Medical Colleges Accept 5 Students; Dental Schools, 3

Five pre-medical and three pre-dental students have been accepted for graduate and professional studies, according to Dr. Liza Spann, biology department.

The pre-medical seniors are: Jo Colley, Mayfield; Lloyd King, Mayfield; Morton Morris, Murray; Jerry Patey, Hickman; and Frank Rickman, Murray.

The three pre-dental students are: George Oakley, junior, Murray; Doug Wallace, senior, Symsonia; and Anna Winebarger, senior, Murray.

King, Oakley, Wallace, and Winebarger will study at the University of Kentucky. Miss Colley, Patey, and Rickman were admitted to the University of Louisville. Morris has been accepted by the University of Illinois.

Seven-Story Dorm To Hold 552 Men

Construction plans are near completion for Hart Hall, a seven-story men's dormitory which will house 552 men, according to President Ralph H. Woods.

The new dormitory will cost \$2,050,000 and will be located in Orchard Heights near the other four men's dormitories.

Hart Hall has been named for Mr. George Hart, president of the Bank of Murray and member of the Board of Regents.

Mr. Hart, who is serving his second term as a member of the board, served as circuit court clerk for 12 years and mayor of Murray for 20 years.

He is a past president of Kentucky Bankers Association and a former member of the Kentucky board of education.

Students Requested To Turn In Forms In Cafeteria Survey

Students who haven't turned in cafeteria questionnaires are asked to do so by Dick Habermel, chairman of the cafeteria committee for the Student Organization.

Questionnaires can be turned in at the desks in the dormitories or at the Student Organization room in the Student Union Building.

Atmosphere of the cafeterias, the price, quality, and quantity of the food, the hours the cafeterias are open, and compulsory meal tickets are items being evaluated on the questionnaires.

PROFESSIONAL STUDY Pre-medical and pre-dental students who have been accepted for advanced study are: (standing left to right) Frank Rickman, Jerry Patey, Jo Colley, and Lloyd

King; (seated) George Oakley, Anna Winebarger, and Doug Wallace. Absent when the picture was taken was Morton Wallace.

3 Students Will Stage One-Act Plays May 7

Three student-directed, one-act plays will be presented May 7 in the Auditorium.

The plays are: "The Flattering Word," "The Twelve-Pound Look," and "Riders to the Sea."

The plot of "The Flattering Word" involves the Rev. Rigley, who is terribly set against the theater. Eugene Tesh, an active friend of Mary Rigley, changes the minister's mind about the theater by using "the flattering words" that he should be on the stage.

The parts are played by: Dale Trude as Eugene Tesh; "Sissy" Young as Lena Zooker; Jill Pratt as Mary Rigley; Mike McCasey as the Rev. Rigley; and Polly Ann Nash as Mrs. Zooker.

The "Twelve-Pound Look" is a play about a woman who has become tired of her existence. She is married to a man who has let success get the best of him and almost gives up when she learns from a working woman something of the joy of labor.

The parts are played by Gary Bell as Sir Harry Sims; Keila Wakeland as Lady Sims; Christine Carter as Kate; and Richard Burgess as Tombs.

"Riders to the Sea" is a play of a family's relationship to the sea, and how the sea's environment affects the people.

The parts are played by Alice Joiner as Maurya; Barbara Gold-

sby as Kathleen; Jane Bledsoe as Nora; Ken Zimmerman as Bartley; Jim Felts as the Old Man; and Martha Pierce as the Old Woman.

Directors for the plays are: Maren Heuser, junior, Louisville, "The Flattering Word"; Pat South, senior, Indianapolis, "The Twelve-Pound Look"; and Gene Raye Miller, senior, Owensboro, "Riders to the Sea."

Carnival Chairman Asks Clubs to Name Royalty Candidates

Organizations on campus have been asked to submit names of one man and one coed as candidates for king and queen of the Spring Carnival, according to Bill Cunningham, chairman of the carnival.

The carnival will begin at 7 p. m., May 7 in the ballroom and Meeting Rooms 1-2 of the Student Union Building.

Organizations may begin setting up booths at 8 a. m. May 7, Cunningham said.

Each person attending the carnival will be able to vote for the king and queen.

Admission will be free, and a door prize will be given. Dress will be casual, and background music will be furnished to give a carnival atmosphere.

Cartoonist Needed For Fall Semester For College News

Would you like to be the staff cartoonist for The College News this fall?

All students who are interested in the position are invited to submit samples of their work to Prof. L. H. Edmondson, director of journalism, during the week of May 11.

The post will be vacant this fall as Larry Barton, staff cartoonist for the last three years, will be graduated at the end of summer school.

"Barton's work has been unusually fine," Mr. Edmondson said. "I know of no other college newspaper, including the dailies issued by the largest universities, that has had cartoons as good as ours these last three years."

Applicants' samples should be done in black ink on heavy white paper. Each applicant should submit three 8x8 drawings on campus subjects of his choosing, Mr. Edmondson said.

Students Must Pay Debts To Take Final Exams

Students will not be allowed to take final examinations if they are indebted to Murray State College in any way, according to Mr. P. W. Ordway, business manager.

These debts, which include parking fines, telephone bills, and library fines, should be taken care of as soon as possible, Mr. Ordway said.

College Budget Of \$4 Millions Set by Regents

A total operating budget of \$4,000,250 for Murray State was approved by the Board of Regents April 20.

Included in the budget was a faculty salary schedule that ranged from \$6,200 to \$13,000. Instructors receive from \$6,200 to \$8,400, assistant professors from \$7,300 to \$9,000, associate professors from \$8,300 to \$11,000, and professors from \$9,500 to \$13,000.

The board also approved an application for funds to build a men's dormitory to house 552 men and a resolution permitting the college to cooperate with the Tennessee Valley Authority in the use of facilities in the "Between the Lakes" area for laboratory work in camping and music.

The Freed Cotham Company of Murray was awarded a contract to air condition the lobby and parlors of Woods Hall.

Leaves of absence were granted to:

Dr. Gordon Hunter, biology department; Mrs. Mamie Anderson, assistant librarian; Mr. Donald Hicks, chemistry; Mr. W. J. Pitman, biology; Dr. John Williams, biology.

Mr. James Miller, mathematics. (Continued on Page 2)

Entries Due Friday In All-Campus Sing Sponsored by SAI

Entries for the All-Campus Sing on May 13, sponsored by Sigma Alpha Iota, women's professional music fraternity, should be turned in by Friday, according to Karen Bryant, chairman of the contest.

A meeting will be held Friday at 3:30 in the SAI room in the Fine Arts Building for the representatives of groups which have entered the contest.

Three organizations have entered so far. They are Tau Kappa Epsilon, Sigma Chi, and the Baptist Student Union.

Three posters advertising the All-Campus Sing must be submitted by each participating organization, according to Miss Bryant. An award will be given for the best poster.

Trophies will be awarded for the best girls' chorus, best men's chorus, and the best mixed chorus. The best director will be chosen also.

Off-campus judges will select the winners.

THIS PINT MAY SAVE A LIFE Dr. Frank Steely, history division, was one of the 230 donors who gave pints of blood Friday at the Red Cross blood station in the Carr Health Building. With the 230 pints the Calloway County chapter went over its quota of 200 pints. The first picture shows Dr. Steely having his

blood pressure checked by Kenny Shoemaker, registered nurse. After Dr. Steely's examination Mrs. C. Gantzer, registered nurse from the Nashville Red Cross office, and Mrs. William D. Caldwell, one of the Murray blood station aides, prepared him for giving blood. Mrs. Gantzer is shown removing the pint of blood given by

Dr. Steely. Before leaving the blood station, donors were given refreshments. About 40 volunteers assisted at the blood station Friday. Since the Calloway County chapter reached its quota, all county residents will be able to receive blood anywhere in the US without charge for the blood. Another blood station will be held on campus this fall.

Interview Dates Set By 5 Job Agents

Five organizations will have representatives on campus to conduct interviews during the next two weeks, according to Mr. M. O. Wrather, director of placement.

Friday representatives from the superintendent of schools, Pevely, Mo., and the Federal Credit Union, Charlottesville, Va., will be here.

The superintendent of schools, Neoga Ill., will have representatives here Monday.

Representatives from the Nashville - Davidson County Schools will be interviewing prospective teachers Tuesday. They will interview teachers to teach in all fields.

A Peace Corps representative will be here May 11-13 to conduct interviews and give tests.

In order to be considered for teaching positions, a student's credentials must be on file in the placement office and he must make an appointment, Mr. Wrather said.

Flaherty Will Head Music Fraternity

Pat Flaherty, junior, Lorraine, Ohio, has been elected president of Phi Mu Alpha, professional music fraternity.

Other officers elected were:

Vice president, Mitch Rowland, sophomore, Madisonville; secretary, Joe Overby, junior, Murray; treasurer, Charlie Hutchins, sophomore, Oak Ridge, Tenn.

Executive alumni secretary, Ted Williams, sophomore, Newport; historian, Ron Kielholtz, sophomore, Williamsport, Md.; warden, Raymond 'Sandy' James, junior, Huntsville, Ala.; and pledge master, Jim Cox, sophomore, Paris, Tenn.

Madisonville Wins Annual Field Day; 32 Schools Attend

Madisonville High School won four out of five events to capture top honors at the 12th annual high-school Field Day at the College Farm Friday.

Madisonville's teams took first in dairy judging, livestock judging, soil judging, and tractor driving.

Approximately 475 boys from 32 schools in Western Kentucky attended the day's events.

The high individual scorers for each event were: dairy judging, Davis Buchanan, Madisonville; livestock judging, Larry Scott, Madisonville; and tractor driving, Gary Rudd, Madisonville.

There was a four-way tie for first place in the seed identification and tag-judging contest. Those with four perfect scores were: Donald Harris, Sedalia; Gary Oakley, Webster County; Kenny Rogers, Trigg County; and Gary Wallis, Lowes.

The schools represented were: Ballard Memorial, Benton; Breckinridge County, Caldwell County, Calloway County, Carlisle County, Christian County, Crittenden County, Cuba, Drakesboro, Fancy Farm.

Farmington, Fredonia, Heath, Henderson County, Hickman County, Livingston Central, Lone Oak, Lowes, Lyon County, Madisonville, Muhlenburg Central.

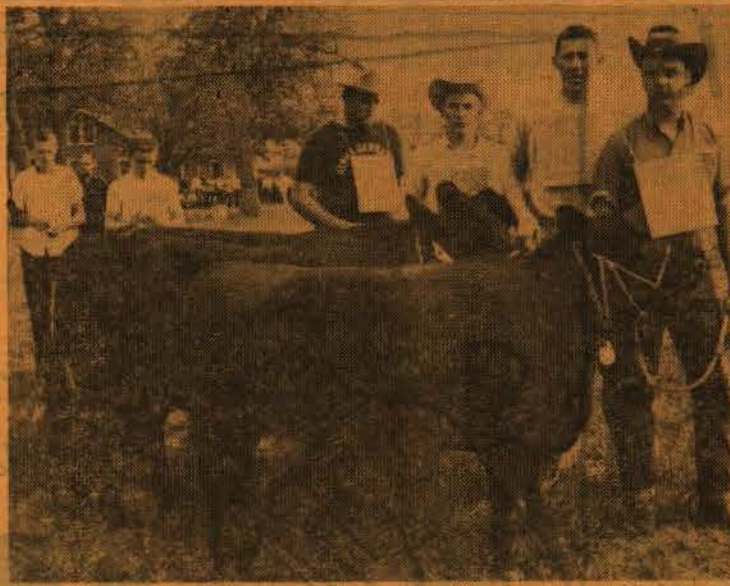

North Marshall Reidland, Sedalia, South Hopkins, South Marshall, Symsonia, Todd County, Trigg County, Webster County, and Wingo.

WAA Will Sponsor 'Play Day' Saturday

About 250 area high-school girls are expected to participate in "Play Day" here Saturday.

"Animal Fair" is the theme of the event, which is being sponsored by the Women's Athletic Association. Girls will be placed on teams with appropriate names, such as alligators, bears, and rabbits.

Each group will compete in group games, and prizes will be awarded to the team that wins the most events.

CATTLE JUDGING High-school students (extreme left) judge beef heifers in one of the events of the Agriculture Field Day Friday at College Farm. MSC students, who supervised this event, are (left to right): Sam Smith, senior, Sturgis; Jack Vaughn, freshman, Fairfield, Ill.; Bill Keneipp, junior, Owensville, Ind.; and Jack Foley, freshman, Fairfield, Ill.

Mayfield and Fulton Seniors Awarded History Fellowships

Two seniors have been awarded fellowships for graduate study in social sciences. They are Wayne Anderson, senior, Fulton, and Sally Sharp, senior, Mayfield.

Anderson received a grant for \$1,800 for advanced study in modern European history at Tulane University, New Orleans.

Miss Sharp's fellowship is for advanced study in British history at Louisiana State University. The stipend for the grant is \$1,500.

Anderson will be graduated in June with a BA in history. He is president of the International Relations Club, a member of Alpha Pi Gamma, honorary journalism fraternity, and is listed in "Who's Who Among Students in American Colleges and Universities."

Miss Sharp will be graduated in August. She is a member of the International Relations Club, Canterbury Club, Students National Education Association, and Alpha Omicron Pi sorority.

HISTORY HONORS . . . Wayne Anderson, Fulton, and Sally Sharp, Mayfield, have been awarded fellowships to do graduate work in history.

Thoroughbred Hour Sponsoring Contest To Draw 'Grandma'

A "Draw Grandma" contest is being sponsored by the Thoroughbred Hour staff.

Any MSC student, other than members of the Thoroughbred Hour staff, is eligible to enter a sketch of what he thinks "Grandma" should look like, according to Chuck Hornung, program director.

Sketches of "Grandma," who is a regular feature of the nightly radio program, should be drawn on 8x10" paper and mailed to "Grandma Contest," 1214 College Station, by May 11.

A \$5 prize will be given to the winner.

Entries will be judged by aptness of thought and humor and not necessarily on the ability to draw, according to Hornung.

"Grandma," who presumably is a student at MSC, is from Forest City, located in the Elephant Ridge Mountains.

German Film to Be Shown in Little Chapel on May 7

A German film on the German Science Museum will be shown May 7 at 7 p. m. in the Little Chapel.

No admission will be charged for the showing.

Symphonic Band to Present Children's Concert Today

A children's concert will be presented by the MSC Symphonic Band today at 9:30 a. m.

The concert is being given for children in grades 1-6 in the city and county school systems.

Prof. Paul Shahan is conductor of the band.

New Mowing Schedule Would Lessen Noise

With the arrival of spring comes sunbathing, spring fever, and the sound of power mowers.

Classes are being neglected because of all these things. Neglect because of sunbathing and spring fever can be blamed on no one but the students. But there are students and faculty members whose classes are being disrupted by noisy mowers near classroom buildings through no fault of their own.

Classes have been dismissed several times because of the noise. Professors have enough trouble keeping the attention of some of their students without having such outside competition. It often becomes almost impossible to talk above the sound of a motor just outside a window.

Everyone realizes that the grass

must be cut to keep the campus attractive. However, it seems that some sort of schedule could be set up to cut down on the noise during class periods.

The noise cannot be completely controlled because of the amount of time it takes to keep the campus grass cut and because of the heavy schedule of classes. But the noise could be reduced.

Perhaps since the workmen normally start mowing fairly early in the day, mowing near classroom buildings could be done then, later in the afternoon, or on Saturday.

During the period of the mornings and afternoons when most of the classes are scheduled would seem to be a better time to cut grass around dormitories and in areas not so close to classes.

Observing Dorm Quiet Rules Is Individual's Responsibility

With final-examination and term-paper time so near, the need for a quiet place to study is becoming even more important.

More studying is done in dormitories than anywhere else, and dormitories are far from being ideal places to study. In fact, it is often impossible to study in the dormitory until the early hours of morning.

Rules have been made for girls' dormitories to provide "quiet hours"

for study. "Quiet hours" are from 7 p. m. till 8 a. m. Sunday-Friday. Enforcing the rule has not been successful.

The solution to the problem is an individual one. It is up to every dormitory resident to have a little consideration for other people.

It is also a matter of maturity. Quiet conversation and laughter are good, but four hours of noisy horseplay seven nights a week help destroy the purpose of college.

Water fights, throwing butter, and blasting music from radios and phonographs should not be descriptive of dormitory life.

Maturity and respect for others should be characteristics of college students.

College Men's Sloppy Dress Not Becoming

The appearance of a large number of male students on campus has shown quite a marked change in the last few weeks. Many of them are no longer recognizable as the neat young men of a few weeks ago.

One does not have to look very far to see a man wearing Bermudas, a ragged sweat shirt, and thong sandals or shoes without socks. Shorts and sweat shirts with legs and sleeves that look as if they had been torn to create the "ragged look" seem to be the most popular campus wear.

These outfits are seen in the cafeterias, classrooms, all over campus, and they are inappropriate for all these places.

Such sloppy dress is not seen in most high schools, and it certainly has no place in college classrooms.

A Look at a Spring's Dawn

By Carole Kirchner

With dawn,
The dew prepares
To leave the pink and yellow
Softness of new life.
And if you closely watch, you'll see
These twinkling drops ascend
To greet the smiling sun.
But only will this scene appear
If you look and are touched,
Or if you touch and can hear.

Of an Eagle or a Mole

Something keeps telling me that spring has finally taken the scene once more. Now is the time for all the little birdies to cavort through the newly clad branches and for all the little students to cavort on the beaches.

This time of year, I can recall once more, we do have a pretty campus. Somehow during the past few months, its bleakness had allowed me to forget. Why is it that changes in nature can make such a difference in appearances when man claims to be supreme?

The newness of springtime somehow has a way of awakening mankind to his own work too. Throughout Woods Hall the racket of the machines at work installing new air conditioners resounds — from much too early in the morning throughout the once-quiet study hours of the day. Another example of man asserting his prowess over the seasons.

The new greenness announces the return of another tradition on campus, the arrival of the migratory lawn-mowers. In the wee hours of dawn they whirl and splutter beneath the windows of sleeping students in dormitories. Later in the day they confine their activities to disturbing sleeping students in the lecture rooms.

I sometimes wonder if a concrete campus wouldn't be a valuable asset. It could be painted green, or strewn with tinted gravel, to keep up appearances. "But where would all the rain water go?" they ask me.

For some reason there seem to be many more vacant seats in most of my classrooms these days. With all the noise, these students can't be sleeping through classes. I wonder . . .

But never let it be said that I'm anti-springtime! No, sir! I like the sun-deck as well as any coed. After all, that is what a young girl's fancy should turn to when all the clouds go away, isn't it?

I might even take in a baseball game, or bat around a few tennis balls before the semester rolls to an end — that is if I can remember which classes I haven't cut too many times already. I might even be coerced into an excursion to the lake one of these days (regardless of classes)! The weather is too nice for stuffy lectures anyway.

Ah, the beauties of campus life in the springtime . . . — W. Hook.

May 1 Once Meant Queens, Maypoles

"Tis the first of May, 'tis Garland day, and chimney sweepers dancing gay..." So began a traditional call of the master of merry sports who joyously proclaimed the beginning of the old English festival of May Day.

May Day has been celebrated through the ages as the arrival of the season of new vegetation. The Celts celebrated it by lighting bonfires and holding merry feasts.

According to Chaucer, it was a custom of the Middle Ages to gather hawthorne branches and flowers with which to decorate the windows and doors of their houses.

The hawthorne came to be known as the Mayflower, and the gathering of blossoms was called, "going-a-Maying."

Another major feature of May Day was the crowning of the fairest queen of the village with May flowers. All the young folk of the village danced and sang around their "Queen of May."

Maypoles were set in the cen-

ter of an open field strung with many-colored streamers and May flowers, around which they also danced, often throughout the entire first day of May.

Today Maypole dances and hawthorne bushes may seem childish. However, many different types of beauty contests and queens have been chosen around similar activities throughout the 20 century.

Examples of these are the "Cherry Blossom Queen," "Maid of Cotton," and "Orange Blossom Queen." In fact a parallel of the rioting and revelry of the New Orleans Mardi Gras might be drawn to the festivity of English May Days.

Nevertheless, memories of the old May Days, with Robin Hood and Friar Tuck, fairy tales and flowers, buds and freshness of spring have inspired tales and dreaming through the pages of literature and in the hearts of young people.

The spirit of May Day lives even though the celebration has changed forms.

Linda Jennings Named April 'Campus Notable'

When Jim Jennings left his teammates and fans who converged on the floor after the game that gave Murray State the OVC crown, he ran to the sidelines and kissed one of the Racers' most enthusiastic fans—his wife Linda Overholser Jen-

Linda Jennings

nings, who is this month's "Campus Notable."

A senior elementary-education major from West Manchester, Ohio, Linda is a good example of a student who excels in sch-

olastic ability and social adapt-

ability. Linda was named to "Who's Who in American Colleges and Universities" this year. She is a member of Kappa Delta Pi, honor society in education, Delta Lambda Alpha, freshman women's honorary sorority, and the Student National Education Association.

Linda is a member of Alpha Omicron Pi, social sorority and has served as corresponding secretary for two terms. She has also been recreational leader at the Wesley Foundation.

A junior representative to the Student Organization, Linda also participated in the campus "Mountain Laurel" contest and the "Mrs. Murray State" contest.

Linda married Jim Jennings last June. Housework as well as homework had to be fitted into her busy schedule.

Even with all her campus activities, housekeeping, and her studies, Linda has managed to maintain a 3.26 average.

The College News takes off its hat to Linda Overholser Jennings, an example of a coed who can justly be proud of her outstanding college record, as April's "Campus Notable."

Despite Daily Student Complaints, Dean's Secretary Keeps On Smiling

Despite a hectic time schedule that includes compiling semester schedules and probation lists and solving the problems of many students daily, Mrs. Sarah Panzera, secretary to Dean William G. Nash, meets each student with a smiling face and a helping hand.

Mrs. Panzera has served as secretary to Dean Nash for 16

Mrs. Sarah Panzera

years and has been associated with the college for 21 years.

In 1937 she joined the department of public relations at Murray State and worked for five years. In 1946 she went to work for Dean Nash and has remained in that position with the exception of two years.

Mrs. Panzera's responsibilities are varied. She works with the

World War II and Korean War veterans as well as the war orphans in helping them solve their problems.

Her work also deals with the compiling of the college catalog, the employment of teachers, semester schedules, rehabilitation of students, probation lists, and selective service.

Her major problem "is finding enough time to do everything." But Mrs. Panzera isn't complaining.

Mrs. Panzera hasn't too much time for many hobbies. One of her favorite leisure activities is reading light material "strictly

for pleasure." She and her husband have recently built a home, and a lot of her spare time is spent in decorating the house.

"I advise a lot," she says, "but I have only a few words of advice for the student body. That is to cut fewer classes and study harder. The students also need to decide as early as possible what their majors will be. This will eliminate a lot of their problems and a lot of ours."

Dean Nash says of his secretary: "Mrs. Panzera is a loyal, cooperative, and efficient secretary. She loves Murray State College. What more can anyone say?"

WHITES WIN FIRST GAME:

Blue Squad to Seek Revenge Friday

The Whites took to the air in the final half of play to erase a six-point Blue advantage and then went on to score twice more to capture the first of two intra-squad football games, this one at Henderson Saturday night, 22-12.

Head Coach Don Shelton was pleased with the performances of both teams, although he remarked, "at times the play was ragged on both sides; this can be expected in a scrimmage game like this."

The game will start at 7:30 Friday night in Cutchin Stadium. There will be a charge of 25 cents per person.

The Blues scored twice in the first period as quarterback Charlie Forrest connected with end Tom Cox in the end zone on a 15-yard scoring play.

Three minutes later the Blues were in control again. This time it was Dennis Jackson doing the scoring; he went in from the five after taking a Forrest pass. The conversion try failed and the Blues led by 12-0.

The Whites managed to score

once in the first half as freshman quarterback Toby Thomason took the ball over from the one.

The Whites dominated play in the final half, scoring two touchdowns and converting both two-point extra-point tries.

Thomason hit end Jim Biggs for a TD and later connected with Jerry Grantham on a 40-yard bootleg play good for a score. Grantham scored on one of the conversion attempts, while Thomason ran for the other.

Tom Cox and Dick Berry will again captain the Blue team, with Charlie Mitchell at the helm of the Whites.

Playing for the Blues will be: Quarterbacks, Harry Hina, Forrest; halfbacks, Wayne Wilson, Jackson, Clyde Adkins, John Bryant; fullbacks, Dave Curro, Tom Giannini.

Centers, Jimmy Boatwright, Jack Troxell; guards, Jerry Woodall, Dan O'Connor, Jim Milligan, Berry; tackles, Pete Moore, John Comer, George Trumbo, Pat

Adams; ends, Cox, Richard Gault, William Taylor.

The roster for the White team is as follows:

Quarterbacks, Fred White, Thomason; halfbacks, Terry Croom, Vic Kubu; fullbacks, Ken Randall, Tommy Glover, Dave Cartwright, Dave Anzalone.

Centers, Don Hayden, Dan Collins, Neil Haynes; guards, Keith Mundy, Charlie Hina, John Wheeler; tackles, Gilbert Hamilton, Leonard Siatta, Mitchell; ends, Grantham, Biggs, Richard Hargrave.

Two Male Gridders Sign Racer Grants

Two all-state football players from Louisville Male High School, guard Dale Womack and Dave Meredith, have signed grand-in-aids with Murray State College. Coach Don Shelton has announced.

Womack is six feet and weighs 200 pounds while Meredith, who is also six feet tall, weighs 185 pounds.

The two were co-captains of Male's undefeated team which was Kentucky's Triple A champion last season.

Both were named to the All-Louisville team, and both made honorable mention, All-Southern.

CAPTAINS THREE . . . The football team elected three men to captain them in the 1964 season. Dick Berry (left), a 205-pound senior, will be playing his last year for the Racers as a guard spot. Tom Cox (center), a 215-pound end, finished second in pass receptions as a sophomore last year. Charlie Mitchell is a junior and will see action mostly on defense as a tackle.

Bones Rattles On . . .

By Mike Driscoll

Something more than 60 minutes of hard-fought football came from Saturday night's intra-squad game at Henderson. Some of the more quotable are:

Victorious acting-coach for the White team, Fred Francis, said: "The overall play of the game wasn't really good, but all the boys displayed a fine effort. This week's game will not be an easy one, but I know we'll beat them again."

Gary Foltz, coach of the losing Blue team said: "We looked good in the early going and scored two fast touchdowns, but started making costly mistakes that cost us the game. The story will be different this week."

Tom Cox and Dick Berry, two-thirds of the newly elected captains for the 1964 edition of the Thoroughbreds and co-captains of the Blue squad said little, but made it count.

Cox remarked, "We'll blow

them out on Friday." Berry, also on a non-conservative note, said, "It will be a cold day in hell before they beat us again."

Opposing team captain and the remaining one-third of the team leaders for next season, Charlie Mitchell, calmly reported, "We'll do our talking on the field Friday night."

Possibly the "most quotable" quote of the week comes from the baseball world where Ken Maziarz followed his two homers against Southeast Missouri Saturday with: "There was some doubt about the first one, but the second one left no doubt in my mind. It was gone when it left the bat."

Racer Nine Whips Raiders Twice, 3-2, 9-5, to Tie for Division Lead

Led by three Ron Anderson's home runs that produced eight RBI's, the Thoroughbred baseball team moved into a tie for the lead in the Western Division of the OVC as they defeated the Middle Tennessee Raiders in a doubleheader at Murfreesboro April 21, 3-2 and 9-5.

The victories brought the Racers' conference record to 4-2. Middle has the same league record, with Austin Peay and Western both 1-3.

Second baseman Dave Boyd opened the afternoon's play with a single to left and came home two outs later on Anderson's homer.

Lefty George Dugan, pitching for the Racers, had little trouble in the first inning, but ran into trouble in the second as Middle loaded the bases on two hits and a walk.

Two infield outs brought two runs in and the game was tied. Neither team threatened until the sixth when the Racers pushed across the winning run.

John Alton walked to open the frame and went to third on a single by Mike Ward. Dugan grounded out and Alton came home.

Dugan received credit for his third league win of the season. He gave up three hits while striking out 14 and walking 4.

Middle scored once in the first inning of the second game and twice in the second to gain a three-run advantage on the Racers.

The Racers threatened in the fourth as Dan Wright and Bob Spears singled, but the side was retired with no runs.

Held to three hits throughout the first six innings, Murray un-

loaded in the seventh with five runs on four hits, all coming after the two men had been retired.

Mickey Martin walked and Bill Ryan singled. Anderson followed with his home run on a 3-1 pitch. Ken Maziarua kept things going with a walk and came home as Wright singled to left. Wright scored also as the Middle left fielder let the ball get past him.

The Raiders came back with two runs in the bottom of the seventh to tie the score. Two singles and a double were good for one run, with the second scoring on an infield out.

Dave Darnall opened the eighth inning with a single and came home as Boyd's grounder was booted for a three-base error. Alton walked and scored behind Boyd as Anderson slapped his final homer of the day on a 0-1 pitch.

The Raiders put two men on in their half of the inning, but failed to score as relief pitcher Jack Czyz retired the side to pick up the victory, his third of the season.

Breckinridge Star Signs Cage Grant

Breckinridge County's all-state basketball player, Leonard Poole, one of the most sought-after guards in the state, has signed a grant-in-aid with Murray State College.

Poole, a member of the Courier Journal's second team all-state this past season, led his high-school team to the finals of the state tournament before bowing to highly rated Louisville Seneca, 66-56.

After Two-Game Trip, Murray To Play Lambuth Here Tuesday

The Thoroughbred baseball team will play its next home game Tuesday afternoon against Lambuth College. The tilt is scheduled to start at 3.

The Racers are in University, Miss., today for a game with the University of Mississippi. Murray was scheduled to play Memphis State yesterday afternoon in Memphis.

The Thoroughbreds, currently tied with Middle Tennessee for the lead in the Western Division of the OVC, will open play in the second round of the conference season with a doubleheader with Western's Hilltoppers at Bowling Green Saturday afternoon.

The Racers and the Raiders of Middle Tennessee are 4-2 in the league, while Austin Peay is 3-3 and Western 1-5.

Murray faced Lambuth twice last year and defeated the Indians in both games. The first was played in Murray and was

won in the last inning, 4-3, while the second was a 7-0 shutout registered by George Dugan.

The Racers did not face the University of Mississippi last year and Coach Johnny Reagan terms the meeting this afternoon as "a game that could prove to be one of the toughest that we will play this year."

Western proved to be a title contender last season although failing to beat the Racers. Murray won by scores of 6-1, 17-5, and 5-0, 7-2.

This season the teams split in the doubleheader at Murray April 15. The Racers took the first, 3-0, behind Dugan, with Western winning the second.

Baseball Record Stands at 10-6 After Split of Twin Bill at Cape

Murray State's baseball team unleashed nine hits, including two home runs by Ken Maziarua, for a 11-3 victory in the second game of a doubleheader at Southeast Missouri Saturday to earn a split. The Racers dropped the opener in the final inning, 7-6.

The split brought the Racers' season record to 10-6.

George Dugan went the distance for the Racers in the second game, picking up his fifth win of the season while limiting the Indians to four hits. Dugan fanned 14 batters and walked one.

The Racers took a two-run lead in the second inning as Maziarua walked and went to third on a double by Sonny Jones. Maziarua scored on an infield out with Jones coming across on a single by Dugan.

In the third Mickey Martin singled and wound up on third following a walk to Bill Ryan and an error on Ron Anderson's grounder.

Maziarua, next up, drove one deep over the left center field fence for his first home run of the season and the first grand slam of the year by a Racer.

Murray scored two more in the fifth before Maziarua unloaded again in the sixth. Dave Boyd reached first safely on an error and went to third one out later on a single by Ryan. Ryan was out stealing, but Anderson singled to bring home Boyd.

Maziarua followed with his second blast of the game, this one over the centerfield fence on a 2-2 count.

George Gilley started the opener for Murray, but was replaced by Ken Meredith in the first inning as Southeast Missouri scored three times on a hit and five walks.

The Racers scored once in the second as Dave Darnall reached first on an error and scored an out later on a double by Mike Ward.

Ryan opened the Murray sixth with a single and went to second as Anderson walked. Maziarua followed with a single for one run, with Darnall's double scoring Anderson and Maziarua.

The Racers added two more in the seventh for a 6-5 lead with Southeast coming back in the bottom of the seventh with a pair to win.

After Meeting A S T Here Saturday Track Team to Travel to Western

Within four days, Murray State will face two of the toughest teams on this year's schedule: the Racers will run Arkansas State Teachers Saturday at Murray, and will travel to Bowling Green Tuesday, to meet Western.

Arkansas State Teachers carries one of the best reputations in the midwest for small-college track. The visitors are especially strong in the running events, with a 9.8 second 100-yard dash man and an excellent half-miler.

Murray and Arkansas State Teachers have dualed for the

past several years in the Memphis Indoor and Outdoor meets. Last year Murray won the Indoor by only 1/2 point.

Western Kentucky, Murray's biggest threat to the Ohio Valley Conference title, will field the strongest team in the history of the school. The Hilltoppers have a 52-foot shot putter, a 9.8 sprinter, a 4:17 miler, and a 49.0 quarter-miler.

Last year the Racers beat Western by the score of 79 1/2-56 1/2. Western has been rising fast in the track world and will provide one of the stiffest tests for the Racers this season.

Schiller Captures Three Events As Thinlies Rip Memphis State

Winning 14 of 17 events, Murray State swamped Memphis State University, 101-44, last week at Memphis.

The meet was run on a wet track which made conditions poor and hurt performances.

The Racers lost only the two-mile run, javelin, and the mile relay, the last by disqualification.

Augie Schiller won three events for Murray as he captured first in the high jump, long jump, and triple jump. Schiller cleared 6-3 in the high jump, jumped 21-4 in the long

jump, and jumped 42-4 in the triple jump.

Charles Allen won both the hurdle events. He ran the high hurdles in 14.9 seconds and the intermediates in 40.2.

Bob Doty won both sprints, with 9.8 in the 100-yard dash and 22.5 in the 220.

Other winners for Murray were Owen Basham, 880-yard run in 1:57.3; Reginald Long, 440-yard dash in 50.3; Ed Scullion, mile run in 4:26.0; Larry Burgess, pole vault with 12'; Bob Boling, shot put with 48-1/4; and Chuck Boling, discus with 136-10.

3 FOR AUGIE . . . Augie Schiller gives it all he has in an attempt for the blue ribbon in the long jump. The versatile Schiller captured first place in the long jump, high jump, and the triple jump in the Racer-Memphis State meet April 21.

VOLLEYBALL CHAMPS . . . Intramural director Butch Britton congratulates Louis Litchfield following Sigma Chi's victory over the GG's, Wednesday, to capture the intramural volleyball title. Sigma Chi won in straight games, 10-6 and 15-3. Other members of the team are (standing, left to right): Gary Hammer, Tom Willingham, Jim Wallace, John Myrnes, and Dave Parker. Absent when picture was taken were Bennie Goheen and Herb McPherson.

STARKS HARDWARE

Trackmen Win 13 First Places, Humiliate Middle Tenn., 99-46

Murray State won its third straight dual track meet Saturday as it crushed Middle Tennessee, 99-46, at Murfreesboro.

Leading the Racers was hurdler Charles Allen. He won the high and intermediate hurdles and placed second in the long jump. He was also a member of Murray's winning 440-yard relay team.

Allen won the highs with a time of 14.9 seconds and won the intermediates in 39.2. His best broad jump was 22-6 1/2.

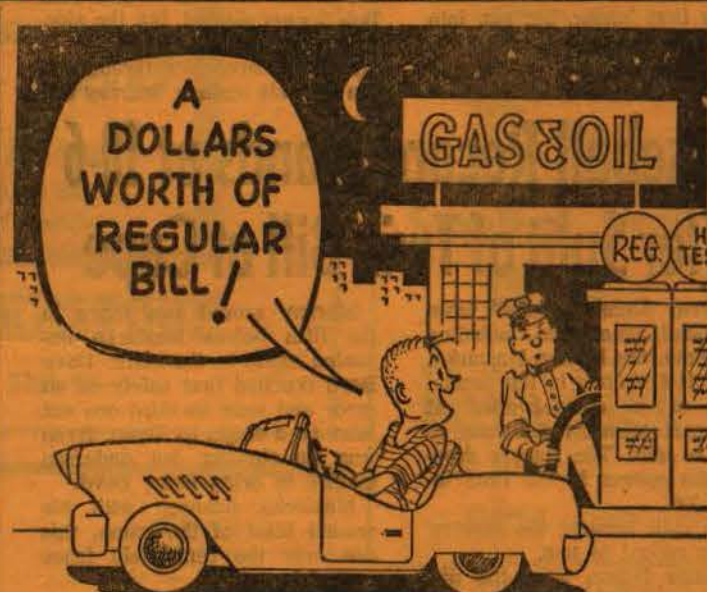

MSC won 13 of 17 of the scheduled events, losing only the shot put, discus, triple jump, and the long jump.

100 and 200-yard dashes. He finished the 100 with a time of 10 flat and the 220 in 22.5.

freshman Ed Scullion won his third straight mile run as he copped first place with a time of 4:23.0. Scullion set a new school mark of 4:19 against Wisconsin April 1.

Other winners included Reginald Long, who won the 440-yard dash in 49.0 seconds; Owen Basham who won the 880-yard run in 1:57.2; and Dave Williams who won the two-mile run in 9:54.0.

Winners in the field events were Larry Burgess who won the pole vault with 12', Jack Haskins who won the javelin with 165-4, and Augie Schiller who won the high jump with 6-3.

UP RECORD TO 13-2:

Netters Win Two, Lose to Western

Following an unexpected 5-4 loss to Western, Murray's netters bounced back to defeat Southeast Missouri, 7-2, and the University of Kentucky, 6-3, to give them a 13-2 season record.

In Saturday's match here against the Kentucky Wildcats, Coach Chad Stewart's men swept the three doubles to give them the victory after each team had gained three victories in singles.

Murray's victories were gained by Charles Champion, Henry Baughman, and Mike Barnes.

Champion won at No. 2 over Mike Cox (UK), 6-1, 6-4.

Baughman won at No. 3 over Don Vizi (UK), as he lost but one game, 6-1, 6-0. Freshman Mike Barnes downed John Hipsher (UK), 7-5, 6-2, at No. 4.

The Wildcats' Larry Roberts downed Bill Bowen, 6-4, 7-5, in the No. 1 singles duel.

Joe Durkin (UK) eked out a three-set win over Pat Bryan, 6-2, 1-6, 6-4, at No. 5, as did Fred Holbrook (UK) over Tom Higgins at No. 6, 2-6, 6-3, 7-5.

In doubles play, Bowen-Baughman won the No. 1 doubles match over Roberts-Holbrook, 6-3, 6-4.

At No. 2 Champion-Higgins defeated Cox-Durkin, 7-5, 6-0, while Barnes-Bryan were defeating Hipsher-Vizi, 7-5, 6-4, in the No. 3 doubles match.

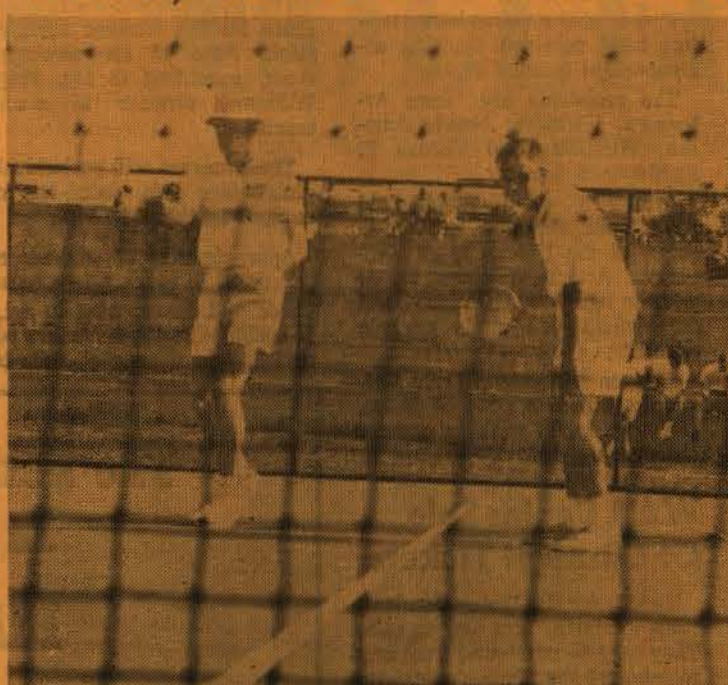

Murray has yet to lose at home. Thursday the netmen downed Southeast Missouri at Cape Girardeau by a 7-2 margin. Southeast had been the victim of a 7-0 shellacking at Murray earlier in the season.

Wednesday was a dismal day for the netters as they dropped a 5-4 match to Western, the top rival in all probability for the Racers in their quest for the OVC title which will be decided May 15-16 at Bowling Green.

Henry Baughman won over Bob Smith at No. 3 and Mike Barnes defeated Larry Peno in long, hard-fought three-set matches by 4-6, 6-4, 6-4 and 3-6, 7-5, 6-2 scores, respectively.

Bill Bowen and Charles Champion lost at No. 1 and 2 to Larry Whitaker and Jim Malone by identical 6-3, 6-4 scores.

Following the singles play the Racers needed a sweep in the doubles to cop the victory. Murray won the No. 2 and No. 3 doubles, but the No. 1 team of Bowen-Baughman lost to Whitaker-Smith.

WARMING-UP The No. 2 doubles team of Charles Champion (left) and Tom Higgins take some pre-match warm-ups prior to the tennis tilt with the University of Kentucky Saturday afternoon. The pair defeated the No. 2 doubles team of Kentucky, 7-5 and 6-0. Earlier in the week they defeated Western's No. 2 doubles team, 6-0 and 6-3.

'Homecoming' for Tennis Team On 3-Day Invasion of Illinois

Murray State's tennis team will take to the road this week on a three-day jaunt into neighboring Illinois where the Racers will battle Eastern Illinois, Illinois Wesleyan, and Illinois State on successive days.

The main reason for this first tour of Illinois, said Coach Chad Stewart, is that it will give the five Illinois-born Racers a chance to play in their home territory and, in some cases, against former high-school rivals.

The five Illinois-born Racers are: Chuck Close, Arlington Heights; Mike Barnes, Granite City; and Bill Bowen, Pat Bryan and Mike Bryan, all of Flora.

Tomorrow the netters will be in Charleston to battle Eastern Illinois University, where Capt. Bowen played in the No. 1 position as a freshman.

Scene of action Friday will be Bloomington, with Illinois Wesleyan University the opponent. Coach Stewart said he knows little of Wesleyan's strength this year.

Saturday the Racers will move up the street a few blocks to face Illinois State University. (The cities of Normal and Bloomington touch.)

6-Man Thoroughbred Golf Team To Open Play in SIT Tomorrow

Six of Murray State's golfers left yesterday afternoon to participate in the 28th annual Southern Intercollegiate Tournament in Athens, Ga.

The Tournament will open tomorrow and run through Saturday.

Among the better known schools that will participate in the tournament are the University of Houston, the University of Georgia, Florida, Wake Forest, North Carolina, and the OVC schools with the exception of Morehead and Eastern.

Conference Meeting Sets Dates and Site Of First Cage Meet

The Ohio Valley Conference officials held their annual meeting at Nashville Saturday and voted to hold the first league tournament in Louisville Dec. 21-23.

Earnings from this pre-holiday tournament will go into the league treasury.

At the meeting Coach Bobby Laughlin, athletic director and head basketball coach at Morehead State, was named to succeed Coach Charles Murphy of Middle Tennessee State as OVC president.

Mr. Roy Stewart of Murray was chosen vice-president.

The proposal to raise the football grant-in-aid limit from 40 per school year to 44 failed to pass.

The Southern Intercollegiate, under the auspices of the University of Georgia, is second only to the NCAA in golf prestige and is the finest college tournament in the South.

The Murray team will consist of Rick Acree, Gary Flowers, Ted Hale, Fred Lancaster, Larry Mullen, and Lynn Newton.

Last year's team finished 19th out of a field of 32. Coach Buddy Hewitt said that "with this year's balance we hope to make a much better showing."

"We have a couple of boys I hope will place high for the individual awards in Fred Lancaster and Ted Hale," Coach Hewitt said.

"I am hopeful that freshman Gary Flowers will come through with a good showing," the coach added.

"The tournament will afford us an opportunity to see how we do against the OVC schools in competition and afford us an opportunity to play against the stiffer competition of the larger schools."

Student Committees Formed by Council

Eight student committees have been set up by the Student Council, according to President Bob Carey.

Committees are: election, movie, publicity, lecture, cafeteria, concert, judicial, and spring carnival.

Committee chairmen and members are:

Election: Carey, chairman; Kirby Gordon, junior, Madisonville; Mac Anderson, freshman, Trenton, Tenn.; and Ed Bullock, senior, Hazel Park, Mich.

Movie: Steve Tittsworth, freshman, Murray, chairman. The one-man committee will select the free movies to be presented by the Student Organization.

Permanent publicity: Ed Trotter, junior, Owensboro; and Andrea Sykes, sophomore, Murray.

Lecture: Carey, chairman; Joe Owen, junior, Kuttawa; William Murphy, junior, Hopkinsville; Larry McIntosh, junior, Mayfield; and Trotter. The committee is in charge of the lecture series.

Cafeteria: Dick Habermel, junior, Jeffersonville, Ind., chairman; Jim Wallace, junior, Golden Pond; Henrietta Davis, junior, Grayville, Ill.; and Gordon. The committee is currently circulating questionnaires for student opinions of both cafeterias.

Concert: McIntosh, chairman; Richard Hurt, sophomore, Murray; Shirley Taylor, senior, Owensboro; and Virginia Mahan, sophomore, Mayfield.

Judicial: Carey, chairman.

Spring Carnival: Bill Cunningham, junior, Benton, chairman; Phil Clore, freshman, Louisville; and Trotter.

3 Seniors Receive Grants in Chemistry From Duke and UK

Three senior chemistry majors have received teaching assistantships totaling \$7,400.

The recipients are: Greg Arterburn, Wickliffe; Norris Johnson, Wickliffe; and Vernon S. Stubblefield, Murray.

Arterburn and Stubblefield have both received grants of \$2,200 at the University of Kentucky. Arterburn plans to do work in inorganic chemistry, and Stubblefield will study organic chemistry.

Johnson will attend Duke University with a stipend of \$3,000. He plans to do work in organic chemistry.

WAA Begins Sale Of Carnival Tickets

Tickets for the Water Carnival, "Sea Fantasia," are now on sale. They may be purchased from any member of the Women's Athletic Association for 50 cents.

The carnival will be held May 14-16 in the pool in the Carr Health Building.

Different colored tickets are being used each night. The ticket is good only for the date stamped on it. Tickets will also be sold at the door.

Summer School Students Must Sign Up by May 8

Students planning to attend the MSC summer session must have questionnaire cards filled out by May 8, according to Mr. Wilson Gantt, dean of admissions.

Those who do not turn in the cards by May 8 will be required to register late, Mr. Gantt said.

Cards can be picked up and should be returned to the Registrar's Office, Administration Building.

Student Teaching for Summer Will Begin on Campus June 15

The MSC student-teaching program for the summer term will begin June 15 for on-campus work, according to Mr. Wayne Williams, director of student teaching.

The program will probably begin before this date for off-campus teaching, he said.

Approximately 60 students are scheduled to teach this summer. Three will be teaching in art, 4 in business, 14 in elementary education, 4 in chemistry, 9 in bio-

logy and general science, 4 in English, 6 in physical education and industrial arts, 7 in mathematics, 2 in physics, and 3 in social sciences.

In addition to College High, student teachers will be placed in the following summer schools: Christian County, South Fulton, Tenn.; Paducah Tilghman; Grove Junior High, Paris, Tenn.; and the Summer Science Institute at MSC.
