The luncheon-tea was in Mus- kegoe, Okla., where Mrs. Bran- don was born and reared.

She has been entertained in Tulsa and Haskell, Okla., where she is visiting her sister-in-law, Mrs. Hoy Harsha.

Letter to the Editor

To the Editor of The Marshall Courier:

Like many other residents of Benton and Marshall County we are whole - heartedly behind progress for our area. We are also for the many good things we need and do not have. We also know, like many sensible people, that there are many good things we need in life but sometimes we can't afford them. After investigating just how much the proposed hospital will cost and the expense of operation and the extra tax burden it places on our people we honestly feel that under present cir- cumstances we cannot afford the hospital at this time.

Not many residents of Benton have actually stopped to find out exactly HOW MUCH EXTRA TAX they will pay if the hospital issue is voted for again this fall. At present our tax rate is 75 cents per hundred dollar valua- tion. If the tax issue passes one nickel less than actual dou- bling city taxes. If you doubt this statement check with your county tax commissioner. If you are now paying taxes on a \$3,000 basis your city tax is \$22.50. If you vote this additional tax you will be paying \$43.50 on the same valuation. This is not a slight increase—it is nearly a double increase of a Civil Defense or- ganization.

Also remember this is the in- tial cost of building and equip- ping a 35-bed hospital. It per- tains to nothing in the cost of operation. This would require an administrator at a minimum salary of \$600 per month, and x-ray and laboratory technician at a minimum salary of \$450 per month, and five registered nurses at a minimum salary, each, of \$300 per month (if you can find five registered nurses in Marshall County for the job) plus heat, electricity, supplies and normal upkeep. It is ques- tionable, says responsible au- thorities if the hospital stayed open 365 days a year if it could meet expenses. And in order to stay full all the people who go to Murray, Mayfield, Paducah, Memphis, etc., for medical at- tention would have to vow to stay and support the hospital. It is doubtful if this would or could be done—it isn't practical even though Marshall County has five good, young conscientious doctors. They are not specialists in their fields and many, many times they have to refer their patients to those who do specialize. It has been said that the plants in Calvert City would continue to refer their patients to the Paducah hospi- tals as they do now AND that the two Calvert doctors do not think it feasible for a country hospital to be built now. So who will benefit, the doctors, the peo- ple, or will it be just a good thing for someone in particular?

We sincerely believe a hos- pital for Benton and Marshall County in the future will come

(and if it does—a countywide vote should be held where ev- eryone can share equally in the tax burden) but let's not bur- den our people with a losing proposition. Let the propo- nents of this hospital be fair and tell the truth about the actual cost and its chances for survival after it is built. Many other counties have had to raise taxes again and again to meet the ex- penses of the operation of their small hospitals and it looks as though this county would have to do the same.

Again we say, be reasonable—look at the facts and do not vote until you are sure you want to double your taxes for a hospital that might have to be closed the first year for the lack of op- erating capital.

Yours very truly,
An Interested Citizen.

BULLETIN:

Remarkable new Shell Heating Oil saves you money in two important ways

New Shell Heating Oil has been refined by a special, Shell-developed Hydro-desulphurization process. Generally billions of sulphur and oxygen atoms are removed from the oil.

The results are clear: this new oil is clean and clean—as stable a heat as your burner can use. This superior cleanliness and stability helps save you money.

New Shell Heating Oil also has a special additive that helps guard burner openings against heat-robbing deposits.

Result: The oil burns in a hot, cone-shaped flame. No heat is wasted by lopsided burning. Fuel bills are less. Service calls are fewer.

shore but I think erson put it in the of Independence s to git these master- in this country. I where one of the pam-

phlets Ed's grandson sent him is entitled, "Calf Rearing" and is put out by the Ministry of Ag- riculture and costs 55 cent. It says that "Research on physiolo- gy of the calf shows it can be reared on diets previously con- sidered unsuitable."

And here's one that ought to be agin the law and might be the one that's causing a heap of their troubles. It's entitled "Wo- men, Wife and Worker" and sells for 35 cent. It is put out by the Ministry of Industrial Re- search and starts out, "Married women's employment is often cited as the cause of separation, divorce and juvenile delinquen- cy." How do you like that fer 35 cent?

A note on the front of each pamphlet says they are printed by "Her Majesty's Stationery Of- fice." It also says people in the United States can git 'em for the proper fees from the British Government Publications offices at Rockefeller Plaza in New York. No country can prosper where they ain't got free pam- phlets from the Government. I estimate that about half our prosperity is due to them free pamphlets we git ever day from the various agencies.

I can un- derstand how four out of five over there gambles, but I can't understand why the fifth feller don't join 'em. After all, in a country where folks is charged 55 cent fer a Government pam- phlet on "Calf Rearing," what has he got to loose?

The girls planned for a Hal-

loween party.

Those present were Laura Craynon, Mimi Craynon, Beth King, Charlotte Brien, Ellen Collie, Marilyn Cassidy, Phyllis McClain, Wanda Ross, Becky Selwitz, and Mrs. Maxine Mathis, troop leader.

20 Years Ago

Twenty years ago, back in 1941, the newspapers were filled with news about a guy named Hitler. Now, 20 years later, the

newspapers are filled with news about a guy named Khrushchev. How long are sensible and peace-loving peoples going to permit the rise to power of guys like Hitler and Khrushchev? If a man craves power, it seems logical to believe that the best thing to do is to deny power to that particular man.

So keep your eyes on power-mad men—and women.

Also, 20 years ago The Marshall Courier was filled with news about what the home folks were doing.

For instance, in October 1941 Hardin Sutherland and his family and Hugh Thompson and his family had been to Chicago on a visit.

And Winifred Hawkins, who was living in Louisville, was in Benton to visit brother Milton.

A shower had been held for Mrs. Delmer Modrell. Hostesses at the event were Mrs. J. W. Martin and Mrs. Newburn Faughn.

A shower also had been held for Mr. and Mrs. Omer Barnhart. It was at the home of Mrs. James Barnes.

D. E. Booker, cashier of the Bank of Kevil, had visited in Hardin and Benton.

And Leslie Wallace of Birmingham had purchased a farm at Briensburg.

The Benton TVA Book Club had met at the home of Mrs. J. E. Davis. Mrs. Paul Light was assistant hostess.

And a birthday shower had been held to honor Mrs. Gay Hampton Hendrickson.

The Briensburg correspondent reported that Mrs. L. R. Fieldson, Mrs. Leslie Patterson and Miss Mary Ellen McDaniel had been on a shopping trip to Paducah.

The Unity correspondent reported that the John Bookers had had as their Sunday guests: Mr. and Mrs. Ted Mathis, Mr. and Mrs. Dick Glover, and Mr. and Mrs. Elvin Lee.

And that winds up the 1941 news for this week. See you soon.

Mr. and Mrs. Darlison E. Werner, Mrs. Tennie Byers and Miss Beth Werner were on a sight-seeing trip to Evansville, Ind., during the week-end.

Mr. and Mrs. Elin Copeland had as dinner guests Friday Mr. and Mrs. Andy Lackey of Calvert City Route 2, Mr. and Mrs. Sanders Watkins and daughter of Briensburg, Mr. and Mrs. Oliver Goheen and sons of Gilbertsville Route 1.

To The Loyal Citizens Of Calvert City:

Personal

Mr. and Mrs. R. A. Wesson of Gilbertsville had as their weekend guests Col. and Mrs. A. J. Williams of Jupiter, Fla., and Mr. and Mrs. Harry Williams of Louisville.

Mr. and Mrs. W. J. Hefner of Brackenridge, Pa., visited this week in the home of their

daughter, Mrs. Paul Schroeder, Calvert City.

Mr. and Mrs. Claud Zettwalk and Mrs. Henrietta Miskback of Louisville were weekend guests of Mr. and Mrs. James Gootie, Calvert City.

Mrs. Floyd Roberts and Mrs. Basil Darnall visited relatives in Paducah Thursday.

Mr. and Mrs. E. C. Dexter were business visitors in Murray Monday.
