## Rives Burglar Steals From 3 Buildings

Broke Into Bank, Post Office and Service Station

## LOSS VERY SMALL

Union City — Oblion county sheriff's officers are searching for an unidentified burglar who entered the Rives post office, the Farmers and Merchants Bank, and a service station Wednesday night. The total loss amounted to only a few dollars in change and a few items of merchandise.

The burglaries were discovered Thursday morning when the businesses opened.

Mr. and Mrs. E. P. Myers of Rives said they watched a man attempting to open the door of the Jack Shore grocery at about 10:30 p. m. Wednesday. He evidently was frightened by a passing automobile, and left the neighborhood, the couple said.

The man entered the Bill Jennings service station by breaking a window and removing a bracing stick. The owner reported that several bars of candy were stolen.

J. M. Fisher, cashier of the Farmers bank, said someone had broken a rear window and tripped a latch to effect entry into that building.

"All that is missing here is some small change, probably less than \$1," he told officers. Hughes Hunt, postmaster, said that a window raised at the rear of the post office evidently was where the thief entered. Post office drawers where money and stamps are kept during business hours were rifled, but only a few rolls of pennies were taken, the postmaster said.

## Kentucky Today

By The Associated Press

Hopkinsville—Henderson was chosen as the site for the eighth annual convention next Spring of the Woman's Society of Christian Service of the Louisville Conference, Methodist, as it closed a three-day meeting here. The only new officer elected was Mrs. C. L. Mitchell, Louisville, named recording secretary to succeed Mrs. M. L. Island, Sonora.

Bardonia—Officers reported the recovery of the body of a six to eight weeks' old girl, with a woman's anklet around the neck, from a creek near here. A coroner's jury said death was due to strangulation.

Harlan—Two policemen, Fred and Jason Howard, whose dismissal was asked by a councilman at a city council meeting for allegedly "shooting up the city hall," have issued a statement denying the charge. The officers said one shot had been discharged accidentally but added they knew nothing of any other shots being fired.

Hopkinsville—William H. Alfrede, a night watchman, was reported in serious condition at a hospital after being slugged by robbers who looted the Penny Royal Packing Company's plant near here. Several hundred pounds of meat and a quantity of lard were reported stolen.

Louisville—The Episcopal Diocese of Louisville will open its 119th annual convention here next Tuesday night. An all-day session is scheduled for next Wednesday.

Mayfield—A business session will open a meeting of the West Kentucky Press Association here Saturday. Terry P. Smith, Mayfield banker, is to speak at a dinner for which 50 reservations have been made.

Paducah—Murray Training School's Chapter of Future Farmers of America won sixteenth consecutive district field day championship. Reidland high was second. More than 400 West Kentucky agriculture students and teachers attended the event at Reidland.

Paducah—The First Kentucky District National Congress of Parents and Teachers, has asked in a resolution that Gov. Simeon Willis call a special session of the state legislature to provide more money for public school teachers' salaries.

## Harris Fork Floods Again

Water Entered Buildings On Fourth, Threatened Most of Business District

Harris Fork Creek, the deceptively-harmless looking little stream that winds through Fulton, went on a mild rampage last night, threatening most of the businesses in the downtown section.

The flood waters reached a height of three or four inches in some buildings on Fourth street, including the Three-Way Pool Room, Fulton Hotel, City Barber Shop, and others in the vicinity. They lapped at the doors of Smith's Cafe, and would have spilled into the Orpheum Theatre if a wooden flood gate had not been set up on the sidewalk to stop them.

Several Lake street businessmen put up sandbags, concrete blocks, and other barricades to halt the creeping flood, but relatively little damage was done.

Fourth street and parts of Lake street and Commercial avenue were covered with a film of mud this morning, reminding Fulton that the creek still is fully capable of inflicting heavy losses if the spring rains continue to fall on water-soaked ground in the Fulton watershed.

The fire alarm was sounded early this morning to warn that the creek was out of its banks again, and many apprehensive citizens hurried down town to see how high the water would rise.

## Morris Convicted Of Sheriff's Death In Fayette Court

Lexington, Ky., April 11—(AP)—A Fayette circuit court jury last night convicted Dickie Morris, 28, of Monticello, Ky., of murder in connection with the slaying of Wayne County Sheriff Joe J. Gibson and fixed the defendant's punishment at death by electrocution.

The case went to the jury late yesterday after a two-day trial. Nearly three hours later the verdict was read. Morris, a hog-slaughterer and lumber worker, showed no outward emotion as he heard the sentence. Counsel for the defendant announced the decision would be appealed. The case was tried here on a change of venue.

About 50 spectators, mostly Wayne county residents, were in the courtroom. When the trial was adjourned all, including the sheriff's widow, Mrs. Nola Bibson, filed silently out of the room.

## Largest Big Sandy Mine Now Back In Operation

Whitesburg, Ky., April 11—(AP)—The largest underground mine in the Big Sandy coal field, the Big Name Mines of the Consolidation Coal Co., at Jenkins, resumed operation yesterday.

The Chesapeake & Ohio Railway laid off 300 car shop workers today at its Russell, Ky., yards because of a shortage of coal shipments from West Virginia and Kentucky mines.

A spokesman said at many as 10,000 operating and maintenance employees might be affected unless the coal situation improves by Saturday. The C. & O. normally serves 265 mines of which 115 were in operation yesterday.

At Richmond, the Norfolk & Western Railway reported furnishing 335 motive power employees temporarily because of the coal-loading decline.

Coal production in Virginia is now estimated at about 35 percent of normal.

At Birmingham, Ala., the Woodward Iron Co., which banked one of its three blast furnaces early this week, said the

## Nothing Left Undamaged

It took only seconds for the devastating tornado to change this street in Woodward, Okla., into a scene of desolation. Woodward, with a population of 5,500, was reported hardest hit.

## First Aid Station For Tornado Injured

Tornado victims get treatment at the Community Center in Woodward as every available undamaged building is turned into a first aid station.

## Panhandle Counts 132 Known Dead, 1305 Hurt After Destructive Tornado Cut 100-Mile Swath

Woodward, Okla., April 11—(AP)—The tornado-lashed Panhandle area of Texas and Oklahoma counted its known dead at 132 and estimated the injured at 1,305 as rescue crews today searched for additional casualties in the ruins of the hardest hit towns.

The property loss, inflicted on the rich cattle and wheat area by the violent winds of Wednesday night and early Thursday, ran into the millions of dollars.

Field kitchens, emergency stations and other facilities were set up to care for the thousands

of homeless. Bulldozers rumbled through the debris-cluttered communities clearing the wreckage.

Relief supplies continued to move into the stricken area by plane, truck and train and restoration of communication and power facilities was progressing.

This was the casualty toll as listed by the Red Cross midwest area headquarters in St. Louis: Woodward, 85 dead, 1,000 or more injured; Higgins, Tex., 34 dead, 232 injured; Glazier, Tex., 13 dead, 40 injured; White Horse, Okla., none dead, 30 injured; Gray county, Tex., none dead, three injured.

Woodward, where 100 blocks of buildings were leveled, had more than 2,000 homeless out of a population of about 5,500. Many of them were being cared for by residents whose homes still were intact.

The property loss here was estimated at more than \$5,000,000 by Alex Gelsamar, vice-president of a Woodward bank.

Citizens went about the task of preparing to rebuild their shattered or damaged homes and businesses.

Food was being trucked into the towns.

State patrolmen augmented local police forces to help guard against looting of the wind-wrecked buildings.

The storm which began its devastation at White Deer, Tex., coursed through Glazier and Higgins in Texas and then into Oklahoma. Kansas felt the backlash of the tornado winds.

Damage was inflicted on four Kansas towns but no casualties were reported. The state placed all available facilities at disposal of the stricken area and doctors and nurses were flown in from nearby cities and neighboring states.

Gov. Beauford Jester of Texas planned to visit the area today. Bodies of some of the victims were badly battered, attesting to the ferocity of the storm. Clothing was ripped from many of the dead. Identification proceeded slowly because of the disfigured bodies.

Clyde Grim, 57, of Woodward, who was injured, gave this des-

cription of the storm: "It sounded like the roar of a freight train. We didn't even know it was coming. The wind blew us outside to the ground. My wife is a Pentecostal. I remember the last I heard her saying was some Bible verses. She was praying."

"There were cars everywhere. Some were blown straight up on end, against things. People were running around. Everybody was excited and screaming. It was awful. I could hear a hissing and popping sound, like escaping steam. Electric wires were all over the ground."

S. Fulton Seniors To Present Play Tonight at 7:30

"A Case of Springtime," the South Fulton high school senior play, will be presented at 7:45 this evening in the school auditorium.

The cast includes: Bob Parker, Charles Kimbel; Mr. Parker, Norman Barnes; Mrs. Parker, Suzie Lee Clement; Betty Jo Williams; Richard, J. D. Faulkner, Joan, Marian Yates; Luella, Mary Beth Cannon; Mr. Abernaker, Fred Elam; Mrs. Hill, Betty Gordon; Mrs. James, Betty Jane Forrest; Mrs. Smith, Mary Nell Roach; Eddie, Eugene Cates; The Man, Randall King; Mrs. Bright, Charlene Hill; Gwen, Wilma Jean Speight.

Mrs. Maurine Grisham and Mrs. Kelly Jones are directors; Sammy Haddad is master of ceremonies; and Bobby Rucker is stage manager.

## Fulton Juniors And Seniors "Having A Wonderful Time"

Fulton high school's junior and senior classes and their faculty sponsors were scheduled to arrive in New Orleans at 9 o'clock this morning aboard two special Pullmans which will serve as their hotel and home while in the southern city.

After sightseeing, shopping and otherwise enjoying themselves, the high school tourists will leave New Orleans at 8:30 tomorrow night.

This morning, three large sightseeing buses were to conduct them on a trip over New Orleans, including the French quarter and the suburbs. A lecturer is provided in each bus. The trip consumes about four hours. The remainder of the afternoon and evening was to be free, and they were expected to revisit places of

## Two Men Face Larceny Trial

Dyersburg Girl They Took Coat, Purse At Fulton Tuesday Night

Union City Two men listed as Gene Sullivan, a taxi driver, and Jimmy Raynor, former taxi driver, were to appear before Justice of the Peace Fletcher Tate in Union City today for a preliminary hearing on tentative charges of larceny preferred against them by a Dyersburg girl, Carlton Ezell Gresham.

The men were arrested Wednesday. Sullivan was released on \$500 bond, and Raynor was held in the county jail.

The girl told Police Chief Dohus Roberts that she was a passenger in a taxicab going to Fulton Tuesday night. She said Sullivan drove the taxi, and that Raynor accompanied him. She asserted that the two men refused to let her leave the vehicle in Fulton, and that she jumped from the taxi at the edge of the city.

The complainant also said she left her purse, containing about \$18 or \$20, and her coat in the car. She has recovered the purse, without the money, but the coat still is missing, she told police.

## Collins Rites At 11 Saturday

Mrs. Jessie F. Collins Died at Home Last Night; Services at Cayce Church

Mrs. Jessie Fletcher Collins died at her home in Riceville last night at 8:45 o'clock. She was born at Cayce March 9, 1882. Funeral services will be held at the Cayce Methodist church at 11 o'clock Saturday morning, conducted by the Rev. R. H. Glegg, pastor. The body will lie in state at the home, 1100 E. 1st St., until the services.

Mrs. Collins leaves her husband, Ben Collins; one sister, Mrs. Annie Fletcher Elkins of Cayce; and the following nephews and nieces, George Underwood and Brooks Nell Fleming of St. Louis, Gertrude Chorum of Akron, O., Effie Roper, Mamie Scarce, Rebecca Lillaker and Mrs. Lois Younger of Cayce. Two small daughters preceded her in death.

She was a member of the Methodist church, which she joined at the age of 13 years.

## Telephone Union Asks To Meet And Labor Department In An Open-To-Public Session

Will Adjust Phone Bills

When Strike Is Settled, Company Will Decide What Will Be Charged

Assurance that there will be an adjustment in telephone service charges following the settlement of the current strike was given today by F. H. Riddle, Southern Bell Telephone and Telegraph Co. manager, Fulton.

Mr. Riddle's statement on this matter follows: "With regard to credit on customers' bills for interrupted service during the strike, many of our customers, upon the payment of bills, now are asking about this."

"It has always been the policy of the Southern Bell Company to make satisfactory adjustments in customers' bills for service interruptions. It is impossible at this time to say just what adjustments will be made on customers' bills for exchange telephone service for the following reasons:

"1. The duration of the strike is not known.

"2. The extent of interruption to customers' local exchange service cannot be fully determined until some satisfactory settlement has been reached with the telephone employees.

"However, after the strike is settled, customers being served from manual offices will receive a satisfactory adjustment in their exchange telephone service charges.

"We have an adequate force to give emergency service, and appreciate the wonderful cooperation on the part of the public by making only emergency calls."

## "Influence" Topic Of Matthews' Talk To Fulton Lions

"Influence" was the subject of an address to the Fulton Lions Club today by the Rev. J. G. Matthews, pastor of the First Church of the Nazarene. Each of us has influence on those who know him, Mr. Matthews said, and many times this influence is eternal—it lives on and on after one has gone.

The three most important channels of influence, he said, are the home, the church, and civic life. Jesus Christ left the most powerful and lowering influence in history, Mr. Matthews declared, and His influence should be the motivating power behind each phase of our lives.

Guests of the Lions today were Cy Elbert and William McDade.

## Stove Explodes, Firemen Called

An oil stove exploded in an upstairs room at M. D. Phillips, home, 410 Carr, Tuesday morning, and the Fulton fire department was called.

In the explosion, the fire was smothered with quilts, and the stove was thrown out a window. There was some water damage to two rooms of the house.

## Historic Post Road House Given to D. A. R. By Army

Camp Campbell, Ky., April 11—The War Department, through Maj. Gen. Percy W. Clarkston, yesterday deeded a 110-year-old post road house to the Daughters of the American Revolution as a part of an Army Day celebration here.

Mrs. Thomas F. Hudson, state regent-elect of Tennessee, acting for the DAR, received the house which was built in 1837 and served as a stopping place for travelers along a highway from Evansville, Ind., to Nashville, Tenn.

EXTENDED FORECAST: Kentucky and Tennessee (through Wednesday) — Cold Saturday and rising trend Sunday and Monday; colder Tuesday and warmer Wednesday. Temperatures for the period will average near normal in extreme West portion and above normal over the remainder of the state. Showers Monday and Wednesday totaling one-half to one inch.

## If This Refused, Union Proposes To See Truman

## STRIKE STILL ON

Washington, April 11—(AP)—Telephone strike leaders today asked an immediate, face-to-face meeting with the American Telephone & Telegraph Company and the Labor Department with newsmen on hand to report it.

If this is refused, the Union proposes to go to President Truman with "our complete story." That is the gist of a double-barreled "memorandum" addressed to Secretary of Labor Schwechenbach by the policy committee of the National Federation of Telephone Workers. Federation officials arranged a mid-morning meeting with Schwechenbach to discuss it.

A. T. & T. had no immediate comment. The proposal came as gloom gathered over the strike negotiations. Earlier hopes of federal conciliators for a speedy settlement were dampened last night when a "final offer" of AT&T's long distance division got a chill reception from the policy panel.

Joseph A. Beine, NFW president, said the company proposal covering "long-line" workers—only 20,000 of the 320,000 strikers—was not a strategic group—did not conform to union policy.

This was not a final rejection, however, for the policy committee had not finished scanning the 17-page proposal. Instead, the committee issued its unusual memorandum "in order to terminate the nation-wide telephone strike as quickly as possible."

The union's plan to go to the White House if joint meetings with AT&T officials fail to materialize seemed to imply a hope that the President might bring into play at least one of two possible courses:

First, appointment of a fact-finding commission by Mr. Truman to investigate the five-day strike, or

Second, government seizure of the country's telephone network—a difficult and probably costly undertaking.

Neither of these courses was mentioned in the "memorandum." Union officials said they had weighed the possibility of both such moves but they claimed a different purpose.

The real intent, said a spokesman, is to get the patent corporation into the national bargaining directly. Thus far, local Bell System companies and AT&T divisions have been negotiating independently with the NFW's 39 affiliated unions.

The NFW memorandum has met separately with Department of Labor officials and union spokesmen have done likewise, adding:

"It is proposed that a joint meeting of the Department of Labor, the AT&T officials and the NFW officials be arranged immediately."

"It is proposed also that Department of Labor representatives, AT&T officials and the NFW officials meet jointly and permit interested representatives of the press, radio, etc. to be present."

"The telephone industry is a public utility. Its rates are set by the government. The people of the United States are interested in the dispute which exists and it is deemed necessary by the NFW that the public be apprised of the true state of affairs in the telephone dispute."

"In the interest of public welfare, it is deemed desirable by NFW that the real parties to the dispute, namely the Bell System and a few independent company managements together with NFW be brought together, for the first time, to discuss the overall problems."

"In the event AT&T officials refuse this proposal an effort shall be made by NFW representatives with authority to carry out our complete story to President Truman."

## H'town Leaf Average \$22

Louisville, Ky., April 11—(AP)—The Hopkinsville market sold 112,294 pounds of eastern fire-cured tobacco yesterday for \$25.57 at an average of \$22.73 a hundredweight, the State Agriculture Department reported. Wednesday's average was \$22.52.

## The Middle Man-Korea

Suddenly, in mid-March, from a chaotic welter of veiled words and purposes, one fact arced briefly upward with clear, hard words, only to be lost again in the mud of power politics. The United States proposed to give Korea more than four hundred million dollars! More than we talk of giving Greece and Turkey together!

Americans know something of Greece and Turkey. They know why these two ancient countries are a possible buffer between our ideals and Russia's. They know that Turkey, key to the vital Dardanelles, exercises great influence on Russia's future in world trade. All this and more they argue pro and con, but what of Korea? To many Americans, that tiny far off country is nearly a blank.

Korea, also called Chosen, is not a "tiny" country. Actually, its population nearly equals that of Greece and Turkey combined. In land area, Korea is more than half again as big as Greece.

Korea is not a semi-civilized country as many Americans believe. In reality, it has one of the world's oldest civilizations. Many experts believe that from Korea came the first movable type, an invention of incalculable importance to man. The Korean navy, using armored ships, wiped out a Japanese fleet in 1592. (Our Monitor and Merrimack fought a "new" kind of war in 1893.)

In the same war, the Koreans routed the Japanese by using "bomb shells" or "heaven making thunder." But all their inventions were not warlike. They invented and used the only scientific and simple language in the Orient. There are only 25 letters in the Korean alphabet. It is highly scientific having been devised by analysis of the organs of speech. They perfected it about the time America was being discovered!

Today, split by Russian and American occupation zones, Korea is truly a buffer between United States and U. S. S. R. policies, a condition far from new to Koreans. In the 15th century, China laid waste a strip of land across Korea, 60 miles wide, driving 300,000 Koreans from it, to form a buffer against rising Manchuria power.

A hundred years later, Japan invaded Korea as first step in an attack on China, but the Chinese and Koreans drove them out. Korea has always been like Spain, "easy to conquer and impossible to hold."

Again in 1904, Korea was a bone of contention—between Japan and Russia. War resulted. Now, many pages have been torn from the calendar of years. The world has rapidly shrunk. Korea once again is playing buffer as the great ideologies of today, Communism and Democracy, stand toe to toe astride that ancient land—long the middle man of war. What now, little middle-man?

## Let's Play Fair!

The Leader has received a letter criticizing a column published Monday, and attacking the author of the column. We have withheld publication of this letter because (1) the address given, 428 Fourth street, does not exist, so far as we can determine, and (2) we have been unable to establish to our satisfaction that there is a person here who has the name which was signed to the letter—the initials were H. A. H.

Again, we would call attention to the fact that letters to the editor, when published, need not bear the signature of the writer; and that anonymous or falsely signed letters will not be considered for publication. Barring this, you write 'em, we'll print 'em.

## FULGHAM NEWS

By Docie Jones

The Hickman-Fulton county singing convention will be held at Hickman in the Church of God Sunday, April 13, with Bill Elliott as president.

Kenneth Watts suffered painful burns on his face Monday as the result of a stove explosion. In the act of building a fire, he used gasoline instead of coal oil. He also burned three fingers. He was treated at the Jackson Hospital.

Mr. and Mrs. J. Mack Eberhardt were called to East Parli, Mo., today (April 9) by the death and funeral of her niece, Mrs. Pearl Edwards Hopper, 26, wife of Jesse Hopper, Mrs. Hospital Tuesday. Other survivors than the husband are her parents, Mr. and Mrs. Jolly Edwards of East Parli; a sister and brother, Mrs. John Hatfield of Rochester, Mich., and Billy Edwards of the Air Corps in Japan. Her husband returned from overseas 16 months ago.

The following League members accompanied by Rev. and Mrs. A. B. Rogers attended a sub-district meeting at Arlington Monday night: Mr. and Mrs. Auttill Mullens, Mr. and Mrs. G. Over Burkett, Joan Burkett, Shirley Scott, Mary Alice Mul-

Bro. Sharp filled his appointment at New Hope Sunday.

Mr. and Mrs. Homer Underwood and family of near Union City were visitors at church Sunday morning.

Mr. and Mrs. Tom Howell and Mr. and Mrs. Herbert Howell of near Fulton visited Mrs. Alice Walker and Webb Sunday afternoon.

The storm that came Saturday afternoon destroyed a stock barn and two chicken houses for Cloyce Latta.

Mr. and Mrs. W. L. Weatherford with a household shower at the home of her mother, Mrs. Ruby England. Many lovely gifts were received.

Mrs. Etta Stone of Fulton visited Mr. and Mrs. Carl Phil-

## Newsletters Play Trick On Officer

By Docie Jones

Rangoon, Burma—(AP)—Police Commissioner F. F. Wemyss recently issued an order that no information concerning police activity should be released to the press except through his police publicity officer, who would be available for one hour every day from noon to 1 p. m.

The order boomeranged. The following day four Rangoon newspapers published stories that Wemyss—who was and is very much alive and well—had committed suicide. Beneath the report the papers carried a note explaining that Wemyss' own order prevented them from checking the accuracy of the report.

## Social Happenings

NAZARENE W. F. M. S. CONVENES TUESDAY

The W. F. M. S. of the Church of the Nazarene met in regular session Tuesday, April 8, in the home of Mrs. Ernest Willey, with eight members and two visitors present. Mrs. A. B. Stoker presided. The opening song, "All For Jesus," was led by Mrs. J. O. Matthews, and prayer was led by Mrs. Ruth Gore and the Rev. J. C. Matthews. Mr. Matthews was in charge of the devotional, using Acts 1:1-9.

The report on the "Other Sheep" paper was given by Mrs. Joe Todd. Three new subscriptions for the paper were received. Mrs. Ernest Willey was appointed "Other Sheep" secretary.

Mrs. Matthews reported on the good interest in the teenage group. Dues were received by Mrs. Orla Riddle, treasurer. Three new members were reported.

The meeting then was dismissed for lunch. A lovely pot-luck meal was served to the members and seven lunch visitors, who always are welcomed. The afternoon session was opened by singing "I Feel Like Traveling On." Little Paula Fay Gore sang a special song, "Jewels." Bro. Woley gave the devotional, using Eph. 3 and Isa. 18. Mrs. Matthews was in charge of the study.

The W. F. M. S. will meet in May with Mrs. A. B. Stoker.

SARA DEAN CLASS MEETS WEDNESDAY

The Sara Dean Class met in the Christian church parlor Wednesday at noon and enjoyed a delightful luncheon. The devotional period was conducted by Mrs. Ira Little, after which an important business meeting was held.

The remainder of the afternoon was enjoyed in games and conversation.

## PERSONALS

Mr. and Mrs. W. S. Bartlett and family of Cairo, Ill., were the guests of Mr. and Mrs. K. Homra yesterday.

Joe Hall and Happy Hogan spent yesterday in Hickman on business.

Mr. and Mrs. Harold Howard and son, Hillard Hayes, arrived yesterday from Gary, Ind., to visit friends and relatives in Fulton and to attend the wedding of Miss LaNelle Bugg Saturday morning at 9 o'clock in Murray.

Corky Bynum, son of Mr. and Mrs. Tommy Bynum, 116 Central avenue, was injured Wednesday afternoon at football practice. He was admitted to the St. Louis Memorial Hospital Sunday night suffering from concussion and a mild fracture, but was dismissed yesterday in time to leave with the juniors and seniors on their trip to New Orleans.

Stanley Jones, Sonny Puckett, Archie Babb, Kelly Jones, H. P. Allen, and Raymond Stallins were among those from Fulton who attended the war surplus sale at Camp Campbell Wednesday.

Mrs. Jess Walker and little son will arrive today from Dubuque, Iowa, to visit her mother, Mrs. H. P. Allen, Sr.

## CRAZY CAPERS

By Jack Chancellor

"Stop saying it! I know I shouldn't, but this wasn't ordinary milk, it was FULTON PURE MILK."

## Autos Damaged In Collision

Two automobiles were badly damaged in a collision yesterday afternoon at the corner of Fourth and Eddings streets.

Those in the cars—James Meacham, driving north on Fourth street, and Mrs. E. A. Church and Mr. and Mrs. Robert Davis of St. Louis, driving west on Eddings—were not injured.

Hauling Wrecker Service was called for Mr. Meacham's car, and the Bob White wrecker picked up the St. Louis auto.

## Be Own Kibitzer; It's Much Easier

San Jose, Calif.—(AP)—Del Maas noched how "kibitzers" always seem to spot winning moves—when checker players cannot. So he tried sitting beside—instead of opposite—his opponent, to get a kibitzer's-eye view. Result: "I beat him easily and he is a better player than I." Maas said he'd never heard of the stunt before he dreamed it up.

## New Town's Name Stumps Purchaser

Lordsburg, N. M.—(AP)—A new town is scheduled to bud soon in New Mexico—Ulmoris.

The townsie, five miles east of here, was purchased for a veterans housing community recently by Mrs. Merle Hornmann. The name "Ulmoris" doesn't appeal to Mrs. Hornmann but she explained that in order to secure a stop on the railroad, it was necessary to retain the name of the siding.

## COLORED NEWS

HERE'S HOW TO  
MAKE YOUR HOUSE  
EASY ON THE EYES

Use Granitoid . . . the self-cleaning outside house paint that spreads easily, covers thoroughly and dries quickly into a smooth, durable, lustrous finish that makes the oldest house look just like new . . . a finish that lasts for years. Kurfees Granitoid House Paint is by far the most economical we know of.

## KURFEES 2-COAT METHOD

First, apply Kurfees Primatrol, the outside primer that completely fills, seals and covers every pore . . . the highly important foundation for a real paint job. Second, use Kurfees Granitoid House Paint for full protection and lasting beauty. Three-coat results with only two! . . . Color charts and full particulars free to all! Drop in today!

## Major League Training Camps

By The Associated Press  
St. Louis—There were only six new faces in the St. Louis Cardinal squad of 30 that arrived home last night from a Spring tour. The only members not with the Red Birds at the close of the 1946 season are Pitchers Jim Hearn, Wayne McEland, Gerald Staley, Catcher Del Wilber, Outfielder Chuck Diering and Infielder Darnie Greger.

Nashville, Tenn.—Manager Herald (Muddy) Ruel of the St. Louis Cardinals is expected to arrive here today.

## "And Have Fun"

No matter how dirty the youngsters get their clothes, mom need not worry about getting them clean!

Send them to us for dry cleaning and we'll return them again and again!

Parisian Laundry-Dry Cleaners  
220 East Fourth Street Phone 14

The 39-year-old righthander has always been effective against the Cubs, winning 24 and losing 17 games to the Bruins over a ten-year period.

Louisville, Ky.—The Detroit Tigers shifted their northward exhibition tour to Louisville today for a three-game series with the American Association Colonels.

The first game will be played under the lights tonight with the second tomorrow afternoon and the finale Sunday afternoon. Yesterday, the Bengals saw their six-game winning streak snapped by the Atlanta Crackers, 3-2.

Brooklyn, N. Y.—Tommy Brown, 19-year-old Brooklyn Dodger infielder, recently returned from the service, is working out at first base under Scout George Sisler at Pensacola, Fla., the Dodger office said today.

Brown, who played shortstop and batted 245 in 57 games for the Dodgers in 1945, may remain at Pensacola another week or two before being brought up to the parent club.

Philadelphia.—The Philadelphia Athletics return home today and although sportswriters are almost unanimous in predicting a cellar finish for the A's, Manager Connie Mack feels he has the best squad since the

championship days of 1929-31.

Mack is counting heavily on his tested hurling corps of 10 righthanders including Canadian Phil Marchildon and "No Hit" Dick Fowler, as well as a hard-hitting outfielder, bolstered by the association's Curt Laabs, acquired from the St. Louis Browns.

Chicago.—Paul Gillespie was slated to pitch for the Chicago White Sox and Paul Erickson for the Chicago Cubs in the scheduled opening today of their three-game Spring series.

The Sox won three out of five games from the Cubs at Los Angeles.

Charlotte, N. C.—The Philadelphia Phillies, in a move to bolster their notably weak reserve strength, are experimenting by using Ron Northey at third base.

The long-hitting Northey, perhaps most impressive of the Phil regulars this spring, is an outfielder and his only previous experience at the hot corner was in high school and in the service.

American Airlines Denied New Stops In Two Ky. Cities

Louisville, Ky., April 10.—(AP)—Refusal of the Civil Aeronautics Board to approve an application by American Airlines to place Louisville on its main transcontinental route was termed "very unfair" yesterday by the Kentucky Aeronautics commission.

The CAB, in authorizing new airline service in the Southeast, denied applications of American Airlines for new service from Louisville and Paducah on the same Washington to Memphis route were denied.

American was awarded a stop at Richmond, Va., on its Route 4, but requests for stops at Louisville, Evansville and Paducah on the same Washington to Memphis route were denied.

Louis G. Kaye, chairman of the Kentucky commission, said telegrams were sent to John Lee, member of the CAB in Washington, and to all Kentucky Senators and Congressmen. The commission asked CAB to reopen the Southeastern states case immediately.

## Jackie Knows He's On Spot

But Negro ballplayer Thinks He'll Make Grade With Dodgers This Year

Brooklyn, April 11.—(AP)—"I am on the spot and I know it. But I'm prepared for it. I am certain I can win them over in Brooklyn as I did in Montreal."

That was the observation today of Jackie Robinson—first negro ever to reach the major leagues in modern organized baseball.

The brilliant 28-year-old former U. C. L. A. all-around athlete, who bids fair to become a drawing card rivaling Bob Feller and Ted Williams, was still in a daze over the swiftly moving events which made him a Dodger yesterday.

"It feels wonderful to be a major leaguer, even if I haven't actually played in the big leagues yet," Robinson beamed. "I hope I can justify everybody's faith in me."

The star second baseman, who had been asked to move to a strange position at first base by his Montreal manager, Clay Hopper, at the request of Branch Rickey, Brooklyn president, said it mattered little to him where he played, as long as he saw action.

"Naturally, I prefer to play second, but I'm beginning to like first base," he said. "I still have a little trouble with the glove. I can't seem to get the thumb out of the way of a thrown ball, but I believe I can overcome the fault."

The ex-army lieutenant said he expected no serious trouble from anyone and was sure that everything would work out fine. "It is not a question of the players getting along with me. I will be on the spot to see if I can get along with them."

## Coon Dog Trial To Be Resumed

Dixie National Set For April 19-20 At Murray After Recess During War

Murray, Ky.—The Dixie National Coon Dog Field Trial will be resumed on April 19-20 here after a closedown during the war days. N. M. Ryan, Murray business man and sponsor of the event, announced today.

Describing a "coon dog" as one that will "trail, tree a coon, and bark treed," Ryan said he was expecting entries from almost every state from Michigan to Florida. For the finals, \$100 in prizes will be awarded—\$400 for first tree; \$300 for first line; \$200 for second tree; \$100 for second line. Trophies will also be awarded. Cash awards will be made for winners in each heat.

Among the dogs already entered, according to Ryan, are "Creeping Deila," "Tennessee Jeff," "Joy Boy," "Black Buck" and "Red Diamond."

Ryan, who describes himself as "the man that goes off at the tree," declared no one knows which dog will win.

"The kid down the hollow, or the boy from over the ridge with the not too good-looking hound might turn the trick," he explained.

The trial will be held on Ryan's farm just north of the city limits of Murray.

## V. F. W., Mayfield Will Play Sunday, If Weather Permits

The VFW-Curlee Clothier baseball game will be played at Fairfield Park Sunday afternoon as scheduled, weather permitting.

All players are asked to be at the park at 12:30 Sunday afternoon. Admission to the season's opening amateur tilt is free.

The vets' team has been practicing every afternoon this week. Some positions are still open, and all who would like to try out for the team are invited to report at practice sessions at 3 p.m.

## Chandler Invited To Attend Chicks' First Season Game

A. B. "Happy" Chandler, national baseball commissioner, has been invited to attend the opening game of the Kitty League season here May 6, but has written the Fulton Baseball Association:

"While I would like very much to be with you, I am unable now to make a definite commitment. If I find later on that I can be there, I shall advise you."

Two new members of the Chick club this year—Roy Galeser and Lloyd Eldridge, were scheduled to arrive in Fulton today from Bay St. Louis, Miss., where they have been in Spring training, according to a telegram received from Doc Prothro this morning by K. P. Dalton.

One of the oldest examples of velvet is that of a 14th century embroidered cape in the collection of Mount St. Mary, Chesterfield, England.

## Wall Street Report

New York, April 11—(AP)—Individual stocks made further timid passes at recovery today although many market leaders were restrained by light selling.

Some professional bidding again was based on the thought that the list was due for a technical comeback. The labor news, however, still was on the bearish side and accounts were trimmed pending clarification of various price-wage situations threatening important industries.

Dealings slowed after the opening mild irregularly ruled near midday.

Occasional gainers included U. S. Steel, Sears Roebuck, American Water Works, Dow Chemical, Union Carbide, American Smelting, Standard Oil (NJ), Southern Pacific and Southern Railway. Among losers were American Telephone, North American, Bethlehem, Youngstown Sheet, Chrysler, General Motors, Boeing, General Electric, Santa Fe, N. Y. Central, Baltimore & Ohio and Chesapeake & Ohio.

Bonds were mixed and cotton futures lower.

## Livestock Market

Cincinnati, April 11—(AP)—(USDA)—Salable hogs 4,000; uneven; barrows and gilts 50-1.50 lower; sows and stage 50 lower; good and choice 180-250 lbs. 25-30; 250-275 lbs. 24.75; 275-300 lbs. 24.00; 300-350 lbs. 23.75; 300-400 lbs. 23.25; over 400 lbs. quotable 22.00 down; 140-160 lbs. 22.50; sows 19.25-20.25; stage 16.00 down.

Cattle 300; calves 350; slow, weak cleanup trade on meager offerings slaughter cattle; demand early best for cows; instances stronger; otherwise little inquiry for other classes; few baby beef 22.50; odd medium and good steers and heifers 20.00-22.00; mostly medium kind 17.00-18.50; bulk beef cows common and medium 13.00-14.50; few to 15.50; canners and cut-

## Clements Favors Keeping Colleges Out Of Politics

Lexington, April 11—(AP)—U. S. Rep. Earle C. Clements of Morganfield, a candidate for the Democratic nomination for governor this year, says he advocates legislative changes that will "make certain that Kentucky colleges will maintain their accredited relationship."

Clements' prepared statement was issued here yesterday in response to one made Wednesday by Dr. William F. Baird, president of Morehead State Teachers College. Baird said that a revision of the state's law governing appointment of board members for institutions of higher learning would result in Morehead's accredited standing being restored.

Clements asserted "the school system of the state should be conducted outside the field of political domination" and added:

"As governor, I shall sponsor legislation in keeping with the proposals of the Southern Association of Colleges and Secondary Schools that will make certain that Kentucky college will maintain their accredited relationship."

Lexington, Ky., April 11—(AP)—Nicholasville has a "firebug." W. H. Price, the town's fire chief, told city commissioners here last night as he asked aid from Lexington firemen in the event two fires break out simultaneously in the Jessamine county seat.

Chief Price said there was "no doubt we have a firebug." He reported 12 fires had been known to have been set in the last 12 months. Only last Sunday, he said, an attempt was made to burn the library, where firemen found papers soaked in gasoline.

W. A. Miniham, chief counsel for the city of Lexington, advised commissioners that Chief Price's request should be granted. He told the fire chief of the nearby town that "Lexington will send help" if requested.

ters mainly 9.50-12.50; bulls early to 16.50; cutter lightweights 14.50 downward; vealers opening at easier prices; top 24.00 very sparingly; mostly common and medium grades 12.00-21.00; culls down to 5.00; few common light stock steers 17.00.

Sheep 50; scarce; general undertone weak to lower for week to date; salable supplies very meager; chiefly early winter and spring lambs and shorn offerings.

## Poles Recover Nazis' Thefts

Property Valued at About \$22 Millions Returned Since The End of War

Warsaw—Poland has recovered from Germany stolen properties valued at approximately \$22,000,000 since the end of the war.

The newspaper Zycie Warszawy said that because of the nationalization of basic industries, most of the returned properties has fallen to the share of the state. They include:

An arms factory formerly situated at Radom; a gunpowder plant at Pionki; part of the metals plant at Skarzysko; 80 percent of the chemical factory at Moelece; parts of rubber and cable and electric bulbs factories, and 49 carloads of textile machinery for the spinning mills in Lodz.

Additionally, hundreds of carloads of lathes and textiles, 1,500 thoroughbred horses and valuable library and museum collections have been returned.

## "Mamma Minnie" Died At Age of 14; Had 300 Children

Annapolis, Md., (AP)—When Minnie, Annapolis' best-known cat, died after fourteen years of motherhood, she was credited with leaving three hundred kittens, as well as their kittens, their kittens' kittens and their kittens' kittens' kittens.

Three lilies were placed in her coffin as she lay in state at an Annapolis grocery store and the town turned out to pay its last respects.

No one knows exactly how many relatives Minnie had, but the proprietor swears he kept careful count of her own 300 children.

Minnie, he says, had a litter every nine weeks for 14 years.
