National Newspaper Week

October 1st to 8th, 1942

The publication of a newspaper such as The Ledger & Times is a public trust. It is a responsibility which the publisher and the editor of this newspaper take seriously and conscientiously. This newspaper is not published primarily as a money-making enterprise nor for the aggrandisement or benefit of any particular group or person. It is published for the benefit of the people of Calloway county.

The primary function of a newspaper is to inform the people without fear or favor. High in its list of requisites is accuracy and honesty. Informed citizens rule this country. And the newspapers give them the facts that make them intelligent citizens... and thus make Democracy possible.

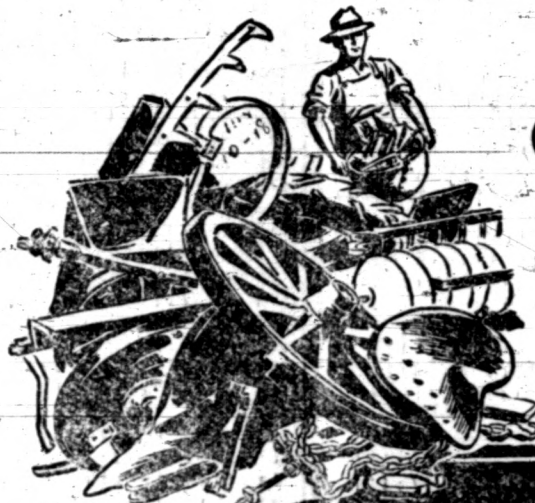

To be able to present the news fearlessly and accurately constitutes freedom of the press. A free press, free speech and free opinion form the bulwark of the freedom for which these United States stand and are today fighting. It is YOUR freedom which is represented today by the free press.

May this and all other newspapers in this country always stand for the protection of the rights of every American citizen and every American family! On the front pages of such newspapers lies the first line of defense for our democratic way of life. Stand by your newspaper as it stands by you, now and through whatever situation the future may bring!

Your newspaper today is going "all out" for defense of your rights, for defense of the American way of life. In this time of war this newspaper is doing everything it can to promote the sale of war bonds, the scrap metal drive, the Red Cross, to inform the people, to defend America. Yes, your newspaper is "all out" for Victory!

This nation is facing a serious shortage of scrap metal. A shortage that threatens to slow down war production of ships and tanks and guns. Blast furnaces are cooling off for lack of scrap! Scrap is needed at once, by the ton, to win the war and Kentucky can and WILL supply this urgent need.

Lying in the barnyards of Kentucky farms, in tool sheds, under bridges, buried in gullies, and attics and basements and garages, all over the state, is the very material that is so urgently NEEDED. It is within YOUR power to round it up and turn it in! Spend the next two weeks rooting for it—dig it out and be ready for the big state-wide scrap metal collection drive that starts October 12th. It means money to YOU! It means VICTORY to your country!

Read the Simple, Fair Contest Rules

1. ELIGIBILITY—Every person residing within a Kentucky county is eligible to contribute to the county's total collection. Persons and their families engaged in the business of buying and selling scrap iron or collecting it on a commission are NOT eligible to compete as individuals or firms. They may, however, help to increase the county's total by initiating scrap collection, the contest credit to go to the original owner who turned it in. All the organizations, competing as such for one of the prizes, are eligible to collect scrap metal to be entered in the name of that organization. The same material, however, may NOT be credited to both the organization and the individual. Every individual living in the state and not engaged in the business of collecting scrap metal, is eligible to compete for the prize to an individual.
2. PROCEDURE—The County Salvage Committee in each county in the state will be in charge of collection of all scrap metal entered in the contest. All scrap metal turned in must be credited to the one turning it in by means of an official receipt indicating the pounds received at delivery point. Credit in the contest will be given ONLY on the basis of these receipts. Be sure to get and vote your receipt. Credit in the Scrap Metal Contest will be granted only on scrap turned in from Oct. 12 to Oct. 31 inclusive.
3. CONTEST JUDGES—The judges of this contest will consist of a committee of three, to be named by Judge E. C. O'Rear, State Salvage Chairman, and Mrs. T. C. Carroll, State Salvage Chairwoman. The decisions of this committee of judges as to the winners in the contest will be final.

Come To CHURCH

FIRST PRESBYTERIAN CHURCH (Corner 16th and Main Streets)

Our great objective in this church is to reach the students of the College for Christ and His Church. We want to cooperate in every way with our sister churches in this community and in the communities represented by the students. The local church is of vital importance. We are asking all in the community who would naturally attend a Presbyterian Church, to come with us and enter heartily into our program, even if here only temporarily. We think that you will feel at home in our friendly church, warm welcome awaits all visitors.

Next Sunday, October 4, will be observed as Rally Day in the Sunday School. We want to double our enrollment that day. Sunday School begins at 9:45 a.m. Mr. James Eyer is superintendent.

The Morning Worship Service begins at 10:00 o'clock. It is World-Wide Communion Sunday. We shall observe the Sacrament of the Lord's Supper, made double significant by the fact that believers in Jesus, the world over, representing every race and nation, will be gathered together in unbroken fellowship through Christ—a fellowship that, some day, will be victorious over greed and hate and misunderstanding.

In the evening, the Westminster Fellowship, a student group, will meet at 7:15. Besides electing officers for the year, Mr. McKee has

been asked to speak informally on China, where he was a missionary. Each Wednesday night, 7:30 p.m., Mid-Week Prayer Meeting.

Improved Uniform SUNDAY SCHOOL LESSON

By HAROLD L. LUNDQUIST, D. D., of the Moody Bible Institute at Chicago. (Released by Western Newspaper Union.)

Lesson for October 4

Lesson subjects and Scripture texts are approved by the National Council of Religious Education; used by permission.

FAITH IN CHRIST AS OUR PERSONAL SAVIOUR

LESSON TEXT—Acts 16:13-15; Romans 8:14.

GOLDEN TEXT—Therefore being justified by faith, we have peace with God through our Lord Jesus Christ—Romans 5:1.

Salvation through Christ is the way, and the only way, into the Christian life; therefore, there could be no other subject more suitable than that of our lesson to begin the series of "Studies in the Christian Life."

Our lesson for today tells us first how one comes into a personal saving faith, and then gives Paul's statement of the result of saving faith—the changed life of the believer.

1. The Opened Heart (Acts 16:13-15).

Paul and his companions on their important errand for the Master, bearing the news of the gospel, had first known His guidance by hindrance, by the closed door; and then by the direction of the Spirit into the open door, revealed in the words of the Master.

Here in Philippi they found not only an open door, but an open heart, one which the Holy Spirit had made ready for the preaching of the Word of God. "Faith cometh by hearing, and hearing by the word of God" (Rom. 10:17).

Note that while Lydia was a woman of ability and culture, and a worshiper of God, yet she needed the message of redemption through faith in Christ.

Lydia evidenced the truth of her profession of faith by open testimony, and by a desire for fellowship in putting forward the work of God (v. 15). Salvation is by faith apart from works, but a saving faith is always one which works.

This is one of the great passages of Scripture, rich in doctrinal instruction, presenting through Paul an illuminating discussion of justification by faith.

This lesson affords an opportunity for teachers to learn and present to classes much needed truth along the line of Bible doctrine. There is not enough teaching of this type. People seem to prefer a little devotional study, or the discussion of current events, possibly in the light of prophecy. These are good, but it is of first importance that Christians be informed regarding doctrine.

We find in this Scripture the glorious transformation of life which comes to the one who takes Christ as Saviour, as we note the seven results of God's justifying grace.

1. Peace (v. 1). The human heart craves spiritual peace and knows that it can be found only when sin has been dealt with and put away. For sin cannot be condoned or ignored. There must be justification, and that can come only through Jesus Christ our Lord.

2. Grace (v. 2). A peace with God brings the peace of God into our hearts. We have that peace because we have by faith come into the place of God's favor. No longer strangers or outsiders, we have been made part of the family of God.

3. Hope (v. 2). Our faith not only brings present peace, but causes us to see future glory. Such a hope puts us in a right attitude toward God, and the things of God.

4. Rightly valued and understood. Even our troubles become evidences of His love in which we may glory.

5. Saved From Wrath (v. 9). The wrath of God is minimized or denied in much modern theology, but it is nonetheless a very "real and awful affection of the divine nature." But the Christ who died for sinners will surely deliver the saints from the wrath of God against sin.

6. Reconciled (v. 10). The death of Christ, which justified man as accepted by faith, brought reconciliation. Atoneement had been made for sin, and the One who died is alive again, a living Saviour.

7. Joy (v. 11). And why not? Such a revelation of what our redemption includes should make every believer in Christ rejoice in God. The One who is the sinner's judge is the believer's joy! That is the glorious transformation which takes place when one believes.

Some unbeliever who has read these lines thus far must by now be eager to have these things true in his life. Well, why not? Believe on the Lord Jesus Christ, and thou shalt be saved (Acts 16:31). Then read again those majestic and joyful words in Romans 8:1: "Therefore being justified by faith, we have peace—yes, I have peace with God through our Lord Jesus Christ."

John Gray, 60, Dies At Mason Hospital

John Gray, aged 60, died Tuesday at the Mason Hospital after an extended illness following a stroke in January.

Mr. Gray was a prominent farmer of Stewart county near Dover, Tenn. Prior to the coming of the TVA he was a large land owner, his land lying along the Tennessee River.

The remains were taken to Dover, and burial was held at the Gray farm yesterday.

Survivors include his wife, and two sons, Jack, Jr., and Joe Dyer, both at home. Mrs. W. S. Swann of Murray is a cousin.

Among those from Murray who attended the funeral are J. D. Sexton, Bert Sexton, Mrs. Vick Martin, Mrs. Myrtle Garrett and Robbie Sykes.

Mail Christmas Gifts To U.S. Forces Early

The War, Navy and Postoffice departments have set November 1 as the absolute deadline for mailing Christmas packages to men fighting out of the country.

And there are other restrictions, too. An overseas package sent parcel post must not weigh more than 11 pounds, be longer than 18 inches or more than 42 inches combined in length and girth. If possible, the package should be even smaller. A parcel about the size of an ordinary shoe box, with a weight not exceeding six pounds is suggested.

It's not too early to begin to think now what you can send that will go into a package that size, will be easily portable and useful in any climate. And don't try to send food or clothing, unless it has been especially requested.

Special Services at Elm Grove Church

Sunday, September 27, a special service in honor of all members that have had their names on the Elm Grove Baptist church roll for more than 25 years, was enjoyed by a large audience. Special honor was given those that have been members more than 50 years.

One present who have been a member more than 50 years are J. F. Futrell, Wallace Futrell, Mrs. Bettie Futrell and Mrs. Nannie Futrell. Those belonging to this group but who were not present include Mrs. Ella Craig, Miss Harriet Robbins and Bruce Wells who holds the honor of being the oldest person in the church and also minister in years of service, his age is 83 years. He joined the church at the age of 11, giving him 72 years of service.

Mrs. Boyd Dies; Rites at Goshen

Mrs. Boyd, wife of the late Wash Boyd, died Sunday morning at the home of her daughter and son-in-law, Mr. and Mrs. L. A. McKee, Murray Route 2. Funeral services were held at the Goshen church, of which she was a member, Monday morning at 11 o'clock. The Rev. H. L. Lax, assisted by C. C. Clemens and L. H. Pogue, officiated. Burial was in the Goshen cemetery.

Besides her daughter, Mrs. Boyd is survived by two grandchildren and two great-grandchildren. She was 79 at the time of her death. She was the last of the Willie Baker children.

Card of Thanks

We wish to extend our sincerest regards to Dr. Houston, the neighbors, friends and relatives also the nurse Mr. Williams who was so kind and good during the illness and death of our husband and father, Perry Stubblefield.

We want to thank those contributing to the floral offering and to the undertakers, Bro. Lax and Bro. James Miller for their comforting words.

May God's richest blessings rest on each and every one of our prayer—Mrs. A. P. Stubblefield and children.

LOST 35 LBS.; REGAINS 15 LBS. ON RETONGA

She Looks So Much Better Now Her Friends Are Proud, Says Wife of State Highway Employee. Lost Lbs.: 35 Lbs.

"I had to spend most of my time in bed for the past year. I had no appetite at all, and the little soft food I did eat just seemed to be heavy in my stomach, turn sour and burn. Often so much gas filled my stomach that it seemed like it would cut off my breath. I lost thirty-five pounds. I had to take strong purgatives regularly, and my arms, back and shoulders were so painful that sometimes I could hardly move. I felt like a nervous wreck, and sometimes I scarcely had strength enough to get from one room to another.

"Retonga gave me such remarkable relief. I now eat anything I want and have regained fifteen

pounds. The pain and sluggish elimination and nervousness are also relieved, and I sleep fine. I have a good color in my face, and I feel and look so much better that my friends are astonished."

Retonga is intended for the relief of such symptoms as described by Mrs. Driskell when they are due to insufficient flow of digestive juices in the stomach, lack of appetite, constipation, and Vitamin B-1 deficiency. Accept no substitute. Retonga may be obtained at Wallis Drug.

THE CORN YOU BUY**

With hybrid corn, the important thing is NOT where the seed was grown, but how it performs where you plant it. The best way to compare varieties and decide which one suits you the best is to see them growing side by side in a soil and climate similar to yours. That's why DeKalb has more than 3300 proving grounds or demonstration fields, scattered throughout the corn-growing areas.

Another reason why you should visit your DeKalb proving ground is to keep acquainted with the newest varieties that DeKalb is continually perfecting. Be sure to visit the DeKalb proving ground in your neighborhood. Your DeKalb dealer will be glad to show you the varieties that you are interested in and what they will do for you on YOUR FARM.

Inventory Reports Required of Tire Dealers October 15

All tire retailers are required to file inventory reports of all serviceable tires and tubes before October 15 to comply with the Revised Tire Rationing Regulations, the Office of Price Administration reminded the trade yesterday.

The inventory report, which is mandatory quarterly, is to show the stocks of all new and used tires and tubes and retreads and repairs held by all persons who have any of the items for sale.

Reporting forms are being sent by mail to most of those required to file the returns, but those who do not get them and have tires to report must obtain the forms from their local War Price and Rationing Boards.

The reporting requirements apply not only to recappers and dealers in new tires, but also to those who have only used tires for sale, and to automobile supply companies, motor vehicle dealers and finance companies. Tires mounted on vehicles, however, are not to be reported.

Persons receiving OPA Form R-17 by direct mail, who have never sold or held for sale tires and tubes or motor vehicles, or who retired from that business prior to July 1, 1942, should be encouraged to file OPA Form R-17 with a statement of the circumstances in order that the mailing list may be corrected.

These persons must file a report:

1. Every person selling or holding for sale new, retreaded, recapped or used tires or new or used tubes.
2. Every person selling or holding for sale motor vehicles.
3. Every person extending credit to another upon the security of motor vehicle under an agreement permitting the lender to take possession of the motor vehicle.

STEWARTMEN WIN OPENING TILT OF 1942 GRID SEASON

Before a comparatively small crowd, Murray State's varsity football team defeated Springfield Teachers College, Springfield, Mo., here Friday night, September 25, by a score of 24-8 in the first game of the 1942 season.

The Murray squad showed strong defensive promise and was in command of the game all the way, scoring once in the first quarter, twice in the third and once in the final frame. At the same time the Thoroughbreds held the Teachers from Missouri to a lone tally which came early in the fourth quarter of the game.

The contest, from a Murray point of view was one of "firsts". It was the first of the season, the first played by a squad coached by Athletic Director Roy Stewart since he re-assumed the duties of head coach, the position vacated by coach Jim Moore when he left Murray this summer to accept a commission with the U. S. Navy.

The game was also the first in which a freshman has been allowed to play on the varsity squad for Murray since 1933.

From a statistical view point, there was not quite so much difference in the two teams as the score would indicate. Murray gained 432 yards by rushing, Springfield 156; Murray completed one pass in five tries, Springfield six in 20 tries; Murray lost 89 yards on 10 penalties, Springfield lost 10 yards on two penalties; Murray made 14 first downs against six for Springfield. Each team intercepted one pass.

Three employees of a Kentucky Ordnance Works contract were burned to death at 11:30 o'clock Tuesday night at Benton in the wreck of a truck in which they were riding.

The dead are: Owen Latham, 22, of Fairview, Ky.; Clifford Lyons, 23, and Austin Allen, 21, of Russellville, Ky.

The men were driving in a closed cab of the truck. Evidence at the scene indicated that the truck was traveling at a high rate of speed and the driver lost control when the truck crossed railroad tracks at the north city limits of Benton.

It crashed into a telephone pole, turned over, rolling off the street, and burst into flames, the gasoline tank having been ignited by the wreck.

Persons residing nearby rushed to the scene, but were unable to get near to the truck because of the intense heat.

All the men were married and had families.

NYA Program Here Is Now Operating Around the Clock

The NYA War Production and Training Program in Murray is operating around the clock in an effort to furnish skilled workers to the war industries.

The machine shop operates three 7-hour shifts each day with two shifts each day for those interested in are (electric) and acetylene welding.

The program is now open to young men 18 years 9 months to 24 years inclusive, single or married who are not in school. Young women are assigned from ages 17 years 9 months to 24 years inclusive either married or single.

Two wage scales have been set up namely, \$10.00 per month plus room and board for those who reside in the NYA dormitory and \$20.00 per month plus one meal for those who reside at home. The wage orders apply to both young women and young men.

The training period lasts for a minimum of six weeks; however, each individual is allowed to remain in training until he or she has gained sufficient skill to warrant a job in war work.

Every day the demand for trained young men and young women in war industry grows and unless one is already profitably engaged this should be a wonderful opportunity to make a personal contribution to the war effort.

Detailed information about the training program may be had by contacting W. Paul Perdue, Personnel Officer at the NYA dormitory.

When Your Back Hurts
And Your Strength and Energy Is Below Par

It may be caused by disorder of the lower back, that permits poisonous waste to accumulate. For truly many people feel tired, weak, and miserable when the kidneys fail to remove excess acids and other waste matter from the blood.

You may suffer nagging backache, rheumatic pains, headache, dizziness, getting up nights, leg pains, swelling, sometimes frequent and uneasy urination with smarting and burning in passing urine, and a general feeling of weakness and lack of energy.

There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. It is better to rely on a medicine that has won country-wide approval than on something less favorably known. Doan's have been tried and tested for many years. Are at all drug stores. Ask a doctor.

Lieut. and Mrs. Mellen will be at home in Pasadena.

U.D.C. Has Important Called Meeting

The J. N. Williams Chapter, United Daughters of the Confederacy, held a called meeting Wednesday afternoon at the home of Mrs. Henry Elliott with the president, Mrs. Albert Lassiter, presiding.

The chapter placed special emphasis on the fact that this is Religious Education Week and went on record to cooperate in its observance. Mrs. Lassiter read an article by Pres. Roosevelt on this subject, and Mrs. Henry Elliott led in prayer.

The chapter voted to ask Mrs. A. F. Dugan, as chairman of the Calloway County defense advisory board, to form an advisory council to be made up of the chairmen of the various women's organizations of the town, the purpose of which is to coordinate the war work being done by the different groups.

Committees were appointed to extend invitations to all the civic organizations of the town to attend "Historical Night" which is to be observed on October 22 at Paducah in connection with the sequentennial celebration of the state of Kentucky, which will be held in that city on October 21, 22 and 23.

Fiscal plans were made for the participation of the J. N. Williams chapter in the celebration. Mrs. H. C. Carr of the local chapter is the sequentennial chairman.

The meeting adjourned at the close of the business session.

Miss Richmond Is Complimented

Miss Ruth Richmond was hostess at a surprise dessert party Saturday evening at her home in honor of her sister, Miss Anne Richmond, on her twenty-first birthday.

Informal entertainment was enjoyed and dainty refreshments were served.

Those present included Misses Louise Patterson, Frances Sled, Marion Sharbrough, Margaret Holland, Mary Greenwood, Nell Finley, Mrs. Tommy Walker of Louisville and Misses Anne and Ruth Richmond.

Mrs. Jarvis Honored At Stork Shower

Thursday afternoon, September 24, Mrs. Joe Jarvis was surprised with a lovely stork shower given by her mother, Mrs. DeWitt Wilkins. Many neighbors and former acquaintances seemed very happy to get together again—chatting of olden times and present day affairs, playing games, and observing the honoree as she excitedly uncovered the lovely gifts.

For refreshments, the guests gathered around a circular table set with various types of antique goblets and plates, and served themselves to lemonade and cookies. Then, all went out into the yard, and enjoyed delicious watermelons.

Those present were Mrs. E. D. Cross, Mrs. Carrie Culp, Mrs. Joe Jarvis, Mrs. Gardie Jones, Mrs. Cary Rose, Mrs. Elvis Woods, Mrs. Charlie Jones, Mrs. Neva Miller, Mrs. George Rose, Mrs. Lannie Jones, Mrs. Jessie Roberts, and Mrs. DeWitt Wilkins, Murray Route 2. Helen Powell and Miss Gladys Fewell, College Addition, and Mrs. Baus Howard and Mrs. Edgar Farris, Lynn Grove.

Those sending gifts were Mrs. Pearl Graham and Mrs. Kathryn Holley.

Mrs. Joe Jarvis recently returned to Murray to visit her parents, Mr. and Mrs. DeWitt Wilkins. She has been in New Orleans, La., all summer with her husband who entered the service last April and was graduated September 16 as an Aircraft Mechanic from the Delgado Trade School. He is now taking advanced schooling and training at the Voltec Aircraft Inc. in Nashville, Tenn.

Mr. Jessup Speaks To Alpha Club

The Alpha Department of the Murray Woman's Club opened the fall season with an interesting program Saturday afternoon at the club house. Hostesses were Mrs. J. D. Rowlett, Mrs. W. J. Caplinger, Mrs. W. D. Lewis, Mrs. A. C. LaFollette, Mrs. J. M. Rowlett and Mrs. R. A. Johnston.

Mrs. E. S. Diuguid, Jr., chairman, conducted the business session, and introduced the chairman of the program committee, Mrs. A. B. Austin. Mrs. Austin stated that the general subject for the year was "Learning How to Live Together," and presented Mr. George T. Jessup, Kentucky project manager for TVA, who spoke most interestingly on "TVA's Contribution to Cooperative Living."

A social hour followed during which tea was served from a beautifully appointed table with Mrs. Diuguid presiding at the tea service.

Mrs. Morris Is Magazine Club Hostess

Mrs. T. M. Morris was hostess last Thursday afternoon at the Woman's Club house to members of the Magazine Club and several guests. A profusion of fall flowers was used in the decorations.

Prof. W. J. Caplinger was guest speaker for the afternoon and gave a most able talk on "The Old and the New in Education."

The business session was conducted by the president, Mrs. A. C. LaFollette, and various committee reports were heard.

During the social hour a pretty party plate was served by the hostess.

Lynn Grove Women Sew For Red Cross

The Lynn Grove women met in the gymnasium Thursday for a day's Red Cross sewing. The Home Economics department and Mrs. C. H. Jones furnished machines.

Out of the 36 bath robes for American children started, 18 were finished and returned to Red Cross headquarters. The other 18 were carried home by volunteers who will finish them.

At the noon hour the sewing was put away and lunch was served.

Those who sewed were Mrs. Cliff Miller, Mrs. Hansford Doran, Mrs. Carl Lockhart, Mrs. Gordon Crouch, Mrs. Lucian Ridings, Mrs. Miller McReynolds, Mrs. Jim Scott, Mrs. Jim Sims, Mrs. Fleetwood Crouch, Mrs. Gerlie Story, Mrs. John Myers, Mrs. Calvin Scott, Mrs. Guy Rudd, Mrs. James Sims, Mrs. Nix Harris, Mrs. Harlan Kemp, Miss Amie Paschall, Mrs. Palmer Butterworth, Mrs. Harvey Ford, Mrs. Henry Rudd, Mrs. Clara Butterworth, Mrs. Jim Rogers, Mrs. May Lawrence, Mrs. Cora Lockhart, Mrs. Pearl Jones, Mrs. Lotie Key, Mrs. Muri Miller, Mrs. Luther Butterworth, Mrs. Rufe Doran, Mrs. Luther Parks, Mrs. Allen Rogers, Mrs. Rex Brown, Mrs. Gamble Hughes, Mrs. C. H. Jones, Mrs. Bud Swann, Mrs. Joel Crawford.

Mozart Music Club Meets With Miss Watters

The Mozart Music Club met Saturday afternoon, September 26, at the home of Miss Lillian Watters. New officers elected for the year were: Mrs. Loeche Foy Hart, president; Betty Sue Hutson, vice-president; Barbara Ashcraft, secretary; Donald Robertson, sergeant-at-arms. Those appearing on the program were Betty Sue Hutson, William Smith, Donald Robertson, Ghehn Billington, Nancy Stevens, and Barbara Ashcraft.

Refreshments were served at the conclusion of the program at Duval's Drug Store. The next meeting will be on October 31 at the home of Barbara Ashcraft.

Club Meets With Mrs. Stubblefield

The Wednesday bridge club met yesterday afternoon at the home of Mrs. Frank Albert Stubblefield. Guests, in addition to members, were Mrs. Wells Overby, Miss Marilyn Mason, Mrs. Clifford McInnis, Mrs. John Henry and Mrs. Roy Stewart. Mrs. Will H. Whitnell received the club prize for high score, Mrs. Jack McElrath second high, and Mrs. Wells Overby the guest high.

A salad plate was served by the hostess at the conclusion of the game.

Rubber Footwear Is Frozen

Rubber footwear is frozen until Monday and will be rationed—except women's, children's and boy's under size 6. Men's pumps and lace boots are sold on orders from Ration Board. Men's arctics under 5-buckles are not rationed.

This is done to furnish our boys in the Army, so we must obey orders.

It looks as if all staple merchandise will be rationed soon. My advice is to buy what you find you can use. Shopping around will do you little good, as the other fellow may grab what you need.

Under the ceiling prices there are very few special bargains left. Don't let any merchant fool you.

Come to see us in our new location in the center of the West Side of the Square. We have a reasonable assortment of things you can wear. Better not put it off.

Ordinary Civilian Rubber Footwear Is Not Frozen, Not Being Rationed

Only Rubber Shoes and Rubber Boots. Worn by Farmers and Industrial Workers. Affected by New Government Order

The new rationing order regarding rubber footwear does not affect ordinary civilian overshoes and galoshes. It does restrict the sale of rubber shoes and rubber boots such as worn by farmers and industrial workers.

Industrial rubber footwear cannot be sold this week. Beginning Monday it will be rationed. To obtain a pair of rubber shoes or boots, the purchaser must apply at the local rationing board for a certificate. He must tell the board the type of work he does and on this information the board will determine the type of shoe or boot he may purchase.

When he receives a certificate, he can go to the store and buy the type of footwear described in the certificate. But he must turn in his old shoes or boots, when he buys new ones.

This community is organizing a Red Cross Canteen Corps. Originally, the nutrition course was a prerequisite, but during the war emergency, a 10-hour course has been offered and the nutrition work is not required.

The instructor must be a graduate of Home Economics and she will be assisted by specialists in the topics presented. The study group will have practical experience, visit institutions and help in group feedings.

Those desiring to enter the Canteen Corps will please notify Mrs. F. E. Crawford, chairman of organization, or Mrs. Clifford Melugin, Red Cross chairman.

Cardinals Battle Yanks in Series

The St. Louis Cardinals, up and out of the running a little more than a month ago, won the National League pennant the last day of the season—by defeating the Chicago Cubs 9-2 in the first game of a double-header and also taking the nightcap 4-1.

The Cardinals lost the first game of the World Series yesterday to the New York Yankees at St. Louis 7 to 4.

FARM MACHINERY

(Continued from Front Page)

trate our efforts on producing foods that will help most to win the war, and distributing machinery through a fair system will help us attain our goal of food production.

The Chairman of the County AAA Committee in each county who is also Chairman of the USDA War Board, is chairman of the county rationing committee. The County USDA War Board here has appointed two other farm members, and two alternates.

The temporary rationing plan classifies farm machinery and equipment in three groups.

Items in the first group include farm machines vitally essential to current agricultural needs and which may not be sold by a dealer unless a farmer has obtained a purchase certificate from his county rationing committee.

The types of machinery in this group for which a farmer must have a purchase certificate include: beet lifts, beet loaders, combines, corn pickers, disc harrows, feed grinders, fertilizer spreaders, grain drills, grain elevators, hay balers, line spreaders, manure spreaders, milk coolers, milking machines, pickup balers, potato diggers, shredders, and tractors (including garden tractors).

In general, the farmer must show that his present equipment is not adequate to handle his production, that he cannot meet his equipment needs by repairing existing equipment.

"Guides to Health" Subject This Year By Homemakers

"Guides to Health" will be the subject of Homemakers Clubs in Calhoun county this year. The members will first have a lesson on the home medicine cabinet and then they will study the prevention of injuries and illness in the home, taking care of a patient at home, health measures for the home and community diseases spread by household pests, and health habits for the individual.

The six lessons will be taught in a county training school for leaders selected from each club. Miss Ida C. Hagman, specialist in home management, University of Kentucky, will conduct the training schools, one of which will be held the first of each month. The leaders in turn will give the lessons to the other members during the monthly club meeting.

This project was selected by the majority of Homemakers to see the need of preventing accidents and illness in the home if possible, but if they do occur, being able to take care of them competently. Many preventable accidents and illness take place because the average person does not understand or see the cause. With doctors and nurses needed by the armed forces, the Homemakers felt they could help by learning more about preventing accidents and illness and how to care for patients in the home.

The first training school will be held Thursday, October 8 from 10:00 a.m. to 3:00 p.m. in the office of Miss Rachel Rowland, home demonstration agent.

The fine arts building which will consist of three floors used exclusively for art, fine arts, and dramatics, is expected to be finished by January or February, according to R. E. Broach, business manager of Murray State College.

ment, by purchasing or renting used equipment, by custom work or other means. He must also show that failure to approve his application will result in a substantial reduction in production of commodities essential in the war effort, and that the machinery will give better than average service for similar equipment in the community.

Items in a second group include most other farm machinery and equipment not in the first group, and which may be sold upon certification by the farmer to his dealer that the equipment is essential for current agricultural production needs.

Items in the third group include such items as some hand tools, and some smaller horse-drawn equipment which may be sold without restriction.

The temporary rationing plan does not apply to repair parts. In cases where applicants are denied a purchase certificate by the County rationing committee, provision is made for an appeal to the State USDA War Board and to the Secretary of Agriculture through the special War Board Assistant. Q. D. Wilson is chairman of Calhoun County Machinery Rationing Committee. J. R. Scott and W. B. Spriggs will serve as regular members on this three-man committee.

Tigers Crumple Trigg County High Eleven 26-0

The Murray High School Tigers had no trouble in defeating Coach Carl Ferrara's Trigg County High eleven 26-0 here last Friday night. The visitors fought a game but uphill battle all the way. The Tigers were too heavy and had a fair margin in experience over the Trigg countians.

Early in the opening quarter Ogden took the ball to Trigg's 18. Polly was tossed for an 18-yard loss. Ogden blasted his way around right end for 15 yards; Polly got loose around the Murray left end and was pulled down on the 2-yard line. Gibbs drove over the line for the marker. Polly's attempt at conversion failed. Murray 6, Trigg 0.

Again in the same stanza Polly dashed around left end to the Trigg 36. Gibbs hit the center of the line for 5-yards. Polly slicked off left tackle for 8 yards to Trigg's 27. Ogden, on a reverse, added 12 yards for a first down on Trigg's 13. Gibbs again displayed his power by splitting the line for 13 yards and a touch down. Polly's conversion attempt was no good. Murray 12, Trigg 0.

Late in the second quarter runs by Polly, Ogden and Gibbs placed the ball on Trigg's 15, where Polly scatted around his own left end for 15 yards and the third marker of the evening. Polly's placement was good and the score was Murray 19, Trigg 0.

By half-time Murray had collected 8 first downs to Trigg's 2. The Murray band, under the direction of Ted Haley, went through maneuvers and formations and the band formed a huge "V" with red, white and blue lighting effect as the band members sang "Remember Pearl Harbor." The last half saw Coach Holland send in all available reserves who played a greater part of the remaining playing time. Sending in his first string backfield, Coach Holland's Polly, Gibbs and Ogden

soon placed the ball in scoring position. Stone, who had been turning a swell game at the blocking back post, was sent over the line for a touchdown on a quarterback sneak. Polly's conversion was good and the score was 26-0.

Harrell, Slaughter, Parker and Saunders turned in good games as Tiger lineemen.

Winthrop-Hopson, left half for Trigg, was the outstanding player of the evening for the visitors. McKinney, right half; Joe Boren, left end; Jolly Jones, right end; and Ray Ventura, center, also were good performers for the Trigg countians.
