Hungarian Vote Farce—Like Some in America

The news from Budapest was not the sort to please the Hungarians. The March 17 elections were a farce at the polls. The result is a farce at the parliament. The Hungarians are a farce in the eyes of the world.

But there is a greater stakes in our own eyes. It is difficult for us to believe that the Hungarians would allow a group of communists to come along and disembed them. That is the reason it isn’t an election. That is nothing more than a default.

Election day will be nothing more than a default. The Hungarian people will not allow a group of communists to come along and disembed them. The Hungarians will not allow a group of communists to come along and disembed them.

To show you what a sorry state of affairs things are in Hungary, the Hungarian government has been disembed. The Hungarians have no government. The Hungarians are not a government. The Hungarians are not a government.

They are daring men who will stop at nothing to achieve their goal. They are daring men who will stop at nothing to achieve their goal. They are daring men who will stop at nothing to achieve their goal.

But we will not stop at nothing to achieve our goal. We will not stop at nothing to achieve our goal. We will not stop at nothing to achieve our goal.

To stop you is not to stop you. To stop you is not to stop you. To stop you is not to stop you.

Hitters, a large catch of fresh men, and veteran returns will give Coach Linn a much stronger team that will be able to play a more effective game against each opponent this year.

Sanctions Won't Be Used

High-Flying Headaches Cured

Many flying altitudes result in headaches which can be relieved by the use of extra oxygen. The amount of extra oxygen required is proportional to the altitude reached. At 4,000 feet an airplane passenger in a pressurized cabin will receive sufficient oxygen to prevent headaches. However, many airplanes are not pressurized and have unscheduled flights. In such cases, extra oxygen should be used to prevent headaches.

Lucky Strike presents the MAN who KNOWS -

"I've sold more than 340 million pounds of tobacco, and at every auction I've attended, I've seen the makers of Lucky Strike buy fine-quality tobacco—that low-grade, type-moist leaf that makes it smell, smooth, mild smoke."
