Big Meeting Tuesday To Welcome Many Industrial Leaders

A meeting of interest to every man and woman in Fulton and South Fulton will be held Tuesday, June 22nd at the Rose Room at noon. Whether a resident's interest lies purely in industrial expansion, or purely in development of civic facilities, the discussion at this meeting will be of interest to every citizen. Bob White, president of the Chamber of Commerce said today.

The men who will speak at the luncheon are men interested in the expansion of all communities in Kentucky and Tennessee. They are interested in giving their support, guidance, and the benefit of their experience and knowledge to community development. They are interested in bringing industry to our towns. These men are:

Joseph A. Getzow, President of the Kentucky Chamber of Commerce, and head of Sportlight-Hall, Inc., Harrodsburg. Since Mr. Getzow moved to Kentucky in 1946 he has been actively engaged in Kentucky's development, and in bringing new industry to Kentucky.

Barney Tucker, a director of the Kentucky Chamber of Commerce, and first president of the London-Laurel County Development Association. London was the original "test-city" in the KCC Community Development Program, and has grown from a sleepy countryside town, to one of the most progressive small towns in the state.

Joe Taylor, Executive Director of the Agriculture and Industrial Development Board, of Frankfort, whose office is constantly working to bring new

industry to our state.

F. I. Fairman, Vice President of the Kentucky Utilities Company, Lexington, Kentucky.

Walter Koch, director of the Industrial Department of the Kentucky Chamber of Commerce. This is Mr. Koch's second trip to Fulton; he spoke to a meeting of the Chamber of Commerce last June.

Robert Cassel, Senior Industrial Economist, and Robert Johnston, Research Assistant of the Industrial and Agricultural Development Commission of Nashville, Tennessee.

While this is a joint meeting of the Rotary and Lions Clubs and the Chamber of Commerce, the meeting is open to all interested citizens of the two towns.

The luncheon is \$1.25 per plate. Reservations can be made through the office of the Chamber of Commerce.

COUNTRY CLUB IS DISCUSSING WAYS TO BUILD POOL

Board Members
Enthusiastic About
Private Project

Plans are in the enthusiastic discussion stage by the board of directors of the Fulton Country Club about building a swimming pool on the club grounds. The News learned today. The project would be a private one for the members of that organization and only members of the club would be permitted to use the pool, it was reliably reported.

Members of the board have been discussing the project for several days now and many of the board members, and other members of the club, have indicated that they would lend every effort, financial and otherwise to begin the pool as soon as a method of financing is worked out.

Under discussion is a plan to issue more stock in the organization with members having the prerogative to buy as many \$100 shares as they can afford. Meanwhile a plan is being discussed to avail other types of financing to members not in a position to buy stock.

Meanwhile the board of directors of the Willow Plunge Pool, a corporation, is investigating other swimming pools in the area to find ways to finance a civic project, which would be open to Fultonians.

Barkley, Wetherby To Give Official Stamp to Dedication

Hon. Alben W. Barkley and Governor Lawrence Wetherby, the first citizens of Kentucky will be on hand tomorrow night, Thursday, June 17, to give the dedication of the new ball park their official stamp of approval. The 70-piece marching band from Fort Campbell will be on hand to add color and entertainment to the ceremonies, which begin at eight o'clock.

This is a big day in the life of K. P. Dalton, Fulton Baseball Association president and the loyal group of board members who have seen a dream come true in the erection of a new grandstand, a new fence around the park and other improvements to the grounds. For years the baseball fans have kept enthusiasm in the ball club at a high pitch, in spite of the drab appearance of the park where three Kitty League pennants were won.

But the men had vision. They knew that when the time was ripe that a quiet, yet enthusiastic drive could be held and the money could be raised somehow. They had a couple of good drives, but while they were in progress many Fulton citizens signed notes to guarantee the money in the event the drives failed.

They didn't of course! The new ball park is finished, the team is playing good ball and K. P. his ball team and his team of top-flight fans are happy about the whole thing. Two dinners will be held

Thursday for the dedication ceremonies. At four-thirty in the afternoon the band boys will be feted at a meal at Smith's Rose Room, so that they can be full and happy when they start sounding the notes of music that will entertain the record crowd expected for the game.

At five-thirty a dinner will be held, at which about fifty guests have been invited, honoring Mr. Barkley, Mr. Wetherby and other dignitaries.

James Warren, local attorney will be master of ceremonies at the event.

Make plans now to attend the big night at the Fulton ball park.

SERVICES HELD FOR MRS. GASKINS AT ROCK SPRINGS

Well Known Local
Lady Dies After
Fire Injuries

Funeral services were held at 3:00 p. m. Wednesday, for Mrs. Augusta Little Gaskins, 64, well-known Fulton resident who passed away Tuesday, June 15, at the Fulton Hospital.

The Rev. E. D. Fritts, pastor of the Christian Church, Clinton, of which Mrs. Gaskins was a member, officiated. Interment, under the direction of the Paul Hornbeak Funeral Home, was in Rock Springs Cemetery.

Mrs. Gaskins, wife of Russell Gaskins, retired local businessman, had been hospitalized for the past several weeks, suffering from burns received in a fire at the Gaskins home in Country Club Courts. Death, however, was due to other causes.

The daughter of the late W. V. and Ella Bryant Little, Mrs. Gaskins was born March 23, 1889, in Fulton County near Crutchfield. On May 15, 1937, she was united in marriage to Russell Gaskins. She and her husband resided in Clinton until a few years ago, at which time they moved to Fulton.

In addition to her husband, Mrs. Gaskins is survived by a brother, Neal Little of Crutchfield, and several cousins, nephews and nieces.

LOCAL STUDENT HONORED AT UK

One local youth was graduated in the University of Kentucky's June commencement class with high honors for scholarship, the Office of the Registrar reports.

William S. Bard, Fulton, was among 30 University students to graduate "With Distinction", after completing at least three years of study with a grade-point standing of 2.4 to 2.6.

Rev. Dan Overall Is Returned To Fulton

At the conclusion of the recent five-day Memphis Conference of the Methodist Church, conducted at Jackson, Tenn., Bishop W. T. Watkins of Louisville, confirmed the ministerial re-appointments of three local ministers.

The Reverend Dan Overall will return to the pastorate of the First Methodist Church of Fulton; Clyde Ervin will continue as pastor of the Fulton Circuit; and Reverend R. L. Dotson will continue in the South Fulton Circuit.

A. L. BURRUS RESIGNS HIS COUNTY JOB

Bood Builder To
Become Manager
Of State Group

Andrew L. Burrus, former county judge and long-time Fulton county highway supervisor who is generally regarded as one of the best road men in the South, today announced that he has tendered his resignation to the county highway commission and will conclude his duties in this position on July 15th.

Mr. Burrus has accepted a position as business manager of the recently organized Tennessee Limestone Producers association, and in this position will promote the use of crushed stone for road building and other purposes and limestone for agricultural purposes throughout the state and the Mid-South.

Charles Morris Will Graduate in Detroit

Charles Morris, son of Mr. and Mrs. Curtis Morris of Detroit, Mich., will graduate from high school June 22.

He was voted the most outstanding pupil and has been Chief editor of the school paper for 2 years. He has been awarded a 4-year scholarship to the State College at Lansing, Mich., where he will major in journalism with typing as side line.

A letter to his grandmother, his final work.

His parents, Mr. and Mrs. Curtis Morris, were formerly of Fulton.

The annual mid-summer meeting of the Kentucky Press Association was held at Kentucky Dam Village last week and Paul and I attended. There's nothing in the world better for newspaper people than to get together with fellow associates and "talk shop" about mutual problems. Its a sort of shot in the arm to go to the meetings twice a year and discuss such things as community problems, policy matters and the service a newspaper should give to its readers. We enjoyed meeting editors from up-state who know lots of Fulton folks. For instance Tom Adams of the Lexington Leader-Herald spoke highly of a former Fulton girl who is a reporter on the Lexington paper. Norma Weather-spoon Pace is making a name for herself in State news circles and Tom said she was doing a great job.

Too, newspaper people like to discuss politics, and many of you would be surprised to know how many editors, from every different section of Kentucky, mentioned Henry Ward, most enthusiastically as the man who could beat Happy Chandler in the August Democratic primaries. You remember that we have spoken often of Henry Ward as a gubernatorial candidate in our editorial columns and while many people around here think Henry is one of the best public servants West Kentucky has ever sent to State government, they thought perhaps his chances were a little slim in view of other possible, stronger candidates.

The picture has changed completely in recent months and Henry Ward is the man most mentioned for the post to oppose Chandler. The new picture is what we expected all along. Henry Ward has done some thing for Kentucky. He took a fledgling industry (tourist) and has made it grow to nearly \$500,000.00 annually in just a few years. More people are coming to Kentucky money, than any other time in the history of the State, and the State Park system is a great enterprise to behold.

Some of Henry's critics have said falsely, and unkindly that anybody could do what he has done with taxpayer's money. Well, many office-holders have had the same opportunity, but they didn't take advantage of it. Henry was a panel-speaker at the meeting Friday, where such folks as Walter Koch, Harper Gattion, Joe Taylor of the A&ID Board and others discussed a newspaper's responsibility to its community. Henry talked "off the record" he said. It was, undoubtedly one of the finest speeches, the most straightforward and one of the best evaluations of that responsibility any public official ever told a bunch of news editors and publishers. He laid his cards on the table and we saw the whole picture. (Continued on Page 10)

"GUV" CLEMENTS ELECTED TO HIGH STATE OFFICE

School Politico
Is State Secretary
At Boy's Meeting

In a special election at Boys' State Saturday, David Clements, Fulton youth, was elected by delegates, to the office of Secretary of State.

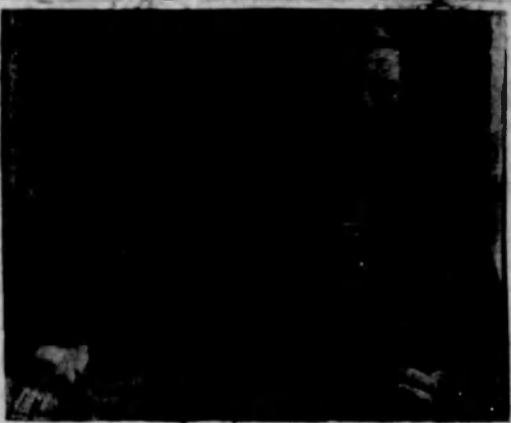

The election is an important part of the American Legion-sponsored model State Government, set up annually by a select group of boys chosen from high schools all over the state.

It is the purpose of Boys' State to familiarize youth with the mechanics of state government.

Mrs. Mabel Huff To Manage Jewelry Store

Mrs. Mabel Huff, Fulton resident for over 25 years, has been named to manage Wiley's Jewelry Store, and the local Western Union office.

Well-known by many local citizens, Mrs. Huff was the wife of the late B. G. Huff.

Nothing Succeeds in Fulton Just Read Partial List of Late Accomplishments

"Everything has been tried in Fulton, and nothing has succeeded."

Such a statement was spread on the record for all of West Kentucky to see, last Sunday in the Paducah Sun-Democrat. The story at first made us boiling mad and then it made us terribly sad, for such a statement tends to make a lot of hard-working folks throw up their hands and say . . . "aw, heck what's the use."

The statement, of course, is fantastically untrue. If memory serves the Paducah-Sun, it was their good newspaper which sent a man here not too long ago to chronicle the progress our city has made in recent years.

It is not our intention to place a "blame" anywhere. But what we want to do is set the record straight, and put our progress in proper focus right now, for the benefit of all of our neighbors, our local writers, our large neighbor dailies, and the United States in general.

Fulton has made REMARKABLE gains in the past four years. Practically EVERYTHING that we have tried has succeeded, and what is more, in a greater proportion than the original effort called for.

A blank page can be filled in less than sixty seconds in just off-hand accomplishments. And if greater research were attempted, the record would look far more impressive than any other city of even larger population could boast of.

If we were living outside our area, our first impression, after reading the statement would be to envision this community as made up of people with no vision, no gumption and no no-how, and that is such an unfair opinion to leave with the readers of any newspaper.

Look over this partial list of accomplishments:

A \$350,000 municipal gas system is now being laid throughout the city of Fulton.

Improvements amounting to well over \$50,000 have been made in the last six months to Fulton's baseball park.

A new \$300,000 municipal water system was completed only three years ago.

A new \$40,000 health center has been subscribed "over the top" entirely through the efforts of local citizens. This center is to be built shortly.

A \$350,000 ice plant serving as the main icing station for the entire Illinois Central system was built in Fulton four years ago.

Fulton has established such progressive ideas as a City Planning and Zoning Commission, the Twin Cities Improvement Committee. These projects are among the few in the State of Kentucky.

In the past four years the Browder Milling Company has expended around \$250,000 for major plant improvements here and is still growing.

In the past four years the Fulton Pure Milk Company has expended about \$150,000 for major plant improvements here and is still growing, and is providing almost a half-million dollars a year local income to dairymen of the area. That's a tremendous increase over a short span of time.

In the past four years Fulton bank deposits have risen \$342,160. Today there are \$5,890,665 on deposit in our two banks. The Fulton Building and Loan Association has assets in excess of three-quarters of a million dollars.

The City has purchased a new \$3000 street sweeper to keep our city streets cleaner and prettier than anybody's.

The offices of the City Hall will soon be remodeled and enlarged to take care of the steadily increasing business that flows through official channels.

A \$100,000 bond issue was voted overwhelmingly two years ago to remodel and redecorate the Fulton City schools. So contagious has been the pride that Fulton citizens feel for their schools the patrons of Terry-Norman bought paint, and used their own muscles and initiative to beautify the place. This project was nationally recognized over Radio Station WLW in Cincinnati. Fulton and the Negro Milton School did the same.

Local people in 1950 bought stock in a Radio Station here, WFUL, printing

cipally not as an investment, but so that the name of Fulton could be spread over a wider area.

In the planning stage is a sewer disposal system and a comprehensive sewage system for new areas added to the city limits.

Businessmen down town are caught in an enthusiastic program of remodeling their places of business and mostly their store fronts, to attract customers, tourists and make a good impression for prospective industry. Take the National Stores, the Fulton Bank, the Graham Block, Carter-Butterworth building, Fall and Fall Insurance Agency, the new U-Tote-Em building and several others as examples of folks being on the move.

Funds have been set aside and a committee appointed by the City to map out recreational areas and a playground for the city's children.

A corporation has been formed for a swimming pool.

The Fulton Country Club has built within the past four years, one of the prettiest clubhouses in Kentucky and maintains, undoubtedly the finest golf course around here. Local people bought shares of stock in the project to make it possible.

The Fulton Woman's Club maintains and monthly adds to, one of the most complete libraries, for such a project, in Kentucky, and the ladies last year completely redecorated the beautiful clubhouse.

Fulton churches are growing and two of them this year have installed air conditioning. It cannot be estimated in dollars, the huge amounts that have been spent recently by the religious groups to add Sunday School rooms and other auditoriums to their structures. The beautiful Cumberland Presbyterian Church, has been built in recent years.

At a meeting last year, when a prospective industry wished to locate here, nearly \$30,000 was subscribed in an hour at a mass meeting and local people would have raised \$130,000 if the prospect had been what the city wanted.

The building for a factory hiring 500 workers is constantly kept in good repair by a local improvement company, made up of local capital.

Fulton citizens encouraged the highway department to build a beautiful highway system around the city.

When the annual Governor's tour visited Fulton last year many persons on the tour remarked in their newspapers enthusiastically that Fulton was one of the most alive and wide awake towns they had visited.

The retail merchants are organized to bring more people to Fulton by trade promotions and such things as a fine Horse Show, a Window fair, a good ball club, and other things, are constantly moving to bring people to the city. And we always succeed.

Fulton has the most enthusiastic Boy Scout and Girl Scout movements in Kentucky and because of local interest many of our leaders serve on official boards. Honors in these fields, for outstanding work done here, have come to our people by the score.

Where other cities like Mayfield for instance, have disbanded their Community Concerts series for lack of interest, Fulton has made up its mind that its people will hear the kind of cultural music offered by Metropolitan areas and each year people work assiduously to keep the organization going and it keeps going and it always will.

While many of the foregoing "successes" have been sponsored jointly by Fulton and South Fulton, the little Tennessee city on its own has accomplished:

A gas system amounting to nearly \$200,000 is in the process of being installed.

A street paving project has been in progress for months now and nearly every lovely little street is being made more beautiful and up-to-date.

Nearly a half million dollars has been spent on the school system in the past three years with a new gym, a new cafeteria, a new central heating plant and remodeling of the elementary school building with several large, comfortable rooms added.

Building construction in South Fulton has been on the boom for months now, more area has been added to the city limits and the Covington addition of new homes and good streets is something to make any city proud.

Good school administration has brought about a ten-months salary for nine months work in the school system this year.

A pay-as-you're-served garbage collection system has been put into effect this month so that the money previously expended for free garbage collection can be used for civic improvements.

STRICTLY BUSINESS

TURNING BACK THE CLOCK

(June 14, 1929)

Miss Doris Huddleston, teacher of music, presented her pupils in recital, Friday night, June 7. The following pupils were presented: Jane Alley, Mary Zou Allen, Ann Valentine, Mary Moore Windsor, Judith Hill Herbert Williams, Sue Belle Morris, Virginia Meacham, Catherine Scates, Betty Koehne, Jane Grymes, Patricia Robertson, Sara Callahan, Kathryn Hale, Rebecca Brann, Almada Huddleston, Martha Brady, Elva Davis.

Work on the new Coca-Cola plant was started this week by W. M. Hill and Sons, contractors, with Frank Merryman superintending the job.

Mr. Hugh Smith, the Coca-Cola king of this section of the County, and a man who has contributed much to the progressive spirit of Union City, his home town, where he owns and operates another plant, is proprietor of the Fulton establishment.

I have 250 summer and felt hats that I am offering at special sale from \$1.00 to \$2.00. Call and inspect these lovely creations. —Mrs. M. B. Abernathy at Homra's Store.

Miss Bert Golden spent part of last week with her brother, B. A. Golden.

Linda Sue, the small daughter of Mr. and Mrs. Joe Work has been quite ill with whooping cough, but is some improved at this writing.

Wayne Edward, the small son

of Mr. and Mrs. Edd Work spent last week with his grandmother, Mrs. Mattie Murphy.

Mr. and S. F. Jeffress and family and Mr. and Mrs. Irvin Jeffress and sons were Sunday guests of Mr. and Mrs. Willie Jeffress and family.

Mr. Edward Cannon and wife attended children's services at Boyou de Chine, Sunday.

Rev. T. T. Harris will fill his regular appointment at Salem, next Saturday and Sunday, at which time the Lord's Supper will be administered.

Mr. and Mrs. Cecil Cantrell and children, Mr. and Mrs. Eric Cunningham and Mr. and Mrs. Carey Fields were Sunday guests in the home of Mr. and Mrs. Ed Fields.

Leland Nunley, 23 year old son of Mr. and Mrs. F. Nunley of Clinton, was drowned Wednesday when the car he was driving went off the levee near Dyersburg, Tenn.

At a meeting of the Chamber of Commerce Tuesday night J. E. Fall discussed the insurance rates and the lack of fire hose that the city has. It was also pointed out that some merchants do not keep their premises clean of rubbish, and that this should be remedied. The following committee was appointed to appear before the City Council in the interest of insurance conditions: J. E. Fall, Ed Paschall, R. H. Wade, Joe Browder and T. M. Franklin.

Parking meters have been installed for better service to shoppers with the money to be used for the betterment of the community.

The City Hall has been moved from cramped quarters in a small building to a large building where greater office space is available and the fire truck can be housed. It is obvious that space does not permit printing the remarkably successful results we always achieve in Cancer drives, poliio drives, Red Cross drives, the maintenance of civic and fraternal groups to an enthusiastic degree, the care of our needy, the excellence of our hospitals, our teaching professions and dozens of things we cannot report in full. But one thought we leave with you.

Maybe Fulton has not had such success in procuring industry, which is what we think the writer had in mind, but you can rest assured we're going to get that too, soon!

A few years ago, just a very few, sensible people in Fulton decided that instead of beating their chests about our failures to get industry, they went about the task of getting our house in order to secure the necessary characteristics to offer a GOOD industry when one was available. These characteristics we have acquired, and more. The city is on the threshold of accomplishment in securing the kind of industry we would be proud to invite here.

In our anger at the statement, so sadly untrue and unfounded, we were reminded of a sort of code that we lived by in our large families. . . . "we could fuss and fight among ourselves all we wanted to, but we defied an outsider to say an unkind word or make a fighting gesture against us." Making false statements is worse than anything.

We are sending a copy of this article to our friends on the Paducah paper and hope that they will see the error of printing a statement about our city that had no foundation whatsoever. And more, if they might, even print these facts we have presented in "Letters to the Editors" if they do not see fit to give it the same prominence that they did the erroneous statement.

Kentucky Windage

By F. W.

The Fulton Legionnaires will soon unveil a monster steam engine-on-wheels . . . and we predict they will have more fun with the thing throughout West Kentucky and Tennessee than they have ever had in their life. When we lived down in Clarksville, Miss., one Legion there had one, and it traveled in every parade within 100 miles of town, making occasional convention trips to say point from Chicago to Panagoula. On top of everything else, it's a real advertiser for the town.

Equipped with loud speaker, it is a crowd-winner in parades, and it is always welcome because of its novelty. With a sharp wit at the microphone, Legionnaires can have a great time exchanging goodnatured banter with crowds anywhere, anytime, because everyone knows its all in fun.

Besides the driver and his assistant, the machine will probably hold six to eight additional

al in the rear, so look for some real fun when the locomotive comes out of its "shop", probably next week in time for the Union City Centennial parades.

The locomotive is being assembled at the Gossum Welding shop. It's basic frame is an old truck body, and the rest is strictly not from Detroit. Since most local Legionnaires know a good deal of first-hand railroading, the locomotive will probably bear more gadgets than most vehicles of its type.

While Legionnaires seem madd about admitting it, it has been said that the vehicle will boast several authentic parts, with the compliments of unknown donors who, being in possession of an extra whistle, or bell, or running light that they didn't need, have quietly conveyed the part to the shop, to the delight of the hard-working crew.

TYPOGRAPHIC MAP OF FULTON COUNTY NOW COMPLETED

Topographic map coverage of Fulton County has been completed and copies are available for distribution through the Agricultural and Industrial Development Board offices here. It was announced by Phil M. Miles, Chief of the Board's Maps and Minerals Division.

The mapping was completed by the United States Geological Survey in co-operation with the Development Board offices here. The maps retail for 20 cents a sheet, and 8 sheets are required for Fulton County.

Made from aerial photographs, the new maps are large scale general purpose maps, being one inch for each 2,000 feet. Each sheet, representing an area approximately seven by eight miles is shown on a sheet 22 inches by 27 inches.

Principal features shown are streams, roads, houses, woods, hills and valleys. This provides basic topographic information which is necessary for special purpose maps, such as soil and geological maps. The information shown is of material benefit along many lines, according to Miles, including proper location and construction of highways, large buildings, power lines, flood control, navigation structures, gas transmission lines, water reservoirs, railroads, airports, radio and television towers and other engineering projects.

CLEMENTS TELLS OF GETTING OUTING AT KENTUCKY LAKE

Scouts "Rough It" For Week-end In Wilds of Jonathan

by David Clements

Last Friday afternoon troops 99, 44 and S. S. 72 left Fulton for a camporee at Kentucky Lake.

If you had inspected the equipment that was taken along you would have found everything from fingernail lotion with the simple brief instructions "JUST RUB IN" to a 12 foot boat. As I have shown before, these boys were living up to the motto, "BE PREPARED."

The Four Rivers Council has a 300 acre reserve down river from Jonathan Creek and the camporee was held in a small bay off the main lake. On the way back into the woods a couple of the boys ran across a nice little 4 foot chicken snake with cries of, "What kind is it?"

After camp was set up and eye-watering and lung-filling wood smoke began blowing about, we set about to eat our supper, so delicately prepared. Just imagine rare pork chops with fried mosquito legs and a tasty wing or two from a haphazard insect pilot. Next morning bright and early, one boat was sent to Higgins Dock to bring back another boat and a sailboat. Saturday the sun was hot, the water cold and some boys managed to burn themselves somewhat. As I told one boy, you blistered almost every part of your body except your eardrums. If you're still wondering about that fingernail lotion, that's to prevent your nails from blistering. Swimming, boating, hiking, sailing and surf-boarding were all recreation facilities afforded on that day and many a boy bit the

DEATHS

Mrs. Harry Pearce Dies In Memphis

Mrs. J. B. Barclay, Fulton resident, has received word of the death, on June 13, of her aunt, Mrs. Harry B. Pearce, of Memphis.

Mrs. Pearce, 56, who formerly lived near Water Valley, was killed instantly Sunday, when the automobile in which she was riding, collided head-on with a car driven by a 20-year-old Har-montown, Miss., negro.

Mr. Pearce reported that the driver of the other car, rounded a curve on the wrong side of the road, crashing into the Pearce automobile.

Mr. Pearce, 64-year-old I. C. conductor, was dismissed after hospital treatment for multiple abrasions.

Another passenger seriously injured in the Pearce car was Mrs. Edith Jones, 68-year-old Union City resident.

Funeral services for Mrs. Pearce were held Tuesday afternoon at 2 p. m. Burial was in Memphis.

Services Held Tuesday For Ferdie Tarver, 62

Funeral services were held at 2:00 p. m. Tuesday, June 15, for Ferdie Tarver, 62, who passed away Sunday, June 13, at his home near Fulham. Death was attributed to a heart attack.

Services were conducted at the Salem Methodist Church, and burial, under direction of Hopkins, and Brown Funeral Home of Clinton, was in the church cemetery.

Mr. Tarver, a life-time resident of Hickman County, was owner and operator of Tarver's Grocery. He was a member of the Salem Methodist Church.

Survivors include his wife, Mrs. Millie Burkett Tarver; two sons, Paul, of near Fulham, and Woodrow, of near Wingo; and a sister, Mrs. Annie Howell, of near Fulham.

Roy Welch

Funeral services were held Sunday afternoon at 2:00 o'clock for Roy M. Welch, 67, who died Friday morning at 9:15 at the Jones Hospital after an illness of 2 months. The Rev. Oakley Woodside officiated. Interment was in Greenlee Cemetery.

Mr. Welch was a retired railway clerk. He was a member of the United Brethren Church in Chamberburg, Penn., and also a member of the Elks Lodge.

Two brothers, Clarence and Fred Welch, preceded him in death.

He is survived by his wife, Mrs. Myrtle Green Welch; son, Elmer Welch of Fulton; two brothers, Charles Welch of Lewistown, Pa., and Lynn Welch of Hagerstown, Md.

The Elks Club members will act as honorary pallbearers.

Funeral services were held Saturday morning at 10:30 at the Whitel Funeral Home for Marcus Voyles, 42, who died Thursday morning at 5 a. m. at the Baptist Hospital in Memphis, as a result of gun-shot wounds. The Rev. H. L. Nabors officiated. Interment was in Obion Cemetery.

Mr. Voyles was employed as a lineman on the I. C. Railroad. He is survived by his wife, Mrs. Azelle Stephens Voyles, 41; a son, Calvin Edward Voyles, 20; a daughter, Mrs. Shirley Stephens of Fulton; his parents, Mr. and Mrs. C. E. Voyles of Lowes, Ky.; and a sister, Mrs. A. C. Trumbull of Graham, Texas.

Loyd Holmes

Funeral services were held at 2 Friday afternoon at the Antioch Church of Christ for Foyd H. Holmes, 84, who died at Jones Hospital at 7:30 Wednesday night. Interment, under the direction of Jackson Brothers Funeral Home was in the church cemetery.

Mr. Holmes was a member of the Antioch Church of Christ and was a retired farmer.

He is survived by a son, Benona Holmes of Paducah; six daughters, Mrs. Herman Potts, Fulton, Route 5, with whom he made his home during the last few years, Mrs. Floyd Watts of Detroit, Mrs. Roy Watts of Duke-dom, Mrs. Earl Wheeler of Akron, Ohio, Mrs. Willie Hendon Milan, Tenn., Mrs. Ervin Beaman of Hazel Park, Mich.; a brother, R. E. Holmes of Sedalia; 11 grandchildren; and two great grandchildren.

A. D. CALL

A. D. Call, father of Austin D. Call of Fulton, died Tuesday morning after suffering a light stroke in his home in Hickman.

He is survived by his wife Mrs. Hettie Call, another son, Loyd Call of Hickman, and three daughters, Mrs. James Fields of Hickman, Mrs. Larry Overby of Covington, Ky., Mrs. Crawford Kennedy of Bronx, New York. At press time the funeral arrangements were incomplete.

The training began on April 26 and involves over 50 air, surface, and submarine units operating in the area between Bermuda and the Bahamas. Designated ASDEX-1-64, the operation was planned and scheduled by the Operational Development Force, U. S. Atlantic Fleet, under the command of Rear Admiral Harold D. Baker, USN, to explore the tactical

application of specific new developments in anti-submarine warfare. The exercise covers the various phases of convoy protection and detection of submarines by Hunter-Killer Groups.

Garlicky Wheat From 1953 Offered For Sale

W. H. Harrison, Chairman of the Fulton County ASC Committee, stated that the ASC Committee, in Hickman, Kentucky, had been instructed to offer for sale all garlicky wheat that was on hand from the 1953 Wheat Loan Program. This wheat is for immediate sale by bids, however, the bids must be equal to or greater than the 1953 Corn Loan rate for the county, which is \$1.69 per bushel.

There is approximately 2500 bushels of such wheat in Fulton County, Mr. Harrison stated. The borrower, on whose farm the wheat is stored, has the first option. However feed manufacturers and livestock feeders are eligible and are requested to submit bids. The buyer is required to certify that the wheat will be used only for livestock or poultry feeding. Any one desiring further information may get details at the county ASC office, located in the basement of the Post Office Building, Hickman, Kentucky.

Diary of Doin's

—Around Fulton—

A News Reporter writes social happenings about you and your friends.

Hospitality reigned supreme at the Homer Wilson home on Second Street Saturday afternoon. The occasion was a delightful bridge luncheon honoring Margaret Bard of Madisonville, Ky., Dottie Edwards of Miami, Fla., and Juanita (Mrs. Bill) Barton of San Antonio, Texas. Mary Ethna (Wilson), who says she can't cook anything, must have spent the past week at some kind of a cooking school because the unusual food was simply out of this world.

The house was beautifully decorated with flowers from her garden. Guests were seated at card tables which held floral arrangements as their centerpieces. After the luncheon the guests played bridge and prizes were won by Vivian Williamson and Margaret Bard. Mary Ethna presented each guest of honor with a lovely gift. Others who attended were: Irene White, Mary Lou Blackstons, Mary Nelle Wright, Montez Baird, Ann Holland, Elsie Weeks, Florence Beadles, Ruby McDade and Nancy Wilson.

Friends around town will miss seeing Bob and Jean Crocker as they left last week for their new home in Pensacola, Fla., where he is stationed in the Navy Air Force. Jean has been staying with Bob's parents, Irene and Claud Crocker out in the Highlands.

Freida Yates was a very happy little girl last week when her mother Mrs. W. H. Yates gave a birthday party in her honor to celebrate her ninth birthday. Little friends gathered at the Yates home on Cleveland Ave. and played games with prizes going to Judy Owens and Mary Mullinax. After Freida opened her many gifts, the little guests were served cake, ice cream and candy.

Mrs. Yates was assisted in serving by Mrs. J. D. Fields and Mrs. Wayne Hendon.

Those attending and sending gifts were: Sandra Holt, Donna Moody, Darkne Roberts, Charley Kay Underwood, Wanda Cash, Judy Joy Hendon, Julia Woods, Mary Mullinax, Elizabeth Howard, Judy Owens, Pam Homra, Gary Fields, Nancy Sisson, and Mary Bonduant.

There's lots of happiness out at the Carl Puckett home on the Union City Highway this week. Their boy, Ralph, is home on leave. Ralph, of the U. S. Navy, flew to Memphis from California and Vada Belle and Sonny drove down to Memphis to bring him home.

How could any girl be lucky enough to spend her vacation at Annapolis, Maryland where midshipmen are a dime a dozen. Well, we know that lucky gal and it's Betsy Whitesell. Her mother and dad drove her down to Nashville a few days ago to catch a plane for that very place. Betsy didn't even get her clothes unpacked from her year at U. K. before she was ready to take off again. We know she'll have a wonderful time because she will visit her brother Captain Robert Whitesell of the Executive Department of the Naval Academy, and his charming wife, Patsy. Captain Whitesell will be away on a cruise with midshipmen so Betsy went up to keep Patsy company while her husband is away. She will be gone for several weeks.

We miss seeing Mildred Anderson out on the golf course these days. She and her son, Wayne, are having a fine time out in Kansas. They are visiting Mildred's aunt Mrs. E. C. Kately in Manhattan. Mildred attended college there at Manhattan and we know she is seeing lots of friends.

Congratulations are in order to Amelia Parrish who has a wonderful job as Home Economist with the Kentucky Power Company at Ashland, Kentucky. Amelia received her degree from the University of Kentucky this year and accepted her job right away with the power company. Congratulations and best of luck, Amelia!

Betty Schwerdt is home from Mississippi State College for Women at Columbus. She brought a most attractive classmate home with her, Miss Sara Brewer of Jackson, Miss. The old town is really beginning to look the same again as most of the "kids" are home from school.

The many friends of Donna Pat (Bragg) Mills and Freddie will hate to see them go farther away from "home" to make

their home. The Mills have been living in Paducah but are leaving there to make their home in Hopkinsville. Freddie is with the Retail Credit Company.

Marv Ann Brady and a college friend of hers, Nancy May, of Union City took off for a wonderful trip to Washington. While in that beautiful city they will visit a sorority sister of theirs, Miss Lois Ann Hayden.

Nancy Bushart and Betty McDade (of Mayfield) had a fine time while Betty was visiting in the Bushart home last week. The Diary knows there wasn't a dull moment during her stay.

"The Country Club Tuesday buzzed with voices like a hive of bees. Almost everyone was there and so many nice visitors. All were exclaiming over their happiness at seeing Martha Craig (Rucker) Koon home for a visit. As the years speed by they don't seem to take their toll from Martha Craig as she is still so young and beautiful. The Koon family live in Memphis and are visiting her mother and dad Mr. and Mrs. Lee Rucker on the West State Line.

Another visitor whom we are always glad to welcome is Mrs. W. C. Ing of Bowling Green. She was a guest of her niece, Elizabeth Caldwell. Ruth Browning brought a lovely and delightful little guest, Barbara Leet of Lexington. Barbara is visiting Billy Browning for a few days. Dorothy Edwards was a guest and was right there ready for that game of golf. The club was happy to welcome Elizabeth Burrow as a new member. She and Robert will surely be an addition to the club.

Among the gals who will go to Metropolis Wednesday for the tournament will be Margaret Hall, Ethel McDaniel, Virginia Rogers, Exie Hill and Sara Campbell. Hostesses for the day were: Leonora Bushart, Exie Hill, Ethel McDade, Martha Putnam, Virginia Rogers, Dorothy Tittsworth and Marion Graham. Others who attended and played golf or bridge were: Margaret Hall, Carolyn Beadles, Susan McDaniel, Beverly Hill, Mary Ann Hill, Mary Davis Weeks, Eron Hill, Inez Johnson, Betty Jo Campbell, Martha Moore, Margaret Jones, Vad, Bell Puckett, Mary Louise Gossum, Maggie Cummings, Jean Sensing, Ruth Williams, Vivian Williamson, Kathryn Browder, Jane White, Sook Cullum, Jane Edwards, Mary Swann Bushart, Jane Carter, Mary Louise Warren, Laverne Varden, Ruth Callahan, Mary Ethna and Nancy Wilson. Betty Jean Vowell, Gladys Moore, Martha Mahan, and Margaret Cantrell.

Winners at golf were Ethel McDaniel and Jane Carter who tied for low putts. Glad Moore and Virginia Rogers tied for medalist with scores of 47. In the bridge games Leonora Bushart was high scorer and Dorothy Tittsworth won the bingo prize.

The happiest couple around these parts is the Hollands. Ann and Lawrence had a letter from their son, Read, who is on a Fulbright Scholarship at the University of Sheffield, in England, that he will complete his year of study and will sail for the good old United States on the 14th of July. We can't imagine who will be the happiest of the three because Ann and Lawrence have a big surprise for Read when he gets home—a new car!

James Windsor, Bobby Craven and Jimmy Rose left last week for New Jersey where they will work this summer.

HAPPY BIRTHDAY!

June 20: Monette Barham, Beverly Cursey, Nell Ezum, Mrs. Louise Matthews, Mrs. Felix Gossum, Mrs. F. Johnson; June 21: Elsie Beggs; June 22: Blanche Freeman Wright; June 24: Russell Lynn Johnson, Carol Ward; June 25: Stella Fern Milnes, Jane Scates Edwards, Betty Ann Easley; June 28: L. C. Logan.

Miss Ann McDade, Mr. Herbert Hunt To Pledge Vows In August Ceremony

Miss McDade

Unusual social significance is attached to the announcement made today by Mr. and Mrs. Maxwell Fowler McDade of the betrothal of their daughter Dorothy Ann to Mr. Herbert Hobson Hunt, III, son of Mr. and Mrs. Herbert Hobson Hunt, Jr., of Mayfield, Kentucky. In Kentucky and in Tennessee the announcement will be read with great interest because of the prominence of both pioneer families.

Miss McDade is the granddaughter of Mr. Will McDade and the late Mrs. Laura Maxwell McDade of Fulton, whose names have been linked with the social and cultural development of West Kentucky. On the maternal side of her family the bride-elect is the granddaughter of Mrs. R. L. Conley, and the late Mr. Conley, of Alamo, Tennessee. The late Mr. Conley was identified with education in Tennessee for nearly a half century and was before his death, superintendent of Crockett County schools.

Miss McDade received her Bachelor of Arts degree from the University of Kentucky in the class of June, 1934. A popular member of Chi Omega social sorority she graduated from Fulton High School with the class of 1930.

Mr. Hunt is the grandson of Mr. B. C. Sullivan and the late Mrs. Sullivan and the late Dr. and Mrs. H. H. Hunt of Mayfield, Kentucky. A graduate of

Mayfield High School he attended the University of Kentucky and received his diploma in June in the College of Commerce. An outstanding student on the campus, he was one of the university's prominent football players.

In November of 1933 Mr. Hunt was signally honored by Radio and TV Station WHAS in Louisville as the outstanding Senior football player at the University of Kentucky for his leadership and scholastic achievements over a four year period.

A member of the University's ROTC contingent he was commissioned as Second Lieutenant in the Army and will be called into service in September.

Miss McDade has set her wedding date for August 21 at the First Methodist Church in Fulton. The ceremony will be a fashionable social event of Mid-Summer.

HAYES-BYASSEE NUPTIALS

The marriage of Miss Shirley Hayes, daughter of Mr. and Mrs. Dewey Hayes of Union City, Tenn., and Mr. Lewis R. Byassee, son of Mrs. Sam Byassee of Columbus, Ky. took place Saturday afternoon June 5 in the chapel of the Fountain Avenue Methodist Church in Paducah.

Dr. Bedford Turner was the officiating minister and Miss Keytha Geveden was the pianist. Only members of the immediate families were present. As they assembled Miss Geveden played "O Promise Me" (De-Koven) and "I Love You Truly" (Bord). The Lohengrin wedding march was used, and during the pledging of the vows "Liebestraum" (Liszt) was softly played.

The bride, given in marriage by her brother, Charles Hayes, wore a white embroidered organdy dress and a small white hat. She carried a white Bible to which was attached an orchid. Her only jewelry was a single strand of pearls, a gift of the groom.

Miss Margaret Byassee, the bride's attendant, wore a dress of blue eyelet pique with white accessories, and a corsage of pink carnations. Edwin Byassee served his brother as best man.

After the ceremony the bride and groom left for an unannounced wedding trip. They will make their home in Union City, where the groom is employed by the Texas Gas Transmission Company.

MISS WILLEY TO WED

Mr. and Mrs. Ernest Willey announce the engagement of their daughter, Patricia Ann, to Thomas Champion Traylor, son

of Mrs. E. C. Gates and the late T. C. Traylor of Blountstown, Florida.

The bride-elect was graduated from Fulton High School in the class of 1930 and Trevecca College, Nashville, Tenn. For the past 18 months she has been employed with Carbide and Carbon Chemical Company, Paducah.

Mr. Traylor was graduated from Blountstown High School and is also a graduate of Trevecca College. At present he is employed by Fisher Body Company, and is a student at Nazarene Theological Seminary, Kansas City, Mo.

The wedding will take place Sunday afternoon, June 27.

BYNUM-TINES NUPTIAL

The marriage of Miss Betty Bynum, daughter of Mr. and Mrs. S. E. Bynum of Fulton, Route 1, and Sgt. Albert Tines son of Mr. and Mrs. Odia Tines of Nashville was quietly solemnized in the parsonage of the First Baptist Church at Corinth, Miss., on June 13th.

The Rev. L. B. Hillin, pastor of the church performed the double-ring ceremony.

The bride was beautifully attired in a white nylon dress; the bodice was in small tucks, with tiny rhinestone buttons down the front. The dress featured a

full gathered skirt. Her accessories were pink and she wore a purple orchid.

Mrs. Bobby Rhodes, matron of honor, wore a pink linen dress, which featured a lace yoke. Her accessories were white. She wore a corsage of gardenias.

Mr. Rhodes attended the groom as best man.

Mrs. Tines is a graduate of Fulham High School, class of 1932, and is now employed at the Atkins Insurance Agency. She will remain at the home of her parents until Sgt. Tines is discharged.

Sgt. Tines attended Fulham High School before entering the Armed Forces. On June 27 he will return to Ft. Knox for an indefinite period.

Immediately after the ceremony, the couple returned to the home of her parents, and prepared for a week's honeymoon at Mammoth Cave and Nashville.

AT SUMMER SCHOOL

Hoyt Wilson, recent graduate of South Fulton High School, and Terry Drace, son of Rev. and Mrs. J. T. Drace of Murray City, Tenn., formerly of Fulton, are now attending summer classes at Murray State College. Both boys also plan to enroll for the fall session.

Mrs. Carey Fields

Rev. and Mrs. T. T. Harris and daughters Ruth, Naomi and young son, Dicky have arrived from Jefferson City, Tenn., for a visit with Mr. and Mrs. J. W. Bynum.

Mrs. Claud Anderson left several days ago for an extended visit with her daughter, Mrs. Hoot Meacham and Mr. Meacham in Ft. Worth, Texas.

Over at the Speakman-Hoffman farm, now the Ulva Hawks place, there was quite a gathering of farmers several days ago for a tractor demonstration from Ford, Farmall, and Ferguson dealers. A lot of interest was shown among all who gathered there to observe the mechanism of the modern, powerful machinery.

Mr. and Mrs. Wayne Doran and daughters, Donna and Mary Ellen, have arrived from Palestine, N. J., for vacation with their parents. Mr. and Mrs. B. L. Doran and relatives here, Union City, and Huntington, Tenn. They will spend about three weeks, then return to the east where Wayne is managing the White Castle Cafes.

Mr. and Mrs. Billie McCollum of Fulton visited parents, Mr. and Mrs. Burnette Lintz.

Mrs. Eric Cunningham and George Ed Dresden are spending several days here with parents, Mr. and Mrs. Edd Fields.

Mr. and Mrs. Buton Lassiter and sons Eugene, David and Leslie, Mr. and Mrs. B. L. Doran, Mr. and Mrs. Wayne Doran and daughters Donna and Mary Ellen, Mr. and Mrs. Bill Doyle, and Mr. and Mrs. Ralph Doran and daughter, Alicia, enjoyed an outing, fish fry, and boating last Sunday near Dover, Kentucky Lake. All report a nice day together as family reunion.

Mr. Walter Cunningham is in Memphis, Tenn., where he has recently undergone major surgery. He is doing nicely at the present, of which many friends will be glad to hear.

Little Debra Walkins is reported to be doing nicely at her home near St. Line Road. Every possible thing is being administered by her parents and friends to speed her soon, complete recovery.

Farmers took to fields day and night in a rapid cultivation of crops. The recent heavy rains retarded the work. Some hay was saved last week between showers although much of the crop was rained on in the curing stage. Wheat is looking its best, ripening fast, and the harvesting will come up in the near future.

Mr. B. W. Westbrook entered the Baptist Hospital, Memphis, the past week and undergoes surgery this week. Many friends extend to the popular business man, cream station operator and a farmer also, the best of good wishes for a soon, complete recovery.

Doyle Fields, Vine St., Fulton, along with employees of Carbon and Carbide Chemical Company, in Paducah, were in for a real treat the past Wednesday night when they had a chartered greyhound bus into St. Louis for the Cardinals-Dodgers Baseball game of the National League. They report a nice trip, and thoroughly enjoyed the game. Only the chemical operators made the trip.

This year there will be an estimated 530,000 new cancer cases in the U. S., the American Cancer Society estimates.

KENTUCKY UTILITIES COMPANY

Baldwin said that Kentucky is
a sports minded state, but that
in the past Kentuckians have
not had a chance to see the
latest improvements in sport-
ing equipment displayed in one
place.

Now Fair Board members have
decided to turn the area im-
mediately behind the grandstand
into a huge exhibit space for
sporting goods manufacturers.
The booth exhibits will be housed
under canvas, with plenty of
"bulk" space for larger exhibits
such as motor boats, sport cars
and camping trailers.

Free grandstand attractions at
the September 10-18 fair will
carry through the sporting
theme. Such attractions as Han-
sen the Ski Jumper, The Gan-
chos Shooting Act, Haushalters
Golden Sporting Dogs, Bill Mc-
Lellen the Alligator wrestler,
The Pelouquin Log Rollers, The
Van De Velde and Jimmy Lee,
announcer, will add to the sport-
ing atmosphere.

Arrangements are also being
made to provide fishing tanks
for public use during the fair.
Visitors to the fair will be able
to fish in huge tanks that will
allow 200 people to fish at one
time. These tanks will be com-
pletely stocked with trout and
other fish. The booth exhibits
are planned to include fishing
and hunting gear as well as
athletic equipment of all kinds.

Thirty-six families attended
a meeting of the Farm and Home
Development Club in Marshall

PLAYING FOR UNION CITY CENTENNIAL DANCES — The "Melody Men"
orchestra, composed of six Fultonians and two from Martin, has been engaged
to play all the evening dances next week during the Centennial celebration at
Union City. The group journeyed last Friday night to Kentucky Lake to play a
dance for the Kentucky Press Association summer convention, and tomorrow
night will fill a regular engagement at the VFW in Union City. In much demand
this Spring, the group has proved popular with dancers throughout Western
Kentucky and upper Tennessee, with recent and current bookings in Mayfield,
Clinton, Fulton, Martin, Union City and Reelfoot Lake. (Left to right, above):
"Red" Hatler, 2nd trumpet; Charley Pounds, Martin, tenor sax; Charles Wade
Andrews, 1st trumpet; Arthur Roman, 1st sax; Edward Arnn, Martin, drums;
Bobby Boaz, 3rd sax; Paul Westpheling, piano and Charles Andrews, bass. James
Windson (saxophone) and Don Wright (trombone) were not playing the night
above picture was taken at Fulton Junior-Senior prom.

ILLINOIS CENTRAL ANNOUNCES CHANGES IN SCHEDULES IN PASSENGER SERVICES

Important changes in sched-
ules of Illinois Central Railroad
passenger trains, effective with
the adoption of Daylight Saving
Time by many cities.

The Panama Limited, north-
bound, will leave New Orleans
at 4:15 p.m., instead of 5 p.m., as
at present. It will arrive Chicago
at 8:45 a.m., forty-five minutes
earlier than the present sched-
ule. Corresponding changes in
schedule will affect all inter-
mediate stations. There is no
change in the southbound sched-
ule.

The Louisiane, northbound,
now operating from Memphis
to Chicago, will be operated
from New Orleans. Train No. 22
now leaving New Orleans at 5:30
p.m., will be rescheduled as the
Louisiane and will leave New
Orleans at 11 a.m., daily, pro-
viding another northbound
through Illinois Central pas-
senger train between New Or-
leans and Chicago. It will leave

Jackson, Miss., at 2:50 p.m., and
arrive Memphis at 7 p.m. There
will be no change in the Louis-
iane schedule between Memphis
and Chicago. It will depart from
Memphis at 8 p.m., and arrive
Chicago at 8:15 a.m., as at pre-
sent. There will be no change in
the southbound schedule from
Chicago to New Orleans.

Many improvements in pas-
senger service and equipment on
the Louisiane will be made as
the service is extended from
New Orleans. A wider selection
of room-type sleeping car ac-
commodations will be available
with the addition of an 11-double
bedroom car between Chicago
and Memphis. This will be in ad-
dition to the present 18-roomette
sleeping car between Chicago
and Memphis. Sleeping car ser-
vice to and from Jackson, Miss.,
will also be introduced with the
addition of a 6-section-6-room-
ette-6-double bedroom car. All
passenger cars on the Louisiane
will bear the orange-brown-yellow
colors which identify Illinois
Central streamline trains.

The Creole, northbound, will
leave New Orleans at 8:25 p.m.,
instead of 8:40 p.m., as at pre-
sent. It will arrive Memphis at
8:05 a.m., and will depart for

Chicago at 6:55 a.m. It will ar-
rive Chicago at 7:55 p.m., as
at present. The train will make
additional station stops at Pon-
chatoula, Independence and
Kentwood in Louisiana and
Oayka, Magnolia and Vaughan
in Mississippi.

The schedule of the Southern
Express, from Chicago to New
Orleans, will be shortened one
hour. The train will leave Chi-
cago at 12:35 a.m., and Memphis
at 9 p.m., as at present. It will
arrive New Orleans at 9 a.m.,
instead of 10 a.m.

The Chickasaw, from Memphis
to St. Louis, will leave Memphis
at 11:15 p.m., 40 minutes earlier
than at present. It will arrive
St. Louis at 7:38 a.m.

All times shown are Central
Standard Time. Passengers
should check arrivals and de-
partures at intermediate stations
with the local ticket agent.

Route Three Chats Mrs. Edgar Grissom

There was another good at-
tendance at the Mission over the
week end. Rev. Harold Wilson
doing the preaching, in the ab-
sence of Rev. Earl Baird, who is
away in revival, in Akron, Ohio
and other places for the summer.

Miss Myrtle Fulcher is spend-
ing a few days with her sister,
Mrs. Jessie Carlton, near Dyers-
burg, who is quite ill.

Mrs. Hubert Lowe suffered a
heart attack Monday and was
carried to Jones Hospital. We
hope for her a speedy recovery.

Mr. and Mrs. W. M. Weather-
ford and Mr. and Mrs. Wallace
Weatherford of Springhill spent
Sunday with Mr. and Mrs. Ed-
gar Grissom and Jackie.

Mr. and Mrs. Thomas Connell
and children spent Sunday with
Mr. and Mrs. C. B. Connell and
James and Donnie. In the after-
noon Mr. and Mrs. Leland
Adam's called.

Kelly Reams is slowly re-
covering. She has been ill for
several weeks.

Mrs. Mary Thomas spent one
day this week in Fulton.

Donnie Connell attended va-

cation Bible School at the Mc-
Connell Baptist Church last
week.

Mrs. Carter Brown and child-
ren spent Saturday night with
her mother and family, Mr. and
Mrs. Ira Brown.

Mrs. Horace Reams carried her
daughter, Kelly, to Dr. Stone in
Mayfield this past week.

Bill Weatherford of Baldwin,
Miss and Memphis took break-
fast Tuesday morning with his
sister and family, Mr. and Mrs.
Edgar Grissom and Jackie.

—Notebook
(Continued from Page One)

To get back to the political scene, as discussed by the editors, many of the Eastern and Central Kentucky editors think that our own Bill Curdin is not well enough known to make a state-wide race at this time. Bill, they said, does not begin to come in contact with as many people as Henry does over the State, and while "he" (Bill) would make a wonderful governor, it is a little too soon in his political career to boost him into the big races.

Henry Ward, of course, is not the showman or shall we say, the exhibitionist that Happy Chandler is. He is a somewhat quiet and yet a very forceful man. From close association with his work I know of several times that he has missed a good political boost for himself if he had been a little less honest than he is. But he let the opportunity pass. As he said at the press meeting: "I have tried all of my life to be as completely honest with people as I can, but sometimes people don't like to hear or know the truth." He said, with a grin, "I wasn't on the big end of the horn when I had to be completely honest with folks."

In this day and age, with investigations of investigators and everybody hurling invectives and accusations at each other, it's mighty refreshing to see a public official tell the truth about the hazards of being honest in public office. Between now and next year many newspapers will take pen in hand and tell the real story of Henry Ward, not because of any political hand-outs, but because editors are fighting hard for their communities to have honest public officials serve them on every side. If that will be the criteria for which a man is elected Governor next year, then Henry Ward is in.

A little more on the political side. Noble Gregory is "in" again and had no opposition in his race this year. There was talk around the State that Charles Burnley and maybe Fred Morgan of Paducah might oppose Noble this time, but a good look around the District changed their minds. It's no wonder! Noble's critics may accuse him of not being a very prolific maker of laws and introducer of bills, but one thing is for sure, he has his finger on the pulse of thinking of the people in his district and he serves them well.

The wheat is offered for sale to the highest bidder, the ASC chairman pointed out, "but it may not be sold for less than \$1.54 a bushel."

Each buyer will be required to certify that the wheat will be used only for livestock or poultry feeding.

Details are available at county ASC office at Hickman, Kentucky.
