King George Of Greece Dies; Prince Paul Will Replace Him
In Nation's Most Critical Hour

Greeks Must Beware Red Rule, Congressional Leaders Warn

WASHINGTON, April 1—The death of King George of Greece was officially
announced today in Athens. A few minutes later, Prince Paul was pro-
ounced heir to the throne.

A proposed amendment to the sugar bill, which would permit the govern-
ment to control the price of sugar, was approved by Congress. The bill
was the last of the President's measures to be passed by Congress.

Wallace Attacks President Truman
On Aid To Greece
New York, April 1—President Truman's program of aid to Greece was
attacked by Senator Edward H. (Ed) Close. The President's program was
defeated in the Senate by a vote of 45 to 35. Close said the President's
program was "a complete failure."
Major League Training Camps

By 'The American' from

It is still a month before the opening day of the baseball season, but不少 teams are already starting to prepare for the upcoming season. This week, several teams have gathered at their training camps to get into shape and ready themselves for the start of the season. Among the teams that have already started their training camps are the New York Yankees, the Boston Red Sox, and the Chicago Cubs.

A Hit Parlor

TAMPA, FLA. - The Boston Red Sox hit parlor is a popular spot among the players, who spend their down time sharpening their skills. The parlor is located in the center of the camp, surrounded by the players' dormitories and cabins. The parlor is equipped with a batting cage, a pitching machine, and a wide variety of hitting aids. The players take turns using the facilities to improve their hitting skills.

and from organised groups. Now, more than ever, is the time to do your part. You can help by volunteering, from individuals, or by volunteering, from organized groups.

To Get the Seeds

If you have been farming, or if you have been involved in gardening, you may have noticed that the weather has been quite dry. This has made it difficult to get seeds for planting. You can help by volunteering to distribute seeds to farmers and gardeners.
