems to have shifted from cranking the car to priming the pump.

Too much horn-blowing is objectionable—figuratively or literally.

What counts is not how much the government will loan you on your crop, but how little you need to borrow.

WHAT OUR NEIGHBORS THINK

THE FARMER IS NOT TO BLAME

A persistent effort is being made in some quarters to pin on the farmer all the blame for the rapid and steep advances in living costs. Cold facts do not justify the charge. The truth is that the farmer, as usual, is getting a much smaller piece of the prosperity pie than any other group. As proof we cite the fact that there will be an increase of ten billion dollars in national income this year above the 1940 figure, but the farmer will get only one billion dollars of the increase. (The Southern farmer, however, will get 400 million dollars of the billion increase). The farmer is just now getting parity, but for some time labor has been getting 200 per cent of parity. While industry has been receiving 150 per cent.

During a 60-day period this year hog prices advanced 20 per cent but pork prices rose 30 per cent. While farm price of cotton increased three cents from June, 1940, to June, 1941, mill margins for cotton moved up 11 cents a pound. And so it has been with almost the entire list of farm products. Whatever gouging of the consumer is taking place—and there's plenty—it cannot be blamed on the farmer.—Southern Agriculturist.

This Week In Defense

Neutrality Law Modification Asked

Stating "we will not let Hitler prescribe the waters of the world on which our ships may travel," the President asked Congress to repeal Section 6 of the Neutrality Act which prohibits trading of American merchant ships and to examine other phases of the law. The President said this action "is a matter of immediate necessity and extreme urgency."

The President said conditions have so changed since enactment of the law it is no longer truly a neutrality measure. He said it is time for this country to stop playing into Hitler's hands and to unshackle our own. He said the U. S. should not "be forced to massacre American-owned ships behind the flags of our sister Republics."

"Most of the vital goods authorized by the Congress are being delivered," Roosevelt said. "Yet many of them are being sunk; and as we approach full production requiring the use of more ships, now being built, it will be increasingly necessary to deliver American goods under the American flag."

"Aid to Britain and Russia. The American Red Cross instructed the British Red Cross to forward immediately to Russia 300 tons of medical supplies. The American Red Cross will send replacement supplies to England."

Prices. Retail food prices continued to rise between mid-August and mid-September, increasing 2.6 per cent to reach the highest level since January, 1931. The Labor Department reported Consumer Commissions. Elliott reported food prices have risen 20 per cent since the war began as compared to 18.4 per cent in the comparable World War period and farm products have risen 43.1 per cent as contrasted to 22.6 per cent during the last war.

Price Administrator Henderson, speaking in support of the pending price regulations, said that "even more frightening than the present level of prices is the fact that these advances have been gathering momentum since the early months of the year." He said the cost of living last August was 7 1/2 per cent higher than two years ago. Since March, alone, he said, the cost of living was up 5 per cent.

Priorities. The Supply Priorities and Allocation Board ruled that no new public or private construction can be started unless it is essential for defense or the health and safety of the people or does not involve use of strategic materials. The ruling applies to Federal, State and local government buildings, roads and highways, river and harbor improvements, residential building and all commercial building. Efforts will be made to bring even to old completion of construction already substantially finished.

The SPAB also voted to permit building of 228 commercial aircraft with the reservation that Army can take them if they are needed.

Physical Rehabilitation for Servicemen. The President announced plans to "educate" 200,000 of the 500,000 selective service registrants who have been rejected for health reasons. He also announced he would initiate a long-range program of Federal, State and local cooperation to remedy conditions which have resulted in 50 per cent of army men being physically unfit for military service. The Federal Government would pay for medical care and rehabilitation of these men certified by local boards as subject to health improvement.

Air. The Service announced that starting January 1 all registrants will be given only one physical examination by the Army. At present registrants are examined by local board doctors and their Army physicians and cannot tell until the final exam if they will be accepted.

Nursing. The War Relocation Authority announced a program to instruct 200,000 American women in home nursing in the next year. Courses will take six weeks of class work and practical experience. Miss Olivia Peterson, director of public health.

Foreign Trade. President Roosevelt told the 28th National Foreign Trade Convention in New York that equality of treatment and mutual benefit to Americans could be the only basis for peace in the world. Under Secretary of State Welles told the convention that trade agreements similar to those made before the war by the U. S. would be one of the post-war economic tools. Under Secretary of Commerce Charles D. Taylor told the group "we must not repeat the mistake of Versailles, of stressing territorial and political adjustments and asking nations to build on the basis of sound trade and economic reconstruction." He said England and the U. S. must set the trade pattern because only they have the productive facilities, natural resources and capital necessary for world economic order.

Helping South America. Speaking in Boston, Coordinator of Inter-American Affairs Rockefeller said the U. S. has practically taken up the back of the trade of the 20 Republics due to their loss of the continental European markets by increasing imports in its own country. He said the \$700,000,000 made available to South America for loans is being used by Latin countries to build up industries and agriculture worth fighting for. He said actually only \$3,000,000 is currently being repaid and that all loans available were borrowed.

Fresh Eggs Are Probably the Most Important Part of the Diet of the United States Navy. In the year 1940, 14,019,000 were consumed.

Letter To Editor

Editor, Ledger & Times:

The proper legislation for enabling the municipalities to contract with the TVA is up to the next session of the Legislature.

The Public Service Commission with their attorney visited four states—Tennessee, Alabama, Mississippi and Georgia—and learned what many already have known for the last six years.

In 1936, the matter was up in the legislature but much opposition from the coal interests was seen. In 1938 it was up again but after consulting with the TVA it was deemed best to wait for the 1940 session as by the time the Lower Tennessee Valley dam was assured and it was thought that TVA would build a line to the project.

Legislation could be passed in time, not anticipating the injecting into the matter the like of an enabling act against the contracting but the TVA was raised that the cities would be surrendering certain rights at existing rates. But why this enabling act was not passed to contract with the utilities by the TVA for power for building the Giffordville Dam would not require the TVA to build a power line to the project and a tie-up with the utilities by the Administration not to interfere with them for two more years.

Many of the Representatives from this section do not support the legislation, for some unknown reason—that is unknown to the public.

If a direct and persistent contact is not made with the legislature in the next session it will fail again as there is a cold feeling about the matter. However, as the Wolf Creek dam upon the Cumberland is in progress, it is hopeful that we will have support from a section of East Kentucky that has heretofore not been interested.

But we must reach and see that there is no neglect of this legislation as they will put this matter off by telling them that next session is not enough for the Wolf Creek completion.

There is a growing sentiment in the REA to build their own plant which would be run by some which apparently is an unwise investment if TVA can be had by shift legislation, which is not complicated in its formation. It is time that a well organized effort by consumers of electricity be made to force through the next session proper legislation to contract with the TVA as we have given up our hands and it seems the TVA should be the cheapest source of electricity.

Things we cannot remedy we must suffer, but never quit fighting against the things we have to suffer.

THE FAIR

Were you at the Fair? Fairs are always interesting to the public. The farmer really gets his golden opportunity. By this I mean he can proudly put his products on exhibit for the people to inspect and appraise. Mr. Farmer, were you proud of your exhibit?

To have good production one must understand it. Production is defined as the creation of utilities, which are man's wants and needs. Foremost of these utilities are those of the farm, which deal with its natural resources, crops, etc. The produce is considered as raw materials for further production known as capital.

Of the two billion acres of land in the United States, one half is farmland. We are lucky to have plenty of territory and freedom to plant. In the small countries of Europe the land is crowded. Every small plot of ground must be utilized to raise some sort of crop. They cannot visualize out large domain where we plant as we wish. We have large forests of virgin timber to be cut, while every small twig is gathered in Europe. We have many land varied commodities put at a cost where the middle man is able to buy as he desires. Is not this a land of opportunity and freedom? Let us take advantage of this to do all in our power to be a unit of workers for the goal of success in producing our best to keep the United States safe for democracy.

The drought destroyed 90 per cent of the spring grass seedings in Scott County.

OPPORTUNITY FARMS FOR SALE!

Have you heard of them? Around Paschall School

Saturday and Sunday were church days at Oak Grove Church with the Rev. J. H. Thurman in charge. The Reverend Mr. Thurman brought interesting sermons each day.

It seems we are beginning to realize autumn is at hand with fall work in session with wheat sowing and some few gathering corn. The leaves are truly beautiful with their golden and brown colors. Yes, autumn is very beautiful with people hustling around to gather what they can for the cold winter days.

Mr. and Mrs. Euell Orr were the guests of Mr. and Mrs. Hugh Walton Foster, Saturday night.

Mr. and Mrs. Adolphus Lassiter and daughters, Bettie and Linda, who have been visiting in this part of the community, returned to their home in Detroit Sunday.

Mr. and Mrs. Frank Kuykendall were the dinner guests of Mr. and Mrs. Callie Hale of Murray, Thursday evening.

Mrs. Laydene Paschall and Mrs. Louise Smederman and daughters, Nancy Ann and Mary Elaine, were the guests of Mrs. Eleanor Byars and Inez, Wednesday afternoon.

Miss Ethel Paschall of Murray was the week-end guest of her niece, Mrs. O. T. Paschall and Mr. Paschall.

Ben Byars and J. C. Paschall were the guests of Eratic Paschall Sunday afternoon.

Norton Foster has been bailing hay this fall.

Arthur Wicker is preparing for cold weather by putting in a new fine grate.

Talmage Puckett and Adron Wicker have been harvesting Jap hay for Ben Byars.

Parvin Jones and Miss Pearl McDaniel were united in marriage Wednesday, October 8. Congratulatory, Mr. and Mrs. Jones.

O. T. Paschall finished sowing wheat Saturday afternoon with the assistance of Vester Paschall.

Mr. and Mrs. John Cathcart and family will move to the Paul Humphrey farm this fall.

We were indeed glad to see "Aunt Bettie" Wicker at church Saturday afternoon. We miss "Aunt Bettie" when she is unable to be present at church services.

Mrs. Genora Humphreys Hamilton was the guest of Mr. and Mrs. J. H. Thurman Sunday night and attended church at Oak Grove Sunday.

Mr. and Mrs. Jim Everts and

children are moving to Paducah where Mr. Everts will be employed. Odie Morris is making molasses this week.

Ernest and Jimmie Jones were the guests of "Aunt Jennie" Jones Sunday.

Mr. and Mrs. Othel Paschall were engaged in potato scratching at Willie Jones' farm last week.

Miss Ethel Paschall plans to spend the winter in Florida with her brother Asa Paschall and Mrs. Paschall. While there she will also visit with Mr. and Mrs. Clifford Smith.

Leonas Wyatt was a business visitor in Murray Tuesday afternoon.

The Primitive Baptist Church Association met with the Providence Church on October 10, 11 and 12. Rev. and Mrs. Bowen Swann attended the meet from this section.

Master Glenn Richardson was seen all dressed up in a new overcoat. I suppose you are expecting cold weather soon, Glenn?

Miss Ernestine Padua had her tonsils removed at a Paris hospital Friday week.

We are indeed sorry to give up our good pastor, the Rev. J. H. Thurman, in our church at Oak Grove. I'm sure we'll miss his good prayers, advice and preaching.

We were glad to have the many visitors at Oak Grove Church Sunday morning and we want to see them to come back.

Let's not forget the singing at Oak Grove Sunday afternoon, October 19. The Kentucky Quartette will be there—Golden Lock.

Come To CHURCH

METHODIST CHURCH NOTES

Sunday, October 19, 1941

This is to be a memorable day at the Methodist church for we are to have two visiting pastors to preach for us. At the morning worship hour, 10:30 o'clock, Rev. C. N. Jolley, district superintendent of the Paris District, will preach for us and we are sure all our leaders will wish to hear him. At the evening worship hour, 7:30 o'clock, Rev. O. A. Marrs, of Union City, Tenn., will be with us and preach for us. Bro. Marrs had a wonderful pastorate of four years with the Murray church and the people of the church and the town came to love him dearly. We hope to see him in Sunday morning and Sunday night.

There is a renewed interest in the Sunday school for every man, woman and child in the land. Are you sure you are doing your duty when you fail to support this wonderful means of grace?

We wish to remind our people that our fourth quarterly conference will be held on Wednesday night, November 6, so we have only two more Sundays after this in which to bring in our offerings for the conference year. If you have not done your part, you must do so quickly for the Annual Conference meets at Dyersburg, Tenn., on Wednesday, November 12. What we do we must do quickly. Of course we will meet our obligations in full for we have not failed in four years. We are truly in the work of the Kingdom of God.

The board of stewards will meet on Monday night, October 20, to make final plans for the fourth quarterly conference. We expect every steward to be present. The circles of the Society of Christian Service will meet on Tuesday, October 21, and every woman of the congregation is invited.

J. Mack Jenkins, Pastor

REV. LEWIS C. RAY, business manager of the Western Recorder and one of the very best preachers in all the land, will fill the pulpit at 8 p. m. A Word of Peace and Union Ridge will meet at 10 a. m.

The preaching services given by the Rev. and Mrs. Ray will be the last for these two churches before our annual conference. Let every member and every woman be in these services if possible.

The pastor regrets his personal illness for the past several days but he will be in his place in the Sunday services.

MURRAY CIRCUIT

H. L. LAY, Pastor

The pastor will preach at Lynn Grove next Sunday morning at 11 o'clock. His subject will be "What Will the Harvest Service Be?" There will be lunch at the church. A brief service in the afternoon including a consecration service.

Board of stewards and membership making our pledge to the budget and receiving our envelopes for next year and community singing, led by Bro. Frank Blackenship, pastor of Kirksey Methodist church. It would be a fine thing for every member of the Lynn Grove Church to be present and make their pledge and get their envelopes for next year. Let us all come and make it a great day for the Kingdom of God and our own souls.

Worship service at Goshen Sunday night at 7:15.

Bible study at Lynn Grove at 6:45 p. m.

Bible study at Goshen each Wednesday evening at 7:30.

Church school at each church Sunday at 10 a. m.

VOTE "YES" on Both Constitutional Amendments

In Calloway the November election is of little importance as there are no opposition candidates, but a most important matter is to be voted upon, the two amendments to the state constitution. I believe we should vote "YES" in each case. Remember, it takes 2/3 of the votes cast to carry the amendments.

Another matter of importance: Buy your fall and winter needs as fast as possible, save from advances, also from the danger of later not finding what you want. Few realize the scarcity of desirable merchandise.

KIRKSEY CIRCUIT

R. F. Blankenship, Pastor

Our revival at Kirksey closed Monday night, Rev. E. A. Phillips, pastor of the Benton Circuit, assisted the pastor.

Regular third Sunday services next Sunday, Church school at 10 a. m. and preaching services at 11 a. m.

Kirksey Church school each Sunday at 10 a. m. Preaching each 1st Sunday at 10 a. m. and 7 p. m. and 3rd Sunday nights.

Our annual conference will meet at Dyersburg, Tenn., November 12. Let's get ready for a full report.

Baptist Missionary Society Holds Monthly Service

The Women's Missionary Society of the Hazel Baptist Church met Tuesday afternoon, October 14 and held its regular monthly Royal Service program with Mrs. S. S. Herndon leading the program.

The program follows:

Song, "How Firm a Foundation"; Bible study, Psalms 37:1-11; prayer, Mrs. A. M. Hawley; song, "Wonderful Words of Life"; prayer, For God's blessings on every way giving the Word to South America, Mrs. Paul Dailey. Others taking part in the program were Mrs. Dick Miller, Mrs. Novella Hurt, Mrs. Grace Wilson, and Mrs. O. B. Turnbow.

Following the program, Mrs. Wilson presided over a short business meeting.

A number of plans were discussed and approved.

Following the singing of "Jesus Saves," the closing prayer was given by Mrs. Turnbow.

William Henry Oliver left Monday afternoon for St. Louis after spending several days here as the guest of his parents, Mr. and Mrs. Alvin Futrell and Mrs. Anna Fair. Mrs. Fair has been visiting Mr. and Mrs. Jackson for the past week.

To whom responsibilities for bridges may belong in Swann precinct please make note, that there is a broken and dangerous small bridge between John McPherson and Dennis Boyd's. The writer also lives near this bridge and knows it should be cared for immediately. Some 200 feet of bridge lumber would take care of much needed repairs. Mr. and Mrs. Coy Hale of the Goshen vicinity, who were crossing that dilapidated bridge enroute to their relatives Mr. and Mrs. John McPherson, came near having a serious wreck Sunday night at this bridge.

Last week's items contained a mistake. It was Ellie Paschall, not Ellis Paschall, who recently lost a fine mule.

Hoyt Craig of Mason Chapel vicinity underwent a tonsil operation at the Mason hospital last Friday. Mr. and Mrs. Ellie Paschall visited the Craig home Saturday night and report their brother-in-law as improving fairly well.

Mrs. Sid Armstrong of Mayfield visited last week with her daughter, Mrs. Quilman Paschall and Mr. Paschall.

Mrs. John McPherson, Mrs. Mildred McClure and little brother, Joe Estel McPherson, visited Mr. and Mrs. Dave White and family Sunday afternoon.

Mr. and Mrs. Parvin Young and family have moved from the Lucian Gupion farm to the Gibbs Store vicinity.

The Bat to Be Given at College on Oct. 31

At 10:1 P. M.

The citizens of Murray and surrounding districts are warned to beware on Halloween night. The reason for this warning is because of a mysterious creature who sends the following message to Callaway County people:

"I'm 'The Bat'. You don't know me yet, but you will. I know you—yes, and you too! You will get to meet me on Halloween night some time between one minute after ten o'clock and MID-NIGHT.

You may not want to come—but you will because you fear me. And you will fear me even more on that night.

From one minute after ten o'clock until midnight on Halloween night, October 31, you will see me in Murray College auditorium murdering in cold blood. It won't be pretty, but you won't forget it.

"THE BAT"

P. S.—It's really a "bat" play. It's like and one you won't forget!"

PIE SUPPER

A pie supper will be held at Christy Grove school house on Friday night, Oct. 24. Music will be furnished as entertainment. The proceeds will be used for the benefit of the school.

PENSACOLA HAS MANY FORMER STARS ON SQUAD

When the Murray State Frosh journey to Pensacola, Fla., Saturday they will be up against an array of talent that would warm the cockles of any coach's heart to have on his team.

Coach Bill Stack, "boss man" down around Station Field Stadium, has under his charge one of the best teams he has ever put out at the Naval Base.

On ends for the Navy Blue and Gold first squad are George Edrie, cadet from Carroll College; Ed Rutledge, of Western Kentucky; and Gamblin, from last year's squad.

Tackles are Jack Butler and Bill Wintley. The guard positions are capably handled by Art Beardsley, formerly of Arizona, Goss, Pickens and Peters.

The backfield is composed of stars galore. At left-half are MacLeod, two-year All-American at Dartmouth and Paul Krömer, a teammate of Tom Harmon at Michigan.

Right half is played by Norman Pruett, All-Southern at University of Texas, and Red Oliver of Western Kentucky. Teachers—Captain Red McGarry and Walter O'Neil, former star at Holy Cross, play the quarterback slot.

Fullbacks are numerous in the Navy camp with Chuck Skinner, Navy star last year and before that at Monmouth; Ben Binkowski, a three-letter man, at Notre Dame; and Archie Garlock of Arizona, playing that spot.

The frosh left with their coach, John Miller, this morning for the game Saturday. In previous years Murray Frosh have defeated the Sailors once and tied them twice. They have yet to lose to Uncle Sam's boys.

Macedonia School News

By Lucile Simmons and Mary Mitchell

We are very sorry we haven't been able to get the school news out any sooner but we will try to get it in every month from now on.

We are glad to have our same readers with us again this year.

We had a nice time and everyone seemed to enjoy it. We are going to get some new books and several other things for the school with the proceeds from the supper.

We have been selling candy to get a set of maps and also some play equipment. The girl selling the most candy was Lucile Simmons and the lucky boy was Lavern Williams.

The school recently went on a picnic to Dover where everyone had a nice time. We made several pictures while there.

The fourth graders have been making booklets about cotton in their reading class.

We have some art and writing paper and have lessons every day in these subjects. Each student made a book for their writing and art.

We are glad in being able to get our traveling library again this year. Every one is trying to see who can read the most books.

The honor roll for the past month is as follows:

First grade, Mattie Ann Lassiter, second grade, Dorothy Lee Williams; third grade, Billy Gene Williams; sixth grade, Mary Elizabeth Mitchell; eighth grade, Lucile Simmons.

We plan to have a Halloween party and program Friday night, October 31.

Hazel High School

Hazel Senior Class News

Members of the senior class were very disappointed last Thursday night when their plans for a party fell through. They had planned to have a hay ride to the Paris City Park, but due to the inclemency of the weather they met in the school gymnasium.

The class rings have been shipped but the members haven't, as yet, received them.

Grade News

The pupils of the third grade room are working on a zoo at the present date. They are very sorry of the illness of Leola Stom. Leola has malaria.

Mrs. Rains, third grade teacher and expression teacher and Mrs. Jones, English teacher, sponsored a program on the stage last week in honor of James Whitcomb Riley's birthday. It was given by the fourth grade students and the ninth grade.

The program was as follows: Life of Riley, George Freeman; World-Bustin Through, Lowry Rains Jr.; Bee Boy, Dot Parris; Noon Lull, Henton Craig; Man the Moon, Frank Nix Hart; Toy Penny Dog, Blodgett Moore; Billy Miller's Show, Buster Paschall and Max Brandon; Dear God, Charlotte Roberts; Life Lesson (musical reading), Nora Moore; Bear Story, Gwyn Daily.

Living pictures of Riley's most famous poems were presented by high school students.

Tribe to James W. Riley, Will Frank Stealy.

Tableau of all that had appeared on the stage.

The famous poem, "Away," Gwyn Daily.

The fourth grade served at the P-TA meeting last Thursday. They tied with the fifth grade for first prize in the contest of the different rooms for having the largest number of mothers present at the P-TA meeting.

They have just finished making a Jamestown Colony and are now working on an Indian village.

The fifth graders are making a farm poster. They have found it very interesting. The fifth grade is to meet the sixth grade in a softball game Monday.

Murray Route V

Helen Stom has been absent from school the past two weeks because of her mother's illness. She is now home and is helping her mother at the cream station.

Leola Stom is ill with malaria. We hope these little girls are soon able to return to school.
