### Shrine Event to Honor Mr. Riley

The convention here next Saturday, Aug. 12, of Rishpah Temple Shriners will honor a Bentonian—City Judge Harve Riley.

Mr. Harve, as he is affectionately called by his fellow townsmen, is a 50-year Mason. He holds membership in nearly all of the Masonic bodies, and has served as an officer in many of them.

Mr. Harve, who celebrated his 80th birthday this summer, is still young enough to attend Masonic events near and far. And he manages to keep up with Masons many years his junior.

And although he is a life-long Republican, he has served as city judge for a dozen years in this Democratic stronghold and is a candidate for re-election.

Without a doubt, he'll be a prominent figure in Saturday's Shrine convention.

Approximately 200 Shriners and their ladies are expected here for the ceremonial. A big parade through Benton's business district will be one of the features of the day-long events. It will be held at 1 p.m.

The ritual part of the ceremony will be held at the courthouse, and the Shrine candidates will be taken over the burning desert sands at the Benton School gymnasium.

Special entertainment has been arranged for the visiting ladies, and the day's events will come to a close with a dance at the Fez Club on Kentucky Lake.

### City Park Is Open to Everybody

Representatives of the engineering firm of Allen & Holshall of Memphis, Tenn., Tuesday inspected the proposed site for the lagoon-type of filtration system for the City of Benton.

The engineering representative attended the City Council meeting Monday night and informed the councilmen that they had installed lagoon systems in many towns in Tennessee and Mississippi and all had been successful.

The City of Benton is considering employing the Allen & Holshall firm as consulting engineers on the project. Herman Kanatzar, local civil engineer, will do the actual engineering work.

The City Council called before it Monday night Park Board Chairman Chester Ray Powell to discuss rumors of charges being made for use of the park.

Powell said the Park Board welcomed the use of the park by any organization in Marshall County, and stressed that the park is open to county residents as much as it is to Benton residents.

He said the only charges made are for shows and entertainments that collect admission fees. The charge in this case is 10 per cent, and is set by city ordinance. A charge of \$5 to \$10 is made for use of the Community Building. Otherwise, the park is open and free to everybody, he said.

Rumors that organizations were not holding events at the park because of excessive fees are not true, Powell told the Council.

Some of the rumors were traced and found to be false. The City Council and the Park Board both wish to stress that the park is for the use of ALL of the people of Marshall County, and that no charges are made except for events that charge admission fees.

BROADWAY—No, this isn't Broadway. It's Main St. in Benton. But it's a lot broader now since the county courtyard is being cut back. The view looks south.

TIMBER!—Nobody shouted timber as this big oak, or was it an elm, was felled last week as the courtyard here was being cut back in a street-widening project.

### Hardin Is Signing Up Customers For A Water System

An enthusiastic crowd of Hardin citizens decided at a mass meeting held Monday night at the Hardin School to start signing up customers for a water system.

The town of Hardin now depends upon individual wells and

septic tanks for its water and sewerage needs. The Hardin folks have been told that 100 customers will be sufficient to insure the success of a town water system. So the citizens started out Tuesday morning to get those 100 customers.

When the 100 customers have been signed up — and Hardin folks are certain they can sign up that number — a survey will be conducted for the installation of the water system.

The citizens have decided, on the advice of an engineer, that a deep well will be bored to furnish the town with its supply of water.

John Hicks, school principal, presided at the enthusiastic mass meeting Monday night. Between 35 and 50 persons attended the meeting.

### Wheat Quota Vote Slated For Aug. 24

Secretary of Agriculture Freeman has set Aug. 24 as the date on which wheat producers will choose whether or not wheat marketing quotas will be in effect on the 1962 wheat crop.

"The decision that farmers make is extremely important to them and to the rest of the nation, not only for 1962, but also for many years to come," Secretary Freeman said. "The program available with quotas in effect would be far different from that which could be operated without quotas."

If farmers choose to favor quotas in the Aug. 24 referendum, cooperators will be eligible for full 1962 wheat price support. Although the level of support has not definitely been determined, this support will be higher than the present level of \$1.79 per bushel, which is 75 per cent of June 1 parity, if proposed legislation now before the Congress becomes law.

Secretary Freeman said that this week at a press conference the national average support for wheat likely would be in the neighborhood of \$2 per bushel.

If farmers decide in their vote not to favor quotas, there will be no limit on marketings, price support would be at 50 per cent of parity wheat, parity is now \$2.37 per bushel and would be available to those farmers who plant within their acreage allotments.

Before quotas can be put into effect, at least two-thirds of the producers voting in the referendum must approve.

### 1st Equipment Moved Here By Starbrite

First equipment arrived in Benton Monday for operation of Starbrite Industries.

And the manager of the plant, Archie Guess, moved his family back to Benton last weekend.

The plant will be equipped as quickly as possible, so that it will get into production by about Oct. 1.

Starbrite returned to Benton to manufacture new products after citizens of the county raised \$7,500 to pay for getting equipment moved here.

The factory will manufacture metal furniture, but will not make the same products as Starbrite did when it previously operated here. The local plant will be a subsidiary of Ashby Metal forming Co. of St. Louis, and it is hoped that the local plant will be able to operate on a year-round basis.

### Tim Hawkins, 5, Honored At Party At Parents' Home

Tim Hawkins was honored Aug. 4 on his fifth birthday, with a party on the lawn of his parents' home.

Mr. and Mrs. Coleman Hawkins and Tim had as guests at the party Ray and Linda Britton, Pat and David Davis, Diane and Allen Cherry, Sherry Rogers, Dwayne Slice.

Suzette, Donna and Elaine Kilooyne, Kenney Hawkins and Mrs. L. L. Egner.

Games were enjoyed by the children. Favors of balloons, gum and candy were given the children.

### Open Bids Aug. 18 On Courtyard Work

The State Highway Department will open bids in Frankfort on Friday, Aug. 18, for the work of paving three sides of the Court Square in Benton.

The county courtyard has been cut back, and the project now is waiting on the awarding of the paving contract.

The state will do the paving on three sides of the Court Square—Main, Poplar and 12th Streets. The city and county will do the work on 11th Street, which is not a part of any state road.

There will be a cleaning of the Gore Cemetery on Saturday, Aug. 26. Everyone having relatives and friends buried there is asked to do his part in cleaning this cemetery.

### Night Fishing From Boats Below Dam Banned In Winter

Night fishing from boats below the dam at Kentucky Lake this winter has been banned by the Fish and Wildlife Resources Commission.

From Nov. 1 to March 15 it will be illegal to fish from boats between the dam and the old ferry landing, about a half-mile down stream between a half-hour after sunset and a half-hour before sunrise.

This was done, said the commissioners, to discourage illegal snagging of game fish at night by commercial fishermen. Banks fishing is still permitted.

The men re-affirmed their present laws on coon hunting after hearing a request by John Hook, representing Jefferson County hunters, for an extended season.

The rabbit and quail limits were kept unchanged. Dr. Fred Soregoin of Williamstown, was elected chairman, Dr. James Salato of Columbia, vice chairman, and Bert Monroe, new member from the Louisville district, secretary.

BOYS FROM EAST KY. GUESTS OF CHURCH HERE Six little boys from Spring Meadows Home at Middletown, Ky., are guests this week of the First Missionary Baptist Church at Jonathan Creek camp.

The boys, Donald and Nathan Woolsey, Kenny Presswood, Robin and Larry Hooper and Richard George, will be guests in the homes of members of the church from Friday until Monday.

## Uncle Ned ... From Dogtown

DEAR MISTER EDITOR:

A feller has to look mighty careful to find anything in the papers anymore that don't keep him shook up and worried half crazy. The headlines is full of gloom and doom, stories about how them Russians is closing in

all around us and hinting that maybe civilization will git wiped out in the showdown.

I recollect reading a while back where the Navy was making all officers git themselves a sword and wear it at formal affairs. A sword will be mighty handy when it gits to ever man fer hisself, and with the rat race we got going in the world today, I'm thinking about gitting myself one fer civilian use.

But if a feller will skip the big type and read down in the fine print, he can find a heap of items that'll help take his mind off'n his troubles. Fer instance, I see where a inspector in the U. S. Mint says our money is meeting the "physical requirements."

It's comforting to know there's somepun it's meeting. And a expert from the Retail Association says more and more folks is going to the smaller towns to shop. A general trend to the small towns would be a big help to a heap of us. It used to be that a feller couldn't see much in a small town, but nowadays wimmen dress about the same everywhere.

Here a while back, I was telling you about this pamphlet from the Department of Agriculture saying onions wasn't very good for humans to eat. I see in the papers yesterday where two fellers died from drinking a concoction of varnish, shellack, lemons and onions. I reckon they just got too many onions in it.

A note of progress comes from an official of Eastern Airlines. He says they'll have jet passenger planes by 1970 that'll travel 3,000 miles a hour. The piece didn't say, but I figger these planes won't have no seats. A passenger wouldn't git set down good till it was time to git off.

On the Washington front, the papers is saying them Congressmen is trying to speed things up so's they can adjourn in time fer a summer vacation. Some will be taking all their kinfolks on a big Government tour and some will be coming home to mend their political fences. Them that takes tours, I reckon is the ones that's got their politics in pritty good shape back home.

On the stone front, our preacher is having a hard time separating church and state. He said Sunday that a feller that don't go to church is abusing his constitutional right to go to church. It's his right to visit Kalamazoo, too, but according to my preacher's doctrine, if he ain't been to Kalamazoo he's abusing his constitutional right to do so.

But maybe things will look better next week, Mister Editor. Yours truly, UNCLE NED.

## PENNSALT EARNINGS FOR 6 MONTHS SHOW GAIN

Pennsalt Chemicals Corp. reported last week that second quarter earnings per share of common stock outstanding increased 20 per cent compared to the same quarter last year. Net earnings for the period were \$1,633,600 or \$4.25 per share, up from \$1,352,600 or \$3.35 per share for the same three months in 1960.

Second quarter sales increased to \$25,491,300 versus \$25,166,400 last year.

Both sales and earnings were also higher for the six month period. Sales totaled \$47,480,600 against \$47,110,800 during the first half of 1960. Six months' earnings were \$2,847,700 or \$7.35 per share compared to \$2,651,900 or \$6.68 per share a year earlier.

## Mrs. Carl Carr Jr. Is Honored Guest At Personal Shower

Mrs. Carl Carr Jr., was honored with a personal shower July 25 at the home of Mrs. Malcolm Meadows, with Miss Judy Conner and Miss Judy McNeely of Murray as co-hostesses.

The honoree chose for the occasion a two-piece blue outfit with black accessories.

The table, overlaid with a pink linen cloth, held a silver bridal arrangement composed of wedding bells, with white satin ribbon tied in love knots. Small cupid were placed in the honey-combed base. Flanking this arrangement was a pair of milk glass candelabra holding white tapers.

At one end of the table pink individual cakes were served. At the opposite end punch was served from a milk glass punch bowl.

Those present or sending gifts were Misses Judy Cannon, Donna Harper, Susan Smith, Janice Pace, Carolyn Pace, Dian Devine, Dorothy Wright, Robert Spears, the honoree and the hostesses.

Mrs. Charlie McGregor has gone to Muncie, Ind., to spend a few weeks with her daughter, Mrs. Gertrude Bowlin. She had The Courier follow her on to Indiana while she was there.

Mr. and Mrs. Edison Stevenson of Calvert City Route 2 are the parents of a daughter born Saturday at Baptist Hospital in Paducah.

How Use Of Water May END YOUR CONSTIPATION WORRIES

As you grow older, your system begins to dry out. This is true of your digestive system, and it may lead to constipation. SERUTAN, taken daily with plenty of water, produces a smooth, bulk and peristaltic stimulation to help end your constipation worries.

SERUTAN is the all-vegetable laxative aid that moistens hard, dry food wastes and forms it for easy, regular elimination. SERUTAN is entirely different from harsh chemical pills, salts, bran or oil. Take SERUTAN daily with water and enjoy regular elimination or your money back.

"So hurry, folks, get your money in by the tenth and earn the big 4% current dividend from the first. Down at Home Federal on 4th and Broadway. That's the place where your savings are insured, too."

## TO THE VOTERS OF MARSHALL COUNTY:

I know when the legislature meets in 1962, a bill will be introduced to change the primary Election date changed from August.

I, as your senator, will have a vote; and that every senator and representative should tact the voters and vote the wishes of the voters.

I wish that all of you interested in the election date as it is, and ones wanting it to August would write to me stating your views.

I can assure you that my vote on this or any other issue will be influenced by what you the voter, the taxpayer, the citizen want, and not what any party or candidate or individual wants.

I am your senator—a senator for all the people all the time.

Thank you for your cooperation.

## Telephone Talk

LEE Paducah Manager

TRUE STORY—In Florida recently, two men and a woman got a real taste of salt water when their small fishing boat capsized. One man remained with the boat while the other man and the woman swam ashore. On

shore, they looked about frantically for some way to contact the Coast Guard. Finally, they spied an outdoor phone booth... borrowed a dime from a passerby... and in no time had summoned the Coast Guard to the rescue. Said the woman afterwards: "You'll never know what a joyous sight that telephone was!"

ODE TO LONG DISTANCE: Visit them when you can; Call them when you can't! The cost is small wherever you call.

OUTDOOR LIVING is becoming a real way-of-life here in the South, especially during these soft summer nights. And to make it even more pleasant... how about an extension phone for your patio? Wherever your patio is located, we can put a phone there... either the portable or the permanent type. The cost is small, the convenience great. For details, just call our business office, or ask any telephone serviceman.

WORD-OF-THE-WEEK DEPARTMENT: Its good to believe in yourself, but don't be too easily convinced!

WOLLEY SEGAP AGAIN! Seems that all during vacation season, we hear new stories of the Yellow Pages in action—helping someone in a strange town find a seafood restaurant... or an all-night bowling alley... or a drug store. Whenever you're away from home, for whatever you need—remember to

LOOK FIRST... IN THE YELLOW PAGES!

## Shrinks Hemorrhoids Without Surgery Stops Itch—Relieves Pain

For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain—without surgery. In case after case, while gently relieving pain, actual reduction (shrinkage) took place. Most amazing of all—results were so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!" The secret is a new healing substance (Bio-Dyne®)—discovery of a world-famous research institute. This substance is now available in suppository or ointment form called Preparation H®. At all drug counters.

## Fresh Peach Shortcake

Fresh Peach Shortcake is high on the list of summer eating pleasures. Although shortcake can be a year 'round dessert, it reaches the height of popularity in the summertime when you can top it with fresh peaches, cherries, strawberries and other fresh fruits.

This shortcake recipe is the old-fashioned kind — similar to a biscuit dough with sugar and egg added. The finished shortcake is sweet and rich — extra flavorful for dessert eating.

When you make shortcake this summer, use self-rising flour. It saves time and assures good results since it already contains baking powder and salt in the correct amounts. Depend on self-rising flour for light, tempting shortcakes and for all your summer baking.

**FRESH PEACH SHORTCAKE**  
2 cups sifted enriched self-rising flour  
1/2 cup sugar  
1/2 cup shortening  
1 egg, beaten  
2/3 to 3/4 cup milk  
Whipped cream  
Sweetened sliced peaches  
Sift together flour and sugar. Cut or rub in shortening until mixture is crumbly. Combine egg and milk. Add to flour mixture, stirring until mixture is smooth. Turn into greased 9-inch round pan. Bake in hot oven (400° F.) about 25 minutes. Cut into wedges and slice each wedge into two equal layers. Fill and top with whipped cream and peaches.  
Makes 6 servings.

## 20 Years Ago

Twenty years ago, way back there in 1941, the construction crews working on the new Kentucky Dam had gone on a six-day work week to speed the huge project. Under the new speed-up program, the dam was to be completed in 1944, instead of 1945, as had been originally planned.

Benton was having quite a race for seats on the city council back in 1941.

Among the brand new candidates were Jim Kinney, Rudy Cox, Oscar Shemwell, Sam Creason, Joe McKendree, Galen Hiett, A. A. Nelson and Louis Lilly.

Candidates seeking re-election included Curt Phillips, Ambrose Thompson and Jim Edd Cross.

The Masons of Benton had dedicated their new building in Benton. A banquet had been held at the First Christian Church, and the town was full of Grand Lodge dignitaries.

Cornerstone of the building was laid by Grand Master Keith.

B. L. Truvathan was grand junior deacon. Dr. B. L. Halliday presided at the program.

At the ceremonies, the Masters Degree was conferred on A. L. Brewer and the Fellowcraft Degree on W. C. Jones and Porter Scott.

Miss Julia Gilliam had been chosen as Marshall County Queen to attend the Tobacco Festival at Princeton. Sara Westbrook and Dixie Eley had been selected as attendants for Miss Gilliam.

A library center had been es-

tablished at Brewers, with the help of Murray College. The books had been placed in Leon Riley's store at Brewers for public use. Other such centers were to be established in other communities of the county.

Eight students from Marshall County had been listed on the honor roll at Murray College. The local students were Fred Chumbler Jr., Glen Durwood Culp, Julia Gilliam, Lavern Howard, Dewey H. Jones, Helen Lovett, Lonnie Edgar Rudd and Rayburn Watkins.

Lee Potts had died in Florida, where he had been residing.

Burial was in St. Petersburg. He formerly had been a business man in Marshall County, and also Murray and Paducah.

Mrs. Tom Shemwell had died at her home on Benton Route 2. She was 72.

And that's all the 1941 news for this week. See you soon.

Mrs. Hub Vaught of Lake City and her daughter, Mrs. Lois Emery of Illinois left Saturday for Phoenix, Ariz., to visit their son and brother, Set. Robert Vaught. They will also visit Tombstone and Bisbee, Ariz. and New Mexico.

## EX-COUNTY RESIDENTS OBSERVE ANNIVERSARY

Mr. and Mrs. Blanch Henson of Murray celebrated their golden wedding anniversary Aug. 6 in the Woman's Club Room at Murray.

Mr. and Mrs. Henson, both former residents of Marshall County, were married Aug. 5, 1911, at Paris, Tenn.

They are the parents of five children. The three living children are Harry Henson of Benton Route 1, Charles Henson of Oklahoma City, Okla., and Mrs. John W. Stice of Kuttawa.

## Miss Lovett Married In Church Ceremony

Miss Lawrence Carol Lovett, daughter of Mr. and Mrs. Carlous Ivan Lovett of Sharpe, became the bride of Gene Cedrus Compton, son of Mr. and Mrs. O. W. Compton of Carthage, Mo. The double-ring ceremony was solemnized at 9 o'clock Saturday morning, July 29 at the Oaklawn Methodist Episcopal Church with the Rev. Dean Woodward, pastor of the church, officiating.

The vows were pledged before the altar banked with arrangements of greenery and gladioli. Cathedral tapers burning in tall candelabra illuminated the chancel. The family pews were marked with large white satin bows. Mrs. G. W. Walker, organist, presented the nuptial music.

The bride, given in marriage by her father, wore a floor-length gown of white Chantilly lace and tulle over taffeta designed in colonial style. The long sleeves tapered to points over the hands. Scalloped Chantilly lace enhanced the neckline that formed a soft V in front. Her fingertip veil was held by a crown of seed pearls with rhinestone trim. The bride wore a single pearl, a gift of the groom and she carried a white Bible on which was poised an orchid showered with satin streamers.

Miss Cynthia Ann Lovett of St.

Louis, Mo., sister of the bride, was maid of honor. The bridesmaid was Miss Janet Herbig of Calvert City. Both attendants were attired in dresses of pink crystalline over taffeta. They wore white velvet headpieces with pink flower and rhinestone trim and carried bouquets of white carnations tied with pink satin streamers.

The flower girl, Marsha Faye Rudolph, also wore a dress of pink crystalline. She scattered rose petals from a basket tied with pink satin ribbon.

James Daniel Ward Lovett, brother of the bride, served as ring bearer. Henry Neal Knott of Reidland unrolled the bridal carpet.

Immediately following the ceremony a wedding reception honoring the couple was held in the church. Serving at the reception were Miss Karen Heise

of Gilbertsville, Miss Jackie Jones and Mrs. Delbert Powers of Reidland. Miss Francis Rickman of Sharpe kept the bride's book.

The couple went on a wedding trip to the Lake Michigan area, and upon their return will reside in Paducah.

#### Food Prices Today Really Are Bargain, Says UK Specialist

LEXINGTON — Food is a bargain! This may seem a surprising statement when many people are complaining about high food costs. However, these people who complain haven't looked at the facts, notes Mrs. Minerva Murphy, UK Extension specialist in foods and nutrition.

Food takes less of your family's income than it did 10 years ago, the U. S. Department of Agriculture has found. Food costs have risen 15 per cent in the past 10 years—but the take-home pay for the average family has gone up 59 per cent in this same period. The cost of other items has risen more than food costs; for example, housing costs jumped 32 per cent and transportation costs climbed 46 per cent in the last decade.

The grocery bill today uses one-fifth the average take-home pay, Mrs. Murphy points out. Ten years ago, groceries for the average family cost more than this in terms of income—one-fourth the take-home pay.

Here are some examples of why food is a bargain today. Ten years ago, average wages for an hour of factory work bought 2.3 pounds of chuck roast, 1.8 dozen eggs, 6.5 quarts of milk, or 9.6 loaves of bread. Today, the same hour's work is worth 3.3 pounds of chuck roast, 3.6 dozen eggs, 8.1 quarts of milk, or 10.1 loaves of bread.
