Paul Farlow Discusses Past, Present, Future of Dairying At Jersey Cattle Club Picnic

A distinguished group of farm leaders, including Paul Farlow of the Illinois Central Railroad was in attendance at the Purchase Pariah Jersey Cattle Club's picnic on the N. W. and W. P. Burnette farm off the Middle Road. Mr. Farlow was one of the principal speakers in the afternoon and stressed the cooperation of the railroad with agricultural development in this area.

Mr. Farlow spoke of the past, present and future of the dairying industry. He traced the progress of a fledgling, hap-hazard industry to the modern and efficient industry of today. While the future of dairying is not as rosy as farmers would like, he said, there is great encouragement in the fact that it will be a greater industry if handled correctly.

The day was spent in good fellowship and the discussion of mutual problems in the field of dairying. In the morning a judging contest was held with Perry Harrison of Farmington, Ky. winning the men's division, Mrs. J. C. Melvin, of Sedalia winning the Women's Division and Patty Harrison of Farmington, Ky. the Junior Division.

Prizes were given by A. C. Butts and sons, Browder Milling Company, Reed Brothers, Southern States and the Mayfield Sweet Feed Mill.

The official contest judge was Clyde Chappel of the University of Tennessee Extension Service.

After the contest, Mr. Chappel

conducted a "dairy type demonstration."

At noon a barbecued chicken dinner was furnished by the club. Milk was supplied by the Ryan Milk Company of Murray and the ice cream by the Fulton Pure Milk Company of Fulton.

In the afternoon there were three talks. They were by E. B. Howton, Murray State College, on the Dairy Refrondum to be Aug. 21; Charlie Hall, Fieldman for the American Jersey Cattle Club; and the principal speaker, Paul Farlow, Illinois Central Agricultural Agent. All of the talks were thoroughly enjoyed by all.

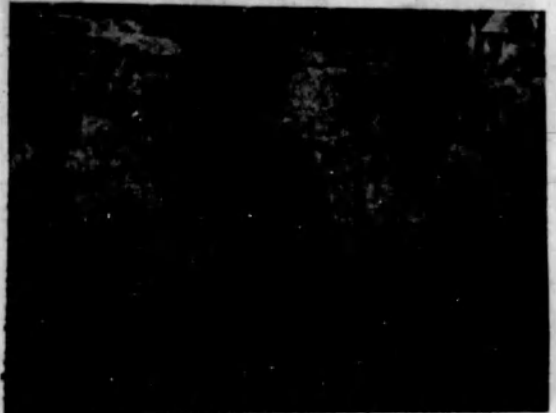

Following the talk an irrigation demonstration for pastures was held.

YOU ALL COME!

The Bennett Homemakers Club will meet on second Thursday, August 12, in the home of Mrs. James C. Binkley, Bedford Street, at 2 p. m. All members are urged to attend by Mrs. Harry Hancock, president. Visitors are welcome.

BOB WHITE and his long-time friend Paul Farlow of the Agriculture Department of the Illinois Central Railroad seem to be having a good time as they enjoy the barbecued chicken served at the Jersey Cattle Club picnic Monday. Bob and Paul took time out to re-haah the memorable hunting trips they have enjoyed together. The lady in the background is Mrs. Herman Sams.

MR. FARLOW and Dr. Glynn Bushart (right) give Dub Burnette (center) serious attention as Dub shows them the attractive container for Pure Milk Company's ice cream. The Pure Milk Company furnished the ice cream for the more than 300 persons who attended the Jersey Cattle Club picnic.

HEY BOSSY, pose pretty for the picture. But Bossy whose real name is "Spot" was the calmest of the lot as the News photographer rounded up some youngsters for a candid shot of the enjoyment at the Jersey Cattle Club picnic. In the photo front row left to right are: Elijah Kyle, Crutchfield; Elizabeth Ann Rodgers, Crutchfield and Sherril Olive, proud owner of Spot. Three Civic Clubs Favor City Park and Pool Plan; Council To Study Program

The Fulton City Council has voted to call a special meeting later this month to consider placing the proposal of a bond issue for a city park and recreational system before city voters in November.

Council decision on the proposed measure is necessary this month, since law requires filing of such intent 60 days prior to election, and such a proposal would be incorporated in with regular general State elections in early November.

The action was requested by the recreational committee of the Chamber of Commerce, with Robert Burrow presenting the suggestion to the Council at the regular Monday night meeting this week. In his request for such action, Burrow pointed out that the three civic clubs in Fulton had been polled on the matter during the previous week, each member being asked these three questions:

1. "Are you in favor of a recreational program including a

park and swimming pool?" 77 voted yes, 11 no.

2. "Do you favor the issuance of obligation bonds for these?" 61 voted yes, 15 no.

3. "Will you support an effort to accomplish these things?" 65 voted yes, 12 no.

Burrow estimated that the program, which proposes to establish parks and swimming pools for both White and Negro citizens, would cost in the neighborhood of \$100,000.00, and suggested that general obligation bonds could be sold by the city to finance such a program, to be retired over a 20-year period with increased taxes that would amount to about 17c additional.

Following his presentation the Council elected to go into detailed study of the program and arrive at a more nearly exact cost of the proposal, at a special meeting later this month.

The C of C program calls for the construction of a swimming pool for White citizens at the Fairgrounds park, and improvement of the park with many additional recreational facilities, picnic areas, moving of the garbage dump, etc. It also calls for the establishment of a separate municipal park and swimming pool for Negroes, complete with comparable recreational equipment and areas.

Should the Council decide to adopt the question, it will be left to the people of Fulton to decide yes or no on the bond issue on their ballots in November. If they vote the bond issue, the council can then proceed toward construction.

In other action at its regular August meeting Monday, the Council:

—Learned that July police court fines amounted to \$935.00 and that the city attorney received \$433.01.

—Voted to borrow \$5000 from the water works sinking fund for 60 days as a "loan," to be

OFFICERS ELECTED AT ANNUAL MEET OF DAIRY BREEDERS

J. T. Davie, Is President For Fulton County

About three hundred farm people attended the annual meeting of the local Dairy Artifician Insemination Association on the Hillman Collier Farm last Saturday July 31st.

Several rings of Purebred Jerseys from the Collier Farm were judged during the morning. After a barbecue lunch Kentucky's Commissioner of Agriculture Ben S. Adams addressed the group. The address was followed by an election of Mac Ward of Clinton, Route 2 as President with David Graham of Clinton as Secretary. Other directors are:

Fulton County - J. T. Davie, Thomas Bruce.
Carlisle County - James Wilson, Rufus Edgington.
Hickman County - J. T. Roberts, Ern Burgess.

George Ed Easley Is Coming Home August 7

Mr. and Mrs. Herman Easley have received word from their son, Airman First Class George Ed Easley, saying that he would be leaving for the States about July 24th and would arrive in Seattle about August 7th.

For the past two years Airman Easley has been stationed in Japan with the 511th Aircraft control and warning groups, serving as radar and radio operator for his group. After a 30 day leave he will be stationed at Shaw Air Force Base, S. C.

YUM, YUM!

The Auxiliary of the Marshall Alexander Post, No. 72, of the American Legion will serve the local fireman with a dinner on Thursday night, August 5th at the Post House.

POLIO CHAPTER TO HAVE DRIVE FOR MORE FUNDS

Twenty Million Dollars Sought In Nation-wide Drive

The Fulton County chapter of the National Foundation for the Prevention of Infantile Paralysis will join with other communities in the Nation in sponsoring an emergency drive for funds, Robert Burrow chapter chairman told the News. The drive will be undertaken by the Fulton Lion's Club and will be held in early September.

Last week Paul Hughes, Jr. State representative was in Fulton and discussed the matter with Mr. Burrow who presented the plan to the Lion's Club. Dr. J. D. Hobbs has been named chairman of the committee.

Much progress has been made in the research work and in the trial inoculation for the prevention of the dread disease. He stressed the need of more money if the vaccine proves successful as it bears every evidence of doing. If more money can be secured now, it will then be possible to give the vaccine in a mass immunization program national.

The present drive will be for a 20-million-dollar fund to be secured through a nation-wide drive.

The local chapter plans to mail envelopes for return, place coin collectors in business-houses and probably to have a porchlight parade in various towns.

Figures given indicate that there is less polio as a whole in the State of Kentucky now than at the corresponding time last year, however, some counties report more at this time than last.

Polio is still a serious national health problem. It will continue to be so until the long-sought-for day arrives when a safe, effective vaccine becomes generally available. Even after a proven vaccine is on hand, there will remain much work over a period of years to assist old polio cases, of which there are many thousands.

8 DAIRY SHOWS SET FOR AUGUST; \$10,000 PRIZES

Mayfield Show Is Set For August 16; Open To FFA-FHA

Eight district dairy shows with \$10,000 in prize money will be held in Kentucky this month. They are open to any Future Farmers of America or 4-H member who is conducting a dairying project, it was announced today by Commissioner of Agriculture Ben S. Adams.

Last year there were 1,263 animals in the eight shows. Grade animals are permitted, but in all 4-H Dairy classes a grade animal can draw only 75 per cent as much prize money as a registered animal is permitted to draw.

These shows are scheduled: Mayfield, August 16; Madisonville, August 17; Bowling Green, August 18; Campbellsville, August 19; Somerset, August 24; Williamstown, August 25; Elemingsburg, August 26; Shelbyville, August 27.

FAREWELL AND RETURN!

Mr. and Mrs. Ernest Jones and children, Cliff and Dennis, Vine St., will leave our midst soon to locate in Carbondale, Ill. Mr. Jones is traveling engineer for the I C and he and family have been residents here for three years, coming here from Waterloo, Iowa. They are formerly from McComb, Miss. where their parents live and the young group regret to see them leave but commend them to their new home in Carbondale.

PILOT OAK REVIVAL

The pilot Oak Baptist Church will begin their revival Sunday night, August 8. Services will be held daily at 2:00 p. m. and 7:45 p. m. Bro. Morris Prince of Woodland Mills, Tenn. is the evangelist. Bro. Ray Fleming, pastor.

The public is cordially invited.

Fulton Will Vote Only For Senator In August 7 Primary

A light vote is the forecast for the primary election to be held in Fulton County Saturday, August 7.

The only voting in this area will be in the race for the United States post. Voters will have a choice of four candidates on the Democratic ticket and a choice of three on the Republican slate.

Barkley-Cooper Favored
Local politicians have expressed little doubt that Alben W. Barkley, former vice-president, and Senator John Sherman Cooper would not emerge as the

two candidates in the November general election.

Candidates running on the Democratic ticket other than Mr. Barkley include Jesse Nicholas Ryan Cecil, of Louisville; James Logan Delk, of Frankfort and a former resident of Hopkinsville, and Edward J. Hussey, of Louisville.

Running on the Republican ticket other than Senator Cooper are G. Tom Hawkins, Elkhorn City, and Willard Gilmore Jones, Covington.

Voting polls, according to Sheriff John Rose, will open at 6 a. m. and close at 5 p. m., central standard time.

A poll of mountain Republicans, it's easy to see what a tough time John Sherman Cooper will have in holding the voting enthusiasm of his own party in the November election.

Cooper is seeking re-election to the United States Senate. He has only taken opposition in Saturday's primary, as does his Democratic opponent, former Vice-President Alben W. Barkley.

But in the election Cooper will have to rely heavily on his own Eighth District—the mountain stronghold of Kentucky G. O. P.'s — for a vote big enough to offset Barkley's West Kentucky strength.

In the opinion of some Republicans hereabouts, Cooper has hurt himself in the past 10 days because of the divisive issues he has had to face, issues that have intraparty splits. These voters are not going to switch to Barkley, but come on "leg night" just stay at home election day.

The two explosive issues are Senator McCarthy and T. V. A.

WEST KENTUCKY TEACHER WILL BE HONORED AT FAIR

Also Oldest Married Couple To Get Award From Gov. Wetherby

A Western Kentucky School teacher will have his or her day at the Purchase District Fair which opens in Mayfield on Tuesday, August 17th and runs through Saturday night, August 21st.

Members of the Fair Board will honor the oldest teacher in eight Purchase counties, and that teacher, will be presented with a handsome award by Governor Lawrence W. Wetherby. The award will go to the teacher with the longest length of service as a teacher, not to the oldest in number of years.

Teachers eligible to enter the contest are asked to write their name and qualifications to enter the contest to Henry Y. Jones, Secretary to Mayfield-Graves County Chamber of Commerce, Mayfield, Kentucky.

An award will also be presented by Governor Wetherby to the oldest married couple in the eight counties, or to the couple which has been married the greatest number of years. Teachers with long service records and the oldest married couples in the following counties are eligible: Marshall, Calloway, Fulton, Hickman, Carlisle, Ballard, McCracken and Graves Counties.

Entries in the contests should be post-marked not later than Monday, August 16th.

Mrs. Johnson Quoted In Progressive Farmer

In "Fine Seams," a regular feature of The Progressive Farmer magazine, Mrs. A. S. Johnston of Fulton County passes along a tip in the August issue. "I have found an easy way to face bound buttonholes," she says. "I just press iron-on tape onto the under side of facing. Then I cut out the buttonhole to the desired length and width, and whip down the edge with a buttonhole stitch. This method is especially good for easy raveling, heavy material."

KAY BOWEN TO COMPETE WITH 25 BEAUTIES

Reelfoot Pageant To Be Staged At Magnolia Beach

Miss Charlotte Taft of Dyersburg, Miss Reelfoot Lake of 1963, will reign over the third annual Miss Reelfoot Lake beauty pageant to be held Aug. 13 at 8:00 p. m. at Magnolia Beach. Miss Taft is the daughter of Mr. and Mrs. E. R. Taft of Dyersburg.

Miss Donna Gardner of Union City, Miss Reelfoot Lake of 1952 will also appear. Dick Hawley of WMCT will be master of ceremonies.

The Ridgely Junior Woman's club and the Ridgely Jaycees sponsors of the event announced this week the names of the 25 entries. Girls from the three neighboring states, Tennessee, Kentucky and Missouri, have entered the contest.

Hickman, Ky., entries are Katherine Tipton, Jene Kearley, Shirley French and Jo Goddard. Other out of state entries are, Kay Bowen of Fulton, Ky., Janet Coker, Frances Earnhart and Bernice Cain of Caruthersville, Mo.

The entries are between the ages of 17 to 25 and unmarried. The winner will be given a \$50.00 saving bond and a loving cup.

Polio Season Starts Now! Let's Support Drive

This is the polio season. From now until the cool weather sets in, every man, woman and child in this area is susceptible to the dreaded disease. Those of us with children live in constant fear that the little summer cold, the tendency to tire easily, the little pain in the legs might be the beginning of an ailment that plagues our thinking during the hot months of summer.

Some day, in the not too distant future, we hope and we pray that medical science will find a cure, and discover the real cause of infantile paralysis. Much research has been done in these fields. Much, much more is yet to be done.

The comfort for our fears comes from ever encouraging reports from the work being done by the National Foundation of Infantile Paralysis. The foundation is supported by the dimes and the dollars that you contribute during the annual Spring drive.

This year, the national quota fell \$20,000,000 short of its goal. The shortage means that research with the

vaccine, gamma globulin must be curtailed and we of course do not want that to happen.

In order that this research and medical aid may not be curtailed and the Foundation may continue its heroic work, an emergency drive will be held in Fulton County during early September. The local chapter deemed it advisable to have the drive in September so that it will coincide with the opening of school, when children get together and the incident for polio is even greater than when they play in their own back yards. The idea to have the drive then is not a "gimmick" to get more funds through fear, but because most people will be back from their vacations and there will be a little more money in circulation.

So in the meantime watch the youngsters carefully. Take care of yourself too! And when the time comes for you to contribute, give generously. The dollar you give may save your own life or that of your loved ones because of your contribution to this worthy program.

Let's Plan To Organize County Fair Association

The newspapers that reach our desk each day and each week are headlined with the big preparations various counties are making for their annual County Fairs. The news makes us a little sad. We do miss the County Fairs that Fulton has promoted for several years.

We know, of course, that the real reason for the discontinuance of our fairs was the lack of an area to have them. At least that's why it was not held last year.

But let's not give up the County Fair idea. It is the one time in the year that the rural people and the city folks

can get together and share the fruits of their labors and have a rollicking good time.

The Chamber of Commerce Window Fair was held last year in lieu of a County Fair and will be held again this year. But what we would really like to see is an organization set up within the Chamber of Commerce to promote a real, honest to goodness County Fair Association where livestock, poultry, agricultural exhibits, handicraft and other endeavors are put out in the open for everybody to see and enjoy.

Let's put this on our possibility list for next year.

Opportunity Seldom Knocks; Let's Act Now!

Fulton was incorporated somewhere around 1880. During its 74 years it has had various makeshift kinds of municipal recreational areas including a little park not municipally owned, and a fairgrounds that lay unused except during the fair and racing season. It formerly boasted a privately owned swimming pool, and still does have a private Country Club, with good facilities available to membership.

Nowhere in the course of its 74 years, as far as we can determine, have the city fathers ever set aside a plot, however small, for a municipal park for the citizens to have free use of, regardless of circumstances. Consequently the community has grown up without any strategically-located area being set aside for a park, until last year.

We now have a park area that is reasonably well located and readily accessible. We think that soon the city limits may be extended westward to include Highlands, which will make this area more in the center of things than ever.

The Chamber of Commerce has proposed that this park area be developed and equipped with a good swimming pool and other, free areas such as tennis courts, softball diamonds, picnic areas, etc. They have cast about during the whole past year for ways and means of financing such an undertaking. Private subscription has failed because the job is one for the City to undertake and maintain for its citizens.

YET LIFE AND CULTURE are larger than this expanding universe of science. This is no reflection on science. It is another way of saying: science is for man, not man for science.

Science can give man mastery over matter. It can fail to give man control over himself. Science has its distinctive method; it involves experiment—with tools, machines and chemicals. But you cannot, without a kind of sacrifice, experiment with the souls, lives and honor of men.

HOWEVER USEFUL SCIENCE is to investigate the privacy of tiny chambers called atoms, it is all but useless to investigate the inner and higher life of men. You cannot examine free will in a test tube. Yet, much of what man does for good or evil springs from this inner life of free choice. Nuclear energy can explode with uncontrollable force. But the occasion for its explosion is controlled by men—either by evil men or by good men.

Science cannot save men from themselves, any more than society can. Rather, it is individual men who must save science, society, and themselves. If men will not live by virtue, they may have to die by power.

TURNING BACK THE CLOCK

(August 2, 1929)

An auto collision Sunday afternoon on the Fulton-Hickman highway near Lodgeston school house injured seven persons and wrecked two cars. Fortunately none were seriously injured and reports today say all are recovering from the cuts, bruises and wounds received.

The Whippet Car was occupied by Mr. and Mrs. A. Simpson of Cayce, and their two children, Helen and Leibel, all of whom were injured.

The Ford car was driven by P. S. Stagg, of Route 3, Clinton and with him was his mother and father, Mr. and Mrs. Stagg, Sr., J. A. McBridge and Miss Ida Franklin, all of whom were injured. They were all taken to the Nailing hospital at Union City.

The death of Mrs. Horace Reams, Thursday, July 25, in a Dyersburg hospital following an operation for appendicitis was cause for grief and sorrow by her friends and loved ones. Mrs. Reams was a devoted wife and mother and her passing leaves a vacant place in the once happy home, that cannot be filled. Her presence in her home community will be sadly missed. She is survived by her devoted husband and two small children; her parents, Mr. and Mrs. Lon Burce, of Fulton; two sisters, Mrs. Walter Henderson and Mrs. Gip McDade, of near Fulton and one brother, Silas Bruce.

Those who enjoyed the Bondurant Reunion, Tuesday, July 22,

at Beechwood Park, were Mr. and Mrs. Charlie Bondurant and daughters, Clarice and Evelyn, Mr. and Mrs. Hayden Donoho, Mr. and Mrs. Elbert Bondurant and family, Canale Aubrey and Joyce, Mr. and Mrs. Lawrence Brown and children, L. D. and Christine, Mr. and Mrs. Ernest Brady and children, Mrs. Mary Arrington, of Akron, Mr. and Mrs. Clifton Campbell and children, Mr. and Mrs. Willie Jeffress, Mr. and Mrs. John A. Lawson, Mr. Clemens Lawson and children, and Mrs. Clarence Baxter of Jackson, Mazene, Mary, Milton, Ruth and Kenneth Wade, Kenneth Oliver, Laverne Burnett, Roper, Louise and Morry Jeffress, Many Townsend, Jessie Stallins, Mrs. Mollie Kyle of near Fulgam and Miss Mary Bondurant of Sharon, Tenn.

Mr. and Mrs. Joe Work and children spent Saturday night and Sunday with Mr. and Mrs. Jim K. Johnson.

Mrs. Clara Webb and Mrs. Maybell Webb spent Thursday with Mrs. Edd Work and family.

Misses Augusta Williams, Virginia Colley and Lenora Johns took supper with Doris Finch, Sunday evening.

It is estimated that Lon Adams will receive the largest vote of any candidate in the race. Some say his majority will go around 450 voted.

CAPITOL ROUND-UP

HEER NAMED

Dr. Clarence Heer, Chapel Hill, N. C., was employed by the Legislative Research Commission to direct a study of Kentucky's tax structure on a part-time contract basis. Dr. Heer, now on duty in New York will not be available for regular assignment. He has served as consultant to legislative commissions and tax departments of Virginia, New Jersey and North Carolina.

The Commission also employed two analysts to do research work on the project under supervision of Dr. Heer. They are Thomas P. Lynch, 42, member of the staff of the State Department of Revenue, and Jack Jordan, 29, employee of the research and Industrial Development Board.

Jordan replaces Charles W. Ingler, who resigned from the position in May, before he began work, while Lynch replaces Woodworth G. Thrombley, who is leaving Aug. 1 to teach political science at the University of Kentucky.

LEVIES MUST STAY

The Kentucky Court of Appeals held that special levies voted by an independent school district before a merger with a larger unit, must be continued within the territory which voted the special levy until its purposes have been fulfilled. The question arose incident to the proposed merger of the Prestonsburg Floyd County Board of Education, wherein the voters of Prestonsburg had authorized the City Board of Education to make a special levy to finance a \$228,000 gymnasium-auditorium for a new high school.

DUES NOT LEGAL

A city or county board of education may not spend public funds for a Chamber of Commerce membership, or pay dues for membership in similar organizations, it was held by Assistant Attorney General W. Owen Keller in an opinion to Garrett Castle, Harlan attorney.

"Since we believe that both the Constitution and statutes forbid such a policy, the Board of Education cannot join the local chamber of commerce and pay dues from school funds," Keller wrote.

Franklin Circuit Judge W. B. Ardery held the proposed Kentucky Highway Authority Act unconstitutional as "binding the State forever to the wheel of debt" and "creating a debt without approval of the electorate."

The proposal would allow the Highway Department to transfer publicly-owned roads to an "Authority" for improvement, and then "rent" them back to the State for a fixed annual rental to be paid from gasoline tax collections over a period not to exceed 40 years. The case will be appealed to the Court of Appeals.

OPINION GIVEN

A Superintendent of Schools and the County Board of Education are not bound to rehire a teacher who has not attained continuing contract status, even though the person has the necessary educational qualifications, according to an opinion of Assistant Attorney General W. Owen Keller.

New chemical plants help buy shoes for baby!

Many fathers in many parts of Mid-America are buying shoes for babies these days with money earned in chemical plants which didn't exist a few years ago.

Neither plants, payrolls nor jobs came to Mid-America by chance. They are attracted by the development of natural resources and built by foresighted industry seeking expansion in areas served by efficient transportation.

By lending a hand in locating many new chemical plants in Mid-America, the Illinois Central has helped to expand opportunities for its friends and neighbors and for itself.

The future of Mid-America is bright, thanks to the balanced productivity of forests, farms, mines and factories. And each year the Illinois Central puts many millions of dollars into improvements that create constantly better transportation for all.

PATRICIA LATANE

Dear Miss Latane:

We had all our pork meat hams stolen. Could you give me any idea who got it, how far from here and if they were sold or eat by the thief. Give how many was along and how they were traveling. Was it night or day time.

J. C.

Dear J. C.:

The hams have not been eaten and are not sold yet. They will be sold when the suspicion blows over. How could you be so blind as not to know who took them.

Dear Miss Latane:

Please tell me whether or not we will be able to sell our home soon or maybe get a good renter. We are anxious to make other plans. Thank you.

A. L. P.

Dear A. L. P.:

If you wouldn't be so greedy and keep that rent up so high

you could get a good renter. As it is, somebody with lots of money will have to move here who doesn't know the right price to pay for rent. You could sell the home without any trouble if you'd get right on the sale.

Dear P. L.:

I have read your column in the paper and I want you to answer a few questions that have puzzled me greatly. How long will it be before I have a steady job? Will I ever meet a boy that I really care for, when will it be, will he care for me, will he be taller than me, and what are his initials? Will my two girl friends, who are doing steady, marry and will they be the boys with whom they are now going with?

A puzzled teenager

Dear Puzzled Teenager:

You will have a steady job

when you can settle down enough to apply yourself to one! There is a young man who is very much interested in you, but whether you will learn to care for him remains to be seen. What difference does it make how tall, - or short, - a man is if you love him? A break-up is in sight for one of your friends, - the other, couple will marry.

Dear Patricia Latane:

To my sorrow, I had an affair with a married man, and I loved him very dearly. I have a small baby boy and he is the daddy of the child. He proved very faithful to me in helping me support the child and was very proud of him up until his family found it out. Tell me, does he still love me and baby, and will he ever help me out in supporting him in the future. He told his family that he loved me very dearly but he hasn't shown it in any way since. Should I expect any help in the future from him, or should I just forget him.

A. L. A.

Dear A. L. A.:

My dear, yours is indeed a sad and serious plight. You know that you have done a terrible wrong, - you and this man should never have allowed this affair to progress and develop as it did. But what's done is done, and now you must think of your son and what is best for him. I cannot advise you, - yours is a need for council that I cannot give. I suggest that you talk frankly to your minister. He is certainly the one to understand and guide you, - and, together with his help, I trust that you will be able to profit by your tragic mistake, and build a wholesome and happy future for your child.

Methodist Minister To Have Radio Devotionals

The minister of the First Methodist Church of Fulton had charge of the daily devotionals at 9:00 a. m. August 2-8th over station WFUL.

Ralph Connors Move To Bowling Green

Mr. and Mrs. Ralph Connor and daughter, Dottie, have recently moved to Bowling Green, Ky. Mr. Connor will work with his father, Viven Connor, who is a contractor there.

Mrs. Connor has been active in the First Christian Church since they moved to Fulton. She was one of the youth group sponsors, president of the Guild of the church and also first

vice-president of the Jr. Woman's Club. Mr. Connor, who was employed at the Whitenell Funeral Home, was a member of the Baptist Church. He sang in the Choir, a member of the Y. M. B. C. and was a member of the Lion's Club Minstrel cast. The Connors will be missed by the people of Fulton.

DEATHS

FRANK LEATH

Funeral services were held at Bethel Wednesday afternoon for Frank Leath, 62, who died suddenly in a Detroit Hospital, July 24. Death was due to a heart attack. Interment was in Bethel cemetery under the direction of Byron Funeral Home in Mayfield.

He is survived by Leslie B. Leath of Farmington, Ky.; Mrs. Dessie Mae Williams, Mrs. Troy Rogers, Jim Leath and Cornell Leath of Detroit and Mrs. Alline Wilcox of Kansas. The latter arrived in Detroit the day he entered the hospital. He also leaves one sister and one brother, Mrs. Belle Davis of Detroit and Bradley Leath, near the Graves County line.

His wife preceded him in death in 1937.

MRS. SADIE SIMMONS

Funeral services were held at Almo Baptist Church, Sunday at 3 p. m. for Mrs. Sadie Simmons, who died at her home in Martin, Saturday morning, after a lengthy illness. The Revs. George Archer, Thomas W. Pope, and Nathan Lessor conducted the services. Burial under the direction of W. W. Jones and sons was in the church cemetery.

She was born in Obion County. She was 64. She was a member of the Almo Baptist Church.

She is survived by three sons, Connie, Billie and Aron Simmons all of Martin, two daughters Mrs. Estell Jordan of McConnell, 18 grandchildren; 24 great grandchildren; three brothers: Ed Hill, Tom Hill and Enoch Hill all of Rives.

Her husband and 5 children preceded her in death.

DOG LAW TERMS SENT OFFICIALS FOR ENFORCEMENT

A summary of provisions of the recent dog law, both as to inoculation provisions, and licensing terms, was sent this week to all law enforcement officers of the State by Attorney General J. D. Buckman, Jr., who said that "considerable confusion has developed relative to the law's terms."

The synopsis, prepared by Assistant Attorney General John B. Browning, points out these terms:

1. Every dog six months old or over must be vaccinated annually, on or before July 1, by either an accredited veterinarian or a person holding a permit from the State Board of Health.
2. Any dog vaccinated against rabies in another state need not be revaccinated when "brought into this state, provided requirements of the other state are not below Kentucky's standards. These dogs must be revaccinated a year after the first vaccination.
3. Physicians must report the case of a person bitten by a dog, cat or other animal to the local health department, and the animal suspected of having rabies must be quarantined.
4. Local boards of health may require animals confined when there is danger of rabies spreading in the community.
5. Fiscal courts are required to employ dog wardens to aid in collecting dog license fees.
6. Fiscal courts shall establish and maintain dog pounds.
7. All dogs six months old or more are required to be licensed annually.
8. Dogs must wear two tags - one showing they have been inoculated against rabies, the other that they have been licensed.

FEES UPPED ON BIRTHDATE COPY

Provisions to increase the fee to \$1.00 for certified copies of birth and death certificates was made in House Bill 177 which was passed by the General Assembly and became effective July 1, 1934. J. F. Blackerby, Director of Vital Records, Kentucky State Department of Health, reports.

Previously the Kentucky fee was 50 cents for each certified copy of a birth and death certificate but for a number of years most other state health departments have charged \$1.00 for this service.

An application to receive a photostatic copy of a birth or death certificate may be obtained from the Fulton County Health Department or the Division of Vital Records, Kentucky State Department of Health, 620 South Third Street, Louisville 3, Kentucky.

If the date of birth is prior to 1911 a delayed certificate form with affidavits of the nearest living relative and a non relative at least ten years older than the applicant is necessary. An item of documentary evidence such as a baptismal record or family Bible is also required, Mr. Blackerby says.

Health information pamphlets titled "How Birth Certificates Are Registered" and "How Death Certificates Are Filed" are also available at the Fulton County Health Department.

Youth Convocation To Be At Lambuth College

How To Make Up Your Mind on a Used Car

Hunting for a top value used car is a little like prospecting for gold. The more you know about where to look and how to look, the better your chances of success. It's easy to be fooled by so-called "low" prices and "clean" car appearances—and it's expensive to be before you buy. Check over each one of these important points on where and how to look:

Where to look

Can you trust the dealer?

When you can trust a dealer, you can trust the value of the used cars he sells. Every Ford Dealer is an established businessman in his community. He has a large investment in his business and his good name at stake.

How about his prices?

Your Ford Dealer doesn't depend on used car profits to stay in business. He takes trade-ins mainly as a service to customers who buy new Fords. And today he is selling new Fords at a record rate. That's why Ford Dealers offer you used cars at rock bottom prices.

Is he really interested in you?

When a Ford Dealer sells you a used car he wants your service business, too. He's also looking ahead to the day when he can sell you another used car or a new car.

Does he know his used cars?

Ford Dealer mechanics work on new and used cars every day. They have the tools, parts, and "know how" to spot trouble fast and fix it right. Every A-1 used car gets a complete check before it goes on sale.

How to look

Get inside the car.

Try all the doors and windows. Start the engine. Test the windshield wiper, headlights, turn indicators, heater, and radio.

Look and listen under the hood.

A "rough" motor may mean bad spark plugs or faulty valves. Are there stains which betray a leaky head gasket? Check hose connections. Check battery cables for corrosion.

Walk all the way around.

Check the tires, and look for small cracks in the casings. Don't forget the spare. When the engine is warm, check the exhaust.

Take a Test Drive.

Try the brakes—do they pull evenly? Does the handbrake hold? Test the clutch for "chatter." Listen for excessive rear-end noise when you accelerate. How does it ride and hold the road?

Is your inspection welcome?

Ford Dealers invite your close inspection. They know skilled mechanics have made careful tests on every car they label A-1. But you be the judge—check your Ford Dealer's used car values for yourself.

Diary of Doin's

—Around Fulton—

The News writes social happenings about you and your friends.

"The old things are the best," a very wise gentleman told us once. Old shoes, old chairs, and old socks even, are things that lend for peace of mind and comfort, too. So it goes with old friendships. And the girls who once attended the Beelerton School will tell you that the wise old gentleman was right as might.

Last week seven former students of the Beelerton High School got together for their tenth annual reunion. It all happened that long time ago when Judy Brady, Mary Swann Bushart, Mildred Binford and a few others started talking about their school days in the roaring twenties. They had many a good laugh about the things that used to happen out there, so they decided that they should keep the old fires of their friendship burning and get together once a year to re-live those happy days.

That's what they did last Wednesday. They met at the home of Mildred Binford on the Metropolitan Road about ten o'clock in the morning and started reminiscing. They got out all the old pictures of the school and remembered some of the pranks and the incidents with the students and teachers. At noon they enjoyed a pot-luck luncheon and then they went into their reminiscing again. Mary Swann, who is a working girl, came out for lunch and stayed awhile, but the other six kept right on visiting the rest of the afternoon. Those who attended besides Judy, Mildred and Mary Swann were Maude Pharis, Mary Brown Polly Thompson and Boone Walker. Judy Brady's sister, who now lives in Detroit was not able to attend this year, nor was Grace Raymer of Columbus. But they have attended in the past.

Judy Brady told us an unusual story while telling us about the reunion. She told us that when she attended school at Beelerton her schoolmates knew her as Jewell. Many people had various pronunciations of the name and it was most annoying. So when she got to College her class-mate, Lorene Godfrey, who now lives in Lexington started calling her Judy, and she's been Judy ever since.

The old Beelerton High School is no more. It has been consolidated with other county high schools, but the high school building is used for the grades. There's a heap of sentiment out in that Beelerton Community, as the "gals of the twenties" will readily tell you.

Judy Brady has as her house-guests this week her mother Mrs. J. T. Robey of Water Valley and her sister Rebecca Murphy of Detroit and Rebecca's two children, Jane and Dwight.

Mary Virginia Bonekemper and her two lovely children Bill and Julie are enjoying a week's vacation in the home of her parents Mr. and Mrs. Trevor Wayne. The trio flew to Paducah from their home in Fort Wayne, Ind. Bob will arrive Friday for a week end visit and the four of them will return to their home Monday.

Coming home too for a visit for the first time since their

wedding on July 4 is Joe and Marilyn Davis.

"Doctor" Joe, you know is an extern in Silvercreek Hospital in New Albany and is taking a little vacation from his duties there. All of us will be glad to see Doctor Joe and Marilyn and we are sure that the Falls, the Davises, the Sangers, et al are making many preparations to give them a good welcome home. Joe will continue his medical studies at the University of Louisville this fall and will also do part-time work at the hospital. The couple makes their home in New Albany, which is just across the river from Louisville. Elva patiently told us, when we inquired how he could go to school in Louisville and still practice in New Albany, Ind.

Leave us face it! Fulton and South Fulton have more real, livin', hones' to goodness talent than any other community of its size in America. And what is more we have a group of people around here who really know how to put on any entertainment you can imagine.

Such was exhibited at the Country Club last Friday night when the club sponsored a very pleasant evening and dance, complete with floor show. The idea started in the gay, fertile brains of Mary Davis Weaks and Jane White. What with the dozens of attractive visitors in town and the little let-down of the summer months, the gals thought it apropos to have a bang-up entertainment to liven things up a bit and show the visitors a good time.

Mary Davis and Jane got in touch with Lorne Hughes of the club's entertainment committee and from then on it was big doings all the way.

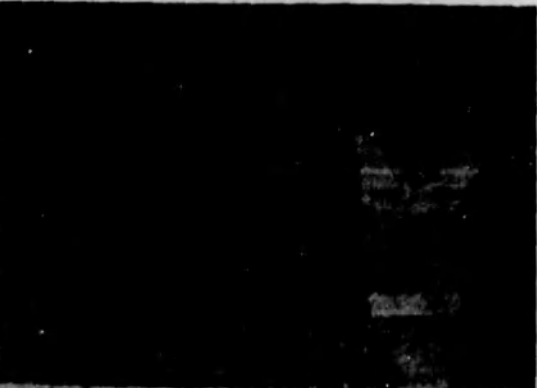

The club looked especially lovely. Russell Johnson did an unusually good job as master of ceremonies and Eddie Erickson, Beverly Hill, Kaye Bowen, Hank Huggins, and Herman Lane and Miss Burlouse of Paducah put on a most enjoyable floor show. Mr. Lane and Miss Burlouse are from the Arthur Murray School of Dance in Paducah.

The many interesting visitors to Fulton took the spotlight at the Country Club Tuesday. The club was overflowing with members, new members and their guests and the conversation was so enthusiastic at one time it was right difficult to hear a complete sentence.

Getting great interest was the announcement of the new members from Hickman, which item bids to make life at the Country Club mighty interesting. Take Joye Stokes for instance. Joye got right enthusiastic about her golf game and since we were not able to play we wonder if she wanted around like she said, or if she really plays a bang-up game. We will get the full report from Elva Fall the

ENJOYING THE HOSPITALITY at the Country Club Tuesday were Martha Hornsby, Joye Stokes and Jessie Lee Goulder all of Hickman. The ladies had high praise for the club and its activities.

next time we see her.

(Hear tell she shot a 57, which in anybody's country is okay, for women, as they say.)

Martha Putnam had some attractive visitors at the club for luncheon. Both Marie Wallace and Martha Sue Ryan are from Murray and they looked awfully pretty in their white summer frocks. And as always we were glad to see Virginia Kizer of Milan who is visiting her mother Sara Meacham, and Mary Virginia Bonekemper. Margaret Waterstreet of St. Louis was a luncheon guest and is a visitor here with her mother Mrs. Vodie Hardin.

The vivacious Waterstreet youngsters are here too, while Elva is on an Eastern business trip.

The Freddie Homras have as their houseguests Margaret's sister Helen Kassia and two good-looking youngsters Nancy and Gregory. Helen is from Sacramento, California where the natives always have a wonderful talking piece in the weather. Wonder what Helen thinks of these cool nights and these... dad-blasted hot days. And from California too, out at the club, was Barbara Pendergraft of Whittier. Ann Sensing was at the club. She's from Murray. Sara Helen Kesh of New York, too.

The Hickman gals, Martha Dullie Hornsby, Charlotte Sanger, and Jessie Lou Goulder had a great time listening to Joye's golf game. Which reminds us of a story we heard recently about the sport. Golf, says Patty Berg, is like the foot and mouth disease, hoof it all day and mouth it all night. And as is characteristic of a golfer, the score gets

of the occasion. Too, all the Conleys wrote their own favorite recipes and put them in a booklet for Ann when she starts on her kitchen patrol.

Tuesday morning Katie Lowe had a coffee party for Ann and Carmen at her home on Third Street. Delicious party dainties were served to the guests who listened with a great deal of interest of Katie's participation in the drama presentations of the Murray Players.

The guest list included: Jane White, Mariann Brady, Nancy Wilson, Jane White, Mary Davis Weaks, Patsy Byassee, Carmen Pigue, Clasy Hatfield and Vicki Saade of Murray who is visiting. Katie, Vicki is a lovely Central American and immensely enjoying her schooling at Murray.

The party-line continued into Tuesday night when Mariann Brady and Janice Wheeler entertained for Carmen and Ann.

The party was a dessert bridge and the lovely hostesses did themselves proud in fixing up the house, the party delicacies and the bridge tables. The party was held at Janice's home.

The guest list included Patsy Byassee, Nancy Wilson, Betsy Whitesell, Jane White, Mary Davis Weaks, Clasy Hatfield, Katie Lowe, Vicki Saade, Frederica Gibson, Patsy Workman, Sue Byars and Nell Westmoreland.

Betsy Whitesell is home from a wonderful visit in Maryland and of course is caught up in the last days of activity for Carmen's wedding. Betsy, by the way, has accepted a teaching position in Greenville, Illinois and soon will be wending her way up there to find an apartment, which she and her roommate Bobbie Congelton of Beattyville, Kentucky will share. Bobbie will also teach in Greenville.

Speaking of Carmen's wedding, we were reminded the other day that the long chain of this long and happy friendship where everything was shared between five Fulton lassies, will be wrenched a little by the absence of Anne Latt, at Carmen's wedding. Ann will return from Europe on August 11 and will have missed the wedding. She will have to double up on enjoyment at Ann's wedding.

The McDades and the Hunts of Mayfield motored to Alamo, Tenn. last Saturday night for a sort of reunion of all the folks. A sumptuous meal was served by the Paul Conleys to the more than 30 guests. An unusual centerpiece for the table was a magnificent up by the Conleys in the form of a magnolia entwined fruit basket. The Conleys have a wonderful orchard, so in the center of the magnolias they placed specimens of the various fruits grown in the orchard. Everything from grapes to watermelons was put on the table and Ruby, (Ann's mother) was most interested in the dwarf watermelons, about the size of a cantaloupe, that were on the table.

The Conleys are practical folks and gave Ann many useful kitchen utensils as a memento of the occasion.

time, then obviously there is no bouquet to throw. Nancy Wilson came up with the idea of fashioning a bouquet of the yards of colorful ribbons that encircle the wedding gifts received by the brides. Its perfectly beautiful with all the silken and colorful ribbons. Never underestimate the initiative of this modern age.

Brides are always the inspiration for showers, whether or not there's a cloud in the sky. Miss Nancy Jones, the bride-elect of Dallas Edward Shackelford was honored with a miscellaneous shower last week by Mrs. Aubrey Taylor and Mrs. Edith Nall. The party was held at the John Melton home on Arch Street, where the lovely living-room was made lovelier by beautiful flowers placed at advantageous places. The evening was spent in many party games and the gifts received by the winners were given to the honoree.

A tempting salad plate was served at the end of the entertainment.

Miss Glenda McAlister was also the recipient of many useful gifts when Mrs. Carl Hurst, Carolyn Blazie, Celia Brockman and Sue Hicks entertained at a

Miss Pigue Tells Plans for Her Wedding to Mr. Depp on Sunday at Methodist Church

Of social interest is the announcement made today by Miss Carmen Pigue of her wedding plans. Miss Pigue, the daughter of Mr. and Mrs. Bertie Pigue of Fulton will be married on Sunday, August 8 at four thirty in the afternoon to Oren Larry Depp, Jr. Mr. Depp is the son of Mr. and Mrs. Oren Larry Depp of Owensboro. Miss Pigue has been the inspiration for many lovely pre-nuptial parties in her honor.

Rev. Dan Overall, pastor, will officiate at the double ring ceremony. Mrs. C. L. Maddox, organist, and Mrs. H. N. Strong, soloist, will render a program of nuptial music.

The bride will be given in marriage by her father, Bertie Pigue.

Miss Nancy Wilson has been chosen as maid of honor and Oren Larry Depp, Sr., of Owensboro will attend his son as best man.

Bridesmaids will be Miss Ann McDade, Miss Jane White, Miss Belle Whitesell and Miss Virginia Depp of Owensboro, sister of the bridegroom.

Ushers will be William Fossett of Falmouth, Kentucky, Virgil Christian of Horse Cave, Kentucky, Charles Campbell of Fort Mitchell, Kentucky, Robert

Downs of Owensboro, Kentucky, Tom Proctor of Bowling Green, Kentucky and Eugene Pigue, brother of the bride.

Miss Carmen Weeks, daughter of Mr. and Mrs. Parks Weeks, and Bobby Dick Depp, brother of the groom, will be ringbearers.

Acolytes will be John Depp, brother of the groom, and Jere Pigue, brother of the bride.

Immediately following the wedding ceremony Mr. and Mrs. Pigue will be hosts to a reception at the Fulton Woman's Club.

HOBBS AND NAYLOR NUPITALS ANNOUNCED

Of widespread interest in this community is the announcement of the marriage of Miss Maidelle Hobbs, daughter of Mr. and Mrs. Walter Hobbs of Chicago, Ill., to James Neal Naylor, son of Mr. and Mrs. James Naylor of Hickman, Route 1.

The wedding was performed at the West Baptist parsonage in Hickman on Sunday at 2 p. m. by Bro. Homer Robertson.

The couple's only attendants were Mr. and Mrs. C. W. Poston. The immediate families were present.

The bride chose for her wedding a green iridescent silk dress with beige accessories.

Immediately after the ceremony the couple left for Portsmouth, Ohio, where Mr. Naylor is employed. Mrs. Hobbs has been employed at the Taylor Electric in Hickman where she will continue until September.

WELFARE WORKERS HAVE JULY MEETING IN THE HOME OF MRS. YATES

The Welfare Workers Club met July 28 at the home of Mrs. Ocie Yates. The house was called to order by the president, Mrs. Karl Kimberlin. The song, "In the Garden" was led by Mrs. Dorothy Watts. Mrs. Guy Finch read part of the 31st chapter of proverbs; prayer was led by Mrs. Dorothy Watts. Mrs. Martha Oliver read the club creed. Roll call was answered by "My favorite magazine." Ladies Home Journal led all the rest.

Mrs. Dorothy Watts and Mrs. Karl Kimberlin reported on the Better Home Tour. Mrs. Roy Watts reported on a Stanley party given for the benefit of the club.

Hose ordered for the club ladies were delivered and paid for, for the benefits of the club treasury.

Plans were made for the club picnic. The families will meet at Kingston's corner, with picnic baskets and go together to the Irvin Cobb resort Aug. 10 for their annual picnic.

Mrs. Bettie Watts demonstrated buying towels and wash cloths and the care of them.

Miss Odum gave a talk on better gardens just having judged better gardens in Henry County, demonstrating the use of mulch during a drought. Recommends it highly for use anytime as a labor saver. She also spoke of the Window Fair being planned for Fulton, Sept. 21, 22, and 23 and later for Dresden, stressing the educational feature for this year.

Good morning was the subject for a lecture, which was interesting and instructive.

Dr. Byers, Health doctor of Weakley County, after losing his way a time or two, arrived in time to discuss accidents and their prevention on the roads and in the homes.

Nineteen members and several visitors were present. A delightful luncheon was served at the noon hour. A stork shower was given for Mrs. Charles Sheridan.

A sale was staged. Recreation gifts were distributed. A motion was made for adjournment. The club will meet on Aug. 10 for the family picnic.

PATSY JANE HUIE WEDS HAROLD NORRIS ON SUNDAY, JULY 18

Mr. and Mrs. Rex Huie of 621 East High Street, Union City announce the marriage of their daughter, Patsy Jane, to Harold Norris, son of Mr. and Mrs. Paul Norris of the Jordan Highway.

The ceremony was solemnized at the home of the Rev. A. T. Evans at 3 o'clock Sunday afternoon, July 18. Only the immediate families of the young couple were present.

Mrs. Norris chose for her wedding a white summer suit. Her accessories were also white. The corsage, a white orchid, was pinned at her shoulder.

The bride was graduated from Union City High School in the class of 1954. She is now employed at the Obion General Hospital.

The groom was graduated from Troy High School and has served in the U S Navy. He is also employed at the Obion General Hospital.

MISS NETHERLAND ANNOUNCES ENGAGEMENT TO WILLIE JOE POTTS

Of widespread interest is the announcement of the engagement and approaching marriage of Miss Nona Alice Netherland, daughter of Mr. and Mrs. Billie Netherland of Union City, Route 3, to Willie Joe Potts, son of Mr. and Mrs. Willie D. Potts of Wingo Ky.

Miss Netherland is a junior at South Fulton School.

Mr. Potts was graduated from Wingo High School in the class of 54 and is now serving with the Air Force at Lackland Air Base in San Antonio, Texas.

The date of the wedding has not been set.

BEELERTON HOMEMAKERS HOLD MONTHLY MEETING IN GARDNER HOME

The Beelerton Homemakers had a most pleasant time in the home of Mrs. Charles Robert Gardner as they met Monday afternoon, July 13, for their regular meeting.

Mrs. Cecil Binford president, called the meeting to order and Mrs. Gardner gave the devotional, reading from Psalm 23rd chapter. This was followed with prayer.

Mrs. Binford was in charge of the business session. Eleven members answered the roll call by telling of the fourth of July which they remembered most.

The major lesson on textile painting was very ably given and demonstrated by the leaders Mrs. S. J. Walker and Mrs. L. E. Bynum.

Refreshments of delicious home made cookies and lemonade were served by Mrs. Gardner to eleven members: Mesdames S. J. Walker, L. E. Bynum, J. W. Johns, Grace Gardner, Gilbert Ladd, John Ladd, Melvin Stephen, Cecil Binford, Jim Walker, Bert Walker, and Charles Robert Gardner. Two visitors, Mrs. Will Best and Miss Boone Walker were present, also five children.

The group adjourned to meet with Mrs. Leslie B. Lewis for their annual picnic on Friday night, August 20, at 7:30 o'clock.

Diary (continued from page 7)

showed, in the bride-elect's honor. Miss McAllister will be married to Bob Miller on Sunday August 15 at the First Methodist Church.

The hostesses arranged many interesting events in connection with the party and many guests enjoyed the event.

Congratulations to Susan Stokes on her eleventh birthday. Susan had a fine swimming party for her birthday, which she shared with Kelly Reams, Eva Jo Reams, Rita Kramer, Susan McDade, Janice Sue Fields, Jane Reed, Lynn Johnson, Ladd Stokes and the honor-ee.

Susan's eleven years reminds us of a story we heard at a basketball game last year. We were sitting next to an eleven-year-old, whose "big" sister, two years older, came in with an-

other group. When asked why she was not with her sister's group she said: "That's the high and mighty teen-agers, they don't want kids around."

Just as visitors are coming to Fulton, so Fultonians are doing a little vacationing themselves. Last week end Mr. and Mrs. Clyde Williams Sr. and Mr. and Mrs. Nick Kish and children of Buffalo, New York visited with Mr. and Mrs. Robert Koelling in Dallas, Texas.

The Arch Huddlestons and son Charles have left these parts and have gone down Florida way for a fine week or ten-day visit under the palms.

Slight Change
Overheard at Milliner's: "Ian! it just too sweet, dear." "No, it's just too dear, sweet."

ADAMS SEEKING
TO FIND COUNTIES
FACING DROUGHTSays He Will Make
Appeal To Governor
For Needed Help

Agriculture Commissioner Ben S. Adams announced today that his Department has mailed out questionnaires to all of the 120 counties of Kentucky to determine the extent of damages that has been created by the drought conditions. This questionnaire has been mailed to all county agents in addition to the county Farm Bureau presidents.

Adams stated that if the findings of this survey indicate that drought losses are approaching disaster proportions he will request Governor Wetherby to appeal to the President to declare all or parts of Kentucky a drought disaster area. In 1953, 80 Kentucky counties were designated as drought disaster areas and made eligible for benefits under the USDA Emergency Feed Program.

The questionnaire that Commissioner Adams is sending the various county agents and Farm Bureau presidents requests that they estimate the percentage of damage the drought has caused to tobacco, corn, and pasture in their respective counties. These county leaders will also be asked to express their opinion as to whether or not the farmers of their county need an emergency feed program similar to the one operated in Kentucky last year.

Girl Scout Council
Announces Winners
Of Poster Contest

Winners of the Recruitment of Adults Poster Contest sponsored by the Public Relations Committee of Bear Creek Girl Scout Council were announced today by the Council President, R. G. Matheson. Posters expressing the need for adult workers in Girl Scouting were made by Girl Scouts throughout the Council. Neighborhood contests were held with the three top winners in each neighborhood competing for campships. Final judges were Mrs. Charles Torreyson and Mrs. Paul Sargent. Results were:

1st Prize - Martha Vicinus, Paducah, Troop 87.
2nd Prize - Eleanor Ferguson, Benton, Troop 41.
3rd Prize - Donna Gordanier, Paducah, Troop 101.
Julie Nichol, Paducah, Troop 102, got Honorable Mention.

Fulton County Milk
Comes From 4 Dairies

The Fulton County Health Department announced today that Fulton receives its milk supply from four dairies: The Fulton Pure Milk Company, Ryan Milk Company, Miller Dairy and Sealtest. All of the above supplies are approved by the Fulton County Health Department and the Kentucky State Department of Health. All of these dairies are meeting all requirements for Grade "A" Pasteurized Milk. Grade "A" Pasteurized milk is the only milk permitted to be sold in Fulton, Kentucky. This is a requirement of the Milk Ordinance of this city.

AUSTIN SPRINGS
Mrs. Carey Fields

Mr. Earl McClain has returned to Detroit, after spending vacation here with relatives and friends.

This section had a good rain fall Monday night which was greatly appreciated by the farmers. It will aid the soil for fall plowing with plenty of moisture. Bean crops, and tobacco, cotton, and late corn have taken on new life. There will be extensive plans for all corn crops to be seeded by early fall.

On next Saturday Aug. 7 the annual meet will be held at Acree Cemetery nearby this village, when the committeeman in charge will receive the work and upkeep of Mr. Dave Mathis. This cemetery is among those cities of the dead, that marks over a cemetery, and since the addition of more land on west side, now covers quite an area. There will also be a memorial service held at 11 a. m. by Rev. L. W. Carlin Paducah, Ky. Basket lunch will be served at noon for those who carry it. All those who may visit and view the well kept graves of their loved ones, and add a nice contribution, will be appreciated by your committeeman.

Bids will be taken for the cemetery care of 1955.

Mr. B. W. Westbrook continues to improve and is getting around here at his home.

Rev. Azbill evangelist, of Jackson, Tenn. filled the pulpit at New Salem Baptist Church the past Sunday and will continue until Rev. R. W. Campbell, the pastor has finished with revivals at his church previously engaged.

Mr. and Mrs. J. T. Puckett and daughter Paula, were visitors of parents Mr. and Mrs. Lee Pury the past Sunday.

Mrs. Susie Fields remains about the same as last reported.

Thursday Aug 5th all voters will again be on the move throughout the day casting their vote at the polls of this District. At Bumpass store. This is one of the hottest contest for Governor in any primary this writer has ever reported from here. To be a real American cast a vote. Vote your choice, but vote!

Mr. Lon Byers spent the past week end in Dresden with relatives. He reports this section is still very dry. Rain would certainly be appreciated as their rainfall is far less than here in North West Kentucky.

Mr. and Mrs. Fred Farmer are improving at their home, each have been under medical care of Dr. Bushart of Fulton Hospital.

Mrs. Fred McCoy Jr. and children Patty and Freddie Ray visited parents Mr. and Mrs. J. Clyde Johnson the past Sunday.

Mr. Bob (Red) Austin aged citizen of this village is able to be up, and although confined to his home in this village he enjoys visits from relatives and friends. His daughter Mrs. Mattie Douglas and children live here and take care of him.

Fire broke out in this area the past Saturday afternoon and supposed flying sparks set fire to the home of Mrs. Griffith mother of Raymond Griffith. All the furniture was removed, but with running water from Raymond house across the road the blaze was soon extinguished with only damage to roof. All volunteer help was rushed into service and another neighborly act was appreciated by the Griffith family, as no member was at home at either house.

Cotton insects destroyed more than 8 million dollars worth of lint and seed in Tennessee during 1953.

Small size turkeys, ideal for frying, broiling, or roasting, are expected to be plentiful on August markets.

MORE DEDUCTIONS
IN NEW TAX LAW;
MAY SAVE MONEY

The new Kentucky income tax law may save you some money next year.

Besides requiring employers to withhold tax from salaries paid employees, the new law allows an individual to take advantage of certain deductions and credits which were not permitted before. This means in many cases that an individual who earned the same income in 1954 as in 1953 will pay less state income tax on the 1954 income.

Some of the new deductions and credits which will be permitted when the 1954 returns are filed are:

1. Credit may be claimed for any dependent who is claimed on your federal income tax return.

2. Extra credits may be claimed for persons over 65 years of age or blind.

3. Same treatment of gains and losses from the sale of capital assets as allowed on federal return.

4. If deductions are itemized, these will be permitted:

A. Seven cents a gallon Kentucky gasoline tax.

B. Three per cent usage tax on automobiles.

C. Kentucky income tax paid during the year.

D. Higher limit on deductible charitable contributions.

E. Higher limit on medical expenses; if taxpayer is over 65, all of his medical expenses are deductible, and

F. City occupational taxes if paid to city outside Kentucky.

Persons who have questions about the new Kentucky income tax law may contact the Income Division, Department of Revenue, here, or one of the department's district offices in Ashland, Lexington, Covington, Louisville and Paducah.

The average hog that went to slaughter in 1953 had a live weight of 236 pounds.

MULE-HIDE

Insulating Siding

- Comes in 43 x 11 inch panels
- Has ¼-inch layer of INSULATING MATERIAL between two layers of asphalt.
- Has a life of 25 YEARS or more.

When siding is applied, all openings are stripped and caulked.

— giving an AIR TIGHT job.

The CONSTRUCTION of MULE HIDE siding gives it lasting qualities:

1. A layer of asphalt
2. A layer of insulation
3. A layer of asphalt
4. A coating of ceramic granules pressed into the top layer of asphalt. Because they are CERAMIC granules, the color is PERMANENT!
