J. O. Matlick Will Manage State Fair

Named By Board On 6 To 3 Vote; Headed '45 Fair

REPLACES TAYLOR

Frankfort, Ky., June 13—(P)—The 1947 Kentucky state fair will be under the direction of J. O. Matlick, Middletown, editor of a farm journal, former member of the state fair board and manager of the fair in 1945.

Matlick was chosen by a six-to-three vote of the state fair board late yesterday in the office of Governor Willis. The board, under a new law enacted last year, elected an appointed member, J. R. Raab, Henderson, as president and Onie Cook, Georgetown, as vice president. Votes for these two officers were unanimous.

Matlick replaces C. W. Taylor, Lewisport, after the latter was ruled by the courts as ineligible to serve because he was a member of the legislature which created the manager's post under the new setup.

Matlick said he accepted the position "with the provision that I have complete charge of operations under the new law and that it be free from politics." His salary was fixed at \$5,000 a year.

When asked his opinion about the new manager, Agriculture Commissioner Elliott Robertson, one of those who voted against Matlick, said that he had served as manager in 1945 but was not re-employed on Robertson's recommendation.

Robertson added: "He has a big job on his hands and I hope he'll do a better job than he did before. He probably will."

Matlick told reporters the 1945 fair set a record both for attendance and profits and said he expected this year's fair to be a highly successful one. He declared his "number one program will be to prove to the citizens of Kentucky that the state fair can be taken out of politics."

Matlick said he will strive to get exhibits from 100 of the state's 120 counties. He said he would stress farm machinery exhibits, youth organizations, and added that "it's not too late to have good livestock and horse shows."

Kentucky Today

West Liberty—Funeral services were held here yesterday for Doris Ruddle, 30, of Stacy Fork, who was killed when a cattle truck he was driving plunged over a high bank near Canale City, Bronson Phillips, riding with Ruddle, is a patient in a Paintsville hospital where his condition was reported as serious.

Paducah—Deputy Sheriff O. T. Allen, State Highway Patrolman and ten mussel fishermen dragged the Tennessee River near Riverview yesterday after Eugene Neal, a mussel fisherman, snagged a hook on what he believed to be the body of a woman.

Lexington—Two dented fenders constituted the only damage to other cars here yesterday after a locked and parked car started rolling down a sloping street, weaving its way through traffic as it guided. It finally came to a stop two blocks away.

Lexington—Two out of five suits against Petroleum Exploration Corporation were dismissed in federal court here at the motion of the plaintiffs, J. F. Judd and Andy Venable. Three others asking a total of \$250,000 remain, and Judge H. Church Ford has ordered laws and facts submitted before July 4.

Murray—The name of the William Mason Memorial Hospital here has been changed to Murray Hospital, following its acquisition by the Murray Hospital Association.

Pineville—Frank Rhea of Hulen has filed here for the Democratic nomination for state representative from Bell county. He ran for sheriff in 1945.

Lexington—The University of Kentucky has announced plans for a three-day institute on family life to be held here July 7-9.

PROCLAMATION

I, T. T. Boaz, Mayor of the City of Fulton, do hereby proclaim Saturday, June 14th, as Flag Day in the City of Fulton in keeping with the observance of National Flag Day throughout the Nation. I call upon the citizens of Fulton to display our Nation's Flag in every fitting manner upon this day; especially asking the business and professional men and women of our town to fly the Flag from a prominent place, either over or in front of their establishments. I further ask that all citizens join in paying honor to our Flag by wearing a miniature flag offered by the Spanish-American War Veterans Auxiliary. Their cause is one which we can support wholeheartedly.

Our Flag is respected and honored throughout the world. Wherever it flies men, women and children know that freedom is theirs under it. It is the symbol of a mighty nation, proud in the councils of nations and humble in its faith in the common man. Let us give honor to our Flag.

T. T. BOAZ,
Mayor.

LOST & FOUND

Nat Weiner, left, Miami hotel manager, left \$19,000 in a handbag in the Greater Cincinnati Airport restaurant. A waitress, Betty Barker, 18, right, found it and turned the money over to the FBI. Weiner said he would return to Cincinnati and reward the finder "handsomely."

Anti-Malaria Meet At MSC Tuesday Night

All Interested In Controlling Disease Invited

STARTS AT 8 P. M.

Murray State college is cooperating with various health agencies and organizations in a malaria prevention and mosquito control conference to be held at Murray Tuesday night, June 17. The conference will be on the lawn at the college, starting at 8 p. m., if weather permits.

Capt. James H. Crawford, Chicago, of the U. S. Public Health Service, will be principal speaker. His lecture will deal with malaria, the malaria-bearing mosquito, other insect pests and DDT in relation to all insect control. C. E. Hunter, Louisville, supervisor of the state communicable disease center; Phillip Harden, entomologist, Louisville; and Dwight Norman, Paducah, inspector, also will be present. Motion pictures of malaria prevention and control work will be shown.

All health officials, home demonstration agents, county agents, school officials and others interested in the subject matter are invited to attend.

Red Cross Has Executive Body

Five Named This Week At City Chapter Meeting

A five-member executive committee of the Fulton Red Cross Chapter was appointed at the chapter's meeting this week, and includes Bill Browning, chairman; Louis Weeks, vice-chairman; Mrs. Annie Moore, secretary; Leon Browder and J. E. Fall, Jr.

Three members will constitute a quorum. The committee is authorized to act for the entire chapter when necessary. The chapter will draft suitable by-laws, plans to appoint a disaster chairman and a Junior Red Cross chairman, and will make an audit of the period July 1, 1946, through June 30, 1947. A local class in life saving and water safety also was discussed.

Miss Annette McClaran, Red Cross field representative from Jackson, Tenn., met with the chapter.

Sought For Murder On Christy's Creek

Morehead, Ky., June 13—(P)—Sheriff said county and state authorities were searching today for Orville Brown, 24, who he said has been charged with wilful murder in the double killing of a storekeeper and a boy Wednesday at Christy's Creek.

Green said Brown's wife and two children live on a farm just a few hundred yards from the country store of Ed Johnson, where he and 16-year-old Bobby Rowe were shot to death by a masked gunman.

Green said Brown also is being sought on a bench warrant issued after his indictment last month by the Rowan county grand jury on a charge of carrying a concealed weapon.

Murray Ledger To Become Daily Starting Monday

Murray, Ky., June 13—(P)—Beginning Monday the Murray Ledger and Times will be converted from a weekly newspaper to a daily, the management announced here.

This will give Murray a daily paper for the first time since 1906 when the Daily Free Press went out of business.

The Ledger and Times is owned by W. F. Williams, Paris, Tenn., who publishes the Paris Post-Intelligencer, a daily.

Another Murray weekly, The Democrat, published by Kerby Jennings, changed last week to semi-weekly publication.

Earlier Deadline Set For Saturday Edition of Leader

The Leader will be published somewhat earlier than usual tomorrow, June 14, in order that employees may attend the opening address of Harry Lee Waterfield's campaign at Murray tomorrow afternoon.

For this reason, we are asking that all matter to be printed in the Saturday edition be in our hands by 9:30 tomorrow morning.

Your cooperation will be appreciated.

Coal Returning To Steel Mills

Threat Of Idle Period In Mining Regions Poses Problems For Industry

Pittsburgh, June 13—(P)—Soft coal resumed a virtually normal flow from mines to steel mills today with the end of the miners' protest work stoppages, but threat of a new crisis at month's end posed a new problem for fuel-hungry industries.

Heading pleas of officials of the AFL-United Mine Workers Union, nearly 15,000 southwestern Pennsylvania miners were back in the pits after walkouts called to express their displeasure over labor bills pending before Congress.

Only one of the 23 mines which struck was still idle. Most of this fuel had been destined for steel mill furnaces and a spokesman for the steel industry said the loss meant a decline in steel production.

Steelmakers also looked without joy to the 10-day miners' vacation granted by the government to begin June 28. The U. S. Steel Corp. announced that in preparing for the vacation it had shut down the equivalent of one and one-half blast furnaces to conserve fuel.

Clements Warns "Divided Party" Can Mean Defeat

Louisville, Ky., June 13—(P)—A warning that "a divided Democratic party can bring about our defeat in November" was sounded here last night in a radio address by Rep. Earle C. Clements, who seeks the Democratic nomination for governor in the August primary.

Although his campaign speeches open officially with a talk at Glasgow June 28, Clements fired several shots last night and outlined some of his campaign plans.

EXTENDED FORECAST:

Kentucky and Tennessee (through Wednesday) cooler Saturday and Sunday; warmer Monday and Tuesday with little change Wednesday. Temperature will average near normal northwestern half and three degrees above normal southeastern half. Showers and thunderstorms Monday and Tuesday. Total precipitation .75 inch northwestern half and .50 inch southeastern half.

Boston city council president John B. Kelly (second from right, dark suit) as he collapsed in superior court in Boston, a moment after a case against him, on bribery charges, went to a jury. Kelly, who serves as acting mayor in the absence of James Michael Curley, is aided by a brother, former Lieutenant-Governor Francis E. Kelly (right foreground) and friends.

"Reality Of God's Presence" Is Topic Of Rev. Bradley

"The Reality of the Presence of God" was the subject of an address by the Rev. Sam Ed Bradley, First Baptist church pastor, at the Fulton Lions Club meeting today.

Mr. Bradley declared that the presence of God is not an illusion, not the result of a mental process. As evidence of God's omnipresence, he mentioned the precise order of the vast universe in which we live, and the extraordinary organization in every form of plant and animal life on earth.

He was introduced by Dr. J. L. Jones, program chairman.

Lexington To Pay \$29,750 For Fire-Fighting Truck

Lexington, Ky., June 13—(P)—Lexington city commissioners said today they would accept a \$29,750 bid for purchase of a 100-foot aerial ladder truck for the city fire department. The successful bidder was the Seagraves Corporation of Columbus, Ohio.

Locomotive Falls Into Cumberland; Two Are Killed

Clarksville, Tenn., (P)—A locomotive and two cars of a Louisville and Nashville freight train plunged through an open draw into the Cumberland River today. The engineer and fireman were trapped in the locomotive and given up for dead.

The missing engine crewmen were engineer John Black, Paris, Tenn., and fireman M. E. (Red) Carter, Mansfield, Tenn. With a roar of hissing steam, the locomotive and cars disappeared quickly beneath the surface into 20 to 30 feet of water.

New Labor Bill Won't Stop Coal Strike, Government Experts Say

Washington, June 13—(P)—Government labor experts who have been analyzing the Taft-Hartley bill will advise President Truman that the measure is "unworkable" and will not stop a coal strike.

This was learned today from officials who have seen the analysis but who asked that their names not be used.

There have been equally reliable reports, however, that some other Presidential advisers are urging Mr. Truman to sign the measure.

This group is said to contend (A) that the bill does give the government some means of dealing with the threat of a new coal strike next month and (B) that Congress is virtually certain to enact it into law in any event.

The labor experts are reported to have concluded, among other things, that the measure awaiting Mr. Truman's decision follows their opinion, for John L. Lewis to bring about a nationwide or partial soft coal strike in mines which have become "unmine" during the 10-day vacation the miners will take from June 27 to July 7.

2. "Yellow dog" contracts could be removed under a section guaranteeing employees the right to self-organization or to refrain from organization. (Yellow dog contracts are those employers make with individual workers pledging them not to join a union.)

3. Industry-wide bargaining would be dealt a blow by the requirement that workers involved in a contract dispute vote secretly on accepting their individual employer's last settlement offer, as stated on the ballot.

The reasoning here is that if a substantial number of workers voted to accept the final offer, the union would have no basis left for continuing negotiations for a better offer.

4. A provision limiting payroll deductions from union dues after July 1, 1948, to workers who have submitted individual authorizations to the employer, could force wholesale cancellation of contracts—such as the vital two-year agreement of the CIO-steelworkers.

Appropriations Committee Cuts 33 Government Agency Budgets \$330 Millions, Or 3.9 Per Cent

Who Will Lead Europe Revival

British Embassy Queries U. S. State Department On Sec. Marshall's Talk

Washington, June 13—(P)—The British embassy has opened talks with the State Department to learn how to put Secretary Marshall's call for a joint European revival program into action.

Diplomatic authorities who reported this today said the embassy officials are seeking clarification of a number of Marshall's suggestions before deciding whether to ask London to take the initiative in getting the European countries together.

These authorities said the United States is looking to Britain to start the program rolling but has no intention of dictating what the next steps should be.

Marshall, in restating this country's desire to promote European recovery, declared last week that Europe itself must lay the foundation for American help by drafting a comprehensive rehabilitation plan of its own.

Marshall has steered clear of any estimate of how much American and other outside help may have to be given the continent.

But Benjamin V. Cohen, State Department counselor, declared in a speech at Long Beach, Calif., yesterday that from \$15,000,000,000 to \$24,000,000,000 will be needed during the next three to four years to prevent starvation and the "danger of dictatorship."

Cohen called the present aid program for Europe "clearly insufficient."

Two Men In Jail After Returning To Scene Of Theft

Union City—Two young men who Wednesday night stole seat covers from a parked automobile and eluded pursuers made the mistake of returning to the scene of the theft a few minutes later and mingling with the crowd. They're now in jail.

They registered as Leslie Morefield, 24, Crutchfield, and Charles L. Roach, 23, Moscow. A man who said he saw them enter the parked car pointed out the men to police.

Boone Bennette Baptist Speaker

Boone Bennette, teacher of the Young Married People's class of the Water Valley Baptist church, will be the visiting speaker in the regular evangelistic service at the South Fulton Baptist church Saturday evening at 7:45.

The pastor, Bro. J. T. Drace, extends to all of Mr. Bennette's friends in and around Fulton a personal invitation to this service.

Tombstone Found In City Sidewalk; Marked 1844 Death

Lexington, Ky., June 13—(P)—A construction firm had on its hands today a 103-year-old tombstone overturned by employees as they prepared to construct a sidewalk.

The stone, face down, apparently had served as a block of the sidewalk for many years.

It bore the inscription "Thomas W. Hawkins, born 8 Sept. 1783, died 20 July 1844."

Old newspaper records disclosed that Hawkins was a bank clerk and some historians believe the stone was moved from a burying ground formerly nearby.

Ex-Head Of Notre Dame Dies At South Bend, Ind.

South Bend, Ind., June 13—(P)—The Rev. J. Hugh O'Donnell, C. S. C., who served as president of the University of Notre Dame for six years and was associated with the university for nearly 35 years, died yesterday at the age of 52.

Republicans Now Over Half-Way To \$6 Billion Goal

V. A. FUNDS REDUCED

Washington, June 13—(P)—The House Appropriations Committee whacked \$330,540,732 today from the funds President Truman asked to finance 33 independent government agencies next year.

It approved an \$8,498,409,759 bill to finance the agencies' work during the 12 months beginning July 1.

The total cut was 3.9 percent below the amount Mr. Truman requested.

Veteran Administration funds were trimmed \$130,884,220 or 1.8 percent. VA got \$6,944,457,080. The cut for the 33 agencies brought to about \$3,580,000,000 the claimed savings of House Republicans in their drive to chop \$6,000,000,000 from Mr. Truman's 1948 budget of \$37,500,000,000.

Among major recipients covered by the bill are the office of the president, not cut at all; the atomic energy commission, reduced 30 percent; the civil service commission, cut less than one percent; the federal communications commission, trimmed 17 percent; the federal power commission, cut 12 percent; the federal trade commission, reduced almost one third; the works agency, cut 12 percent, and the Interstate Commerce commission, trimmed 10 percent.

Even the president's own budget bureau was cut, receiving \$93,392 less than the \$3,470,000 it had asked.

Mundt Compromises The measure authorizing the government to create a foreign information and educational exchange program moved a step nearer House approval today.

Rep. Mundt (R-SD), author of the bill, agreed to accept an amendment putting the program under the scrutiny of a bi-partisan advisory control board.

The President under this proposal would select the board members from "outstanding" Americans.

Mundt said that if necessary he also would agree to wipe out a provision allowing the State Department to pay \$10 a day toward the expenses of foreign dignitaries who come to the United States to participate in the program.

Opposes Controls Chairman Wolcott (R-Mich.) said he opposes peacetime government credit controls urged by President Truman. Wolcott's position made it appear that an amendment to the restrictions on installment buying is in sight.

He said "such regulations are highly discriminatory in that they exclude from the markets those who have not been able to put aside any savings." "Broad controls are in force now under a wartime act."

Senator Brooks (R-Ill.) said the Agriculture Department has tried to pressure the Senate into increasing its funds by issuing employee notices "broadside." Brooks said he has been unable to find out how many dismissal notices the Department issued when the House cut its budget 28 percent. But they issued "a great many more than were necessary," he contended.

Republican leaders may try to limit further Senate debate on the Bulwinkle railroad bill unless an agreement can be reached to vote early next week. Discussion of the measure is in its fifth day, and Senator Olin (Johnson D-SC), who held the floor by agreement after an overnight recess, announced he is ready to talk indefinitely to defeat the bill.

Deposed Premier Nagy Takes Plane For U. S.

Geneva, June 13—(P)—Airport employees said today Ferenc Nagy, deposed premier of Hungary, had taken a plane for the United States.

Aladar Szegedy-Maszar, Hungarian minister to the United States under Nagy, said in Washington he assumed Nagy "wished to draw the attention of the American public" to recent events in Hungary, where he was ousted by a Communist coup d'etat.

Sports Roundup

By Hugh Fullerton, Jr.

New York, June 13—(AP)—While the "name" golfers of the present are scrapping for the open championship at St. Louis, the "name" golfers of the future are tuning up their shots for the national intercollegiate tournament at Ann Arbor, Mich., 10 days from now.

The intercollegiate tourney has helped to produce four national amateur champions, one open champ and two British amateur winners.

There's no telling who'll come out on top of the college heap this year, but you can tab such players as Charles "Babe" Lind of Denver, runner-up to Walker Cupper George Hamer last Spring; Charley Coe of Oklahoma, Bill Campbell of Princeton, Ed Hopkins and Hugh Dahlberg of Texas, Ed Scholten of Michigan, Bob Rosburg of Stanford, Lou Stafford of Oregon and Joe Moore and Jimmie Wittenberg of Louisiana State as golfers who'll be heard from in the not-to-distant future.

Pop Vs. Popoff
As soon as Harry Walker was

traded from the Cards to the Phillies he began hitting like a house afire and the next time they met Card manager Eddie Dyer asked how come. "Why didn't you hit that way for me?" demanded Eddie. "Didn't I always treat you like a son?" Walker replied. "Maybe that was the trouble. You treat all players like sons while Ben Chapman is always hauling us over the coals."

One-Minute Sports Page
Los Angeles reports that County Supervisor Leonard Roach started with the idea of trying to move a big league ball club into his home town. His main idea is to get some rental for the big L. A. Coliseum—Donald Parker, son of Dan, the New York Mirror's overseas sports editor, is one of 500 freshmen offered admission to Lehigh for next Fall. Don plans to study journalism.

Birmingham baseball fans are high on catcher Joe Brant, who belongs to Detroit and figure he's a cinch to stick in the big time next season. Jack Joyner, former U. of Tennessee tub thumper who has a "solid" job in the coal business, reports an abundance of good footballers all over the Southeastern Conference this year.

Oilers Take First Victory In Series 9-4

All Fulton Runs Came In First

After a four-run first inning the Fulton Oilers were blanked in eight times at bat as the victory went to the visiting team here last night.

Three Fulton pitchers, including Fred Biggs, new manager, were unable to halt the Owensboro Oilers attack which produced one run in the first, second, third and fifth frames, two in the fourth and three in the eighth. However, the Oilers have the satisfaction of recalling their two previous wins over the league leaders here this week. They are scheduled to open a three-game meeting with the Madisonville Miners in Fairfield Park tonight. The Oilers handed the Chicks three straight losses at Madisonville.

Tommy Buck led off for Fulton last night with a single. Gray flied out to left field, and Propat also hit a single. Earl Seawright went to first on a fielder's choice while Socha threw Propat out at second, and Buck scored when Rhodes doubled. Pete Peterson, noted for hitting when it counts, came through with a homer that accounted for three runs. Lis got on base on an error by Fankrich, Oiler left fielder, but Tucker was thrown out at first after hitting a grounder to second.

Narleski started on the hill for the Chicks and gave up two runs in the first two innings. Eldridge took over in the third, and was nipped for four hits and three runs. Manager Biggs replaced Eldridge in the fifth, but the Oilers pressed their attack with seven hits and three more runs while holding Fulton scoreless.

The Sports Mirror

By The Associated Press

Today A Year Ago—Baseball Commissioner A. B. Chandler and New York Governor Thomas E. Dewey dedicated plaque at Cooperstown, N. Y., baseball shrine in honor of late Judge K. M. Landis.

Three Years Ago—Ted Atkinson rode five winners at Aqueduct.

Five Years Ago—Watling Street won the English Derby at Newmarket as King's Big Game finished sixth.

Ten Years Ago—Joe Dinninggo hit three home runs in a row in second game of New York Yankees twin bill with St. Louis Browns.

Cardinals Not For Sale
Owen Stein, Brooklyn, N. Y., St. Louis Cardinals owner, is not for sale. Stein, president of the world champions, of baseball, issued a statement to that effect last night in answer to persistent reports that he would sell his vast holdings in baseball this year. If he's in the and retires.

Three-Way Tie In Golf Open's First 18 Holes

St. Louis, Mo., June 13—(AP)—Three players shared the leadership with four-under-par 67's in yesterday's 18-hole thrust of the 72-hole National Open Golf championship at the St. Louis country club.

Today's 18-hole test will trim an original field of more than 160 professionals and amateurs to 60 odd battlers for tomorrow's concluding 36-hole scramble.

Two Texas products, Harry Todd of Dallas and Henry Ransom, Houston's gift to Chicago's Northmoor Club, and long-driving Chick Harbert of Northville, Mich., were the pace-setting trio.

Fulton VFW Team Goes To Missouri For Game Sunday

Fulton's Veterans of Foreign Wars baseball team goes to East Prairie, Mo., Sunday for a return game with the independent nine. All Fulton players will meet at the Legion Cabin at 11 o'clock Sunday morning.

The VFW lads shut out the Missouri team 7-0 here last Sunday afternoon.

Gas And Electric Strike Threat Gone With Pay Hike

Cincinnati, June 13—(AP)—Threat of a strike that might have disrupted gas and electric service in the Greater Cincinnati area was removed today.

The possibility of a walkout of 400 employees of the gas department of the Cincinnati Gas & Electric Co. was eliminated as James McNamara, U. S. Labor conciliator, announced that the company and District 50 United Mine Workers of America-AFL had reached agreement on a new contract granting the workers wage increases ranging from seven to 15 cents on the hour.

Rules Newspapers Can Keep Secrets

Frankfort, Ky., June 13—(AP)—Newspapers may legally refuse to disclose names of persons whose letters to the editor are published under signatures like "Satisfied" or "Outraged Citizen," the attorney general said today.

The opinion written for Marvin Wells of Greenville, said a state law allows newspaper personnel to refuse to disclose the source of information published in their papers.

Ky.-Tenn. Students Convene At Berea

Berea, Ky., June 13—(AP)—Student delegates from 90 colleges in Kentucky and Tennessee were expected here today to open a three-day regional meeting of the National Student Organization.

Bill Welch, president of the Kentucky-Tennessee region, said the conference would consider the proposed constitution for the organization which is to be voted upon by delegates of the various regions at a national convention Aug. 30 to Sept. 8 at the University of Wisconsin.

Wall Street Report

New York June 13—(AP)—Demand for stocks lightened considerably in today's market. A number of leaders retreated fractionally although occasional resistant spots persisted.

American Telephone dipped to another new 1947 low. Also on the offside were Chrysler, General Motors, Southern Railway, Norfolk & Western, Electric Power & Light, Phelps Dodge, International Nickel, Sears Roebuck, International Harvester and Douglas Aircraft. Higher at times were Union Carbide, American Can, Standard Oil (N.J.) and Johns-Manville.

Bonds were narrow and cotton somewhat lower.

Jobless Payments Decreased In May By \$177,552 Total

Frankfort, Ky., June 13—(AP)—Jobless payments to Kentucky's veterans and non-veterans totaled \$2,015,511 during May, a decrease of \$177,552 from the amount paid out in April.

Pay to jobless veterans last month dropped from April's \$1,856,351 to \$1,604,027, of which \$373,371 went to self-employed veterans. The self-employed increase was attributed by the Unemployment Compensation Commission to a growing return of veterans to farm work.

No Early Settlement Seen In Lexington Bus Walkout

Lexington, Ky., June 13—(AP)—Lexington settled today to sweat out what appears likely to be a long bus strike, following state-

ments by the Lexington Railway System and the union which give little hope for an early settlement of differences.

The human eye can detect about 10,000 different tints.

STOP TERMITE DAMAGE

Flying ants are a definite warning that termite infestation is here... possibly in your own home. A free TERMIX inspection will give you accurate information on the extent of termite damage in your property. Call today!
