Citizenship To Be Theme Of 4-H Week At UK June 13-17

LEXINGTON — "Citizenship and Leadership in a World Community" is the theme of the 38th annual 4-H Club Week to be held on the University of Kentucky campus in Lexington, June 13-17. About 1,200 4-H Club boys and girls from throughout Kentucky are expected to attend, according to the state 4-H Club Department.

Attending the annual event will be outstanding 4-H boys and girls from almost every Kentucky county, representing Kentucky's 80,000 4-H members. In past years, 4-Hers have competed for state championships in demonstrations and judging during the annual Lexington event. However, these contests were moved to the Kentucky State Fair last year and will be held there again this fall.

Four-H Week is now planned for citizenship and leadership development rather than competition.

Only one state winner will be chosen during this week—the state 4-H Style Revue winner. County 4-H style revue winners will compete for state honors on Friday night, June 16. These girls will model the winning outfits they made in their 4-H clothing projects.

20 Years Ago

In the good old days of 20 years ago, on June 6, 1941, to be exact, inflation was hardly noticeable. In fact, prices were downright cheap in comparison with present-day prices.

Morgan's Store was advertising men's straw hats from 50 cents to \$2.98, and men's wash trousers from \$1 to \$2.95. And you could buy a whole gabardine suit for \$14.95.

Kroger's Grocery was advertising cigarettes at \$1.19 per carton, and Spotlight Coffee was three pounds for 39 cents. A 24-ounce loaf of bread was only 9 cents, or three loaves for 25 cents. And Swift's bacon was only 16 1/2 cents a pound.

If there were some way we could match today's wages with 20-year-ago prices, we could live pretty high on the hog.

And in the classified ads, E. E. Humphrey of Route 7 was advertising for sale a 5-room house and 60 acres of land all for only \$1,600.

The Epworth League (now the MYF) had held a district meeting in Paducah. Among the local Methodist young folks who

attended were Jane Lovett, Louise Hargis, Ada Mae Crouch, Wynelle Hopkins, Irene Elkins, Winnie Eley, Mary Jo Henson, Gwen Fetway, Mary Hitchens, Lois McFall, Carolyn Lucas, Bob Seay, John Williams, Jr., Roy D. Williams, Jr., Taz Kinney, E. W. Prince, Joe Holland and Jimmy Creason.

A child's health conference had been held at the Hardin High School. Those who attended that meeting 20 years ago were Mrs. Julian Warran and son, John Martin, Mrs. Lonnie Cipe and daughter, Betty Lou, Mrs. Voris Utley and son, Lowell Thomas, Mrs. Leland Nannery and children, Virginia, Sue, Betty Jean and Nelson Eddy, Mrs. Glen Edwards and son, Gayle, Mrs. W. E. Newport and daughter, Rosalee, Mrs. Jeffrey and daughter, Agnes Kay, Mrs. Herman Cole and daughter, Julia Ann, Mrs. George Haley and son, Irvin Hpghees, and Mrs. Franklin Erwin and daughter, Norma Kay.

The Olive correspondent had reported that Ray Slaughter had gone to Detroit to seek work and

that Mrs. Slaughter and the children were visiting her parents, Mr. and Mrs. Lon O'Bryan.

The Olive correspondent also had reported two deaths — Mrs. Clarence Watkins and Mrs. Molly Crosby.

And that's all the 1941 news for this week. See you soon.

BIGGEST MAY SINCE THE MODEL "A"...

THE MONTH OF MAY WAS THE BIGGEST FOR FORD CAR SALES IN 32 YEARS—SINCE THE HEYDAY OF THE HOT MODEL "A" IN 1929.

MORE THAN 143,000 FORD CARS WERE SOLD.

THIS MEANS THAT EVERY SIX SECONDS OF EVERY EIGHT-HOUR DAY, SOMEONE BOUGHT ANOTHER FORD, FALCON, THUNDERBIRD, OR FORD WAGON.

WHY?

PERHAPS THOSE 143,000 AMERICANS FOUND OUT SOMETHING YOU SHOULD KNOW. THEY DID ALL THE SHOPPING, DEALER BY DEALER; THEY MADE ALL THE COMPARISONS, CAR BY CAR. BUT THEY BOUGHT FORDS!

WHY?

SOONER OR LATER YOU'LL GET A NEW CAR. WHEN YOU DO, TRY YOUR FORD DEALER FIRST—HE WILL GIVE YOU AN ABSOLUTE YARDSTICK OF VALUE IN EVERY PRICE RANGE FROM A TUDOR FALCON TO A THUNDERBIRD CONVERTIBLE.

HERE'S WHAT TO LOOK FOR. IN THE GALAXIE PRICE RANGE, DON'T SETTLE FOR LESS THAN A CAR THAT'S BEAUTIFULLY BUILT TO TAKE CARE OF ITSELF... THAT GOES 30,000 MILES BETWEEN CHASSIS LUBRICATIONS... 4,000 MILES BETWEEN OIL CHANGES... WHOSE BRAKES ADJUST THEMSELVES AUTOMATICALLY... WHOSE MUFFLER IS BUILT TO LAST THREE TIMES AS LONG AS ORDINARY ONES... WHOSE BODY IS SPECIALLY TREATED TO RESIST RUST AND CORROSION... WHOSE FINISH NEVER NEEDS WAXING.

IF YOU WANT RECORD ECONOMY LOOK TO THE FALCON... THIS IS THE ABSOLUTE RUN-AWAY BEST SELLER OF ALL COMPACT CARS... WITH THE GAS MILEAGE RECORD OF 32.6 MILES PER GALLON, PROVEN BY AN EXPERT DRIVER IN A FALCON WITH STANDARD SHIFT, UNDER THE CROSS-COUNTRY TEST CONDITIONS OF THIS YEAR'S MOBILGAS ECONOMY RUN.

OR COMBINE ECONOMY WITH A TOUCH OF THE THUNDERBIRD, IN THE ELEGANT NEW FALCON FUTURE... BUCKET SEATS AND ALL.

TAKE A LOOK AT THE TWELVE FORD WAGONS, EVERY ONE IS DESIGNED AND BUILT TO GIVE YOU MORE SOLID ROOM-PER-DOLLAR, POWER-PER-DOLLAR OR STYLE-PER-DOLLAR VALUE THAN OTHER WAGONS. SEE THEM ALL—FROM THE CRISP SMARTNESS OF THE FALCON WAGON, ALL THE WAY UP TO THE INIMITABLE FORD COUNTRY SQUIRE.

FOR PURE PLEASURE, SEE THE SENSATIONAL NEW THUNDERBIRD FOR 1961, UNIQUE IN ALL THE WORLD—A CAR THAT BECOMES MORE DESIRABLE EACH MONTH AS THE IMITATIONS COME OUT, AS OTHER CARS COPY ITS FAMOUS ROOFLINE, ITS FOUR-SEAT INTERIOR, ITS CONSOLE—YET MISS THE SECRET OF THE THUNDERBIRD SPIRIT.

THE THING THAT SELLS FORDS IS SIMPLY THE PRODUCT—IT STARTS WHEN YOU TAKE A CLOSE LOOK AT FEATURES OTHER CARS ARE ONLY DREAMING ABOUT, IT GETS CONVINCING WHEN YOU SEE AND FEEL THE HONEST QUALITY OF ITS CRAFTSMANSHIP—AND IT'S ALL OVER WHEN YOU LEARN THE PRICE.

THOSE THOUSANDS OF AMERICANS WHO BOUGHT A GLITTERING NEW FORD EVERY SIX SECONDS IN MAY REALLY DID KNOW SOMETHING YOU SHOULD KNOW—THAT NOW IS THE TIME TO STOP IN, SWAP, AND SAVE PLENTY AT YOUR FORD DEALER'S SWAPPING BEE.

'Ben Hur' Movie Coming To Benton Late This Summer

Benton, before long, will see one of the greatest of all motion pictures, Ben Hur. The famous movie will play later this summer at the Benton Theatre.

No motion picture ever produced has drawn its audiences from every walk of life and demonstrated so great a universal appeal as has Metro-Goldwyn-Mayer's Academy Award-winning "Ben Hur."

In its engagements throughout the world, the triumphant film version of Gen. Lew Wallace's celebrated novel has been seen not only by presidents, royalty, leading governmental figures, clergymen, educators, scientists, business tycoons and celebrities of the entertainment world, but also by the average man-on-the-street.

The picture's theatre parties have been the largest ever recorded in the history of motion picture houses.

Last week that Ecclesiastes had the last word, and this is true of old age as it is of old age as it is of old age, yet Saint Paul has the last word.

is something we all want and yet we all want it. That is to say, the more we want to live a long life, the more we want to live without growing old. But on the other hand, when we see some old people, we say to ourselves, "I don't want to be like that." Now our study for this week is about old age, as seen by two different old men, the author of Ecclesiastes, and Saint Paul.

Last week that Ecclesiastes had the last word, and this is true of old age as it is of old age as it is of old age, yet Saint Paul has the last word.

Ask Amy

BY AMY ADAMS

WORD FROM THE WHITE HOUSE IS 'SHORT'

Dear Amy:
A discussion came up at our mah-jong game last week about the proper dress length this year. Each article we read on the fashion trends quotes a different dress length. One said 15 inches from the floor; the other 16 and the next article said 17. Since we all think our first lady Mrs. Kennedy dresses exquisitely, we were wondering what length she wears her dresses.
Before we shorten all our clothes (which we feel are too long), we would like very much to know.

The Mah-jong Girls
According to Miss Pamela Turnure, Mrs. Kennedy's Press Secretary, the exact length of Jacqueline's afternoon dresses is a White House secret... but it's no secret that she is wearing them short.

Dear Amy:
I'm 15 years old and my parents do not allow me to date boys... even during the day! They say I'm too young or it's too dangerous or they never did it at my age. I tell them that other girls my age, even some younger girls, go out so it couldn't be that dangerous and besides, times have changed.

Then they always get mad and say times haven't changed because other kids at that time did it. I don't know. I don't think I ought to be able to date.
My parents say that your advice is pretty good and that I would probably listen to what you say.

Lonely for Fun
Dear Lonely:
This is for your parents. Please show it to them.
Fifteen year old girls do date on occasions. Most of the time, however, in groups. Mixing socially with boys and girls her own age is an important part of growing up. If you have brought her up to conduct herself like a lady, you have nothing to fear. So long as she doesn't abuse the privilege, it's far better to allow her to date (with your permission) than for her to do so without it!

Dear Amy:
I'm a very discouraged mother. My son is now 10 years old but still his friends call him a sissy (frankly, I have to agree with them). We have done all we can to change his ways but to no avail. His brother even has tried to interest him in sports, but this did not appeal to him.
All he does all day is either read one of those girl-mystery stories or play records and dance to them. One day recently, he came home crying because the children wouldn't let him play and he was a teen-age girl and they wouldn't let him.
Amy, how can I change his ways?
Distressed
Dear Distressed:

So pamper Dad like never before with an extension phone of his own, in color. Just give us a ring.

In times of emergencies—and you never know when one will strike—over 5,000 National Guard units are prepared to lend a hand. Let's all support our National Guard who defends us against aggression and disaster.

South Benton News

BY LAVADA SIRESS

Everyone has been on to me for not writing to The Courier for six weeks. The paper was crowded with election news and candidate pictures. First I want to thank Mrs. Laura Treas, Mrs. Lonnie Filbeck, Mrs. Cora Davis, Mrs. Dollie Myers who tell me they always look for my news first.

I spent Sunday at the Old Southern Harmony Singing which was wonderfully good. I also attended church at the Methodist Church and heard an excellent sermon by Rev. Gurley.

I wish all could have heard Henry Lovett's fine talk.

cheered until my hands hurt. But it seems to me like the singing and "tater day" are dwindling away. I went to "tater day" a little while but I sure never saw a potato. I reckon the old things must pass away and the new things take their place such as bowling alleys, space ships and the like.

Mr. and Mrs. Moorman Bolton spent a recent week in Memphis in the home of their son, Mr. and Mrs. Pat Bolton.

John Riley, Mrs. Lavada Siress and Miss Bertie Riley spent Friday in Mayfield.

Mr. and Mrs. Luther White spent Sunday, May 28, with Mr. and Mrs. Clarence Serick in Mayfield.

Mr. and Mrs. Dewey Riley were guests in the afternoon of Big Singing Day in the home of Mr. and Mrs. Luther White and Mrs. Lavada Siress.

BIDS TO BE OPENED SOON ON GILBERTSVILLE LODGE

Bids on construction of a 50-room lodge at Kentucky Dam

Village State Park are scheduled for opening June 21.

The bids will be opened by the state Division of Purchases at 2 p. m. EST, at Frankfort.

The lodge will be built on the former "picnic hill" overlooking the lake.

It is expected to be ready for occupancy next spring.

Uncle Ned - - - From Dogtown

DEAR MISTER EDITOR:

I was reading some figgers last night by a column writer for the Associated Press showing the awful price the world is paying on account of Russia trying to git the upper hand all over the globe.

This feller said \$14 million a hour is being spent in the world on weapons and armed forces ever hour round the clock, with the United States and Russia spending 73 per cent of it. The piece went on to say that it's costing \$40 a year for ever man, woman and child in the world, including the millions in China and India.

This feller figured out that this money would furnish housing for 240 million families, or provide food and medical care for three billion people.

And it looks like Russia has got us on a treadmill. We can't git 'em to quit and we can't quit till they do. Looks to me like sooner or later the hole is going to git bigger'n the doughnut. I don't know what the answer is, Mister Editor. About half the world seems to be working on the solution and the other half is part of the problem. Things is getting too complicated for me anymore.

For instant, I see where they is predicting that in 20 year houses will be made out of plastic, won't rot, won't need paint. Cars will have turbine motors and tires will last 100,000 miles. Sidewalks will have moving belts so's a feller can stand still and git there just the same.

Electronic stoves will git dinner ready in three minutes, and food will be kept market fresh for a whole year by radiating it, whatever that is.

And to put the stopper in the jug, Time Magazine predicts that afore long wimmen's girdles

will be sprayed on from a can.

At my age, I ain't liable to make it another 20 year, and maybe it's fer the best. I don't know if I could stand so much progress in such a short time. I was raised up in the rocking chair age and as a feller gits older he ought to worry of they being less of it to worry about.

With things in such a mess, I'd just like to take me a vacation, that is, if I could git up the collateral or find enough co-signers.

But I reckon I'll just take my vacation as usual, setting up at the country store and enjoying hearing about my neighbors trouble. Don't cost me a cent and always leaves me refreshed to know I ain't suffering alone.

Yours truly,

Uncle Ned.

"Financial success is a wonderful thing. You meet such interesting relatives."

"When folks learn how to drive right, there'll be more people left."

THANKS

I want to express my thanks to the people of Marshall County for the expression of confidence you have given me by electing me as your County Coroner.

I shall conduct myself in every way to be worthy of your confidence.

Again, thank you.

JESSE COLLIER

THANKS

I want to express my sincere thanks and appreciation to all of you who helped in any way to make my overwhelming victory possible.

With a deep sense of responsibility, a spirit of humility and a sincere desire in my heart to be worthy of your confidence and your trust, I look forward to a new term and more opportunities to serve you.

For you vote and good will I shall forever be grateful.
