DIFFERENT SYMPTOMS THAT RESULT FROM INDIGESTION. HOW TO CURE IT

BY STRENGTHENING THE STOMACH

It has long been said that with weak stomach you must realize that the digestive system is for the body what the foundation is to the house—the base of expert and strength genius. The stomach and the intestines perform their function so perfectly that the body is almost always made to perform in the best possible manner. A weak stomach is a very common condition and one that can be overcome by using Mother's Friend. Mother's Friend is the only remedy which relieves women of the great pain and distress of dysentery. This is a house which is designed to women's special needs, not only made for women, but all the disease is produced by its use. Those who use this remedy are no longer troubled with pains of any kind, and enjoy perfect health in the best possible manner.

Did you fight with the American

flee in terror and in shame, preferring
to run away, rather than to fight your

you are a coward, and the very name

That’s the kind of a suit your spring suit should be. And its kind of a suit it will be if it comes from J. T. WALL & CO.

The known character and apparent superiority of our clothing are sometimes positive handicaps to us because some people form the idea the clothes are too fine for them. But with all this we have not neglected the $10.00, $12.50 and $15.00 suits. The best that can be shown for the money on this market. We will welcome you in our store.

February 15, 1907

Let this be the sorrow that shall always
hang heavy upon the heart of the Master:
that of the children who are lost. It is
the sorrow that shall weigh down the
great heart of the Master, that of the
infant in the cradle, of the child in the

young man in the interview. The Master
wept over the death of the children of
Israel. Will ye not weep over the death

sorrow that shall weigh down the heart

Respect Your Stomach

Give it food that will not irritate or retard the performance of its natural functions, and it will reciprocate in a way agreeable and comforting.

No single ingredient contributes so largely toward wholesomeness, nourishment, agreeable food as Royal Baking Powder.

Royal Baking Powder's active ingredient, Grape Cream of Tartar, is the most healthful of the fruit products. This is why Royal Baking Powder makes the food finer, lighter, more appetizing and anti-dyspeptic, a friend to the stomach and good health.

Baking Powders Contain Alum
