Word Pictures Of Woman of The Year

(See Diary of Doings for the story)

"Who Me?" Sara Bushart says to O. H. Zimmerman, I. C. general manager as Zimmerman suggests before the announcement that she might be the Woman of the Year.

"O, NO," Sara says as the first hint of the script indicates that she might be named the outstanding Fultonian of 1954. That's Sara with her hand to her face.

"Thank You," Gov. Wetherby, Sara says after it was announced she was the Woman of the Year and the Governor presents to her a gold loving cup from the Fulton County News. Dr. Ward Bushart looks on and he's proud of his wife.

WFUL, Lookouts In Broadcast Contract Of Fulton Games

The entire baseball schedule of the Fulton Lookouts will be broadcast over Radio Station WFUL, Chic Wingate of the station said today. A contract with the Fulton Baseball Association has been signed by K. P. Dalton, president and Foad Humra one of the directors of the organization.

Broadcast of the games, both

home and away, is the first time in the history of local baseball that they have been broadcast.

Mr. Wingate and the entire official family of the baseball organization is very pleased with the arrangement and feels that it will be a great incentive toward bolstering baseball enthusiasm here.

Mr. Wingate told the News that the program would necessitate the travelling of some 6400 miles during the season. Sponsorship of the programs will be by local merchants with one-third of the proceeds from the sponsors to be given to the treasury of the local ball club.

Baseball season in Fulton will open the first week in May, with big opening ceremonies planned for the occasion.

GRAND OLD LADY OF IRELAND DIES IN LOS ANGELES

Mrs. Marv Flaherty Is Grandmother Of Mrs. C. H. McDaniel

A grand old lady of Ireland, born on St. Patrick's Day in her beloved County Cork, passed away in Los Angeles Monday, when death claimed Mrs. Mary Flaherty, 97. Mrs. Flaherty was the grandmother of Mrs. C. H. McDaniel and visited her several years ago. Mrs. Flaherty had been in failing health for several years, but her illness did not dim her wonderful Irish wit, nor lessened her enchantment for living in America.

Mrs. Flaherty spoke in her native Irish tongue and it was a true delight to hear her brogue of pure Irish.

When she visited here she left to visit with her grandchildren J. R. Riley and Mrs. Arnold Kusters in Los Angeles. She took her first plane ride and was thrilled at the adventure.

Her body was flown to Brady Brothers Funeral Home in Chicago for burial in Mount Olive Cemetery. Mrs. McDaniel left Monday to attend the services.

Her daughter Mrs. Elizabeth C. Riley survives. Her husband John Flaherty preceded her in death several years ago.

GEORGE PICKERING, FORMER RESIDENT DIES IN MAYFIELD

Retired Citizen Was Reared Near City Of Fulton

It is with sadness that Fulton residents learn of the death of George Pickering a former resident of near Fulton. Mr. Pickering was the brother of Mrs. Effie Huddleston of this city. He was born and reared near the city and had many friends in the area. He was 76.

Mr. Pickering had lived in retirement in his home in Mayfield for many years and was in failing health for some time. He was a former employee of the State Highway Department shops in Mayfield.

Services were held in Mayfield Sunday afternoon from the First Christian Church of which he was a devout member. As a tribute to him the Reverend Warren Hastings, a prominent churchman conducting services in Paducah assisted his pastor, the Reverend Baxter in performing the last rites.

Besides his sister in Fulton he leaves two daughters Miss Elizabeth Pickering of Washington D. C. and Mrs. Gertrude Wright of Mayfield.

Mr. and Mrs. Clarence Pickering, Jake Huddleston and Arch Huddleston attended the services. The News joins the many friends of the family in extending heartfelt sympathies to them in their bereavement.

ROTARY LADIES NIGHT WILL BE BIRTHDAY PARTY

Every Member And Guest Will Share Honors

A multiple birthday party is being planned by the Fulton Rotary Club for its next Ladies Night, to be held Thursday March 31 at the Strata Club. At Everybody's Birthday Party every guest is said to share the honors, everyone to participate in the fun making. The years are forgotten while the members and their ladies alternately compliment and rib the Januarians, Februarians, and other month-groups. Only one group lauds it over all others. The Aprilians' subject is, "April Fool, Everybody."

Though birthdays will be the theme of the party, the schedule indicates many other laugh stunts to crowd the evening with surprises. Titles of some of the skits are, "Miss Cute Trick and Mr. Life of the Party," "Behind the Iron Curtain," "Poppa Loves Mama, but Wait."

Program Chairman Joe Davis reminds the guests to bring a long a gift, "not the ordinary kind, but the extra-ordinary, the idea being to make your gift appear funnier to the recipient than his does to you. Go easy on sentiment, hard on laugh."

At the meeting Tuesday the following officers were elected: Board of Directors, Shelton Owens, Gene Williamson, J. O. Lewis, Harvey Caldwell, J. D. Hales, Arch Huddleston, T. J. Kramer, Jr.; President, J. O. Lewis, Vice-president, Harvey Caldwell, Secretary, Fred Gibson, Treasurer, Arch Huddleston.

FEDERAL INCOME TAX RETURNS DUE DATE EXTENDED

Misunderstanding Arises: Returns Now Due March 28

Wm. M. Gray, District Director of Internal Revenue, announced today that the due date for filing corporate returns was March 15, 1955, although some corporate taxpayers erroneously believed that this date had been extended to April 15, as was the case with individual taxpayers.

He added that because of this erroneous belief, a reasonable cause for late filing shall be presumed if a tentative return is filed by March 28, 1955, accompanied by 50% of the tax liability in such cases, he stated, interest will be imposed from March 15 on first installment only, and second installment of 50% may be made on June 15 without interest.

Mr. Gray also pointed out that the deadline for filing individual Federal Income Tax Returns is April 15th.

Waterfield In Race With A. B. Chandler

(see editorial page)

Harry Lee Waterfield, Clinton publisher, who formally declared his intention to seek the office of Lieutenant-Governor in the August primaries is today making a formal statement to the papers in Kentucky. Mr. Waterfield has stated that he will seek the office on the ticket of A. B. (Happy) Chandler who is seeking the office of Governor.

Mr. Waterfield's statement follows:

After consultation with as many citizens in the State as circumstances permitted, my decision to run for Lieutenant Governor has been confirmed and I am now filing my formal declaration with the Secretary of State.

Since it became generally known that I would become a candidate for Lieutenant Governor,

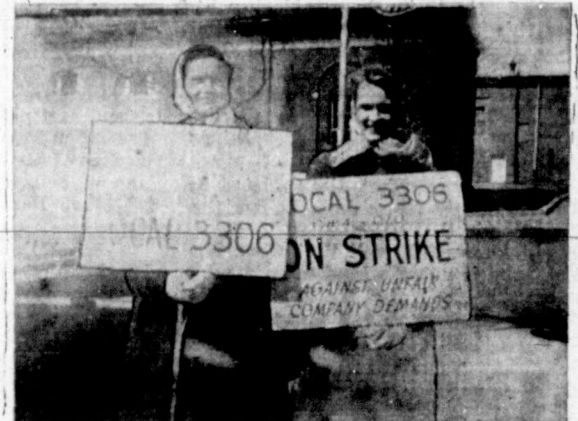

Southern States Report Shows Good Results

Farmers in the six-state operating territory of Southern States Cooperative used their organization more than ever before during the first six months of the 1954-55 fiscal year, according to a report presented by O. E. Zacharias, Jr., of Richmond, Va., to members at their annual regional board meeting held in Mayfield, Kentucky.

Total service volume for the cooperative and its affiliates, was reported as \$72,919,946 as compared with \$65,903,990 for the same six months of the previous year.

Tonnage volume, the true measure of a cooperative's service to its member-owners, was also at an all-time high.

No-Strike Clause Not Only Issue In Dispute, CWA Says

Frances McCollum and Marian Lee Oliver continue their picketing of the local telephone exchange while the strike is on.

Local representatives of the Communications Workers of America and Southern Bell Telephone Company reported Wednesday that no immediate end to the phone strike is in view. The local phone workers have been on strike since six a. m. Monday, March 14.

This is the second major phone strike on the Southern Bell system in nearly eight years, when the entire nine-state area, ...

C. E. Hughes, local phone company manager said today: "We regret the inconvenience the phone strike has caused and assure you the efforts of the employees on the job to render the best service possible. There will be an equitable adjustment made on the next statement or as soon thereafter as possible."

which Southern Bell serves, was crippled for five weeks in the Spring of 1947.

Meanwhile negotiations continue between Southern Bell officials and officials of the union under the active guidance of the Federal Mediation and Conciliation Service.

In a statement issued to the News on Wednesday Pete Byars, local CWA president said that it is not the company's no-strike clause which is separating the parties from agreement. He continued by saying: "We are saying that we will not sign a contract which contains a no-strike clause unless the contract also contains full scale arbitration rights."

On the other hand Mr. Hughes

stated that the Southern Bell Telephone Company will not agree to the decision of a third party, or disinterested mediator, that will affect the policy of the management where it affects the investment of its stockholders.

In his statement Mr. Byars said that other items holding up the signing of the contract are:

1. Striking telephone workers are trying to win a general wage increase.
2. Also in dispute is craft work by supervisors.
3. Unrestricted arbitration.

The statement also stated that there is always a risk in arbitration, but risk is well worth taking when your objective is to obtain peaceful and stable labor-management relations.

Except for a few minor incidents the strike of local workers has been orderly. Emergency calls are being handled by a staff of 13 workers.

KENTUCKY BAPTIST PLANNING REVIVAL MEETINGS IN APRIL

Local Baptists, To Join State In Simultaneous Meets

Some 150,000 people are expected to be attending evangelistic services at a Baptist church in Kentucky each night during the period April 10 to 24, according to the Rev. Eldred M. Taylor, Louisville, evangelism secretary for the Executive Board of the General Association of Baptists in Kentucky.

These are the dates that Kentucky Baptists will participate in the nationwide simultaneous revivals which Southern Baptists

On April 3 the well known evangelist, Vincent Cervera, will be at the First Baptist Church for an 8 day Revival. Rev. Cervera was here in 1953 and all who heard him are looking forward to his return. Those who did not hear him will want to avail themselves of this opportunity to hear his dynamic Gospel messages.

Services will be held each evening at the church at 7:30 p. m.

The public is cordially invited.

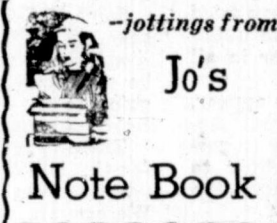

... are holding in March and April. A majority of the 2,254 churches of the state Baptist association are expected to hold revivals during the period, Mr. Taylor said.

Purpose of the revivals will be to awaken the churches spiritually and to win as many converts as possible to the Christian faith.

Preparations, already several weeks underway, are now near-

Chic Wingate, of Radio Station WFUL will be in Louisville next Monday, Tuesday and Wednesday attending a meeting of the Kentucky Broadcasters Association.

Another bigger and better Cub Scout Minstrel has been presented and each time I see one I just wonder how in the world can all that work be done in so short a time.

It was a terrific undertaking for the Cub Scout leaders and there isn't enough praise in the dictionary that we can give them all. The specialties were super, the chorus was great and the music was wonderful.

Much credit is due Miss Rosemary Peterson for her dance numbers and looks like she's getting right along with some budding Pavlovas. It was a nice gesture on the part of the Four Rivers Council to give that statuette to Montelle Tripp for her untiring work. Can't think of anybody who deserves it more.

And its time for praise too, to the Eastern Star for the unusually successful fashion show presented last week at South Fulton gym. This fellow Chic Wingate is the promoting fellow to hit Fulton since the railroad and you can just expect lots more promoting from

Waterfield Alliances Bring Back Memories

Harry Lee Waterfield's announcement Sunday that he would be the running mate of Happy Chandler in the August primaries came as no great surprise to any of us. The Clinton publisher told us weeks ago that he would be Happy's running mate insofar as he was a candidate running on an anti-administration ticket, and so was Chandler. The announcement Sunday made the alliance definite and public.

Monday's papers reported that Happy was happy about the whole thing. We don't suppose its any secret to you now that Mr. Waterfield was prevailed upon to be the State campaign manager for Bert T. Combs, who is opposing Mr. Chandler. Since Mr. Waterfield had not formally filed for the office of Lieutenant-Governor and since that might have indicated that he was only seriously considering his race this summer, we cannot see that there was anything unusual in Governor Wetherby contacting him about the chairmanship of Combs' campaign. Mr. Waterfield has been in politics long enough to know that such things happen all the time.

We were somewhat disappointed in Mr. Waterfield for making known the discussion in that conference. Mr. Waterfield knows full well that Governor Wetherby is not the kind of man who would "barter" the welfare of his State for political expediency. Gov-

ernor Wetherby's long public service has never, and will never, reveal a "sell-out" of his principles or his Administration for the sake of votes.

Governor Wetherby undoubtedly offered his influence and support as a prominent individual in assisting Mr. Waterfield with Combs' campaign if the Clinton publisher decided to accept the job as State campaign manager. We will never believe that Governor Wetherby intended to "trade" the influence of his Administration for an acceptance from Mr. Waterfield.

Its strange that the words "barter" and "sell-out" should be used in connection with Mr. Waterfield's announcement for Lieutenant-Governor. We like to look at this typewriter, peck away, and wonder where, in our memory of politics gone by, have the words been used before in connection with a Waterfield race.

Willie Foster, Mayfield clothing manufacturer, and one-time close friend and political team-mate of the present Administration was one of the signers of Mr. Waterfield's declaration papers. Seldon Glenn, long-time friend of Alben Barkley was the other signer.

Good luck, fellow publisher Harry Lee Waterfield. May there be no disillusionment at the polls when the voters come out to speak.

Community Concerts Rounds Out Cultural Program

Sunday afternoon at the South Fulton gym the last Community Concert of the season was presented. The artists appearing were "The Angeliens" a talented group of five harpists who presented a concert that was entertaining, delightful and outstanding from any point of view. Had it not been for the local Community Concerts association a great many people here might never have heard this unusual musical presentation, and certainly not at the price at which it was heard.

There has been some little talk perhaps the local Community Concerts Association might disband this year. Reason for the talk is lack of support on the part of local people.

We cannot, under any circumstance, permit the Community Concerts association here to disband. In our estimation it would be a long stride backward and we'll tell you why.

Community Concerts are an integral part of our cultural and educational life. Surely you wouldn't harbor the slightest thought of disbanding our musical program at school. Nor would you think of closing the doors of the Woman's Club, deactivating the music,

art, drama and garden departments. That's unthinkable.

Would you consider disbanding our fine community choral group? Would you put a pad-lock on every musical instrument in town and let the symphony of good music be forever foreign in our homes, our churches and our schools.

How then can we think for a moment of disbanding Community Concerts. To hear the artists in the musical world; to sit together and enjoy the talents of these top artists; to boast of a Carnegie Hall in a small community such as ours is a matter of which we should be justly proud. Prouder should we be of the fact that cities around us, much larger have allowed their associations to disband, and we have kept ours going. It is hoped that we will always boast of this fine community spirit.

Soon a meeting of the board will be held to talk about the future of the concerts here. Tell those members of the board, or write us, that you want us to keep a step ahead in our cultural program and that Community Concerts must stay with us.

How Now, Mr. Pastor, Shall We Address You?

(Ed's Note: We saw this editorial in the McLean County News in Calhoun County and wondered if that editor was right in his opinion. Would like to hear from some of the local pastors as to the correct nomenclature for a minister of the gospel.)

It has been brought to the editor's attention that the NEWS has often been in error in use of the term "Reverend". We have known for a long time that the word was frequently used wrong. Many times we have tried to correct it. However, it is an uphill job to correct every such error in all the copy in the NEWS.

Of course, when such errors appear, it is the paper that is blamed. Apparently there is only one way to correct such errors. That is simply to throw away any articles that have the incorrect use of word.

Perhaps there are some who don't realize that it is vulgar to speak of

a minister as "Reverend Smith" or "Reverend Jones". The Christian Century describes the practice as coming from the "illiterate and unchurched."

Here's what the World Almanac says: A clergyman should never be referred to as a "reverend" or addressed as "Reverend Blank." Reverend should be used as honorable is used. It is "The Rev. Mr. Blank" or the "Rev. John Blank", but NEVER "Rev. Blank."

Some McLean county ministers have asked us not to use the adjective "Reverend" with their names. In order to be correct at all times, the NEWS is going to try—in this case, at least to follow the rules of grammar.

Therefore, if you are writing copy for the NEWS, be sure you DO NOT use the term "Reverend" incorrectly. We can not use any news that contain expressions that make the paper appear illiterate and vulgar.

STRICTLY BUSINESS

FROM THE FILES:

TURNING BACK THE CLOCK

(March 28, 1930)
Miss Virginia Moss and Mr. J. H. Allbritten were married yesterday morning at 9:30 in the home of the bride's parents Mr. and Mrs. D. C. Moss. Dr. Clovis G. Chappell officiated in the presence of a small group of relatives and friends.

An altar was formed with palms, ferns and smilax, on either side of which stood baskets of pink roses and carnations, silver candelabra holding pink tapers were on the mantel. Floor baskets of carnations and ferns adorned the downstairs rooms. Miss Sallie Ashcraft Leake played a program of wedding music before and during the ceremony.

The bride, who was given in marriage by her father, wore powder blue crepe fashioned with a long full skirt and belted natural waistline, a straw hat and other accessories in tone. She carried a shower bouquet of butterfly roses and lilies of the valley.

Miss Frances Moss, who was her sister's maid of honor, and Mrs. C. E. Wallace, matron of honor, wore similar models of rose beige and emerald green crepe, respectively. They wore corsages of rosebuds, sweet peas and forget-me-nots in harmonizing shades. Mr. C. E. Wallace was best man.

Immediately after the ceremony, Mr. and Mrs. Allbritten left for a motor trip to New Orleans, Biloxi and other southern points. She wore a tan and green sports suit for traveling. After the first of April, they will be at home in an apartment at Overton Park Avenue and Clayton Street.

The Illinois Central Service Booster Club held its regular meeting March 25 at 7:30. After the usual order of business was disposed of, nominations were made and the following officers were elected for the ensuing year.

J. S. Willingham, president; R. O. Williams, last vice-president; Claude Linton, 2nd vice-president; J. E. Boone, 3rd vice-president; R. B. Kemp, secretary; D. C. Ligon, advertising agent; J. M. Carroll, mem-

ber of the board of directors; I. L. Holder, member of the board of directors; Roscoe Wilkins, member of the board of directors.

The meeting was concluded with a vocal solo, also a musical reading by Little Miss Marlin, accompanied by Miss Nedra Marlin.

Fulton Commandery No. 34 Knights Templar held their annual elections of officers Friday evening, which resulted in the election of the following officers.

D. Fred Worth, eminent commander; J. J. Hill, generalissimo; Harry Potter, Captain General; C. W. Bridges, senior warden; A. W. Morris, junior warden; R. H. Wyatt, prelate; H. M. Kourie, treasurer; George Hall, recorder; Clarence Stevens, sentinel.

These officers were duly installed by past commander, Clarence Stevens.

Fulton City Chapter of Eastern Star held a state meeting at the Masonic Hall Monday night with a large membership present. The chapter voted unanimously to make Mrs. Eunice Robinson a life member. She was the first worthy Matron of Fulton City Chapter.

The Worthy Matron, Mrs. Coulter, appointed the following committee to serve for the 25th anniversary silver tea: Mrs. Jessie Martin, Mrs. Lon Jones, M. F. DeMyer, Mrs. Eunice Robinson, Mrs. Rebecca McWhorter, Mrs. Bess Howard, Evelyn Barber, Mrs. Margie Cummings, Mrs. Sarah Stillely.

R. L. Veatch, 65 years of age, died at his home near Crutchfield, Saturday morning, March 22. Funeral services were held at Rock Springs Church, Sunday morning, burial following in the church cemetery, with the Fulton Undertaking Company in charge.

In the passing of Mr. Veatch the Crutchfield community loses a good citizen, a man who was highly esteemed by a large acquaintance.

He is survived by two brothers and three sisters.

concerning the sanctity and indissolubility of the marriage bond.

When a young couple enter into the holy state of matrimony, they vow to take each other as partners until death. The contract they make is unique. It solemnly binds both parties until death.

WHILE CLASPING THE RIGHT HAND of his bride, the groom solemnly vows before God and man: "I take thee for my lawful wife, to have and to hold, from this day forward, for better, for worse, for richer, for poorer, in sickness and in health, until death do us part." A similar vow is repeated by the bride. The union forged before God's holy altar is beyond the power of mortal man to sever.

What a mockery these words would be if, while uttering them publicly, either one of the contracting parties was saying privately: "or until some prettier face comes within the range of my vision." The dread evil of divorce makes of these solemn words a hollow mockery.

THE STRONGEST BULWARK of the American way of life is an unswerving stand for the sanctity and indissolubility of marriage. By preserving the home intact, we are safeguarding not only the foundations of orderly government but we are also promoting the highest type of family life.

To those who seek to lower the lofty standards of Christian marriage, let the words of St. Paul be a timely warning: "Not I but the Lord commands, that the wife depart not from her husband. And if she depart that she remains unmarried, or be reconciled to her husband."

CHRISTIAN SCIENCE

The essentially spiritual nature of all that is real and eternal will be emphasized at Christian Science services on Sunday in the Lesson-Sermon entitled "Reality."

Among the selections to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be the following (335:27-29): "Reality is spiritual, harmonious, immutable, immortal, divine, eternal. Nothing unspiritual can be real, harmonious, or eternal."

All the hazards of ordinary highway travel are guarded against by the Illinois Central. Both freight and passengers are protected against many hazards, including bad weather, mechanical trouble and even human error.

COLOR LIGHT SIGNALS

These signals tell when to proceed, when to slow down, when to stop. They "see" over the horizon and around curves, even in bad weather and at night.

SPEED LIMITS AND OPERATING RULES

These govern all train crews. Speeds are set for straight track, curves and other conditions. Rules cover all duties, such as sounding whistles for crossings and protecting the rear of trains when they stop.

SCHEDULES AND TRAIN ORDERS

These control all trains. Dispatchers use telephone, telegraph, radio and Centralized Traffic Control systems. Orders are written for engine and train crews.

CHECKS ON EQUIPMENT

Equipment is checked before and frequently during trips. When trains pass, each crew checks the other train. Passing trains are also looked over by agents and tower men.

CHECKS ON TRACKS

Track workers do this constantly. There are also special rail inspection cars with devices to find flaws no eye can see.

CHECKS ON OPERATION

Responsible officers constantly check train crews and other employees to make sure safety rules are obeyed.

LOCAL LEADERS IN ATTENDANCE AT FARM MEETING

Mayfield Workshop Discusses Urban, Rural Cooperation

James A. Willingham, Fulton County Farm Bureau President, Reginald Williamson W. P. Burnett, of the Pure Milk Company, Johnny Wilson of the Production Credit Association and Allen Wallace, Assistant County Agent, all of Fulton County, were among a group of 118 farmers and business men who attended the Agricultural

Workshop at Mayfield last Friday.

The conference was sponsored by the Kentucky Chamber of Commerce and the Extension Service of the University of Kentucky.

Harper Galton, Vice President of the Kentucky Chamber of Commerce, was Chairman of the meeting which was divided into eight workshop committees. Dr. Ralph Woods, Murray College President, welcome the group and emphasized the need for cooperation between urban and rural people.

Dr. Frank J. Welch, Dean of the University of Kentucky, College of Agriculture, who is also chairman of the Chamber of Commerce Agriculture Committee, stated that this was just a beginning in the right direction.

The Dairy Committee recommended a study of the possibilities of increasing the production of alfalfa and the increased use of silage, and emphasized the need of good breeding and good feeding practices.

The Workshop Committee on Meat Animals stressed the need for up-grading beef cattle and recommended shifting from lard-type hogs to meat-type hogs and increasing sheep production in the area.

The small fruits committee saw great possibilities for farmers in this area in the Pro-

duction of Strawberries. They pointed out that the demand had more than doubled since the days when peak production was reached in this area, and that production had decreased considerably. They further noted that Strawberry yields had doubled in recent years.

Five other Workshop Committees gave recommendations on phases of farming covering Commercial Vegetable Production, Water Control, Tobacco, Forrest Products and Poultry and Eggs.

Ray Cornett, Field Representative of the Chamber of Commerce, said that an Association will be formed in the area for each of the Workshop Topics. This association will be composed of four men from each county in the Purchase.

Adlai Stevenson Names Lake Lodge

Adlai E. Stevenson is the author of the name "Lure Lodge" which has been selected for the lodge at Lake Cumberland State Park.

But this Stevenson was not the Democratic presidential nominee in the 1952 election. He is a distant cousin of the former Illinois governor, and is a businessman at Madisonville, Ky.

The Division of Parks conducted contest to select a name for the lodge which would distinguish it from other vacation accommodations in the area bearing the name "Cumberland." More than 750 persons submitted names.

Mr. and Mrs. Slayden and Tony spent the week end with her parents, Mr. and Mrs. Hal McQueen of near Tiptonville.

pletely opposed to that of the present State Administration and the persons who dominate it—both within and without Kentucky. The rumors which have spread across the State are baseless and I now, once and for all, set them at rest. Any alliance with such persons or with such a philosophy of government is completely foreign to my thinking, my record and my background and, of course, is rejected.

In government, as in other relationships of life, there is a natural tendency for people to unite in a common effort to achieve a common goal. Since my ideas of government do not conform to those of the present State Administration and its leaders, it follows logically that my candidacy for Lieutenant Governor will be run and directly identified with that of A. B. Chandler who opposes the present State Administration and its policies. Mr. Chandler, and others identified with his campaign, concur with me in this position. This I believe to be in the public good. I am very certain that the course which I have chosen meets and will meet the approval of an overwhelming majority of Kentuckians who are still free to select their leaders and who, I believe, have every intention of selecting leaders who are not dominated or controlled by the present State Administration.

ing completion. To date, these have included a special week of Bible study in January, the annual state Evangelistic Conference in Louisville Jan. 10-12, religious censuses of the various church communities, study courses in soul-winning and enlistment. In progress or yet to be held are district association rallies in many associations for men, women, musicians, and youth.

Prayer preparation for the revivals calls for a week of prayer immediately preceding the actual services. In this connection, Mr. Taylor estimated that 7,000 cottage prayer meetings will be held in church members' homes during the week of April 4.

Since most of the Kentucky Baptist churches will be engaged in the revivals at the same time, the evangelists will largely come from out of the state. Many pastors, however, will conduct their own meetings.

PATRICIA LATANE

Dear Patricia:
I have been reading your answers to some questions. I would like to ask some questions. Will we be moving any ways soon and where? Will we leave this state and where will we go?

What is so wrong in my home? Will my aunt get her pension back? What will become of her? Is her health as good as it seems to me? Please answer in next week's paper.

W. J. N.
P. S. Do you answer personal letters?

Dear W. J. N.:
No, I do not answer personal letters. Yes, you will move in a couple of months and will go to the state of Michigan. An older lady who likes to stir up trouble. Yes, she will get her pension back. Yes, she is in good health. Later she will go to a old age home.

Dear Patricia:
I would like to ask you these few questions. How long will we live at the house we are now living in? Could you tell me about where we will move to? Will we ever buy a farm? I enjoy your column very much when it appears in the paper. Thank you.

A. F.

Dear A. F.:
You will live at the present address until November of this year and you will move on a farm south of your present address.

We've been here and mild-mannered (?) Chic comes along and gets it done.
Bravo to you Chic.

Mrs. James R. Hillis is in receipt of a very thoughtful letter from Wayne Johnston, president of the Illinois Central Railroad extending sympathies in the death of her husband. It was so nice of Mr. Johnston to write her and we thought you would be interested in his letter. It follows.

March 16, 1955

Dear Mrs. Hillis:
I am terribly sorry to learn that Mr. Hillis passed away. He was a fine gentleman and a valued employee, and we have suffered a loss along with you. I just wanted you to know that you are in my thoughts and have my deepest sympathy.

Sincerely yours,
W. A. Johnson

Hurry and get well Grace Cavender. Grace took a mean fall on a back stairway at her apartment and was mighty lucky not to have had more serious injuries. The stairway has no hand-rail and that's a mighty dangerous thing to be without. It's a real risky business for all concerned. A quick recovery to you, Grace.

POLIO DRIVE IN BIG DRIVE NETS \$7165 FOR COUNTY

Monies Short Of Goal But Leaders Pleased At Fund

Local efforts of the drive for polio funds were most gratifying, James A. Willingham, county chairman said today, even though the goal of \$8000 was not reached. In a statement issued today Mr. Willingham said:

While we in Fulton County did not reach our goal of \$8,000.00 we did raise \$7165.50 which is some \$1600.00 more than has been raised in any Polio drive before. The people of Fulton County are certainly to be congratulated on responding so generously, especially since from the information available at this time, this will be the year we can say, "We have conquered Polio."

Our Community Chairman and their results are as follows: Fulton Community Area, \$5432.32; Fulton City Schools, \$450.85; Hickman Community Area and Schools, \$1029.63; Cayce Community Area and Schools, \$184.97; County Schools less Cayce, \$67.73.

Thanks again to everyone for their splendid cooperation in contributing and working to make the campaign a success.

PARENTS URGED TO RETURN CARDS FOR VACCINE PERMITS

Only Requests
Of Parents Will
Order Inoculation

We have great hopes that all children in the first and second grades of the primary schools in our community will have the opportunity this spring to receive the Salk polio vaccine. These children have been selected according to a nation-wide plan developed by health and educational authorities and outlined in the leaflet, "Attention, Parents" which were brought to you by your children.

The National Foundation for Infantile Paralysis will provide through March of Dimes Funds sufficient amounts of the vaccine to the Kentucky Health Department so that it may be given in our schools under the supervision of Doctor J. F. Harrell if the vaccine is licensed by the National Institute of Health. When licensed, vaccine will also be made available by manufacturers to physicians for purchase. Children not in the designated grades of school and others wishing to receive the vaccine may obtain it through them.

We shall not know whether the vaccine will be licensed until some time in April, but we must prepare now for our community program so that all three inoculations of the vaccine may be given before schools close and before the polio season.

If this polio vaccine can be offered, do you want your child to have it? The Vaccine Will Be Given Only On Written Request Of Parents.

Harold Jernigan Buys Willow-Wilde Guernsey

Harold Jernigan, Union City, Tenn. has just purchased the young Guernsey sire, Willow-Wilde's Roseals T. V., from Cecil Burnette, Fulton, Kentucky, according to the American Guernsey Cattle Club.

This young bull is out of the cow, St. Albans King's Roseal and is sired by Cowham Farm Tress' King.

An average of 40 persons each minute contributed \$1 or more to support Red Cross services during 1953-54.

On Sunday, March 3, 1929, the official ceremonies dedicating the statues were held in Statuary Hall. Members of the Kentucky delegation and many notables from government attended the dedication. Representative and later Custom Court Judge David H. Kinchloe of Madisonville presided at the ceremonies. Senator Virgil Chapman, then the Congressman from the 7th District, gave an address on Clay and his contributions to America. Representative Ralph Gilbert of Shelbyville spoke on Dr. McDowell the physician and surgeon who is celebrated as the "father of ovariectomy." A portion of the "Wilderness Trail," now Kentucky Highway 150 is named for his celebrated patient, Jane Todd Crawford.

In 1933, the Architect of the Capitol informed Congress that structural conditions in Statuary Hall made it necessary to move some of the heavy statues. The statue of Clay remained in the Hall. The statue of McDowell was located in the corridor leading from the main rotunda to the Senate Chamber.

I know that at this time of the year many Kentuckians are planning trips for the coming

months and many may be visiting Washington. Students from high schools will be visiting the nation's Capital as part of their study of American government. The statues of Clay and McDowell will prove an interesting stop for all Kentuckians.

There are statues and paintings of other Kentuckians in the Capitol, many of which can also be visited on trips here to Washington.

Abraham Lincoln, whose Memorial is a mecca for visitors from all nations of the world, has a portrait, a bust and a statue in the Capitol. The portrait and the bust are located in the northeast corner of the gallery floor adjoining the Senate Chamber. The statue is located prominently in the main rotunda.

Former Vice Presidents Richard M. Johnson, John C. Breckinridge, and Adlai E. Stevenson are represented by busts. Those of Johnson and Breckinridge are in niches in the gallery walls of the Senate Chamber. The bust of Stevenson is located in the corridor by the doorway to the rear of the Chamber. A bust of another illustrious Kentuckian, Senator Alben W. Barkley, will be added to these.

Four Kentuckians have been speaker of the House of Representatives. Portraits of these four - Henry Clay, John White of Middlesboro, Linn Boyd of Trigg County, and John Carlisle of Kenton County - hang in the Speaker's lobby located off the floor of the House Chamber. This area, unfortunately, is not open to visitors.

A portrait of former Representative J. Swager Sherley of Louisville, Chairman of the House Committee on Appropriations at the end of World War I, hangs in the Committee rooms in the Capitol.

EARLY LAYERS MAKE THE MONEY!

SO START CHICKS EARLY!

Every month earlier in the year (before April 1st) that you start chicks makes every hen in your flock worth about 20c more in fall eggs

February starting would double that figure and bring in around 40c more from each pullet in the flock. That's \$40 more per 100 pullets! That's tidy premium for starting chicks early, isn't it? Put those early chicks on Chick Star-Tena and get that premium return on the early fall egg market!

Diary of Doin's

—Around Fulton—

The News writes social happenings about you and your friends.

Maybe you'd like to know a little of the "behind the scenes" tension that we witnessed while trying to keep secret the identity of the "Woman of the Year," who you know had been billed as the Man of the Year. We thought it best to keep it that way this year, since to have said "Man or Woman of the Year" would have given the secret dead away, nearly. Three women were considered by the committee.

Here and now let me give the greatest thanks to that committee, who, we are sure can substitute for cloak and dagger boys any old day. The committee of three men, met in January for hours on four different occasions and came up with the final selection, Sara Busart. As if the earth opened up and swallowed them they kept their own and their selection's identity the deepest secret we ever knew.

But when the name was given to us the trouble started.

In the first place we wanted to figure out a way to make the presentation a novel one. We hit on "This is Your Life," and we believe that the idea was a good one, even if it did come from us. The next problem was to get in touch with a member of the family to work on the events in Sara's life. One day in February we went to the home of Lois Haws and take it from us, to tell her what was on our mind took a lot of hard talking. She was happy and she was the most cooperative and the most helpful help-mate we have ever had the pleasure of working with.

It wasn't long after that visit that someone asked what we were doing at Lois Haws'. Quick like a mouse we told them we were taking voice lessons. Imagine. Not that a lesson or a hundred wouldn't help, but that was quick thinking and they were satisfied.

After that we decided on no more trips to the house so we used the phone and the conversations were as much gobbledy-gook as you've ever heard.

We never mentioned Sara's name, just, "that person," "the citizen," etc. Towards the end of the time, and as the program neared, we really started talking to ourselves, so difficult was the problem to get people on the program and still not tell them who it was. EVERYBODY was so nice about it all.

About a day or two before the program a very good friend of ours said: "I've got it all figured out, its Sara Bushart." We had to stop that, but quick. Knowing that if Mary-Nelle Wright had figured that out, and that she probably would have discussed her opinions with others, we figured that most folks might think that perhaps Mary-Nelle was told. She wasn't, and she didn't realize what a danger she was presenting in telling others who she thought it was. We told Mary-Nelle in no uncertain terms that it was not Sara, that it was a man, just like the award said, and for her to wait just a little longer and she and everybody else would know.

We at first thought that we would tell the participants on the program who it was on Wednesday morning so they could go over their script. Changed our minds on that too. That would give a good eight hours for them to figure that out, so we waited until they got seated at the table in Smith's to give them the script. Although when the Bushart children walked in Wick Smith's right before the program, to keep in hiding until Sara got seated, the secret was out.

Miss Amelia Parrish
Miss Amelia Parrish And Lt. Robert Vidrick
To Be Married; Wedding Planned For Summer

Mr. and Mrs. H. L. Waldrop of 106 Bates Street, Fulton, Kentucky, announce the engagement of their daughter, Amelia Parrish, to Lt. Robert Vidrick of Fort Eustis, Virginia, son of Mr. and Mrs. Louis J. Vidrick of Cleveland, Ohio.

Miss Parrish attended Fulton High School and the University of Kentucky, from whence she received her Bachelor of Science degree in Home Economics in the class of 1954. She is currently employed as Commercial Home Economist for the Kentucky Power Company in Ashland, Kentucky.

A summer wedding is planned in Fulton, Kentucky.

She is the granddaughter of Mr. and Mrs. J. W. Elledge of Fulton, and Mrs. W. A. Parrish and the late Mr. Parrish of Union City, Tennessee.

The most difficult problem we had on hand was to get Dr. Ward and the children to the restaurant. One of the children didn't want any part of eating out and wouldn't get dressed at all. The older Bushart girls had a terrific time getting him dressed. Then there was Dr. Ward to handle.

To get him away from the house Bob White told him that the Governor wanted to see him on important business at our home in the Highlands. Ward didn't want to come, was plenty mad at this writer for two weeks, said we had been avoiding him. That man knew where-of he spoke. Didn't want any conversation with him. Bob talked him into getting dressed and he arrived at our house at about five.

... its me, o no, its me, o no, o no. The Governor just knew that Sara would faint dead away ... she used to have fainting spells you know, as her Chemistry professor at Murray College came to the dinner to testify.

Sara was escorted to the speaker's table and there she sat while her life was recounted. And just as her life has touched all of us, surely that dinner and its little drama must have touched Sara. In the sweetest, most sincere words of acceptance we ever heard Sara humbly acknowledged her honor and those of us at the News and all of Fulton are happy that she was selected the Woman of the Year.

Last week O. H. Zimmerman, general manager of the Illinois Central railroad was a visitor in Fulton to attend the News' Woman of the Year award dinner. It was such a great pleasure to have him here. During his visit several Fultonians saw an entirely different side of his varied life, other than the very capable official position he holds with the railroad.

"Zim", as his friends call him is an expert cook and can whip up the fluffiest batch of scrambled eggs since here we been. He can turn country ham to a fair thee well and what is more while he cooks he whistles at his work. Musicians who heard him, said that gent could match Elmo Tanner any day and we have wondered often ... what else can this man do. Bob Hyland told us. He can hit the meanest golf ball ever socked at the Country Club. He does everything to perfection and we want "Zim" to know that it was a pleasure and privilege to have him with us.

And Sara it was. Governor Wetherby told me that he was sitting next to Sara in the audience, after the speaker's table was cleared to make room for the participants. The Governor said that when the script said ... a lovely home on Walnut Street, he could see Sara getting nervous. (The Governor knew in advance, you know). Then when the script said on February 4, 1917, the Governor said that Sara kept mumbling to herself

BUSY HEN

A Leghorn hen in the 1000 cage flock of Robert Knox in West Tennessee has been doing her best to make money. This gal has been in production only three months and produced three (3) eggs in a single day. She may not do this very often, but it sure does keep the batting average up.

ROSE FENCES KEEP STOCK, SOIL AT HOME

The use of Multiflora rose, the living fence, has been increasing rapidly in recent years. They are cheap, easy to maintain, and will keep your livestock at home. They also attract wildlife. More recently, their usefulness for soil conservation and erosion control is being recognized after 15 years of trials and experiences by farmers working with the Soil Conservation Service and other

agencies.

Multiflora rose should not be confused with hedges of Osage orange. Rose fences do not grow tall enough to shade farm crops or to require trimming when used along farm fields. Their roots do not spread enough to reduce crop yields, and the thorns are not strong enough to puncture tractor tires.

Rose fences are suitable for contour fences between cropland and permanent pasture and between cropland used for rotational grazing. They aid better land use by keeping livestock from pond areas, eroding streambanks and large gullies.

Multiflora rose fence is not regarded as practical for small city lots since they require 6 to 10 feet in height and width for maximum growth. They would work on lots larger than 1/2 acre as a barrier in the rear of the lot.

A mechanical tree planter does a fine job setting the roses and cuts labor in setting. I have set several miles of roses in Western Kentucky and Southern Illinois and most of the stands are in good condition despite the three years of drought.

If you need a good cheap fence it would be well to look into this living fence and see just what the possibilities are. It could save you money. I will not say I will plant them for you, but if you have the roses on hand next year in the first two weeks of March, contact your Soil Conservation Service and let them set up a demonstration for you and I will try to be there with the planter.

Diary

(continued from page nine)
Gene Williamsons among others attended the State Basketball tournament in Lexington and if they aren't eating basketball by now we don't know why. On out day alone at the tourney, six games were played and most of the folks sat through every one. The next day the same... the next day, more basketball and on into the night. Seems like it would have been a different matter if Fulton were playing, but they weren't, but that didn't matter.

Asked if they followed one team through to the end they said: "No, we picked the team that looked the best at each game and rooted for them." That's real enthusiasm for a sport, believe you us.

It will be of great interest to the many Fulton friends of Margaret and Bill Curlin to know that the Curlins are building a new home in Frankfort. We inquired of the couple's friends how the house was coming along and they said: "Fine, Margaret stays on the building site all day long and changes the blueprints every two hours." That's a little exaggerated we know, but its for sure Margaret is watching every tiny grain of wood and sand that's going into that home.

Comings and goings: Helen Creason of Mayfield and her grandson were guests at the Ladies Day luncheon at the Country Club Tuesday. Helen came to visit Ruth Williams, couldn't call, didn't know it was Ladies Day so she brought the young man along and everybody was mighty happy to have him.

Jackie Edwards and Uel Killebrew attended the State basketball tournament and Jackie enjoyed a visit with Kay Cherry.

Don Wright was home for a five-day visit with his parents and left Monday in the brightest blaze of glory ever to hit the highway. As a surprise to him Mary-Nelle and Doc gave him a very nice auto to get around the campus with. Although it was not of a very late vintage, Don couldn't have been prouder of that car had it been a 1956 Fleetwood Cadillac. We're happy for him. And for Donald Mac Speight who has been initiated into Kappa Sigma fraternity and the University of Kentucky.

WE'RE PROUD DEPARTMENT: Of Jackie Bard, a former Fulton High student who did such a wonderful job of addressing the students there last week. Jackie, one of the brightest young ladies ever to graduate at Fulton High is now a teacher of Bacteriology at the University of Tennessee. Of Roma Satterfield, another one of Fulton High's bright young women, who appeared in "The Valiant" a dramatic presentation of the Sock and Buskin Club at Murray. Of Peggy Adams who is going strong as a singer at Murray State. Of Tom Lanarado's band when they play for the ROTC Spring Ball. And don't forget Nancy Adams is featured vocalist with the Melody Men of Fulton and that's sumpin, too.

Wonder what its like to put the old golf bag in the car, drive to Paducah, get out, put on the spikes and prepare to play a round of golf with Patty Berg. That's what Virginia Rogers did Wednesday. Virginia, Fulton's top woman golfer was invited to play a round with the famous golfer in a golf clinic field at Paxton Park. Talked with a golfer Tuesday night and we wondered whether Virginia was getting a good night's sleep. All the folks at the Country Club Tuesday wished Virginia much luck, as does all of Fulton. Those attending the luncheon Tuesday were:

Martha Putnam, Ruth Callahan, Mary Latta, Elsie Weaks, Elva Fall, Mary Nelle Wright, Sara Bushart, Irene White, Vivian Williamson, Ann Holland, Belle Whitesell, Ruth Williams, and her guest, Mrs. Will Creason of Mayfield, Catherine Browder, Virginia Rogers, Florence Beadles, Monte Baird, Jane Edwards, Jo Westpheling, Lorene Hughes, Ruth Scott, Irene Blankenship, Laverne Terry, Irene Boyd, Sara Campbell, Laverne Varden, Mary Louise Warren, Margaret Hall, Mavis Moore.

Five tables of bridge players enjoyed the afternoon. Winners were Martha Putnam, high score, and Ruth Callahan, bingo.

MR. WILLIAMS

Funeral services were held Monday afternoon, March 14, at 2 o'clock at the Old Bethel Primitive Baptist Church for Arthur Williams, 66, who died Saturday morning while enroute to visit his son in Baton Rouge, La. The Rev. Bonnie Ferguson officiated. Interment was in the church cemetery under the direction of Jackson Brothers Funeral Home.

Mr. Williams had lived in Detroit for the past 11 years but was a native of Graves County.

He is survived by three sons, Thomas Harold Williams of Baton Rouge, La., Dean Williams of Detroit, and Billie Gene Williams of the U. S. Army in Germany; three daughters, Mrs. Louise Parker of Detroit, Mrs. Lee Ella Clark of Fulton and Mrs. Hazel Cashon of Mayfield; two brothers, Ernest Williams of Water Valley and Ballard Williams of Mayfield; and two sisters, Mrs. Lula Carr of Wingo, Route 2, and Mrs. Audie McClain of Fort Scott, Kansas.

(The News will answer any question on social security. Just write your question to Social Security Editor, The Fulton News.)

Wonder what its like to put the old golf bag in the car, drive to Paducah, get out, put on the spikes and prepare to play a round of golf with Patty Berg. That's what Virginia Rogers did Wednesday. Virginia, Fulton's top woman golfer was invited to play a round with the famous golfer in a golf clinic field at Paxton Park. Talked with a golfer Tuesday night and we wondered whether Virginia was getting a good night's sleep. All the folks at the Country Club Tuesday wished Virginia much luck, as does all of Fulton. Those attending the luncheon Tuesday were:

Martha Putnam, Ruth Callahan, Mary Latta, Elsie Weaks, Elva Fall, Mary Nelle Wright, Sara Bushart, Irene White, Vivian Williamson, Ann Holland, Belle Whitesell, Ruth Williams, and her guest, Mrs. Will Creason of Mayfield, Catherine Browder, Virginia Rogers, Florence Beadles, Monte Baird, Jane Edwards, Jo Westpheling, Lorene Hughes, Ruth Scott, Irene Blankenship, Laverne Terry, Irene Boyd, Sara Campbell, Laverne Varden, Mary Louise Warren, Margaret Hall, Mavis Moore.

Five tables of bridge players enjoyed the afternoon. Winners were Martha Putnam, high score, and Ruth Callahan, bingo.

cidentally stumbled into the hole.
