ONE DOLLAR A YEAR.

HOPKINSVILLE, CHRISTIAN COUNTY KENTUCKY, FRIDAY, SEPTEMBER 26, 1902.

VOLUME XXXIII, NO. 2

## SEPTEMBER TERM

### OF CIRCUIT COURT BE- CAN MONDAY.

**Grand Jury Formed.**—Docket contains several very important cases.

From Monday's daily.  
The fall term of the Christian circuit court convened this morning with Judge Thomas P. Cook presiding. The session will continue six weeks. At the court's request, the Rev. Dr. E. L. Southgate, of the Methodist church, offered prayer. It was a most impressive invocation. The following grand jury was impaneled and ably charged, after which court was adjourned until tomorrow.

There are about five hundred cases on the docket, including commonwealth matters. Of this number one hundred and five are appearances, made up as follows: equity, seventy-two; common law thirty-three; of the seventy-two equity cases, forty-five are divorce proceedings. There are about one hundred and fifty commonwealth cases.

From Tuesday's daily.  
Circuit court adjourned today to work today, and the docket is heavy enough to keep it busy during all of the six weeks term.

The petit jury were impaneled as follows:  
H. G. Edwards, R. S. Carter, J. C. Barnes, J. J. Bowen, W. H. Ray, T. A. Smith, George Barnett, Joe Johnson, V. C. Brown, R. A. Hancock, R. L. Hardest, Robert Alexander.  
J. D. Gilkey, John C. Davis, J. A. Hamilton, F. W. Elgin, Riley West, Henry Henderson, Frank Trice, W. H. Seagraves, Green Rickman, D. J. McLeod, Wyatt Wade, Clark Roeder. The first case was that of the commonwealth against James H. Jones, charged with stealing. The jury brought in a verdict clearing the defendant of the charge.

The grand jury began its labors yesterday. Mr. L. C. Craven is foreman.

From Thursday's daily.  
The case of the commonwealth against J. P. Miller, deputy sheriff of Stewart county, Tennessee, charged with passing counterfeit bills, raised from \$1 to \$5, during the Elletts street fair last May, was called in circuit court today. After all the testimony was in Judge Cook directed the jury to find for the defendant, owing to insufficient evidence. The similar charge against C. J. Miller was dismissed and the case resubmitted to the grand jury. The Millers are under bond pending an investigation of the case by the federal grand jury. Deputy Sheriff Miller's good character was sworn to by some of the most prominent citizens of Stewart county. He testified that he raised several bills to play a joke on friends, and unintentionally passed one here while intoxicated.

### A Deep Mystery.

It is a mystery why women under backache, headache, nervousness, sleeplessness, melancholy, fainting and dizzy spells when thousands have proved that Electric Bitters will quickly cure such troubles. "I suffered for years with kidney trouble," writes Mrs. Phoebe Clorke of Peterson, Ia., and a lame back paid me a good deal of money. I tried self, but Electric Bitters wholly cured me, and although 75 years old, I am now able to do all my housework. It overcomes constipation, improves appetite, gives perfect health. Only \$1.00 a bottle. J. O. Cook, L. L. Elgin, K. W. Wyr, Anderson & Fowler's drug store.

### IMPORTANT CONCERN.

Will Handle All Sorts of Farm Implements and Machinery.

### MANY ARE INTERESTED.

Much interest has been created in local business circles by the announcement that a large number of farmers have about perfected plans for the establishment in this city of a large hardware company which will handle all kinds of farm implements and machinery.

Already many of the most prosperous planters in South Christian have identified themselves with the movement and the promoters were in Hopkinsville Saturday looking for a suitable building for their needs. The new company, which will be known as the Farmers Hardware Co., is to be regularly incorporated under the laws of Kentucky, and the articles of incorporation will likely be filed in the next few days. The capital stock will be from \$50,000 to \$100,000.

Mr. E. D. Jones, of the Church Hill neighborhood, is one of the prime movers of the enterprise, and he is very sanguine of its success. He is making his arrangements to make a thorough canvass of the northern portion of the county also selling stock, and thereby have the whole county interested in the success of the company.

The object of the move is to give the farmers all the advantages possible in prices. The business will be run by competent men and in a strictly business like way, but all agree in the interest of the farmer. From all indications it seems certain it will be established.

Strong Evidence sustains the popular verdict that Ely's Cream Balm is worth its weight in gold. Trial size 10 cents. Full size 50 cents. Sold by druggists and mail order by Ely Brothers, 56 Warren St., New York.

Proberta, Cal. Messrs. Ely Bros.—I have been afflicted with catarrh for twenty years. It made me so weak I thought I had consumption. I got one bottle of Ely's Cream Balm and in three days the discharge stopped. It is the best medicine I have used for catarrh. Very truly, FRANK E. KINDER, SPIRE.

## UGLY CHARGE MADE

### BY GIRL AGAINST HER BROTHER-IN-LAW.

William O. Dickerson, aged fifty years, a well known farmer of the Bennettsville vicinity, was arrested here Monday on a warrant charging him with the seduction of his sister-in-law, Miss Annie Chester, aged twenty-five, a daughter of William Chester, of Lafayette. He executed bond, with Judge Charles H. Bush and G. W. Southall as sureties, for his appearance before County Judge Fowler October 3. When Miss Chester, who claims Dickerson is the father of her three months old child, made an affidavit of the charges, she exhibited a bottle which she said was deadly poison and that her brother-in-law tried to persuade her to drink it. Mr. Dickerson stoutly asserts his innocence. He has borne a good character. He has a wife and several children.

## LITTLE GIRL HUNG THE KENTON CLUB

### HER DEATH RESULT OF A STRANGE MISHAP.

**Two-Year-Old Child Met With a Fatal Accident.**

Gwendolin, the little daughter of Mr. W. S. Henderson, a prominent farmer of the Sinking Fork vicinity, is dead as the result of a peculiar accident, having been hanged Sunday while playing in a swing.

The child, who was only two years and four months old, was in the yard alone. The swing was formed by a rope thrown over a limb and the ends tied together, and the children had been swinging in it by slipping their arms through the loop. The roots of the tree stood up above the ground and it is supposed that the girl climbed upon these and attempted to swing off in the usual manner when she slipped and fell and the rope was entangled around her neck. She was suspended some time and was unconscious when released. The strain on her neck produced cerebral meningitis from which she died Wednesday morning.

**Opens Machine House.**  
Mr. J. M. Pepper, formerly of Springfield, Tenn., has moved to Hopkinsville and will open a machine house in the Bonte building, corner Eighth and Water streets.

He will carry a line of engines, threshers, saw mills and pea threshers, and also a complete line of repairs.

### Of All the \$37.50 Buggies

We Have Sold Not a Single One Has Broken Down On Us.

Wheels, Springs, Bodies and Running Gear all right on all of them. It is the wonder of our competitors as they cannot truthfully say as much of buggies that they sell for twice the amount. Because they cannot afford to sell such a buggy for that money they claim that \$37.50 buggies are no good—but if a buggy stands up under hard use, what more do you want?

## FAIR AT GUTHRIE

PROMISES TO BE BIG SUCCESS.

Many Features of Interest—No Drunkenness or Gambling Allowed.

The Guthrie fair is being extensively advertised and promises to be a great success. Rice's famous dog and pony show, consisting of hand-some performing Shetland ponies, dogs of marvelous beauty and intelligence, funny January mules, etc., will be one of the chief attractions. They have one of the finest race tracks in Kentucky. The fair will begin Oct. 1st and last four days. Children under fifteen years of age are admitted free the first day. The fair this year is under new management. No drunkenness or gambling will be allowed on the grounds.

Pee Dee Points.

—Heavy frosts visited our locality on the nights of the 12th and 13th, but fortunately there were fairly good rains on the morning of the 12th which saved the tobacco except slight damage in the low places. No tobacco had been cut up to that time in this community but the farmers commenced on last Monday and will cut all that will make good tobacco this week if there is no rain to interfere.

These showers have not been heavy enough to give stock water and the people are put to a great inconvenience, some having to take their stock one and a half miles to water.

The negro who attacked the Misses Blane on the night of the 17th has not been apprehended, though suspicion rests strongly upon certain parties who may be arrested soon.

Group.

Usually begins with the symptoms of a common cold; there is chilliness, sneezing, sore throat, hot skin, quick pulse, hoarseness and impaired respiration. Give frequent small doses of Ballard's Horchond Syrup, (the child will cry for it) and at the first sign of a croupy cough, apply frequently Ballard's Snow Liniment externally to the throat. 50c at C. K. Wyly's.

SUNDAY-SCHOOL WEEK.

I desire to call attention to this important week. The state Sunday school union has set the week of Oct. 20-26 for a special effort in behalf of extending the work of the Sunday school. The entire week should be given up to this great cause.

On Saturday, Oct. 25, a house-to-house canvass of the entire county will be made. If you are not solicited, it is to help in this work volunteers your service; you will be needed. One day, but it will be done. I desire the cooperation of every pastor; Sunday school superintendent and officer in the county. Let us make this a great week.

At a meeting of the executive committee Aug. 29 it was decided to urge each church to observe a rally day and to observe the Sunday school week with decision day, which is Oct. 25.

This is a great opportunity for the Sunday schools to arouse themselves and to take up new life. Will you do it? Are you doing all you should?

Talk the Sunday school week and get ready for it. C. E. Dudley, Chairman Christian county Sunday school union.

WANTS STUDENTS

Big Demand for Expert Colored Agriculturists

Booker T. Washington, the famous colored educator, who has established at Tuskegee, Ala., the most noteworthy institution of its kind in America, has a great problem on his hands at present. He is in receipt of orders from various European nations who are not adepts in agriculture to send them trained young men direct from his seminary. Not being able to supply the demand, Washington is offering great inducements to industrious colored youths throughout the country to come to him and learn the art. He sent a number of agriculturists as an experiment to Russia and Germany in 1901, and so successful was the experiment that it is creating big demands for his trained students in Great Britain.

Mr. Morris' Death.

His first wife was a Miss Dunlop, of Christian county, and his second was a daughter of his first wife. He was a member of the Baptist church, and his funeral services were held at the Siloam church, where he was buried. His wife was Miss Burnham, who survives him, and they had six children, all of whom were living, and with the deceased at his death. —Cadiz Record.

## SAFE IS BLOWN OPEN.

Thief Covers Citizen With Revolver.

NO CLUE IS DISCOVERED.

From Friday's daily.

Another bold burglary was added last night to the series of robberies which have been committed in this section in the last few weeks.

The dry goods store of Rawls &amp; Walker at Cerulean, in which is located the postoffice, was entered about 12:30 o'clock and the safe blown open.

The burglars gained entrance through the front door which they opened by means of a pick or skeleton key as the woodwork was not damaged.

Dynamite was used and the door of the safe was blown entirely off, and valuable papers were scattered over the premises.

It is believed that the thieves secured about \$100 of government money which was in the safe, but this cannot be definitely ascertained as the proprietors will not allow any one to enter the building until the arrival of bloodhounds this afternoon by means of which they hope to capture the robbers.

The father of Mr. Walker happened to step into his yard while the deed was being committed and one of the men who was on watch at the front door ordered him back, threatening to shoot him.

The burglars left no clue and the only hope of catching them lies in the bloodhounds being able to trace them.

An organized gang of robbers is apparently at work in this region as the burglaries committed lately have been carried out almost on the same plan. The thieves have nearly always selected a store containing the postoffice for their work.

The gang has operated in the last few weeks at Fairview, Bumpus' Mill, Dawson and Crofton.

From Saturday's daily.

Later developments of the robbery at Cerulean Thursday night show that about \$300 in government funds besides some postage stamps was secured by the burglars. An envelope containing about fifty dollars belonging to Rev. Mr. King, the Methodist preacher on the Cerulean circuit, was overlooked entirely and was found intact Friday morning.

Failed To Get Hounds.

Messrs. Rawls &amp; Walker tried to secure bloodhounds to track the robbers but failed to do so. The thieves were followed down the railroad beyond Cobb station by means of papers which had been in the safe and which they examined and threw away as they walked down the track.

Three men were arrested at Princeton Friday morning as suspects but were turned loose, as the evidence was not strong enough to hold them. Afterwards persons from Cerulean went to Princeton and from their description it was thought possibly these parties were guilty, so they were re-arrested here Friday.

Again Turned Loose.

They proved by a railroad conductor that they had been in the neighborhood of Henderson when the robbery was committed, and they were again released.

Beyond the fact that the guilty parties went down the railroad track beyond Cobb nothing is known as to who the parties were or where they went.

Tandy's Slayers.

When the case of the three Ward brothers and Blane Williams and Charles Finch were called in the county court the prisoners waived examination trial and were returned to jail. The men are charged, with the murder of John Tandy and shooting with intent to kill two other men at a colored festival near Pembroke.

Death at Lafayette.

From Saturday's daily.
