Chautauque Meeting.
From Thursday's daily.
The Chautauque meetings at Union Tabernacle began auspiciously last night. Probably a thousand people were present. Mr. Lou Beauchamp, the noted traveler, writer and lecturer, and Mr. Wallace Bruce Ambary, an accomplished impersonator, delighted the splendid audience. The meetings, which are under the direction of Col. Demaree, who has for twenty-five years been at the head of the prohibition work in Kentucky, are being held in the interest of good citizenship and particularly to further the cause of temperance. Mr. Beauchamp is one of the most famous temperance leaders in the world, and in his address last night on "Old Times and New" he fully sustained his reputation. He is a man of extraordinary ability as a thinker and speaker and his fine talent is consecrated to the highest moral purpose. To those acquainted with his work his reputation is well known. He speaks very rapidly but with perfect distinctness and every sentence contains food for thought. He is a capital story teller and humorous.
Mr. Ambary greatly pleased his hearers. He is one of the best impersonators of verse ever heard in the city. His selections last night were excellent.
The meetings will continue one week at the tabernacle, and will be promptly at 8 o'clock. There will be no charge for admission. Voluntary contributions will be accepted. It is requested that the one of the various churches of the city and other singers assemble on the platform tonight. It is hoped to make the music a delightful feature of the meetings.

DEATH OF A GIRL

CAUSED BY YOUNG MEN'S RECKLESSNESS.
Warrants issued as the result of a Fatal Runaway.
Warrants have been issued for the arrest of Berry Hendon and Bill Joe Calhoun, who reside about eight miles southwest of Cadiz, charging them with willfully, maliciously and intentionally causing the horse of George Cunningham to run away, killing Miss Bertie Betts and injuring Mr. Cunningham.
They were going home from church. Hendon and Calhoun came up behind them and began shooting and making other unnecessary noises. Young Cunningham asked them to please stop the shooting, that it was exciting his horse, but the young men continued the rowdiness until the horse became unmanageable and ran through the woods, tearing the buggy to kindling wood and seriously injuring both young people. Miss Betts died Sunday afternoon. While Cunningham is bruised, his wounds are not thought to be dangerous. Constables Blair, Dener and several deputies left at once with the warrants.

ROSY PROSPECTS

FOR LINE FROM DAWSON TO MADISONVILLE
Promoters Say It Will be Built.—Surveys Completed.
It is understood that W. L. Gordon and C. E. Morton, of Madisonville, the promoters of the proposed railroad from Madisonville to Dawson Springs, are greatly encouraged over the prospects for the road and expect the work on the road to begin soon, says the Courier Journal. The company was organized in New York last spring and is backed by New York and Western Kentucky capitalists. The line will be twenty miles long. The survey was completed several months ago, but some hitch as to other rights of the company has prevented the promoters from beginning the actual work of construction. The plan is to operate the line independently of any other railroad, and those interested in the project believe that the mineral and timber lands which will be opened up, together with a heavy passenger traffic, will be of sufficient value to make the property pay from the start.
It is also said that the Louisville & Nashville may build a line from Providence to Providence to Shawneetown, a distance of forty miles, thereby shortening the distance from Nashville to St. Louis and other points south.
