20 Countians Compete In '47 Ky. Corn Derby Trip To U. Of Ky. Offered Winner By Farm Bureau

STATE PRIZES OFFERED

Twenty Fulton county farmers have entered the Kentucky Corn Derby. Last year's contest in Fulton county was won by R. B. Watts, Route No. 1, who made 112.3 bushels on his nine acre field.

This year's contest is divided into two classes, which are the one-acre class and the five-acre class. Premiums in the state contest in the five-acre class are: first \$200.00; second \$125.00; third \$75.00; fourth \$50.00; fifth \$25.00; sixth \$15.00; seventh \$10.00; eighth \$10.00; ninth \$10.00; and tenth \$10.00. In the one-acre class premiums will be: first \$150.00; second \$100.00; third \$75.00; fourth \$50.00; fifth \$25.00; sixth \$15.00; seventh \$10.00; eighth \$10.00; ninth \$10.00; and tenth \$10.00.

In the Fulton county contest, the Farm Bureau will give a trip to Farm and Home Week held at Lexington next January to the farmer producing the largest yield of corn.

This contest was started by the agronomy department at the University of Kentucky in 1946 to help Kentucky farmers to produce large yields of grain on small acreages of level land, so that the more rolling fields may be left with a vegetative cover.

Farmers who have entered the corn derby are: R. B. Watts, Paul Williams, Robert Adams, McGehee & Roberts, E. W. Yates, Earnest Johnson, Roscoe Stone, Henry Helm, Clem Atwill, Fred Collier & Eugene Dowdy, W. P. Burnett, Kenneth McCash, Neil Little, Billy Campbell, Roy D. Taylor, Hugh Garrison Jr., Hugh Garrison Sr., Paul Garrison, Parnell Garrison and Lemuel Simpson.

Work Is Resumed On Paducah Plant As Walkout Ends

Paducah, Ky., July 2—(P)—Construction on the plant of the Modine Manufacturing Company has been resumed here following settlement of a strike by members of the A. F. L. common laborers union.

The strike was started June 18 after H. Wallace Tanner, contractor, dismissed Rufus Garland, union steward. Yesterday Tanner rehired Garland with the understanding that if he did not perform his work properly he could be removed from the job.

Meanwhile, part of Paducah's plumbers and steamfitters were idle after five contractors failed to agree with the union on a \$2 hourly wage rate. An old contract, providing \$1.75 an hour, expired yesterday.

Chicks Guests At Strata Club

Group Of Diamond Fans
Host To Players, Wives,
FBA At Martin Today

A group of Fulton business and professional men were hosts this afternoon to a chicken dinner with all the trimmings at the Strata Club, near Martin, for all members of the Fulton Chicks' baseball team, their wives, directors of the Fulton Baseball Association and the proprietor of the score board at Fairfield Park, H. F. Rucker.

T. M. Franklin was toastmaster at the dinner and made a short talk. The Chicks, still the hottest team in the league during their phenomenal winning streak, recently were presented warm-up jackets similar to those used in the major leagues. Through the generosity of local merchants, the Chicks are the only team in the Kitty League to be completely outfitted with the new jackets. Most Kitty teams provide jackets for pitchers only.

Those who bought the jackets for the Chicks were Happy Hogan, The Steak House, Evans Drug Company, Fry's Shoe Store, Wick Smith, Jim Etheridge, Glenn Knighton, Joe Tripp, Buck Bushart, Joe Fuller, Kentucky Motor Co., Rushon's Cafe, Bill McDade, Graham and Exchange Furniture Companies, Fulton Automotive Parts Co., Andrews Jewelry Store and Huddleston Hardware Co.

Cayce Native Dies In Jackson

H. L. Bradley, GM & O
Dispatcher, Buried Today
At Hollywood Cemetery

Services for H. L. Bradley, night chief dispatcher for the G. M. & O. railroad at Jackson, Tenn., who died Monday night after a heart attack while at work there, were held at 11 o'clock this morning at Smith Funeral Home chapel in Jackson. The Rev. H. J. Burkett officiated. Masonic services and interment were at Hollywood cemetery.

Born in Cayce, Mr. Bradley moved to Jackson 39 years ago. He had worked for the G. M. & O. since he was 19, and had been night chief dispatcher for 15 years.

He was a member of the Lam-buth Memorial Methodist church, Jackson Lodge No. 45, Free and Accepted Masons, Clinton Chapel No. 13, Al Chymia Temple and Jackson Shrine Club.

He leaves his wife, Mrs. Louise Bradley; two daughters, Shirley Louise Bradley and Mrs. L. M. Berryhill of Huntsville, Ala.; his mother, Mrs. M. E. Mays of Cayce; a half-brother, Bill Mays, also of Cayce; two sisters, Mrs. Emma Hawkins of Fulton and Mrs. Thelma Kincaid of California.

Clements Is Tool Of K. U., Waterfield Charges; Cites Congressman's Record In State Legislature

Calhoun, Ky., July 1—Harry Lee Waterfield tonight charged that Earl C. Clements' record in the Kentucky State Senate "marks him as a political tool of the Kentucky Utilities Company."

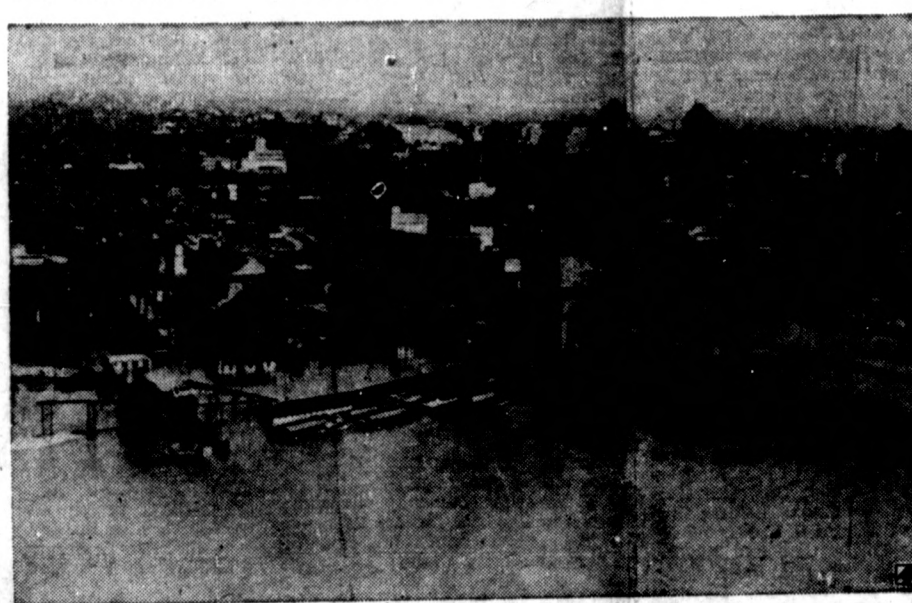

Speaking to a crowd of McLean county voters at the Court-house here, Waterfield declared there as a "decided difference in the campaign utterances of candidate Clements and the record he made as a member of the State Senate in 1942 and 1944." Both are candidates for "the Democratic nomination for Governor."

"On February 19, 1942," Waterfield said, "Clements, as a member of the State Senate offered an amendment to House Bill 146, which was the T. V. A. Enabling Act, which would have required two-thirds majority vote of a municipality to permit a municipality to purchase its public-utility plant. The amendment was defeated 25 to 13. Clements voted for it."

"On the same date, another enemy of T. V. A., Senator D. C.

Another Slight Rise In Mississippi Expected After River Halts Shortly At 103-Year Record

St. Louis, July 2—(P)—The raging Mississippi River continued its destructive sweep past the St. Louis area today after breaking four nearby levees and routing thousands of persons from their homes when additional dikes were threatened.

The river surged to a 103-year high of 40.2 feet following Monday night's torrential rains, then remained stationary for several hours, but Harry F. Wahlgren, U. S. meteorologist, said the stream would probably climb another tenth of a foot before falling. The all-time record here is 41.3 set in 1844.

U. S. Army engineers estimated damage between Louisiana, Mo., and Cairo, Ill., at nearly \$12,000,000—most of which was caused to farmland and buildings. Farm agents pointed out that most of the agricultural loss would result from inability to raise a crop in the growing period remaining.

Some 26,800 persons were reported homeless by the Red Cross in the four-state area of Missouri, Illinois, Iowa and Nebraska but many of those in the

area had been evacuated from their homes to higher ground.

A hundred miles south of St. Louis, at Grand Tower, Ill., Mayor Jesse Grammer said that an all-time high of 40 feet was expected, which would top the 1844 record there by two to four tenths of a foot.

"We will be shut off from all roads soon," he said.

Tennessee's Tax Collections Reach All-Time Record

Nashville, Tenn., July 2—(P)—Collections by the state Department of Finance and Taxation skyrocketed to an all-time high of \$74,595,068 during the fiscal year ended June 30, the department reported today.

These collections did not include anything from the state's newly enacted sales tax, expected to produce from \$20,000,000 to \$25,000,000 this year. First returns from this tax have just begun to trickle in.

The total was \$10,443,999 above collections for fiscal 1945-46 and \$22,861,055 above the year before that, with gasoline taxes representing about half of the increase the past year.

The industry spokesmen who confirmed this meeting said western operators agreed to the wage pledge.

This left southern mines—which produce about 25 per cent of the nation's soft coal—faced with the prospect of capitulating on the same terms or seeing their pits closed when the miners' 10-day vacation ends next Tuesday.

Even Governor Must Pay His Way Into State Fair

Louisville, Ky., July 2—(P)—Everybody, even the governor, will pay his 50 cents to get through the gates of the Kentucky fair this fall. Says the fair's new manager, Jack O. Madlock, said the fair entrances will be equipped by coin-operated turnstiles manned by uniformed, bonded gate-men.

Only exhibitors and fair employees will get in without paying this year, Madlock declared. "The manager declared the fair in previous years had lost 'thousands of dollars' by issuing passes to persons not entitled to them."

Louisville Judge To Hear Gambling Suits Next Tuesday

Louisville, Ky., July 2—(P)—Gambling suits against seven Louisville places are scheduled to be heard next Tuesday following Circuit Judge Lawrence Speckman's refusal to dismiss the complaints.

Yesterday, Judge Speckman also continued the restraining orders that prohibit gambling in the establishments.

The defense had sought the dismissals on the ground that the suits were not signed personally by Attorney General Eldon S. Dummitt.

Richardson Suit Settled

Out-Of-Court Agreement
Reached By Attorneys
In \$50,000 Damage Case

Union City—An eleventh-hour settlement out of court of a \$50,000 damage suit involving Obion and Fulton counties resulted when attorneys reached an agreement after federal court opened in Jackson, Tenn., Monday.

The case was the damage suit filed by Mrs. Beatrice W. Richardson against Lloyd Bone, Ben Spanks and the Kentucky Utilities Co., growing out of the death of her husband, Dr. W. J. Richardson, in an accident near Fulton March 26, 1946.

Amount of the settlement was not revealed.

The case, originally introduced into circuit court here and transferred to federal court in January, 1947, was slated for trial before Judge Marion S. Boyd at Jackson.

Dr. Richardson, Fulton veterinarian, was killed when his automobile struck the rear of a truck hauling Kentucky Utilities power line poles. The suit charged that the truck was parked on the highway without sufficient precautions having been taken. The truck was owned by Mr. Bone and was being driven by Spanks, colored, Fulton.

Double Suicide Theory Discarded In Death Of Two

Frankfort, Ky., July 2—(P)—Franklin county Coroner Louis LeCompte today was pursuing a theory that the death of a young Army veteran and an older man in a shack west of Frankfort may have been murder and suicide, instead of a double suicide as at first announced.

LeCompte said his investigation has led him to believe that Lee Edward True, 24, of Trueville, Owen county, was injured here yesterday in a three-way spill at the first day of the Hopkinsville fair, was expected to be out of the hospital today.

H. G. Adcock, 51, of Pembroke and Dr. V. T. Rose, Elkton veterinarian, also were injured in the collision.

Three Drivers Injured At Hopkinsville's Fair

Hopkinsville, Ky., July 2—(P)—Lon Line, 66-year-old harness race driver, who was injured here yesterday in a three-way spill at the first day of the Hopkinsville fair, was expected to be out of the hospital today.

H. G. Adcock, 51, of Pembroke and Dr. V. T. Rose, Elkton veterinarian, also were injured in the collision.

Coal Operators Say UMW Strike Will Be Averted By Pay Raises

Washington, July 2—(P)—Powerful soft coal operators here acted today that an agreement will be reached with John L. Lewis in time to avert an all-out strike next Tuesday in the bituminous industry.

The operators, who asked to remain anonymous, said the United Mine Workers' chief already been assured by influential industrialists that his soft coal diggers in northern and western pits will get their full 35 cents an hour wage hike demands.

The concessions were made at a secret meeting last Thursday attended by Lewis, President Benjamin F. Fairless of the U. S. Steel Corporation, Chairman George M. Humphrey of the Pittsburgh Consolidation Coal Company, and other northern producers.

The industry spokesmen who confirmed this meeting said western operators agreed to the wage pledge.

This left southern mines—which produce about 25 per cent of the nation's soft coal—faced with the prospect of capitulating on the same terms or seeing their pits closed when the miners' 10-day vacation ends next Tuesday.

Another Attempt To Cut Taxes May Be Made By GOP Leaders; Martin Predicts House Passage UMT Proposal School, Housing Aid Bills Dead

Washington, July 2—(P)—Republican leaders scheduled a conference today to map a legislative program for the closing days of this session of Congress. It may include another try at tax reduction.

But they probably will postpone until next year final action on universal military training, federal aid to education and a long-range housing program.

The big question before them was this: should they try to re-pass the vetoed \$4,000,000,000 tax reduction bill?

Still in doubt, apparently, is the Senate's willingness to override the tax bill. As the introduced it would start the proposed income tax cuts January 1 instead of yesterday's effective date as in the original bill.

Speaker Martin (Mass.) said House passage of the bill is likely.

Reject U. M. T.

On other measures, leaders were reported to have decided there is no time to consider universal military training. President Truman has endorsed this proposal.

The House apparently still is determined to block proposals to provide additional government assistance on housing and for federal aid to education.

Chairman Taft (Ohio) of the Senate GOP Policy committee wants both enacted. He may seek Senate approval of one or both.

Political Battle

Meanwhile, a new political battle erupted between the White House and Republican lawmakers. The GOP Congressmen are demanding that President Truman produce evidence that real estate lobbyists influenced Congress rent control action.

Senator Wherry (Nebr.), the Republican whip, called on the President to order prosecution of any lobbyists he considers guilty of "subversive" activities.

Wherry said that if Mr. Truman has no concrete evidence to back up his charges "he ought to apologize to Congress."

Asked An Inquiry

The President asked for a Congressional investigation of what he called the "brazen operations" of lobbyists. He said nothing could be more clearly subversive of representative government "than efforts to 'block programs so essential to the needs of our citizens.'"

In an angry speech, Wherry demanded that if Mr. Truman has any information on "subversive activities" he submit it to the Justice Department.

Senator Hatch (D-NM) replied that "every Senator has the right to criticize the President of the United States, but by the same token it is just as proper" for the chief executive to criticize Congress.

Secretary of State Marshall went to Capitol Hill again to urge that the State Department's foreign information program be made permanent. He was scheduled to testify before a Senate Foreign Relations subcommittee on a House-approved bill by Rep. Mundt (R-SD) to authorize a full blown cultural and information program.

Batts Is Promoted To Claim Agent; Stays In Chicago

James L. Batts, son of Mrs. Rubye Harper of Fulton, has been transferred from the Illinois Central railroad's accounting department in Chicago to the G. M. & O. claim department in Chicago as claim agent.

Mr. Batts has many friends in Fulton who wish him every success following his promotion to the new position.

Chicks Repeat Over Mayfield By 9-3 Score

Fulton Has Won 19 Of Last 24

The Chicks continued on the warpath last night at Fairfield by scalping the Mayfield Clothiers 9-3. It was Fulton's second win in two starts over the second-place team, and brought their winning streak to seven in a row. The win was also the Chicks' nineteenth victory out of their last 24 games.

Playing under a new skipper since June 10, they have defeated Owensboro two out of three, taken a clean sweep of three from Madisonville, duplicated the trick with Clarksville, and won four with Hopkinsville. Clarksville and Hopkinsville again each two out of three, wrested third place from Union City with three straight wins, and are now knocking at the second-place door with victories in the first two games of a three game series.

On June 10 the Chicks stood in seventh place in the league with a percentage of .371. They are now in third place, six games out of first and three games out of second, with a percentage of .542.

Eldridge was the winning pitcher last night, giving up only five hits. He pitched hitless ball for five innings and then spaced out four singles and a double, one per inning, except in the ninth when Tolson and Fassero connected for a single apiece.

Pechous led the hitting parade for the Chicks with three for four, followed by Gray, Peterson, Rhodes, and Seawright, each with two, for a total of 13. The Chicks scored first in the second inning when Pechous led off with a single. Peterson struck out and Rhodes connected for a double, pushing Pechous around to third. Seawright then doubled to score Pechous and Rhodes. Lis struck out and Eldridge flew out to first to end the inning.

In the seventh, Lis, the first man up, knocked a high one to the catcher for the first out. Eldridge was safe at first on an error. Buck flew out to center field for the second out. Then Gray slashed out a double to score Eldridge who really put out rounding the bases. Propst went out second to first for the third out.

The eighth saw the Chicks in full warpaint as the massed the Clothiers, with Pechous again starting off with a single. Peterson followed with a single that sent Pechous to third and Peter-

son went to second on the shortstop's error. Rhodes then bounced one against the wall for a triple to score Pechous and Peterson. Seawright singled to score Rhodes, and the Mayfield infield started rolling the ball around on the ground apparently without purpose. The next man, Lis, was safe at first on a fielder's choice and Seawright was also safe at second on an error. Eldridge was safe at first on a fielder's choice, forcing Seawright at third. Buck cleared up the infield muddle with a clean double to score Lis and drive Eldridge to third. Gray walked and Propst hit a double to score Eldridge and Lis and pvt Gray on third. At this point Deniston pulled Bordt and sent Brill to the ant hill for the Clothiers. Brill walked Pechous, and Peterson, safe at first on a fielder's choice, forced Gray at home. Rhodes fended the inning by forcing Peterson at second. It all totaled six runs and six hits for the Chicks in the eighth.

Mayfield scored once in the fifth, once in the eighth and once more in the ninth. In the fifth Mainer led off with a walk and advanced to second when Tolson went out pitcher to first, then went on to third on a wild pitch. Fassero walked and Bollinger flew out to right field, Mainer scoring on the throw in. Bordt was out on a ground ball to short to retire the side.

In the eighth Bordt led off with a double. Howson was out second to first, advancing Bordt to third. Arant flew out to short. On a wild pitch Bordt came home with a run. Williams walked and Deniston was safe at first on an error. Eldridge then struck out Mainer to end the threat.

Tolson led off with a single in the ninth and Fassero hit clean for a base to advance him to third. Bollinger knocked a high, long one to Pechous in center field and Tolson beat the throw in home. Brill struck out and Howson lifted another one to Pechous to retire the side and end the ball game.

The Chicks go after their eighth straight win tonight against the same team in the same park, game called at 8 o'clock. Engel, the Chicks' leading hurler, is slated to pitch. He will be trying for his tenth win this year. Last Friday night at Union City he shutout the Greyhounds to make his record nine wins and two losses for the season thus far.

N. Y. Man Adds To State Property

Louisville, Ky., July 2.—(AP)—The National Theater, the Realty Building and the Southland Apartments here are the property today of L. Jerome Riker of Brooklyn, N. Y., and his associates.

Riker said the group paid A. J. Hoffman, Evansville, Ind., a total of \$1,000,000 for the property.

Two weeks ago the Mayflower Apartments here were transferred to Riker for \$500,000.

Frankfort — Mrs. Christine Bradley South of Frankfort has resigned her position with the state Health Department in order to campaign for John Fred Williams, who is seeking the Republican nomination for governor. She is a daughter of the late Gov. William O. Bradley and a cousin of the late Gov. Edwin P. Morrow.

Frankfort — Earl "Red" Chandler, Paintsville, said he didn't mind being listed in an article on candidates using nicknames but he objected to being called a Democrat. He said he's a Republican and that there isn't a Democrat running for the office he seeks—representative from the 98th District, Johnson and Martin counties.

Louisville—Treasury Department agencies here will lay off 170 employees because of yesterday's Congressional slash in the department's appropriations. The Bureau of Internal Revenue office will drop 54 and the Federal Alcohol Tax Unit will lay off 114, while the Secret Service will discharge two.

Paducah—Victor C. Hobday has taken the oath of office as Paducah's fifth city manager. Hobday, a native of Falmouth, succeeds Charles A. Williams.

Farmington—An iron safe stolen Monday from the Farmington post office has been found near Kirksey, Calloway county. Sheriff Wendell Patterson reported. The thieves removed \$18 in cash but left stamps, money orders and papers.

Lexington — Lloyd Denton, Lexington, was being held in jail without bond here today on a charge that he attempted to rape his 12-year-old, deaf-mute niece, according to Magistrate R. L. Jackson. The magistrate also fined Denton \$100 and sentenced him to 50 days on a charge of breach of peace.

Lexington — The Kentucky Seed Improvement Association will assemble here tomorrow for a two-day educational and business meeting. B. W. Fortenberry, manager, announced. Speakers will be heard tomorrow and directors will be elected Friday.

Pineville—Clear Creek Mountain Preachers Bible School has announced receipt of \$5,000 for

Dealing quieted after an active opening. While fractional losses appeared as the session proceeded, gains running to a point or so were well distributed near midday.

Touchnig highs for 1947 were Nickel Plate Preferred, Pure Oil, Standard Oil of Calif., Pepsi-Cola and Joy Mfg. Ahead most of the time were U. S. Gypsum, Owens-Illinois, International Harvester, Republic Steel, Santa Fe, Pennsylvania Railroad, Nickel Plate Common, N. Y. Central, American Telephone, Anaconda and U. S. Rubber. Occasional stumblers were U. S. Steel, Chesapeake & Ohio, United Aircraft, du Pont and American Smelting.

Bonds were steady and cotton futures lower.

Louisville — Seventeen-year-old Billy Alan Wright, who pleaded guilty of murder, has been sentenced to life imprisonment here in the slaying of Mrs. Virginia Marcum, landlady of a rooming house where he lived with his father. Wright said he had planned to rob her but became frightened after killing her.

Lexington — A two-day tuberculosis nursing conference is scheduled here July 10-11 under the auspices of the state Department of Health.

Warsaw — Judge Ward Yager of Gallatin circuit court has sentenced Howard Franklin House, 19, to life imprisonment after the youth pleaded guilty to the rape of 65-year-old Mrs. Tulle Morgan, a newspaper carrier.

Dayton — Searchers were dragging the Ohio River here for the body of 12-year-old Eugene Spence, Ludlow, who was reported to have disappeared after a canoe in which he was riding overturned. Carl Wilder, 15, of Cincinnati, the other occupant, swam to safety.

Georgetown — Frank Owens Company of Louisville has been awarded a contract to build a chapel at Georgetown College at a cost of \$300,000. It will replace a building which burned in 1930.

Lexington — The Fayette county board of education has elected Roscoe Lee Grider of Albany to be principal and vocational agriculture teacher at Athens high school, succeeding Ernest Threlkeld. Grider has been on the faculty of Waco high school for nine years.
