Compromise Labor Legislation Wins Approval; Would Check Strikes, Restrict Union Activity; Tax Cut Bill Clears Senate. Goes To Committee

Most State Farmers Hindered In Spring Work by Henry Rains

The rain in the area has made it impossible for farmers to work on their fields. The delay has caused some advanced crops to be lost, and many are still waiting to be harvested.

Income tax cut legislation has received Congressional approval. The bill curbs more stringent measures that had been proposed earlier in the year. The vote was 7-0, with all members of the Senate voting yes. The bill is now ready for the President's signature.

American Blond White?

In recent years, the term "American Blond White" has been used to describe a new trend in hair coloring. Some people believe that this trend is making women feel more attractive and confident. However, others argue that it is not a healthy trend and that it promotes superficial beauty standards.

Who Helped the Reds?

In the 1920s, many people were concerned about the rise of communism in Europe. Some people believed that the Soviet Union was a threat to democracy and that it was backed by the United States. Others believed that the Soviet Union was a threat to democracy and that it was backed by the United States.

A Devoted Son

On a recent trip to Europe, I had the opportunity to visit many historic sites and learn about the rich history of the region. One of the highlights of the trip was a visit to the famous Westminster Abbey. The abbey is located in London and houses the tombs of many famous figures, including Winston Churchill and Queen Elizabeth II. It was a very moving experience to see the tombs of these great leaders and to learn about their contributions to history.

**Holiday Deaths May Run To 275**

Chicago, May 30.—Holiday fatalities, it is generally anticipated, will be on the current high. Memorial Day was the nation's most dangerous holiday, according to the National Safety Council. The council's survey of deaths from 1900 to 1935 revealed that an average of 275 persons would die on Memorial Day.

The council said the estimated deaths on Memorial Day this year would be the highest in the history of the nation. The council's survey of deaths from 1900 to 1935 showed that an average of 275 persons would die on Memorial Day.
