WEATHER FORECAST

FOR EACH FARMER ON
RURAL ROUTE.Maj. Hersey, Of Kentucky
Bureau, Establishes Ser-
vice Here.The Christian county farmers who
have the advantage of rural free de-
livery service are to have daily
weather forecasts.Instead of depending on the rheu-
matism, the looks of the sky, trees,
bugs or other things to predict the
weather, he will hereafter go to his
box and find it all scientifically as-
sured out for him.Major H. B. Hersey, of Louisville,
who has charge of the Kentucky
weather bureau was in the city today
and completed arrangements for the
rural carriers to distribute each
day's forecast along their respective
routes.Mr. Joseph P. Pool, manager of the
Backet store, who now receives and
pays the weather bulletins, will
take charge of the new service here.Instead of sticking signs on the
wagon, Maj. Hersey has decided on
a plan that will make the service far
more effective. He will wire the
forecast as early as possible to Mr.
P. Pool who will print it on scores of
small strips which will be given to
the carriers. These will be distrib-
uted by them, placed in every mail
box and given out at the stores and
gatherings along the routes.The farmers for whom the new
day's weather is often a matter
of so much importance will thus be
given the full benefit of the knowl-
edge and surmises of the govern-
ment's corps of experts and will not
have to make his own prognostica-
tions.Maj. Hersey left at 11:30 over the

PEACE AFTER PAIN

MRS. LUCY CAMPBELL'S
DEATH.She Was Stricken With Par-
alysis On Last
Sunday.From Thursday's daily
Mrs. Lucy Ann Campbell, one of
the most beloved ladies in the city,
died of paralysis shortly after ten
o'clock this morning, at her home on
South Virginia street.She had been lying in a critical
condition several days. Up to last
Thursday her health was good, but a
severe cold and sore throat devel-
oped, and on Sunday morning she was
stricken with paralysis, the entire
left side being involved. Her son,
Dr. George N. Campbell, was tele-
graphed for and arrived several
hours before the end came.The death of this noble woman
causes universal sorrow among all
who knew her. By her lofty Chris-
tian character and unselfish life she
had accomplished great good, and
no words could overstate the Chris-
tian virtues that adorned her life.
She was from girlhood a faithful
member of the Methodist church.She was born October 8, 1838, in St.
Louis, Mo., and was the daughter of
Nathan Coleman and Frances Dal-
lan Coleman. She came to Hop-
kinsville in 1854 to attend Bethel Fe-
male College and was a member of
that graduating class of that insti-
tution. She was married in St. Louis
November 30, 1855, to Mr. George V.
Campbell, a leading citizen of this
place who died July 18, 1901, just
nine months ago. Two sons, Dr.
George N. Campbell, and Benj. Un-
derwood Campbell and three daugh-
ters, Misses Sallie, Frankie and Lute
Campbell, survive.Funeral services will be held at
the late residence Saturday morning
at 10 o'clock, conducted by the Rev.
E. L. Southgate, and the remains
will be interred in Hopewell ceme-
tery.

Youngsters Marry.

William Garfield Powell and Zil-
phia Tucker, a youthful car-
couple, were married Wednesday by
County Judge Fowler in the office of
County Clerk Prowse. The pair
sloped to Clarksville last week, but
home was refused them on account
of their age. They returned home
and obtained the consent of their
parents to the marriage.Will Draw
MUCH TRADE
TO THE CITY.The Elks jubilee and Central in-
meeting with the hearty approval of
all the citizens, and the business men
are particularly pleased. For weeks
before the Elks decided to conduct
the big show the merchants had been
talking of the necessity of some in-
ducement to the people of this re-
gion to come to Hopkinsville to buy
their goods. The jubilee will draw
thousands of prosperous people to the
city, and the enterprising business
men will be prepared to show them
that they have come to the right
place to make their purchases.
There can be no doubt but that the
merchants in every line of business
will be benefited by the great event
and they should be ready with gen-
erous subscriptions when called on
to assist in bringing the best attrac-
tions here that money can secure.

TAN DY-FLACK.

HAPPY NUPTIALS HAND-
SOMELY CELEBRATED.From Thursday's daily
Mr. M. Howell Tandy and Miss
Mary Thompson Flack last night as-
sumed the sacred vows that united
them in the holy bonds of wedlock.
The wedding was solemnized at the
residence of the bride's parents,
Mr. and Mrs. E. M. Flack, on South
Main street, and the Rev. Dr. Charles
Harris Nash, pastor of the Baptist
church, officiated. The relatives and
friends of the popular couple filled
the parlor, which had been hand-
somely decorated with southern
smilax and spring flowers, and the
scene was one of rare beauty and an-
imation.One room was filled last night with
the presents received by the popular
couple, attesting the regard and af-
fection in which they are held by a
wide circle of friends. The silver
and cut-glass were especially beau-
tiful. No couple in Hopkinsville have
more devoted admirers, and the wish
that their married life may be long
and happy is felt by everyone who
knows them.Kentucky Day South Caro-

STRIKE IS ENDORSED

ACTION OF MINE WORK-
ERS BOARD.Committee Will Attend
Louisville Conference—
5000 Men Involved.(Special to New Era.)
INDIANAPOLIS, Ind., April 10.—
The National Executive Board of
United Mine Workers of America
has again endorsed the Hopkins
County Ky., strike. The trouble in
this district dates back over a year
and the men have been out all that
time. It was decided to send a com-
mittee of three of the board members
to Kentucky to attend the joint con-
ference of miners and operators at
Louisville April 28, with a view of
settling all differences in that State.
The Hopkins County dispute is not
the only trouble in Kentucky, as
other differences in which fully 6,000
men are involved have arisen. It is
hoped to effect a peaceable settle-
ment of the entire difficulty at the
coming joint conference.

DRILL OIL WELL DAY AND NIGHT.

Two More Will Be Sunk Immediately.

INTEREST IS INTENSE.

THE PROSPECTS ARE FINE.

Those interested in oil in this county are watching the well now being sunk by the Sand Lick Development company with a great deal of interest.

This well is now down four hundred and fifty feet, and the drill working night and day.

It is being sunk on the Otter farm six miles west of Crofton about 500 yards from the well drilled there several years ago. Near Foot's Mill on Tradeaway river, oil is now standing in the old well, and gas has been bubbling in it for the last nine years which is considered a very favorable sign by oil men.

The well now being drilled stands down with a 13 inch hole, and will be gradually raised in size. It will be drilled 200 feet or until oil is struck.

The Otter Company will sink its first two wells near the well now being drilled by the Sand Lick Development Co. The drillers will begin on the derrick for this company next week. The machinery and casing for the Iowa Company is already at Crofton, and their wells will be pushed rapidly.

The South Kentucky Oil Company will begin one of its wells east of Crofton as soon as the machinery can be placed upon the ground.

Capt. T. M. Slinger, of Nashville, Tenn., Pres. of the Sand Lick Development Co., will arrive here tonight to inspect the well on the Otter farm.

THE REV. SAM JONES

Electronered, But His Candidates Lost.

The hottest political campaign ever known in Nashville ended in the Democratic primary election last week, when the candidates put up by the anti-slavery league were defeated.

The Rev. Sam E. Jones spent two weeks at the tabernacle in the interest of the league and nothing more bitter than his attacks on the Democratic candidates not endorsed by the association was ever heard in Nashville.

Mr. E. A. Price, whose beautiful address at Holland's opera house last December at the Elks' memorial service is well remembered, was nominated for attorney-general.

Wash E. Hudson was a candidate for the nomination but withdrew just before the election.

Good Health

Is doubtless the highest human good. It is especially so to women, to whom it means the preservation of beauty, happiness in the home and the enjoyment of social duties. There can be no good health for any woman who is afflicted with indigestion, constipation, nervousness, headache, dizziness, or any of the ailments which result from a disordered system.

Dr. Pierce's Favorite Prescription cures the diseases which destroy the health. It establishes regularity, dries disordered humors, and cures female weakness. It gives good health to women, which means tranquil nerves, good appetite and sound sleep.

EVERY WOMAN!

Housekeepers, wives, mothers, every woman who has the care of a family or household, at one time or another suffers from backache, nervous weakness, sick headache and disorders in the digestion, caused by a rule by which the system is overtaxed and the habitual constipation. To all women who suffer in this way, we say:

Prickly Ash Bitters is not a disagreeable, harsh medicine as the name might indicate. It is pleasant to the taste, has no powerful effects on the system, and is a powerful purgative.

It performs a marvelous transformation. The third, weak, despondent, pale, bloodless, nervous woman is soon a strong, bright, happy woman, with rosy cheeks and cheerful spirit.

Druggists sell it—Price, \$1.00.
