WE ARE COMPETITIVE

We Can Sell You Lumber On The Same Basis As Truckers

At Truck Prices!

There is nothing to be saved by patronizing them. The lumber that has been trucked into Fulton has been stock-

ed on open lots all in one handling, and the cash paid to the driver at the time of unloading. We can do this same

thing.

Give us the bill of your needs and we will haul the lumber directly from the railroad car to your job at prices as low as any trucker will deliver it.

No retailer can give the customary service of credit-

selling, warehousing and delivering a few pieces at a time and meet this competition. The trucker has no overhead except his investment in the truck, and his entire “stock” consists of one load on his truck.

We repeat, let us deal with you on the same basis as would the trucker, and we guarantee to sell you at his

prices -- or below.
