## State Revenue Has Big Increase For First Four Months

FRANKFORT — The State's general fund receipts for the first four months of this fiscal year were 11.5 percent more than collections for the same period last year.

A report by Commissioners J. E. Luckett, revenue, and James W. Martin, finance, showed the fund, which finances general governmental operations, had taken in \$29,580,560 by the end of October.

The report said "the major part of the increases is attributable to two taxes — the distilled spirits production and individual income taxes."

The whiskey tax, the report said, while up about one million dollars over the same period last year as results of a rate increase,

also "reflects a gain in gallonage produced."

The report added "the substantial increase in the income tax receipts was to be expected as the October receipts include the earliest employer reports covering increased withholdings under the new law."

Collections for the separate road fund during the four-month period totaled \$28,124,636, an increase of 10.3 percent over the same period, the report said. It showed tax revenue were up 5.7 percent, mainly due to an increase in motor fuels consumption.

Mesdames Mickey Crossland, Ruby Cunningham, Robbie Dunn and Patsy Galloway of the Benton First Baptist Church attended a leadership course in Mayfield the past week.

Mr. and Mrs. Emmett Myers and children of Cincinnati, Ohio, were recent visitors in Marshall County.

## Safe Traveling For Thanksgiving By Highway

FRANKFORT — "Don't expose yourself to death in holiday travel," Commissioner of Safety Don Sturgill said. He emphasized that Thanksgiving weekend travelers lost their lives in giving road crashes last year. The Thanksgiving death toll was 16 in 1954, but only one in 1955.

The commissioner urged motorists to observe the following rules for safe holiday driving:

1. A car ready for any kind of weather.

2. A driver who is fit, alert and alert mentally.

3. Allowance of ample time for unhurried driving.

## Safe Traveling Thanksgiving By Highway Office

FRANKFORT — "Don't drink and drive," is the message of the Highway Office. The office is urging motorists to be safe and sober when they travel on the highways this Thanksgiving season.

The office is also urging motorists to be alert and watch for unimproved roads, potholes, and other hazards. The office is also urging motorists to be courteous and patient when they are stuck in traffic.

The office is also urging motorists to be prepared for emergencies. The office is also urging motorists to be responsible and follow the rules of the road.

## One Turkey Saturday

The members are very grateful to the public for the splendid cooperation and we cordially invite you each Saturday.

FRANKFORT — "Don't drink and drive," is the message of the Highway Office. The office is urging motorists to be safe and sober when they travel on the highways this Thanksgiving season.

## DO THE TURKEY TWIST

These perky yeast-raised turkeys are in the bright spirit of Thanksgiving. Plan to fill your bread basket with them often during this season.

FRANKFORT — "Don't drink and drive," is the message of the Highway Office. The office is urging motorists to be safe and sober when they travel on the highways this Thanksgiving season.

These perky yeast-raised turkeys are in the bright spirit of Thanksgiving. Plan to fill your bread basket with them often during this season.

### TURKEY TWISTS

1/2 cup milk  
1/2 cup sugar  
1 1/2 teaspoons salt  
1/2 cup warm, not hot, water (lukewarm for compressed yeast)

3 tablespoons sugar  
3 packages or cakes yeast, active dry or compressed  
3 eggs, beaten  
6 cups sifted enriched flour

Scald milk and stir in 1/2 cup sugar, salt and shortening. Set aside to cool to lukewarm. Measure water and 3 tbs. sugar into large mixing bowl (warm, not hot, water for active dry yeast; lukewarm water for compressed yeast). Sprinkle or crumble in yeast. Stir until dissolved. Add lukewarm milk mixture and eggs. Add and stir in half the flour. Beat until smooth. Stir in remaining flour, or enough to make a dough. Turn out on lightly floured board and knead 8 to 10 minutes, or until surface is smooth and satiny. Put dough into greased bowl and brush top with melted shortening. Cover with cloth; let rise in warm place, free from draft, until doubled in bulk, about 55 minutes. Punch down dough, pull sides into center, turn out on board. The turkey twist is a reverse S-shaped roll with curly ends. Start with a rope 14" long and 1/2" thick made by rolling a piece of dough with palms on board. To shape make a clockwise circle, letting pointed end of dough stick out at the top to form beak. Curve dough up then down to shape neck and continue down to begin body. Now make counter clockwise circle 4 times as big as first, winding dough in spiral toward center. Add a small wedge-shaped piece of dough along upper right of center tail feathers. Brush tops with melted fat. Cover and let rise in bulk. Bake at 325° F. (hot oven) 12 to 15 minutes or until brown.

## County Soil Notes

By HERBERT ANDERSON

Watershed Conservancy Districts are now in the process of being organized on Cypress Creek, East and West Forks of Clarks River.

Many have asked WHAT they are, WHY they are organized, and HOW they will be operated?

A watershed conservancy district is a sub-district of one or more soil conservation districts. A watershed conservancy district is organized to develop and carry out plans and programs relating to any phase of conservation of water, flood prevention and control, erosion prevention and control, drainage, floodwater and sediment damages.

The watershed conservancy district is operated by a board of directors elected by the people.

The directors have certain powers, subject to the approval of the board of supervisors. These powers are:

1. Levy an annual tax not to exceed 5 mills (one-half cent), if needed, per dollar on all real property, according to the tax assessment on same, as approved by local tax commissioner. These funds may be used for administration, construction, operation and maintenance of works of improvement within the watershed conservancy district. In some years it may not be necessary to levy any tax.
2. Acquire by purchase, gift,

grant, bequest, devise, or through condemnation proceedings as prescribed by Kentucky's Revised Statutes, such lands or rights of way as are necessary for the exercise of any authorized function of the district.

3. Construct, improve, operate, and maintain such structures as may be necessary for the performance of any functions authorized by this act.
4. Borrow money for purposes of this act and issue, negotiate and sell bonds. Bond issues must be approved in referendum with two-thirds majority of the votes cast in favor.

Mrs. Holland Henton of Route 7 was in town Saturday and while here renewed her subscription to the Courier.

Redge Henson of Hardin Route 1 was in town Saturday on business.

## Why Southern Bell is Asking For a Thorough Study of its Kentucky Rates and Earnings

A lot of things have happened to the cost of providing telephone service in Kentucky since 1952:

1. Four general wage increases have added \$2,024,000 a year to our costs.
2. Cost increases associated with additional investment in Kentucky amount to another \$2,040,000 a year.
3. Taken together these two items alone have boosted the cost of furnishing telephone service in Kentucky by more than \$4,000,000 per year.
4. Additional revenue from rate increases during this period failed by far to cover these added costs alone, to say nothing of other cost increases.

As a result, Southern Bell earnings amount to only about 4 3/4 per cent on the value of the Company's Kentucky properties. This return is lower than that of comparable businesses in the state and too low to justify the expenditure of the \$100 million needed during the next four years to keep in step with Kentucky's progress and telephone needs.

For these reasons, we have asked the Public Service Commission to approve rates that will provide a reasonable return on our investment in the state.

## Miss Watkins Wed in Candlelight Ceremony

Miss Sandra Jo Watkins, eldest daughter of Mr. and Mrs. Sanders Watkins, Benton Route 7, became the bride of Dwaine Pitt, son of Mr. and Mrs. John Pitt of Inkster, Mich., in an impressive candlelight ceremony Saturday, Nov. 10, at 5 p. m.

The double-ring ceremony was performed by Orville Washam of Paducah at the Briensburg Church of Christ.

The marriage vows were pledged before an altar of palms and fern. Baskets of white gladioli were placed on either side of the altar with wrought-iron candelabras holding burning white tapers completing the setting.

The Smith Brothers quartet presented the program of nuptial music. Their numbers included "Because I Love You Truly," and "Whiter Than Snow."

The bride, who was given in marriage by her father, wore a ballerina length dress of Chantilly lace over silk tulle. The dress featured a fitted waist and scalloped neckline with sequin trim. Her fingertip veil of silk illusion was attached to an off-the-face half hat of white satin trimmed with lace and seed pearls. She carried a white Bible topped with white rosebuds and showered with streamers of white satin ribbon.

Mrs. Doris Harper who served as matron of honor wore a ballerina length gown of avocado green velvet. Her headdress was a matching off-the-face half hat fashioned of velvet with imported pearl trim. She carried a colonial bouquet of yellow pompons.

Miss Faye Pettit and Mrs. Carolyn Lyles served as bridesmaids. They wore identical length gowns of rose velvet. Their headdresses were the off-the-face half hats of velvet with imported pearl trim. They carried colonial bouquets of blue pompons.

Donnie Pitt, cousin of the groom, served as best man. The ushers were Danny Jacob and Dale Brandon.

Mrs. Watkins, mother of the

bride, wore a coral wool flannel with a matching cardigan coat. Her accessories were black and she wore a corsage of white rosebuds.

Mrs. Pitt, mother of the groom, wore a two-piece rose dress with navy trim. Her accessories were black, and she wore a corsage of white rosebuds.

Out of town guests attending

the wedding were Mr. and Mrs. Andy Lackey of Metropolis, Ill.; Mr. and Mrs. Francis L. Goheen and daughters of Paducah; Mr. and Mrs. Ralph Braddon of Kuttawa; Mrs. Joyce Mattingly of Eddyville; Miss Nancy Jones, Mrs. Ruth McCarty, Mrs. Rebecca Miffin, all of Paducah, and Mrs. Meta Pitt and family.

Mrs. Stella Foust has returned for Detroit, where she visited her sister, Mrs. Hallie Peck and her daughter, Mrs. Wayne Burnham.

Mr. and Mrs. Wavel Nimmo of Benton are the parents of a son born Nov. 14 at

BY MRS. M. U. SIRESS  
Gee, how time flies. Here it is Thanksgiving and with Christmas starting us in the face, I haven't even bought a Christmas card.

Rev. Fred Alexander delivered an excellent sermon at Church Grove Sunday night. Mrs. Luther White and son of Alabama will visit home folks over the weekend.

Mrs. Mabel Moore of Akron, Ohio, is visiting her brother, Carl Greenfield and family of Benton, and Mr. and Mrs. Ru-

dy Greenfield of Hardin. Mr. and Mrs. Charles Riley of Indiana spent last weekend with Mr. and Mrs. Dewey Riley and Mr. and Mrs. Gilbert Collins.

Mrs. M. U. Siress spent last weekend in Bowling Green visiting her sisters, Mrs. Mary Bearden and family.

What a beautiful world it is this Monday. As I look out from my front door, I see the beautiful green fields and the pretty green yards of J. B. Johnson and Artelle Haltom.

Mrs. Audrey Allison of Cah visited with me a day last week.

Bro. Tom Shelton of a good friend of M. U. stopped by to see if I was living. I'm always glad to see any of Mids old friends. He passed away seven years ago Nov. 11, but it seems only yesterday. Peace be to his soul.

Mrs. Lillian Meeks of Ohio, spent her vacation at the home of Mr. and Mrs. Carl Greenfield. Most of the time was touring Kentucky, Tennessee, Missouri and Illinois.

Mr. and Mrs. C. C. Nicks of Benton were Friday afternoon in town.

### Two Sons

Lesson for November 22, 1956

WHAT does the word "prodigal" mean? Ask some Sunday school class that, and you may be surprised at how many bad guesses you hear. Actually the name simply means "wasteful." Jesus never named his parables; and sometimes the names the church has given them fit, and sometimes not.

Dr. Foreman

The parable of the "prodigal son" might be better named "The Two Wasteful Sons" or "The Forgiving Father." There are two ways of being wasteful. One is to use up and destroy what might have been saved. If you let good farm machinery sit around in the rain till it rusts, you are wasting equipment. If you use expensive butter for a job a little bacon grease will do just as well, you are wasting the butter. If you are a general and order a useless assault in which thousands of men needlessly lose their lives, you are wasting human life. All these wasteful acts, great and small, are done in the same way, essentially by throwing away or spoiling what might have been saved and used. Another way of wasting is just not to use what is there to use, something which if you do not use now you will never have the chance to use again. An example of this is water power. The river flows on its way, developing so many horsepower with every mile; if these are not used today, tomorrow the horsepower—today's horsepower—will be gone. You waste water power not by destroying it but by failing to use it.

### The Younger Son

Now in Jesus' famous parable, the two sons were both wasteful, but in opposite ways. Take the younger one: Give me, he said, and off he went. A young fortune was in his hands; but he threw it away, he was through with it. It was through, "perish" in no time. There was something else he wasted; his father's love and confidence. He virtually treated his father as if he were already dead. This younger son is, of course, the type of the reckless, "inner" who wastes his health, strength, character, perhaps money too, the sort of man who is called a "wastrel" or waster. The time, life, strength that such a man wastes cannot be brought back again. You could go down to Skid Row or to the nearest hospital for drug addicts and convert them every one; but you could never give them back the "years the locusts have eaten." God forgives such men, as the father in Jesus' story forgave the younger prodigal; but just as the father in that story could not recall from the four winds the wasted fortune and the wasted years, so not even God ever turns the clock or the calendar back.

### The Older Son

But that older boy—he too was a waster. Only he wasted in the other way, not by destroying but by not using. There seems to be something deeply bad in the father's simple saying, "Son, you are always with me; and all that is mine is yours." This was true—and yet the son had made it untrue. "You are always with me"—so near, and yet so far away. None of the father's spirit had penetrated the boy's mind. He was physically at home yet spiritually a stranger. He too, in a different way, had lived like an orphan. Every day there was open to him a father's heart, a father's sympathy, a father's wealth; but he never took it. If for the younger boy there was waste-by-destruction, for the older there was waste-by-neglect. Did the father forgive this son too? The story does not say. The impression most people get is perhaps what Jesus intended to suggest: The father was ready to forgive each son; but the younger son was forgiven, because he had "come to himself," he had confessed his wrong. The older son was not (so far as the story takes us) forgiven, because he did not seem to be conscious of having done anything wrong. Of course he was the type of the Pharisees; but the Pharisees are not dead. In the church and out there are correct, respectable citizens who know nothing of God's love for their lost brothers, and so have never known the God they officially call "Father." God will forgive such a man too; but perhaps he seldom does, for such a man seldom thinks he needs it. ### Employment in Ky. During September Highest on Record

FRANKFORT—Kentucky presented a bright employment picture in September, according to a report issued by the Department of Economic Society.

Non-agricultural wage and salary employment, excluding construction, totaled 590,500 at mid-September. This is the highest employment level for any September on record. The figure

was 6,100 higher than in August and 8,600 above September, 1955.

Manufacturing employment increased 2,700 above the level of September, 1955. The largest month-to-month gain was recorded in the distilling industry where 900 seasonal workers were added.

Non-manufacturing employment with construction omitted, stood at 421,000 in September an increase of 5,900 over the previous September and a gain of 5,700 over August. Trade industries reached 135,400, a gain of 1,900 from August to September.

## Everything's New including the View

in each '57 Buick-SPECIAL, CENTURY, SUPER, ROADMASTER

WHEN we tell you the 1957 Buick is new, we're not kidding.

Because we don't mean just new this or new that. We mean new everything.

We mean everything you can't see, as well as everything you can.

And even the "seeing" is new from both the front seat and the rear seat—for the new, wider, rakishly angled panoramic windshield with its 200 more square inches of glass area widens the forward view of all passengers.

Take other examples.

Its styling is new. Never before have you seen a Buick like this one—sleek and stunning, and low as a cat-crouch.

Its engine is new. Never has any Buick boasted so big, so powerful, so obedient an engine as the purring V8 engine that gingers every '57 Buick.

Its performance is new—and right here

we mean new like nothing else you ever experienced before.

For now, with Buick's new record horsepower, there's a new advanced Variable Pitch Dynaflo\* that's so instant in action, so vividly responsive, so smooth and flexible and full-torque throughout the entire "Drive" range—the need for "Low" is virtually eliminated.

But there's even more than all this to the newness of every '57 Buick—SPECIAL, CENTURY, SUPER and ROADMASTER.

There's a completely new chassis that gives the car the lowest center of gravity in Buick history—for a steadier, safer ride. And a new kind of ball-joint suspension for surer handling, safer cornering, and a wonderful new levelized braking.

There are safety features galore—new safety-padded instrument panel, new dip-center safety steering wheel, new controls recessed out of harm's way—even an ingenious new Safety-Minder\* that lets you know when you reach the miles-per-hour you've preset for yourself.

Of course, the only way to get the whole, new wonderful story is to take the wheel and let this big new car do its own talking.

And that's something we'll be most happy to arrange first chance you get. Come in today.

\*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special. Safety-Minder standard on Roadmaster, optional other Series.

The Southern Bell Telephone and Telegraph Company has asked the Kentucky Public Service Commission to examine its revenue requirements and approve rates that are fair to telephone subscribers and which will provide the company a fair return.

In an application filed with the PSC at Frankfort, vice president and general manager, H. G. Bartee of Louisville, said that increasing costs have depressed earnings and that the company currently is earning about 44% on the value of its Kentucky properties. This is much lower than the return being earned by comparable businesses in the state and too low to justify the additional investment required in Kentucky to keep service good and expand and improve it to meet the full needs of the state, he added.

"For many years prior to 1947, while telephone costs were increasing, there were no increases in the price of telephone service. During the past 10 years, however, the full effects of inflation and rising costs have been felt by Southern Bell and it has been necessary to apply to the Kentucky Public Service Commission for increased rates," Mr. Bartee said.

"The rates authorized during this inflation period have been less than asked for and needed. In September of 1954 when the Commission set the present rates, we pointed out that they were inadequate and would not produce earnings as intended by the Commission. Since 1952 costs of providing telephone service—wages, taxes, goods and services, as well as construction costs—have continued to increase. For example, there have been four employee wage-level increases, which require \$2,024,000 of revenue a year. Cost increases associated with additional investment accounted for another \$2,040,000—a total of \$4,064,000 for these items alone," he said.

"During the same period, rate increases totaling \$1,987,000 have been authorized. The remainder of the cost increase is not covered by the present rate schedule. In addition, many other items of cost have gone up," he pointed out.

"There is still a big demand for telephone service in Kentucky. We are endeavoring to meet this need and we have plans to spend about \$100,000,000 during the next four years for new facilities," Mr. Bartee said.

In the petition to the Commission, Southern Bell said that \$4,500,000 in additional revenue is needed to insure a fair return on the value of the company's property in Kentucky.

Mrs. R. C. Lawrence of Route 6 was a shopper in Benton Monday and while here subscribed for the Marshall Courier.

## J. N. Rudolph, 87, Dies at Residence On Benton Route 5

James Newton Rudolph, 87, died Nov. 16 at his home on Benton Route 5.

Besides his wife, Mrs. Flora Rudolph he is survived by one daughter, Mrs. Ella McNeely of Route 5; a sister, Mrs. Sis Sweet of Route 5 and two half-brothers, Rubin and Henry Mathis of Route 5.

He was a member of the Unity Presbyterian Church.

Funeral services were held at the Union Ridge Methodist Church Sunday afternoon by the Revs. Paul Butler and R. L. Dotson, Jr. Burial was in the Church Cemetery by the Linn Funeral Home.

Name Kentucky 4-H Trip Winners  
Robert Johnson Betty Ann Foley Jane Elkin Martha Hurt

Kentucky 4-H members were named state winners of a trip to  
the 1956 National 4-H Club Congress in Chicago, Nov. 25-29. They  
were selected by the State Extension Service for having the best  
records in the 4-H Tractor, Clothing, Food Preparation, and Recrea-  
tion national award programs.

Knowledge, skill, and good  
judgment are important factors  
in getting the most out of the  
4-H Tractor program, and Robert  
Johnson, 16, of Sonora, has all  
three. A Congress trip provided  
by Standard Oil (Ky.) is his  
reward. A 4-H'er for five years,  
Robert learned that care is more  
important than repair for maxi-  
mum tractor operation.

He won the county champion-  
ship in tractor maintenance and  
yard improvement. He also re-  
ceived a gold cup for the county  
tractor driving contest. He gave  
talks before 4-H and other  
groups, and appeared on 12  
county radio programs.

Robert is an honor student in  
high school. His local 4-H leader  
is Mrs. Wilma Jenkins.  
Betty Ann Foley, 17, of Owens-  
ville is now in her eighth year  
of Club work. As state 4-H Cloth-  
ing winner, she is the guest of  
Costs and Clark in Chicago.

Having a remarkable flair for  
making clothes, she has com-  
pleted 102 garments. They in-  
clude the blue formal gown for  
which Betty won the top state  
honors. She also made numerous  
attractive suits, dresses and  
blouses, besides hats and purses.

Betty won 57 first place awards  
with her 4-H projects including  
clothing, foods, junior leader-  
ship and home improvement. Her  
mother, Mrs. Joe Foley, Jr., is  
the local 4-H Club leader.

All these programs are conducted  
under the direction of the Co-  
operative Extension Service.

BRO. WILSON TALKS AT  
FIRST BAPTIST CHURCH

Bro. Charlie Wilson of De-  
troit, Mich., 81 years of age,  
preached at the First Baptist  
Church the past Lord's Day eve-  
ning.

In the morning service, Bro.  
Jimmie Lester, was given a ris-  
ing vote of thanks for the fine  
work he is doing as Sunday  
School Superintendent. Mr. Les-  
ter has missed only one Sunday

In the past seven years.

Also, Bro. Charlie Wilson was  
recognized for the finest at-  
tendance record in this com-  
munity. Bro. Wilson has a re-  
cord attendance of 49 years in  
Sunday School without missing  
one Sunday.

Mr. and Mrs. W. G. Dappert

STRENGTH  
FOR  
THESE  
DAYS  
The Bible  
For Thou, Lord, wilt bless  
the righteous; with favor wilt  
Thou compass him as with a  
shield.—(Psalm 51:2.)  
Those who love God and obey  
Him, who worship and glorify  
Him in all their thoughts and  
acts, are overflowing filled  
with His love and His guid-  
ance; they know abundant joy  
and strength beyond all mortal  
compare—because the Al-  
mighty is with and within  
them.

## Benton, Calvert Club Women Hold Meeting

A joint meeting of the Junior and Senior Women's Clubs of Benton and the Calvert City Woman's Club was held in the home of Mrs. Jess Collier last Thursday evening.

Other hostesses were Meses. J. B. Schmahorn, Roy Moore, Herman Creason, Pat Moore, Inos Stallins, Robert Poague, H. Lovett Jr., Frank and Smith Dunn, Wodrow Koepsel and Miss Glady's Allen.

Mrs. James Elkins presided at the meeting for Mrs. Anna Brando, who was in Louisville.

Mrs. Douglas Brinkham was voted a new member in the club. The Junior club made a donation to the Library fund for purchase of children's books. It was decided that a silver tea would be given at the home of Mrs. R. O. Vick some time in December.

Mrs. Paul Dailey gave the devotional.

Mrs. Jerry Burnett introduced Mrs. John Kirksey governor of the first district who then in-

troduced Mrs. Stella Kopulous, a native of Greece who has lived in the United States since a child.

She told the club members why she came to America and gave a sketch of her life in this country. She told of the appeal of the Greece club women made to the Federated Club Women in the United States and their response.

Mrs. Kopulous has spoken to 15 clubs in Kentucky. She is speaking to the club women in this state because they have been so generous in response to Greek relief. She said that in rural Greece there are 30 Federated Woman's Clubs in almost inaccessible places, but that these clubs are active. She related the customs and activities of women in the cities of Greece and in the rural communities.

The hostesses served delicious refreshments to a large number of guests from all three clubs. The rooms were attractively decorated in fall flowers.
