Salaries raised.

Rural Carriers will now get $200.

President Signal System to be built in Eastern Missouri.

President Roosevelt has had his salary raised to $25,000 a year. This is the first time in the history of the United States that a President has been permitted to accept a salary above the $25,000 limit. The new salary will be effective July 1.

Tom, the farmer, has raised a variety of yellow tomatoes all farmers should raise to feed their families. Tom has been receiving and selling tobacco daily.
