IC Orders 1000 Hopper Cars

Export orders for freight cars have increased greatly since the 1938 economic depression. The increased demand for freight cars has been accompanied by an increase in the price of steel. The increased price of steel has been due to the fact that the steel industry has been operated at full capacity for several years. The increased price of steel has been passed on to the consumer in the form of increased freight car prices.

Trouble To Continue

The United States government has been trying to negotiate a peaceful settlement of the coal strike for several months. The coal miners have been on strike since January 1, 1947, and the government has been trying to negotiate a settlement with the United Mine Workers (UMW) union. The UMW has been demanding a $1-an-hour wage increase, and the government has been offering a $0.50-an-hour wage increase. The government has been offering a $0.50-an-hour wage increase, and the UMW has been refusing to accept it.
