The Family with 2,000,000 Good Neighbors

If a "good neighbor" is one who's always ready to help when you're in trouble... If a "good neighbor" lends you a hand cheerfully, unstintingly—without first asking your politics or your race or your creed... Then your family has 2,000,000 good neighbors—the devoted, volunteer workers of the American Red Cross, backed up by its units:

These men and women are enrolled in Nurse's Aide Corps, Motor Corps, Carry-On Corps, Hospital and Recreation Corps, Home Service Corps—and many another efficient Red Cross service unit.

They are ready to help when needed—should disaster strike your community—should flood or fire, earthquake or hurricane occur—should personal or financial problems overwhelm the serviceman or veteran.

These are the kind of good neighbors these Red Cross workers are. Once a year they call on you for help. You'll give to the Red Cross, won't you? Give now. Give all you can.

GIVE—so your RED CROSS can carry on!
