Mr. and Mrs. Oather Mathis,
 of Brewers, announce the mar-
 riage of their daughter, Lucy
 Nell Lyles to Cratus H. Tolbert,
 son of Mrs. Mattie Tolbert, of
 Paducah, on Thursday evening,
 November 24. The vows were
 said in the living room of Mr.
 and Mrs. A. B. Rhea here, be-
 fore a few friends and members
 of their families. The ceremony
 was performed by the Rev. Har-
 ry E. Williams, before an im-

provised altar decorated with
 flowers of the valley.
 The bride wore a gray wool
 suit with spruce blue acces-
 sories. Mrs. A. B. Rhea, matron
 of honor, wore a wine wool suit
 with green and white acces-
 sories. A. B. Rhea was best
 man.

After a reception at the home
 of Mr. and Mrs. Neal Owens, the
 couple left for a brief wedding
 trip and will be at home in Pe-
 oria, Illinois, after November
 28th.

The speaker was introduced
 by President Holland Rose, who
 also welcomed Mr. Olsen to the
 meeting.

A. Z. Farley, of Route 4, was
 in town Saturday on business.

He also pointed out that the
 Company recently announced an
 other expansion program at the
 plant in this county. The speak-
 er said, "the big factor as to
 why the company located here,
 was because of the nearness to
 the world's largest floor spar-
 mines which are located in West-
 Kentucky, and on account of the
 cheap electrical power, transpor-
 tation by rail and river and oth-
 er advantages. Four spar is used
 extensively by the company, and
 "instead of moving floor spar
 to the factory at high transpor-
 tation rates, we moved a fac-
 tory nearer to the product most
 used," Mr. Olsen said.

He also told of the many and
 varied uses for the chemicals
 produced, and inferred that ex-
 pansion to a great degree hinged
 on the future market for the
 products. The speaker predicted
 that the plant in this county
 would have a steady growth and
 would eventually employ several
 hundred men. One of the
 company's largest plants employ
 approximately 800 persons. It
 has been reported here that the
 Calvert City plant will eventu-
 ally be the largest of the series
 operated by the Pennsalt people.

Wish to extend our heart-
 felt thanks and appreciation for
 acts of kindness, messages of sym-
 pathy, and beautiful floral offer-
 ings received from our kind
 friends and neighbors during
 our recent bereavement in the
 loss of our beloved wife and
 mother. We especially thank
 the Revs. J. J. Gough, T. L. Camp-
 bell, Filbeck-Cann, and the sing-
 ers of the Briansburg Baptist
 church.

Only a few weeks ago the Penn-
 salt company announced that a
 new addition would be built at
 the Pennsalt plant and it is al-
 most assured fact that within
 a few years this section will be
 one of Kentucky's leading indus-
 trial sections. Officials of the
 company are believed to be ar-
 ranging to make the Calvert City
 plant the largest of their
 chain of plants. This will mean
 additional growth in this sec-
 tion of Marshall county.

Choice Lots Offered Public
 In addition to the sale of the
 new homes, the firm is also of-
 fering choice building lots for
 as low as \$25.00 down and pay-
 ments of \$10 per month to per-
 sons who prefer to plan their
 own home in this section near-
 est to the industrial section of
 Marshall county.

The new Calvert City Heights
 is accessible by good roads and
 it is believed that the new high-
 way leading from Kentucky dam
 will pass through or near the
 new addition.

NEW, MODERN HOMES MAY BE PURCHASED
 OK SMALL DOWN PAYMENT AND EASY TERMS

Announcement was made this week of the opening of the
 new Calvert sub-division-Calvert City Heights, which has
 been undergoing development by Messrs. Duckett and Ar-
 nold for several months. The new and modern town has
 been built near the new Pennsalt plant, North of Calvert
 City and South of the factory site.

Wide and planned streets have been laid out and finish-
 ed—Everything for the modern home has been provided for
 in the well laid plans in an effort to make Calvert City
 Heights a pleasant city of homes with all modern conveni-
 ences. There are well planned streets, water, lights, large
 lots, plumbing and heating are all modern and the homes
 are all built to comply with rigid FHA specifications
 down to termite treated woodwork.

These new homes are offered by Messrs. Duckett and Ar-
 nold on small down payments and with only \$39.95 month-
 ly payments. The payment includes insurance, taxes and
 interest. All of the homes are located near good schools,
 churches, and a community of happy citizens. Prospects
 have a choice of a home with two or three bedrooms, with
 all modern conveniences, ready to move into. All of the
 homes are insulated with rock and wool batting, with full
 backed sheet rock which assures comfort in any kind of
 weather.

Choice Lots Offered Public
 In addition to the sale of the
 new homes, the firm is also of-
 fering choice building lots for
 as low as \$25.00 down and pay-
 ments of \$10 per month to per-
 sons who prefer to plan their
 own home in this section near-
 est to the industrial section of
 Marshall county.

The new Calvert City Heights
 is accessible by good roads and
 it is believed that the new high-
 way leading from Kentucky dam
 will pass through or near the
 new addition.

Only a few weeks ago the Penn-
 salt company announced that a
 new addition would be built at
 the Pennsalt plant and it is al-
 most assured fact that within
 a few years this section will be
 one of Kentucky's leading indus-
 trial sections. Officials of the
 company are believed to be ar-
 ranging to make the Calvert City
 plant the largest of their
 chain of plants. This will mean
 additional growth in this sec-
 tion of Marshall county.

Calvert Bank Is Redcorated With New Paint, Blinds

The Calvert Bank, at Calvert City, has recently undergone extensive redecoration, according to Mr. J. R. Hoyer, Cashier of the Bank.

The interior of the building has been made much lighter in color with a coating of paint on the walls, floors and ceiling. In addition to the paint job, the flooring has been covered with a new linoleum and metal venetian blinds have been hung on the windows, and a new heating furnace installed.
