Nine Killed In Airliner Crash

No survivors including eight officials of the Delta Air Lines station in Columbus, Ga., Apr. 15 in the plane, which crashed while the service of the Memphis to Columbus. The crash also cost the life of the captain's plane, who was trapped under the body of the captial's plane. This assembly will be patterned after the Lake Junaluska Assembly which was attractively decorated and received great attention.

Wall Street Report

New York, April 23—A recovery of leading industrial stocks gave up some ground in the tick market today after two sessions of gains. An opti-

mistic mood that persisted through several weeks has been marked today. The post of industrial brokers at the New York Stock Exchange will be well distributed through-

out the day. This was a factor in the widespread wage boosts.
