Douthitt New S. F. Principal; Replaces Eller

Formerly Headed
Mayfield High;
Native Of Paris

IS U. K. GRADUATE

Union City—Stacy Douthitt, former principal of the Mayfield, Ky. high school, will succeed Ed Eller as principal of South Fulton high school this fall, County Superintendent Milton Hamilton announced yesterday. Eller resigned recently to become superintendent of the Martin city schools.

A native of Paris, Tenn., Douthitt was educated in the public schools of that city and was graduated from Graves county high. He received the A. B. degree from the University of Kentucky, and has done graduate work there and at George Peabody College in Nashville.

His experience in the classroom includes teaching in the schools of Carlisle and Graves counties, and the principalship of the Mayfield high school for four years. He resigned the latter position at Christmas, 1946 to enter the newspaper and printing business at Mayfield.

The new South Fulton principal is married and has three children, two boys and a girl. He plans to move his family to South Fulton as soon as he can find an apartment.

The only remaining vacancy on the South Fulton faculty is that created by the resignation of Miss Alice D. Williams, mathematics teacher. It is probable that Miss Williams' classes will be taught by K. M. Winston, another member of the South Fulton faculty.

The school will begin its fall term Monday, Sept. 1.

VA Representative Tells Of Changes In Fulton Schedule

The weekly Monday and Tuesday visits to Fulton of Harry R. Perryman, Veterans Administration contact representative, will not be made on Monday and Tuesday, Aug. 25 and 26, 1947, nor on Monday and Tuesday, Sept. 1 (Labor Day) and Sept. 2. Thereafter his weekly visits will be made on Monday only.

The next Monday visit will be on Sept. 8, 1947, and each Monday thereafter. Veterans and their dependents may consult Perryman at the postoffice in Fulton regarding all laws administered by the Veterans Administration.

Kentucky Today

Pineville—Bill Fuson, 21, was in jail on a murder charge here after the fatal shooting of Eugene Gambrell yesterday. Gambrell was the son of Ross Gambrell, contractor and lumberman. County Attorney Martin Wilson said he was shot after a fight in a restaurant.

Lexington—Transylvania College officials here said they had been notified of the death of Mrs. Louella Wilcox St. Clair Moss, president of Hamilton College here before its merger with Transylvania. Mrs. Moss died Monday in Columbia, Mo. She was the first woman nominated for Congress by the Democratic Party of Missouri.

Winchester—Pilots of low-flying airplanes over Winchester have been warned by the Clark County Air Board that any violations of airway regulations will be reported to the proper State and Federal authorities.

Whitesburg—M. L. Webb, president of the Letcher County Truck Mine Operators Association, announced here that a 15-day strike of small operators against ramp owners in the county is "virtually over."

Blue Licks—The late Innes B. Ross of Carlisle and the late Samuel M. Wilson of Lexington were honored here yesterday in connection with ceremonies commemorating the 165th anniversary of the Battle of Blue Licks, last encounter of the Revolutionary War. Col. Lucien McKner, Louisville historian, praised Ross and Wilson for their part in establishing the revolutionary battle site as a state park.

Hospital Aid For Purchase

4 West Kentucky Areas
High On Priority List
For Federal Medical Fund

Louisville, Ky.—(AP)—Dr. P. E. Blackberry, state health commissioner, said today that 41 Kentucky counties have been given top priority on a federal aid fund of \$2,500,000 to help them build hospitals.

The priorities were approved tentatively by the Kentucky hospital advisory council at a meeting here today.

To qualify for federal aid, each county or group of two counties must raise two-thirds of the money needed to build a new hospital or to remodel an old one, it was explained by council officials. A council spokesman said none of the 41 counties given priorities now have approved hospitals, although some have institutions which have been given approval by state and federal authorities.

Dr. Blackberry said the requirement that counties must furnish double the amount of federal aid offered them would prevent many of the "priority A" counties from obtaining the funds for several years.

High priority counties include those linked by highways being considered one geographical unit to operate a hospital jointly: Livingston-Marshall, Caldwell-Lyon, Ballard-Carlisle and Trigg.

Atomic Rays Weren't Fatal

No Radiation Discovered
In Oak Ridge Worker's
Body, AEC Report Says

Oak Ridge, Tenn.—(AP)—An examination of the body of William Rhodes Earle, 37, of Worth, Texas, whose death was attributed to exposure to radioactivity, revealed "no radiation of any type," an Atomic Energy Commission radiation specialist has reported.

An autopsy surgeon attributed Earle's death, which occurred Saturday, to failure of the liver due to exposure to radioactivity and said a Geiger counter revealed the body was emitting gamma rays.

The United Chemical Workers Union (CIO) at Oak Ridge, as a result of the autopsy surgeon's statement, has asked the AEC to determine if liver or health of approximately 3,000 workers at the Carbide and Carbon Chemical Corporation plant here are in danger.

The AEC report by Adrian Dahl, radiation specialist, repeated earlier statements that Earle had no access to radioactive material while he was working at Carbide and Carbon from February, 1945 to September, 1946, and said that examination of tissues from his body revealed "there was no radiation in these tissues. If there had been radioactive material in the liver it also would have shown up in these other tissues."

Graves 4-H Club Beef Cattle Show Will Be Tuesday

Mayfield—The Graves county 4-H Club beef show will be held at the old Kitty League park Tuesday, Aug. 26.

Prof. T. D. Johnson, animal husbandry specialist, Lexington, will be judge. Prize money will be awarded winners in blue, red and white ribbon groups.

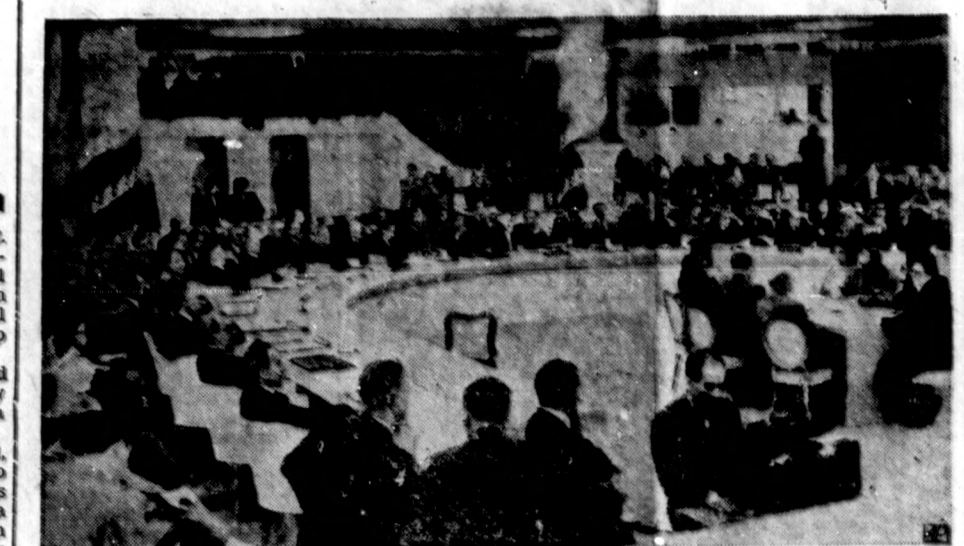

A county group of five calves will be selected to compete at the district show and sale at Fulton Aug. 28. All club members will sell their project animals at the district show.

IC Service Club Will Meet Friday In YMBC Hall

The Illinois Central Service Club will hold its regular meeting tomorrow night at 7:30 o'clock in the YMBC club room, it was announced today by Gene Hootenpyle, president.

B. T. Adams, general storekeeper, Paducah, will be the principal speaker. Two \$50 war bonds will be given away. Refreshments will be served.

All railroad employees, their families and guests are urged to attend.

INTER-AMERICAN CONFERENCE IN SESSION—Delegates from 20 nations sit around the horseshoe shaped table during the session of the Inter-American Defense Conference at Quitandinha, Brazil. Secretary of State George C. Marshall is seated at table third from left, reading clockwise.

Record Treasury Surplus Seen; GOP Congress Saved 1 1/2 Billions

Washington—(AP)—President Truman attributed a \$1,500,000,000 saving to the Republican Congress today in a budget review which forecast that continued high prices, taxes, incomes, and employment would produce the highest Treasury surplus in history.

But the President said other factors, not counting new sums for foreign aid, will limit the reduction in Government spending to \$528,000,000 for the year ending next June 30. He put the total at \$37,000,000,000.

In bringing the budget up to date Truman made it clear the administration will ask for more money for its international program, and this might greatly alter his computations.

He indicated continued opposition to lowering taxes.

And he disclosed he has ordered all Government agencies to keep their next budgets below the ones under which they now operate. In some instances he has "established certain definite limitations."

In revising a budget he termed "hard-boiled" to start with, the Chief Executive was unable to say at this time how much the bill will be for further international assistance. With the totals subject to change because of that uncertainty, he predicted that in the current fiscal year ending next June 30:

1. The government will spend an even \$37,000,000,000. This is \$528,000,000 less than he estimated when he submitted his original budget to Congress in January.

2. Uncle Sam's income will be \$41,067,000,000. This is \$3,937,000,000 higher than the actuary calculation. The revision is based on "a continuance of employment, prices, and incomes close to their present levels throughout the fiscal year." Bigger individual income tax collections account for \$2,100,000,000 of the boost.

3. The Treasury will show a surplus of \$4,867,000,000—largest ever tallied—next June 30. The \$238,000,000,000 national debt may be reduced to \$233,000,000,000.

W. Lawrence Dies August 20

Former W. Valley Man
Succumbed At Hospital
In Memphis; Rites Friday

Wayne Wester Lawrence, 47, died yesterday in the Baptist hospital in Memphis. He was formerly of Water Valley, but was a salesman for the National Biscuit company in Jackson, Miss. for a number of years. He has been in ill health for the past 10 years.

He leaves his parents, Mr. and Mrs. A. H. Lawrence; one brother, Guy C. Lawrence of Chicago; a sister, Mrs. Vernie Smith of near Water Valley; and two nieces.

Funeral arrangements are incomplete, but services will be held tomorrow at Bayou de Chine, with the Rev. Rudolph, pastor of the Presbyterian church at Bayou de Chine, officiating. Burial will be at Camp Bearegard.

The Jackson Brothers Funeral Home in Duketown will be in charge.

Sid House Dies At Home Of His Son In Fulgham Today

Sid House, 83, prominent retired farmer, died this morning at the home of his son, Alvin House in Fulgham.

He is survived by six children: Lonnie House of Detroit, Guy House of Louisville, Mrs. W. S. Jackson of Los Angeles, Calif., Mrs. Tom Montgomery, Dewey House and Alvin House all of Fulgham.

Funeral arrangements are incomplete. Burial will be at Salem.

Hemisphere "Marshall Plan" Not Feasible, Secretary Says

Cadiz Blast Toll May Be 800; Official Report Still Withheld

Cadiz, Spain.—High official quarters were reported today to have made a preliminary although unsubstantiated estimate of 800 persons dead and 7,000 injured in the Cadiz arsenal explosion.

Earlier maximum estimates of the dead had ranged around 500.

The Cifra news agency quoted semi-official sources as reporting that more than 400 bodies had been recovered already and that there were some fears the ultimate total might be in the neighborhood of 1,000.

National officials refused to release casualty and damage estimates in the blast which wrecked parts of this port city, and did not permit the Spanish press and radio to disseminate any figures.

However, sources associated with official information sections in Madrid reported that an "informative" memorandum placed the toll at 800 dead and 7,000 injured, cautioning at the same time that there was no substantiated basis for the figures.

Unofficial observers on the scene speculated that the damage might run to \$25,000,000. Outside the devastated zones, much of the city including the

7 Nazi MD's To Be Hanged

Criminal Experiments,
Executions Bring Verdict
Of Guilty In U. S. Court

Nuernberg.—Seven Nazi doctors including Karl Brandt, Adolf Hitler's personal physician, were sentenced by an American military tribunal to be hanged for their share in criminal medical experiments and executions of concentration camp prisoners.

Five other medical men received life prison terms. Lesser terms were imposed on four others including Herta Oberhauser, woman doctor at Ravensbrueck concentration camp, who received a 20-year term.

Fifteen of the 16 doctors sentenced were convicted of war crimes and crimes against humanity. The 16th was acquitted on those charges but imprisoned for 10 years as an SS member.

Karl Dehhardt, Heinrich Himmler's physician, was sentenced to be hanged. So were Rudolph Brandt, Himmler's administrative officer (no relation of Karl) and Joachim Mrusowsky, SS chief hygienist who supervised firing of poison bullets into Russian prisoners.

Life terms were given Siegfried Handloser, chief of the armed forces medical services; Eduard Schroeder, chief Luftwaffe medical officer and SS General Karl Genzkin, chief of the SS medical department.

Union City Truck Hits Lone Oak Boy

Paducah—Marlin Morris Harris, 10-year-old son of Mr. and Mrs. James W. Harris, Route 1, remained in a critical condition at the Illinois Central Hospital last night suffering from injuries received Tuesday morning when he was hit by a truck on Highway 45 in Lone Oak.

The boy has a fractured skull and a broken right leg.

The driver of the truck was Edward Carter Wells, Union City. State Highway Patrolmen said Wells skidded and swerved his truck in an effort to avoid hitting the boy, who ran in front of the vehicle.

The boy was taken to the hospital by W. E. Montgomery, Paris, Tenn., a passing motorist.

All Graves Schools Will Open Monday

Mayfield—All Graves county schools except the first six grades at Farmington will open Monday, Aug. 25, according to County Superintendent James Dewese. All teaching vacancies have been filled.

Temporary housing is being sought for the first six grades at Farmington. The school recently was destroyed by fire.

Leader Congratulates

Mr. and Mrs. Dewey Southworth, Fulton, on the birth of an eight pound 15 ounce boy this morning at 1:40 at the Haws Memorial.

Mr. and Mrs. Clarence Stephens, Fulton, on the birth of a seven pound girl August 20 at the Fulton hospital.

WHERE NAVAL PLANT EXPLODED—Arrow locates Cadiz, Spanish coastal city, where a Spanish naval torpedo plant exploded August 18, wrecking a residential section, an orphanage, a hospital and a factory.

The main section was recovering quickly and getting back to business. Electricity had been restored.

Hundreds of workers, sweating under a near tropical sun, were prying into the ruins and removing debris. Professional engineers directed the night-long search through the mountains of rubble in the stricken districts.

This is a city in black, ravaged and broken by blast and fire. Years will pass before it can again be the bustling international seaport it was until 9:45 p. m. Monday.

Hundreds are homeless, thousands jobless. Estimates placed the injured between 3,000 and 6,000. Probably not a single building escaped undamaged.

Thousands of grimy rescuers dug through the night by lights from emergency generators. The stench of death and fire enveloped them. Until they have finished their spadework nobody can tell how many died.

Saving Dollars Britain's Goal

Tight Rationing System
Set Up For U. S. Money
Left For World Trade

Washington—(AP)—In an extraordinary emergency measure, Britain imposed tight rationing today over the dollars she has left for world trade—a step taken with United States approval to avert economic chaos.

Simultaneously, Sir Wilfrid Eady, chief of a British financial mission here discussing modification of additional terms of the dwindling \$3,750,000,000 loan, disclosed at a news conference that Britain:

1. May have to cut imports for home consumption even beyond the drastic restrictions which already have been announced.

2. Already has notified the United States of its intention to make another withdrawal from the \$350,000,000 remaining of the loan.

3. Will have to rewrite 25 to 30 trade agreements with other countries containing clauses calling for exchange of pounds into dollars.

Dispatches from London quoted Chancellor of the Exchequer Hugh Dalton as figuring the balance of the British loan at \$750,000,000, as compared to a Washington Treasury figure of \$850,000,000. This may be explained by the possibility that Dalton included the new withdrawal which Eady said has been requested.

The rationing of Britain's remaining dollars was put into effect by suspending temporarily the dollars-for-pounds free convertibility program—one of the conditions of the big loan.

51.10c Top Wool Price

Union City—Clear native wool brought a top price of 51.10 cents per pound, a record high for the local pool, at the Ohio county Farm Bureau sale Tuesday. A total of 35,215 pounds of wool was sold.

The Sports Mirror

By The Associated Press

Today a year ago—Pittsburgh Pirates rejected Baseball Guild by vote of 15 to 3 in National Labor Relations Board election.

Three years ago—Bob Hamilton defeated Byron Nelson 1 up at Spokane to win National PGA golf title.

Five years ago—Football schedules at air corps technical training command schools cancelled by order of war department.

Ten years ago—Giants walloped Phils 13-6 with Carl Hubbell doing four-inning relief stint and trailed Chicago Cubs by two games.

Ashland's Flood Wall Will Cost \$2,620,000

Ashland, —(AP)—A proposed flood-control program for Ashland would cost approximately \$2,620,000, of which Ashland's share would be \$376,000, Harry Pockras of the Army Corps of Engineers in Huntington, W. Va., said last night.

Sports Roundup

By Bill Becker

(For Hugh Fullerton, Jr.)

Los Angeles, —(AP)—June in January is taken for granted in California, but December in August is a new switch.

In short, the football virus is with us earlier than ever. Three major pro grid clubs have been sweating through workouts in this sector for nearly a month and the colleges break out the moleskins in about 10 days.

So grab a blonde or a peasant, whichever's handiest, and take a whirl on—the football merry-go-round.

The Los Angeles Rams, bolstered with new talent to help the peerless passing combine of Waterfield-to-Benton, plus a new head man, Bob Snyder figure to be one of football's crowd-pleasing teams. Snyder has lots of new running attack ideas to spring loose on improving Tom Harmon, Fred Gehrk, Les Horvath, et al.

But Snyder pooh-poohs Jimmy Conzelmann's remark that the Rams have "the best roster in pro football—even more talent than the 1941 Chicago Bears."

"BEN THE TOELESS"

The rival Dons of the All-American Conference may have come up with a worthy rival for Cleveland's Lou (The Toe) Groza in Ben (The Toeless) Agajanian. The Armenian place-kicking specialist, who lost the toes on his kicking foot in a childhood accident, booted two conversions and a field goal for the winning points in the Dons' 17-16 exhibition triumph over Brooklyn Sunday. Agajanian was a standout with the Holy Bears of the coast loop for several seasons. Like Groza, all he does is kick—but how.

Washington Redskins' Jack Jenkins was down at the heels. Now he's down in the month. The ex-Vandy fullback had been suffering from sore heels and trying to ease the ailment. The skins finally sent him to a dentist—ah, bum (teeth) Jenkins hopes there's some connection.

OREGON STATE TALK

There's a lot of Oregon State talk on the Pacific slope, but the Beavers will face their toughest hurdles, it's generally figured, in UCLA's defending PCC champions and a resurgent Southern California. Both

Bruins and Trojans appear three deep, which may be more than the Beavers can muster.

UCLA's Don Paul and Tom Pears and Troy's John Ferraro will probably rate among the year's best college linemen. Jerry Shipkey, 215-pounder who moves like 175, may prove the Bruins best back. USC has great hopes for Soph Jay Roundy, spark of last year's undefeated Trojans.

TURNSTILE TABULATIONS

The hapless St. Louis Browns are making money away from home, having played to 955,034 fans in 48 road contests, but at home it's a sadder story. Up to their current home stand, the Browns had drawn only 264,000 paying customers in 42 games at Sportsman's Park. This included one gathering of 478. But things could be—and have been—much worse. For the entire 1935 season at home the Browns, finishing in seventh place, drew a lot of echoes and a grand total of 80,922 paying fans.

WEATHER WOES

Wyatt, incidentally, may find Wyoming weather more of a problem than installation of southern playing tactics. Last season, the Cowpunchers toughed out three games in blizzards with two to six inches of snow on the field and played another in an almost cyclonic wind. . . . In one game, with Denver, storm clouds were so thick the last quarter was run out in almost total darkness.

GRID GLANCES

Coach Bernie Masterson's Nebraska Cornhusker gridders should win all of their games this fall if they get by their first four without taking a licking. . . . Three of the first four are Indiana, Minnesota and Notre Dame. Iowa State is the other. . . . The University of Wyoming may be in for a brighter era in football. . . . Wyoming's Head Coach Bowden Wyatt, the Tennessee All-American of 1933, Assistant Dick Hitt and President Duke Humphrey, former Southeastern Conference prey, each had a hand in turning out an Orange Bowl and conference champion at Mississippi State before the war.

Baseball Games Net \$417 For Graves War Memorial

Mayfield—Two baseball games here Tuesday night between Mayfield and Paducah Junior American Legion teams and the Mayfield and Cairo Kitty League nines swelled the Graves county War Memorial fund by \$417, after state and federal taxes and other expenses had been deducted. Paid attendance was 1161.

Nailling To Seek Election As U. C. Finance Officer

Union City—Fred Nailling, deputy Union County clerk, has announced his candidacy for Union City finance commissioner in the city elections this fall. Although he is the first candidate to announce formally, it is assumed that Charles L. Dismukes, the incumbent, will seek re-election.

the "Beer Drinker's" Beer

STERLING BREWERS, INC., Evansville, Ind.

Chicks Thump

Hounds 8 To 3

At Union City

Just Half a Game From 4th Place

With only 15 games remaining on their 1947 schedule, Fulton's Chicks increased their chances of being in the Shaughnessy play-off by taking the third game of the series at Union City last night 8-3.

The Chicks play Mayfield three games here starting tonight, play three at Cairo Aug. 24-25, meet Mayfield again Aug. 26-27, have a home series with the Egyptians Aug. 29-31, and end their regular season at Union City Sept. 1.

Now they're half a game out of fifth place and one and one-half games out of fourth. Fulton started the scoring in the second last night when Pete Peterson tripled and came in on Gray's single. The Chicks added two more in the third and fifth, one in the sixth and the final two in the eighth. Union City's three runs came in the fifth.

Peterson hit three in five trips to excel in the swat department, and the Chick outfielder's triple was the only extra-base blow of the night.

NOW! ANYONE CAN HAVE HOT WATER QUICK!

New Pocket-Size Water Heater

Costs Less Than \$2.25

HEATS WATER FAST

Merely place a portable FAST-WAY Water Heater in a receptacle containing water. Plug in the nearest socket. Lo and behold! The FAST-WAY goes to work at once, heating water like sixty for 101 purposes—a sufficient quantity for bathing, washing, scrubbing, cleaning, cream separators, etc. The speed depending on quantity. CAUTION: Directions for using are furnished with each heater. Read and follow. Costs less than \$2.25. No fires to build or hot

water to carry. No running up and down basement stairs. No heating tanks full when a few gallons or a quart is wanted. Handy! Portable! Inexpensive.

New Orleans Bets May Be Legalized

New Orleans. (AP)—Mayor De Lesseps S. Morrison announced that the city again may introduce legislation to legalize gambling in New Orleans to provide revenues for street paving. Morrison estimated that the tax yield from this source would run to an estimated \$72,000,000 annually.

Ashland Oil Men To Help Develop Middle East Area

Ashland. (AP)—Chairman Paul G. Blazer of the Ashland Oil & Refining Co. announced yesterday that his firm has joined 10 other independent oil concerns in forming the new \$100,000,000 corporation to develop petroleum concessions in foreign fields, including the Middle East.

J. Howard Marshall, president of the Ashland firm, has been elected a vice-president of the new corporation, known as the American Independent Oil Co.
