Mrs. Lilburn Lamb has entered the Mayfield Hospital for treatment of a kidney stone.

Uncle Ned . . . From Dogtown

DEAR MISTER EDITOR:

I see by the papers where the new Postmaster General says the finances in his department is all out of whack. He is advising that we got to hike the rates another notch or two, maybe three.

We been getting that song from ever Postmaster General, Democrat or Republican, for 40 year and the finances git worse and worse and the rates git higher and higher. About two more Postmaster Generals and it'll be cheaper to go see a feller than write him a letter.

I don't think finances is the only thing out of whack in this department. For instant, out here on the rural route I can mail a parcel post package weighing 70 pound, making the mail man haul it into town and git it off for me.

But if I haul it into town myself and mail it at the window they won't take but 40 pound of parcel post. Don't ask me why. It's the post office Department that's crazy not me.

I ain't saying they ain't some excuse for it. Sometimes they is technical reasons fer things that don't meet the eye. A feller has to figger all the angles afore he can pass sound judgment on somepun.

I recollect onct when a traveling salesman stopped at ole Pa Sedgefield's house and ask him

how fur it was to town. Pa allowed as how it was 4 mile there and 6 mile back.

When the salesman ask him how come it was more one way than the other, Pa told him he walked straighter going than he did coming home.

The Congress has been working on this problem of post office finances so long and gitting no place that I figgered I better bring it up at the country store Saturday night. The thing hadn't been in committee more'n 10 minutes till the fellers had it solved.

Ed Doolittle said he was reading last week where our Government has spent \$86 billion on foreign aid in the last 15 year, averaging around \$5.7 billion a year. The post office is coming up short about two-thirds of one billion ever year, so Ed allowed as how we could pinch a little piece of that foreign aid off ever year and pay up the postal deficit.

Zeke Grubb claimed that them countries like the Congo and Vietnam would never miss it, especial since the grafters git about half of it anyhow. Bug Hookum went so fur as to favor pinching off a little extra and making all postal services free. He said this would please the constituents and make it nice fer

them Congressman at election time. If you folks in town has got any problems, Mister Editor, mail 'em to me parcel post and I'll have the fellers put 'em on the agenda fer the next meeting. But be shore they don't weigh more'n 40 pound.

Uncle Ned,
Yours truly,

State Fair Will Have Copy of Space Capsule

LOUISVILLE — A prototype of the Mercury Capsule in which Commander Alan Shepard rode on his dash through space several months ago will be the feature in an exhibit to appear during the Kentucky State Fair, Sept. 8-16.

The capsule will be the centerpiece of the National Aeronautics Space Administration display to be seen in the "new look" Exposition Wing during the Fair.

Another new feature in the Exposition Wing will be the "Explore Kentucky" section in which virtually every state department and agency will be represented

to explain the workings of state government. The popular Safety-town, sponsored by the Kentucky State Police, will be revitalized to include several scale models of Kentucky landmarks and tourist attractions.

Another new section this year will be "Kitchens of Tomorrow," jointly sponsored by the Kentucky Rural Electric Cooperative and the State Agricultural Extension Service, in cooperation with local firms dealing in products, materials and services related to kitchen improvement.

The very fine "Explore Kentucky Industry" section will be back in a much enlarged form.

There will be a cigaret manufacturing machine actually producing finished cigarets in the building and the revamped University of Kentucky's fresh meat exhibit will feature the art of butchering.

In addition to the Merchants and Manufacturers, the 4-H Clubs, culinary, plants and flowers, arts and crafts, textiles and tobacco departments will be back along with the elaborate "Float of Flowers." This year, for the first time, these exhibits will be joined in the Exposition Wing by the departments of vegetables and melons, field seed and grain, bees and honey and horticulture.

Fair visitors also will be treated to several free stage shows throughout the Fair, including country and western shows, style shows, 4-H demonstrations, radio and television originations, contests and sev-

eral others.

LABOR DAY, USA, is almost here again, and from all indications, there'll be a record number of folks on the highways . . . headed for picnics in the park, sun 'n fun at the beach, or the cool, quiet relaxation of the mountains. Wherever you're headed . . . be sure you drive carefully . . . so you'll be sure to arrive!

TIPS-TO-THE-WISE DEPARTMENT: Look ahead and be sure! Whether you're planning a long Labor Day weekend, or just now taking your vacation, you'll do well to phone ahead and confirm any reservations by Long Distance. It takes only a few minutes to call . . . and Long Distance rates are low (even lower when you call station-to-station, with special values after six p.m. and on Sundays). The few minutes and the few pennies you spend could save you a lot of trouble and worry!

ALONG THE WAY Labor Day, notice the increase in the number of outdoor phones. These handy "outdoor citizens" are on the job 24 hours a day . . . offering you convenience and protection.

FALL IS JUST AROUND THE CORNER! And you know what that means—back-to-school . . . back to getting school clothes in shape . . . back to PTA meetings . . . back to a million-and-one things that there's never quite enough time for! Fall makes you realize more than ever how valuable time is . . . and how valuable your time-savers are. Like the telephone. Ever stop to figure how much time it saves you . . . every day? Instead of having to see them in person, you can just call the laundry . . . and the ladies' aid committee . . . and the grocer . . . and on and on. Yes, your phone is what I call a **real time, money and you-saver!**

20 Years Ago

Twenty years ago, way back in 1941, there had been a big baptizing in Benton. The baptizing was held at the covered bridge over Clark's River near Benton. Rev. J. M. Pace of the First Christian Church baptized eight persons. They were Mattie Higgins, Lena Morse, Lizzie Gourley, Oda Starks, Millie Morse, Myrlam Walton, and Thomas and Victor Mobley.

Elder N. S. Castleberry of the First Baptist Church baptized 12 persons. They were Cora Gough, Etta Castleberry, Allie Morgan, Georgia Brandon, Mintie Hall, Viola Smith, Ina Wallace, James Brandon, Will Ely, Guy Wallace, Robert Hayden and Worth Castleberry.

The Marshall Courier of 1941 reported that a huge crowd attended the baptizing.

A picnic had been held by Mrs. Albert Nelson's Sunday School

class. The event was held at Noble Park in Paducah. Those attending were Linda Sue Hanley, Evedyn Vawter, Pearl Littlejohn, Martha Lou Chambers, Betty Ray Smith, Phyllis and Charlotte Nelson, Paul Graves Darnall, Hal Fiser, Travis Downs, Charlie Holland, Joe Brooks Prince, Robert Leneave, Joe Hiett and Billy Ely.

Mrs. Sidney Graves had been honored at a household shower at the home of her parents, Mr. and Mrs. Clint Park.

A family reunion had been held at the home of Mr. and Mrs. Alva Clark.

The Church Grove correspondent had reported that Mr. and Mrs. Birdie Henderson of Joppa, Ill., and Mr. and Mrs. Forest Smith of Mayfield and Mr. and

Mrs. Othal Barnes of Elva had enjoyed Sunday dinner with Mr. and Mrs. M. V. Siress.

Also that Mr. and Mrs. Everett Pace were in Detroit visiting relatives.

Mr. and Mrs. John Gilliam of Benton, who were newlyweds, were honored at a shower given by Mrs. Ray Linn and Mrs. Pete Gunn Jr. were hostesses for the shower.

Mrs. Rome Johnston of near

Brewers had celebrated a birthday, and many friends and relatives gathered at her home with baskets of food and gifts to help her celebrate.

And that's all the 1941 news for this week. See you soon.

Your Congressman

The following letter, on happenings in Washington, was written by Congressman Frank Albert Stubblefield of Murray:

The Congress in recent days has emphatically endorsed the President's recommendations for increasing our conventional military forces as well as our efforts to catch up in space.

Our country did not become the greatest nation on earth by folding up under pressure. We won't "choke up" now.

OMNIBUS FARM LAW HELPFUL, THOUGH INADEQUATE: "The long, hard effort to enact basic farm legislation has ended with the signing into law of the Agricultural Act of 1961."

As I said on the floor of the House during debate on final passage, the law is "a constructive step," and moves in the "right direction." This law plus the feed grain law passed early in the session have helped our farm economy. We have "reversed the process under which surplus production begets lower prices" and lower prices beget more surpluses as farmers try to make a living "by increasing volume to off-set lower prices."

BETWEEN THE RIVERS PARK PROPOSAL:

I hope the legislative situation here will permit me to accept Governor Combs' invitation to attend the Aug. 28 meeting at Paris Landing and Kentucky Dam Village on the Between the Rivers park proposal. I have worked with TVA on the arrangements for this meeting between Governor Combs, Governor Ellington, the TVA Board, the Chief of Engineers, Secretary of Interior Stewart Udall, National Park Service Director Conrad Wirth, and others.

Secretary Udall with whom I served in the House has assured me of his "great interest" in this project and that he hopes to attend the meeting.

I believe this project can be a great boon to western Kentucky and the nation, but we must protect the interests of the people living in this area. I shall continue to direct my efforts to this end.

VISITORS FROM DISTRICT: Recent visitors to the office include the following: Mr. Fred M. Gingles; Mr. and Mrs. Elliott Wear; Mr. and Mrs. A. F. Sykes and daughter Andrea; Mr. V. C. Stubblefield, Sr.; Miss Lula Clayton Beale, all of Murray.

Mr. and Mrs. A. D. Riley, Pa-

ducah; Mr. and Mrs. J. W. Mayfield; Mr. and Mrs. J. H. Young, Barbara, Cynthia and Rogers and Donald Cadiz; Tolle, Paducah; Mr. and Mrs. Dr. and Mrs. C. H. Jagers, J. C. Meneer, Cayce; Mrs. E. O. Mrs. Leighton Hess Tooms

Miss Henson Wed In Ceremony at Church

Miss Georgia Beth Henson and Leighton Hess Tooms exchanged marriage vows in a candlelight service on Sunday afternoon, Aug. 13, at 4:30 o'clock at the First Methodist Church of Benton with the Rev. Raymond W. Council performing the ceremony.

Miss Henson is the daughter of Mr. and Mrs. Roy E. Henson of Benton. Mr. Tooms is the son of Mr. Luke E. Tooms and the late Mr. Tooms of Bells, Tenn.

The vows were exchanged at the altar which was decorated with large green palms and fern centered with a large arrangement of white gladioli and summer stock. Tall branched candelabra holding white tapers flanked each side. The family pews were marked with white satin bows and streamers interspersed with greenery.

A program of nuptial music was presented by Mrs. Mac L. Page of Bruceton, Tenn.

The bride, given in marriage by her father, was gowning in a Helen Original Import of mag-

white satin and topped with a gold-throated white orchid. Cascading satin streamers were tied with tuberoses. The Bible has been used for weddings in the Hess family for four generations, originally belonging to the late Dr. N. I. Hess, great-grandfather of the groom.

Miss Sally Council of Jackson, Tenn., was the maid of honor. Bridesmaids were Miss Kathrine Algea and Mrs. Clifton Exum, both of Jackson, and Miss Sandra Johnson of Benton and Miss Peggy Turner of Bells. They wore identical models of pale yellow silk organza over taffeta. Their headpieces were Dior bows of the same material caught with a circular veil of misty illusion. They wore tiny pearl earrings, gifts of the bride. They carried pale yellow net puffs with white satin streamers tied in French love knots, adorned with white summer daisies.

Serving the groom as best man was his brother, Dr. Robert E. Tooms of Memphis. Ushers were Clifton Exum and Gene Moore of Jackson, Tenn.; Jim Garrison of Memphis and Billy Rex Mehr of Bells.

A reception was held by the bride's parents at the church immediately following the ceremony. Miss Mignon Nelson served the cake and Miss Jolane Hutchens presided at the punch bowl. Others assisting in serving were Mrs. Clyde Smith, aunt of the bride; Mrs. Ned Pace and Mrs. Pete Gunn, cousins of the bride, and Mrs. Don Jackson. The guest register was kept by Miss Glenda Hutchens.

After a wedding trip to Virginia, the couple are at home in Memphis, where the bridegroom is a pharmacist at Methodist Hospital and the bride is employed in the Memphis public school system.

Mrs. Bess Roberts has returned from a trip to Santa Anna and Reno, Calif. She visited her brother, Paul Stratton and visited places of interest while away.

Mr. and Mrs. Billy Garland of Calvert City are the parents of a son born Aug. 12 at Lourdes Hospital in Paducah.

Alice Chandler, Harvey Fred Story Take Wedding Vows

The marriage of Miss Alice Virginia Chandler, daughter of Mr. and Mrs. Ollie Chandler of Benton Route 7, to Harvey Fred Story, son of Mr. and Mrs. D. W. Story of Calvert City Route 1, was solemnized May 26 at Golconda, Ill., at 6:30 o'clock in the evening.

The Rev. Nolan Smith, pastor of the Golconda Baptist Church, performed the wedding at his home, with Mrs. Nolan Smith

serving as the only bridesmaid. Following the ceremony, the bride and groom, accompanied by Mrs. Story left for Dayton, Ohio, and Atlanta, Ga.

Mr. and Mrs. Ben of Detroit visited friends here last week.

Letter to the Editor

The following letter was received by City Judge Harve Riley concerning the recent Shrine ceremonial held in Benton: Madisonville, Ky. August 15, 1961.

Judge H. A. Riley,
Benton, Ky.
Dear Noble:

Would you please give our thanks and appreciation to all who worked so hard to make the Benton summer ceremonial such a huge success. Be sure to thank the Bank of Marshall County for the very lovely flowers that were presented to the ladies at the dance.

Benton should be called the City of Hospitality, because the people showed every courtesy to all who attended the ceremonial. Thanks again for such a wonderful day.

Sincerely yours,
Orval H. O'Bryan, Recorder
Rizpah Temple,
Madisonville, Ky.

worlds but, as yet very little is known of the other three. To really know the other worlds requires a complete knowledge of only four Biblical words: "Let there be light" are those four words. In fact all of the Scrip-

tures permeate and pertain to the light of God.
For instance, let it be known that a sick world is composed of sick people, or sick minds. People striving for the realization of efficiency and happiness in soul, mind, and body. Now literally millions of people could express a full measure of health, success and well-being if they

could express efficiency and happiness in soul, mind, and body. They could demonstrate financial independence; and they could gain the mastery over every negative condition.
This will be continued.
