To Play Tomorrow Against VFW Nine

FULTON, July 24—(T)—One-Arnmen took the field against the VFW nine here today at the end of a near-3-hour contest in which the home boys outscored the visiting team 9-3. The game was played at the field behind the National Bank.

The game was a nail-biter from the opening pitch and neither team could gain the upper hand until the fifth inning, when the local boys scored three runs and broke loose for the victory.

The game was played on a hot day, and both teams were under fire. The game was stopped briefly at the top of the seventh inning for medical treatment for a VFW player who was hit by a pitch.

The game was played in a spirit of sportsmanship and good will.

French Still Fear Germany

The French government has been told by the British government that it will not be allowed to become strong so that it can become a war potential. Distrust of the French is due to the fact that if the Germans are permitted to become strong they will again undertake aggression.
