ONE DOLLAR A YEAR.

BACK TO OLD KENTUCKY HOME IN INTEREST OF WORLD'S FAIR.

Lieut. Gov. John A. Lee.
Ex-Gov. Thos. T. Crittenden.
Ex-Gov. David R. Francis.
Ex-Gov. Wm. J. Stone.

LOUISVILLE, Ky., Jan. 27.—(Special.)—If Kentucky is not nobly represented at the Louisiana Purchase Exposition in St. Louis in 1904 the sons of the commonwealth who now call the Mount City their home must be held blameless. A special car, carrying a party of twenty-two former Kentuckians arrived in this city at 7:30 this morning. From here the St. Louisians will go to Frankfort in the interest of the \$200,000 appropriation bill now before the General Assembly for a state exhibit at the world's fair next year. There is little doubt that a hearty and general sentiment prevails in favor of the state being well represented at the exposition and the visitors and their friends will bend every effort to secure the passage of the pending measure for the full sum indicated in the bill.

The party of Kentucky-Missourians will include three ex-governors of Missouri, Thos. T. Crittenden, Wm. J. Stone and David R. Francis, and the present lieutenant governor, John A. Lee.

HENRY JAMES FRIGHT—County May Be Put In Glibly Hurt.

He was struck by the pilot of a freight engine and frightfully injured. His shoulders were badly lacerated and his head fractured. The train crew lifted the mangled negro into the caboose and took him to his home at Kelly. A bottle of whiskey was found in his pocket. James was alive today at noon, but his injuries are such that it is unlikely that he will recover.

John H. Bell, Jr., is a member of the firm of J. H. Anderson & Company. After a faithful service of twelve years' duration as an employee of the big establishment he has become, as a result of sheer merit, one of its proprietors. He began work for the firm when a boy at a modest salary and his superior business ability, fine intelligence and thorough trustworthiness speedily won him recognition and he was steadily advanced to positions of increased responsibility and finally gained a partnership. Mr. Bell is one of Hopkinsville's most enterprising and capable young citizens and his well deserved success is an example of what worth and ambition will accomplish.
