## War Unlikely At the Moment, Ike Tells Vets

**Ex-Army Chief  
Still Sees Need  
For Preparedness**

### ENDORSES TRAINING

New York. (AP)—General of the Army Dwight D. Eisenhower, in an address he described as "something of an official farewell," told the American Legion he did not foresee "a global war as an immediate threat."

The Army chief of staff and supreme commander of World War II, who leaves military service early next year to become head of Columbia university, declared the world at present "comprises two great camps"—one grouped around dictatorships and the other, democracy.

But, he said, "no great nation is today in position deliberately to provoke a long and exhausting conflict with any hope of gain."

Eisenhower's long-run view of the international situation was less optimistic, however.

"As long as deliberate aggression against the rights of free men and the existence of free government may be a part of the international picture, we must be prepared for whatever this may finally mean to us," he said.

"The friends of freedom must stand staunchly in its support or its foes will eliminate freedom from the earth."

The chief of staff, who shared the platform with Fleet Admiral Chester W. Nimitz and Gen. Carl A. Spaatz, received an ovation from the 6,000 Legionnaires at the second session of the 29th national convention.

Eisenhower gave emphatic endorsement to a universal military training program, which was backed strongly by President Truman, Gov. Thomas E. Dewey, Secretary of Defense, James V. Forrestal and other notables at the opening session. A campaign to win congressional approval of a training law has become the convention's dominant theme.

## Kentucky Today

Frankfort—Replying to Abel Harding, Campbellsville, Attorney General Dummit said his office never has issued an opinion approving salary increases for the Mayor and councilmen of Campbellsville. If the officials' salaries were fixed when they took office, Dummit added, Section 161 of Kentucky's constitution bans any increase during their terms.

Whitesburg—A loaded coal truck struck and killed Charles Henry Collier, 6, son of William Collier, a coal miner, at Neon, Ky. Police Chief W. H. Sergeant of Whitesburg, William Bates, 30, of Neon, the driver, was charged with manslaughter.

Madisonville—A coroner's jury recommended that Jasper Wilkerson, 45, be held for action of the September grand jury in connection with the fatal shooting Wednesday night of his brother-in-law, Marvin Stearnman, 45, County Judge O. M. Kingston said no date had been set for Wilkerson's examining trial on a murder charge.

Jackson—After a week without police, Jackson's City Council elected Louis Deaton, Jr., chief and appointed two patrolmen. The new force replaced police dismissed after the council held a hearing on charges the other officers went outside the city without proper authority to look for "liquor trucks."

Madisonville—William E. Russell, 22, and Joe Stinnett, 20, both of Dawson Springs, are at liberty on \$500 bond each pending action of the September grand jury on charges of shooting and wounding Fulman William Burden, 51, at Dawson Springs May 18.

## Cadiz Laborer Amputates Foot

**Caught In Machinery;  
Victim Uses His Knife  
To Free Self, Save Leg**

Hopkinsville, Ky. (AP)—Bert Hall's right foot and ankle were caught between a winch and the frame of a bulldozer on a road project at Linton, Ky.

As the bones were crushed and his leg was being drawn into the space between the winch and the frame, Hall jerked out his pocketknife and completed the job of amputation. He cut himself free by slashing the muscles and ligaments of the leg just above the ankle.

The 47-year-old Cadiz, Ky., man's son, Bert Hall, Jr., 26, had been working nearby but was unable to reach his father until after the elder man cut himself free.

The injured man was brought to Jennie Stuart Memorial Hospital here, where he told about the accident. His wife reported his condition was "good."

## State Deer Season Is Nov. 22 - Dec. 3

Frankfort, Ky. (AP)—The deer hunting season in Kentucky will open Nov. 22 and close Dec. 3, the Game and Fish Division announced.

Only shotguns loaded with buckshot or slugs may be used. Each hunter is limited to one antler buck deer during the season. Dogs may be used.

Deer may be hunted only in Bullitt, Nelson, Hardin, Breckinridge and Meade counties, the division said.

**ROUTE OF PRESIDENT'S TRIP TO RIO**—Arrows with plane symbols indicate the probable route of the new Presidential plane "Independence" which will carry President Truman, Mrs. Truman and their daughter, Margaret, to Rio de Janeiro, Brazil, where the President will address the Inter-American Defense Conference. Route of return trip on battleship Missouri indicated by broken arrows and ship symbols. Plane is scheduled to leave Washington on August 31.

## U. S.-Argentine Disagreement On Defense Treaty Is Settled

Quitandinha, Brazil. (AP)—A flareup between Argentina and the United States at the 19-nation inter-American conference over an Argentine move to limit the defense pact to territories under the "effective jurisdiction" of the members was settled amicably, key conference delegates said.

These sources said an understanding was reached that Argentina would withdraw a controversial amendment, introduced at a meeting of the committee on aggression which had been expected to give quick approval to a pole to pole security zone. It was agreed at the same time that the United States would consent to a change in the debated treaty article.

Sen. Arthur H. Vandenberg (R-Mich.), U. S. delegate, had declared the Argentine amend-

## Harmless, Potentially Useful Atomic Explosion Method Discovered At Los Alamos Testing Plant

Los Alamos, N. M. (AP)—A significant stride toward an atomic power plant, involving a harnessed version of the atomic bomb, was announced by the Atomic Energy Commission.

The commission said it had developed an atomic reaction plant, called a "pile," which actually is "a controlled form of the atomic bomb."

In it, an atomic explosion releases a steady, sustained flow of energy instead of turning it loose in an instantaneous, crushing blast. And operators can control the rate at which energy is generated.

The atomic furnace is a long

way from being in itself a plant which can generate useful power for industrial or other purposes by splitting atoms.

But Dr. Norris E. Bradbury, director of the commission's Los Alamos scientific laboratory, said the plant supplies a more intense source of "fast neutrons" and it is hoped this will "make possible the study of fast neutron chain reactions in more detail, and thus be another step toward finding the best type of chain reactor for the production of useful power."

He said the plant, developed secretly at Los Alamos, has been operated successfully since last November.

It differs from other atomic "piles" in two major respects:

## Veteran Drowns In Kentucky Lake Near Higgins Dock

Eron C. Morris, 31, veteran of World War II, was drowned in the Kentucky Lake at 1:30 p. m. Friday near the Higgins boat dock.

Morris was recently discharged from a veterans' hospital in Michigan and was visiting relatives in Calloway county at the time of the accident. The body was recovered two and a half hours after Morris disappeared beneath the water. He was swimming at the time.

He was a member of the Palestine Methodist church of McCracken county.

## Riddle Is Named Teacher at Senior High, Owensboro

Forrest Alton Riddle, son of Mr. and Mrs. F. H. Riddle, Fulton, has been elected social science teacher at Owensboro senior high school for the coming school year.

Mr. Riddle has received both the bachelor's and master's degrees from Murray State College. He left this week for Owensboro, and his wife and baby will join him as soon as he can find living quarters for them there.

## Negro Man Dies At Fulton Home

Sam Frazier, colored, of Chicago, died last night in the servants' quarters of Man and Beale Polk, colored, on the property of Mrs. R. E. Goldsby at 318 Carr street.

Frazier, who was unknown in Fulton until he arrived here Sunday on a bus, was taken in by the Polks when he became ill at the bus station. He was en route to his former home in Mississippi.

The kindy Polk couple took him and put him under the care of a doctor, and cared for him until the time of his death. Relatives in Chicago have been notified and the body is being held at Vanderford's Funeral Home awaiting their arrival.

## New Troy C. P. Church Is Nearing Completion

Union City—The New Cumberland Presbyterian church at Troy is nearing completion and Sunday School will be held at the building Sunday morning at 10. The church is being erected on the site of the former building, which was destroyed by fire last February.

## U. C. Officer Hurt In Fight

**St. Louis Man Resists  
Arrest, Brawl Follows**

Union City—Willis Reese, Union City police officer, suffered injuries to his back and an elbow, and his glasses were broken during a fight with a man he was attempting to arrest Thursday night.

His assailant, who registered as Buck Byrd of St. Louis, will face public drunkenness, disorderly conduct and fighting charges in city court. Byrd was arrested by squad car officers after the fight with Reese.

Reese said Byrd began swearing at him when the officer entered a Union City cafe on a routine inspection visit. Reese then arrested him, and as he was calling the police station to summon the squad car Byrd struck the officer in the mouth and pushed him across a table.

"Byrd was angry because a few nights before I had asked a woman who was in the same cafe wearing shorts to leave and get into her car," Reese declared. "I had explained to her that a city ordinance provides that women are not to appear in public in Union City in shorts."

Police said Byrd is an employee of a St. Louis construction company which is installing sewer and water lines in Union City.

## Train Injuries Fatal to Negro

Carl Blair, colored, of South Fulton, who was hit by the IC's Panama Limited at approximately 2:30 a. m. Friday at the Browder Mill crossing, died yesterday in the Illinois Central hospital in Paducah. He was about 60.

Blair was rushed to Jones Clinic in a Hornbeak ambulance which had been called by railroad officials. He was examined there and sent immediately to Paducah.

The body has been returned to Fulton and is now at Vanderford's Funeral Home awaiting the arrival of relatives before funeral plans are made. A brother, James, lives in Chicago and a sister lives in Paducah. Blair had worked for a number of years for the Carr family in Fulton and had been employed by P. H. Weeks' Sons, but at the time of his death was not employed.

## Bradley Ends Pastorate Here

**Baptist Pastor Leaves  
Tomorrow Night to Take  
New Post In Louisville**

The Rev. Sam Ed Bradley will preach the concluding sermon of his pastorate here at the First Baptist church tomorrow, Aug. 31. The morning worship begins at 11 o'clock and the evening service at 8 o'clock.

Tomorrow night he will leave for Louisville, where he has accepted the position of field superintendent of Spring Meadows, formerly the Louisville Baptist Orphans' Home. Mrs. Bradley and their children will join him soon.

Mr. Bradley has been pastor of the Fulton church since February 1945. He said today that he is especially anxious to have a large attendance at his final sermons here, in order that he may speak to as many of his friends as possible before leaving.

## Forester Tells of Danger Of Holiday Forest Fires

Hopkinsville, Ky. — E. R. Wagoner, district forester, asked that tourists and visitors to State forests and parks exercise caution over the Labor Day holidays to prevent forest fires. He pointed out that there had been one fire in north Christian in the past few days.

## Quarantines Stockyards In Fulton, Calloway, Hickman, Graves Counties Due to Anthrax

**Howell Rites  
Held Friday**

**Mrs. R. L. Howell Died  
At Home in Troy, Aug. 28**

Mrs. R. L. Howell, lifelong resident of Obion county, died Thursday at her home in Troy after a long illness. Funeral services were held at 3 o'clock yesterday afternoon at the Obion Methodist church, with the Rev. George McIlwain of Dyer officiating. Burial was in Rose Hill cemetery, with King & Sons in charge.

Mrs. Howell, the former Ann Belle Harmon, was born Nov. 11, 1865. She was married to R. L. Howell in 1889.

She leaves her husband; three children: Mrs. M. R. Thompson of Obion, Cecil Howell of Troy and Hamp Howell of Paris; seven grandchildren, six great-grandchildren; and one brother, Jim Harmon of Pleasant Hill.

A grandson, Robert Howell, is an employee of the Fulton Daily Leader.

## Water To Be Off In East Fulton At 8 a. m. Monday

City water will be cut off in all of East Fulton Monday, Sept. 1, beginning at 8 a. m. the Fulton Waterworks announces.

This must be done to enable workmen to repair a leaking fire hydrant, it was explained.

The water may be off for several hours.

## The Weather

**EXTENDED FORECAST:**  
Kentucky and Tennessee: For period through Wednesday—Scattered showers about Monday with light amount; temperatures for period will average four to five degrees above normal, somewhat cooler Monday and warmer Tuesday.

## County Livestock Also Are Barred From State Fair

**LOCAL YARDS OPEN**

Stockyards in Fulton, Hickman, Graves and Calloway counties have been quarantined because of the outbreak of anthrax in this area, according to an Associated Press story released in Frankfort last night.

The state board of agriculture, which announced the stockyards quarantine, also quarantined the area along the Brownsville road to the delta and the city levee south of Hickman in Fulton county, and the ferry at Columbus in Hickman county, thus stopping cattle imports from Missouri.

Elliott Robertson, agriculture commissioner, said no livestock from Fulton or Graves counties may be exhibited at the state fair in Louisville. Hickman and Calloway county livestock may be shown, he said.

It was business as usual at the three stockyards in South Fulton this morning, however. The Neal Ward Stockyards, W. B. Davis and Son and Kennett-Murray-Latta Stockyards said they had not received any order to reject cattle from the four quarantined counties. All three stockyards are in Obion county, Tenn.

Harry Barry, Fulton and Hickman counties sanitarian, told the Leader he had not been given any instructions by the State Department of Health relative to the quarantine edict.

It was assumed that stock could not be shipped or driven out of the quarantined areas, which would eliminate the possibility that infected animals might reach stockyards here.

The state highway patrol has been requested to report any activity at the quarantined stockyards in the four affected counties, and to watch for any trafficking in the quarantined areas, Robertson said. The quarantine will remain in effect until further notice.

Union City—Veterinarians here who have been in constant touch with the anthrax situation in Kentucky, believe there is no danger of the disease spreading to Obion county. Consequently, directors of the Obion county dairy show, scheduled Thursday, Sept. 4, continued plans for that event. The show will be held as a feature of the Obion county fair, which opens Tuesday, Sept. 2, at Tom Stewart Field, Union City.

## Not All Monkeys Can Play Rummy

There's at least one bridge expert in this country who doesn't look down his nose at the relatively simple game of gin rummy.

Oswald Jacob of Dallas, Tex., says he'd rather play gin rummy.

One reason, he says, is because most people take bridge too seriously and make too hard work of it.

As for that story that monkeys can play gin rummy as well as human beings—well, says Jacob, it isn't so. Only about 95 percent of the monkeys can play gin rummy, he says.

## U. S. Exporting More Food In '47

Washington. (AP)—The United States exported \$124,000,000 in foodstuffs during the first half of this year, or \$30,000,000 more than in the same period of last year, the Commerce Department reported.

U. S. food imports during the first half of 1947 totaled \$831,000,000—\$410,000,000 less than the value of its shipments abroad—an increase of \$198,000,000 or nearly one-third over the period last year.

## Singing Session Sunday May Attract 5000 to 6000

## Pie And Foreign Policy

By Alex Singleton

AP Foreign Affairs Analyst

A schoolchildren's questionnaire sixteen year ago on the diminishing popularity of pie will have a direct effect upon this nation's future foreign policy.

For its disclosure that housewives were substituting ice cream and cookies for pie in their youngster's diets helped a Pekin, Ill., baker decide to become a politician. Fewer pies might mean an end to a bakery's profits, so Everett Dirksen reasoned he'd better switch to a different career.

That decision took Dirksen, a republican, to congress and to a dominating place on the powerful house appropriations committee which has a yes-or-no voice over all government spending—including that for foreign aid programs.

Dirksen now is on his way to Europe as chairman of a joint house appropriations—armed services investigating committee, off for a first hand survey of military and economic conditions abroad. The committee will report to congress upon its return.

In Dirksen's pocket is a blank check aimed at insuring the cooperation of European officials eager for American financial help.

It is in the form of an open letter of introduction signed by Rep. Taber (R-NY), the

chairman of the appropriations committee and the Republican axe-man for chopping down government spending.

There never has been any lack of appreciation among United States as to Taber's powers. And foreign officials have become increasingly aware of them.

The two men—Taber and Dirksen—generally are credited (or blamed) for dictating the committee's major decisions. Thus, Dirksen's mission takes on increased significance to foreign countries.

For, under the constitution, all money bills must originate in the house. But before they reach the floor, their form is determined by the appropriations committee and even before that—by a powerful subcommittee upon which both Taber and Dirksen sit.

This means that any financial program to carry out the Marshall plan for Europe's economic reconstruction will have to get an okay from the subcommittee. That is the reason Dirksen's findings are important to future foreign policy.

Dirksen will concentrate primarily on the problems of Germany, operating out of Frankfurt, because he feels that to get the rest of Europe back on its feet the German industrial machine must be geared to heavy but closely supervised production.

## Paxton Park Golfers Play Here Aug. 31st Won Earlier Meet On Home Fways

Sunday, Aug. 31, golfers from Paxton Park in Paducah will come to Fulton for an inter-city match with the Fulton County Club. The Paducah golfers won an earlier meet on their home-fairways this summer, but the Fulton County Clubbers have the distinction of never having lost a match on the course here.

Paxton will bring 20 players who will tee off promptly at 1:30 against 20 Fulton players. All Fulton players who wish to participate must be at the course by 1 o'clock so they can be matched by 1:30. All available caddies can be used, and the club asks all boys who wish to caddy to be there by 1 o'clock.

The Golf committee of the County Club also announces that the time for players who have entered the club membership flights has been extended. "You must play your first two matches by the night of Sept. 7. If you are unable to make arrangements to play in the time specified, you must forfeit your match to your opponent. Find out who is your opponent and make arrangements at once so that we can get the play over by Sept. 30. This includes both the first and second flights."

Washington, (AP)—The Interstate Commerce Commission ordered additional areas of Virginia, North Carolina, Kentucky, and Tennessee, including the city of Knoxville, placed in the Eastern standard time zone.

The change, effective at 2 p. m. September 28, will be made by moving the time boundary slightly westward so as to take in the western tips of Virginia and North Carolina plus additional sections of Southeastern Kentucky and Eastern Tennessee.

## Veterans Corner

This column is published weekly through the cooperation of this paper. Questions should be mailed to the Veterans Employment Representative, Kentucky State Employment Service, Mayfield, Kentucky.

Q. What interest rates are lenders permitted to charge on G. I. business loans?

A. In most cases, four per cent is the maximum. However, the interest rate may be slightly higher for certain types of business loans.

Q. My husband receives compensation because of World War I service. Will I receive a pension at his death?

A. If your husband dies from a disability proved to have been contracted in military or naval service, or if the death is from another cause and your income does not exceed \$1,000 a year if

childless, or \$2,500 if with minor children, you may be eligible for a pension.

Q. In order to get a business loan under the G. I. Bill, will I have to operate the business myself?

A. Yes, the veteran must devote his personal labor or supervision to the enterprise or to the practice of a profession, on a full or part-time basis.

Q. May a veteran of World War II who is receiving retirement pay take a course of training or education and receive subsistence allowances?

A. Yes, if he is otherwise eligible.

Q. What are the compensation rates payable to World War II Veterans for service-connected disabilities?

A. The rates range from \$13.30 a month for a 10% disability to \$138 a month for total disability. For certain specific disabilities the rates may be as high as \$320 a month.

## Chicks Edge Nearer Playoff With 6-4 Win Beat Egyptians At Fairfield

The man with the comptometer smiled at the Chicks last night as they defeated Cairo at Fairfield by a 6-4 score while the Madisonville Miners were losing to the cellar-dwelling Colts from Clarksville.

The win by the local club, coupled with the Miner loss, brought the Chicks within one and one-half games of the first division.

The Chicks scored once in the first inning, once in the second, once again in the fifth, twice in the sixth and rounded out the night with one more in the seventh.

Cairo scored in only one inning. The Egyptians put together five hits in the third to tally four times. It was the only time Wessell who did the pitching for Fulton was in serious trouble.

The Chicks played without the services of Tommy Buck at third last night. Propst, regular first sacker, was shifted over to cover the hot corner and Hardcastle, southpaw pitcher, was called in to hold down first.

## The Church and the Child...

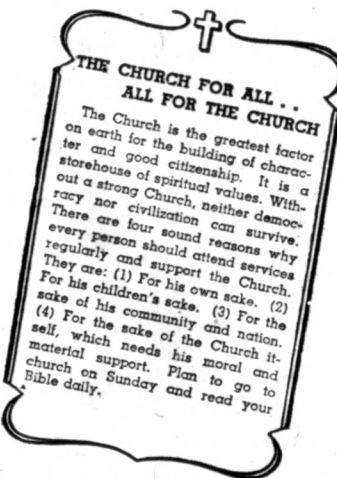

A midwestern church has been giving serious thought to the problem of juvenile delinquency, and decided to do something about it within its own sphere of influence.

A Children's Chapel was built on an adjoining lot, with an assembly hall and commodious classrooms for Bible teaching. The picture shows one of the little classes assembled for instruction in the stories and truths of the Bible and their bearing on human life.

If all churches and schools and families would give more attention to child training, and seek to instill in children the principles of right living, the problem of juvenile delinquency would soon be solved.

A wise parent will seek the cooperation of his church and the advice of religious people in rearing and training his children. Thus the child will be taught the value of an upright life and the importance of moral and spiritual guidance in his acts and decisions.

If you are a parent, get in touch with your church leaders. Let them help you solve the difficult problem of child training.

## FULHAM NEWS

## OUR SURPRISE VISITORS

Wednesday was wash-day and here's the setting for our surprise visitors from Michigan, Illinois and Texas, while clothes were "ablinn, the dinner was a-bokin' and the (telephone) call a-comin'." Yes, they all came a-calling that same morning. First, Ruth (Mrs. Fred) Humphreys and children, Bobby and Janice, of Detroit, accompanied by Trula B. (Mrs. Robt.) Calbert and Janet stopped by on their way to Mayfield for a visit with Aunt Jennie Sullivan, Ruth and children returned home Friday after a week stay with her dad, Joe Grubbs, and Ma Annie. Just as we said goodbye an Illinois car drove up and Swan Stroud and wife, Lola, and their charming daughter, Martha, of E. St. Louis, alighted for a brief visit and while here planned a trip to Tennessee to see his brother, the Rev. M. H. of Brownsville, and wife, Ruth, who is a patient in the Methodist hospital at Memphis, where she underwent a major operation August 25. Condition reported satisfactory. And Martha tells me she is entering the St. Louis county hospital in Missouri, Sept. 1, as a technician employee.

A short time after they left, in came some friends from Texas. The Jackson girls, Annie and Flora, and the latter's husband, M. E. Shankle. The Shankles live in Ft. Worth and her last visit was in 1930, when she accompanied her parents, Henry and Jane Jackson, former residents, who left here for Texas in 1910. Hadn't seen Annie in 37 years and that called for an introduction. Her husband, Art McIntire, died a few years ago. Later, she was elected county court clerk, a position which she still holds with the office at Claude, Tex., where her mother lives. Her dad, a brother, Marshall, and sister, Tessie, have passed on, leaving Rosa, Flora, and Annie and Patti of Texas, Bruce of Calif., and Inis (Mrs. Rufe Elliott) of Clinton. The Elliotts accompanied them here Wednesday and the party also visited in the home of Ella and Neva Scott and at the Kan Jackson-Jim Gore place for a visit with Aunt Kan and Ina, their "long-time neighbors." The Texas trio arrived in Clinton Tuesday night and returned Thursday.

Due to continued interest, the revival at Bethany did not close Wednesday night. Had two professions that night and four Friday night. Services again tonight at 8 p. m.

Mr. and Mrs. Robb Gunn and daughter, Nancy, of Detroit, arrived Thursday night for a visit with Mr. and Mrs. Jim Gore.

Mr. and Mrs. Gifford McAllister and two sons of Detroit are visiting the Herman Eastep family. Her mother, Mrs. Jonie Bailey, accompanied them to Fulton for a visit with her mother, Mrs. Emma Outland.

## What We Believe

Charles L. Houser

Possibly the most familiar expression regarding the church is the one found in Matt. 16:18, "... upon this rock I will build my church. . . ." Jesus had just asked his disciples, "But whom say ye that I am? And Simon Peter answered and said, Thou art the Christ, the Son of the living God. And Jesus answered and said unto him, Blessed art thou, Simon Barjona: for flesh and blood hath not revealed it unto thee, but my Father which is in heaven. And I say also unto thee, That thou art Peter, and upon this rock I will build my church; and the gates of hell shall not prevail against it." (Matt. 16:15-18)

So much is here revealed in our Lord's simple statement! His promise to build his church at some future time, shows clearly that his church did not have its beginning in the days of Abraham, and neither was it begun during the ministry of John the Baptist, for the above divine promise was made AFTER the death of John. Since every Bible reference to the church prior to Acts 2 is in the form of a prophecy, and since it is referred to as an existing institution from Acts 2:47 throughout the remainder of the New Testament, we conclude that the New Testament church had its beginning at the time and place described in Acts 2nd. chapter: Jerusalem, in the year 33 A. D.

Differences have arisen among religious people over the meaning of Jesus' statement, "... UPON THIS ROCK I will build my church. . . ." but a clear explanation is found in 1 Cor. 3:11 "For other foundation can no man lay than that is laid, which is Jesus Christ." Hence, the New Testament church is the Lord's church because HE became its builder, HE purchased it with his blood (Acts 20:28), HE became its foundation and HE is the head of it (Eph. 1:20-23, Col. 1:18). This space paid for by Central Church of Christ, Fulton, Ky.

## The Good News IS HERE!

—Morris Automatic LAUNDERETTE

Will Be Open For Business

## MONDAY, SEPTEMBER 1st

Ten pounds of your clothes or linens washed, rinsed and damp-dried in 40 minutes while you sit in comfort, read a magazine and watch an automatic washer do the work!

PLEASE VISIT US --- What is a Launderette..?

Bring your clothes to be washed . . . or just come in for a look around . . . See what's going on.

A Launderette is a place having automatic washing machines "for hire." Charges are based on the clothes you bring in to wash.

Open from 7 A. M. to . . . ?

An attendant is on hand at all times to assist you and to operate the machine. Each of our machines has a 10-pound capacity; if your laundry requires two or more machines, they are here to serve you.

10-Lbs. 50c

Bring your own soap, if you wish.
