ONE DOLLAR A YEAR.

HOPKINSVILLE, CHRISTIAN COUNTY KENTUCKY FRIDAY, MAY 19, 1899.

DROWNED

Aged Colored Minister
and Little Grandson

CAUGHT BY CURRENT.

Their Vehicle Swept Into
the Swollen Stream—
Chief Armstrong's
Heroic Act.From Friday's daily.
A tragedy occurred at the river
bed of the swollen river, an aged
colored Baptist minister, and his
little grandson, the four-year-old grandson of
Brougham.They were drowned at 11:30 o'clock
this morning, while some of people
looked on, powerless to aid them.The old man and his little grandson
in a buggy had driven down to the ford
at the foot of Second street to water
their horse Peter Brougham had the
reins and had driven into the river a
short distance. As he had to drive
back, the horse balked and refused to
climb the steep embankment. It was
the aged minister who had to get out
with the whip and the horse became
stubborn and untamable. He became
wild and ran down the river. Sud-
denly the horse current caught it and
began to run. The old man and his
little grandson were swept into the
middle of the swollen stream.The old man at this juncture was
carried from the buggy by the force of
the current. People upon the banks of
the river saw him struggling in the stream
striving vainly to reach the shore. Old
and firm, his strength was soon ex-
hausted, and the water closed over his
form. He was seen to sink at a point
half way between Second and Third
streets.The child instinctively clung on to
the buggy which retained its upright
position as the current swept the horse
and vehicle down the stream. Scores
of people had gathered upon the stone
bridge and upon the river banks and
looked on with horror as the horse
and buggy and child were swept beneath
the arch of the bridge.About one hundred feet below the
bridge the struggles of the half-drowned
at home overpowered the buggy. The
helpless child lay held upon the
vehicle and was torn from it by the
swift current.At this juncture Chief of Police E. H.
Armstrong, who stood with a group of
men upon the east bank, below the
bridge, threw off his heavy coat, and
heroically plunged into the turbulent
current to rescue the child. Before he had
reached the spot where the boy had
fallen from the buggy, the child had
sunk to the bottom, and it was im-
possible to dive for the body in the swift
current.People further down the
stream claim to have seen the child come
to the surface near the bridge, but these
stories are doubtful and are not cred-
ited. It is generally believed the child
was drowned just below the bridge at
the point where he was separated from
the buggy.The horse and buggy were carried on
by the current. Several times the an-
imal sank, and the spectators believed
that it had become entangled in the
harness and would not come to the sur-
face again. But as many times buggy
and horse would reappear at a point
further down the stream.At the head of the river below the
foot of Ninth street, the exhausted
horse was carried close to the bank and
this head above the water until a
man was brought and it was dragged
ashore.In the meanwhile the crowd upon the
bridge and upon the river bank had in-
creased to several hundred and specu-
lators came with a theory and a specu-
lation.Coroner Allenworth was upon the
scene and took steps for dragging the
river for the bodies. This work was de-
layed far into the afternoon owing to
the difficulty in securing a skiff and the
apparatus for dragging.At the hour the New Era goes to
press, however, the work is in progress
and it is hoped that both bodies may be
recovered before night.P. F. Brougham was one of the oldest
and most highly respected colored citi-
zens in the county. He owned his home
in the Eastern suburbs of this city,
where he had lived many years. He was
a man of fair education and fine natural
intelligence. For more than thirty
years he had been preaching the gospel
to his people and was at the time of his
death pastor of New Asia and Good
Hope colored Baptist churches in the
South part of the county.A SIMILAR CATASTROPHE.
Old citizens of Hopkinsville are re-
minded of a sad event, strangely simi-
lar in its details, which occurred more
than twenty years ago.Richard Lindsey, an old colored man,
who had worked for years as a liver-
y stable driver with his little grandson
in the same place for the purpose of water-
ing his horse. The river was very high
and the current swift. The horse and
buggy with its occupant were carried
down by the current. The old man was
drowned where the 7th-street bridge
crosses the river, and his body was found
when the water receded.The body of the child was found two
days later three miles further down the
stream.All kinds of sweet potato slips at Mc-

A NARROW ESCAPE.

Thankful words written by Mrs. Ada
Hart, of Groton, N. D.: "Was taken
with a bad cold which settled on my
lungs, cough set in and finally termi-
nated in consumption. Four doctors
gave me up, saying I could live but a
short time. I gave myself up to my
Savior, determined if I could not stay
with my friends on earth, I would meet
my God above. My husband was
advised to get Dr. King's New Discovery
for Consumption, Coughs and Colds.
I gave it a trial, took it in all eight bottles.
It has cured me and thank God I am
saved and now a well and healthy wo-
man." Trial bottle free at L. L. Elgin,

DON'T DESPAIR!

An American Scientist's Great Work.

Consumption, Pneumonia, La Grippe, Asthma, Catarrh,
Bronchitis and All Lung and Bronchial Troubles
Can be Positively and Permanently Cured.

Dr. Slacum's System of Treatment Has Revolutionized Old-Time Theories.

A Free Course of Treatment for All Sufferers for the Mere Asking.

SCENE IN THE SLOCUM LABORATORIES, NEW YORK CITY.
The Doctor Demonstrating to Medical Men, Scientists, Statesmen and Students
the Value of the New Slocum System of Treatment for the Permanent Cure
of Lung Consumption, Catarrh and All Pulmonary and Wasting Diseases.Do you cough?
Do your lungs pain you?
Is your throat sore and inflamed?
Do you spit up phlegm?
Does your head ache?
Is your appetite bad?
Are your lungs delicate?
Are you pale and thin?
Do you lack stamina?
Do you lack energy?These symptoms are proof that you
have in your body the seeds of the most
dangerous malady that has ever de-
vasted the earth—Consumption.
Consumption, the bane of those who
have been brought up in the old-fash-
ioned beliefs that this disease was heredi-
tary; that it was fatal; that none could
recover who were once firmly clasped in
its relentless grip.But now known to be curable, made
so by the world-stirring discoveries of
that man whose name has been given
to this new system of treatment.
Now known to be preventable and
curable by following and practicing his
hygienic teachings.The new system of treatment will cure
you of consumption and of all diseases
which can be traced back to weak lungs,
as a foundation.
It is not a drug system, but a system
of germ destruction and body building.Not guesswork, but science.
Not a step backward, but a stride out
of the old rut.
Made possible only by Pasteur's
Vichow's, Metchnikoff's and Slocum's
latest discoveries in bacteriology, hy-
giene and therapeutics.In plain English, a system of modern
scientific disease curing.
The system consists of Four Pre-
parations which act simultaneously and
supplement each other's curative action
in the most perfect manner.You are invited to test what this sys-
tem will do for you, if you are sick, by
writing for a free treatment to the Slocum
Laboratories, New York City.
Preparations of medicine will be free
for tested you.The system is a positive cure for con-
sumption, that most insidious disease
and for all lung troubles and disorder
complicated by loss of flesh, Coughs,
Catarrh, Asthma, Bronchitis, etc.
Thin, pale, weak people become fat
and hearty by its use.
The test is to try it.The Eagle, King of all Birds,

BLOOD

Spilled In Front Of A

A TRAGEDY IN TRIGG.

Ed. Wilford, Colored, Fir-
ed Two Bullets Into
Cy. Gaines' Body
Sunday Night.From Monday's daily.
There was a shooting scene at a
colored church, between Gracy and
Mongomery, Sunday night. Two
young colored men rescued a quarrel
and one of them was shot twice.Conducting stories about the alterca-
tion, are told. Edward Wilford and
Cyrrus Gaines, according to our report,
had a falling out at a crap game Sun-
day afternoon. That night, while on
the way to prison, they met in the
Hopkinsville road, almost in front of
the building of worship. One witness
says that Gaines pulled a knife and
started to carve Wilford. Another says
that the weapon was a pistol. Wilford
did not give him an opportunity to use
either, for he fired at Gaines three
times with a revolver, and two of the
bullets took effect. One entered the
man's left breast, above the nipple and
the other passed through his arm.Some of the church-goers put Gaines
in a wagon and carried him to his
father's home nearby. He is danger-
ously wounded. Wilford has made no
attempt to escape and says he will
surrender himself to the proper authority
at this afternoon.All kinds of sweet potato slips at Mc-
