TEACHERS

Will Get Their Money Regularly.

Funds On Deposit To Pay Salaries Through Present Term—School Notes.

The middle in the State's money affairs at Frankfort went into the hands of the teachers of the schools in Christian county, as Miss McDaniel, the County Superintendent, has sufficient funds on deposit in the city banks to pay all salaries for the school year ending in June.

The National Association of Teachers will meet at Charleston, S. C. in July.

The school per capita for the State is said, will undoubtedly be reduced this year. At present the per capita is \$3.70 for each child disclosed by the census to be of school age. A cut in the per capita to \$3.40 is anticipated, says the Paducah Sun.

The Southern Indiana Teachers Association is to meet at Evansville on April 5, 6 and 7, and the Kentucky neighborhood schools are invited to be present and take part in the proceedings.

The number of children attending public schools in Cuba has increased the last four months from 4,000 to over 50,000. There are now over 1,000 free schools in operation in the island.

SLASHED

Officer's Face With a Knife.

THEN MOUNTED HORSE

And Rode Away To Parts Unknown—Cutting Scrape At Gracey.

A pistol and a knife played prominent parts in a row at Gracey Saturday night. Town Marshal Dillard had the gun and Lindsey was equipped with Jack Chin's favorite weapon. Dillard's face was slashed, but his wound is not a serious one. Bystanders prevented him from using his pistol which he had drawn.

The men had passed words in the afternoon. A band of Gypsies were in town with some dancing bears. Young Lindsey began amusing himself by pushing bystanders into the circle occupied by the big animals. Lindsey seemed to be under the influence of liquor and he was said to be cutting badly.

The officer remarked that at night Dillard entered a store where Lindsey and some companions were playing pool. The young fellow addressed several discourteous remarks to the officer and followed his words by attempting to stab him.

After he had cut Dillard, Lindsey hastened out of the store, mounted his horse and rode away. Two men were deputized to go after him and place him under arrest. They were unable to locate him.

CLAUDE WADLINGTON RECOVERING.

His Sequence Will End The 20th of This Month.

We understand that Claude Wadlington is slowly recovering from a severe spell of typhoid fever at the Eldridge prison.

His time will be out March 20th, and as soon as his condition will admit of his being moved he will be brought home.—Cada Record.

NEW CHURCH.

The new Cumberland Presbyterian Church at Heron, Todd county, is about completed and cost \$1,500, and will be dedicated about the middle of April.

The will of the late Geo. M. Davie was admitted to probate Monday. The instrument was will just a few days before the testator's death. Nearly all his estate is left to his wife and son, and Mr. William Draper and Mr. George Draper are named as trustees. His books and law office furniture are given to his law partner, Judge A. P. Humphrey.

To his brother, Mr. Iredell P. Davie, of this county, he leaves the sum of \$3,000.

SOON FOLLOWED HIS WIFE.

D. S. Allen Died Monday Of Typhoid Fever.

Mr. D. S. Allen, a prominent citizen of the White Plains vicinity, died of typhoid fever Monday after a short illness.

He was fifty years old and leaves a family.

His wife died just one week ago.

MR. MCKENZIE IN MUD.

Hon. Jas. A. McKenzie, of Kentucky, was in the city yesterday greeting his many friends. This visit, so far as could be learned, was purely a social one, having no political significance.

Mr. McKenzie was not favorably struck with our large and varied assortment of mud, however, and expressed himself in rather warm terms concerning the condition of the roads leading into the city.—Clarksville Courier.

NOT SERIOUSLY AFFECTED.

A Washington dispatch in today's Courier-Journal says:

Dr. James Rodman, of Hopkinsville, Ky., returned to day from Philadelphia, where he has been consulting leading oculists in regard to his eyes, which he feared were seriously affected. The eyes are not in a serious condition as he thought.

A Well Dressed Stranger Visited Offices Monday Morning And Stole Gold Foil.

Two prominent dentists were the victims of a professional robber Monday.

The robber stole about \$15 worth of gold used in filling teeth.

At seven o'clock that morning a stylishly dressed young man entered the dental office of Dr. E. H. Barker.

The office boy was cleaning the operating room.

"Ah! the doctor hasn't come down yet," said the man. "I'll just wait for him."

"Suspecting nothing the boy left the stranger in the room. He opened a drawer and took from it gold worth \$50 and a gold plate worth \$25. Then he sat down and waited.

The stranger went to Dr. E. H. Barker's office. By means of skeleton keys he made his way to the operating room. He stole \$40 worth of gold filling.

As he left the room he met a servant who was going in to clean up.

"When will Dr. Barker be down?" he pleasantly inquired.

"In about half an hour," was the reply.

"Well, I won't wait for him then," said the nice looking man.

The police have found that the robber registered at Latham Hotel as "T. V. Wilson, St. Louis." He left without paying his board bill. It was learned that he

SENATOR'S STARTLING STATEMENT

Conspiracy To Kill

WAS FRUSTRATED.

Felony Bill Passes—Trip-
lett's Substitute Lost.

FRANKFORT MATTERS.

(SPECIAL TO NEW ERA.)
FRANKFORT, Ky., March 6.—Senator Triplett's substitute bill appropriating \$100,000 to equip militia to restore State's property to the apportion was defeated by lack of a constitutional majority. The bill may be reconsidered.

The Senate passed a bill appropriating \$100,000 for State property repairs.

A lively debate came up on the bill making it a felony to hold State office after a decision against the incumbent by the contest board.

Senator Thomas made the startling statement that there had been a conspiracy to assassinate other Senators besides Goebel, and that the scheme had been frustrated by a few Republicans like John Marshall.

The bill was passed by a vote of 18 to 10.

The House yesterday passed the famous McClellan Railroad Anti-Extension Bill by a vote of 55 to 43. The bill authorizes the State Railroad Commission to fix the maximum of freight rates and to punish for discrimination and extortion. From a party standpoint the passage was the carrying out of one of the principal planks of the platform on which the late Gov. Goebel was nominated. The Republicans in a body opposed the bill. On the final vote two Democrats, Representatives Blair and Armstrong, voted with the Republicans against it, and Henry and Orr, Democrats did not vote. The bill will be approved by Gov. Beckham.

The House passed the Senate bill increasing to \$5,000 the annual appropriation for the State Board of Health.

(SPECIAL TO NEW ERA.)
FRANKFORT, Ky., March 7.—Senator Triplett offered a substitute today for his resolution which empowered Gen. Custer to bring back to the general the guns and munitions shipped to London by W. B. Taylor and appropriating \$100,000 to equip troops for carry out the provisions.

The substitute provides for an appropriation of \$100,000 to equip sufficient troops to recover the State's property illegally.

The Children School Bill, slightly amended, was passed in the Senate today.

Gov. Beckham affixed his signature to the Goebel Reward Bill today. When the announcement was made in the Senate that the bill had become a law there was prolonged applause.

A lively debate is in progress in the House today over amendments to the McClellan bill.

Harlan Whitaker, of Butler county, charged with the transportation of Gov. Goebel, was held to answer without bail at his preliminary trial at Frankfort yesterday. Lou Jones, a Whitley county suspect, was held on \$500 bail. Whitaker was represented in court by attorneys, but made no defense, the witness of the prosecution not even bringing out the evidence. The Commonwealth only introduced enough testimony to hold the prisoner, and was careful not to expose any of the clues by which they expect to locate the leaders of conspiracy.

(Special to New Era.)
FRANKFORT, Ky., March 6.—At the examining trial today of Harlan Whitaker, of Butler county, held under suspicion of being connected with the assassination of Gov. Goebel, the charge against him was changed to murder.

Gov. Beckham signed the \$100,000 reward bill today.

The Harlan bill, repealing the Goebel law, was killed by the House this afternoon.

After loading two more cars with war munitions for shipment from Frankfort to London yesterday, Mr. Taylor made the order. It is said the guns and ammunition already shipped are to be returned. There is a rumor at Frankfort that this action was due to a telegram from Washington, the War Department's refusing supervision over war munitions furnished the State Guard.

I had examined him for twenty years. I tried many doctors and lost of money; no avail. A skin had grown over my eyes, and they grew worse until I could not recognize any more across the street. Superstition gave me false hope. My second and third eyes were cured by Mrs. W. O. Wood, of Louisville, Tenn. Good druggists sell it.

HANDSOME COSTUMES Statement Received By FOR ALL PRECINCTS. NOTES ABOUT PEOPLE.
Beautiful Music and Clever Situations—Best Local Talent Will Participate. Sheriff Barnes—State, County And City Taxes.

The state board of assessment and valuation has assessed the railroads of Daviess county for the year, county and city and town taxes for 1909.

The assessments follow:

LOUISVILLE & NASHVILLE RAILWAY CO.
CLARKSVILLE & FRANKFORT DIVISION.
—23.17 miles @ \$2,500 per mile, \$58,000; other property, \$4,000.
Gracey: 0.30 miles @ \$2,500, \$750; other property, \$500.
HENDERSON DIVISION.—31.73 miles @ \$2,500, \$79,325; other property, \$14,000.
Pembroke: 0.40 miles @ \$2,500, \$1,000; other property, \$500.
Hopkinsville: 1.37 miles @ \$2,500, \$3,425; other property, \$500.
Crofton: 0.25 miles @ \$2,500, \$625; other property, \$500.
EMPIRE: 0.40 miles @ \$2,500, \$1,000; other property, \$500.

OHIO VALLEY RAILWAY COMPANY.
10.73 miles @ \$2,500, \$26,825; other property, \$5,000.
Hopkinsville: .60 miles @ \$2,500, \$1,500; other property, \$500.

It will be observed that the State board apparently has not discovered that the Illinois Central owns the line formerly known as the Ohio Valley Railroad.

The opening and scenery will surpass anything ever witnessed by amateurs here, the costumes being ordered from Chicago and Boston.

There are to be fifty young girls in the cast and chorus of the local production.

An excellent orchestra of twelve instruments is being trained, and will no doubt add greatly to the success of the opera, which is already assured, and which, on its own merits, is worthy of the patronage of every individual in the city, aside from the worthiness of the object for which it is given. The proceeds will go to the public library.

A NIGHT OF TERROR.
"A night of terror" was the title of the drama presented by the students of the high school at the opera house last night. The drama was a masterpiece of its kind, and the students were well equipped for the part. The costumes were beautiful, and the scenery was excellent. The drama was a masterpiece of its kind, and the students were well equipped for the part. The costumes were beautiful, and the scenery was excellent.

From Thursday's daily.
Mr. Robert Wilson Green and Miss Elizabeth Gant Gaither were quietly married last night in Nashville, Tenn. The news of the union has been received by the friends of the popular young couple with some surprise and much pleasure. Their marriage was a surprise to many, as they had been known to be engaged for some time.

It is currently desired by the County Chairman that these ladies will take up the work as soon as the weather and roads will permit it to a satisfactory conclusion.

Each lady mentioned above will appoint such ladies to assist her as may seem proper for perfecting such organization in her territory as may best serve the interest of our cause.

It will be the duty of these committees to take up the subscriptions in their territories with the name and postoffice address of each subscriber; but it is not necessary to report the amount of each subscription. These subscriptions, together with the name and P. O. address of each subscriber, must be sent to Mr. J. P. Campbell, treasurer of county committee and also will send them to the State committee, and the State committee will send to each subscriber a certificate containing Gov. Goebel's picture and signature.

It is an earnest desire to make Christian county the "banner county" in the amount her ladies subscribe, and we are assured that this can be done easily if every Democratic woman in the county will feel that it is her work to do all she can to help us.

This is a work of charity but a question of State pride, and a voluntary tribute of loving hearts to the memory of the brave, loyal and true man, our Governor, who gave his life for the principles we love and advocate. Let us thought be kept before our eyes and Christian county will send up a tribute to his memory that will make us all proud.

You make no mistake when you buy Magic Yeast at 5c a package, and refuse to take imitations.

THE LAFAYETTE DOLLAR.

It will be well for tradespeople to get acquainted with the Lafayette silver dollar just issued by the Government. It is the first silver dollar ever issued by the Government, and its appearance at first suggests the idea of counterfeit coin. On the contrary, it is not only good for its face value, but is selling at a large premium, and it is likely to sell still higher, on the account of the fact that only 50,000 of them were issued.

COST OF THE CONTEST.

The costs of the contest for governor and lieutenant governor as figured up by Clerk Boston, of the contest board, will not be as large as expected. The total cost will be \$15,000, of which the State pays \$5,000. The witness fees on the trial of the contestants amount to \$4,000 and there for the contestants aggregate \$1,500.

Gen. Roberts Captures Cannon And Tent.

GEN. CRONJE'S PRISON

(Cablegram to New Era.)

LONDON, ENG., March 6.—(Gen.) Roberts is closely pursuing the Boers and has captured many guns and enormous much ammunition.

It is believed here that the Boers are thoroughly demoralized and that they will soon see for peace.

The arrival of the Queen here today and her public drive—the first since the Diamond Jubilee—was marked by wild enthusiasm.

Great cheering greeted her along the route.

British military authorities have decided that Gen. Cronje and other Boer prisoners shall be sent to the island of St. Helena, there to remain until the war is ended.
