Sin is the departure from the will of God. It is the act of doing that which is wrong. It is the rejection of the path of righteousness.

Sin is the violation of the law of God. It is the transgression of the commandments of the Lord. It is the doing of what is forbidden by the divine authority.

Sin is the neglect of the duties of love. It is the failure to show love and kindness to our fellow men. It is the absence of compassion and mercy.

Sin is the neglect of the duties of charity. It is the failure to help those in need. It is the absence of generosity and benevolence.

Sin is the neglect of the duties of faith. It is the failure to trust in God. It is the absence of confidence and hope.
