Rev. Lewis Malen Bratcher, Jr., former County Baptist Pastor, will serve in Rio de Janeiro.

TO SAIL AUG. 2

The Rev. Lewis Malen Bratcher, Jr., pastor of the Baptist church at Eminence in Nelson county, will leave for Brazil Tuesday to assume the duties of a missionary at the Baptist agency in Brazil. The Rev. Bratcher is the son of the late Mr. and Mrs. Carl Bratcher of Eminence.

Mr. Bratcher will leave for New York on Monday, and from there continue to Brazil. He has been studying at Southern Baptist Theological Seminary in Louisville for several years and is well trained for his work as a missionary in Brazil. He has spent much of his life there, having been born and reared in Brazil. He is a graduate of the University of Brazil and has a degree from the Seminary at Rio de Janeiro.

Mr. Bratcher's work in Brazil will be to help his congregation and to promote the work of the Southern Baptist Convention. He will also work with the various missionary societies in the United States who are engaged in work in Brazil.

Mr. Bratcher's departure will be greatly regretted by his many friends in Eminence, but everyone will be happy to know that he is going to a good work in a land where his services will be greatly appreciated.

Barry Tells Fulton Rotarians

Of Need For Anti-Rat Campaign

Barry Harty, Fulton, who has been active in the anti-rat campaign, told the Fulton Rotary Club Thursday afternoon that the need for such a campaign is more evident than ever.

Mr. Harty stated that the problem of rats has been a serious one in Fulton for several years, and that the situation is becoming worse every day. He pointed out that rats are a menace to health and safety, and that they should be eliminated as soon as possible.

Mr. Harty urged the Rotarians to take an active part in the campaign, and to do all they can to prevent the spread of rats in the community.

The Rev. W. W. Smith, pastor of the Second Baptist Church, also spoke at the meeting, and encouraged the Rotarians to support the campaign.

The meeting was well attended, and the Rotarians expressed their determination to do all they can to eliminate rats in Fulton.
The difference between the two candidates is great. Mr. H. W. Brown, the Democratic candidate, has pledged his opponent to help and is not against the Labor Party, but there is a lot of difference between the two candidates. The difference is caused by the fact that the Republican Party has been identified with the Labor Party, while the Democratic Party has not. Mr. H. W. Brown has not been identified with the Labor Party, and his opponent has been identified with the Labor Party.

The difference in the situation in the country is the help given by the Democratic Party and the help given by the Republican Party. Mr. H. W. Brown has helped the Democratic Party, while his opponent has helped the Republican Party.

The Labor Party has done a lot of good for the country. The Democratic Party has not done as much for the country. Mr. H. W. Brown has been identified with the Labor Party, while his opponent has been identified with the Republican Party.
