## WEEKLY NEW ERA.

ONE DOLLAR A YEAR.

HOPKINSVILLE, CHRISTIAN COUNTY, KENT.

FRIDAY, JANUARY 4, 1906.

VOLUME XXVI, NO. 5

## BETWEEN TWO GIRLS

NEGRO PUSHED HIS WAY AND TROUBLE STARTED.

School Authorities Investigate the Matter and Boy Is Punished. Rules Are Adopted.

The West Side school had just dismissed yesterday afternoon and the pupils were leaving in line as usual when Jack Crony, a colored boy, attempted to pass between two of the girls. One of the girls pushed him back. The negro, who is a pupil at the colored public school, began swinging his books by the strap and struck several of the girls. Gertrude McChord, the eleven year old daughter of Policeman George McChord, received a severe blow and the girl hit at the negro with her umbrella. The boy dodged and the end of the umbrella rod struck him on the left temple cutting a gash which bled freely but which is not serious. The boy then began throwing rocks at the children.

The matter was at once reported to the school authorities, both white and colored. This morning Crony's father agreed to whip his son and Superintendent Hamlett, of the white school, and Superintendent Bell, of the colored school, drew up rules for the guidance of the pupils when they meet on the street, the chief of these being that the pupils shall turn to the right and that any remarks calculated to stir up trouble will be promptly punished.

## WITH DOG AND GUN

SEVERAL bird hunters were congregated on the corner recently discussing experiences which they claimed had happened to them during the season just closed.

L. E. Fowler told of bagging two birds under most unusual circumstances. He said that his dog made a point and flushed two birds, which flew off at different angles. He fired at one and killed it, but the other struck a strand of a wire fence about twenty yards away from where it rose with such force that it was instantly killed.

This reminded W. E. Trahern of a circumstance where a bird was caught without the firing of a shot. He said that a few nights ago he was a passenger on the incoming Illinois Central train. The night was warm and the window to the seat where he and his fellow traveler were sitting was raised. Just after leaving Graceland a partridge flew in at the open window and the man by whom Mr. Trahern was sitting caught it and after examining it to see if it was hurt and finding out that it was not, he turned it loose and it flew off in the darkness.

Hunter Wood, Jr., who is never at loss for a good hunting story, told me a joke on himself. He said that he went out hunting with Joe Higgins. They were hunting behind one of Joe's dogs named Sannie, a fast and sagacious animal. The two sportsmen bagged about an equal number of birds during the day, but Fannie also was successful for she caught three birds in her mouth during the day's hunting, all of which of course Higgins put in his bag. That night when they counted up their game, Higgins counted the birds which Fannie had caught as having been bagged by him and so beat Hunter out.

Another good story was told in which Fannie played a part. This Buck Anderson and Higgins at together and Buck, although using a new automatic gun, lost to Fannie. Finally Fannie

turned the bird loose in a straight away course. Buck threw up his gun and emptied the magazine as fast as he could pull the trigger but never touched the bird at all, and when last seen it was going off in its usual good health and spirits. Buck says now that he is fully aware that a bird in the hand is worth a whole covey in the bush.

## ANNUAL ELECTION

OF HOPKINSVILLE TOBACCO BOARD OF TRADE.

James P. Thompson Is President.—Inspectors Re-elected.—Suggested That Banquet Is in Order.

At the annual election of the Hopkinsville Tobacco Board of Trade which was held Wednesday afternoon, the following officers were selected for the coming year: President, James P. Thompson; vice president, William H. Jessp; secretary and treasurer, Hugh West; inspectors, W. A. Wilson and F. R. Dyer. The inspectors are elected for two years.

After unanimously adopting a resolution that the newly elected officers should show their appreciation by giving a big supper, the meeting adjourned.

## FAMOUS BROTHERS

All Are Known Here.—One Is Coming Monday Night.

There are not many localities in the United States today in which the name of Dixon is not familiarly known. Three brothers—A. C. Dixon, of Boston, Thomas Dixon, Jr., of New York, and Frank Dixon, of Washington, D. C.—have, in the pulpit, in literature, and upon the lecture platform, made the name almost a national household word. There is a striking family resemblance among them, but the distinctions are more striking still. An intimate friend of the brothers says that "when A. C. Dixon tries to lecture it always turns out a sermon; when Tom tries to preach, it always turns out a lecture; Frank is the only one of the brothers who can do either with equal ease." It is Frank Dixon who lectures in the Tabernacle Monday evening, Jan. 7th.

## SINKING FORK NOTES.

Mrs. W. A. Bailey and little son Pentress, are the guests of her parents, Mr. and Mrs. F. M. Stephens.

Mrs. A. C. Bell, of Nashville, is visiting her father, Mr. John Barbee.

Mr. J. W. Garrett returned yesterday to Sullivan, after spending the holidays with friends and relatives here.

The recent rains have put the roads in a very bad condition.

Mrs. Jim Younglove and daughter, of Paducah, are visiting Mrs. Bob Cox.

Mr. Robert Kate and family have moved into our vicinity.

While unloading some hogs, Mr. Mat Hill happened to a painful accident, one of his hands being fractured.

Mr. and Mrs. U. G. Cornelous have moved to their new home on the Graceland pike.

Mr. Walter Wood is in Livingston county visiting his mother, Mrs. G. W. Phillips.

Miss Hattie Mabry, of Era, is the guest of Mrs. Willie Mayberry.

O. I. C.

## PERSONAL NOTES.

Miss Gussie Young has returned from Paducah accompanied by Mrs. J. B. Garber and Mrs. W. T. Charboth.

Thomas, of Clarksville, is in

## SHOT IN STOMACH

SECTION FOREMAN WILLIAMS SERIOUSLY WOUNDED.

Another Man Was Slightly Injured.—Fellow With The Gun Made His Escape.

Suffering from a bullet wound in the stomach M. F. Williams, a section foreman, of the Illinois Central railroad, at Cerulean, Ky., is in the Illinois Central hospital, Paducah, in a serious condition.

Williams was shot by James Pollard at Cerulean Springs Monday night. The latter escaped and the last dispatch had not been captured.

It is alleged that Pollard was flourishing a pistol when Williams remarked, "Don't do that, you might hurt somebody."

At this it is alleged that Pollard began shooting and fired three shots into the crowd of men. Williams was hit in the stomach. Another bullet lodged in the thigh of Charles Warren, and the third grazed Williams' arm, but did no damage.

Warren, who is not a railroad man, was only slightly wounded.

Williams was brought to the Paducah hospital, where the surgeons today stated he would probably recover.—Paducah News Democrat.

## SIX DAYS' CAMPAIGN

TO RAISE \$40,000 FOR KENTUCKY BUILDING.

LOUISVILLE, Ky., Jan. 3.—Special.—So brief a time will elapse before the opening of the Exposition at Norfolk, Va., in celebration of the centennial of America's first settlement by the English that the Kentucky Jamestown Exposition Commission has determined on an emergency campaign to be conducted during the six days beginning January 21. Elaborate plans have been outlined for this week's work and it is hoped during that period to round out the entire fund of \$40,000. This sum is necessary in order to give Kentucky a state building at Jamestown and to make a proper display of the state's varied products and resources.

One of the most important steps in conjunction with the "emergency" canvass was taken to-day when preparations were started looking to a series of mass meetings to be held in the principal cities of the State. It is planned to hold these meetings at the following cities:

Monday, Jan. 21, Lexington, Winchester and Ashland.

Tuesday, Jan. 22, Paris, Frankfort and Versailles.

Wednesday, Jan. 23, Maysville, Covington and Newport.

Thursday, Jan. 24, Cynthiana, Richmond and Danville.

Friday, Jan. 25, Bowling Green, Hopkinsville and Shelbyville.

Saturday, Jan. 26, Owensboro, Henderson and Paducah.

Post Is Progressive.

One of the most satisfactory examples of newspaper enterprise was yesterday's "Prosperity Edition" of the Louisville Evening Post. It contains fifty-two pages filled with interesting and profusely illustrated matter.

The larger part of the paper is devoted to exploiting the rapid growth and advancement of the city of Louisville from a village of 4,000 people to a citizenship of 250,000. But after due attention has been paid to Louisville all the more important towns and cities have been given generous space and most of them are illustrated.

Hopkinsville is noted at length, the account of the improvement in this city filling nearly three columns. This article is illustrated with excellent pictures of the West Side public school and the residence

## NEW CORPORATION

HAS TAKEN OVER THE WALLACE &amp; ADCKOCK PLANT.

Capital Stock \$40,000.—Business Transacted Under the Name of Hopkinsville Lumber Company

Articles of incorporation were filed this morning for the Hopkinsville Lumber company, which corporation is formed for the purpose of succeeding and taking over the plant formerly operated by Wallace & Adcock. The capital stock is \$40,000 divided into four hundred shares of \$100 each. The corporation begins business today. At no time is the indebtedness to exceed the amount of the capital stock. The incorporators are R. H. DeTrelle, J. A. Wallace and C. R. Clark.

It is the purpose of the company to operate both stave and planing mills for the manufacture of cooperage stock of all kinds, dressed lumber and building material, and other lines connected with the building trade are provided for in the articles of incorporation.

## DELIGHTFUL EVENT

WAS NEW YEAR'S RECEPTION OF WOMAN'S CLUB.

The most elaborate of the holiday functions and one of the most beautiful and delightful entertainments in which Hopkinsville society has participated was the New Year reception given Tuesday night by the Woman's Club at the hospitable residence of Mr. and Mrs. James H. Anderson, on South Main street. The arrangement of the house especially adapted it for entertaining, and the various rooms were thronged with the club members and guests and every moment of the occasion was a happy one. Many handsome costumes were worn. The entire interior of the residence was lavishly and tastefully decorated in green and white. The walls were covered with trailing vines, large potted plants were in attractive evidence, and white carnations were effectively used in the floral adornment. Lebkuecher's orchestra furnished beautiful music throughout the evening.

In the drawing room the guests were graciously received by Mr. and Mrs. Anderson, Dr. and Mrs. T. W. Blakey, Mr. and Mrs. Dixon, W. Kitchin, Col. and Mrs. Jonett Henry, Mayor and Mrs. Chas. M. Maccham and Mr. and Mrs. T. W. Long.

In the hall were Mr. and Mrs. H. H. Abernathy, Mr. and Mrs. James O. Cook, and Mrs. William Joseph Glover.

Mrs. J. C. Buckner, Lillie Waller Chatten and Alex G. Warfield were in charge of the dining room, and in the library were Mr. and Mrs. W. T. Tandy, Mr. and Mrs. A. J. Casey, Mr. and Mrs. R. C. Hardwick, Dr. and Mrs. C. B. Petrie and Mrs. Frank Surface. Mrs. Bailey Waller, Mr. and Mrs. Ira Smith and Mrs. Goldthwaite also aided in receiving the guests. Misses Margaret Anderson and Maud Warfield presided at the punch bowl. Delicious refreshments consisting of ices, cakes and bonbons were served, and the white and green color scheme was prettily carried out. Fruit punch was served in the library.

Among the callers were: Messrs. and Mesdames E. H. Bull, H. D. Smith, J. A. Kirtley, John W. Lewis, A. P. Lyon, Geo. C. Abbott, James Breathitt, A. H. Edwards, T. C. Underwood, J. W. Downer, Herbert L. McPherson, F. J. Brownell, Ben S. Winfree, John Feland, Walker Wood, Ashby Edmunds, Upshaw Woodridge, Geo. E. Gary, Arthur B. Anderson, Nashville, J. V. Smith, John C. Duffy, Gus Mesdames John Y. Ows, A. H. Cummings, J. E. Geo. Charles Stewart, Misses Wil, Annie McPherson, P. S. Julia Arnold, Le

## 10 DAYS For Only 10 Days Removal Sale

January 1st, we move into Racket building corner Main and Tenth streets, opposite J. H. Anderson &amp; Co's.

To save trouble and expense of moving our large stock we are going to mark bargain prices on every article in our store.

Do you need a Wagon, Buggy, Harness, Laprobe, Blizard Storm Front, Carriage Heater, Horse Blanket, Waterproof Cover, Saddle, Bridle, Collars, Harness, Chains, etc.

If you do make up your mind quick as we are going to make a clean sweep of everything. Come and look though we have some beautiful Christmas presents.

W. A. YOST &amp; CO.,

207 SOUTH MAIN STREET.

## Dissolution Notice.

Jan. 2nd

The firm of Davis, Kennedy & Co., have dissolved by mutual consent.

The business of Davis, Kennedy & Co., shall be conducted by Davis, Kennedy & Co.,

summe all obligations due to Davis, Kennedy & Co., shall be paid to the corner Main and Tenth streets, opposite J. H. Anderson & Co's.

Mrs. Anna C. LaRagsdale Davis, as saleslady, will make every effort to please friends, who so liberally patronized them last year.

## Branch Bank.

Active preparations are under way for the opening of the branch of the Commercial & Saving bank, of this city, in the store of H. C. McGehee at Graceland. The big 8,000 pound safe in which the money and valuables on deposit will be kept, has arrived at Graceland and the question now confronting the citizens of the town is how to get it unloaded and placed in position. The bank is expected to open for business on January 10.

Prof. Clark, representing H. C. Co., of Evansville, Ind., for three days piano needs to be Cumb. 880. Home receive prompt attention.

## EAGLES CELEBRATE.

The Eagles flew around merry in their aerial last night. The celebration was in honor of the successful completion of their first term. Officers were installed and there were several initiations. A business meeting was followed by a sumptuous supper which was heartily enjoyed. Speech-making was an interesting feature. The club is in a flourishing condition and 115 active members.

## TREMENDOUS SLUMP

IN SECURITIES OF UNITED STATES  
INDEPENDENT TELEPHONE CO.

A \$50,000,000 Concern Whose Bonds  
Have Dropped From 80 to 27 1-2  
And Stock From 50 to 5.

(Louisville Courier-Journal.)

The public has just been given another object lesson in "promotion schemes" by the startling decline in the securities of the United States Independent Telephone Company. This concern was organized by the big independent telephone promoters of the country to control the smaller so-called independent concerns.

The promoters of this new telephone "trust" threw its securities upon the market about a year ago, and there appeared in a Rochester, N. Y., paper the following: "The dealings in United States Independent Telephone issues were the largest ever recorded in the history of the local exchange, (Rochester Stock Exchange.) For month the total sales of stocks amounted to 10,885 shares, the largest year. Total sales of bonds totaled \$726,200, also the largest year."

November 3, 1906, Rochester published a comparison of the transactions of the stock market, from the following:

Range for 1905.	Range for Oct. 1906.
High	Low
50 1/2	5

This means that if \$826,200 of the bonds were sold at 70% and 10,885 shares of the stock at 50, or \$544,750, the holders could realize only about \$286,000—NEARLY ONE MILLION DOLLARS—on the transactions of this one month alone. How many other millions of the securities have been sold during the year and prior to this month, and what the other losses are, we do not know, but the losses must be enormous.

It was announced at the outset that the United States Independent Telephone Co. would occupy the same position in reference to so-called independent telephone companies as the Bell company does in reference to its subsidiary companies. The most glowing accounts of the company's magnitude and the stability of its securities were circulated, but like other similar independent concerns—the Everette Moore Syndicate of Cleveland, being a case in mind—this one came quickly to grief.

It would seem that the purpose of the promoters in organizing this gigantic "trust" was to sell securities rather than to "fight" the Bell "monopoly," as they announced. It seems that the independent "trust" is worse than the Bell "monopoly," since the monopoly sells only service and the "trust" sells worthless securities for the benefit of the promoters.

We wonder whether or not the public will benefit by their experience in this case.

**Why Suffer From Rheumatism?**  
Do you know that rheumatic pains can be relieved? If you doubt this just try one application of Chamberlain's Pain Balm. It will make rest and sleep possible, and that certainly means a great deal to any one afflicted with rheumatism. For sale by Anderson Fowler Drug Co. (Inc.) the leading Drug Store, 9th and Main St., Hopkinsville, Ky.

## BREATHITT'S BOOM

IS GROWING FAST AND HOPKINSVILLE MAN MAY RUN.

Has The Matter Under Serious Consideration and Will Shortly Give His Positive Decision.

The demand that Judge James Breathitt announce himself as a candidate for the Republican nomination for governor of Kentucky, daily becomes more insistent and he is being deluged with letters and telegrams urging him to state his willingness to become a candidate. Some of the letters request him to at least, let it be known that he is a receptive candidate, if he does not care to unqualifiedly announce for the nomination, declaring that even this fact would be sufficient to land the nomination for him.

In an interview to day Judge Breathitt said: "I thought my positive announcement in the spring that I would not become a candidate for the gubernatorial nomination would close the matter so far as I am concerned, but it seems to have only added fuel to the fire. I have not yet decided what I will do, but will admit that I have the matter under consideration. I realize that I must make up my mind one way or the other right away for the matter has now reached such a point that I must announce myself so as to secure the support of every one possible, or, in the event I decline to run, get out of the other fellow's way and give him a clear field. I will decide the matter within the next few days, but which way I can not yet say."

## REPORT

IS MADE BY COMMISSIONER OF  
INTERNAL REVENUE.

Healthy Expansion During Fiscal Year.  
—Percentage Rates—Gains All  
Along the Line.

The annual tobacco report of John W. Yerkes, commissioner of internal revenue for the fiscal year of 1905-1906, ending June 30, is just out and contains much interesting and statistical information as to the extent and growth of the trade in all branches of manufacture.

The report is a very complete and exhaustive one, and in the production of cigars shows a gain of 313,890, or 5 per cent; small cigars, 167,444,797 or 23 per cent; cigarettes, 416,126,260, or 12 per cent; tobacco 20,426,260 pounds or 6 per cent; and snuff, 1,575,677 pounds or 7 per cent. The total revenue from all sources for the year amounted to \$18,422,997.38.

The report treats in detail the internal revenue collections, qualities of cigar and tobacco manufacturers, number of manufactories, annual production of leaf tobacco and all manufactured products, with comparative figures for previous years, imports and exports of leaf and manufactured tobacco, and statistics as to the production and output of the several states.

In its view and analysis of the report, the Cincinnati Western Tobacco Journal says: "The official returns, as commissioner of internal revenue John W. Yerkes, show eminently satisfactory gains in all lines of tobacco manufacture, and a perusal of the statistics will be sufficient to convince the most skeptical that the tobacco industry of the country is in as prosperous a condition as has been claimed for it all

through the exceptionally busy year. All branches of the trade evince remarkable productive activity. The last fiscal year cigars made a gain of 2 per cent in production of the preceding year, and this year they show an increase in output of 5 per cent. Last year small cigars made a gain of less than 5 per cent, while this year the production increased 23 per cent. Cigarettes this year show an increase of 12 per cent, as compared with 4 per cent, a year ago. Snuff gained 7 per cent, during the year, as against an increase of 5 per cent a year ago. Last year's annual report showed a gain for tobacco over the preceding year of 2 per cent, which this year amounts to three times that or about 6 per cent. With anything like favorable conditions during the year 1907, we may with confidence look forward to still greater gains in all lines when the next annual report makes its way from the office of the commissioner of internal revenue.

The net increase in collections from cigars and cigarettes was \$1,442,962.88 as compared with the previous fiscal year, and the increase from tobacco and snuff was \$1,320,124, making a total net increase in collections for the last fiscal year, as compared with the previous year of \$2,763,086.88.

### How to Cure Chills.

"To enjoy freedom from chills," writes John Kemp, East Otisfield, Me., "I apply Bucklen's Arnica Salve. Have also used it for salt rheum with excellent results." Guaranteed to cure fever sores, indolent ulcers, piles, burns, wounds, frost bites and all skin diseases. Price 25c at L. L. Elgin Anderson & Fowler (Inc) Cook & Higgins, Drug store. Try it.

When the cold winds dry and crack the skin a box of salve can save much discomfort. In buying salve look for the name on the box to find any imitations and be sure you get the original DeWitt's Witch Hazel Salve. Sold by R. C. Harwick.

## PEMBROKE WR

NORTHBOUND L. & N. PASSENGER  
TRAIN JUMPS TRACK.

(From Monday's Daily)

The rear sleeper on northbound passenger train No. 92 on the Louisville & Nashville jumped the track at Pembroke this morning and after running for a mile on its side, turned part of the crossing of the railroad street of the town. The train was none of them was tent, the worst of the passengers about the face of the train. The train was speed, as it only left the track, it counted a broken piece on a high ground again. The train proceeded with delay. Traffic was delayed the same length of time. The passengers in the sleeper were greatly alarmed and there were several narrow escapes.

### The Right Name.

Mr. August Sherpe, the popular overseer of the poor, at Fort Madison, Ia., says: "Dr. King's New Life Pills are rightly named; they act more agreeably, do more good and make one feel better than any other laxative." Guaranteed to cure biliousness and constipation. 25c at L. L. Elgin Anderson & Fowler, (Inc) Cook & Higgins Drug store.

**CASITORIA.**

**FOUR HUNDRED**

DEATHS A DAY IN UNITED STATES  
FROM TUBERCULOSIS.

Health Commissioner Darlington  
Makes Interesting Statement Upon  
Twentieth Century Club.

The following interesting state-  
ment was delivered at the dinner  
given to the Twentieth Century club  
in New York, by Dr. Thomas Dar-  
lington, health commissioner of  
New York.

It has been estimated that 400  
persons die every day in the United  
States from tuberculosis. Were we  
in the midst of a devastating war  
with a battle every day, leaving the  
field strewn with 400 dead, the type  
of our daily newspapers would  
prove inadequate in size to empha-  
size the horror of the calamity.

The country would rise in its might  
and demand that the carnage cease.  
"How can we reconcile our con-  
sciences," he asked, "with the fact  
that as a people we are allowing a  
constant, unrelenting and remorse-  
less disease to show us each day  
list of the dead?"

Dr. Darlington advocated in com-  
bating this disease: First, the edu-  
cation of the state and the educa-  
tion of the individuals. It has been  
estimated, he said, that in the United  
States the annual loss in money  
from deaths from tuberculosis is  
\$330,000,000.

"Second, instruction as to the true  
nature of the disease, its prevention  
and cure.

"Third, the co-operation of the  
department of education by distrib-  
uting to each child in the public  
schools a small, simply worded card  
giving easy comprehensible rules  
for the prevention and cure of tuber-  
culosis.

"It is almost an undisputed propo-  
sition," said Dr. Darlington, "that  
were all sputum from tuberculosis  
patients cared for and disposed of in  
the proper way, tuberculosis would  
vanish from the face of the earth."

**Women as Well as Men Are Made  
Miserable by Kidney and  
Bladder Trouble.**

Kidney trouble preys upon the mind,  
discourages and lessens ambition; beauty,  
vigor and cheerfulness soon disappear  
when the kidneys are  
out of order or dis-  
eased.  
Kidney trouble has  
become so prevalent  
that it is not uncom-  
mon for a child to be  
born afflicted with  
weak kidneys. If the  
child urinates too often, if the urine scalds  
the flesh, or if, when the child reaches an  
age when it should be able to control the  
passage, it is yet afflicted with bed-wet-  
ting, depend upon it, the cause of the diffi-  
culty is kidney trouble, and the first  
step should be towards the treatment of  
these important organs. This unpleasant  
trouble is due to a diseased condition of  
the kidneys and bladder and not to a  
habit as most people suppose.

Women as well as men are made mis-  
erable with kidney and bladder trouble,  
and both need the same great remedy.  
The mild and the immediate effect of  
**Swamp-Root** is soon realized. It is sold  
by druggists, in fifty-  
cent and one-dollar  
size bottles. You may  
have a sample bottle  
by mail free, also a  
Home of Swamp-Root,  
pamphlet telling all about Swamp-Root,  
including many of the thousands of testi-  
monial letters received from sufferers  
cured. In writing Dr. Kilmer & Co.,  
Binghamton, N. Y., be sure and mention  
this paper. Don't make any mistake,  
but remember the name, Swamp-Root,  
Dr. Kilmer's Swamp-Root, and the ad-  
dress, Binghamton, N. Y., on every  
bottle.

The greatest of all newspapers is  
the Daily Globe-Democrat, of St.  
Louis. It has no equal or rival in  
all the west and ought to be in the  
hands of every reader of any daily  
paper. It costs, by mail, postage  
prepaid daily including Sunday, one  
year, \$4.00; 6 months, \$3.00; three  
months, \$1.50; daily without Sun-  
day, one year, \$4.00; six months,  
\$2.00; three months, \$1.00; Sunday  
edition—a big newspaper and maga-  
zine combined, 48 to 76 pages every  
Sunday, one year, \$2.00; 6 months,  
\$1.00. A subscription for the Globe-  
Democrat, at these prices, is the  
best possible newspaper investment.  
Send your order to-day or write for  
free sample copy to Globe Printing  
Company, St. Louis, Mo. See special  
"long-time" campaign offer of the  
"Twice-a-Week" issue of the  
Globe-Democrat, two years for \$1.25,  
elsewhere in this paper. d. 6t

**LEG CRUSHED BY ICICLE**

Twelve Year Old Boy Loses His Leg in  
Most Unusual Manner.

CHATTANOOGA, Tenn., Dec. 28.  
—A mass of ice weighing at least one  
hundred pounds fell from the top of  
the water tank on the Stone Fort  
property and struck down G. W.  
Kraust, the 12-year-old son of Gus  
Kraust, crushing his left leg below  
the knee so badly that amputation  
was immediately necessary.

The accident is one of the most  
peculiar that ever happened in  
Chattanooga. On the watertank,  
which is situated in the rear of  
Trotter Bros', and rises far above  
the roof of that building, great ice-  
icles formed during the recent cold  
weather. When the weather began  
to moderate the icicles began to  
drop off one by one, solid chunks  
of ice of great weight.

Young Kraust had left his father's  
place of business in the News build-  
ing, but a few moments before the  
accident was picking up particles  
of the fallen and broken ice, when  
as he assumed a stooping posi-  
tion, a huge chunk of ice fell from  
the extreme height of the tower and  
almost severed the left leg from the  
boy's body.

Cocaine which dulls the nerves  
never yet cured Nasal Catarrh. The  
heavy feeling in the forehead, the  
stuffed up sensation and the watery  
discharge from eyes and nose along  
with all the other miseries attend-  
ing the disease, are put to rout by  
Ely's Cream Balm. Smell, taste,  
and hearing are restored, breathing  
is normal. Until you try this rem-  
edy, you can form no idea of the  
good it will do. It is applied directly  
to the sore spot. All druggists 50c.  
Mailed by Ely Bros., 66 Warren  
street, New York.

**CASTORIA**

For Infants and Children.

The Kind You Have Always Bought

Bears the  
Signature of *Wm. D. Mitchell*

**For that Dandruff**

There is one thing that will  
cure it—Ayer's Hair Vigor.  
It is a regular scalp-medicine.  
It quickly destroys the germs  
which cause this disease.  
The unhealthy scalp becomes  
healthy. The dandruff disap-  
pears, had to disappear. A  
healthy scalp means a great deal  
to you—healthy hair, no dan-  
druff, no pimples, no eruptions.

The best kind of a testimonial—  
"Sold for over sixty years."

Made by J. C. Ayer & Co., Lowell, Mass.  
Also manufacturers of  
2 SASSAPARILLA  
PILLS.  
CHERRY PECTORAL.

**ELECTRIC ROAD**

FROM MADISONVILLE TO LOUIS-  
VILLE IS PROPOSED.

John B. Brasher Makes Statement  
In Louisville Regarding  
the Scheme.

LOUISVILLE, Ky., Dec. 29.—"It  
will be only a few weeks now until  
Madisonville will have a direct line  
to Louisville," said John B. Brasher,  
a prominent coal operator and  
politician of Hopkins county, who  
was at the Seelbach last night.

"The new line from Madisonville  
to Louisville will soon be complet-  
ed," Mr. Brasher continued, "and  
then all of our business will come to  
the Louisville markets instead of to  
St. Louis, where it now goes. The  
people of Western Kentucky feel  
kindly toward Louisville, and are  
proud of it as the State's metropolis.  
When the opportunity offers we will  
do our buying in Louisville, and thus  
demonstrate that we are with you in  
your efforts for a greater Louisville."

Mr. Brasher is a well known  
Democratic politician. In addition  
he finds time to operate two coal  
mines, which are large producers,  
and also deal in real estate. Recent-  
ly he disposed of some coal lands in  
Hopkins and Christian counties to  
Pennsylvania capitalists, and is  
said to have realized \$75,000 on the  
transaction. Mr. Brasher was a  
candidate for congress four years  
ago, but was defeated by Congress-  
man A. O. Stanley by a narrow mar-  
gin. He was a member of the State  
Democratic Campaign committee  
two years ago, and was prominently  
mentioned as a candidate for clerk  
of the court of appeals a few months  
ago.

**PERSONAL NOTES.**

(From Saturday's Daily)

Miss Catherine Pendleton, of Cal-  
edonia, who has been visiting Miss  
Willie Smithson, has returned  
home.

Miss Clara Mai Bachman is at  
home from Potter College spending  
the holidays with her mother, Mrs.  
J. W. Riley, at Newstead.

Mr. and Mrs. Edgar Cayce, of  
Bowling Green, have returned home  
after spending the holidays with re-  
latives in the city.

Mr. Lynn Evans, of Bowling  
Green, has returned home after  
spending Christmas with his mother,  
Mrs. Lizzie Evans.

M. E. Boyd, of Clarksville, visited  
friends here this week.

Mr. Porter Smith has returned to  
Anniston, Ala., after spending the  
holidays with his mother, Mrs. Kate  
Smith.

Dr. and Mrs. T. B. House have re-  
turned to Springfield after spending  
Christmas with relatives in the city.

Mrs. Robert Green and child re-  
turned to Mayfield today after  
visit to the family of Nat Gaitther.

Mr. and Mrs. Paul Winn have re-  
turned from Glasgow.

J. E. Warren, of Mayfield, is in  
the city on legal business.

Miss Anna LeGrand and Mr. I. P.  
Whitehead returned to Lynchburg,  
Va., today after visiting the family  
of E. W. Walker.

Mrs. Kate Doneghy, of Mason,  
Mo., is visiting relatives here.

Mr. Sam McQuade, of Tower, Min-  
nesota, a student at the Kentucky  
Military institute, is spending the  
holidays with Rev. and Mrs. Edward  
H. Bull.

Loose Tobacco Sales.

We had a very spirited market  
on Friday and prices ranged from  
¼ to ½ cts. higher on lugs. We sold  
some good lugs at 6½. On leaf the  
advance was from ¼ to ½ cts. The  
farmers would do well to send their  
tobacco to us and get the advance  
instead of selling in the barns.

The buyers are determined to  
make the loose floor a success. Send  
your tobacco to us, we will sell it at  
the highest market prices and give  
you the money on the day of sale.  
Yours very truly,  
M. H. TANDY & CO.

Notice.

Parties having claims against the  
estate of Dock Campbell alias Har-  
rison, deceased, are requested to  
file same with me properly proven,  
at once.  
H. C. McGehee,  
Administrator.

FOR SALE.—Four Jersey cows  
giving milk. Thoroughbred but not  
registered. Apply  
MAT MAJORS,  
Herndon, Ky.

**RESIGNS**

I. BAILEY QUILTS AS MANAGER OF  
REINECKE COAL MINES

Will Go to Europe on Long Vacation—  
Will Re-enter Coal Business  
On His Return.

MADISONVILLE, Ky., Dec. 28.  
—I. Bailey, who for many years has  
been manager of the well-known  
firm, the Reinecke Coal Co., in this  
county, has resigned his place of  
manager and will leave in the near  
future for Europe, where he will  
spend some time. Mr. Bailey has  
other interests in Western Kentucky  
and upon his return from abroad  
will likely again become actively  
engaged in mining. He and several  
other local capitalists have valuable  
coal lands in the Nebo country and  
it is said a modern mine will be  
opened there in the near future.

The Reinecke mine is the largest  
in the state, and much coal is ship-  
ped from here yearly. Mr. Bailey  
has been quite a successful manager  
and much of the success of this mine  
is due to his efforts.

In the future Mr. Fred Reinecke,  
who has recently moved to Madis-  
onville, will be secretary and treas-  
urer of the company and will look  
after the interests of the mines.

Mr. W. R. Lynn, a well known  
citizen of this city, will be the pur-  
chasing agent for the company, and  
Mr. Fred Bailey, who for the past  
few months has been the successful  
general manager of the company's  
stores, will continue in that capacity.

## MAN SHOT

NEGRO IN FULL UNIFORM OF  
U. S. ARMY.

That Negro Was a Dis-  
charged Soldier—Or Was  
Civilian.

RENO, Okla., Dec. 29.—Re-  
an attempted hold-up in his  
y at 8:10 o'clock, Lee Sung,  
human, was shot and danger-  
wounded by an unknown ne-  
who wore the uniform of the  
States army. The assailant  
ed. Soldiers from Fort Reno  
heriff's force, police and many  
are searching for him.

numerous outrages perpetra-  
negroes, believed to be dis-  
charged soldiers of the Twenty-fifth  
ary, have aroused public senti-  
to an intense degree.

negro was dressed in the full  
form of the United States army,  
it is not known whether he is a  
member of the negro troop now sta-  
ed at Fort Reno or one of the  
charged soldiers. Some of those  
missed for participation in the  
Brownsville riots carried their uni-  
forms away with them, at the time  
of their discharge.

After wounding the Chinaman,  
the negro ran from the laundry to-  
ward the outskirts of the town, but  
it is believed by the searchers that  
he is hiding in this vicinity.

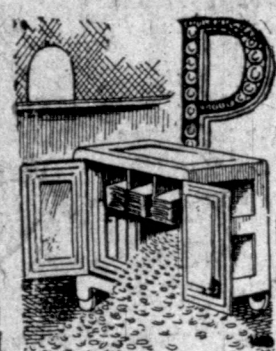

Maj. Penrose, commanding officer  
at Fort Reno, when asked what ac-  
tion he had taken and whether the  
roll of the troops at the Fort had  
been called, refused to discuss the  
case.

"I am getting sick of the busi-  
ness," he said. "Every time a crime  
is committed it is laid to the negro  
soldiers. I won't tell anything about  
what has been done further than to  
say that we are doing all possible to  
aid the police to capture the guilty  
persons."

Masked Robbers.

HICKMAN, Ky., Jan 1.—Masked  
men last night entered Lou Robe-  
n's store and robbed him of \$250,  
which he was counting.

## Pearl of the Pe Glow With Prosperity

PROSPERITY  
and good times  
in Hopkinsville  
and Christian  
county are plain-  
ly indicated in  
the statements of  
the banks issued  
on January 1.

There are nine  
banks in the  
county and the statements of these  
show the enormous amount of \$1-  
523,916.35 on deposit subject to check.  
In addition to this there is \$280,916-  
01 interest bearing time deposits  
which makes the total deposits \$1-  
804,832.36. The loans and discounts  
of these nine banks amount to \$1-  
619,724.96. Their combined surplus  
and undivided profits aggregate  
\$172,417.89.

This statement means much for  
the banks themselves for it shows  
that nowhere are there better man-  
aged or more prosperous financial  
institutions than are these right  
here at home. The handsome sur-  
plus and undivided profits is ample  
indication of their success.

On the other hand the enormous  
deposits, more than a million and a  
half being subject to check at any  
time, shows that money is more  
plentiful than has been the case in a  
long time and that the people have  
something laid by emergencies. All  
of it, though, is not being deposited,  
for it is estimated that everybody,  
and the farmers especially, are free  
from debt than they have been for  
years and years.

During the year just closed all re-  
cords for building have been smash-  
ed to smithereens and a new high-  
water mark set. This new record  
will probably stand for a short time  
however, for judging from just pre-  
sent indications the year of 1907 will  
eclipse 1906 as far as the latter did  
1905 and so on back down the line  
since the wave of financial uplift  
struck this section. If accurate fig-  
ures could be secured showing the  
amount of money spent on buildings  
last year it is estimated that it would  
aggregate somewhere between \$750,-  
000 and \$1,000,000 and might even  
exceed the latter amount.

While of course the larger part of  
this amount has been expended in  
Hopkinsville a large share of it went  
to the country where the farmers,  
profiting as they have by the con-  
secutive years of good seasons,  
bountiful crops and higher prices  
for their products, have first paid off  
their indebtedness, if they had any,  
but this done have turned their at-  
tention to fixing up their places,  
many of them having erected new  
homes.

In Hopkinsville this great build-  
ing boom, which is as steady and  
substantial in its coming as it is a  
fact, has resulted in bringing hun-  
dreds of people to the city. In the  
first place labor here has been ex-  
hausted and outside help had to be  
secured in order to carry on the work  
of erecting the scores of new build-  
ings which were under way. Then  
with the addition of the Imperial  
Tobacco company, the American  
Snuff company, the enlarging of  
Cates Mills and the Dering & Frank  
Lumber company, the many new  
branches of the Forbes Manufactur-  
ing company and the increase in  
nearly every manufacturing enter-  
prise in the city has created places  
for many additional laborers and a  
considerable per cent of these had  
to be imported. With the comple-  
tion of the Climax Milling company  
and the new Forbes Manufacturing  
company's wagon factory this de-  
mand will be still further augmen-  
ted.

The report of the city officials for  
the year of 1906 shows the financial  
condition of the city to be most sat-  
isfactory. The report of Auditor  
and Treasurer A. W. Wood will  
show that the total receipts for the  
general fund for the year were \$45,-  
516.27, the principal items of which  
were, taxes \$27,892.51, and saloon  
and beer license \$8,563.12. The total  
expenditures from this fund for the  
year were \$49,689.60, leaving a deficit  
of \$4,173.33. The school fund shows  
receipts of \$20,604.82 and disburse-  
ments of \$15,996.13, which leaves a  
balance to its credit of \$4,608.69.  
Out of the sinking fund, which was  
created to meet such cases, twenty  
outstanding bonds of \$500 which  
were held by the Bank of Hopkins-

ville were redeemed this week.  
This represented an outlay of \$10,-  
\$12.50, but notwithstanding this  
heavy drain upon it the fund shows  
a balance to its credit of \$10,613.08.  
The bank account of the city there-  
fore shows a balance on hand of  
\$11,078.34 with which to begin the  
new year.

The report of Chief of Police Ellis  
Roper show that 889 arrests were  
made during 1906 and that \$4,039.3  
in fines were collected.

A flattering indication of the suc-  
cess which has attended the corpo-  
rations of the city is the dividends  
which have been declared by each  
one. In every case have these divi-  
dends come up to past records, while  
in many the dividends have been in-  
creased. The majority of these cor-  
porations also show a nice surplus  
on hand.

Those business houses which are  
not incorporated have also enjoyed  
a big business, merchants in all lines  
stating that the past year was the  
best in their history. The trade  
kept up steadily through the entire  
year, there being none of the dull  
seasons which tried the patience and  
drained the bank account of the  
merchants in former years.

### IN MALIGNANT FORM

No new cases of spinal meningitis  
have developed in the Era neigh-  
borhood and there have been no other  
deaths.

The stricken members of the fam-  
ily of Joe Reynolds are still critically  
ill, especially Mrs. Reynolds. Ev-  
erything possible is being done to  
counteract the terrible malady and  
to prevent its further spread. The  
fact that there are no new cases  
strengthens the belief that the dis-  
ease is endemic and that there is lit-  
tle danger of its becoming epidem-  
ic or even spreading in the infected  
neighborhood.

Dr. J. B. Jackson, county health  
officer, spent the day in the Era vi-  
cinity yesterday. He reports the  
disease as being spinal meningitis  
in a very malignant form, but is  
thoroughly satisfied with the means  
being used to stamp it out. He is in  
frequent telephone communication  
with the physicians in charge.

A report was started at Crofton  
this morning that two cases had de-  
veloped in that town, but this is de-  
nied.

Dr. Edwards, specialty eye,  
ear, nose and throat. Test made  
free of charge for glasses. Phoe-  
nix bldg. Main St., Hopkinsville.

ses---may they never come.  
Here's Health, Wealth and  
Joy, and once again

A Happy New Year!

## J. T. WALL & CO.

### ASKS FOR \$2,000

BECAUSE HE WAS STRUCK BY  
AN I. C. TRAIN.

Waved a Lighted Piece of Paper  
and Thought He Heard an  
Answering Blast.

Hanbery & Fowler, as attorneys  
for S. F. Bruff, have filed suit  
against the Illinois Central railroad  
company for \$2,000 damages. In the  
petition it is alleged that on Decem-  
ber 16 Mr. Bruff went to Green's  
Crossing for the purpose of taking  
the train which arrives here at 6:15  
p. m. It was dark before the train  
arrived and as there was no station  
there Mr. Bruff, it is claimed,  
lighted a piece of paper which he  
waved as a signal to the train and  
which the train, as he thought,  
acknowledged by a blast from the  
whistle. It is charged, however,  
that the train was run in such a  
careless and negligent manner that  
it struck the defendant hurling him  
some distance, breaking his arm in  
three places and otherwise painfully  
injuring him.

Dogwood Doings.

Christmas with its usual round of  
gaiety and festivities has come and  
gone, but will be long remembered by  
the many family reunions and  
pleasant associations of friends to-  
gether, the tokens, or remembran-  
ces given, also the bountiful feasts  
which so many were permitted to  
enjoy during the holidays.

Miss Carrie Moore, of Lockyear's  
Business College was in this com-  
munity last week soliciting pupils  
for the coming term of school there.

Rev. P. F. Hyde, having resigned  
as pastor of Barren Spring church,  
filled his last appointment fourth  
Saturday and Sunday. Rev. Mr.  
Hyde has been pastor of this church  
about ten years and has greatly en-  
deared himself to the people of this  
church and the surrounding com-  
munity who feel it a great loss to  
give him up as pastor. As a token  
of their love and remembrance, the  
church presented him a handsome  
\$10.00 bible Sunday. Rev. J. H.  
Page, of Russellville, has been called  
to take charge of the church this  
year. We wish him much success.

Mr. Willie H. Clark, of Elkton,  
and Mr. and Mrs. E. W. Clark, of  
Hopkinsville spent part of the  
Christmas holidays at the home of  
their mother, Mrs. Allie Clark.

Mr. Walter Yancy and wife, of  
Bluff Spring have moved to Mr. J.  
G. Yancy's farm. We gladly wel-  
come Mr. Yancy and his estimable  
wife in our midst.

Mr. J. W. Wicks, of Hopkinsville,  
was in this community this week,  
buying tobacco.

### PRICES RULE STRONG

ONLY PUBLIC SALES ARE ON  
LOOSE FLOOR.

Association Closes Another Deal.  
The Reports of the Inspectors  
and Warehousemen.

Loose sales of tobacco on the floor  
continues to be the only public meth-  
od of selling tobacco here at this  
time, although some hoghead deals  
are being made privately. Loose sales  
are now being held regularly each  
week and are attracting heavy offer-  
ings and all the independent buyers  
and prices have ruled strong, the  
year closing with an advance of  
from 1/2 cent to 1 cent on all grades  
and a strong upward tendency.

The local salesrooms of the farm-  
ers association report that they have  
just closed a deal whereby 100 hog-  
heads of lugs of the 1905 crop were  
sold at prices ranging from \$5.50 to  
\$6.50 per hundred. This now leaves  
less than fifty hogheads of the 1905  
crop on hand in the local salesrooms  
of the association.

The report of the inspectors for  
the local market was issued yester-  
day and given the following figures:

	1906	1905
Receipts past month	15	9
Receipts for year	5,450	9,7
Sales past month	48	1
Sales for year	5,772	8
Shipments past month	2,521	
Shipments for year	16,417	13
Stock on sale	349	
Stock sold	25	
Total stock on hand	374	1

Prices on hoghead tobacco ran  
as follows: Trash, \$4.50 to \$5;  
lugs, \$5 to \$5.50; medium lugs  
to \$6.25; good lugs, \$6.50 to \$7;  
mon leaf, \$6.50 to \$7.50; medium  
leaf, \$7.50 to \$9; good leaf, \$9 to \$10;  
leaf, \$10 to \$12.

Loose Sales.

The Loose Floor Stock on M  
Tandy & Co's floor sold at high  
prices. The demand for me-  
leaf and mon leaf was  
higher. Lugs same as pre-  
sales. When the farmers be-  
send in some good tobacco w  
sell it at high prices.

Yours very truly,  
M. H. TANDY &

# SUNDAY SCHOOL

LESSON 1, FIRST QUARTER, INTERNATIONAL SERIES, JAN. 6.

Text of the Lesson, Gen. 1, 1-25—Memory Verses, 1-3—Golden Text, Gen. 1, 1—Commentary Prepared by Rev. D. M. Stearns.

[Copyright, 1906, by American Press Association.] We are now to have a whole year in what is called the Old Testament, the Scriptures which Jesus so loved and which He was always quoting and opening up and heartily endorsing. We are to spend nine months in the books of Moses and the last quarter in Joshua to Samuel. We will do well to bear in mind that all Scripture concerns Himself, all was written by the Spirit of God, and all things written in the law of Moses, the prophets and the Psalms concerning Him must be fulfilled (Luke xxiv, 27, 44). There is nothing within our reach so much to be prized as the knowledge of God (Jer. ix, 23, 24), and Dr. Andrew Murray says concerning the Bible, "The central thought of this book is God; its one object is to reveal God, and in reading it our chief desire should be to know God." The book as a whole is the story of this earth and of which we live and the purpose of God concerning it. The first two chapters of Genesis and the last two of Revelation tell us of the earth as it was and as it will be again, without any sin or sorrow or devil or curse. Between Gen. iii and Rev. xx it is, as Dr. Weston says, the story of the conflict between Christ and the devil for man and his inheritance, the earth.

The opening sentence of our lesson is a dateline statement telling us in a few mighty words how heaven and earth came into existence. Literally it is "the heavens and the earth." That God the Father created all things by and for Jesus Christ is seen in John 1, 1-3; Col. 1, 16, 17. That all was done by His word and spoken into existence out of nothing is seen in Ps. xxxiii, 6; Heb. xi, 3. Some of the comfort that comes to a child of God from these facts may be seen in Isa. xl, 26-31; Jer. xxxi, 17; Acts iv, 24-31.

That the earth was not created without form and void we learn from Isa. xiv, 18. It is more plain in the Revised Version by comparing verse 2 with that passage. The two words translated "without form and void" are found in combination only in two other places (Isa. xxxiv, 11; Jer. lv, 23), and in each they refer to the result of a catastrophe. The inference from this record in Genesis is that in the far distant past, "the beginning," God made the heavens and the earth good, as He always makes all things, but that something happened which resulted in the confusion and emptiness of verse 2. The six days' work of our lesson is therefore not the record of the creation, but of a restoration, for it is nowhere written that in six days the Lord created the heaven and the earth, but it is written that "in six days the Lord made heaven and earth" (Ex. xx, 11). See the two words in Gen. ii, 3. The beautiful part of it is that all was done by the Spirit of God and the word of God, no one and no thing hindering. Note in verse 2, "the Spirit of God moved over the waters," then notice also the other verbs, saw, divided, called, made, created, blessed, ended, rested, finished, sanctified, given, in this section ending with chapter ii, 3. Note the sentences, "God saw that it was good," and "It was so," each used seven times, and also the twice seven times' use of the word "let." It is certainly a magnificent picture of God working unhindered and accomplishing His good pleasure, the result being a perfect earth without sin or suffering or curse of any kind and, as we shall see in our next lesson, man in the image of God in communion with God, having dominion over all things. Thus the Bible begins, and thus it ends, for if we are in Him who is both the beginning and the end, the first and the last (Rev. i, 8, 11, 17), we shall have communion with Him when He shall have subdued all things unto Himself. I do not know any other way to take this record than just as it reads, the work of each day in its day, and, thus accepting it, adore and praise Him who did it all.

But while it is a record of earth's restoration it is also suggestive of the birth of a soul and the development of life in that soul. The condition of every saved person is described by the words "without form and void" or "confusion and emptiness," and truly in such all is darkness. But God speaks, and the Spirit works, the light shines in, and there is the work of regeneration. The Spirit uses this illustration when He says, "God, who commanded the light to shine out of darkness, hath shined in our hearts to give the light of the knowledge of the glory of God in the face of Jesus Christ" (II Cor. iv, 6). Then, being redeemed, there is a division between light and darkness, and we become children of the day (I Thess. v, 5). We then begin to learn the difference between waters above and waters beneath, as in John iv, 13, 14. Next we come to the third day, or resurrection experience of fruitfulness, suggested by the dry hand coming up out of the sea and soon covered with grass, herbs and trees. So each day has its analogy in the Christian's experience, and those who have anointed eyes will see, but all is accomplished by the Spirit and the word. Note the "abundantly" and the blessing and the fruitfulness of the fifth day and remember John x, 10; xv, 8; II Pet. i, 11, and so let God work that He may get abundance of glory through us. It is the same person who did all this of whom we read in Rev. xxi, 5, that He shall yet say, "Behold, I make all things new." If we yield fully to Him He will now make us new creatures to His glory.

The ship is equipped with turbine engines, which now seem to have vindicated themselves beyond any doubt.

One of the Philadelphia papers has given considerable space to correspondence upon the problem of domestic economy and the cost of living. Writers whose resources vary widely have given their experience and offered their advice. One woman whose husband gives her \$5,000 a year for her family of four is unable to get along comfortably on that sum. She wants a sample bill of fare for a week, and also information as where she can "get a hat for less than \$15." Another woman with a family of three has less than \$500 a year, yet says they "have the best of everything and plenty of it."

A young college graduate has been learning something about "practical politics." He attempted to wrest the control of a New York assembly district from Tammany. When the campaign was over he found that the men whom he had trusted to cooperate with him had taken his money and hired out to the other side. They took his ballots, but did not vote them. The "detective" whom he hired to watch his rival turned out to be a lieutenant of that rival, and some of his professed followers stole his watch, chain and diamond scarfpin.

**Deafness Cannot be Cured.** by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

F. J. CHENEY & CO., Toledo, O. Sold by druggists, 75c.

Take Hall's Family Pills for constipation.

## NATURE TELLS YOU

As Many a Hopkinsville Reader Knows Too Well.

When the kidneys are sick, Nature tells you all about it. The urine is nature's calendar. Infrequent or too frequent action; Any urinary trouble tells of kidney ills.

Doan's Kidney Pills cure all kidney ills.

Hopkinsville people testify to this. James A. Twyman, a brick mason, of 1230 S. Virginia St., says: "Disorders of the kidneys brought on in my case so sharp and continual a succession of pains and aches through my back that I could not rest comfortably at night and arose in the morning lame and sore. I was tired and worn out from morning to night. The kidney secretions were irregular, highly colored and scalding and deposited a heavy sediment if allowed to stand. I had no energy left and felt generally run down. I was feeling worse than usual when my attention was attracted by an advertisement of Doan's Kidney Pills and I got a box and began using them. In a few days I noticed that the secretions had assumed a natural appearance and the pain and aching had been greatly relieved, and by the time I had completed the box there was a most wonderful change in my condition. I am glad to state that I am practically cured, and Doan's Kidney Pills will be my friend for life."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

President Castro drove around the city of Caracas the other day to let the people know he was "still alive and kicking," according to a press dispatch. If he is still alive, of course he is kicking.

It looks like the time would come when diplomats would have to be labeled like other canned goods.

So far as presidential messages are concerned, these days, if you don't see what you want, ask for it.

It seems from a reading of Roosevelt's Panama message, that the Chagres River "got excessively full" in honor of the president's visit.

Congress has begun to wonder whether it is being messaged or massaged. It is getting about one a day each of the time.

John L. Sullivan is off the water wagon again. Seems to be a perpetual case of "off again, gone again, Sullivan" in that quarter.

The editor has no surcease from activity. As soon as he got through urging people to register and vote, he had to start in prodding them to do their Christmas shopping early.

An anxious young man wants to know how he may know whether his parents of the young lady really pay attention to her favorably. He evidently does, if he has not yet got out to the contrary.

The great English battleship Dreadnought, which was tested at sea the other day, developed a speed, according to unofficial announcement, of nearly 22½ knots an hour, and maintained for eight hours an

**STRONG Again**

is what Mrs. Lucy Stovall, of Tilton, Ga., said after taking Kodol Dyspepsia Cure. Hundreds of other weak women are being restored to perfect health by this remedy. YOU may be well if you will take it.

Indigestion causes nearly all the sickness that women have. It deprives the system of nourishment and the delicate organs peculiar to women suffer—weakens, and become diseased.

**Kodol**

**Dyspepsia Cure**

enables the stomach and digestive organs to digest and assimilate all of the wholesome food that may be eaten. It nourishes the body, and rebuilds the weak organs, restoring health and strength. Kodol cures indigestion, constipation, dyspepsia, sour stomach, belching, heartburn and all stomach disorders.

**Digests What You Eat**

Seller bottles Kodol in sizes as small as the trial, or as large as the full size.

Prepared at the Laboratory of E. C. DeWitt & Co., Chicago, U. S. A.

Sold by R. C. Hardwick.

## NEW YEAR'S BIRTH LOUDLY GREETED

CITY AT MIDNIGHT FULL OF  
WELCOMING NOISES.

## NUMEROUS CHANGES NOTED.

As Usual the First Finds Many People  
Moving and Business Firms  
In New Quarters.

The New Year was greeted with thunderous noises made by fireworks of all kinds. Giant fire crackers seemed to be the favorite means of expressing the welcome to 1907 and as the big town clock in the central fire station boomed out the hour of twelve, whistles screeched and the uproar began which lasted well into the morning.

Many changes have been made in Hopkinsville.

Dr. L. Fierstein and sisters have moved from South Virginia street to one of the new cottages recently erected by F. J. Brownell on South Campbell street.

L. L. Elgin and family are also occupying one of the Brownell cottages.

Thomas Green and family have moved from East Seventh street to the house vacated by Dr. Fierstein on South Virginia.

J. W. Peach and family have moved from South Virginia street to G. Cooper's residence on West Fifteenth street.

J. C. Terry has resigned his position as bookkeeper with the Forbes Manufacturing company and he and his family will leave shortly for Franklin, Ky.

F. A. Yost & Co., have moved from the west side of Main street to a building formerly occupied by Waller & Rogers corner Tenth and Main.

Waller & Rogers have moved to a room in the Elks building on Ninth street formerly occupied by Baer.

B. Baer has moved across Ninth street into the Phoenix building.

Mrs. Kate Hooser has rented her home on East Twenty First street and has fitted up the second story of a building on Eighth and Main streets as apartments and is living there.

The Elks Lodge has moved from their former quarters in the Plant Bank & Trust company building their new home on Ninth street. Jeff Morris has moved his shoe king business from upstairs over Ark's grocery to the room formerly occupied by J. S. McAllister in Phoenix building.

V. H. Olvey, who was one of the sufferers by the collapse of the drug store of W. H. Martin during the day, is located with J. S. McAllister. Walter Trainum has resigned his position at Anderson's store and on his return from a visit to the theatre will enter the dress making business with his sister, Mrs. P. Richardson.

Don Torian and family have taken rooms with Mrs. P. C. Richardson on Ninth street.

T. Dority has moved from the corner to Buck Leavell's farm on Fairview pike.

Tate has moved to L. H. Davidson on East Seventh street, having recently purchased property.

Davis and family have taken rooms with Dr. J. Will Smith at the parsonage until they can move home on a lot recently secured on East Seventh street.

Bullard and wife have taken rooms with Dr. J. Will Smith at the parsonage.

Surrus has resigned his position with Sam Frankel and has accepted with T. M. Jones. Jagoe has resigned his position with T. M. Jones.

Williamingham has resigned his position with J. H. Anderson & Co., returned to Henderson.

F. Rogers and family have moved from West Seventh to Cleveland.

Hill and family have moved their farm at Kennedy to Virginia street.

Wooten and family have moved from the corner of Jessup and Seventh street to corner Neal Avenue and Seventh.

Martin has moved from 1 Avenue to West Seventh.

Guthrie has moved from venue to North Main. Yee and family have moved

ed from West Seventh to corner of Seventeenth and Virginia streets. W. F. Grau's family from their bakery to place vacated by L. B. Cayce on West Seventh.

M. A. McPherson from W. H. Nixon's where they have been boarding to Twelfth street.

J. L. Allen and family have moved from East Seventh to Virginia.

Mr. Wood is occupying the house vacated by Mr. Allen, he having moved from Duffett Avenue.

At the Forbes Manufacturing Company, several new faces are to be seen. J. W. Kaiser, who left here some time ago and went to Owensboro with the Hickman-Ebbert Co., has returned and is once again installed as foreman of the wagon paint shop. Albert Sprouse, an experienced man from Springfield, Tenn., has taken charge of the buggy and implement department. L. A. Sydnor, of Adairville, is a salesman in the heavy hardware department.

Miss Hazel Roper has resigned her position at Providence, Ky., and is cashier. W. F. Gabard, of Franklin, Ky., will purchase lumber for the new wagon factory.

## DISORDER IN CUBA

HAVANA, Jan. 1.—The statement is made that several thousand rifles and machine guns, reported to have been landed recently in Pinar del Rio province and hidden in the woods near Mariel, have been as secretly taken away.

Just who is responsible for the shipment of the arms into Cuba is not known. It is feared that the arms are now in the possession of the negroes in the province.

There are indications that it is going to be difficult to repress disorder by the growing bands of negroes who are burning down fields and tobacco barns, robbing estates and stealing stock.

## ROB PASSENGERS

RICHMOND, Va., Jan. 1.—Near La Crosse, Va., on the Seaboard Air Line, the passengers in the sleeper of train No. 81, out of Richmond, were held up and robbed out of about \$800, besides jewelry. The robbers, two in number, got on in Richmond as passengers and one remained in a day coach while the other went through the sleeper. The Pullman conductor while attempting to arrest the man robbing his passengers, was shot through the arm by the robber. The man then pulled the emergency brake cord, stopped the train and, with his confederate, escaped to the woods.

## Can You Speak Your Own Tongue?

A man on the lecture platform must be able to do that. First he must have something to say, and then must be able to say it so that every word is heard distinctly by everyone in his audience, in any sort of an auditorium. To rant and strut and yell and "tear a passion to tatters" is not oratory—it is a sore trial to the patience of an intelligent audience; nor are the vocal gymnastics of the "eloquentist" whose mind is pumping at his diaphragm, who swells and subsides according to his petty rules, to be mistaken for oratory. The orator is primarily a thinker; but the sublimest thought falls dead in the utterance, if it is not heard. Frank Dixon, the orator, who lectures in the Tabernacle Monday evening, Jan. 7, is noted for the peculiar quality of his voice; it is clear, penetrating far-reaching. His enunciation is so distinct that every syllable is heard, no matter how rapid his utterance.

## HAD A GOOD TIME.

Representatives of Police and Fire Department Visit Clarksville.

Councilman L. H. Davis, Chief of Police, Ellis Coper, Lieut. Booth Morris, Policeman W. T. Broderick, Fire Chief Ed Hester, Fireman Ed Schmitt and Wallace Brumfield attended the sixth annual banquet of the Clarksville fire department last night.

The supper was served in the Masonic building and was a most elaborate and appetizing spread. A number of speeches were made, but the only representative of the Hopkinsville delegation who addressed the gathering was Councilman Davis, who gave them some sound advice as to building a suitable fire station in which to keep their otherwise complete fire fighting equipment.

The local banqueters returned this morning and while they look a little jaded as the result of their night's vigil they all report a splendid time.

## "POOR, LOST LILLIE" IN FAREWELL MESSAGE FORGIVES FALSE LOVER

WISHES HIM HAPPINESS WITH  
GIRL HE MARRIED

## HER OWN LIFE A BURDEN

Remains of Sweet Young Woman Who  
Loved Not Wisely But Too Well  
Laid To Rest.

The remains of Miss Lillian Melton, the pretty Hopkins county girl who committed suicide at Nortonville by swallowing carbolic acid, were buried Monday afternoon at Odd Fellows' cemetery at Madisonville.

A farewell letter to her faithless lover is as touching in its pathos as any of the "Billy" Brown letters recently read in the Gillette trial. She forgives her lover for ruining her life, and wishes him much happiness in his new married life, but declares that she cannot endure the long years of suffering without him.

Miss Melton was the daughter of Mr. and Mrs. J. W. Melton, well-known and highly respected citizens of Madisonville. She had been a popular school teacher and also connected with business houses, and was loved by all who knew her.

Her letter to her sweetheart follows: Otto: Enclosed you will find a nickel, which I owe you for having paid on my ticket the Sunday afternoon I went to the Gap. Thank you, sincerely.

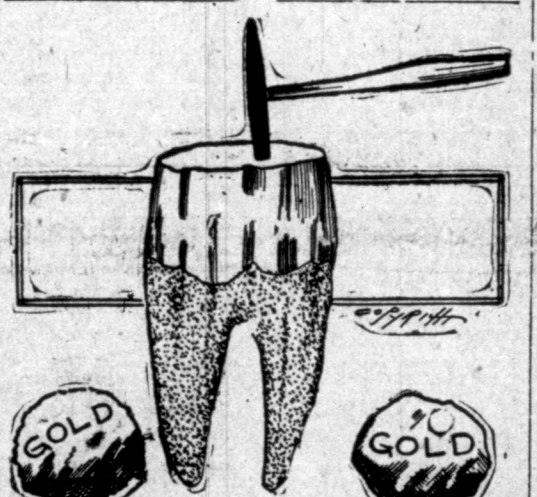

When are you and Berna to be married? Soon? Of course, I know you are both very, very happy, but only God knows the terrible anguish and misery I feel. Oh, why did you not leave me alone when you went away from me before? Why, in God's name did you come back to open afresh the old hurt in my heart?

Are you going to live at Nortonville? I want you to be happy; have always wanted that, but I cannot look forward to a life of long, endless misery and unhappiness. You told me it is wrong to take one's own life, but you do not stop to consider that that same life is more than can be borne with misery and shame. If there is a heaven to be gained by death, there certainly is a hell to be missed. You say you believe that we are all saved; then it seems to me that instead of wishing me to live on here in the unhappiness that you know I am in, you would not mind my going away to more perfect happiness and love. At best or worst, death will at least give me perfect rest. I do not think that there is any happiness in life now for me, and sometimes wonder why. What have I ever done that you should have set about, in the way you have, to wreck my life and my happiness. God knows that you have never asked anything of me that I have not willingly and lovingly granted you. I am not sorry of it, either, except that human nature will have its way, and grief and misery will fill my heart.

Berna is a dear, sweet girl, and she will make you happy. She is better than poor me, but she cannot possibly love you any more than I do, and she is not any purer and more virtuous than I was before you sullied my honor. I wonder, Otto, that you could contemplate marriage with any girl after the things that have passed between us, after you have told me over and over again that you never meant to marry, that you did not think you could possibly ever get ready to marry. Sometimes I wonder if you ever told me exactly what you felt, and meant, at any time. God knows, Otto, it is a terrible thing to win a woman's heart to deceive her from first to last. God forgive you, as freely as I do, for the things you have made me suffer. Why are you coming over here? What have you to say to me now? I am going to give the school up, but I do not know just what I shall do yet. If you marry, I shall end the whole business up, but otherwise I have not made up my mind what I shall do. I do not ask you to give up your happiness, not for one minute. You told me I was selfish, but I am not that selfish. Your happiness means more to me than my own does; but God knows a life of misery cannot be endured such as I will feel when you are married. Oh, God, what must I do? I feel almost that I will go mad, mad. I cannot, cannot bear it! I am afraid of myself,

for I know that I ought not to be so cowardly as to want to die before God wants me to. I am going to be selfish enough to ask you to give me a little time, now that you have told me. I should like to see you, but not Berna. Don't bring her when you come. I can't bear that yet. And, my darling, for before God, you are mine, and it can't be helped now, my precious love. I hope you will be happy. But oh, God, my heart! If you wish to come, I shall be glad to see you. I want you to forgive me for the times I have given you pain and unhappiness. You have my forgiveness for all the pain and sorrow you have brought into my life. God bless you and Berna both, and sometimes think kindly of poor, lost LILLIE.

Woman is often referred to by an as "doubbling his joys and halving his sorrows." That may be complimentary but it would seem to be rather hard on the woman. For in plain terms it means that where things are going well with the man his wife makes them go better. But when things are going ill with him, he expects the wife to share half his burden. And there's more truth than poetry in this presentation of masculine selfishness. Men don't appreciate the fact that the strain of motherhood alone is a burden bigger than all the loads that rest upon male shoulders. They see the wife grow thin, pale, nervous and worn without a thought that she is overburdened. Among the pleasant letters received by Dr. Pierce are those from husbands who have waked up before it was too late to the crushing burdens laid upon the wife, and in the search for help have found in Dr. Pierce's Favorite Prescription a restorative which has given back to the mother the health of the maiden and the maiden's happiness. "Favorite Prescription" always helps, and almost always cures. It has perfectly cured ninety-eight out of every hundred women who have used it when afflicted with diseases peculiar to women.

## DEAD AND OTHERS FATALLY HURT

WRECK ON B. & O.  
NEAR WASHINGTON.

## MORE WERE INJURED

Train Is Struck by Locomotive  
Drawing Empty Cars.—Two  
Trainmen Under Arrest.

WASHINGTON, Dec. 31.—An appalling disaster resulting in the death of forty persons and the injury of about fifty more, occurred about 12:20 last evening on the Baltimore and Ohio railroad at Terra Cotta, a suburb of Washington.

Frederick City, Md., local train No. 66, on the point of starting from the station was run into by a train made up of eight empty passenger coaches, bound for the west for Washington. It is said that the engineer of the empty train had failed on account of dense fog, to see the red signal indicating that another train was in the block and plunged ahead on its mission of death.

A special train which had been dispatched to Terra Cotta, brought the injured, whose wounds had been hastily dressed, and they were sent around to various hospitals. Three died on the way to the city, and one at a hospital.

Engineer Harry Hildebrand and his fireman escaped with their lives. Hildebrand is said to have been a substitute. He was arrested, together with his fireman. No formal charge has been placed against them but they will be held pending an investigation.

Traffic was delayed by the accident and it was after midnight before the bodies of the dead could be brought to the city. There was an entire absence of any attempts at theft. As soon as possible the bodies were covered and laid aside to await the coming of the train sent from the city to bring them here. Many pathetic scenes were enacted in the vicinity of the wreck as relatives searched amid the fog and darkness for the bodies of their loved ones, whom they feared were in the wreck.

From the appearance of the bodies it is believed that nearly all the victims were killed outright or died within a few minutes after the accident.

About 900 workmen are engaged in clearing away the wreckage. All traffic on the division has been stopped.

## FROM THE ANTILLES.

Chamberlain's Cough Remedy Benefits a City Councilman at Kingston, Jamaica.

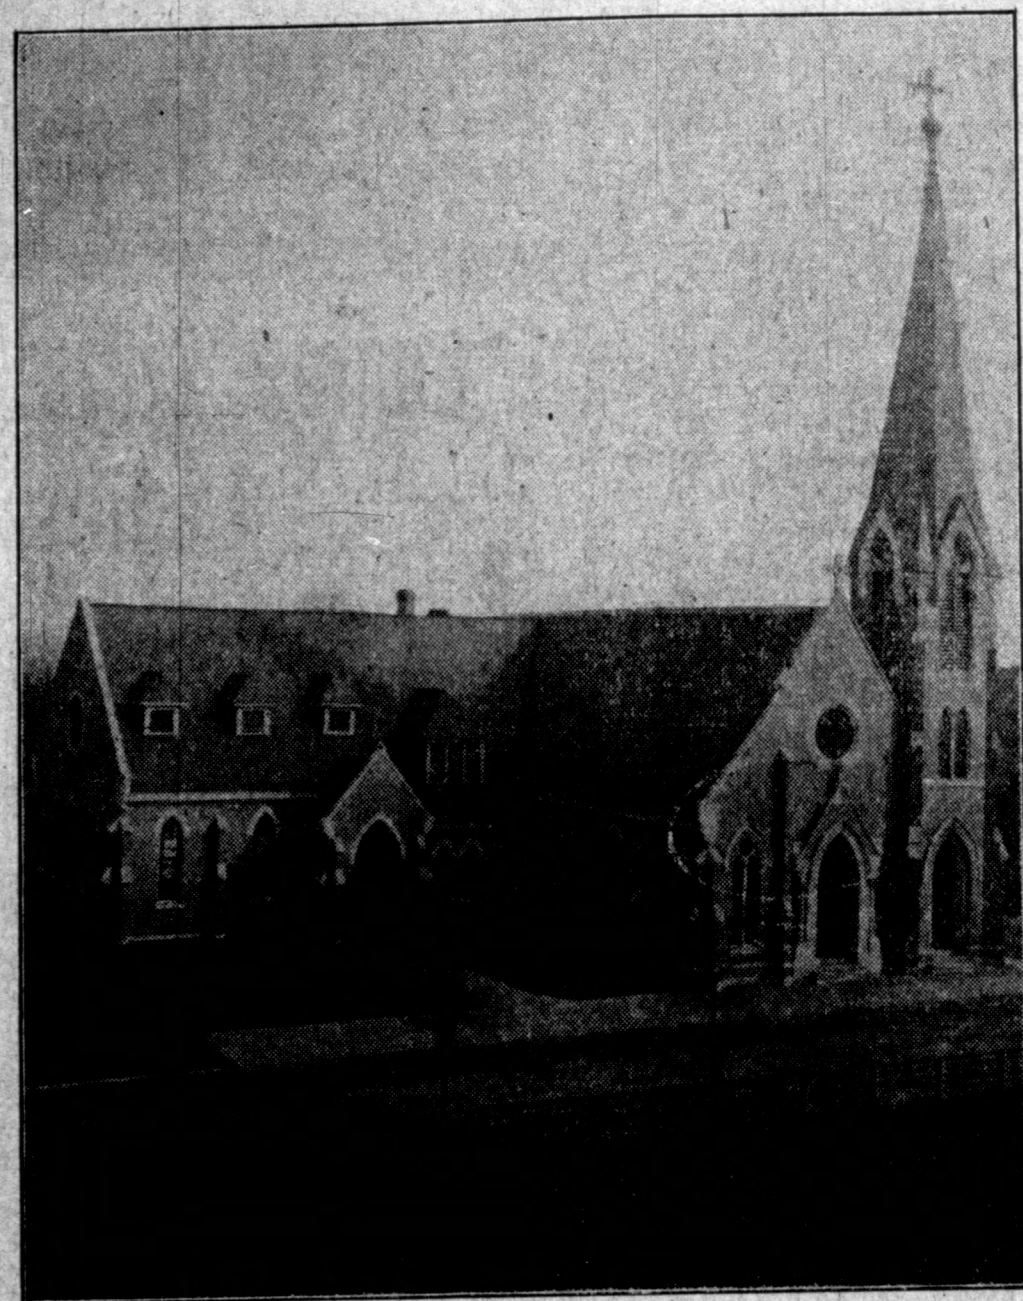

Mr. W. O'Reilly Fogarty, who is a member of the city council at Kingston, Jamaica, West Indies, writes as follows: "One bottle of Chamberlain's Cough Remedy had good effect on a cough that was giving me trouble and I think I should have been more quickly relieved if I had continued the remedy. That it was beneficial and quick in relieving me there is no doubt and it is my intention to obtain another bottle." For sale by Anderson Fowler Drug Co. (Inc.) the leading Drug Store, 9th and Main St., Hopkinsville Ky.

## NOT CONSTITUTIONAL.

LOUISVILLE, Ky., Dec. 31.—Federal Judge Walton Evans this morning decided as unconstitutional the Employers' Liability act passed last June by congress.

Nearly every person who is subject to attacks from the stomach suffers from a morbid dread of a dietetic treatment for relief, that is three-fourths starvation, and one-fourth toast and milk. On the other hand you can eat as you please and digest the food by the aid of a good digestant, thus giving the tired stomach equally as much rest. Eat what you please and take a little Kodol For Indigestion after your meals. It digests what you eat. Sold R. C. Hardwick.

## Parish House of Grace Church Is Dedicated by Bishop of Kentucky As Memorial to Sainly Woman

The memorial parish house at Grace church was formally dedicated Sunday morning with a simple but beautiful and appropriate service conducted by the Rt. Rev. Charles E. Woodcock, bishop of the Kentucky diocese of the Episcopal church.

Bishop Woodcock preached in the main auditorium at the usual hour, and notwithstanding the inclement weather he was heard by a good audience. His sermon was a strong plea for the perpetuation of the true Christmas spirit by Christian living, one toward another, at all times and in all ways.

Immediately after the regular service the congregation adjourned to the Sunday school room of the new parish house where the dedicatory service was held, and in a brief but eloquent manner Bishop Woodcock referred to the beautiful Christmas character of Mrs. Emma Glass Gaither, to whose memory the house was erected, and to the fitting tribute to her memory which the structure would ever be.

## The Parish House.

The parish house which was erected and donated to the church by Mrs. E. C. Glass as a memorial to her daughter, Mrs. Emma Glass Gaither, is a handsome and commodious and completely equipped building in every respect and stands as a lasting monument to the memory of one of the most devoted members the church ever had and one of the most saintly Christian characters which ever blessed this city by living in it.

The exterior of the parish house is of the same Gothic style of architecture as the church proper, and stands at right angles to the main building. Looking at it from the outside one would never imagine that it contained the amount of room it does, for every inch of space is utilized to the best advantage and by a clever arrangement of stairways and rooms it is really three stories in height. There are two ways of entering the parish house, one being from Sixth street and the other from the main auditorium of the church. Both doors lead into the main hall on the ground floor which is finished, as is the entire interior in the natural pine and with composition walls, the color scheme in each being different. Coming into this hall-way from the church proper the first door on the left leads into the room which is to be used as a dressing room for the choir. This is fitted with lockers for the vestments and allows the choir to march into the church and to their places without having to pass the entire length of the main auditorium as was formerly the case. On the right of this hallway is the door opening into the infant class room which is fitted up especially for the little ones of the Sunday school. At the end of the hallway is the double doorway which gives entrance into the main Sunday school room, a large, airy and well lighted room perfectly adapted for the use for which it is intended, and fitted with comfortable chairs and all other necessary furniture.

At the head of the stairway leading to the second floor is the door of the most important branches of the church work. This room is known as the blue room and is fitted up in mission style, the furniture all being of the quaint old style. From this room, or from the hallway, either, a door leads into another room which is fitted up to be used as a kitchen whenever entertainments calling for refreshments are given. This kitchen is supplied with a gas range, cupboard, dishes etc. To the left of the head of the stairway and immediately over the Sunday school room and conforming with it in size, is another spacious hall which is to be used for receptions or other church entertainments calling for a separate room from the downstairs rooms. The entire arrangement of this floor is made with the purpose in view of having all three rooms so located that they may be used whenever it becomes necessary.

At the head of another flight of stairs leading from this floor is another large room which is designed as a play room for the children of the Sunday school. This room has not yet been fitted up, but plans are already under headway to make it one of the most attractive places about the building, for the children. Throughout the entire building, the light is admitted through attractive art windows and it is heated by steam.

## Church Improvements.

While so much can be said of the parish house, the improvements which have been made to the church proper must not be overlooked, for these add much to the general appearance of the edifice and its complete equipment. The improvements here were the gift of Mr. John C. Latham, of New York, as a memorial to his mother, Mrs. Virginia Glass Latham, who died last summer and whose entire life was devoted to this church and the advancement of its interests.

The exterior of the church has been repainted and now presents as new and neat an appearance as the recently erected parish house. On both the Liberty street and Sixth street sides of the building concrete pavements have been laid and a concrete walk also leads from Sixth street to the entrance to the parish house, neat grass plots being on either side.

One of the first sights which attracts the eye of a visitor to the church when he enters the main auditorium is the beautiful memorial window which is placed just back of the chancel. This shows a full length figure of Christ, the great teacher, as he stood by the Sea of Galilee. At the bottom of the window is the inscription, "In loving memory of Virginia Glass Latham. 'My faith looks up to Thee.' 1820-1906." The coloring and general scheme of the illustration is most beautifully executed and it has been pronounced by authorities as being one of the handsomest memorial windows in the state.

The costly pipe organ which stands at the right of the chancel is another gift from Mr. Latham to the church. While this organ is not so large as some, it was manufactured by the celebrated Estey company, and their orders were to spare nothing to make it in every respect. Its tone

and volume are both equal to any of the organs in the larger city churches and its general arrangement is according to the most approved plans.

The interior of the church has been rearranged, the lights having been changed from the stands which stood on the floor to hanging clusters of bulbs in frosted globes suspended from the ceiling. The chancel railing and seats for the choir have also been changed to conform with the position of the pipe organ and the general arrangement of the church.

## Adorns The City.

These improvements, together with the new parish house, now make Grace church not only one of the handsomest houses of worship in the state, but it is also one of the best equipped, no necessary detail having been omitted. To the members it is a source of pride on account of their connection with and love for it, and to the public at large it is a source of pleasure by reason of its beauty and the added charm which it gives to the city.

Food don't digest? Because the stomach lacks some one of the essential digestants or the digestive juices are not properly balanced. Then, too, it is this undigested food that causes sourness and painful indigestion. Kodol For Indigestion should be used for relief. Kodol is a solution of vegetable acids. It digests what you eat, and corrects the deficiencies of the digestion. Kodol conforms to the National Pure Food and Drug Law. Sold here by R. C. Hardwick.

## PERSONALS.

(From Monday's Daily)

The Hon. Merrell Russell, of Elkton, spent Sunday in the city.

Watterson Brasher, of Nashville, is visiting relatives in the city.

Miss Daisy Baskett will return to Henderson today after a visit in the city and county.

Mr. and Mrs. Upshaw Wooldridge and R. M. Wooldridge have returned from Georgetown where they spent the holidays.

W. R. Brumfield has resigned his position as manager and secretary of the Hopkinsville Caning company, which place he has held since the organization of the company. Mr. Brumfield will devote his entire time to his market farming.

Dr. and Mrs. H. C. Beazly, of Bowling Green, Mr. and Mrs. J. G. Gardner and Mr. Louis Russell, of Prenton have returned home after spending with Mr. and Mrs. R. A. Russell near the city.

Walter Trainum has resigned his position with J. H. Anderson & Co., and will leave in a few days for the northwest. Upon his return in the early spring, he will be connected with Mrs. F. C. Richardson's dress making establishment.

Mr. and Mrs. W. B. Owen and daughter, Violet have returned from St. Louis and Winfield, Mo.

John C. Latham, of New York, is in the city.

John Tigert, son of the late Bishop Tigert and holder of a Cecil Rhodes scholarship at Oxford College, is in the city visiting friends.

C. W. Haynes, of Marion, visited friends here yesterday and today.

Adjutant General Henry R. Lawrence was in the city today.

Miss Mary Penn has returned from Cerulean where she spent Christmas with her parents.

Chamberlain's Cough Remedy a Safe Medicine For Children.

In buying a cough medicine for children, never be afraid to buy Chamberlain's Cough Remedy. There is no danger from it, and relief is always sure to follow. It is intended especially for coughs, colds, croup and whooping cough, and there is no better medicine in the world for these diseases. It is not only a certain cure for croup, but, when given as soon as the croupy cough appears, will prevent the attack. Whooping cough is not dangerous when this remedy is given as directed. It contains no opium or other harmful drugs, and may be given as confidently to a baby as to an adult. For sale by Anderson Fowler Drug Co. (Inc.) the leading Drug Store 9th and Main St. Hopkinsville Ky.

"They like the taste as well as maple sugar" is what one mother wrote of Kennedy Laxative Cough Syrup. This modern cough syrup is absolutely free from any opiate or narcotic. Contains Honey Tar. Conforms to the National Pure Food and Drug Law. Sold by R. C. Hardwick.

## PATIENT ESCAPES

FROM WESTERN KENTUCKY ASYLUM FOR INSANE.

Mrs. Amanda Green, of Warren County, Adjudged a Lunatic And Ordered to Asylum.

The Bowling Green Times-Journal says:

Chief of Police Dillard this morning received a letter from the superintendent of the asylum for the insane at Hopkinsville, telling him to look out for and arrest Ed Runner, a lunatic who had escaped from that institution. He was sent to the asylum from this city some time ago and had since been confined there. He had come back from the West, where he had been for some time, broken in health, and mind, and was tried and sent to the asylum. He is a son of the late William Runner, of the Rich Pond vicinity.

Mrs. Amanda Green, wife of Harry Green, a farmer of the sunnyside vicinity was brought here this afternoon and tried before Judge Drake and adjudged a lunatic. Mrs. Greene is 34 years of age and has six children, some of them small. She suffered from mental aberration about fourteen years ago, but was treated at home and was cured. About three weeks ago she again showed indication of mental unbalance and has grown steadily worse. She exhibits her insanity by tearing her hair and talking wildly, and is now violently insane. The children were taken away from her for fear she would harm them. She will be sent to the Hopkinsville asylum for treatment.

## STILL ALIVE

(From Saturday's Daily)

Henry Morris and wife, who were shot by Lewis Wilson, a brother-in-law of the woman, Thursday night, are still alive but their condition is very critical.

The woman miraculously escaped instant death by reason of the shot which struck her on the left side of the neck, glancing somewhat. It is said that the jugular vein on the left side of her neck is exposed to view for quite a distance, the flesh covering it having been shot away, but fortunately none of the shot entered the blood vessel. Only a small portion of her left ear remains and the left side of her face is terribly torn by the shot.

The man's wound is not so bad but he is in a serious condition, if for no other reason than from the danger of blood poisoning. The shot entered his face and neck and imbedded themselves so deeply that all of them could not be picked out.

As soon as he had shot the couple Wilson left the country, not even returning to his home. He lost his hat which was found by Deputy Sheriff Cravens and Jailer Johnson who went out to arrest him. No trace has yet been found of him and it is thought he has left the country.

## Lost Two Fingers.

Joe Alsbrooke, of Empire, who suffered a bad injury to his right hand Christmas day by the explosion of a giant fire cracker, lost two fingers by the accident. It was at feared that the entire hand would have to be amputated.

Dr. Edwards, specialty eye, ear, nose and throat. Test made free of charge for glasses. Phone bldg. Main St., Hopkinsville.

## PRACTICALLY ADMITS

THAT HE WILL BE A CANDIDATE FOR PRESIDENTIAL NOMINATION.

W. J. Bryan Says "No American Citizen Should Decline" So High An Honor.

TOPEKA, Kan., Dec. 29.—In an interview here, William J. Bryan practically admitted that he would be a candidate for the Presidential nomination before the next democratic national convention.

"While I have not yet announced that I would be a candidate," said Mr. Bryan, "I have not stated that I would not be a candidate, and do not intend to. Such a high honor as the presidential nomination is something no American citizen should decline."

Mr. Bryan declared that he had never stated that President Roosevelt had stolen the thunder of the Democratic party, although he said, the president was now advocating many things favored by that party.

Mr. Bryan said there was no foundation for the story that had been printed to the effect that he would, if nominated, favor the selection of Senator William J. Stone, of Missouri, as chairman of the Democratic national committee.

"I have never told anyone anything about the organization of the national committee," he said.

"I do not want to see on the committee men who are not good, clean men who want a government for the people, and not for the trusts. I do not care to see men on the committee like Roger Sullivan, of Illinois."

In speaking of the railroad legislation enacted by congress at its last session, he stated that he did not believe the legislation was what it should be, but he thinks the president took what he could get. He said the giving of railroad passes was one of the most corrupting influences exercised in this country.

## SOLD TO THE TRUST

Equity Crop For 1904 Disposed Of At \$8.90 a Hundred.

OWENSBORO, Ky., Dec. 27.—The executive committee of the Green River District American Society of Equity has sold to the American Tobacco company 772 hogsheads of 1904 tobacco. This includes all of the 1904 equity tobacco in the counties of Daviess, McLean, Ohio, Hancock and Breckenridge counties. The average price was \$8.90. The purchase was made by John Englehard, local representative of the American Tobacco company. During the past few days he has bought about 740 hogsheads from independent houses.

## FOR FORGERY.

NEW YORK LIFE OFFICIALS ARE INDICTED.

Geo. W. Perkins And Chas. S. Fairchild Charged With Juggling Deals.

NEW YORK, Dec. 29.—Geo. W. Perkins, formerly vice-president of the New York Life Insurance Company and now a member of the firm of J. P. Morgan & Co., and Chas. S. Fairchild, formerly secretary of the treasury and a trustee of the New York Life Insurance Company have been indicted by the grand jury charged with forgery in the third degree.

The indictments were based on what is known as the Prussian bond transaction, in which it is charged that a false statement was made by the New York Life Insurance Company in order to satisfy the government of Prussia as to the securities of that company.

Geo. W. Perkins appeared in court and gave bail in the sum of \$10,000. Mr. Fairchild is in Europe.

One of the transactions investigated by the grand jury in this connection is what was alleged to be a dummy sale of 10,000 shares of the Chicago & Northwestern preferred stock and 5,900 shares of St. Paul stock to the New York Security & Trust Company. As far as appeared on the books of the New York Life Insurance Company, this transaction was a complete sale of the securities. The New York Security & Trust Company, however, recorded it as a loan. Later these shares were sold by the New York Security Company with a profit to the life insurance company of \$155,000. This alleged false statement of sale had for its object compliance with the rules of the Prussian government that a life insurance company doing business in that country shall not include corporation stock in its assets, but may include bonds in such assets.

## ASPHYXIATED

Henry Williams, a colored employee of the City Light company, came near losing his life yesterday by asphyxiation while working on a gas pipe at the residence of Mr. Nat Gaither on East Ninth street. Williams in company with another colored man, was repairing a pipe running under the house.

In some manner a leak was sprung and Williams inhaled so much of the gas which escaped that he was rendered unconscious. His companion however was not overcome and he succeeded in pulling Williams from under the house. Dr. Stiles was called and after working some time with the man succeeded in reviving him.

NEW YORK, Dec. 29.—Edward J. Horner of Chicago, president of the Roosevelt Third Term league, when asked about the organization, said:

"It is not our purpose to appeal to the politicians. In fact, we do not want any of them. It is to be a matter which is to come directly from the people, and for myself I don't care whether President Roosevelt likes it or not. To my mind he has nothing to say about it. He is the only man in whom the people have absolute and implicit confidence; we know he is honest; his actions have demonstrated it beyond cavil."

The headquarters of the league are in Chicago. The league is sending broadcast over the country copies of its platform, which sets forth that President Roosevelt should be nominated and elected again, and tells why the league is non-partisan.

## AMUSEMENT NOTES.

Frank Dixon, the famous lecturer, who appears in the lyceum course at the tabernacle Monday evening, Jan. 7, is a native of North Carolina, of Scotch-Irish descent, but he has adopted Virginia as his summer home. He has a country place down in Gloucester county, on the North river, to which he takes his family from Washington, D. C., when his season ends. There he makes gardens, plants melons, drives, sails and rests, while he is not attending Chataquas. His three boys are amateur sailors. The oldest, a strapping young fellow of sixteen, is captain of a canoe yacht, built for cruising in the waters of the Chesapeake; the second is a daring youngster before the mast; the third has been master of his own boat since he was seven. These boys dispute with each other the right to appropriate their father, when he returns from Chataquas; and the father himself is a happy captive, no matter into whose hands he falls. Mr. Dixon declares that Tidewater, Va., is a paradise. Tradition says the people down there have always been so content with their lot, that years ago they had to shoot a man to start a cemetery for the local churchyard. Mr. Dixon does not vouch for the historicity of that story.

## IN WEEK OF PRAYER

CHURCHES WILL MEET TOGETHER TO WORSHIP GOD.

Announcement is Made by Secretary  
Bull of the Time and Places  
of Service.

The week of prayer will be observed as a union service by the churches of the city. The first meeting will be held at the Baptist church Sunday evening in charge of the Rev. Dr. Lewis, presiding elder of the Hopkinsville district.

The program will continue through the week including Friday evening as follows:

"The Church of the Living God,"  
The Rev. Fogarty, at the Methodist church Monday evening.

At Ninth street Presbyterian church Tuesday evening by Rev. Dr. Millard Jenkins. Subject: "The Gospel of God's Son."

At Christian church Wednesday evening by Rev. A. P. Lyon. Subject: "The Christian Ministry."

At Cumberland Presbyterian church Thursday evening by Rev. George Abbott. Subject: "Missions, Home and Foreign."

At parish house of Episcopal church Friday evening by Rev. H. D. Smith. Subject: "Christian Institutions."

The brevity of program necessarily curtails one church and one minister, so the secretary of association has left himself and church off the list.

EDWARD H. RULL, Sec'y.

Plenty of Fun—And More.

A good hearty laugh is hygienic. The man who can provoke it is a benefactor. It dispels life's shadows, clears the fog from the brain, calms the heart, and sends the red blood coursing through the veins. When we go out to hear a lecture, as we shall, when Frank Dixon, that brilliant orator from the South, appears at the Tabernacle in the lyceum course, we expect to be entertained. It is said that Mr. Dixon knows the art. The great lecturer is a prince of entertainers, yet he is more—he is an orator. A laugh for its own sake calls for no apology, but it is all the more enjoyable when it is made an instrument for clarifying thought, for illuminating a truth, or driving a conviction home. Mr. Dixon has wit, but it is with him a weapon or oratory.

## WITH BLOW OF FIST

EAST ST. LOUIS, Ill., Jan. 2.—With a single blow of his fist Chas. Smith killed D. E. Myers, Mrs. Smith told her husband that Myers attempted to flirt with her on the streets, thus causing the attack. Myers' neck was broken by the blow. The case has not yet been captured.

## FROM DAY TO DAY

GOLDTHWAITE—Because of his high standing in studies, an unusual honor is to be conferred soon on Faulkner Goldthwaite of this city who is a student at the U. S. Naval academy at Annapolis. It is announced that his splendid rank has won for him distinction of being graduated next month, though his class will not finish its course until June. Two other Kentuckians, Churchill Humphrey, of Louisville, and Harris Abbott, of Covington, and one Tennesseean, S. B. McKinney, of Knoxville, will be similarly honored.

FERGUSON—The Louisville Herald says: Gen. Percy Haly, chairman of the Board of Commissioners of Charitable Institutions of Kentucky, was at the Old Inn last night on his way to Hopkinsville, to make the regular monthly inspection of the asylum at that place.

At Hopkinsville, Gen. Haly will be joined by Commissioners Board and Phillips. They will visit the several institutions in the state, and will then go to Frankfort, where the regular monthly meeting will take place one week from tomorrow.

At this meeting several vacancies existing at the asylums will be filled. It is probable that Dr. Joseph Ferguson, of Muhlenburg county, will be elected first assistant physician at the Hopkinsville Asylum for the Insane. Dr. Ferguson is the present second assistant physician.

FERGUSON.—Joe Ferguson, of the firm of Twyman & Ferguson, has sold his interest in the business to his partner who has already assumed charge of the entire trade. Mr. Ferguson has not yet decided what he will do.

CROCKETT—Albert P. Crockett will return today or tomorrow to Oklahoma City after a visit to friends in the city. Mr. Crockett has achieved fine success in his western home and the latest honor conferred on him was his unanimous election as a director of the chamber of commerce of Oklahoma City.

DILLMAN.—George Dillman has gone to Florida, Alabama, to reside. He has accepted a lucrative position as bookkeeper for a large cotton factory.

## MISTOOK WIFE FOR BURGLAR.

PADUCAH, Kas., Jan. 2.—George Kolb, a well known citizen, this morning mistook his wife for a burglar when she got up to close a window, and shot and probably fatally wounded her.

## CENSURE PRESIDENT

FOR ACTION IN DISMISSING NEGRO BATTALION.

At Emancipation Meeting Resolution is Adopted, After Lively Discussion, Condemning Mr. Roosevelt.

(From Wednesday's Daily)

A large representative audience of negroes held an emancipation celebration at the Main Street Baptist church last night, in pursuance of a call issued by the officers of the Afro-American Council. Addresses were made by a number of people, the principal one being made by Rev. B. J. Garrett, who was chairman of the meeting. Other addresses were made by Congressman E. W. Glass, Rev. E. Williams, J. W. Bell, J. T. Whitney and others. Resolutions were introduced vigorously denouncing President Roosevelt for the dismissal of the entire battalion of 25th Infantry. Among other things, the resolutions stated: "There is no question concerning the possibilities of the negro race. The question is, how to bring the actual achievements of the negro to a knowledge of the American white man. These privileges consist of the right to accomplish whatever he can accomplish and to make of himself whatever he can make. We demand full and equal protection of our manhood rights; we condemn crime wherever committed; but we implore the powers that be for the equitable administration of justice in their dealings with the negro. We condemn President Roosevelt for dismissing the innocent members of the 25th Infantry, in an endeavor to punish the guilty ones, and for even punishing those guilty without trial either by the laws of the state of Texas or by court martial."

A heated discussion was precipitated by the presentation of these resolutions, Attorney J. T. Whitney and Rev. E. Williams and others, insisting that the persons guilty of perpetrating the Brownsville outrage should likewise be censured, but the contention that no one had been proven guilty seemed to prevail. The resolution was adopted. The building was profusely decorated with National flags, the pictures of Lincoln, Douglass and Booker Washington being displayed.

State Fair.

The handsome profit of \$10,000 is the gratifying showing made by the Kentucky State Fair from the first permanent exhibition in Louisville last fall, according to the report of State Commissioner of Agriculture Hubert Vreeland. This amount is now in the treasury of the state, fair after all expenses have been paid.

The total receipts were \$33,377.04, and total disbursements, \$22,386.18. The gate receipts amounted to \$23,253.60 and the sale of season tickets, \$1,452.24.

## Canning Factory Meeting.

At the meeting of the stockholders of Hopkinsville Canning Company, Ward Claggett and W. R. Brumfield retired from the board of directors and Squire W. L. Parker and William Morris were elected to the vacancies. Mr. Brumfield has also resigned as general manager of the plant but his successor has not yet been selected.

## MANY FATALITIES IN TRAIN WRECK.

TOPEKA, Kas., Jan. 2.—Between 20 and 30 passengers were killed and many injured in a collision of Rock Island passenger trains to-day near Alta Vista. Most of the dead were Mexicans.

Taking Down Wall.

The work of tearing down the front wall of the Garnett property on S. Main street which collapsed during the flood which visited the city on the night of November 19, 1906, is in progress.

Scaffolds were erected yesterday and the wall braced with ropes, and today the workmen have made short work of the wall and it will only be a question of a day or two until it is entirely razed. The rest of the debris from the wreck has nearly all been cleared, this contract having been let to J. K. Twyman.

Mr. J. F. Garnett, owner of this property, stated this morning that he had not yet fully decided as to exactly what buildings he would erect upon this site, and that no definite steps would be taken before spring.

## DAM AT LOCH MARY BURSTS.

EARLINGTON, Ky., Jan. 2.—The dam at Loch Mary, which supplies water for the town, broke this morning as a result of the heavy rains, inundating the lowlands and doing considerable damage. There were no casualties.

## UNIFORM RANK

Of Knights of Pythias Held Election of Officers.

Co. 27, Uniform Rank Knights of Pythias, held its annual election of officers Tuesday night as follows: Captain, Charles O. Prowse. 1st Lieut., J. W. Stowe. 2nd Lieut., Clyde M. Hill. 1st Sergt., Vivian W. Atkinson. 2nd Sergt., H. L. Haydon. Recorder, C. E. Harris. Treasurer, L. E. Fowler.

## RELENTLESS WAR

ON CRIMINAL PHYSICIANS BY STATE HEALTH BOARD.

Issues Letter Promising Prompt Action in Every Case.—No License for Drunkards.

The State Board of Health of Kentucky is going after physicians who practice criminal operations or use whisky or drugs to excess. A relentless war will be made on this class of necessarily dangerous physicians. The board, through its secretary, Dr. J. N. McCormick, is issuing the following on the subject which explains itself:

To the Medical Profession and People of Kentucky.—The infamous practice of criminal abortion, infanticide, murder, to speak plainly, dangerous to the health and lives of women to an extent not generally realized, and a constant encouragement to immorality, has become so common in recent years, even with married women in the higher walks of life, often church members and otherwise respectable, that the General Assembly has made it the solemn duty of the board to revoke the license to practice of any physician proven guilty of this horrible crime. After full consideration the board has decided to take up this work in a systematic way and to discharge the solemn duty imposed upon it without fear or favor. In the very nature of things this is one of the most difficult of crimes to prove, and for this reason it has been decided to earnestly invoke the aid of the county medical societies, boards of health, court and other officials and the people. We promise to make a prompt investigation of every case reported to us, and to cite physicians, high or low, to appear before the board for trial whenever the evidence warrants it. We appeal to the medical profession in its organized capacity, and to all officials and good citizens, to aid us in the enforcement of this wise and timely law.

It is also made the duty of the board to revoke the license of any physician who becomes addicted to the liquor or drug habit to a degree which disqualifies him to practice with safety to the people. No drunkard or opium or cocaine habitué is fit to practice a vocation where health and life are constantly dependent upon acuteness of intellect or correctness of judgment. This is a mild offense compared with the cowardly murder involved in every criminal abortion, and this phase of the law will be used to secure reformation wherever this is possible. Copies of this letter will be sent to every newspaper, physician and official in Kentucky, and we ask the assistance of all good people in the work. By order of the board.

J. N. McCORMICK, M. D., Secretary.

Model Dyspepsia Cure  
Obtains what you eat.

## BIG DIVIDENDS

NEW YORK, Dec. 29.—While old Santa Claus has not been very good to Wall street this Christmas, yet fortunate holders of railway stocks and bonds and other securities will receive a substantial amount on January 1, when interest time comes around. More than \$180,000,000—the largest total in the history of the United States—will be distributed on that date, and there will be a repayment in part of disbursements and losses made earlier in the season.

It has been shown from a compilation of lists of declared dividends that about \$71,000,000 will be paid in disbursements of dividends and \$105,000,000 for coupons of industrial, railroad and government bonds. This list does not include a score of water companies and hundreds of municipalities that redeem coupons on the first of the year. Within the Wall street district, it is conservatively estimated, fully \$200,000,000 will be distributed in January of 1907.

The Hill railroads lead the list of large interest payers, in that about \$3,305,244.

## PREMIUMS OFFERED

CHICAGO, Jan. 3.—President Roosevelt's anti-race suicide theories are to receive the hearty endorsement of Chicago's union labor. An organization is being perfected which will place a premium on childbirth.

One hundred dollars is to be paid to the wife of each member of the association at the birth of a child.

Should the stork leave twins at the home of a union man the premium will be raised to \$250, and \$500 will be paid cheerfully in the event triplets.

There are two objects of the proposed beneficiary organization, one of which is to insure the father and mother of a stated sum at a time when it is greatly needed, and the other is one which has back of it purely union principles—to remove women from the field of labor and to place them where they say they rightfully belong, in their homes.

"There are many union men working alongside of union women, who would marry if they felt they could afford to accept the responsibilities that go with the rearing of a family," said one of the interested union men today.

"With women taken from the field, places will be open at better wages for the men. That is the one vital question which we believe can be solved in no other way. In order to take woman out of the field of labor, men must marry them and furnish them homes."

## M'CRAE PROMOTED

PHILADELPHIA, Pa., Jan. 2.—Vice-President James McCrae was elected president of the Pennsylvania road today to succeed the late A. J. Cassatt.

## Ladies Suits and Cloaks Cut Very Low

Today we offer the entire stock of Ladies Tailored Suits and Cloaks at prices to interest the most frugal buyers. These are the finest garments ever brought to Hopkinsville and we have styles and sizes to suit most everybody.
