Our Constant Enemy

The time has come when it is wise to select that enemy which makes Fulton's citizens thousands of dollars annually, an enemy that is a constant threat to our health and welfare, to our very safety. It is unfortunate that we have not been able to overcome this foe, but we are not discouraged, for we know with the passage of time he will be

The Anglo-French Alliance

England and France finally have signed their much discussed 50-year alliance in the hope of meeting the economic demands of the present time. Many will find this unusual situation somewhat surprising, but it is only natural that we now are seeing the influence of the economic depression in all of which were governments. It is high time that the nations of the world are in a position to realize their economies for mutual advantages.

Clinton Takes 35-32 Victory Over Fulton
Free Throw In Closing Seconds Told The Story

BASKEITBALL FIVE WINS

One blow by Griffin, Clinton's last second free throw, and then the free throw of Elwood Faris, clinched a 35-32 victory for Clinton in the final minutes of a contest Saturday night in the First District meet at Middle City.

Richard Locke Injured

In the third quarter, Locke received a blow in the face which caused him to leave the contest temporarily. He returned to the court later, but was unable to make the basket, and his side was then four points behind. Locke was taken to the hospital for treatment.

Disaster Will Strike This Year!

Tornado Fire

FLOOD STORM

In 56 years, the American Red Cross has relieved over 4,000 disasters of all kinds. Last year, alone, it assisted more than $100,000 people battered by catastrophe.

This year, the suffering and misery will again be great when new calamities strike down additional thousands. But now may, you can do something about this.

As always, the Red Cross will be there to reduce the toll... ease the pain... soften the suffering.

Emergency aid for the injured... food and shelter for the homeless... help in reviving homes according to need. These services--and many more--the Red Cross can provide to all needy sufferers regardless of creed or race, young or old.

This vital work requires money--lots of it. Your support is urgently needed. So please give--and give generously--to your Red Cross chapter. There is no better cause!

Give--so your Red Cross can carry on!
