New Ford Burns Monday In Front Of Filling Station

A new Ford automobile was badly damaged by fire Monday afternoon when the car burst into flames at the stop light in front of John Sled's Service station. John Nelson was the driver of the automobile. The Benton fire department was called to extinguish the blaze. Nelson was enroute to Murray with car when the accident happened. Mr. and Mrs. Clovis C. Chiles, of Route 7, were visitors in Benton Saturday.

THE REAL SANTA
Grendale is like a big college campus, no walls or high fences. Finally, I asked them to take the keys, unlock the door and go on and meet the priest. I would keep all the children of life for those I visited. I'd like to be a nun. I'm sure most would be happy to do it. If we can't rob things that happiness to all, there are other means we can do a little.

SAME TIME OF
Several years ago, I was in charge of a printing plant at Greenburg, Ky. Five of my Catholic Christmas came to me and the priest they ex-posed who was coming to me again. I asked them to go outside the building as large as the Marshall house.

"SILENT NIGHT"
To make every note sound like an organ note, and before an audience of 700 or 800 boys, girls, and visitors. They did just that for me, and for others. Somehow or other on this night I had robbed and stolen something from those boys and they had done the same to me. For one brief hour we were the real Santa Claus.

FROM OLD KODGER, YOUNG
Kodger, and all of us wish YOU and YOURS a Merry Xmas and a visit from the real Santa.
