WEEKLY KENTUCKY NEW ERA.

HOPKINSVILLE, CHRISTIAN COUNTY KENTUCKY, FRIDAY, SEPTEMBER 29, 1901

VOLUME XXXII, NO. 7

ONE DOLLAR A YEAR.

\$10,000 LOSS.

Covered By Insurance--
Blacksmith Shops
Ruined.

GOOD WORK BY FIREMEN.

Fire at an early hour Friday morning ruined the wagon manufacturing department of Fisher Bros., and threatened the destruction of the immense plant.

A few minutes after one o'clock, as Shipp Witty, the night watchman, was making his regular round he discovered the fire. He gave the alarm at once. The response of the fire department was very prompt, but owing to the inflammable character of the contents of the shops the blaze was pouring from every window in the front and when they arrived.

The loss was quickly attached to every fire play in town, but although the men did excellent work it was about three o'clock before the fire was entirely subdued. But for the firemen and the efforts of the department, the flames would have spread to the planing mill and other departments causing a great conflagration.

The wagon department is located on the corner of Eighth and Virginia streets, and the fire was first discovered near the front of the room. There had been no fire there excepting a few feet, and no cause can be assigned for it, unless it was started by a rat gnawing a match.

The total loss will amount to about \$10,000, which is covered by insurance. The chief damage was sustained by the loss of the expensive machinery, which was nearly all located in front and in the building. There were also great piles of the different parts of the wagon in various stages of completion, which were so charred and burned that they cannot be used.

The floor was burned through in several places and the roof is damaged to such an extent that it will have to be replaced.

One of the most embarrassing losses was the burning of about five hundred patterns of the parts of the different models of the wagon.

Besides the loss to the company several of the workmen will be losers also. The wood workmen furnish their own tools, and the benches and tools belong to George Thacker, J. W. Shaden, E. P. Fears and Sam Hadden were destroyed, while all the other workmen sustained some damage from water.

It is understood there was no insurance carried by the workmen. The fire did not get down stairs into the blacksmith shop, but damage from the flood of water will be very heavy, as no wheel can be turned on account of the rust on the machinery.

QUEEN VAGABIES

Of Exciting Games Have Inmate Ball Players.

The present system of treating the inmates includes athletic—baseball, football, lawn tennis and so on. If you saw a place of crazy ball players you would scarcely be able to recognize them from the sane. They play as a rule very nicely and seem to enjoy the game very much.

That was the opinion expressed by an expert in mental diseases some time ago and he supplemented his remarks with the following:

"They have occasional vagaries. I once saw a man who was sitting pick up the ball and run all around the meadow with it. He could not be persuaded to give it up and he did chase him for ten minutes before it could be taken from him."

"Another time it was a batsman who proved obstinate. He was put out, but declined to leave the home plate and stood ready with his bat to defend the position. Several attempts were made to eject him, but in vain, and I was beginning to fear a general riot—some were siding with him and others against him—when the supper bell rang and they all trooped in like lambs."

TROOPS NEEDED AT MADISONVILLE TO PRESERVE PEACE.

Circuit Judge Nunn Wires Governor.

MEN AGAIN FIRED ON.

Reinecke Employees Were Turned Back This Morning.

(Special to New Era.)

MADISONVILLE, Ky., Sept. 28.—Intense excitement prevails here. The miners have again been fired on, and Circuit Judge T. J. Nunn has requested troops.

This morning the operators decided to make another attempt to run the Reinecke mines. A reduced force of miners started to go to work at the usual time, but before they had reached the mines they were shot at by the union men and driven back to the city.

Fully a hundred shots were fired. No one was injured. As soon as Judge Nunn was acquainted with the facts in the case he sent a telegram to Gov. Beckham to the effect that troops were needed to preserve the peace.

A large posse of citizens is being summoned to protect the mining property. Last night a number of bullets were fired through the office of the Reinecke Company.

Sunday passed quietly in Hopkins county, but considerable movement was noticeable among the union men. There were rumors of proposed attacks last night but they were not taken seriously, although there were full force of deputies guarding the mine property as usual.

The union camp at Madisonville is moving. The tents have been located in the country a short distance west of the Reinecke mines. It is not known whether the whole camp will move. The new camp is on the land of John Rice. The camp from which the move is being made was partly within the city limits of Madisonville. The camp at Bakersport, composed of union men from Ohio and Mahoning counties, which was moved from Norton Friday morning, has about 100 men well armed, unless there have been other arrivals since last night. Thirty men arrived there with provisions and a few more came Sunday afternoon. They came from toward Central City. The camp has a tent about 40x50 feet in size.

The union miners of Hopkins county have rejected the proposals made by the mine operators for a settlement of the conflict between the strikers and their former employers. The reply of the union officials has already been sent to the attorneys for the mine owners, who have not yet taken any action regarding the matter.

CALVIN IS NOMINATED

Will Take Race For County Superintendent.

Selection Of Judge, Magistrates And Constables Ratified In Convention

A mass convention of voters favoring the Democratic-Person ticket was held at the city courtroom this afternoon to nominate a candidate for county superintendent of schools. George V. Green was elected chairman and T. O. Underwood secretary.

Prof. F. H. Renshaw, whose failure to obtain a certificate of eligibility caused the vacancy on the ticket, nominated Prof. James M. Quinn in an eloquent speech. O. M. Moschman seconded the nomination and by a unanimous vote Prof. Calvin was nominated.

Prof. Calvin has held a State certificate for several years and is one of the most successful educators in the county. He is a Democrat, is twenty-eight years old and very popular with all classes of the people. The fusion ticket as now made up has fine prospects of success. The campaign has opened up in earnest and will be waged vigorously until the election. The indications are that one thousand or more Republicans will support the fusion ticket, but if only half this number does so, the ticket will win by a comfortable majority.

The following nominations for magistrates and constables were ratified by the convention:

Magistrate-- Constable--

No. 2. S. G. Backner, W. H. Weir.

" 3. J. E. Mosely, Ben H. Carr II.

" 4. T. M. May Jr., M. D. Boone.

" 5. J. F. Dixon, Frank Hines.

" 6. W. A. Ghar, H. H. Wolfe.

" 7. O. W. Davis, Jas. A. White.

" 8. L. B. King, Thompson Cavannah.

The nomination of Judge W. F. Winfree for county judge on the fusion ticket, made by the joint committee of the Democratic party and Independent Republican, was also ratified.

DEATH OF CHILD.

From Saturday's daily.

Willie Mason, the six years old daughter of Mr. J. W. Mason, of Bensentown, died yesterday evening at 9 o'clock of diphtheria. The funeral took place this afternoon at 2 o'clock and the remains were interred in the White burying grounds.

FROM DAY TO DAY.

An effort will be made to have the remains of the late President McKinley finally interred at Washington.

The ex-minister of Newark, N. J., gave notice that they would revoke the license of saloonkeepers who permit anarchists to assemble on their premises.

Over 100 persons were injured or overcome during the progress of the memorial parade in Chicago.

Already a movement is on foot to enact legislation against anarchy and attempts to kill state and national officers and Kentucky bids fair to lead all states in this line. The members of the Lexington Young Men's Christian Association held a special meeting at which plans were formulated for the passage of an anti-anarchist law by the Kentucky state legislature this fall.

The Rev. Joseph Williams, the minister expelled and feathered in Huntington, Ind., Monday evening for criticism of the murdered President, Wm. McKinley, has issued a card of retraction. At first he remained obstinate and maintained his utterances were intentional and correct. He now acknowledges his error, and acknowledges his error, and begs the public's pardon.

The White House is being prepared for the company of President Roosevelt and family. Mrs. McKinley's personal effects are being packed for shipment to Canton.

Mr. Kruger, according to a dispatch from Brussels, is preparing a memorial to President Roosevelt, soliciting the intervention of the United States in South Africa.

Prof. Haeckel, the German scientist and professor at Jena University, while traveling in Java recently in search of the missing link, claims to have discovered striking evidence that monkeys are descended from man, and not man from monkeys. Prof. Haeckel claims that children, when lost in the forests, adopt monkey habits.

Dr. W. Godfrey Hunter, United States Minister to Guatemala, who is in Louisville on a leave of absence, says he will not be a candidate for Senator. He expects to be reappointed Minister to Guatemala.

WILL CONTINUE BUSINESS.

The Hopkinsville Carriage Co. have made a settlement of their affairs and the business will be conducted in future by Anderson & Renshaw. They solicit your patronage.

FOR SALE, 300 acres of well improved land 3 miles west of Hopkinsville on the Ohio road. Will sell 100 acres on credit or the whole 300 acres.

FARMERS' CONVENTIONS

To Organize Against Tobacco Tax.

Planters Requested To Meet At Respective Markets Oct. 5.

An effort is being made to have farmers' conventions held in Hopkinsville, Clarksville, Paducah and Mayfield on Saturday, October 5, to take steps looking to organization for self protection against the tobacco tax.

In this connection the Clarksville Leaf-Chronicle says:

We have been requested by quite a large number of prominent planters to publish a call for a convention of planters to meet in Clarksville Saturday, October 5, and also to request planters favoring Hopkinsville, Paducah, Mayfield and other markets to co-operate with the Clarksville district in some organized method that may be agreed upon to protect the interests of tobacco growers against the recently organized Right to Grow tobacco association.

Since I have taken Penna. my vote has been clear in favor of tobacco, but I am willing to support the fusion ticket, but if only half this number does so, the ticket will win by a comfortable majority.

The following nominations for magistrates and constables were ratified by the convention:

Magistrate-- Constable--

No. 2. S. G. Backner, W. H. Weir.

" 7. O. W. Davis, Jas. A. White.

" 8. L. B. King, Thompson Cavannah.

The nomination of Judge W. F. Winfree for county judge on the fusion ticket, made by the joint committee of the Democratic party and Independent Republican, was also ratified.

ABOUT PEOPLE

WE ALL KNOW.

Harry Tandy's Clear Track.

PERSONAL POINTERS.

TANDY--From an entirely reliable source, says a Paducah despatch to the Louisville Post, comes the information that of several First District Democrats who have been spoken of in connection with the next race for the office of Secretary of State the present Assistant Secretary, Harry G. Tandy, is the only one who will enter. The other candidates are friendly and political relations to Tandy that would make it impossible for him to enter as his opponent for the nomination. Mr. Tandy is one of the most popular men in the administration.

Dexter--An entirely reliable source, says a Paducah despatch to the Louisville Post, comes the information that of several First District Democrats who have been spoken of in connection with the next race for the office of Secretary of State the present Assistant Secretary, Harry G. Tandy, is the only one who will enter. The other candidates are friendly and political relations to Tandy that would make it impossible for him to enter as his opponent for the nomination. Mr. Tandy is one of the most popular men in the administration.

WARD--Mr. J. M. Ward, general manager for the large department store of Charles Broadway Ross, has located here and has begun to get the big store in shape.

Mr. Ward came here from Hopkinsville where he has been representing Mr. Ross, whose headquarters are in New York, for many years. He is a competent and rising young business man and will be heartily welcomed to the city.--Owensboro Messenger

MISS MASON--Miss Lucy Mason, who made many friends here during a recent visit to Miss Grace Wood, is due for the season's debutante in Louisville. "Sunday's Courier-Journal" says:

Miss Lucy Mason is the eldest daughter of the Rev. and Mrs. James K. Mason and is a typical Southern girl, with all her gentle graces and attractions. She is a lovely brunette with cordial, easy manner, and will prove of the most charming debuts of the winter.

OREN WIDRON--Indications favor the nomination of Judge S. R. Orenwidron for circuit judge at the Central City convention today. Primaries were held in the several counties Saturday. Orenwidron carried his home county, Logan, where he was opposed by W. P. Sandridge. Simpson county instructed for O. W. Milliken, of Franklin, but sent a Orenwidron delegation. This is enough to give him the nomination. Muhlenberg county instructed for R. Y. Thomas and Todd county for S. Watson. Forgy, Commonwealth's Attorney for E. Ryan, who was also a candidate, was then backed in his own county. Judge Orenwidron was appointed to the judgeship by Gov. Beckham upon the death of Judge Goodnight recently.

ENGLISH HOPES DEFERRED.

English hopes for an early ending of
the Boer war has died out. Lord Kitchener's
proclamation took effect a week
ago, but has been followed by increased
activity among the Boers. On Tuesday
British troops and captured three
companies of mounted infantry near
Ulundi, and is now supposed to have
invaded Natal. Gen. French reports
several British losses in Cape Colony. It
may, however, be questioned whether
these British misadventures weigh much
against the comparative success of the
last British operations. There is nothing
to indicate a radical change in the
conduct of the war. The ultimate
treatment of the prisoners is becoming
a problem of enormous magnitude. With
the exception of about 10,000 men in
arms and their Cape sympathizers, the
fighting men of the two Dutch states
are now prisoners of war. The mystery
as to the source of the Boers' continued
military supplies remains unexplained;
but the seizure of large quantities
of contraband of war in Portuguese
territory would indicate that supplies
are being sent into Delagoa Bay and are
being delivered. As long as the Boers
have intelligent right there is no right
of search in neutral territory.—Cincinnati

CONDITION OF STATE CROPS

Favorable Report Issued at the Weather Bureau.

The Kentucky crop report just issued
is as follows:

"The week began with general rains
in progress over the State, the rainfall
was heavy at some stations. This
was followed by clear, cool weather
during the remainder of the week.
Light frosts occurred in many localities
on the 15th and 16th, but no damage of
any importance resulted.

"The cutting and hauling of tobacco
progressed rapidly; this important crop
is maturing well, and the outlook still
continues favorable. Some fields are
quite late and are still in danger from
frost, but about three-fourths of the
crop is housed.

"Corn is maturing fairly well, and in the
western portion of the State is better
than was expected; in the central,
and especially in the north-central
section it is very light.

"Pastures have made great improvement
and are in excellent condition in
most localities. Considerable stock
has been saved in good condition.

"Late garden vegetables have im-
proved, and are more plentiful. Irish
potatoes are very poor, but sweet
potatoes are fairly good. Apples are scarce,
but peaches are quite abundant.

"Planning for winter wheat is nearly
completed and sowing has begun; there
is a prospect of quite a large acreage
being sown. Considerable rye has been
sown and some is up.

"Farm work is generally well ad-
vanced.

"Oleomills are next to God's work,
and are doing very well in hand. This
is just as it should be, for the
body of the oleomill is the body of the

CONFERENCE

IS WELL
ATTENDED

Methodist Meet in Bowl-
ing Green.

Hopkinsville Ladies Want
An Order Of Deacon-
esses.

From Thursday's daily.

The Louisville Conference of the
Methodist Episcopal Church, South,
convened at State Street Church in
Bowling Green at 10 o'clock yesterday
morning. About 400 preachers and
laymen are in attendance. All of the
ministers of the city are in attendance.
Bishop Hargrove, of Nashville, called
the meeting to order, and, after a
lengthy and eloquent prayer led by
him, the ministers proceeded to busi-
ness.

A band of Boers direct from the
"Veldt" and "Kopje" of war-worn
South Africa; the same big-bearded,
brave Rough Riders that have made
the names of such fighters as Oranje
and De Wet known the world over, will
be one of the new offerings.

The celebrated Northwest Mount
Police, these Rough Riders, led by
Colonel O'Day and Mr. N. S. Sallabur,
and new features added to those which
have heretofore made Buffalo Bill's
Wild West and Congress of Rough
Riders of the World the most popular
of all amusement enterprises. There
will be just as many Indians, Cowboys,
Cowboys, Mexicans, Rough Riders and
soldiers as last year.

All the new features are many, and
will, the management hopes, prove as
pleasing to the public as have their
former efforts to please and instruct.

CZOLGOSZ WILL DIE

Jury Brings In Verdict Of Guilty.

SENTENCE THURSDAY.

No Evidence Offered By Defense But Impressive Speech Was Made.

(Special to New Era.)

RUFFALO, N. Y., Sept. 30.—Leon F. Czolgosz, alias Fred Nieman, was found guilty of murder in the first degree by a jury in Part III. of the Supreme Court, in having, on the 6th day of September, shot President William McKinley, the wounds inflicted afterward resulting in the death of the president.

The wheels of justice moved swiftly. The trial of the assassin consumed eight hours and twenty minutes and covered a period of only two days. Practically all of this time was occupied by the prosecution in presenting a case so clear, so conclusive that even had the prisoner entered the plea of insanity it is doubtful if the jury would have returned a verdict different from the one rendered.

The announcement made by the attorneys for Czolgosz that the eminent assassin summoned by the Erie county bar association and the district attorney to examine Czolgosz and to determine his mental condition, had decided of him to be perfectly sane, destroyed the only stage of a defense that Judge Lewis and Time could have put together.

Before adjournment Justice White announced that he would pronounce sentence upon the defendant Thursday afternoon. The prisoner was taken at once back to the jail. To all appearances he was in no way affected by the result of the trial.

The crowd gathered at City Hall was the largest which has seen him since his arrest. There was no demonstration, but plenty of curiosity.

As a 6th Circuit District Attorney Pansy sharply announced that the case of the prosecution was ended. Judge Lewis arose slowly, and addressing the court, said that the sudden close of the case against Czolgosz was a surprise to him and his colleagues. They had no witness to call for the defense. He asked the court that he be allowed to address the jury at once. The court assented and the venerable jurist began an address that will long be remembered by those who heard it.

It was 4:30 when the jurist stepped forward and the jury filed into the room. The clerk read their names, each jurist responding "present" as his name was called.

No time was wasted. The jurist did not sit down. Addressing them Justice White said:

"Gentlemen, have you agreed upon a verdict?"

"We have," responded Foreman Wendt.

"What is your verdict?"

"That the defendant is guilty of murder in the first degree."

There was a moment of silence and then a murmur arose from the lips of the jurist. It ended there. Justice White's voice could be clearly heard in every part of the room when he thanked the jurors for their work and allowed them to go.

SURPRISED FRIENDS.

Mr. Littlehales and Miss Flercer Are Wedded.

Quietly United At Grace Church By Rev. Dr. Venable.

From Wednesday's daily.

Mr. John Oliver Littlehales and Miss Flercer were joined last night in the holy bonds of wedlock.

The marriage was a complete and pleasant surprise to their friends, for while their engagement had been suspected by society, they had not confided the fact to their most intimate associates and they had given no hint that the nuptial date had been set.

The ceremony was performed at Grace Episcopal church in the presence of only the immediate families. The officiating clergyman was the Rev. Dr. John W. Venable. At 8 o'clock the bride and groom entered the church and immediately the beautiful Episcopal service was gone through, and Mr. Littlehales and Miss Flercer were pronounced husband and wife.

Immediately after the rites, Mr. and Mrs. Littlehales entered a carriage and were driven to "Molcor," the lovely suburban home of the bride's parents, where the night was spent. Early this morning they began housekeeping in the residence on Liberty street opposite the Episcopal rectory.

The bride is the attractive and accomplished daughter of Mr. and Mrs. S. O. Mercer, and one of the most popular of the younger society girls. The fortune groom is a gentleman of fine business ability and social qualities, and no young man in the city has a larger circle of friends. He is now a student in business with his brother, Mr. T. G. Littlehales, lessee of the gas plant.

GOSSY—COLEMAN.

Mr. Walter Eugene Gossy and Miss Jeanie Blanche Coleman were married this afternoon at 1 o'clock in the Methodist church at Herndon. Rev. J. E. King, of Lafayette, pronounced the ceremony.

The bride is the pretty daughter of Mr. J. T. Coleman, a leading South Christian farmer. Mr. Gossy is a well-to-do business man of Bowling Green. A go-to business man of Bowling Green. A go-to business man of Bowling Green.

MATRON AT S. K. C.

Miss Fannie Singleton has been appointed matron of South Kentucky college, and left today to assume her new duties. Miss Singleton's appointment was made through Prof. H. Clay Smith, formerly of this city, who is vice-president and professor of languages in the college.

The selection of Miss Singleton for the place was a well merited compliment. Her Paducah friends are sorry to give her up.—Paducah News-Democrat.

IN THE WINTER.

Genoa's Plaster is Pain's Master. For coughs and colds Genoa's Plaster is an incomparably better remedy than any other—external or internal. Its medicinal properties enter the skin and go straight to the seat of the disease. They soothe and cure a "croup" without disturbing the system or upsetting the stomach. Cough medicines often make the highest degree, and quicken to death. Placed on the chest or back or on both at once in serious cases, it is good effect is felt immediately. The cough subsides, the lungs are cooled and the breathing improves. Long or bronchial affections or history are cured with the least possible suffering and loss of time.

Genoa's Plaster is an incomparably superior to all others. Strengthening, soothing or any other combination in plaster form. They are also preferable to ointments, liniments and salves.

Genoa's Plaster has received 175 gold medals over all competitors; more than 8,000 physicians and druggists have declared it to be one of the few medicines of the world. For sale everywhere by all druggists, or we will supply you on receipt of \$50 each. Be sure you get the genuine. Accept no imitations or substitutes. Seebury & Johnson, Mfg. Chemists, N.Y.

BACKWOODS MELODY.

Owensboro is to have an "Old Fiddlers contest" in Temple theatre October 15. This will be the first exhibition of the kind ever given in the city and will draw large crowds.

Mr. W. F. Randle, of Hopkinton, is the promoter of the contest and has with signal success in Hopkinton, Clarksville, Princeton and a number of Western Kentucky and Tennessee towns.

A committee of judges will be selected and the entries will not be limited. All old-time fiddlers from this vicinity and Southern Indiana may compete and several prizes will be awarded down to fourth money.

None of the modern rag-time or emotional parlor violinists and lions of society need apply. The generous public will be spared the awful agony for the once and only see-saw, shimmy dance fiddlers of the modern type who are limited on the stage. It matters not if they have but one string and that a horse hair, they will be acceptable.—Owensboro Messenger.

The Jno. Moayon Co. has a complete line of latest styles and designs in suits and overcoats.
