WEEKLY KENTUCKY NEW ERA.

ONE DOLLAR A YEAR.

HOPKINSVILLE, CHRISTIAN COUNTY KENTUCKY FRIDAY, FEBRUARY 18, 1898.

VOLUME XXVIII, NO. 11

CAUSED A SENSATION.

A Legislator Introduced a Bill to Change the NAME OF A COUNTY

(SEE TO NEW ERA.)
Frankfort, Ky., Feb. 11.—That there is at least one staunch pro, died in the wool free silver Democrat in the Legislature was proved to day beyond the shadow of a doubt when a member arose from his seat and stepping into the aisle introduced a bill to change the name of Christian county. He proposed call it William Bryan county.

and gave his reasons for it he was loudly cheered. The county, he said, was named at a time when Kentuckians were proud of John G. Carlisle and proud of his record, but all that was changed now since he had betrayed the people who had so often honored him, and Kentuckians did not want to be continually reminded of the fact that the man whom they had so long trusted had proved himself to be a traitor and, therefore, the name of the county should be changed, and as William Bryan is the leader of the Democracy and is fighting the battle of the masses against the power of organized, combined capital, and as he will be the next President of these United States, Kentuckians would like for the county to bear his name.

Steps Are Taken.

Representative Clardy is in receipt of a letter from the President in response to a letter from Clardy regarding the sale of American tobacco in foreign countries, advising Clardy that the President referred the matter to the Secretary of State, says a Washington telegram.

The object of this correspondence is to bring about the abolition of the regressive contract system, under which the sale of American tobacco is now controlled by French agents. Congress authorized this step last summer.

All the preliminary details have been arranged for negotiations with France.

PARALYSIS OF THE BRAIN.

Mrs. Frank McCoy, Formerly of This City Died at Austin, Ill.

Mrs. Frank McCoy, formerly of Hopkinsville, died suddenly at her late residence, 3440 Ohio street, Austin, Illinois, from paralysis of the brain. The funeral was held last Friday afternoon and the remains were laid away in Forest Home cemetery.

The deceased was a woman of many virtues and noble traits of character, and her legion of friends will learn of her death with deep sorrow.

Her husband and three children survive her.

the Second district this year," said Mr. S. V. Hall, a prominent merchant of Madisonville, at the Fifth Avenue Hotel, says the Courier Journal.
"Mr. Allen will have no trouble in securing the nomination. Congressman Clardy, who will not run this year, is for him and will throw his influence to him. Besides this Mr. Allen is from Union county, which has never sent a Congressman from the Second district. Union county gives a Democratic majority of about 2,000. Besides Union county he will have Hopkins county, which gives 1,000 Democratic votes, and Davies, which gives about 1,000 on our side. Mr. Allen is a well-known lawyer, about 45 years old, and is plain and unpretentious in his manner."

KENTUCKY PIE.

(SPECIAL TO NEW ERA.)

Washington, Feb. 11.—The President has just sent to the Senate the name of C. M. Barrett, of Hartford, Ohio county, Ky., to the Surveyor of the Port of Louisville. While Mr. Barrett was promised the office months ago, he was beginning to get very uneasy on account of the long delay and the fact that friends of Adjutant General was so hard at work.

WANTS \$2,000 DAMAGES FROM L. & N.

At Guthrie, Okla.

The Louisville & Nashville Railroad Company is made defendant in suit brought Monday by attorneys Bush and Wilkinson for their client E. H. Petree, of this city. Two thousand dollars damages is prayed for.

It is alleged in the petition that Mr. Petree sometime in last December purchased a ticket from Elkhart to Hopkinsville and boarded a train for the latter city. At Guthrie where he had to change cars, he was detained by business and stayed all night.

The next morning he entered a coach on a train bound for this city. Before doing so, he showed his ticket to an employee of the road, who was stationed at the door of the car to examine all tickets, who pronounced it good.

Mr. Petree claims that the conductor declined to receive the ticket on the ground that it was only good on the date of sale and put the passenger off

THE DREADED CONSUMPTION.

T. A. Stearns, M. D., the Great Chemist and Scientist, will send Free, to the Afflicted, Three Bottles of His Newly Discovered Remedy to Consumption and All Lung Troubles.

Nothing could be fairer, more philanthropic or carry more joy to the afflicted, than the offer of T. A. Stearns, M. D., of 188 Pearl Street, New York City. Confident that he has discovered an absolute cure for consumption and all pulmonary complaints, and to make its great merits known, he will send, free, three bottles of medicine, to any reader of the New Era, who is suffering from chest, bronchial, throat and lung troubles or consumption.

Already this "new scientific course of medicine" has permanently cured thousands of apparently hopeless cases. The doctor considers it his religious duty—a duty which he owes to humanity—to donate his infallible cure.

Offered freely, it is enough to commend it, and more so is the perfect confidence of the great chemist making the proposition.

He has proved the dreaded consumption to be a curable disease beyond any doubt.

There will be no mistake in sending the medicine will be in overlooking the generous invitation. He has on file in his American and European laboratories testimonials of experience from those cured, in all parts of the world.

Don't delay until it is too late. Address T. A. Stearns, M. D., 188 Pearl St., New York, and when writing the Doctor, please give express and post-office address and mention reading this article in the New Era.

THE LOUISVILLE MARKET.
The following report is furnished exclusively to the New Era by Glover & Durrett, Louisville Tobacco Warehouse.
Sales on our market for the week just closed amount to 3,777 bbls., with receipts for the same period 1,800 bbls. Sales on our market since Jan. 1st, amount to 19,978 bbls. Sales of the crop of 1897 on our market to this date amount to 21,228 bbls.

Arrangements are being made to immediately increase the capacity of the Hopkinsville telephone exchange. New tables will be put in at the local central office, furnishing ample accommodation for fully three hundred subscribers.

The will of the late John Moayon was probated in the county court Monday. The paper was signed and acknowledged in the presence of Major John Phelps and Mr. Joe N. Fowright.

Hon. Austin Peay died Wednesday at his home in South Christian. He had been very low for several weeks. His death was caused by Bright's disease.

A shooting scrape that may have a fatal termination occurred Monday afternoon on the farm of E. E. Robinson in the Bluff Springs neighborhood.

Thomas D. Watts, a foremost South Christian merchant, has been forced to the wall. He made an assignment Tuesday afternoon for the benefit of his creditors.

Reported by the Louisville Live Stock Exchange, Bourbon Steakery:
The receipts of cattle to-day were light, being 185 head on sale; quality of the offerings fair. The market continues steady and unchanged at Monday's prices. Pens well cleared.

The contemplated improvements are in accordance with the liberal policy proposed for the future since coming into control of the Southern Telephone Company's property.

The principal office of the consolidated systems will be in Hopkinsville.

Mr. Livingston L. Buckner, one of Hopkinsville's best known and most highly esteemed citizens, died at an early hour Wednesday.

Mr. John Morris has returned from Nashville where he has been for the past few months undergoing a special course of treatment.

On motion of Sheriff J. J. Barnes William Starling has been appointed special deputy sheriff.

Calves—Receipts light being 21 head on sale; quality fair. The market ruled steady, with some selling at \$5.00 to \$5.25. Extra shipping... \$5.00 to \$5.25.

The capital stock of the company will be three millions of dollars, in shares of one hundred dollars each. The terms of the deal, as stated by President and General Manager James E. Caldwell, of the Cumberland Telephone Company, are that the stockholders of the Great Southern get one share of Cumberland stock in exchange for two shares of Great Southern stock.

Competition was unusually active on all the floor grades of leaf, which have for some time been scarce upon the breaks, and manufacturers and brokers were eager to secure all desirable lots offered, and at the very highest figures quoted, which produced a decided upward tendency of the market.

Mr. Buckner's friends were only limited by the circle of his acquaintance. He was a man of fine impulses, generous to a fault and genial in disposition.

Mr. Dickson is now living in Birmingham, Ala., and is reportedly negotiating the sale of his estate.

The Administration can safely count on having the defection of the issue in the next Presidential campaign.
