The Red Cross drive is on...

why?

But isn't Red Cross war against hunger and suffering worse

In peace, as in war, the Red Cross fights for human dignity and works all over the world.

ASK THE VICTIMS OF DISASTERS. Hurricane, floods and earthquakes struck University of Arizona families every year. This year alone the Red Cross will be there—free of charge—medical aid for the injured... food, clothing and shelter for the homeless... "transferral of the needy, War against human suffering worldwide.

ASK OUR WOUNDED VETERANS. They know at first hand how the Red Cross helps them through their suffering, and their unique service is theirs.

Right now, the Red Cross is providing emergency relief and emergency loans to help families... and emergency relief to civilian life.

Center for our nation's welfare under siege.

ASK OUR ON. The Red Cross is a link with home. Its help mounts the G.I. morale with recreational programs and many personal services.

The need for this much of home continues.

ASK THE VICTIMS OF ACCIDENTS. Every year, 100,000 are killed and 35,000,000 injured by accidents in the U. S. Red Cross First Aid, Winter Safety, and Accident Prevention programs help reduce this sorry toll.

The way to accident reduction?

...So the Red Cross asks you to Give.

GIVE—so your RED CROSS can carry on.
