I. C. Industrial Psychology Class Opens In Fulton Today; 27 Enroll For 32-Hour Course

Dr. J. S. Calvin, University of Ky., To Direct Class

ANOTHER AT PADUCAH

Today Fulton became one of 19 points along the Illinois Central's 6,000 miles of line at which that company's key supervisors are now receiving, or will receive, instructions from industrial psychologists with the twin aims of developing the basic qualities of leadership and improving job relations.

The 27 supervisors enrolled here today will meet three hours each week until they have received a total of 32 hours' instruction. Similar classes were inaugurated at Paducah yesterday and this morning. The classes here and at Paducah will be under direction of Dr. James S. Calvin, assistant professor of psychology, University of Kentucky.

This latest of the Illinois Central's several human relations activities is being developed in Kentucky by W. A. Johnson, president of the railroad, in conjunction with Dr. Louis Clifton, director of the University of Kentucky's extension department. The plan is being carried on under guidance of C. R. Young, director of personnel of the railroad, assisted by G. J. Williamson, manager of personnel, The University of Illinois, Iowa State College, University of Tennessee, Mississippi State College and Louisiana State University also are collaborating in their respective states with the Illinois Central in a similar project.

Dr. Calvin is a graduate of the University of Kentucky, and is a native of Hickman. He received the Doctor of Philosophy degree from Yale University in 1939. From 1939 to 1945 he was employed by the American Telephone and Telegraph company in the personnel work. During World War II, Dr. Calvin spent two and one-half years in the Pacific theater. He has been an assistant professor of psychology at the University of Kentucky since his release from military service in 1946.

The following officers and supervisors were enrolled in the industrial psychology class here: Operating department—E. R. McMahon and H. A. Rust, train masters; T. C. Neims, trav. engineer; C. S. Selor, fuel engineer; A. H. Brown, supervising art. Chicago; J. H. Cavenader and R. M. Lynch, gen. yardmasters; S. H. Steel and H. P. Workman, yardmasters; H. N. Strong, crew insp. (dining); F. A. Fitzpatrick, asst. trainmaster; V. J. Voegel, round house foreman; M. E. Beardsley, asst. car foreman; W. C. Jacob, asst. div. elec. foreman; W. T. Sullivan, agent (Mayfield); J. E. Milner, agent (Dyersburg); C. B. Johnson, special agent; G. M. Jones, lieutenant.

Stores department—J. A. Bowers, forekeeper; R. F. Kelley, commissary storekeeper. Engining department—J. A. Paris, gen. foreman; L. R. Williamson, dist. foreman (Comm.); Ben Schwerdt, supervisor water works; J. S. Mills, D. T. Crocker and I. D. Holmes, track supervisors.

Classes are held in the Young Men's Business Club room, Lake street.

Johnson To Speak At South Fulton

The Rev. Willie Johnson, pastor of Beulah Baptist church, Hickman county, will preach at the South Fulton Baptist church Saturday night at 7 o'clock.

The public is invited to attend this service, as well as the revival services that will begin on Sunday, March 30, the Rev. J. T. Drace, pastor, said.

Leader Congratulates

Mr. and Mrs. Leonard Hayden of Fulton, 213 Theford, on the birth of a girl yesterday afternoon at 4:20 at the Haws Memorial. The baby weighed 7 3/4 pounds and has been named Dianna Sue.

Mr. and Mrs. Franklin House of Dukedom on the birth of a boy last night at 8:30 at the Jones Clinic. The baby weighed 6 pounds and 10 ounces.

Army Day Talk Monday April 7th At Paducah Hotel

General Clarkison

Monday, April 7, Army Day will be commemorated by a luncheon in the dining room of the Irvin Cobb Hotel in Paducah at 12:15, sponsored by the Paducah Exchange Club.

Invitations are extended to members of all civic and military clubs and lodges in this area. Reservations should be made on or before Friday, April 4, by calling Hilton Dye, Phone 3026, Paducah, secretary of the Exchange Club.

The guest speaker will be Major General Percy W. Clarkison, commanding general, Camp Campbell, Ky., who will speak on a military topic.

A native of San Antonio, Gen. Clarkison was stationed there at historic Fort Sam Houston as assistant army commander to General Jonathan M. Wainwright, who is commander of the Fourth Army, before coming to Camp Campbell.

Mercury Falls To One Above At Lexington

Other State Cities Shiver in Coldest Weather in Years

ONE DEATH REPORTED

By The Associated Press
The mercury plunged to one degree above zero at Lexington last night to make the Fayette county city the second coldest spot in the United States, the Louisville Weather Bureau reported.

The Lexington reading was four degrees above the temperature of three below zero recorded at Greenville, Me., the weather bureau said.

Several other Kentucky cities reported the mercury fell overnight to points below 10 degrees but the snow which reached more than a foot in depth in scattered areas had stopped.

One fatality was reported as a result of icy road conditions and several minor traffic accidents were reported.

Bowling Green reported an overnight low of four degrees, with an official reading there of six degrees.

Louisville reported an eight-degree low, coldest in history for this date in Louisville and the coldest mark recorded there since 1934.

Hopkinsville reported a low of seven degrees and Frankfort's low point was nine degrees.

But the forecast for today reads "clearing and not so cold." Clear skies and not much change in temperature were predicted for tonight with warmer weather for Saturday.

Authorities blamed a head-on crash of two automobiles near Springfield, Ky., last night on snow and icy road conditions.

H. F. Goode, Jr., 28, a farmer of Texas, Washington county, was killed. He was a passenger in an auto driven by Colvin Holderman, which collided with a car driven by George Hill, negro. The drivers were injured slightly.

Cryptic Masons Meet Thursday

Large Class Present Degrees Conferred On Local, Visiting Members

Fulton City Council No. 62, Royal and Select Masons, met in called assembly at 7:30 Thursday night, with visitors present from Paducah, Mayfield, Hickman, Murray and Clinton, and conferred the Cryptic Degrees of Ancient Craft Masonry upon the following Companions:

From Mayfield—H. H. Lambirth, I. E. Enlow, W. C. Drew, Dewey L. Jones, J. R. Chapman, W. S. Eddings, H. J. Lewis, G. W. Dunning, Jr., and J. W. Fowler.

From Paducah—J. W. Sullivan.

From Fulton—R. M. Kirkland, W. R. Grace, George E. Moore, R. B. Mosley, H. N. Strong, G. L. DeMyer, C. Ernest Lowe, W. E. Black and Glen I. Walker.

The Council was opened by Three Illustrious Master T. J. Smith and his regular officers and regular business transacted, after which he turned the Council over to Comp. Robert Austin, Grand Steward of the Grand Council of Kentucky, and his team from Paducah. They conferred the work in a highly pleasing and efficient manner.

Bro. Louis Kasnow being highly complimented on his impressive work in these degrees.

Comp. Smith then took charge of the Council, and after short speeches by the visitors and others, the Council was closed in due form, and all repaired to the reception room and were served refreshments by Bro. Wiley Cowell and Henry Whitford. Fulton Council and its officers are to be congratulated upon securing this class of representative business men from Fulton and neighboring cities for this good work.

Obion Farmers Have Meetings

Joe Davis Speaks At Dixie; O. R. Long Heard At South Fulton Session

Community meetings of the Obion Farm Bureau were held Wednesday night at Dixie and South Fulton schools, with good attendance reported at both meetings.

Joe Davis of Fulton was the principal speaker on the topic "Community Spirit," at Dixie. He told his audience of the necessity for soil conservation by building up and preserving its fertility.

Mr. Davis was introduced by Penner Heathcock, state Farm Bureau vice-president, of Union City.

Approximately 200 were present.

O. R. Long, executive secretary of the state Farm Bureau Federation, spoke to about 125 at the South Fulton meeting. He discussed the state and national Farm Bureau programs, and told of the agricultural problems facing the organization.

Hugh Adkins, Bureau director, presided. Miss Louise Stone, chairman of the Obion county home and community department, was a visitor, as were E. J. Chapman and O. H. Long, who are in the county in connection with the TVA fertilizer program.

Harry Bushart, chairman of the membership drive in Districts 1 and 16, presented new members obtained through his committee, who are W. D. Owen, Hugh Adkins, H. S. Wood, Billy Owen, Mrs. Ernest Jenkins, Mrs. Fred Cloy, A. E. Luten and Mrs. William Smith.

Mrs. Smith was in charge of food and arrangements for the meeting. Miss Susie Clements presented piano selections, and accompanied group singing led by W. O. Owen.

65 Are X-Rayed By Health Dep't.

Sixty-five persons received chest x-rays Wednesday at the Fulton county health department office here, following up the examinations made by the mobile x-ray unit which visited the city some time ago. These 65 persons were recommended for the larger film x-rays.

Mr. Nutter and Mr. McGee of the State Health Department will be in Fulton Monday in the interest of National Negro Health Week. They will explain the DOT spraying program to the negroes here.

Pigeon Hole Parking

This new device for parking cars in tiers was demonstrated by Sanders Brothers of Spokane, Wash. A car was picked up on fork of the mobile lift and placed on the top deck in less than two minutes. In use in a garage, the car racks would be placed against one another and would not require the angled supports used on the model.

\$291,000 Expected To Be Spent On County's Non-Farm Homes

Fulton county's non-farm home owners will spend an estimated \$291,000 on repair and modernization work during 1947.

At least a third and probably more than half of all dwellings in the county will be improved or repaired this year, according to estimates released by the Fulton County Council of America.

"Increased supplies of building materials and easing of restrictions should make possible a record volume of home modernization throughout the county," said F. B. Orman, chairman of the County's Residential Construction Committee.

The county's 3,295 single-family homes will account for most expenditures, the study revealed. Painting is the most often wanted improvement, with about a third of all owners planning to redecorate home exteriors or some room of the interior. At least one out of every 16 dwellings needs carpentry repairs.

As evidence of the increase in building supplies, Orman pointed out, "Stepped-up production of materials means that the construction industry can both build record numbers of houses and do the repair work neglected during the war," he said.

Home repair expenditures in the county are part of a \$50,000,000 modernization program being undertaken in Kentucky this year.

EXTENDED FORECAST: Kentucky and Tennessee (Through Wednesday)—Temperatures for the period will average 2 to 4 degrees below normal. Warmer Saturday, colder late Monday or Tuesday. Warmer Wednesday. Rain Sunday totaling about .50 inch.

Blank despair, uncontrolled grief and dogged hope are mirrored on the faces of three women relatives of miners still entombed in the Centralia Coal Company Mine No. 5 in Centralia, Ill., March 27, as chances of bringing the miners out alive grew dimmer.

Lewis Says Centralia Miners "Killed" By Krug

Washington, March 28—(AP)—John L. Lewis said today the "111 coal miners, more or less, who lost their lives in a Centralia, Ill., mine explosion" have been murdered because of the criminal negligence of J. A. Krug.

"There is too much book learning and too little practical knowledge—when we read of coal miners dying every day.

"How do we know if he will employ qualified talent if he has no practical knowledge himself?"

"There has been too much blood smeared over our coal. Here is the disaster at Centralia, Ill. Another may come tonight or tomorrow.

"I suppose we might all be sorry, but that will not help the anguish of the bereaved."

Lewis testified "in the name of all the coal miners" that the miners themselves "do not want to work in their mines with the only protection coming from

Methodist Men Making Visits

48 Have Agreed To Join Church By Easter Sun.; Visitation is Continuing

During the past four nights the men of the First Methodist church have been visiting in the homes of prospective church members in Fulton. Thursday night 48 had made commitments to Christ and the church, with the prospect of a good many more decisions between now and Easter Sunday, April 6. This promises to bring to a total of 74 the number of men who received this year, with a total of 103 expected by Easter Sunday.

Each night 20 to 25 teams have gone out from the church. Approximately 400 visits have been made during the week. Each night supper was served at the church by the ladies of the Woman's Society of Christian Service. Mrs. R. M. Lynch was general chairman of the supper, assisted by ladies of the Society.

This is the annual pre-Easter evangelistic program of the First Methodist church. This year the general chairman was W. M. Whitnell. Especially noteworthy has been the cooperation and loyalty of the men participating in the program. There were 58 men of the church, and three visiting pastors, the Rev. E. V. Underhill, Clinton, the Rev. Wilson Hall, Puryear, and the Rev. D. R. Overall, Conference director of evangelism, taking part in the visitation.

Visitation will be continued into next week. Anyone interested in being contacted for church membership may call W. M. Whitnell or W. E. Mischke. On Wednesday afternoon, April 2, at 3:30 there will be a class of instruction in baptism and vows for the children who plan to join the church.

Barkley, Cooper Vote To Extend Sugar Rationing

Washington, March 28—(AP)—Kentucky's Senators Barkley, Democrat, and Cooper, Republican, voted yesterday to keep the bill to extend sugar rationing until Oct. 31, 1947.

In the House, Kentucky's delegation voted according to party lines as the House passed and sent to the Senate an income tax reduction measure.

Plant To Resume Work About April 7, Manager Says; Employees Are Assured Of Jobs

ATTACKS REDS

J. Edgar Hoover, director of the Federal Bureau of Investigation, calls the Communist party of the United States a "Fifth Column" whose "goal is the overthrow of our government" as he testifies before the House Un-American Activities Committee in Washington.

House Ponders Red Probe In Movie Capital

Johnston Says Communists Not A Major Problem

THOMAS DISAGREES

Washington, March 28—(AP)—Two members of the House Committee on Un-American Activities differed today on whether a Congressional investigation of Hollywood is needed.

Rep. J. Parnell Thomas (R-N.J.), chairman, said the committee will proceed with its previously announced intention of looking into Communism at the movie capital.

But Rep. Nixon (R-Calif.), committee member, told reporters "there are more important places to direct our immediate fire—first, the government, and second, labor unions."

Eric Johnston, president of the Motion Picture Association, told the Committee yesterday there are Communists in Hollywood but that if they set out to take over the movie capital they have suffered an overwhelming defeat.

He exposed the idea of taxing out actors and writers merely because they are Communists.

Thomas said he was disappointed in Johnston's testimony and added "I certainly think we should go into the probe of Hollywood."

There was some congressional sentiment today to reduce or eliminate completely aid for Turkey as proposed in President Truman's program to send \$400,000,000 to Greece and Turkey in a effort to help them resist Communism.

Thomas said he was disappointed in Johnston's testimony and added "I certainly think we should go into the probe of Hollywood."

Present Layoff Caused By Fewer Clothing Orders

MANY RUMORS SPIKED

The Fulton plant of the Henry I. Siegel Co., which has been closed this week, will resume operations on or about Monday, April 7, it was announced today by Leo Greengrass, local manager, after being informed by the New York office of the company to that effect.

In making this announcement public, Greengrass directed it primarily to the employees of the local plant as an assurance that their work here will continue.

Disquieting rumors have been circulated since the plant was closed. These rumors, wholly without facts behind them, according to Greengrass, have set forth numerous and false reasons for the interruption of work here.

Fewer Orders

The plant operates under instructions from the New York office, and according to local officials, the interruption in work has been necessitated by a lack of orders for goods on an uncertain market.

Among other untruths which have circulated here is the rumor that the plant will be moved away from Fulton. In direct contradiction to this, officials of the local organization are making use of the time while activities are temporarily suspended to make vitally needed repairs to the building and equipment. The floors are being patched, certain bins and carts are being rebuilt, and the windows of the building are being prepared for painting for summer work.

Has Union Contract

The Siegel Company here has a contract with a local union affiliated with the American Federation of Labor. This contract is still in effect. Organizers of the CIO have been active at the plant for some time, but a spokesman of the management said he had no statement to make on this matter.

The local branch of the Siegel Company employs approximately 475 persons, with a payroll of approximately \$10,000.00 per week. Different kinds of work clothing are made, with a majority of the garments being work pants.

In addition to the plant here, the Siegel Company operates factories in Dickson, Tenn., and other Southern towns.

Barry Will Lead Health Officials Seminar Program

Harry Barry, Fulton and Hickman county health department sanitarian, was scheduled to lead discussions of "School Sanitation" at 2:45 this afternoon at the seminar for county health inspectors being held in the State Board of Health building in Louisville.

The seminar is conducted by the State Department of Health. It began March 26, and concludes today.

W. J. Bradley, 80, Dies At Detroit; Rites To Be Sunday

The body of William J. Bradley, 80, former resident of Fulton county who died at Detroit Tuesday, has arrived at the Hornbeak Funeral Home here where it will lie in state until funeral services Sunday.

Last rites will be held at Pleasant Valley church, at an hour as yet undetermined. The pastor of the church will officiate. Burial will be in the church cemetery. Members of the deceased will serve as pall bearers.

Complete funeral arrangements will be announced later.

Mayfield Tobacco Plant Workers Walk Off Jobs

Mayfield—Twelve to 15 floor workers at the Kennedy Tobacco plant were reported to have walked off their jobs after their demand for higher wages had been rejected. The workers had not reported back to work yesterday afternoon, the Mayfield Messenger was informed.

State Fair Manager Attacked For Usurping All Authority

Frankfort, Ky., March 28—(AP)—Manager C. W. Taylor was attacked in an audit today and charged with failure to delegate authority and duties to subordinates during the 1946 state fair at Louisville.

The audit claimed that Taylor, with the aid of his secretary, Mrs. Viva Dearing, Owensboro,

tried to carry out all the details. Prepared by the Waldman, Petot and Company of Louisville, the audit claimed that records of the fair "are completely inadequate" and that "internal control was practically non-existent."

The audit said revenues and disbursements at times were difficult to verify and that more tickets were being redeemed on the shows and rides than were reported sold by the cavalcade of attractions, until the auditors, who were on the job during the fair, put a stop to the practice. It charged that considerably more tickets were printed than purchased by the fair than proved necessary, and commented there were so many entrances to the fairgrounds that it was difficult to keep an accurate check on collections.

Wall Street Report

New York, March 28—(AP)—number of stocks extended their advance in today's market, although many leaders went away under slight profit washing on the recent rally.

Dealings slackened after a moderately active opening and bid irregularly prevailed near midday. Steels retreated.

Ahead at intervals were American Telephone, American Water Works, Goodrich, International Harvester, Allied Chemical, Sears Roebuck, American Can, Kennecott and Great Northern Railway. Loser included U. S. Steel, Bethlehem, Republic Steel, General Motors, Chrysler, Woolworth, United Aircraft, Phelps Dodge, Dow Chemical, Johnsonville, Standard Oil (N.J.), Southern Pacific and N. Y. Central.

Bonds and cotton futures were mixed.

Livestock Market

Cincinnati, March 28—(AP)—USDA.—Salable hogs 2,000; pricing generally steady with many Thursday; barrows and sows 25 higher than close that; undertone weak; good and choice 160-250 lbs. 27.00 top; 275 lbs. 26.50; 275-300 lbs. 26.00; 300-400 lbs. 25.00; good choice sows 21.00-22.00; few 17.50 down.

Cattle 400; calves 300; slow and steady with Thursday; principally on peddling basis; all supplies low to average; good steers and heifers mainly 100-22.00; choice lots good but baby beef type mixed; good steers and heifers 22.75; good young cows scarce; few to 17.00; above; standard heifer type individuals to 18.00; common and medium mainly 13.00-15.00; good canners and cutters 9.50-11.00; bulls scarce; few fat; butcher type to 17.00; sausage hinds 17.25; veal calves 50 to 100 higher; bulk good and choice 25.00-27.00; springing to 28.00 top; common and medium mostly 14.00-24.00.

Sheep 50; nothing of consequence on offer early.

Louisville Mercantile

Louisville, Ky., March 28—(AP)—Broilers 2 1-2 lbs. up 33.00; hens 5 lbs. up 31.00; leghorn hens 20.00; old roosters 16.00; stages 17.00; guineas each (old) 50. Young toms 12 lbs. up 28.00; young hens 9 lbs. up 34.00; old toms 24.00; old hens 32.00. Others unchanged.

Others unchanged.

Big Four Hit Another Snag

Ministers Can't Agree
On German Assets In
Austria, Reports Say

Moscow, March 28—(AP)—It was authoritatively learned that the council of foreign ministers failed to agree today on the question of German assets in Austria and turned the whole matter back to the Austrian deputies for further discussion.

The council then went on to take up the German problem. The Russians have begun a bargaining drive in the conference to get reparations from current German production, it was learned, but the United States and Britain thus far are standing against a proposed compromise.

Iran served notice today, through Ambassador Prince Mozaffar Firooz, that she would claim reparations from Germany at the peace conference for war damages listed at \$955,000,000.

While Soviet Foreign Minister V. M. Molotov made clear from the start that continuing reparations is the most important Russian requirement in any German economic settlement, the situation had developed into a demand and counter-demand situation until an all-night session of the Big Four council's coordinating committee last night caused all the powers to begin playing some of their highest cards.

There Is No Excuse For A Telephone Strike And We Are Trying Hard To Avoid One

NEGOTIATIONS WITH THE UNION HAVE BEEN GOING ON SINCE FEBRUARY 17. THEY ARE STILL PROCEEDING AND YOUR TELEPHONE COMPANY HAS HOPES THAT AN AGREEMENT CAN BE REACHED THAT WILL BE FAIR TO EVERYBODY.

The Southern Bell Telephone Company believes that its employees should be well paid, and that their wages should compare favorably with those paid by other concerns in the community for work requiring similar skill and equivalent training. To make sure that this policy is carried out, we are continuously comparing our wages with other wages.

In the present negotiations with the union, we have offered a renewal of our present liberal contract, but the union insists upon unreasonably large wage increases.

WAGE RATE INCREASES IN 1945 AND 1946
AMOUNTED TO APPROXIMATELY
26 MILLION DOLLARS

Telephone employees' wage rates are now the highest in history. They have been increased 75 percent since January, 1941. The largest increases have been in recent years, and only last year and in 1945, wage increases granted added approximately 26 million dollars to the annual pay of our employees.

These are increases in wage rates and are in addition to millions of dollars in regularly scheduled raises given our employees.

This is an important point to remember in any discussion of telephone wages.

These regular raises have been an advantage of telephone employees for many years.

Under our present contract, thousands of our employees receive wage increases as often as every three months. Other thousands receive increases every six months or every year.

HERE ARE SOME TYPICAL RATES OF PAY

A five-day, 40-hour week is the basic work period. Non-supervisory employees, such as operators, linemen, installers and repairmen receive overtime pay for work beyond eight hours a day, 40 hours a week, and also receive premium pay for Sunday, holiday and evening and night work.

The following table shows some of the present wages paid, according to the size of the telephone exchange.

LARGE EXCHANGES

	Starting Rate	To	Top Rate
Operator	\$ 27	To	\$ 39 Per Week
Installer-Repairman	\$ 28	To	\$ 62 Per Week
Stenographer	\$125	To	\$190 Per Month

MEDIUM EXCHANGES

	Starting Rate	To	Top Rate
Operator	\$ 25	To	\$35 Per Week
Installer-Repairman	\$ 27	To	\$58 Per Week
Stenographer	\$120	To	\$180 Per Month

SMALL EXCHANGES

	Starting Rate	To	Top Rate
Operator	\$ 22	To	\$ 31 Per Week
Installer-Repairman	\$ 27	To	\$ 56 Per Week
Stenographer		To	Not Usually Needed

(These rates do not include premium pay mentioned above)

SOUTHERN BELL TELEPHONE AND TELEGRAPH COMPANY, INCORPORATED

We believe most people would agree that these are good wages. There are, in addition to good wages, many other advantages in working for the telephone company, including pensions (with full cost paid by the company), sickness and death benefits, attractive working conditions, holidays with pay, and vacations with pay of one, two or three weeks, depending on length of service.

UNION DEMANDS TOTAL \$69,000,000 A YEAR.
THIS IS EQUAL TO AN INCREASE OF
\$3.30 A MONTH IN THE AVERAGE TELEPHONE BILL

The demands of the union on wages and other matters would increase the cost of providing telephone service by about \$69,000,000 a year. This comes to 70 percent of the company's wage payments in 1946. It is more than 6 times our net income in 1946. It would make our payroll alone over 2 million dollars more than the total of all the money we took in last year.

In terms of the average telephone bill, it amounts to about \$3.30 per month for every one of a little more than 1,731,000 telephone subscribers, and it is the telephone user, after all, who pays us the money that we pay out in wages. Wages that are too low are not fair to the employees—who do the work. Wages that are too high are not fair to the public—who buy the service.

FURTHER INCREASES IN WAGES WOULD NECESSITATE ADDITIONAL INCREASES IN OUR RATES

We earnestly desire to go as far as possible in meeting the wishes of our employees and the union. But their demands must be practical and realistic. The earnings of the company are such that we are now appearing before the Public Service Commissions throughout the Southeast asking for increases in rates to help meet the cost of wage increases granted last year. Should present negotiations result in large wage increases, we must immediately seek additional telephone rate increases to meet the increase in expenses. It is with this in mind that we are proceeding in our present negotiations with the union.

AN OBLIGATION TO THE PUBLIC WELFARE

The telephone company is asking union leadership to recognize the obligation of all of us to you—the public. We are pointing out to the union in our meetings that only by rendering a constantly improved service in the most efficient manner possible can the employees, the union, and the management continue to deserve your good will. We must not disregard the welfare of the public, either in our charge for service or the quality and continuity of the service we render.

In view of the facts presented here, there does not seem to be justification for a complete revision of our working practices as requested by the union, nor for such large wage demands. Consequently we have offered the union a year's renewal of the present liberal contract, but with the right to re-open the matter of wages at a time when changes in conditions may justify. We sincerely hope the union will accept this offer.

We want to keep our employees happy about their wages and their jobs. We want to keep you pleased with your telephone rates and service. And, we want to keep our investors satisfied about the money they have put in the telephone business. For it takes all three—telephone user—worker and investor—to keep this business going.

A telephone strike would be such a serious thing for you, for telephone employees, and for the telephone company that everything possible is being done to prevent it. There is no excuse for a telephone strike.

Major League Training Camps

By The Associated Press
Los Angeles-Barrel chested Pat and Red Barrett scheduled to pitch. Meanwhile, club President of the Cleveland Indians is proving that the Tribe management wasted no money when they hired Rogers Hornsby, former National League batting champion, to instruct Seery and other Tribesmen on how to

paste a baseball.
The 200-pound, five-foot ten-inch Cleveland flycatcher who was struck out 101 times last year while belting 26 home runs, has clouted five round trippers in the Indians' last five games and is not fanning as often as he used to.

Cocoa, Fla.—The Boston

Braves begin their trek homeward by engaging the Milwaukee Farmhands in an exhibition tilt here today with Glen Elliott, Lou Perini flinty states that the club is in need of more pitchers and more power.

Sarasota, Fla.—The Boston Red Sox break camp today and head for New Orleans where they play that Southern Association team tomorrow and Sunday. Eddie Pellagrini, who has been hitting well, seems to be the leader for the third base job which he lost last season because of weak stickwork.

Clearwater, Fla.—Murry Dickson, pony right-handed pitching ace of the St. Louis Cardinals, has received Manager Eddie Dyer's permission to pitch as many innings as he wants to against the Philadelphia Phillies today. Dickson, who has enjoyed great success against the Phils since he became a Red Bird regular in 1942, will be relieved by Southpaw Star Howie Pollet if he can't go the distance.

West Palm Beach, Fla.—Manager Muddy Ruel of the St. Louis Browns has nominated Jack Kramer and Frank Bischoff to pitch against the Philadelphia Athletics today as the Browns attempt to gain their initial triumph in four meetings over the Mackmen.

Pasadena, Calif.—The Chicago White Sox pack up today in preparation to closing camp tomorrow. The Sox will travel to San Diego where they will clash with Cleveland tomorrow and Sunday. Alling outfielders Thurman Tucker and Dave Philley expect to be released from the hospital today in order to make the trek to San Diego.

Sebring, Fla.—The Detroit Tigers cut their roster today by sending First Baseman Bob Moyer and Shortstop Johnny Ligon to the Dallas Club of the Texas League. The release of Moyer leaves Roy Cullenbine and Rookies Jack McHale and George Vico to battle for the first base job left vacant by the sale of Slugger Hank Greenberg to Pittsburgh over two months ago.

Famed Infield Star Is Dead

Johnny Evers, Noted In Chicago Cub Days, Dies At New York Hospital

Albany, N. Y., March 28.—(AP)—John J. (Johnny) Evers, middleman of baseball's immortal Tinker-to-Evers-to-Chance double play combination, died today at the age of 65.

The one-time National League star, known in his playing days with the Chicago Cubs as "The Crab" and "The Trojan," suffered a cerebral hemorrhage Tuesday and was rushed to St. Peter's hospital. He died in the hospital at 8:35 a.m. (CST).

Evers suffered a stroke in August 1942 and had been partially paralyzed since. He had been in poor health since the stroke and was bed-ridden much of the time. Nevertheless, he occasionally had been taken on automobile rides and had witnessed local baseball games during recent years.

The lantern-jawed second baseman, who never weighed more than 130 pounds during his playing career, performed for the Cubs from 1902 to 1913. During this period, the team's infield combination became a national by-word.

Surviving member of the famed trio is Shortstop Joe Tinker, who lives in Orlando, Fla. First baseman Frank Chance died in 1924.

Dark Fired Sales Close On April 18

Mayfield, Ky., March 28.—(AP)—Warehousemen and representatives of the Western Dark Fired Tobacco Growers Association agreed at a meeting here today to close the dark fired markets at Mayfield and Murray after sales of April 18.

The group also approved plans for holding two sales weekly, on Mondays and Thursdays, after this week.

Chicks Card 2 Exhibitions

Play Mayfield April 27, May 4; Contract Mailed To Frank P. Nolan Today

Two exhibition games have been scheduled by the Fulton Chicks this Spring, the first with Mayfield, there, Sunday, April 27, and the second with Mayfield, here, May 4.

K. P. Dalton said today that he had sent a contract to Frank P. Nolan of Columbus, Miss., who was recommended as a second-baseman by Jake Propst. The Fulton baseball association has given John Joe Irland, pitcher from Shreve, Ohio, an unconditional release. Irland signed with the Chicks earlier this year.

Sixteen farmers in Knott county are buying tile for farm drainage.

Road Project Bids are Sought

Highway Department Asks Bids on 133 Roads in 31 of State's Counties

Frankfort, Ky., March 28.—(AP)—Bids for improvement of 133 roads in 31 Kentucky counties were being sought by the State Highway Department today. The call for the bids, to be opened here April 18, went out yesterday.

The Highway Department said the new construction projects include a bridge and approaches over Lost Creek in Breathitt county, widening of streets in Martin, Floyd county, and in Jenkins and Franklin.

Reconstruction of the Lebanon-Liberty road in South Lebanon and of the McMillan's Landing-Tennessee line road near Beach Grove in Monroe county also are included in the bids requested.

Driveways and parking areas at the State Capitol and Kentucky State College for Negroes here are among resurfacing projects. Resurfacing contracts to be awarded include groups of roads in Bath, Breckinridge, Bullitt, Calloway, Campbell, Franklin, Fulton, Garrard, Graves, Green, Hardin, Harrison, Jefferson, Hickman, Jessamine, LaRue, Madison, Marion, Marshall, Montgomery, Nelson, Pendleton, Scott, Spencer, Taylor and Washington counties.

Musical Program At Lions Meeting

A musical program was presented at the Fulton Lions Club meeting at noon today in the Rainbow Room.

Miss Shirley Houston sang "The Man I Love," accompanied at the piano by Miss Nell Warren; Yewell Harrison played "The Anniversary Song" and "Blue Skies," on the saxophone, accompanied by Miss Warren; Miss Houston accompanied Miss Warren as she sang "How Are Things in Glocca Morra?" and Miss Houston and Miss Warren concluded the program with a duet, "Indian Love Call."

Lawrence Holland, program chairman, introduced the guests.

Sports Roundup

By Hugh Fullerton, Jr.

New York, March 28.—(AP) Jimmy Smith, who developed both Blue Bombers and Better Value when he was trainer for Col. E. R. Bradley, is inclined to give the former a very slight edge as a Kentucky Derby candidate. The Philadelphia Warriors sent the entire squad to Atlantic City for a four-day rest before the last two games of the Basketball Association season, which will decide their second place battle with the New York Knicks.

FAIR QUESTION

After reading about the Oklahoma, Col. Bittner in the recent A. A. U. basketball tournament, a puzzled "mine fan" queries the "Rock" Mountain News sports desk: "I've heard of the Tigers, the Bears, the Wild-rats and things like that. Now what kind of an animal is a Bittner?"

ner? ... the answer, of course, is that a Bittner is a tax consultant (first name, Lou) who sponsors the team.

ONE-MINUTE SPORTS PAGE

The St. Joseph (Mich.) Autos, who won the national non-professional baseball title at Wichita, Kas., last August, are going "South" for spring training just like a pro club. They'll work out at Perry, Okla., in mid-April. The two Madison, Square Garden basketball tournaments attracted more than 50 out-of-town newspapermen and were carried on 20 out-of-town radio stations. Georgia's new boxing coach, when the school resumes mitt slinging after nine years, will be Pete Tarpley, who fought some of the best light-weights a few years back.

END OF THE LINE

Tony Blazine, one of the Chi-

cago Cardinal crew coaching at Nebraska, took his linemen out the first day of Spring drills, introduced them to the blocking sled and said: "Boys, this is my Bible." Broadalbin, N. Y., high school, which just won its fourth state Class "D" basketball title, boasts a guard, Harold Smith, who weighs 315 pounds. They say he's as agile as a 150-pounder. Ebert Van Buren, brother of the Philly Eagles, looked pretty good during a recent intra-squad football game at Louisiana State U. Folks there are hoping he'll turn out as well as Steve, who didn't show anything until senior year.

The Sports Mirror

By The Associated Press
Today a year ago—Chick Fulke, outfielder of the 1934 world champion St. Louis Cardinals, died at the age of 45 from a complication of diabetes at Ashland, Pa.

Three years ago—Utah upset Dartmouth, 42-40 in overtime to win the N. C. A. A. basketball title at Madison Square Garden. Five years ago—Greg. Rice gained his 48th consecutive victory by winning the two mile event in 8:56.1 at the Knights of Columbus track meet at Cleveland.

Ten years ago—The Montreal Maroons defeated the Boston Bruins, 4-1, to enter the semi-

final round of the National Hockey League's Stanley Cup playoffs.

New York (N) vs San Francisco (PCL) postponed, rain.

Winter Hangs On In North Carolina

Charlotte N. C., March 28.—(AP)—Today's scheduled 18-hole round in the \$10,000 Charlotte Open golf tournament was called off because of frozen greens. It was decided to play the final 36 holes on Sunday, instead of 18 as originally planned. A brightly shining sun this morning gave promise of suitable playing conditions for the second 18-hole round tomorrow.

Idle Hour Barn Bells May Ring On Derby Day

Col. Ed Bradley Died Still Hoping For a 5th Winner

HIS HORSES RUNNING

New York, March 28.—(AP)—The thing Colonel Ed Bradley wanted more than anything else the last few years of his life was a fifth Kentucky Derby winner from the rolling acres of his placid Idle Hour farm, down where the blue grass grows the deepest.

He almost made it back in 1940, when his favorite of them all, Bimblech, came up to the big heat upbeaten and what looked like unbeatable. The hardboots sent it in on Bimblech as if he were government bonds and couldn't miss. Having his picture taken with the necklace of roses on.

But Bimblech was so busy that day watching Dit, that the 35-to-1 shot Galahadion slipped through on the rail when he wasn't looking, and picked up the whole pot.

The Derbies kept going by, and last year it got to be 14 since Burgoon King last brought those white silks with the green hoops home at the Downs. Then, early last summer, Col. Ed got up home again. Blue Border and Better Value came to the races and looked as if they might have the makings. And Colonel Ed began to think that maybe the Idle Hour tower bells could ring again in '47 after 15 years, to let the farmhands and the folks along the Lexington pike know that he'd done it again. Colonel Ed died, though, before it could happen. But if either Blue Border or Better Value does make it happen this spring, the music of those bells will be all the sweeter for both are sons of Bimblech—and Col. Ed would have liked nothing better than for Bimblech to get even, and get rid of that blemish tag they pinned on him.

Of course, they'll be running for different owners this time because after Col. Ed's death last summer, his vast racing empire was split up. Blue Border went to the Greenlee Stable, while Robert J. Kleberg, Jr., took Better Value and the flashy filly, Bee Ann Mac, who is also eligible to the Derby. But if he has all been arranged that if either of these latter should pick the Derby down here at the Downs, the Idle Hour bells will ring again. They'll ring, too, in any of the three Derby hopes of the Catele M. Sauer of Mountain Railroad Executive Edward S. Moore into the jackpot, because of the snappiest stepper, a skislator, who sharpened up his running shoes this winter to take the mile-and-an-eighth Everglades Handicap at Hialeah and wind up a rushing third to Faultless in the Flamingo.

Union City Gets New Bleachers for Turner Field Use

Union City—Three sections of new knock-down bleacher seats for Turner Field have arrived and will be ready for use when the Kitty League season gets underway here in May. Each section, capable of seating 120 persons, is made of steel supports with wooden seats. They may be bolted to a concrete base.

Twelve additional sections have been ordered but a definite delivery date cannot be obtained. The grandstand is being overhauled and painted. A battery of new light reflectors will be added to the outfield poles and to some of the poles behind home plate. All lights will be cleaned, adjusted and re-focused.

There are 138 species of mosquitoes in the United States and each has its own language.

Kentucky Today

By The Associated Press
Louisville—A \$2,000 fine was imposed on Ben Cohen, Paris, Ky., merchant, in federal district court here yesterday on two charges of income tax evasion in 1942-43. Cohen also received a year and a day sentence but imposition of the sentence was suspended and he was placed on probation for three years. The U. S. district attorney's office announced Cohen agreed to pay the Treasury \$59,346.26 in back taxes, penalties and interest.

Hopkinsville—A farmer-industrialist conference was held here last night. Joe Betts, Louisville, public relations director for the State Farm Bureau Federation, said the major problem of farmers was obtaining adequate, fair and reasonable

prices for their products.

Catlettsburg—Alfred L. McNeely 16, Huntington, W. Va., was ordered held for action of a federal grand jury April 29 at Richmond, Ky., on a charge of transporting a stolen automobile across state lines. U. S. Commissioner Harry F. Price said McNeely pleaded guilty on arraignment to a charge of stealing a car in Logan, W. Va., and driving it to Catlettsburg.

Paris—Plans for a weekly newspaper, the Nicholas County Star to be published at Carlin's, Ky., were announced yesterday by Publisher Paul Brannon of the Paris Kentuckian-Citizen. He set June 5 as the tentative date for the first publication.

Ashland—The city council voted last night to raise the school share of the city property tax levy from \$1.19 to \$1.50, the state limit, on each \$100 assessed valuation. City School Supt. L. C. Caldwell said the increased funds would be used to raise teachers' salaries and pay of other school-system employees, the minimum increase being \$220 annually.

Newport—The board of education was asked to launch a "more vigorous campaign" against an epidemic of ragworm of the scalp among Newport school children. Representatives of the Parent-Teacher Associations and other civic groups asked for the drive. The board adjourned

Bob Eison Quits Georgetown Post

Georgetown, Ky., March 28—(AP)—Dean Robert T. Hinton said yesterday that Bob Eison had resigned as head basketball coach at Georgetown College. Eison immediately spiked reports he would become high school net coach at his former home, Madisonville, Ky. He said his plans were indefinite.

Paul Jenkins Resigns As Male High's Coach

Louisville, Ky., March 28—(AP)—Paul Jenkins, 41, former University of Kentucky athlete and Ashland, Ky., coach, said last night he had resigned after six years' service as head football and basketball coach at Louisville Male High. Jenkins said he is considering two other coaching jobs, which pay more money.

without taking action on the request. It was told more than 250 children are suffering from the disease.

BUSHMAN—Big attraction at the Lincoln Park zoo, Chicago, is Bushman, 6 feet 2 inches, weighing 550 pounds, and now 19 years old. Shown nibbling celery, his favorite food, Bushman is rated the largest gorilla in captivity.

Gov. Willis Loses State Employment Service Law Right

Frankfort, Ky., March 28—(AP)—Legislative changes in the state employment service vigorously resisted by Gov. Simeon Willis were approved by Kentucky's Court of Appeals today. The new law, enacted by the Democratic-dominated legislature last year, gives the director of the agency full administrative powers. In contesting it in the courts, counsel for the Willis Republican administration contended it also limited choice of director to so few as to be unconstitutional. The director shall be appointed by the state industrial relations commissioner, a Willis appointee, with the approval of the governor, but the act is so worded that few, if any, Republicans could qualify.

Meter Case At Mayfield Is Set for April 7th and 8th

Mayfield—Hearing of the parking meter case styled Groves County versus City of Mayfield has been ordered continued in Graves circuit court and Judge Elvis J. Stahr set hearing of the lawsuit for Monday and Tuesday, April 7 and 8. The suit was brought by the county to prevent the city from installing parking meters along the curbs on the four sides of the court house, and the plaintiff contends that this is county property and that the city does not have legal right to install meters there. Russell county plans to have 20 entrants in the corn derby this year, with at least half of them producing 100 bushels to the acre.

"MARTHA, where on earth do we use all this Electricity?"

Just the other day one of our bright young accountants added up every residential bill paid in 1946, and divided the sum by the number of customers.

He found that our Average Residential Customer paid only \$3.31 a month for electric service. For 11 cents a day our A. R. C. had lights, refrigeration, and radio entertainment. She used electricity to do the washing and ironing, to vacuum her rugs, to make toast and coffee. Her husband shaved, ran the stoker, and was wakened by an electric

alarm clock. Junior's electric train came into the station on time.

Furthermore, our Average Residential Customer got twice as much electricity in 1946 for her \$3.31 as she got just 10 to 12 years ago. While everything else she bought was going up, electricity costs were cut in half.

That 11 cents a day brought good, dependable, 24-hour electric service, the kind that's always ready to serve you at the flick of a switch.

"Pardon us folks, but your electric bill is showing."
