ROYAL BAKING POWDER CO., N. Y.

CYRUS RADFORD PROMOTED

He is Made Assistant Quarter Master

IN MARINE CORPS.

The Official Order Was Issued This Morning.

A DESERVED HONOR.

[SPECIAL TO NEW ERA]

WASHINGTON, D. C., March 9.—An official order was issued today promoting Lieutenant Cyrus S. Radford to the position of Assistant Quartermaster in the Marine Corps.

The promotion was made for gallant and meritorious conduct during the late war with Spain, and particularly increased the young officer's glory.

Lieutenant Radford was First Lieutenant of Marines, and witness of the destruction of Corbett's fleet outside of Santiago harbor from the battleship Texas.

He had command of the forward turret gun, and his well-aimed shots helped to sink several of the enemy's ships.

Prior to this he had charge of the marines who buried the dead comrades in the province of Santiago de Cuba under heavy fire of Spanish sharpshooters.

Lieut. Radford was highly commended by Capt. Philip, of the Texas, in his official reports. When requested by a celebrated publisher to contribute several chapters to a history of the war, Capt. Philip referred the publisher to Lieutenant Radford, stating that the young Kentuckian was better qualified to write the story of the part the Texas played in the great naval battle.

Lieut. Radford graduated from Annapolis in 1890. He is the author of a work on ordnance which has been adopted as a text book by the government.

Promotion For Shafter.

[SPECIAL TO NEW ERA]

WASHINGTON, March 10.—It is settled that Gen. Shafter, who is a Brigadier-General in the regular army and a Major-General of volunteers, will be appointed a Major-General in the provisional army in recognition of his valuable service in the Santiago campaign. This will enable that officer to draw the pay and allowances of a Major-General on the ground list after he reaches the post, in October next. Otherwise he would be retired as a Brigadier-General. This statement that he will retire this month is erroneous.

GATHERING

Are the Delegates For Tomorrow's Convention.

CLASH IS EXPECTED

Between the Hardin and Goebel Factions—Goebel Here and Will Speak Friday Morning.

From Thursday's daily.

The class are gathering. Democrats from every section of Western Kentucky are turning their faces in the direction of Hopkinsville. Already a number of candidates for State offices are here, have established headquarters and are working as busily as if to tomorrow's convention was to decide their own fate instead of choosing a candidate for Railroad Commissioner.

Nothing is heard upon the streets but the approaching convention and conjectures as to its action. Nobody is paying any attention to the primary object of the convention. The fact that a candidate for Railroad Commissioner is to be chosen has been lost sight of completely. The names of the candidates for this place are seldom mentioned. Interest is focused upon the expected clash between the Goebel and Hardin factions. The feeling is intense and growing in intensity as the hour draws near when the opposing forces are expected to measure strength. Friends of the candidates are causing and consulting and planning. There seems to be no hope that the convention will dispatch its business with a dash.

Just how the fight will be precipitated and who will throw down the gauntlet in the convention is a matter of speculation.

If the friends of Mr. Goebel insist upon a resolution endorsing the election law it will be construed by Mr. Hardin's followers as an endorsement of Goebel, not so much because they oppose the statute but they are unwilling to be forced to a seeming endorsement of Mr. Goebel's candidacy.

On the other hand if Mr. Hardin's friends insist upon a resolution endorsing the course of the Louisville Dispatch and recognizing it as the official organ of the Kentucky Democracy it will be taken by the Goebel forces as a challenge and resented to the extent of their strength.

Mr. Goebel's friends are counting upon his speech tomorrow morning to materially augment his strength. The circumstances make this appointment of the distinguished Kenton county citizen the most important of the campaign up to the present time. His words are awaited with interest by people all over the State. It is expected to be along the same lines as his Hartford speech, aggressive and uncompromising, conceding nothing and asking no quarter.

Gen. Hardin's friends are disappointed that he cannot be here tomorrow. They have endeavored to have him upon the scene, but his appointments in other sections of the State prevent his attending the convention.

Mr. Goebel and Urey Woodson, of Owensboro, arrived this morning and took rooms at the Latham. Hon. John Oberholtz, of Madison county, candidate for Auditor; Major Thomas Hayes, of Jefferson, candidate for Lieutenant Governor; Hon. Gus Conliffe, of Graves, candidate for Auditor; Hon. John S. Smith, of Bourbon, candidate for Attorney General, and Judge W. B. Fleming, of Louisville, candidate for Attorney General, are among the candidates who have arrived. The trains tonight and tomorrow morning will bring scores of delegates.

The convention will be called to order at 2 o'clock tomorrow afternoon in the circuit court chamber.

Evans Lost One Day.

[SPECIAL TO NEW ERA]

WASHINGTON, March 10.—Representative Evans, of Kentucky, was a "no-show" out of a job for one day, and lost one day's salary. His term in Congress expired March 4 at noon. Monday he was commissioned as United States District Judge for Kentucky. The salaries of the two positions are the same, \$5,000 a year. He will draw nothing for the Sunday that intervened between his two positions.

Recruiting the Army.

[SPECIAL TO NEW ERA]

WASHINGTON, D. C., March 10.—The War Department today took steps to begin recruiting the additional 20,000 men for the regular army, provided by the Army law. The number of recruiting stations has been increased from 40 to nearly 50, nearly every large city in the country having one.

Unique War Study.

[SPECIAL TO NEW ERA]

WASHINGTON, March 10.—The War Department has undertaken the compilation of a novel volume, a photographic history of the war with Spain. It has addressed a circular letter to all the officers in the service asking them to contribute such prints, films or negatives as they may have in their possession, promising to return the articles in good condition. It further asks all officers to report the names of such persons, as to their names, carried cameras in the regions of active operations, so that their aid may be sought in compiling the volume. The desire of the department, as announced in the circular, "is to produce in a single volume every obtainable picture and photograph bearing on this subject."

One credit will be given in the volume to all contributors.

Claude Berry and Miss Sarah Mason Married.

ELOPE TO CLARKVILLE

From Thursday's daily.

An elegant and marriage occurred last night which will be in the nature of a complete surprise to local society.

The principals were Mr. Claude N. Berry, of Washington, D. C., a popular young official of the Southern Railway, and Miss Sarah North at Mason, daughter of Mr. and Mrs. M. A. Mason, of "The Square."

They were married at 10 o'clock last night in the parlors of the Arlington Hotel at Clarksville, by Rev. Shelton, a minister of the Presbyterian church.

Mr. Berry and Miss Mason drove into the city yesterday morning. They called on several of Miss Mason's many friends and at noon dined at the Latham hotel. It was not until a short time before the departure of the 5:30 train that the elopement was decided upon. When the train pulled in they were upon the platform at the station. Their horse had been left at a livery stable near 9:30 and half an hour later were made man and wife.

The parents of the bride were not apprised of the marriage until this morning. Mr. and Mrs. Berry reached Hopkinsville on the 10:30 train and were met at the train by a large delegation of friends who welcomed them with congratulations, flowers and showers of rice.

If the friends of Mr. Goebel insist upon a resolution endorsing the election law it will be construed by Mr. Hardin's followers as an endorsement of Goebel, not so much because they oppose the statute but they are unwilling to be forced to a seeming endorsement of Mr. Goebel's candidacy.

On the other hand if Mr. Hardin's friends insist upon a resolution endorsing the course of the Louisville Dispatch and recognizing it as the official organ of the Kentucky Democracy it will be taken by the Goebel forces as a challenge and resented to the extent of their strength.

Mr. Goebel's friends are counting upon his speech tomorrow morning to materially augment his strength. The circumstances make this appointment of the distinguished Kenton county citizen the most important of the campaign up to the present time. His words are awaited with interest by people all over the State. It is expected to be along the same lines as his Hartford speech, aggressive and uncompromising, conceding nothing and asking no quarter.

Gen. Hardin's friends are disappointed that he cannot be here tomorrow. They have endeavored to have him upon the scene, but his appointments in other sections of the State prevent his attending the convention.

Mr. Goebel and Urey Woodson, of Owensboro, arrived this morning and took rooms at the Latham. Hon. John Oberholtz, of Madison county, candidate for Auditor; Major Thomas Hayes, of Jefferson, candidate for Lieutenant Governor; Hon. Gus Conliffe, of Graves, candidate for Auditor; Hon. John S. Smith, of Bourbon, candidate for Attorney General, and Judge W. B. Fleming, of Louisville, candidate for Attorney General, are among the candidates who have arrived. The trains tonight and tomorrow morning will bring scores of delegates.

The convention will be called to order at 2 o'clock tomorrow afternoon in the circuit court chamber.

AMENDED

Charter Of Cumberland Telephone Co Recorded

CAPITAL NOW \$6,000,000

From Wednesday's daily.

Amended articles of incorporation of the Cumberland Telephone and Telegraph Company were lodged for record in the county clerk's office yesterday.

This instrument goes on to state that a resolution was passed at a recent meeting of the stockholders at Hopkinsville increasing the capital stock of the company from 30,000 shares to 60,000 shares of \$100 each per share, as well as increase to aggregate \$6,000,000 of dollars in all.

The resolution also provides that the indebtedness shall not be limited to 50 percent of the capital stock but may be to any amount not exceeding the authorized capital stock.

The document is signed by Jas. E. Caldwell, President, together with the directors of the company as follows: G. B. Kutz, W. W. Berry, V. E. Schwab, M. J. Smith, Harry Sperry, A. G. Sharp and Wm. Littler.

These amended articles will have to be recorded in all the counties through which the lines of the company pass. This document is only thus far been recorded in Christian and Henderson counties.

DR. HAWTHORNE RESIGNS.

After the sermon at the First Baptist church in Nashville, Sunday morning, Dr. J. B. Hawthorne, pastor, announced his intention to resign the pastorate. This announcement came in the nature of a surprise to the congregation. In making this announcement the pastor said:

"After forty-one years of labor in teaching men to become reconciled to God, the Lord seems to be saying to me, 'Enough.' Now comes the period of final trial in which will be made manifest the sincerity of my character. If it be my work in the Christian ministry to be done, and I must be laid aside, I say, 'This will be done.'"

Late on Dr. Hawthorne said his decision to resign was final and he preferred that it take effect at once, but if necessary he would remain until June 1.

Dr. Hawthorne has recently been suggested as the man to succeed Dr. Whitsett, President of the Baptist Seminary at Louisville.

Will Be Mustered Out.

WASHINGTON, D. C., March 8.—The Third Kentucky Regiment will be mustered out of service at Savannah, Ga., on April 1.

An official order to this effect was signed today.

Orders were issued at the War Department Tuesday for the Twelfth New York Volunteer Infantry, now at Matanzas, Cuba, to take passage on the transport Berlin for New York city, where it will be mustered out. This is the beginning of a general movement for the mustering out of all the volunteer troops stationed in Cuba, and indicates that the administration believes that the time has come when it can safely reduce its military forces in Cuba. The fact that the rainy season is not far off is a potent reason for the early recall of the volunteer of the volunteer troops in Cuba. The somewhat movement will be graded.

The volunteer troops now on garrison duty in Cuba and under master out orders include the One Hundred and Sixty-first Indiana, Third Kentucky and Fourth Tennessee.

CHINN AND BRONSTON; SCRAP.

[Special to New Era]

LEXINGTON, Ky., March 9.—Col. Jack Chinn publicly attacked ex-State Senator Charles Bronston yesterday afternoon. A tragedy was narrowly averted by both being placed under bond. While both are prominent in politics, the trouble was caused by a snarl brought by Bronston against Chinn, and not factional differences.

Chinn asked Bronston if he had a pistol. The Senator said, "No."

"Then you'd better get one."

At this moment friends intervened. Bronston left the hotel and Chinn remained in the lobby.

"The reason I attacked Bronston," he said, "was because he filed a suit in which he said my wife had conspired to rob and defraud."

Bronston returned with a pistol and was arrested, but released without bond. He said he merely went to defend himself.

After waiting half an hour with his gun, Bronston was rewarded by the sight of Chinn, who, followed by a crowd, came up to the hotel and went in. He looked at Bronston but did not move. Bronston glared but made no move. Chinn entered the hotel within twenty feet of Bronston, went to his room and said he would let Maj. Johnston settle the difficulty today.

BEAUTIFUL HOME DESTROYED.

The handsome home of Dr. G. A. Harrel, at Trenton, was destroyed by the fire at 10 o'clock Wednesday morning. The cause of the fire is not known. The dwelling was one of the prettiest in the village of Trenton and the loss amounts to \$14,000. It is insured to the extent of \$2,000.

EVENT

Of The Local Theatrical Season.

HIGH CLASS OPERAS

The advent of the celebrated Andrews Opera Company in this city Friday and Saturday night, with Saturday matinee, will be held with delight by all who admire the classic and artistic in music, and the exceptional merits of this aggregation deserve the most generous patronage.

Their presentations of grand and comic operas in English are unequalled by any organization in that line, and Managers Holland and Banks are to be complimented for their good taste and foresight in securing this attraction. So far this season there has been a decided dearth in the way of high-class musical entertainments, and a presentation of grand opera would be as an oasis in the desert of farce comedy and melodrama to trash so predominant upon the stage today.

The pronounced success this company made during its run in Philadelphia last season, is sufficient assurance of its capabilities, and the cast is individually the same as it was then, including Frank W. Walters, leading tenor, Miss Myrtle French, prima donna, soprano, Miss Catherine Lee and Pearl Nightingale, contraltos, Geo. Andrews and W. O. Howard baritone, Ed Andrews comedian, and Tom Johnson basso. These artists certainly form an array of talent fully adequate to the very highest class of operatic work.

Their repertoire denotes careful selection, and includes both popular and classical scores. The following operas will be given here: Pique's sublime "Martha," Balfe's "Bohemian Girl," Macmagna's prize opera "Cavalleria Rusticana," Gilbert and Sullivan's "Pirates of Penzance."

This will be the first appearance of this splendid company in this city, and the present outlook gives every promise of a great success as inquiries for seats at Hopkins have been unusually numerous.

THE STATE CONVENTION

Will Be Held in Louisville On Wednesday, June 21.

From Thursday's daily.

The Democratic State Executive Committee met in Lexington yesterday and called a convention to be held in Louisville on June 21 to nominate candidates for State offices.

Delegates will be elected by county and legislative district mass conventions on June 17.

Mr. Otis James, of Crittendon county, as stated in the New Era's telegraph columns yesterday, was elected at a joint meeting of the State Central and Executive Committees to succeed Senator Goebel as a member from the State at-large.

TRENTON REVIVAL.

It is announced that Evangelist Lowry, of Little Rock, Ark., will, sometime in April, begin a revival meeting in Trenton.

DELAWARE BY WEATHER.

On account of the wet weather but few birds have yet been burned, and farmers are much behind with all of their work.

THE NEW JUDGE.

Col. Walter Evans will take his place on the Federal bench next week. He will probably sit in the District Court on Monday or Tuesday. There is no regular session of either branch of the United States Courts scheduled for next week, but on Monday and Tuesday Judge Evans will probably sit in the District Court to handle only small legal matters that may have accumulated. His first legal term begins at Paducah on April 3.

FRUIT KILLED.

A Grower Says There Will Little Or None.

It is said that all the peaches, plums and apricots are killed this year in Southwest Kentucky and that they will not even bloom, says the Paducah Sun. The cold weather came at the wrong time, and nipped them in the bud. A well known fruit grower who has fully investigated the matter says that all fruit with kernels is killed. He is so confident of his correctness that he has for several days been buying up canned peaches for summer use.

"I found that I could buy 25 cent peaches for 15 cents," he said, "and have been buying them. I know they will be more than worth it next summer."

GOES ON THE ROAD.

Mr. James M. Green has accepted a position with the Huber Manufacturing Company, of Ohio. This is one of the largest factories in the United States and their engines and threshers are known throughout the country. Mr. Green will travel through Kentucky and Tennessee in the interest of the firm. He is one of the best posted machine men in the South.

EAST SCHOOL HOUSE.

The farmers were greatly pleased to see a few days of sunshine last week, and have sown many plant beds.

All indications show that there will be a very light crop of wheat raised in North Christian this year.

But few of the farmers have yet got their tobacco off their hands as the roads and weather are such to keep them from handling or hauling.

The "grip" is raging as an epidemic in this section, but I am glad to report that all of its victims are much better at this time.

Perhaps some of our readers would like to know where East School House is. It is situated seven miles North of Hopkinsville on the Butternut road, the citizens of this vicinity are a host of as royal people as the world ever knew.

The Universalist church at Consoletion will hold its regular meeting the third Sunday in May. It will be conducted by Rev. Shinn. Those who have never heard Brother Shinn would be greatly pleased if they attended.

Though the mud is very deep the cattle men are robbing the cows of their milk and are paying from \$5 to \$10 each.

His 80th Birthday.

Descendants of Mr. S. T. Winfree Honor His 80th Anniversary.

From Wednesday's daily.

Mr. S. T. Winfree celebrated his eightieth birthday yesterday at his home near Oakley. His children, grand children and great grand children gathered around the hospitable board and partook of a splendid repast. In the center of the table was a huge cake on which burned eighty tapers, symbolizing the years of the venerable citizen's life. From the ceiling above, a wheel artistically wrought in flowers was suspended over the table. The fourteen children were represented by as many spokes in the wheel, two broken spokes representing the sons who are dead. Telegrams and letters were received from absent members of the family in California and Evansville.
