## Federal Highway Sought By Club For Calloway

### Young Business Men's Club Send Telegrams

Calling attention to the fact that Calloway county does not have a foot of federal highway, the Young Business Men's Club of Murray today petitioned Lytton Donaldson and Thomas H. Cutler that the highway from Mayfield through Murray toward Dover, Tenn., be designated a federal highway.

Telegrams sent to the Highway Department at Frankfort asserted that a new super federal highway was being planned from Cairo, Ill., to Mayfield and that the proposed southern road through Murray would be a logical extension or prong of such highway.

The telegram sent was as follows: "The Young Business Men's Club of Murray respectfully petitions that the highway leading southeast from Mayfield through Murray and southeast toward Dover, Tenn., across the Scott-Fitzhugh bridge be designated a federal highway. It is our understanding that a new super-highway is planned from Cairo, Ill., to Mayfield, thereby making the suggested extension a logical step. Calloway county to date does not have a foot of federal highway and except for a campus highway does not have a foot of concrete paving.

The above route would be logical for traffic from St. Louis, through Mayfield, to Nashville. It would tie up with the National Park at Fort Donelson near Dover, with our state college at Murray, and the TVA development in this area.

A movement is also under way here to secure a state and national park in honor of the inventor of radio, although an added reason for a federal highway. Mr. Woodson has already given this project his tentative endorsement.

Respectfully submitted, Young Business Men's Club, Murray, Ky.

### POLIO CAMPAIGN SUCCESSFUL HERE

All-Star Basketball Game Played Here Raises Fund Over \$400

The proceeds from the Calloway County All-Star basketball game amounted to \$425.25 which was turned over to the Infantile Paralysis Fund by Preston Holland who served as chairman of the committee on arrangements for the game. This amount was sufficient to push the net receipts of this year's campaign over the quota of \$300.00 which had been fixed for Calloway county, with the proceeds from the Birthday cards mailed to President Roosevelt by individuals throughout the county as yet unreported.

According to unofficial returns, Calloway county will probably lead all counties in the First District in this year's campaign, and rank among the first 10 counties of the state, regardless of size or population.

A. H. Kopperud, who served as county chairman of the drive, expressed his appreciation for the efforts of all who assisted in the success of the campaign which was conducted under the most adverse weather conditions in years.

### WILLIAM F. BURT SUCCUMBS FRIDAY

Funeral services were held in Beech Grove Church Saturday.

William F. Burt, 68, one of Calloway's most prominent and highly respected citizens, died Friday, February 9, at the home of his daughter, Mrs. Burie Camp, near Lynn Grove.

Mr. Burt is survived by the one daughter, Mrs. Camp, and by one son, Luck Burt, of Henderson, Ky., and three grandchildren, Randall and Roger Burt, and Mrs. Gene Rogers, and by one great grandson, Max Gene Rogers.

Funeral services were conducted in the Beech Grove Presbyterian Church of which Mr. Burt was a member, at 12 noon, Saturday, February 10, with the Rev. W. W. Parr and Lester B. Eason in charge. Burial was in the Story's Chapel cemetery, with the J. H. Churchill funeral home officiating.

Pall bearers were Gordon Crouch, Burie Miller, Fred Paschall, Galen West, Joe Paschall, and Bun Swann.

### Fourth Graders Have Attendance Record

When a person goes to school for a semester without missing a day, he deserves mention.

Miss Marie Trousdale, fourth grade teacher of the Training School, reports nine who achieved this record. They are Lola Gray Buchanan, Isaac Dowdy, George Dunn, Marie Yarbrough, Joe Thomas Rogers, James Trevathan, Phil Crawford, Wilmoth York, and Myles Tune.

Honorable mention goes to Bobby Denham who missed one day and to Jimmie Frank Richardson who was absent the last two days because of a death in the family.

### Staff is Grateful

The continued response to our special subscription offer, two years for a \$1.00 in Calloway and adjoining counties, is indeed gratifying to the staff of the Murray Ledger and Times, for it causes us to think that you appreciate our effort to give you the best weekly newspaper possible.

### MRS. BETTIE HART IS VICTIM SUNDAY

Cerebral Hemorrhage is Fatal to Murray Woman; Internment Here Tuesday

Mrs. Bettie Hart, 67, one of Murray's most highly respected and prominent women, died Sunday evening at 9:40, February 11, from a cerebral hemorrhage, after being ill a short time.

She died at the home of her daughter, Mrs. J. H. Coleman, on West Main Street. Other survivors include two other daughters, Mrs. Part L. Lewis, of Los Angeles, Calif., and Miss Ruby Hart, and Dr. P. A. Hart, local druggist, a son, one brother, J. P. Thompson, of near Hazard, and several grandchildren and great grandchildren.

Her husband, one of the pioneers in the medical fraternity of this community, Dr. Glenn Hart, died several years ago.

She was a very active member of the First Christian Church of this city, and very devoted in her church work. She never missed a church service when it was possible for her to attend. She was generous and kind to all who came her way.

Calloway county's annual basketball tournament will open play Thursday afternoon, February 22, at 3 o'clock in the Murray High gymnasium, according to Ed Filbeck, tournament manager, here this morning.

Both first and second teams from each of the eight county high schools will again participate in this all-important local event which is annually played before a "full house."

In the upper bracket for first team play, Murray and Concord will be the first to meet at 7 o'clock. In the lower bracket, Kirksey and Faxon will play at 8 o'clock.

The eye-opener Thursday afternoon at 3 o'clock (first teams), Kirksey and Faxon will start the tournament off and will be followed at 4 o'clock by Lynn Grove and Almo taking 3 and 6 and Hazel and Training School receiving 7 and 8 positions, respectively. According to Manager Ed Filbeck, the Murray-Concord playing time was changed to 7 o'clock in the evening to the benefit of players and fans. However, Murray and Concord will take their original spot in the second round of play.

In the eye-opener Thursday afternoon at 3 o'clock (first teams), Kirksey and Faxon will start the tournament off and will be followed at 4 o'clock by Lynn Grove and Almo. At 7 o'clock, Thursday evening, Murray High will meet New Concord and the first game of the evening will see Hazel and Training School meeting for honors.

On Friday, February 23, first team semi-final play will be seen in night session only. At 7 o'clock, 1934-Concord 41, Kirksey 19. At 8 o'clock, 1933-L. Grove 33, Concord 26. At 9 o'clock, 1932-L. Grove 28, Almo 27. At 10 o'clock, 1931-Kirksey 24, T. School 20. At 11 o'clock, 1930-Concord 29, Kirksey 19.

It was also found that Kirksey's Eagles held a wide margin over 13 years of play, by either winning or being the runner-up in 8 out of 13 years of tournament play.

Second team play will open Friday afternoon at 1 o'clock and continue straight through until the first round has been completed. Semi-finals will be played Saturday morning at 10 and 11 o'clock, with its finals acting as curtain-raiser for the first teams at 7:30 Saturday night.

## MRS. GARDNER TO BE ON STAFF OF LEDGER & TIMES

Talented Journalist Accepts Position With This Newspaper

NEW MEMBER HAS WIDE EXPERIENCE, TRAINING

The Ledger & Times is happy to announce that Mrs. Martha Kelly Gardner has accepted a staff position with this newspaper and will commence her duties here Monday.

She is at present residing in Jacksonville, N. C., where her husband, Errett Gardner, is employed in the extension department of the telephone department of the city.

By reason of her training in the business world and as a student in an office assistant at Murray State College, Mrs. Gardner is well-qualified for the position she has accepted. While a member of the administrative staff of Murray State College, she has had wide experience in the journalistic affairs of the campus. She has had courses in News Reporting, News Editing, Editorial and Feature Writing, and has served as editor-in-chief of the College News.

Her aptitude in newspaper work has been attested to by the fact that she was elected vice-president of the Kentucky Intercollegiate Press Association, an organization of the colleges and universities of the state.

She served for a number of years as secretary and stenographer for Prof. E. H. Smith, head of the extension department of the college. During this time she had an opportunity to acquaint herself not only with the college, but with the entire district.

At various times since then, she held positions with various business concerns, including the Bank of Murray. She is an excellent stenographer, typist, and typist, as well as writer. As an example of her versatility, she served as sports editor of the Calloway County News, a paper which is the equal of others in her profession.

Mr. and Mrs. Gardner have one daughter, Mrs. Kelly, age 4. Mr. Gardner formerly was in Murray at the Calloway County High School, Mrs. Gardner, born in Cadiz, is the daughter of Mr. and Mrs. Guy Gardner, West Main street, are the parents of Errett.

## CHARLES MILLER TO EDIT NEWSPAPER

Popular Murray College Student Organizes New Weekly Newspaper

Charles C. Miller, one of Murray's most popular young men, is taking over the responsible post of managing editor of the Dyer County Herald, a new weekly newspaper to be published and circulated in Dyer and surrounding counties. Bert Hodge, Bolivar attorney and publisher of the Hardeman County Times, will be associated with Mr. Miller in the new venture, as publisher.

Mr. Miller is the son of Mr. and Mrs. Gregg Miller of Murray, is a graduate of Murray State College where he was an honor student, besides serving as news reporter and assistant editor of the College News. In addition to his scholastic and journalistic work, Charles was an accomplished musician, participating in practically every musical activity on the campus, including the quartet, glee clubs, and mixed chorus. He was also a member of the Phi Mu Alpha Music Fraternity.

## SUPERVISORS MEET ON ASSESSMENTS

Real and Personal Property Lists Will Be Examined

The Calloway County Board of Supervisors convened Monday, February 12, for the annual inspection of tax assessments of the real and personal property of Murray and Calloway county citizens. The purpose being to make adjustments in assessments necessary to bring in sufficient revenue to meet the county's budget.

Last year the total assessment wasn't sufficient to meet the necessary expenditures of the county, and the State Tax Commissioner announced to one million dollars blanket raise on Calloway taxpayers.

The board representing the magisterial districts is composed of the following persons: T. O. Turner, chairman, Murray; Johnnie Dunn, vice president, New Concord; Sherwood Potts, Brinkley; Nix Harris, Swann; I. B. Jones, Wadeboro; Hardy Curd, Hazel; Louis Donelson, Liberty.

The board will be in session 23 days, adjourn for a week, and then come back into session to hear complaints.

In an interview with Senator Turner, the board chairman, regarding assessments, he made the following statement: "What can we do? The State Tax Commission raised the assessment 10 per cent last year, which amounted to one million dollars. The new assessment only raised eight thousand dollars, and it takes the full 10 per cent to meet the county budget. So, shall the board make the raise or leave it to the state board? No, that places a hardship on those giving a good assessment to allow the state to place a 10 per cent blanket raise."

## Kentucky Quartet to Broadcast Over WHOP Feb. 18th

The Kentucky Quartet, coached and managed by Barber Edwards, and composed of Chester Marine, Rudolph Howard, Orie Key, and Russell Key and Model Taylor at the piano, will broadcast a thirty-minute program from 9:00 to 9:30 Sunday morning, February 18, over station WHOP, Hopkinsville, Ky.

Let's put the quartet over the top!

## Thanks To You

We find the desire in our hearts to express thanks and appreciation for the overwhelming and seemingly unanimous approval of our editorial position as stated last week regarding the running of liquor and beer advertisements in the Ledger & Times.

## County Officers To Be Honor Guests

Dr. G. T. Hicks, head of the education department of Murray State College, announced today that the college would again sponsor "Citizenship Day" on February 22, at which time all students of the college who have reached the age of 21 would be officially inducted into citizenship.

Inaugurated a year ago under Dr. Hicks' sponsorship, "Citizenship Day" will become an annual event at Murray State. The Rev. L. K. Bishop, pastor of the First Christian Church of Paducah, will deliver the principal address this year. The Rev. Howell M. Foray, pastor of the Presbyterian Church at Murray, will give the invocation and benediction.

President James H. Richmond will welcome the honor guests, introduce the speaker, and preside over the induction ceremony. The pledge of citizenship, written last year by Miss Geraldine Hammack, Sturgis, Ky., senior, will be delivered by the principal address this year. The Rev. Howell M. Foray, pastor of the Presbyterian Church at Murray, will give the invocation and benediction.

The college band, directed by Prof. W. H. Fox will provide music for the occasion. The Murray Scout troop will give the salute and oath as a part of the program. The audience will sing "America."

## GORDON, 16, LOSES EYE IN EXPLOSION

Student in Training School is Seriously Injured While Conducting Experiment

Wallace Gordon, 16, student of the Murray Training School, was seriously injured in an explosion February 8 while conducting an experiment in the science laboratory.

Dr. E. L. Garrett, surgeon and physician, said young Gordon had lost one eye but would be taken to Memphis today (Thursday) in an effort to save the other which was seriously affected.

Principal Carmon Graham said the youth was mixing red phosphorus and potassium chlorate and that the resulting explosion hurled flying glass into the face and eyes of the boy.

Maurice Evans, fellow student and Boy Scout, administered first aid and assisted in reducing the swelling of the eye. Wallace Gordon was taken to the hospital.

Dr. Garrett reported that the general condition of the patient was not improved. Wallace is the son of Mr. and Mrs. William T. Gordon. Mr. Gordon is rural mail carrier of near Golden Pond, Ky.

## JOE CARNELL DIES NEAR KIRKS RIDGE

Funeral Services Were Held at Lynn Grove Last Saturday

Funeral services were held Saturday at Elm Grove for Joe Carnell, 69, who died at his home near Kirk's Ridge schoolhouse in this county Friday afternoon. Elder L. F. Pogue was in charge of the funeral services.

Mr. Carnell, a member of the Church of the Latter Day Saints, is survived by his widow, Mrs. Jane Carnell; two sons, Johnnie, of this county, and Gardie, of Indianapolis, Ind.; a sister, Mrs. Mary Colson; and two grandchildren.

Mrs. Trevathan dies in Nashville

Pneumonia, coupled with complications was fatal to Mrs. Cecel Trevathan of Nashville, Tenn., Tuesday, February 13.

Mrs. Trevathan was Miss Lara Eley of Benton before her marriage to Cecel Trevathan, who is the son of Mr. and Mrs. L. C. Trevathan formerly of Murray, who resides in Paducah at present.

Funeral services will be conducted in Benton, Thursday, February 15.

Mrs. Nat Ryan, Murray, is the sister of Cecel Trevathan.

## Five Billion Dollar Business

It sounds like exaggeration indeed to say that American vacationists spend \$5,000,000,000 in cash annually for gas and oil, amusements, and food, and lodging on the road, yet the undisputed record proves conclusively that this is an absolute fact.

The curious individual will naturally inquire why Kentucky, the state so wonderfully blessed with scenic beauty, and natural attractions, should receive such a small amount of the large tourist trade. We believe the answer lies in the small effort being exerted to publicize Kentucky's natural attractions, parks, and the traditional hospitality of her people.

Fifty years ago, in the horse and buggy days, the State Legislature appropriated \$30,000 to advertise the State. And even now, a half century later, in the day of streamlined automobiles, we still have only \$20,000 to advertise the beauties of the Bluegrass State.

As Governor Johnson spoke favorably of such things in campaign speeches we do not believe that this was an oversight but hope that other satisfactory means can be found for accomplishing these purposes without infringement upon the general fund budget.

In 1942, Kentucky will celebrate her sesquicentennial, 150 years of statehood, and it seems to us that the State should launch an immediate "build-up" for a statewide home-coming which would incidentally influence thousands of people other than former Kentuckians to pay us a visit.

If sufficient funds were made available, think how easy it would be to interest people everywhere in coming to see Mammoth Cave in Edmonson County, Lincoln Birthplace Memorial in Larue County, Jefferson Davis Birthplace Memorial in Todd County, Cumberland Falls in McCleary County, Pioneer Memorial at Harrodsburg, Federal Hill, near Bardonia, Natural Bridge in Powell County, Kentucky River Fallsides, Scenic in Marshall County. These constitute only a few of the hundreds of interesting scenic and historic spots in the State having the Old Rowan Homestead where Stephen Collins Foster composed "My Old Kentucky Home."

We believe that Governor Johnson and his administration will find an effective method of meeting this problem.

## Annexation Assured

Barring unforeseen developments to the contrary, the section referred to as College Addition will, at the April term of Circuit Court become a part of the corporate city of Murray. Plans for the annexation of this area are practically completed, and final consummation needs only the order of the Court in regular session.

We repeat the statement we have made before on this page, that annexation is the real and logical solution to the problems of this plot as regards fire protection, police regulation, and street improvement. Expanding the city limit to include this section will raise numerous problems, however, the proper solution of which will require patience and reasonableness on the part of the people coming in and good judgment and fairness on the part of those in charge of the city's affairs.

The agreement of those directing the federal census this year to arrange the count in Murray in such a way as to include the new addition, after it is legally a part of the city, is a concession much appreciated for this will raise Murray's standing considerably in the federal record.

Those people who have been wishing for an old fashion, old time winter with an abundance of snow and ice and zero temperatures are certainly getting that desire generously fulfilled.

## Byrd's Creek Chatter

Here we are in "sunny" Tennessee and I mean "Sunny Tennessee" for in spite of gloomy weather and snow yesterday, the sun came right out and gave the snow a show-aw, just as I had been going to think Mr. Groundhog was right in predicting 40 more days of winter weather. The weather was appreciated through here, especially by farmers who had tobacco to strip.

As usual "Red" is no good news reporter, although I want to thank Mr. Rayburn for the privilege to continue chattering. Guess I could write things of more interest if I had leisure time to read more, but that I am so work brittle, however, I have been very busy crocheting and making an applique butterfly quilt. Just wonder, Miss Mary Shipley still knits those lovely dresses?

No new cases of whopping cough here on this side of the creek, although there are several cases of measles-around Model. Hope we escape those, as our wee one is just now getting over the whopping cough.

C. G. Vinson had a very painful accident last Sunday. He fell out of his hay house breaking his arm in two places. He was rushed to the clinic to get his arm set. We are in hopes he will soon be o. k.

Mr. Mosier's baby, who was severely burned recently, has been taking treatment at Mason's hospital and is almost well again.

Clifton Barrett and M. D. Carr delivered their burley tobacco to McClellan's burley in Hopkinsville last week. Both got \$24.50 for high price and \$14.00 per hundred for low. It would be fine if dark tobacco would sell like that, or burley would weigh heavy like dark tobacco.

Say Julia, received your letter last week and laughed good and hard about the hot water bottles being put to bed with pigs. Hope all 10 pigs are still living.

H. F. Russell is some better since his son carried him to Dr. Crow at Dover for medical treatment.

Two young men from this side here have been recently they were Rudolph Bailey and Roscoe Russell of Model. They make fine music.

A bunch of youngsters were here yesterday and enjoyed snow cream, and a real snowball battle. "Red" didn't take any hand in the battle, but he did help help Conrad roll two large snowballs, and eat cake and cream.

## A TRIBUTE TO THE MEMORY OF MRS. J. G. HART

In the quiet passing of Mrs. J. G. Hart last Sunday night Murray has lost one of her oldest and very best citizens. At the wife of the late Dr. J. G. Hart she was widely known and honored. Her home was a haven for any one who were sick in body or mind, and many were those who shared her good wishes and prayer under her own family circle. She delighted to help the poor, both in money and white, and no one in need ever left her door empty handed.

As a friend and neighbor she was unexcelled. She was thorough, unselfish and generous to a fault. She always saw the good in people rather than the bad. And she herself was as good as gold.

For several years, since her failing health forced her to give up her own household duties, she had made her home with her daughter, Mrs. J. H. Coleman, and no one in that home was cherished more fondly than she. Even now not only her children but her grandchildren and great grandchildren call her blessed.

Her devotion to her church was not shown only by her faithful attendance but also by her financial support. She contributed to missions at home and abroad, and was willing to deny herself and have more to give. She was not conformed to this world but was transformed by the spirit of the indwelling Christ. Surely a mother in Israel hath fallen this day.

## DR. ELLIOTT WILL COME TO MURRAY

Former Secretary of Christian Association to Conduct Meetings Here

Dr. Arthur J. "Dad" Elliott, executive secretary, Committee on Christian Evangelism Among Youth, and former secretary of the National Student Union Men's Christian Association, will conduct a series of "youth conferences" on the campus of Murray State College February 27, 28, 29-March 1, Dean John W. Carr announced today.

The first meeting will be held in a regular chapel session, Tuesday, February 27. The other meetings will be held at the same hour—10 to 11 o'clock—but the attendance will be optional. Dr. Carr announced.

The decision to have "Dad" Elliott on the campus for a series of religious meetings was made at a conference of the Murray pastors, student leaders, and faculty members here February 12.

"Dad" Elliott was graduated from Northwestern University in 1902. He became the religious work director of Brooklyn Central YMCA, a position he held for five years. Then he became one of the secretaries of the National Student Union Men's Christian Association movement.

In 1918, he was ordained as a minister in the Presbyterian Church of the USA by the Chicago Presbytery. He holds the honorary degree, Doctor of Divinity, from Park College, Parkville, Mo.

C. G. Lord, Kansas City, has said of Mr. Elliott: "The records show that he has been in some 37,000 personal interviews."

## 33rd Annual Mule and Trade Day to Be Held at Lowes

On Saturday, March 9, the 33rd Annual Mule and Trade Day will be held in Lowes. This day is not only famous for the town of Lowes, but for all of western Kentucky. Anyone that has ever attended the mule and trade day, then remembers well what a lively affair and event that it was.

The citizens of Lowes lay claim to the record of having had this annual trading event for a longer period of time than any other town in this section.

Mule buyers from several states will be there on that day, besides all the other local buyers that have gathered from the past years' experience that Lowes is an ideal place to either buy or sell mules or horses. Cash awards will be given there this Mule and Trade Day for the best team of mules, the best team of horses, the best saddle horse, and also for the ugliest man. Numerous other attractions will also be there on this day to help in making it one of the biggest days ever to be held in Graves County.

The town of Lowes asks that you be there on March 9 and in return they promise to show you that a real mule and trade day really have.

## Letter to Editor

Dear Editor: Although I am enjoying the Florida sunshine I am always eager to get the Murray Ledger & Times for through it we get practically all the home news.

I have been in DeLand, Fla., since 17th of November, and during that time there has been only one day that I didn't see the sunshine some time during the day. Although I understand the northern newspapers have made the weather here very bad, and it is of course unusually cold for Florida. It hasn't been so bad while some of the fruit was damaged due to the frost and freeze of January 27. It is nice here now. It was lovely on the beach Sunday.

I have met quite a few people from Kentucky since I've been here, the closest being from Hopkinsville and, too, there was a commercial man here in the hotel last night that works Murray, Ky.

While it's nice here in the winter I don't think I'd care for it in the summer. Although people tell me that it isn't so hot here in the summer, that there is always a cool breeze.

I have visited several places of interest. I like St. Augustine for there you see the Fountain of Youth and Indian Burial Ground, the Oldest School House at City Gates, Priceless Relics, Fort Marion, Ostrich and Alligator farms, and many other points of interest.

The old sugar mill at DeLand Springs which is just six miles of DeLand, is the home of the Stetson University. Sanford is a nice little town on the St. John's river. It is known as the "colony city" and do they grow it there. Near Sanford there is a giant cypress. It is 128 feet high and 47 feet around at the base, with a diameter of 17 1/2 feet. Its age is estimated at over 3,500 years.

There is known in North America to be only one older tree, and that is in Mexico—American Forests. Daytona Beach is beautiful and is noted for automobile races. New Smyrna Beach is on the headwaters of the famed Indian River. It is 115 miles north of Jacksonville, 232 miles south of Miami. It is an excellent place for fishing. Shuttleboard is a great game in Florida, both young and old enjoy it. Most every town and tourist camp has the game.

Five and one half miles east of Ocala are the marvelous silver springs. This natural wonder flows 500,000 gallons of water which flows away as Silver river. From glass bottom boats one is able to peer through 80 feet of crystal clear water seeing fish and turtles that, seem only a yard away.

The people in the farming section are busy replanting some of their truck gardens that were ruined by the freeze. Pepper and tomato plants being hurt worst I don't think I mentioned Florida's beautiful flowers. They really have them, while many were hurt by the freeze and frost. Many fernery were fired all night during the coldest nights. I often wish for some of the old people from home and especially the rheumatic sufferers. This cold winter has been hard on them. Many people are here for their health.

When it snowed at Jacksonville, Fla., some of it was brought into DeLand by truck and people rushed out to see it that had never seen snow. Business places even had it brought into their places for people to see and people marveled at its beauty. One man in Jacksonville wired his brother in DeLand and that it was snowing there and for him to come. The brother left immediately.

Well, anyway, Florida has it when it comes to being called the "Land O' Sunshine". If you have space and care to print this, o. k.

Yours respectively,  
Lola B. Jones

## Card of Thanks

We wish to express our heartfelt thanks to our many friends and neighbors for their many expressions of kindness both in word and deed during the sickness and death of our dear father. We also wish to thank Rev. C. L. Francis and Rev. Fogus and also the singers and the Gilbert Funeral Home; also, Dr. Hale and the ones who sent beautiful flowers. When such an hour comes to each of you, may God bless and keep you and our prayer—Children of J. A. Anderson.

Mrs. Annie D. McElroy, Caldwell county, has bought a foundation flock of 16 registered sheep.

Protremus Palaver

The snow which fell so swiftly and silently Saturday has disappeared just as rapidly, leaving the roads even more nearly impassable than before.

Last week, too, marked the passing of two of our neighbors and in each instance the undertaker had to be pulled in with a team.

Funeral services for Van West were held last Thursday at the Lynnville Church of Christ with interment in the Seay Cemetery.

Funeral services for Mr. Will Burt were held at Story's Chapel Saturday. Rev. Parr and Rev. Eason were in charge.

S. Pleasant Grove

It is still with sadness I again write. This time on account of the passing, on February 6, of a dear sister-in-law, Mrs. Alice Ellis.

Her three daughters of Calloway county, Mrs. Bub Doran, Murray, Mrs. Dennis Boyd, Route 4, and Mrs. Ermine Wilson at whose home she died, also her three sons, Dr. N. Ellis, Wilson, Ark., Dr. Attila Ellis, Providence, Ky., and Justus Ellis of Thompsonville, Ky., were with her when she died.

After attending their mother's funeral Wednesday at South Pleasant Grove and visiting for a short while in their childhood home, each of the sons returned to their respective homes.

Mrs. Ellis had been a widow since the passing of our dear brother, Charles Ellis, December, 1927. It is seldom one has the honor of their last rites being said by a grand nephew (assisted by Rev. K. G. Dunn, pastor of the Methodist church, officiated).

Mrs. Ellis was the wife of a good man, Dr. N. Ellis, who was a daughter of the late Abe and Nancy Furchess Adams. Thus, as one who remembered her Creator in the days of her youth, she has gone to her heavenly home.

Dr. C. R. Ellis and son, Clemet, came Wednesday for the Ellis funeral returning to their home in Lexington, Ky., Thursday.

Her only living sisters, Mrs. Belle Story, Edgell, and only brother, Dave Adams, of Dover, Tenn., returned to their homes after attending their sister's funeral.

Mrs. Odell Orr, of near Hazel, and other relatives were last week called to the bedside of their brother, Leo Caraway, who is reported to have made some improvement this Monday.

Congratulations to Mr. and Mrs. Tom Wilkerson, of South Howard, whose 30 Rhode Island Red hens in January averaged 17 eggs per week. She did not turn them out in the cold.

Recently we attended Sunday School and church services at Sinking Spring and it was interesting to notice how little children as well as older ones, carried their Testaments and Bibles.

This church for several months has sent out a truck to bring to the services those who had no way to attend the services.

The Rev. K. G. Dunn will fill his regular appointment at Pleasant Grove next Sunday at 11 a. m.

Mrs. Bessie Thomas under went an appendectomy last week. She is a daughter of Mrs. Minnie Radford Smotherman of South Pleasant Grove. May we not hope for a speedy recovery.

George Windsor is quite ill at his home near South Howard. Sid Windsor, a brother, Mrs. Hall, a sister, of near Lynn Grove, and his daughters, Mrs. Bruce Mayfield, Mrs. Edna Bird, and Mrs. Floyd Taylor have been at his bedside.

METHODIST CHURCH NOTES Sunday, February 12, 1940

The pastor and board of stewards are grateful to the membership for their cooperation which made it possible for the church to report "Out in Full" on all items at the first quarterly conference on Wednesday, February 14.

Thus our congregation maintains its good reputation of paying as we go.

At the morning worship hour, now 10:50 o'clock, the pastor will preach on "Four Guests at Life". These four guests have been defined as follows: 1st, A Job; 2nd, Friendship; 3rd, A Life Mate; and 4th, A Philosophy of Life.

Particular stress was laid on the last for every man, whether he will it or not, has some sort of philosophy of life. It is important that that philosophy can meet the needs of living.

At the evening hour, 7:30 o'clock, the pastor, continuing the series of sermons on the Lord's Prayer, will use as a text: "But deliver us from evil." It is not to be understood that petition and how many millions are now lifting up that petition in the war cursed areas of this world.

The Sunday-school at 9:30 is the "school of religion" for those of all ages in life. Every one needs it. Bro. C. A. Hale will do his best to see that you are properly placed both for instruction and for worship.

Our young people, meeting at 6:45 in two groups, will welcome your boys and girls to their meetings, and they might find inspiration and information in these meetings.

All visitors and strangers are assured of a kind and brotherly welcome at all of our services. J. Mac Jenkins, pastor

Hazel High School

The lower eight grades have been dismissed this week because of the bad roads.

The high school has just finished another six weeks' term. Three of our boys, Alton, Cochran and Dunn placed in the all-star game at Murray High School Monday night.

The teams were composed of boys from the north and south side schools. The south team won by a single point, the score being 18-17.

The Hazel Lions were defeated again Friday night by Birmingham by a score of 27-29, after a hard fought game.

The Hazel boys won the basketball game at Murray High School Monday night. The teams were composed of boys from the north and south side schools.

FIRST CHRISTIAN CHURCH

A. V. Havens, Minister

"That Ye Might Have Life." will be the sermon subject of A. V. Havens, minister of the First Christian Church, at the morning worship service, next Sunday.

There is no doubt," said Mr. Havens, "that some people are more alive than others; not that they merely have more buoyancy of spirit but that they are more responsive to their surroundings. They seem to have a greater degree of awareness, realization and consciousness. They get more out of life and they give more to life."

Jesus," he continued, "indicated that there is a difference in life when, though speaking to live human beings, he nevertheless said, 'I came that ye might have life.' This sermon," Mr. Havens stated, "will seek to set forth this difference between ordinary life and the abundant life and how the latter may be attained."

The service will begin at 10:30 with the beautiful organ prelude. Special Treasures and anthems will be presented by the trained chorus choir, directed by Prof. L. R. Putnam.

The Sunday night church service will be in observance of Young Week. The Young People's society of Christian Endeavor will have charge of the service. E. B. Morgan is the president.

The Sunday School, led by Superintendent R. L. Wade, will meet Sunday morning at 9:30. The Church Workers' Rally being held jointly by the Methodist and Christian Churches of the Purchase District, will begin with the first session at 2:30 Sunday afternoon at the Methodist Church in Mayfield. Sessions will be held each week-day night at 7 p. m.

Dr. Lorenz Carmichael, national adult educator of the Christian Church, will offer a course entitled, "Using The Bible With Children." Rev. C. N. Jolly, superintendent of the Purchase District of the Methodist Church, will teach a course on "Youth and Worship."

### Y.B.C. Votes Wear New Scout Uniform

The Young Business Men's Club at its regular meeting Monday evening, voted to present Ralph Wear, local Scoutmaster, a new regulation Scoutmaster's uniform. Max Hurt, club member, suggested that as practically all of the boys making up the Scout troop had now secured new uniforms, and because Ralph was doing a splendid job without financial remuneration, that the club should show its appreciation by extending this courtesy.

The Young Business Men's Club is sponsoring the Murray troop of Scouts.

The Scout movement in Murray has made rapid and satisfactory progress during the past three years under Wear's excellent leadership, and the young business men's organization has actively supported the work of Ralph and his boys.

The Scout troop in Murray is enjoying an unusually progressive year. It has cooperated in numerous charitable projects, it has presented Parents' Night and Hobby Shows, it collected thousands of toys and reworked them for Christmas cheer, and has taken active part in all civic affairs of the city.

Scoutmaster Wear said, "The boys have made fine advancement in their work and to date have passed something like 150 Merit Badge examinations since April 1. We have several Star and Life Scouts and only recently Fred Wells, completed his Eagle Badge work and will be officially awarded this badge on Monday night. We are planning great things for the future and are assured of the hearty cooperation of the Young Men's Business Club and other organizations in Murray," Wear stated.

### Sharborough Returns from Six-Day Meet

A new type of building service, designed to make it easier for consumers to buy new homes and home improvements, was the basis of a six-day training course held at Chicago last week and attended by Jack Sharborough of the Calloway County Lumber Company.

Special emphasis at the school, held under the auspices of Johns-Manville, was placed on the Housing Guild system of consumer service and selling. Mr. Sharborough said, "The basic idea behind the plan, according to Mr. Sharborough, is the coordination of the varied services of the building industry so that its products ranging all the way from a small repair job to a complete new home, can be bought as a unit or 'package' in the same manner that automobiles, radios and other products are purchased.

The Housing Guild, while national in scope, is 100% local in practice," he said. "Guild members include architects, contractors, material suppliers, realtors, finance agencies, etc.—in short, all factors whose services are required in the normal building or remodeling job. The plan usurps none of the prerogatives of each factor in the industry, but rather places a trained sales force in the field to sell the materials and services of all."

Miss Alma Kimbro Marries  
Rupert Phillips Wednesday  
Miss Alma Kimbro became the bride of Rupert Phillips Wednesday, February 14, with the Rev. J. H. Thurman reading the ceremony. The marriage rites were performed at Mr. Thurman's home in Murray.

The popular young couple will make their home in Pottersville. Their many friends extend congratulations and best wishes.

# Murray Debaters Will Go to Forensic Tourney

### Contest Scheduled in Chattanooga April 2, 3, 4

The varsity debate team of Murray State College will enter the tournament sponsored by the Southern Association of Teachers of Speech, to be held April 2, 3, 4, at Chattanooga, Tenn. They are starting work on the proposition for debate which is: Resolved, that legislation should be enacted providing for the conscription of capital in the event the United States becomes en-

gaged in war. The topic for extemporaneous speaking is: Men and Issues in the 1940 Presidential Election. This is the first time that this tournament has been close enough for the Murray State College team to participate. In order to add interest and variety, it is the policy of this tournament to select a subject other than the national Kappa Delta subject. Inasmuch as the debate team is changing to a new subject, other students, as well as the debate club, are invited to get in touch with Mr. LaFollette, debate coach, Murray State College, and try out for the squad, which will begin studying the new subject in order to make the trip to Chattanooga the first of April.

### Our Service . . .

Our services would not be complete without the aid of a lady assistant. For there are many little things that a woman intuitively seems to know should be done and does gracefully and tactfully. That the lady assistant is becoming an important factor in modern funeral service.

Mrs. Churchill's services are always available whenever and wherever the need arises.

Sincerely,  
J. H. Churchill,

# COMMERCE GROUP MEETS TUESDAY

Paducah to be Host to Council Members This Year; Murray Business Men to Attend

The West Kentucky Commerce Council will meet in annual session at Paducah, Tuesday, February 20, 1940. The central theme of the program this year will be methods of publicizing Kentucky.

The meeting is open to the public and all are cordially invited to attend the program. Capable and interesting speakers will discuss various topics dealing with the problem of effectively advertising Kentucky's attractions to American tourists.

T. T. Elkins, Secretary of the Murray Chamber of Commerce, stated that a group of Murray business men would go to Paducah for the meeting. The program arranged for the business men is as follows:

10:00 a.m.—Opening remarks, President Ed Kerley, Glasgow, W. Va.; Hon. Pierce Lackey, mayor, Paducah; Welcome, President Roy M. Prather, Greater Paducah Association, Paducah.  
10:15 a.m.—"The Kentucky Dam," Mr. George Jessup, project manager, Kentucky Dam.  
10:45 a.m.—Open discussion.  
11:00 a.m.—"Free Bridges and Kentucky's Prosperity," Mr. B. J. Lenihan, vice-president, Kentucky Free Bridge Association, Lexington.  
11:30 a.m.—Open discussion.  
12:15 p.m.—Luncheon with Paducah Lions Club, Speaker, Mr. Anderson Pace, Industrial Engineer Illinois Central System, Chicago; subject—"Industrial Development for West Kentucky."  
1:15 p.m.—Open discussion.  
1:45 p.m.—"The Kentucky Highway Program," Mr. T. H. Cutler, chief state highway engineer, Frankfort.  
2:15 p.m.—Open discussion.  
2:45 p.m.—"Advertising Kentucky," Mr. John Hoagland, Courier-Journal, Louisville.  
3:00 p.m.—Hon. John Hunnicutt, representative from Ludlow, Ky., "Legislation on Advertising Kentucky."  
3:45 p.m.—Attracting the Tourist—Mr. Eugene Stewart, Louisville Automobile Club, Louisville.  
4:15 p.m.—Open discussion.  
4:30 p.m.—Recess.  
4:45 p.m.—Election of officers for 1940.  
5:00 p.m.—Adjournment.

# MURRAY MAN GETS BELATED ORDER

H. T. Waldrop Sells Tobacco for 46¢ Per Pound to Oklahoma

The tobacco floors in Murray have maintained good prices for the need this past week, in fact better than markets of other places nearby, but even they were topped considerably by a sale made by H. T. Waldrop, which reached the astounding figure, 46¢ per pound.

In 1921, Mr. Waldrop was a member of the organization for the purpose of "Grading and Distributing High Grade Leaf Tobacco," with W. S. Tinsley, president, and H. T. Waldrop, agent and manager. The firm sent out order-blanks to be used by would-be customers, and this past week, Mr. Waldrop received from Jeff Gierges, Oklahoma City, Okla., one of these order blanks, accompanied by the cash at the rate of 46¢ per pound. Mr. Waldrop filled the order.

# FARMERS ATTEND DISCUSSION MEET

Livestock and Soils Are Discussed by Experts at Two-Day School Here

The Kentucky Extension Service in Agriculture and Home Economics brought to Calloway county a two day extension school for farm people, which was held on the campus of Murray State College February 8 and 9.

As many Calloway county farmers were unable to attend the state farm and home convention in Lexington, farm experts from the University of Kentucky were brought to Murray for this meeting.

February 8 was set aside as livestock day, and February 9 was soil day.

The speakers appearing on the two-day program included the following: John T. Cochran, county agent; Dr. James H. Richmond, president of Murray State College; Wayland Rhodes, George Harris, Prof. George Robert Roberts, H. G. Sellards, J. E. Humphreys, and W. W. Magill, all of the University of Kentucky; A. Carman, Murray State College; and W. M. Landess, TVA Agricultural-Relations Division.

Considering the adverse weather conditions, the meeting was well attended by farmers, all of whom reported the meetings to be highly profitable to farmers.

A profit of \$16 on 112 hens was made last month by Mrs. Charlie Hopkins of Clinton county.

## CALLOWAY LEADS WITH 235 LISTED ON MURRAY ROLL

### Twenty-Three States and Island of Cuba Represented

### COLLEGE HAS RECORD NUMBER ENROLLED

If Calloway county were the only region whose college educational wants were served by Murray State, the school would still have an enrollment of 235 students, an enrollment equal to that of many colleges in the United States.

But Murray serves a region vastly greater than just Calloway county. Murray serves a nation—of even beyond that.

A list of the enrollees of Murray State shows that 23 states and the island of Cuba are represented by students here.

States and the number of students from them are as follows: Tennessee, 81; Illinois, 30; Michigan, 1; Oklahoma, 1; Texas, 1; Minnesota, 1; North Carolina, 1; Florida, 2; Massachusetts, 1; North Dakota, 1; Mississippi, 3; Alabama, 2; Ohio, 10; Wisconsin, 3; Pennsylvania, 8; New Jersey, 13; New York, 5; Indiana, 10; Missouri, 10; Connecticut, 5; West Virginia, 1; Arkansas, 7; and several hundred from Kentucky.

Miss Virginia Gardner is registered from Crockett, Cuba. Murray's enrollment this spring exceeds by 14 per cent that of a year ago, authorities said. Thus far, enrollment figures show a registration of 163 students in the college proper with 436 in the Training School.

Those counties of Kentucky

showing largest number of students here are Calloway with 235, Graves with 86, and McCracken with 70.

The mid-semester registration will begin Monday, April 1, with April 3 the last day for maximum credit. The latest possible date on which to register for any credit is April 6. The semester closes officially Friday, May 31.

The summer term will begin June 10 and extend eight weeks to August 2. The normal load will be 8 semester hours; the maximum load will be 9 semester hours.

Students enrolled from Calloway county are:

Elizabeth Adams, Murray; Rebecca Armstrong, Lynn Grove; Murrelle Blalock, Murray; Maurelle Clendenon, Almo; Fred G. Furchess, Murray; Mrs. Ruth Hart, Murray; Corinne Henry, Murray; Jamie Ray Hopper, Murray; Mary E. Hopson, Murray; S. Clyde Jones, Murray; Rebecca M. Lassiter, Murray; Rachel Mae Linn, Murray; Celia E. Miller, Hazel; Mary Belle Moore, Murray; Anna Elizabeth Mohundro, Murray; Clarence H. Perry, Murray; Margaret Rumph, Murray; Lola R. Rye, Murray; Hazel N. Sammons, Murray.

Sybil Simmons, Hazel; Harold F. Starks, Murray; Urbana Mae Starks, Murray; R. C. Stewart, Murray; Laurine Tarry, Murray; Frances L. Wells, Murray; Jessie F. Williams, Murray; Fowler Todd, Murray; R. L. Cooper, Murray; Hilda Ray Jones, Dexter.

Geneva S. Adams, Murray; Nell Alexander, Murray; Herbert Groves Allbritton, Murray; William E. Allison, Murray; James Riley Baker, Murray; Mrs. Dorothy R. Baker, Murray; Martha Lou Barber, Murray; Kenneth Bell, Murray; Alfred L. Billington, Kirksey; Vernon K. Billington, Kirksey; Martha Blalock, Murray; Herschel F. Blankenship, Almo; Margaret M. ### President Richmond Outlines Plan for Happiness in First Assembly

"What will you be doing and where will you be 10 years hence?" was the question with which President James H. Richmond challenged the beginning freshmen of Murray State College in the chapel session Wednesday morning, January 31.

This question, he said, is included in each welcoming address in which he urges new students to make use of their time in college.

"The correct answer to that question determines the happiness of your life," declared Dr. Richmond. "We want you to be happy here and we know that you can't be unless you work. The greatest tragedies in the world are wrecked bodies, twisted brains, shiftless characters and the deliberate wasting of this glorious thing called life."

The president outlined the regulations concerning dress and chapel cuts and also urged all students to take the physical examination given by the college, stating that it not only is required but is for the student's own advantage.

He also expressed gratification over the fact that Murray's enrollment had increased by 100 students over the registration on a corresponding day a year ago.

Mr. George Jessup, project manager of the \$112,000,000 Kentucky Dam now under construction by the TVA at Gilbertville, will speak in chapel next Wednesday, February 7, according to Dr. Richmond.

"I stand in profound admiration of a great engineer and Mr. Jessup is a great engineer. He knows life," asserted Murray's chief executive, who is also chairman of the board of the Lower Tennessee Valley Association.

## MISS WYATT IS ADDED TO STAFF

### Former Instructor Returns to Succeed Pennebaker Who Resigns

Miss Grace Wyatt, curator of the Maria Mitchell Association, Nantucket, Mass., has been appointed a member of the Murray College faculty in the biology department, succeeding Dr. G. B. Pennebaker, who resigned to accept the position of head of the science department at Morehead State Teachers College.

After graduating with the A. B. degree from Chicago College, S. C., Miss Wyatt received the B.S. and M.A. degrees from Peabody College, Nashville, Tenn. She has done graduate work also at Duke University.

Miss Wyatt was a member of the college faculty, doing work both in the college and in the Training School, from 1927 to 1932. Her original home is in Easley, S. C.

She resigned her position on the faculty of Shorter College, Rome, Ga., to return to Murray.

At the Fair

To see the fair I went to town. The sun was shining bright. While I was there I saw the clown, When I got home 'twas nearly night.

I rode the merry-go-round. Many children were there. The horses trotted up and down. While the weather was fair.

The popcorn and the candy men were very neat. Folks came closer to the stand. And to be among the crowd.

James E. West has served as Chief Scout Executive of the Boy Scouts of America since the early days of the movement's organization.

## Murrayans To Attend NEA at St. Louis

Members of the Murray College faculty and administrators will attend sectional meetings of the National Education Association which convenes in St. Louis, Mo., February 22-25.

Among those who will attend are Dr. John Wesley Carr, dean of Murray College, who will be honored by a life membership to the American Association of School Administrators, division of the NEA.

Prof. Carmon Graham, principal of the Training School, will act as host at the conference of the National Association of Supervisors of Student Teaching which will meet February 26, at 2 o'clock.

Prof. E. H. Smith, head of the extension department, will speak to the National Institutional Teacher Placement Association on the subject, "Determining of Demands Through Contacts with Superintendents of Schools."

Others who will attend various divisions of the meeting include: Miss Nellie Mae Wyman, education department; Dr. James H. Richmond, president; and Prof. M. O. Wratther.

Another Murray colored ex-soldier, Gladys Jones, is also wearing a Purple Heart badge.

## Cherry News

Well I am back again, didn't get around to writing last week.

There is some sickness in the neighborhood this week. J. C. and Wilda Jane Russell are sick with colds. Hope they will soon be well again.

Mrs. Mollie Stewart, of Boatwright, visited in the home of Mr. and Mrs. Matthew Russell the past week.

We are glad it is some warmer at this writing.

Hope the cold weather is over. Ray Houston killed a nice porker the past week. Guess he would be glad if it didn't get too warm.

I am glad to report that Cosco McKinney's mother is much better at this time.

Before I forget, I want to say hello to my grandmother, 4534 Sophia Street, Wayne Mich., who is a reader of the Ledger & Times.

The Rev. J. H. Thurman filled his regular appointment at Cherry Corner Missionary Baptist Church on February 3, with services at 11 o'clock, Sunday School at 10 o'clock and preaching at 11 o'clock. We have Sunday School every Sunday morning at 10 o'clock. Everyone is invited to attend.

I don't know who writes the news from Russell's Chapel, but I like to read it for I have a grandmother who lives down there, so come on whoever you are and let us hear from you every week.

—Guess this will do for me this week.—Snow Bird.

## MURRAY CIRCUIT, METHODIST

I will preach at Lynn Grove next Sunday morning at 11 o'clock and at Goshen Sunday evening at 6:30. We have been shut in by the cold weather for a while, now let us get us to church and see who is there.

We are having our Mission study at Goshen each Wednesday night at 6:30 for four weeks. We will finish our study at Lynn Grove Tuesday night of this week.

# Behind the Scenes in American Business

**NEW YORK, Feb. 15—BUSINESS**—Even though general industrial activity slackened in January, as was anticipated, from the peaks of last fall, operations were maintained at all-time high levels for January. This was in spite of an absence of the seasonal January expansion. The adjusted index of industrial production showed 128 per cent of the 1922-25 average, compared to 123 for December, the record high for any month.

On the retail side, January stock-taking revealed that stores' position with respect to the amount of merchandise in their shelves is sound and better than retailers in a favorable, "open-to-buy" position for Spring. Inventories generally are higher than last year, but not out of line with the uptrend in retail sales. Active January trade prevented accumulation of overstocks of staple merchandise, which has been ordered ahead fairly liberally since the war's outbreak in September, to forestall higher prices.

**WASHINGTON**—While it is folly to try to say just which way the cat will jump, finally in the big "economy vs. spending" battle here, the interest in developments of that fight overshadows almost everything else. The situation—so far—Congress has whittled \$158,000,000 from President Roosevelt's "rock-bottom" budget estimates, with only about a third of the whole program having been reached, a creditable stage. Observers believe that if this ratio of reduction is maintained throughout the budget battling, enough will be saved to make additional taxes for the stepped-up national defense program unnecessary. Meanwhile conservatives are increasingly apprehensive that the \$45,000,000,000 national debt "ceiling" will be attacked as an arbitrary limit set in the dim past and not necessarily binding under present "emergency" conditions.

**SRUE-UPS-PAY**—With some evidence that this hard winter may be on the verge of breaking up, thoughts of home-owners and store-owners are turning to plans for spring spruce-ups. Many store-owners now, though, are getting away from need for such seasonal refurbishing by using new building materials of a permanently decorative value in remodeling. A thousand grocers meeting in Chicago last week heard how store-front modernization pays dividends in new business. Results of a survey of 25 grocery stores modernized with colorful structural glass showed average gains of 300 per cent in profits the first year after remodeling, or from \$547 to \$2,032. Average annual sales increased from \$21,080 to \$23,628. The way the grocers at the Chicago convention reacted to this blueprint for attracting customers indicated a mood of another wave in the growing nationwide trend to "dress up." Main streets with modern fronts, a trend consistently marked by use of new light-weight metals and colorful flat glass.

**BITS 'O' BUSINESS**—Did you think the Model T Ford was extinct by now? Well, tire makers are still making 325,000 "ares a year for 'em—which, at the mileage most of those jalopies get out of a tire, should mean quite a lot of cars. Incidentally those tires originally cost \$29 apiece—now they're about \$5. . . . Employees of General Electric in 1939 were paid an average of \$2.40 apiece, with a top of \$38.90 for new ideas they suggested on the business. All told, 26,901 suggestions were turned in, of which 10,121 were adopted.

**VEGETABLES "GROW"**—Not so many years ago about the only chance a city person had to get fresh fruits and vegetables was to go down to the Saturday morning market, to which the farmers brought their truck crops. Some idea of the way things have changed in the way of broadening the farmer's market for such commodities into a major source of income is seen in figures just released on the 1939 purchases of all fresh fruits and vegetables by a large chain grocery. The purchases totaled \$90,000,000, and represented a gain of about 11 per cent in tonnage over 1938, and of about 20 per cent in amounts paid to growers. The purchasing gains apparently reflect the company's efforts to increase consumption of all fresh fruits and vegetables, which took the form of various producer-consumer campaigns to move surplus crops—notably citrus fruits, apples and cauliflower—and, in general, non-canned consumption of products listed under the government's food stamp plan. Biggest gains in amounts paid to farmers were in cauliflower, up 49 per cent, potatoes, 36 and peas, 30 per cent.

**Bad Road News**

Hello! How is everybody this cold, snowy time? Snow, snow—just plenty of snow. I guess the Old Ground Hog went back in his den for another long nap and I think from the looks of the weather, now he will have plenty of time for his nap.

Among those hauling air-cured tobacco to Mayfield Saturday of last week were Olin Sheridan and son, Adolphus, Robert Orr and son, J. B. Shirley Lampkins, and Darius Orr.

Mose Waldrop, who is on the sick list, is very little improved at this time.

Mrs. Tom Lampkins visited in Mayfield Saturday.

Those who assisted Shirley Lampkins in stripping tobacco Thursday and Friday of last week were Mr. and Mrs. Chesley Paschall, Mrs. O. Bradley, Mrs. Lewis Neal Paschall, Tom Lampkins, Mr. and Mrs. John C. Paschall. The latter two assisted Mrs. George Cochran, who has been sick with a cold.

Visitors in the home of Mr. and Mrs. John Paschall Wednesday of last week were Grover Deering, Mrs. Mary Jenkins and daughter, Laura.

Among those attending funeral services for Walter McGeehan last week were Mrs. Hedrick and son, Taylor, Mrs. Christine Woods, Dave Holland, Mrs. Mary Jenkins and daughter, Laura, Grover Deering, James Woods and Wayne, and others from near the Paschall cemetery.

Visitors in the home of Adolphus Paschall Friday night, last week, were Raymond and Dewey Hall, Adolphus stripped tobacco last week.

Recent visitors in the home of Mr. and Mrs. Bert Deering of Murray, were Mr. and Mrs. John Paschall and James Miller Deering.

John Paschall, James Miller Deering, Cecil Paschall were guests in Roy Paschall's home Friday night to hear a radio program.

The community was sorry to learn of the death of Will Burt Friday, January 9. He will be greatly missed by his many friends and neighbors and especially his relatives.

Hello to the Deering and Paschall families and the Nance children, who are in Paducah, Ky., wishing you good luck. Maybe most of you read the Ledger & Times. You missed news of the weather, news is real scarce for this time. Hope there will be more news, maybe the weather will settle sometime and there will be more news stirring. Fleetwood Paschall finished stripping tobacco last week.

**Sunny Tennessee News**

The sun is shining today and we are glad to see it. We would be glad to see quite a bit of sunshine and warm weather. This weather is hard on the little children that have so far to walk to meet the school bus.

Wilford Hart and Scotty sold their tobacco last week. Several folks are about through tobacco stripping.

Noveta Williams is going to St. Louis to stay with her uncle and aunt, Mr. and Mrs. Jerry Simmons. Noveta is only 16 and she has lost her father, mother and two brothers. We will miss the little girl in Calloway, but we are wishing for her health and happiness in her new home.

Mrs. Pearl Williams and mother, Mrs. Downey and the two children will continue staying at the same place where they have lived for many years.

Mrs. Burton and Ivie Bishop visited Mr. and Mrs. Grady Housden and Henry Hutson Saturday night.

Mrs. and Mrs. Jim Simmons were visitors of Mr. and Mrs. Tom Burton Sunday afternoon.

Bob Petty visited a few hours with the Simmons and Bishops Sunday evening.

Mrs. Sis Duncan, come right over and see what you think about these children. Wait a minute! Bring your roller skates along. Don't worry where to use them. I often think of what you told my Mother several years ago about what made your hair turn gray.

Grady Housden is much improved after being ill for several days.

Truman Oliver and Jim Simmons were in Providence Saturday. They came home while the snow was falling rapidly.

News is scarce over this way folks. The weather is so bad I can't visit about. And I think most everyone is staying at home.

**Almo High School**

School work is progressing nicely at this writing, although we are having six weeks exams this week.

Several pupils are absent this week on account of influenza, measles, and colds. Bad roads are also obstacles to many.

Mr. Baugh and Miss Jones have started practice with the mixed chorus for the contest which will be held at Lynn Grove. The contestants for the speaking events are working hard also. The mixed chorus will be composed of about 30 pupils.

Mr. Lassiter and the debate team went to Kirksay last Friday afternoon, where our affirmative team, composed of Nell and Josephine Suiter, met the negative team from Kirksay. We have some new debaters coming out, and we think their possibilities are very good.

The Boy Scouts of America was incorporated in the State of Kentucky on June 15, 1919.

B. H. Anderson, McCreary county, grew 2,200 bushels of apples last year in his 7-acre orchard.

**Mrs. Mary Etta Tucker**

Mary Etta Blakely Tucker was born May 6, 1869, and died January 31, 1940, having lived almost 71 years. On November 15, 1891, she was married to J. E. Tucker, becoming the mother of 6 children. The five daughters, Mrs. Oakland Cunningham, Mrs. James W. Strader, Mrs. Reginald Butterworth, of Murray, Mrs. R. C. Moore, Detroit, and Mrs. Jess Egner, Benton, and a son, Lloyd Tucker, Detroit, all live to carry on the memory of their mother and to comfort a bereaved and aging father. Seven grandchildren survive to remember their grandmother's tender fondness and her warm welcome to the old home. She is also survived by two sisters, Mrs. Guy Farley and Mrs. Rupert Hendricks, and by two brothers, Walter Blakely and Gilbert Blakely.

Mrs. Tucker was a faithful member of the church all her life. She was a thrifty and substantial housewife, and a good neighbor.

As a mother, her teachings will live long in the hearts of her children. Today she sleeps. She rests from all her earthly labors. The good of her life will live on, in the hearts of those who knew her.

It pays to read our Classifieds.

**Across the River**

I thought winter was over, but I've changed my mind since the last snow. But it had its merits. It kept me from having to move quite so soon.

Yes, I had stayed in Stewart county. I felt quite at home, but the few months back in Calloway changed things. Now, I've got to get all things that adjust to that period again. But somehow things will work out. We just have to walk by faith instead of sight sometimes.

I had the pleasure of being hostess in my own little home to an informal little dinner party given in honor of my mother's birthday last Thursday.

Those present were Mr. and Mrs. B. W. and Oury and Rainey Lovins, Mrs. O. L. Lovins and children, Mrs. Guy Lovins, Mrs. Ethel Blacklock, Mr. and Mrs. Porter McCuiston, Mrs. Emma Nance and daughter, Maud, Mr. and Mrs. Clay McClure, Mrs. Gardie Lassiter, Mrs. Perry Allbritton, and Glenia Wisheart.

Friday night Coach Lloyd Spiceland brought his Tokasteam down to play the Concord boys. Mr. and Mrs. R. B. Kirks and Mrs. Lloyd Spiceland accompanied the boys. But Concord won back the victory they lost to Toli years ago in the tournament at Murray. Toli's star player who had recently broken his leg in a game, attended the game with his crutches. The boys all stayed in Murray over night to witness the game with westerners.

Mr. J. W. Young suffered a severe attack of something like congestion one night recently and Dr. Houston was called. He was treated through it after alarming all the neighbors, and seems no worse for the wear.

Lippie Spiceland spent part of last week at his mother's. He recently lost a good cow.

The Chatterbox happened in for lunch at her Aunt Lola Miller's.

**Obituary**

Mrs. Fanny Corilla Swann was born March 20, 1864, in Calloway county, making her near 76 years of age at the time of her death which occurred at 6:50 o'clock Friday evening, February 2, at the home of her granddaughter, Mrs. W. S. Miller, in Paducah, Ky., with whom she made her home.

She was the daughter of Joe McClain and Jane King McClain of Calloway county and had been a resident of Calloway many years.

She was married February 17, 1881, to Jas. Porter Swann, who passed away about 19 years ago. To this union were born three children, Homer, Bertha and Hoyt, all now deceased.

Mrs. Swann was converted in early life and joined the Baptist Church in which faith she lived devoutly until death.

Besides her grand-daughter, Mrs. W. S. Miller of Paducah, she is survived by three sisters, Mrs. Rita James, Murray, Mrs. Alta McClain, Mayfield, Mrs. Lola Humphrey, Murray, and two brothers, O. P. McClain, Sedalia, and J. W. McClain, Paris, Tenn., a daughter-in-law, Mrs. Nellie Pigue of Paducah.

Although her eyesight had been gone for many years, she bore her affliction bravely, never complaining but always cheerful.

Mrs. Swann was a devoted wife, mother and grand-mother and her kind and gentle manner endeared her to a host of relatives, friends and neighbors.

**Lynn Grove High School**

The grade department has been dismissed this week because of the bad roads. The buses have stopped because part of the roads are impassable and also to preserve the roads that are yet passable.

One is reminded of the days of old as the high school students come to school in wagons, buggies and on horse back. Some few are fortunate enough to be able to come in cars.

In checking on our different sections to be entered in the Inter-scholastic contests, we find that improvement is being made as the contestants are striving to do better each day.

Students received their grade cards Tuesday. Another six weeks has been successfully completed. We hope to make the next one even more successful than the last one.

Thursday of last week, we were entertained by "Mac's Comedians." We must admit that Bob knew his ropes.

The FFA boys will have their regular meeting Wednesday night, February 14.

Patrons, friends, and students of Miss Treva Rogers, surprised her with a lovely miscellaneous shower Monday afternoon at Lynn Grove School. Many useful gifts were received by the honoree.

Friday night, February 16, Concord plays on our home floor. This is the last game of the season and the boys' parents and all persons over the age of 50 years will be admitted free.

Last Friday night, February 9, the Wildcats went to Kirksay and were defeated by a score of 25-14. The second team won by a score of 10-6.

**Buchanan News**

Mr. and Mrs. H. B. Robinson, Mrs. Calloway and daughter and Mr. and Mrs. Donny Roberts and daughter were Sunday callers of Mr. and Mrs. J. H. Robinson and family. Afternoon callers were Bob Morris, W. H. Holt and John and H. G. Bucy.

Mr. and Mrs. Orvis McNutt and daughter have recently moved to the farm of Leland McNutt.

Will Henry and Prince Robinson killed hogs, Wednesday.

Miss Rubene Taylor visited Sunday night with her parents, Mr. and Mrs. Marvin Taylor and children.

Mrs. Boyd Calloway and daughter visited Mr. and Mrs. Decker Roberts and daughter last week.

Miss Avis and W. H. Holt visited Mr. and Mrs. Noah Wheatley Thursday night.

**Attention Home Builders!**

**Think This Over and Act Wisely!**

Do you buy on price alone? If so, just this thought—When you buy on price you can never be sure.

It's unwise to pay too much, but it's worse to pay too little. When you pay too much, you lose a little money, that's all, but when you pay too little, you sometimes lose everything, because the thing you bought was incapable of doing the thing it was bought to do.

The common law of business prohibits paying a little and getting a lot, it can't be done. If you deal with the lowest bidder, it is well to add something for the risk you run, and if you do that you will have enough to pay for quality.

Stella Gossip

Remarkably strange things occurred in last 40 days. At Paducah ground froze 20 inches deep to water pipes. Now the "thaw" mud is a foot deep. Mud on my clothes, mud on my nose. Lube Thurmond sent me a ton of coal, mired-down within five feet of coal shed. The deep ruts are quite an ornament under the big weeping willow tree.

County Agent Weeks said in Curd's "South Reporter", Holly Springs, Mississippi, that the big freeze down in Dixie damaged Marshall county to extent of \$100,000. Andy Hinds also lost 40 fine head of cattle, absolutely fresh to death. While on the other hand, cotton boll weevil and other insect pest got their death doom. "God moves in a mysterious way, His wonders to perform."

There has been less sickness out Stella way this winter than common. Mrs. Joel Cochran, 77, was afflicted with pneumonia in December. Medical science has discovered a new remedy for pneumonia, which is almost a miracle. Of course us old people are victims of all kinds of ailments, in consequence of old age and general debility. This old gent is compelled to take medicine daily. Four-horse power (?) balsam?

I ask a lady, "What time is it by the town clock?" (My eyes and ears have quit). She said "Five minutes past 2 p. m." Now don't laugh and snigger. When you approach my age (80) you will be laid upon the shelf, out of date. Our times as a stream, our life as a dream pass swiftly away. Are you listening?

I read in my Ledger & Times of the big demonstration set forth by Boy Scouts. I wonder if Ralph and Denyer could admit "Ole Eagle". Perhaps so, in consequence of his superior (?) genius.

What few people have not subscribed or renewed for Ledger & Times (next two years for only \$1.00), please do so. Less than one cent a week. High grade, refined, instructive, illustrated newspaper.

Washington's birthday, Thursday, February 22. All presidents from "George" to now are known by their given name as Tom, Dick, and Harry. Not G. T. or J. F. or J. T. Never do I write initials of any one. I sign my own name, just plain "Joel" then other "Jo" do not get my duns. Right, professor?

In looking over History of Calloway while the snow was on the ground, I read "Miss" Lochie's description of my old home town "Coldwater". Thusly: "Another man operated farther west and sold no whiskey (hot water) just served only Coldwater. Hence the name 'Coldwater', Tee, hee!" "Ole Eagle's" version is: Capt. Earl, in 1858 said "Coldwater" in honor of an ice cold spring north of his store-postoffice. Was demolished by Civil War. Then Morgan Dunaway (ole bachelor) begun West of Clark's River, beside Postoffice. He sold whiskey in his general store. By and by he passed out. Then in 1874, Bud Ezell reestablished "Coldwater" where it now stands. With more than a hundred stores, blacksmith and carpenter's shop, corn mill feed store, modern garage, three substantial church houses. Half has not been told. Youth Waives Trial To Next Grand Jury

In county court here a Saturday Quincey Stubblefield, charged with striking Thomas Lamb over the head and robbing him of money and other possessions on January 13, waived examining trial and was held over to the action of the grand jury in April.

It was charged in the warrant that Stubblefield, accompanied by Buddy McNitt and Lamb, had been out riding in a car, but when the attack occurred they had left the auto to take a drink.

Hubert Orr Dies of Pneumonia. Grove's young men died Thursday, February 1, of pneumonia. Hubert leaves a grief-stricken wife and little baby, a mother, Mrs. Luther Orr, one sister and one brother, Chettie Mai and Leon, to mourn his going. We can speak of Hubert as being one of our county's upright young men and a member of Oak Grove Baptist church. The Revs. R. F. Gregory and Hubert Miller were in charge of the funeral services held at South Pleasant Grove church with burial in the church cemetery. The floral tributes were many and beautiful. Our sympathy goes out to the entire family.

Our sympathy is also extended to Mr. and Mrs. John Fletcher and family of Jones Mill in the death of their little boy. We want to say to you that your loss here is heaven's gain, and makes heaven much brighter for you. We can picture the little one budding here on earth, and then blooming in heaven, how beautiful heaven must be.

We are sorry to hear of the illness of Cratic Paschall who was injured while working in timber. Here's hoping a speedy recovery for Cratic.

Mr. and Mrs. Herbert Orr were in the home of Mr. and Mrs. Vester Paschall Wednesday. Mr. Orr and Mr. Paschall spent the day in sawing wood.

Bud Key is not feeling well lately. He was to see Dr. Miller Wednesday. Mr. Key was informed that he was to do but little work until he regains his health. We hope this will be soon.

Ben Byars assisted Adie Morris in moving logs out of the woods Wednesday.

Mr. and Mrs. O. T. Paschall killed hogs Thursday. Mr. Paschall sold the hay for Miss Ethel Paschall who resides at Murray.

Mr. and Mrs. Hanzy Paschall assisted Mr. and Mrs. Glen Edwin Paschall in stripping tobacco last week.

Mrs. Jennie Jones has been ill with a cold lately. Hope she is soon well again.

Mrs. T. Branson and daughter, Beatson and Mrs. Lewis Cosby were all-day visitors of Misses Connie and Beulah Lamb Saturday.

Out Paschall, Leroy Key, Tosco Bedwell, Terry Smotherman and son, Jimmy, were in the home of Mrs. Jennie Jones and family Sunday.

Gordon Ridge News

After being absent last week, will come back with a little more news hoping all the correspondents and readers feel better than Pop Eye.

Those of this community on the sick include Mrs. J. C. Culver, near Dexter; Mrs. Kenneth Redden, Mrs. Ray Steele was taken to the Clinic-Hospital Friday for treatment. She is better at this writing.

Sorry to hear of Mrs. Sam Scott's being ill. She is a patient the Mason hospital.

Mrs. Edison Harris was at the bedside of her sister, who is very ill at the Mason hospital Saturday.

Mr. and Mrs. Solon Duncan and children visited Mr. and Mrs. Clyde Schroeder Saturday night and Sunday.

Charles Steele visited J. C. Schroeder Saturday night. Howell Smith and Ray Steele were in Hardin Saturday on business.

Solon Duncan sold a fine cow last week.

A boy who had left the farm and got a job in the city wrote a letter to his brother who stayed on the farm telling him of the joys of city life. He said: "Thursday we auted out to the Country Club where we golfed until dark, then picnicked and later motored

Democrats to Meet In Chicago for Big Convention

The 1940 Democratic Convention to select a nominee for president will be held in Chicago at a date to be selected by Democratic Chairman James A. Farley, it was announced this week.

Although a keynote speaker has not been selected, Senator A. B. Chandler said he would support Sen. A. W. Barkley, who has delivered the address for the last two conventions, for the speaker.

HAZEL ROUTE 3

The weather seems to change rather frequently here of late. Rain and snow one day and the snow melts and disappears the next.

The tobacco season was greatly appreciated by all out this way as it enabled many to finish stripping, including Hubert Wilson, Mason Wilson, Fate Wilson, Curtis Craig, John R. Stubblefield, Lennie Clark, Conley James, Calvin Wilson, Hughie Osborn, and Ralph Clark.

Mr. and Mrs. Guthrie Osborn and son were Monday night guests of Mr. and Mrs. Ralph Clark and helped them finish stripping tobacco Tuesday.

Mr. and Mrs. Hubert Wilson and Mr. and Mrs. John R. Stubblefield called on Mrs. Bob Moore Sunday. She is a patient at the Mason Hospital. Mrs. Stubblefield also called to see Dr. Bob Mason.

Mr. and Mrs. Ralph Clark were guests of Tosco Wilson Sunday. —Tosco Wilson was a caller of his Dad's, Fate Wilson, Sunday.

SHADY HILL SCHOOL NEWS

Our school term ended January 26. We feel that this was a very successful year.

We had an average attendance of 95 per cent for the year, although the weather was dreadfully cold during the last month.

Those present each day were: J. C. Godwin, Charlie Burken, Teba Dell Hopkins, Alice Burken, Kathleen Ross, Willodean Goodwin, Robert Burken, Jane Ross, Mary Nell Hopkins and Nina Burken.

Willodean Goodwin and Kathleen Ross, grade five; Jane Ross, second grade; Raymond Burken, Gary Jones, third grade; Kathleen Ross, Willodean Goodwin, fifth grade; Pattie Jane Ross, sixth grade; James Fennel, eighth grade; Charles Fennel, Opal Williams.

We certainly appreciate the splendid cooperation of the patrons, students, and teacher. We wish to thank the Ledger & Times for publishing our school news each month. J. E. Tucker and Children.

CARD OF THANKS

We wish to express our heartfelt thanks to our many friends, neighbors and relatives, for their many expressions of kindness both in word and deed during the illness and death of our dear mother. We also thank Dr. Jones, Dr. Hal Houston and nurses, also Dr. Wood for their untiring service. May God bless and keep you all. J. E. Tucker and Children.

THIS CHANGING WORLD

Sixty years ago, women wore hoop skirts, bustles, petticoats, corsets, cotton stockings, high button shoes, flannel night gowns, and puffs in their hair. They did their own cooking, baking, cleaning, washing, ironing, raised big families, went to church on Sundays and were too busy to be sick.

Men wore whiskers, handkerchiefs, top hats, ascot ties, big watches and chains, chopped wood for stoves, bathed once a week, drank ten cent whiskey, five cent beer, rode bicycles, buggies, or sleighs, went in for politics, worked 16 hours a day and lived to a ripe old age.

Stores burned coal oil lamps, carried everything from a needle to a plow, trusted everybody, never took an inventory, placed orders for goods a year in advance, always made money.

Today women wear silk hose, shortened skirts, low shoes, no corsets, an ounce of underwear, have bobbed hair, permanent waves, colored finger and toe nails, wear paint, powder, feed their babies on a bottle, drink cocktails, play bridge, drive cars, have pet dogs and go in for politics.

Men have high blood pressure, wear no hats and some no hair, shave their whiskers, shoot golf, bathe twice a day, drink poison, play the stock market, ride in airplanes, never go to bed the same day they get up, are misunderstood at home, work five hours a day, play tennis—die young.

Stores are air-conditioned, have floor walkers, electric lights, cash registers, elevators, never have what a customer wants, trust nobody, take inventory daily, never buy in advance, have overhead mark-up, mark-down, quota, budget.
